

## Star of Space 240

Chapter 240 The channel is closed

She was still in a hurry to go back. She had to ask what happened to Jade Mirror. Why couldn't she reach the door of Zhong's house?

"Yes, yes.

When the old woman saw her saying no, she was so excited that she let go of her hand and took two steps forward, shouting a few times on the cold street.

"Everyone, come out quickly. Liu Shenxian is here to see us. Liu Shenxian is back."

After she shouted, the houses on both sides soon began to light up one by one, and people came out one after another.

"Liu Shenxian, where is Liu Shenxian?" Several people asked the old woman.

When the old woman turned around, she saw that the place behind her was already empty. There was no figure of Lin Caisang anywhere.

...

"What's going on? Tell me?"

In the golden bead space, Lin Caisang panted slightly and looked at the jade mirror with her hands on her hips.

"I'm going to the Zhong family. The Zhong family. How did this passage bring me to Hongling Town?" She asked Yu Jing, pointing to the passage beside her with one hand.

This passage can lead to the mission place. As long as she has a mission in mind, it can send her wherever she wants.

But what happened this time? Was there an accident in this passage and was it broken? Why did he bring her to Hongling Town? She was almost overwhelmed by the enthusiasm of the people in Hongling Town.

'The mission has been completed and the channel has been closed. ' Two lines of words appeared on the jade mirror.

Lin Caisang: "..."

The passage has been closed. If I had told her earlier, it would have been a waste of time for her to still want to go here.

However, the passage in Jinzhu Space is closed, so where should she go next? Does she really have to walk to Zhong's house on two legs? That's the other side of Qianlin County. I'm afraid she can't run back and forth in one day. ?

"Go back to the house and sleep."

Prepare to recharge your batteries and set off to find Zhong You tomorrow morning.

...

Early the next morning, Lin Caisang went out carrying half a bamboo basket of medicinal materials on the grounds that she didn't have enough money in her hand. She planned to wait at the entrance of the village to see if there was an ox cart that could take her to the town. Find a way to rent a carriage to go to Zhong's house.

Who knew...

"Why are you here?"

At the entrance of the village, except for a person named Ya Molian, no other person was seen.

"you....."

Look left, look right, and then look at Ya Molian.

"You're going to town."

This guy shouldn't be here specifically to wait for her, right? Seeing him riding on a horse, you can tell he has something important to do. It shouldn't have anything to do with her, right?

"Mount."

Ya Molian looked at her condescendingly and stretched out a hand towards her.

"ah?"

Lin Caisang was stunned for a moment and didn't react at all. He shook his head after a while.

"No, no, if you have something to do, just go. We...are on different paths, so let's go our separate ways."

She wasn't really going to sell medicinal materials, okay? She was going to Zhong's house to do errands. How could she take Ya Mo Lian with her?

Suddenly, she had a bad premonition in her heart. She narrowed her doubtful eyes and glanced at Ya Molian. Could this guy be waiting for her here specifically? Did he know she was going to do something?

"Are you waiting here for... me?" she asked tentatively.

"Otherwise?" Ya Molian threw the question to herself.

Lin Caisang: "!!!"

Mom, this... is really waiting for her here. Do you know that she is going to the Zhong family?

I really doubt that Ya Lianlian didn't put an eyeliner in her home, but put a pair of ears in her heart. Otherwise, why would he know everything she was thinking?

Isn't this a bit too evil?
