

Star of Space 231

Chapter 231 I'll bite off a piece of your flesh!

"Uh, no one." Lin Caisang shook his head.

"I just forgot to do something very important. Brother Mo Lian, let me take these dishes out first."

With that said, she left the kitchen directly with a bowl of food.

"Zhongyou?"

Putting down the spatula in her hand, Ya Molian followed her to the kitchen door, watched her disappear outside the main room, and glanced to the side with her sharp eyes.

"come out."

"Palace Master."

Ban Jue immediately stepped out.

"Go and check." Ya Molian ordered.

He wants to know who this person named 'Zhong You' is!

"Yes, Palace Master.

Ban Jue responded and quickly left.

Palace Master, you were still laughing at Miss Lin for being jealous this morning. No, things have changed. Only half a day has passed and it's your turn. As expected, men with wives are different. They talk too much. I don't know how many.

...

"Sang Sang, when did you get on such good terms with Brother Mo Lian? Brother Mo Lian asked you to come to dinner today, am I the one who came along, right?" In the main room, Lin Changhong saw his girl who had just come from the kitchen, He quickly stood up from the chair, came to her side, and asked in a low voice.

Why didn't he notice it before?

No wonder these days, the house is always filled with things sent by Brother Mo Lian. It turns out that they are all for Sang Sang.

Hearing this, Lin Caisang raised his eyebrows and looked at him, "It's so rare that everyone knows how to think.

Lin Changhong: "..."

How did he say this? He was so clueless before that he couldn't even see such an obvious thing?

Does his sister look down on him too much?

"Then...don't you mean...Sangsang, you asked me to stay away from Brother Mo Lian, why didn't I do it?" He looked at his sister up and down, hesitated for a while, and then said.

Lin Caisang: "!!!"

When she mentioned this matter, she secretly gritted her teeth and glared at her eldest brother angrily.

"Believe it or not, I will bite a piece of your flesh off!"

If it weren't for her eldest brother, she wouldn't be involved with Ya Molian, and now she would dare to ask her!

"Well."

Lin Changhong was scolded incomprehensibly and his mouth flattened.

"Did I do something wrong?"

He obviously didn't do anything, so why was the girl so angry that she wanted to eat him?

"No, you didn't do anything wrong."

Lin Caisang took a deep breath and shook his head.

She was wrong, she shouldn't have said those words to her eldest brother who worshiped Ya Molian like a god, and ended up getting herself involved.

"There are a few more dishes in the kitchen, go and bring them over."

"Okay, I'll go right away."

After hearing what his sister said, Lin Changhong immediately walked out.

Lin Caisang turned around, looked at his eldest brother's back, smiled helplessly, and shrugged.

"It's not a bad day like this."

...

After having dinner at Yamolian's house, they talked for a while and Lin Changhong couldn't understand. Then the two of them said goodbye and left. After all, they were not a family, and it was not good to stay too late at Yamolian's house.

Before leaving, Lin Caisang also took five corn buns from the table of Ya Molian's house, and gave them to his eldest brother outside the yard.

"Sangsang, what are you..."

Lin Changhong was a little confused, looking at the corn bun in his hand, and finally stretched out two fingers and spoke to his sister.

"I've already eaten. It's not like you haven't noticed that I've eaten two big bowls."

"Come on, I know you can eat it, so you don't have to show off your ability to everyone." Lin Caisang rolled his eyes and glared at him angrily.
