

Star of Space 221

Chapter 221 Just eat it if you can

By the way, she remembers her wages every day. If he doesn't go to work in the deserted mountains, how can he still have time to run to her house?

Why would he run more frequently than anyone else if something happened to her family, which made her wonder if there was a pair of eyes that had been staring at her home and report it to Ya Molian if something happened?

She looked up and down at Ya Molian in confusion.

"I shot a pheasant on the mountain and brought you half of it. Also..."

Ya Molian turned her head, glanced at Liu Chushui, who had disappeared with the wooden basin, and then turned to look at her again.

"When Liu Chushui was in the Liu family, he was not treated well by Liu Baixiao and his wife. The people in the Liu family were not very good to him. All they ate were leftovers from Liu Qingshui's food, and he didn't even have much to wear. In short, his temperament was quite good. Different from the Liu family.

"is that so?"

Lin Caisang raised his eyebrows when he heard what he said.

"One more thing, you..."

"Is Liu Qingshui saving someone?"

Before Lin Caisang could finish asking, she heard Ya Molian speak and she nodded.

These days, she has never understood that a person like Liu Qingshui would actually save people on the street. She seriously doubted that if someone fell in front of Liu Qingshui, he would run up and step on him again!

"He saved people because there happened to be a woman passing by on the street at that time, who was his sweetheart, and that woman... was the daughter of the county magistrate. The county magistrate had no son, and he only had a daughter.

Liu Qingshui, on the other hand, wanted to show off in front of that woman, but he stepped on a big pit!

"Uh, cough."

Lin Caisang choked on what she heard, or on her saliva!

Isn't this just called, dying under peonies, being a ghost is also romantic? Liu Qingshui is not good at anything else, but he has gone all the way to the end of the road of seeking death!

The county magistrate's only daughter can be matched by a man from the Liu family who is a merchant. People in ancient times were very particular about being well-matched.

Even if the county magistrate wanted to find someone with money, he would not look for a small family like the Liu family.

Although the Liu family has some money, compared with the big families in Qianlin County, it is not enough. And Liu Qingshui...where did he get the confidence to think that he could be favored by the county magistrate's daughter.

"no Zuo no Die."

she concluded.

"That....."

"Sang Sang, come here and drink ginger soup. Where is Chu Shui?"

Just as she was about to ask questions, she saw Yang Lin coming out with two bowls of ginger and brown sugar water. Lin Caisang was so frightened that she immediately took a deep breath, frowned and pinched her nose. Although she was a medical practitioner, she was not familiar with medicine... even if The brown sugar water is sweet, but the taste of old ginger is really unpleasant.

Can she stop drinking?

"He went to wash clothes."

"Going to wash clothes? You drink first, I'll call him back." Yang Lin was stunned for a moment, put a bowl of soup into her hand, then went to the kitchen to put the other bowl away, and then went There are willows and chushui by the river.

"that....."

"Sang Sang, it's almost noon, how do you want to eat this chicken?"

Lin Caisang turned around and saw her cousin Lin Changfeng standing at the door of the kitchen, smiling at her.

"Whatever..."

"Brother, what are you asking Sister Sangsang to do? As long as she can eat, she can eat whatever we cook." Before he could speak, he saw behind Lin Changfeng, Lin Caihe muttered, his face full of laughter. He looked at Lin Caisang unhappily.

Why do you have to ask Lin Caisang for everything to eat at home? She doesn't know how to cook, so how can she know how to cook it?
