

## Star of Space 175

Chapter 175 Instead of me?

But Lin Caihe had already been spoiled to a fault, and she didn't know it at all. She always compared herself with Sangsang, and she didn't know what she could compare herself to.

"It also just gives your eldest brother time to read more books."

"I....."

Lin Caihe opened his mouth, but could not reply a word. It took him a long time to hold back a sentence.

"Grandma, it's not like you don't know that I don't cook well."

"It's just because it doesn't taste good that I have to learn. Otherwise, if a big girl doesn't know how to cook, who will dare to come to propose marriage in the future?" Lu Qiubo said matter-of-factly, without any room for negotiation.

"That's it. From now on, you work at home and let your eldest brother study hard."

Lin Caisang: "..."

The corners of her mouth twitched slightly, and she couldn't help but reflect on her grandma's words. She doesn't know how to cook, never does laundry, let alone chop wood and carry water. Wouldn't anyone dare to come to propose marriage to a girl like this?

Grandma, are you sure you are talking about Lin Caihe and not me?

...

In the Liu family, when Liu Baixiao was dejected, before he even stepped into the house, he saw a group of policemen coming in a hurry and knocked open the door of Liu's house.

The steward of the Liu Mansion thought Liu Baixiao was back, and opened the door without asking who was outside. However, as soon as he opened the door, he was dumbfounded when he saw so many police officers.

"Hey, you... you..."

He wanted to stop the police from entering, but he was an official and he was just a commoner, and he was only a slave, so how dare he.

Outside the door, Liu Baixiao also watched helplessly as the policeman rushed in. After a while, he realized what he was doing, secretly yelled something bad, and rushed towards his home with a livid face.

But he was still a step too late. Liu Qingshui, who was enjoying fruit at home, was already chained and quickly pulled out.

Behind them, Liu Rumei was crying with tears on his face, and his hands were desperately pulling Liu Qingshui's clothes, while Liu Qingshui was crying and yelling at Liu Rumei to bring Lin Changfeng to take the blame.

"Mom, go to Yacun quickly. If you don't go, you won't see your son. Hurry!"

His mother had clearly said that she would let Lin Changfeng take the blame for him. Only then did he come out of that corner, ready to make amends for the sins he had suffered these days.

How could I have known that after just a few bites of fruit, the police came to my door? This is not a trick.

"Clear water, clear water."

Liu Rumei was in a state of confusion. On the one hand, she was reluctant to bear her son being taken away. On the other hand, she was thinking that her daughter's marriage would be ruined now. Maybe

their family would be raped by her grandfather and also because of this matter. It was because the old man of the Liu family disliked him.

If this is the case, then their family will really be doomed.

"Sir, sir, my son didn't do this. It was Lin Changfeng. It was Lin Changfeng from Ya Village. He acted like my son and acted recklessly outside. It was him who did it. You guys Go catch him, don't catch my Qingshui."

In panic, she said urgently to the policeman.

At this moment, she only hoped that Liu Baixiao could bring Lin Changfeng and replace her son, otherwise, she herself would be doomed.

"Didn't he do it? I heard you talking nonsense over there and taking people away." The police officer ignored Liu Rumei's words and directly took away Liu Qingshui who was crying for his father and mother.

"Clear water, clear water..."
