

## Star of Space 227

Chapter 227 You've got some credit for me

"Old man, you want to make peace with the mud again. Is this a problem with half a chicken? Isn't it dangerous for Changhong to go hunting? It's as if the pheasant fell from the sky for nothing. If you have the ability, go ahead.

Lu Qiubo glared angrily, ignoring whether his old man might think that his leg was injured because of her words.

"Why don't you just eat some chicken..." Lin Laogan still felt that it was not a big deal.

"Grandpa, this really isn't some chicken."

Lin Caisang had a stern look on her face and interrupted Lin Laogan's words. From Lin Caisang's strange reaction just now, she knew something was wrong.

I thought that Lin Caihe would only eat a chicken drumstick or something. After all, she is still a little girl at the age of thirteen, and it is okay to be greedy. However, she did not expect that she could be so capable that she ate half of the chicken without leaving any meat for the family.

I originally wanted to tolerate Lin Caihe's willfulness, but now...

"Today she can keep her mouth open and not leave any meat for her family; if she changes tomorrow, she can make a career for herself without leaving any way for her family to survive! You can see a person clearly from one thing, what He'er did today, just followed the same path as the second uncle, even worse than the second uncle! "

"I don't know how. Sister Sangsang, how can you say that to me?"

Hearing Lin Caisang's words, Lin Caihe realized that she was scared. She wanted to save some chicken just now, but the chicken was so delicious. Before she could recover, all the meat was eaten.

She was scared just now, afraid of being blamed by her grandpa, grandma, and parents.

"It's just that the chicken was so delicious that I couldn't hold it back for a while, so... Grandpa, Grandma, I won't do this again. Please forgive me this time. And that chicken, isn't it Brother Melian?" It was sent to me. You are all following me and taking advantage of me. Brother Mo Lian..."

Before he finished speaking, Lin Caihe heard a cold and forbearing voice coming from the door of the courtyard.

"Lin Caihe!"

Turning around, he saw Ya Molian who had heard the noise and came to see what was going on.

"Brother Mo Lian, tell me quickly, you gave me all those things, right?" Lin Caihe ran towards Ya Mo Lian as if he had grabbed a life-saving straw.

Unexpectedly, Ya Molian didn't even look at her, walked straight to Lin Caisang's side, stopped, and then turned to look at Lin Caihe who looked forward to him.

"I went hunting in the mountains and brought the prey to your house. I just saw that Xiao Sangzi had lost a lot of weight due to busy work recently, so I wanted to use these things to replenish her body. After all, it was Xiao Sangzi who saved me in the mountains. I was dragged away and eaten by wild beasts. As for you—"

I have never looked at you twice, and I don't know how you imagined that I would give these things to you? "

"you--"

Lin Caihe stared blankly at Ya Molian, who was indifferent to her, and was completely stunned.

She always thought that Ya Molian sent things for her, and it was obviously for her.

"No, Brother Mo Lian, you...you are too embarrassed to tell me directly, right? It doesn't matter, I understand." She shook her head, looking very generous and decent.

She had been weaving this sweet dream of being favored by Ya Molian for a month. From the moment Ya Molian asked Lin Caisang to get half a wild boar, she imagined that it was for her.

After dreaming for a long time, I thought it was true.

But today, this sweet dream was shattered by Ya Molian herself.
