

Star of Space 2401

Chapter 2401 I won't let him go!

It turned out that in her mother's heart, even her father was an outsider.

It's no wonder that she wants to marry her daughter to a man who can be her father.

Because she doesn't care how old the man is, she just wants him to have more power. In this way, her son-in-law can check and balance her husband, and her status in the Ding family can be maintained. .

But why didn't she think about it? If she didn't make her father angry, he would always pamper her!

"Mom, you really disappoint me."

"Rong'er, you..."

When Jin Cuiniang heard what her daughter said, she almost didn't mention it.

Who is she doing this for?

Isn't it just to give your daughter a good home? Why is it all her fault now?

Before, Rong'er thought she was right, Lin Baizhong was her best husband, but now what she did was just to snatch her son-in-law back, so what's wrong with her?

She wanted to argue, but before she could say anything, she was interrupted by Ding Rong's roar.

"Have you never thought that when Lin Nian learned that his wife was being plotted by my own mother, he would slap me to death with one palm? Don't you think this is what Lin Nian would do? ?"

Ding Rong asked, glaring fiercely at his own mother.

Even if a man loses his memory, he will not forget his precious daughter and still remember that he has a family. How will he react after learning that his wife has been plotted against?

Everyone can guess this, right?

However, her own mother seemed to know nothing and still dreamed of her daughter marrying the famous person next to the Lord of the City!

She knew that it was not that her mother had not expected it, but she had one in ten thousand expectations, thinking that her daughter was the niece of the city lord's wife. Even Lin Baizhong would give this honor!

"I....."

When Jin Cuiniang was yelled at by her daughter, there was a trace of guilt on her face.

But soon, her guilty conscience was suppressed by her. Even when facing Lin Baizhong and Liu Yuyang, she didn't care much.

"So what? You are the legitimate daughter of the Ding family. He, Lin Nian, was able to marry you because he spent several lifetimes burning incense. He should treat you well. Otherwise, The city lord will not let him go!"

"You and I....."

After listening to her words, Ding Rong felt a breath of bad breath stuck in his throat, and he was not far away from being angry to death.

so what?

To be honest, people like Lin Baizhong do whatever the city lord says?

However, her own mother had never seen the Lord of the City talking to Lin Baizhong. The two of them were like friends. Even if they encountered major issues, they would discuss it together instead of Lin Baizhong doing whatever the Lord of the City ordered.

In such a situation, why did she think that the Lord of the City would offend Lin Baizhong for someone who plotted against Lin Baizhong's wife and did such a vicious thing?

What's more, she didn't think that her mother-in-law just wanted to plot against Liu Yuyang. She wanted to kill Liu Yuyang, right?

After all, if Liu Yuyang really joins the Ding clan, it is her mother who has the final say. How she wants Liu Yuyang to die is just a matter of her mother's words.

Chapter 2402 It's me who has a bad heart and a dog's lungs

She thought really well!

"Mom, I really can't speak to you.

She shook her head. What is there to say to a person who has lost his mind?

No matter how much she said, she was just immersed in her beautiful imagination, unable to extricate herself, thinking that everyone who opposed her was wrong and deserved to die!

"call!"

She exhaled heavily and turned to look at her biological father.

"Dad, I'm just the victim in this matter. I can't say how to deal with it specifically. You can handle it yourself."

What could she say? Even if she was really killed and lost her virginity, it was her own mother's fault. She could only take care of it. What's more, the matter had not yet reached the worst point.

"Rong'er, how can you say that?"

Jin Cuiniang seemed to be unable to believe that her daughter was actually vying for Ding Zhuzui to deal with her.

"I am your biological mother. Who am I doing this for? I am not doing this for you so that you can marry Lin Nian as you wish. You actually want your father to deal with me? How could you do this? Where is the wolf heart and the dog lungs?"

"I....."

Ding Rong opened his mouth, really not knowing what else to say.

Is she a bitch-hearted?

Yes, in her mother's eyes, anyone who doesn't agree with her is her enemy. What does a few words of scolding mean?

Her mother was already magnanimous before she jumped up and slapped her to death.

"Okay, I'm a bitch-hearted, I admit it."

"You...you..."

"Shut up!"

Jin Cuiniang wanted to scold her daughter, but Mrs. Ding stopped her with a sharp shout.

In the past, she just thought that this daughter-in-law was a little selfish, and it was harmless if she suppressed her a little.

But now, she really doesn't know whether she was right or wrong when she chose this daughter-in-law to enter the family. Faced with such a big mistake, she didn't even feel that she was wrong at all.

Just saying it's for the sake of your own daughter can make others not care about anything?

"Jin Cuiniang, you are not doing this for Rong'er's good, it is clearly for yourself! Yes, Lao Shen and Zhu Zui are both outsiders to you, and Rong'er is the flesh that fell from you.

Therefore, in your heart, Rong'er must listen to your words. Whatever you ask her to do, she must listen and obey completely.

Even if she is asked to marry a man who can be her father, she has to endure it, right? "

Hearing this, Lin Baizhong glanced sideways, glanced at Liu Yuyang, and touched his nose innocently. Why do these people have to use his age to talk about things?

He was provoking someone. It was obviously Jin Cuiniang, a vicious woman who wanted to harm him and his wife!

"Are you still aggrieved? Watch first."

Liu Yuyang saw him looking towards her and glared at him angrily.

If he didn't have a charming face and didn't know how to reject others, how could he have gotten into such a big trouble?

If what she expected was good, it was actually not Ding Rong who fell in love with her husband-in-law, but Jin Cuiniang, who kept saying she was good for her daughter, right?

She fell in love with her husband-in-law, but she was a woman with a man, how could she do such a thing, so she set her sights on her daughter.

I want to pair my daughter with the man of my choice.

Chapter 2403 Is she unwilling?

According to Jin Cuiniang's point of view, Lin Baizhong now wants power and power. It is not an exaggeration to say that he is the most noble man in the entire Sky City except Lu Tianlan.

For such a good man, what does it matter if he is older?

"I want to go back."

Lin Baizhong uttered four words in grievance.

He doesn't want to stay in the Ding family for a moment anymore. This woman, Jin Cuiniang, is simply not a human being!

Thanks to Ding Zhuzui's good teeth and mouth, he was able to talk down such a disgusting woman, and he still favored her for so many years. These two are a perfect match!

"hold on.

Liu Yuyang reached out, patted Lin Baizhong's face and said.

This Ding Rong must have been brought here by them. They have to bring Ding Rong back to baby Sangsang.

What's more, they still had one thing to finish. Of course, she still hoped that Ding Xu would better not go to her Sangsang's side, otherwise...

Looking at the people from the Ding family, it's really a bit overwhelming!

"Bitch, vixen!"

Jin Cuiniang looked at Lin Baizhong and his wife, flirting with each other as if no one was watching, and couldn't help but take a sip and curse.

She's not a bitch. She's so old and flirting with her husband, and in front of so many people. If she's not a vixen, who is?

However, everyone was stunned when they heard her whisper.

Mrs. Ding glared at Jin Cuiniang with hatred. She didn't listen to a word of what she just said, right?

She was training her daughter-in-law, but Jin Cuiniang's daughter-in-law didn't feel that she was in danger at all. Instead, she was paying attention to what Lin Baizhong and Liu Yuyang were doing?

It's none of her business if the couple can't do what they want.

What's more, if someone just said a few words, what's the big deal, why did he become a bitch? A vixen?

Ding Rong looked at such a mother and sighed secretly. At this moment, she really had nothing to say.

What could she say?

She can guarantee that if she dares to say one thing, her mother will definitely use her own theory to tell her ten sentences. By then, her grandmother and her father will be angry to death.

Oh no!

Now my grandmother and her father are half angry to death!

Her mother felt that she was unwilling to make him completely angry, right?

"Cuiniang, what do you want to do?" Ding Zhu was drunk and asked Jin Cuiniang in a hateful voice, grinding his teeth.

He has really never seen such a person who knows no wrong. In the Ding family, who did something wrong and was given a cold look by him, instead of crying and begging for mercy?

But Jin Cuiniang, because she was his wife, was really lawless.

After doing so many wrong things, you still dare to say dirty words and verbally insult Liu Yuyang? !

"Master, you have to make the decision for Rong'er. She is now Lin Nian's. Lin Nian must marry our Rong'er!" Jin Cuiniang looked at Liu Yuyang with hateful eyes. He took it back and looked at Ding Zhuzui.

No matter what, what if she did something wrong?

As long as she insists that Rong'er has become Lin Baizhong's woman, then Lin Baizhong will not want to ignore this matter. In the end, he will have to divorce those vixens and marry her, Jin Cuiniang's daughter.

Chapter 2404 Kill them all!

So, even if she suffered a little bit in this matter, she did the right thing.

As long as her daughter becomes Lin Baizhong's woman and marries Lin Baizhong, who in the Ding family will dare to look down on her?

snort!

Now this dead old woman dared to stare at her.

She wanted to see if when her Rong'er became Lin Baizhong's wife, this damn old woman would still dare to take over her control of the family, and still abuse and bully her here!

She raised her eyebrows proudly and looked at Mrs. Ding provocatively.

"you--"

Mrs. Ding had a bad breath stuck in her throat and almost choked her breath.

What evil had the Ding family done? How could they marry such a stupid woman?

"Grandma, please calm down and don't be as knowledgeable as your mother."

Ding Rong saw the old lady swaying and hurried forward to support her. Aunt Fang was also holding the old lady's hand on the other side.

"Mom, you..."

"Rong'er, you are a rip-off, I am your biological mother, how can you help outsiders deal with me?"

Ding Zhuzui just got up and wanted to persuade his own mother, but when he heard Jin Cuiniang's sharp voice, he staggered with anger and almost lost his breath!

"you shut up!"

He backhand slapped Jin Cuiniang hard!

He saw the provocative look in Jin Cuiniang's eyes just now. Could it be that she had been provocative in front of his mother like this before?

No wonder every time he saw the old lady, the old lady didn't have a kind word to say about Jin Cuiniang. How could he have thought that Jin Cuiniang, who was usually gentle and gentle in front of him, and talked about how good her mother-in-law was, would be in his own words? In front of his mother-in-law, he actually looks like such a ghost?

"Jin Cuiniang, you are simply hopeless!"

"Master, you...you hit me?!"

Jin Cuiniang covered her face in disbelief and looked at Ding Zhuzui.

Is this the second time he hit her today? A man who had never hit her before would hit her twice in one day because of this old immortal? !

Sure enough, she knew that no man was good!

Her decision was correct. Only by letting her Rong'er marry Lin Baizhong could she live a good life in the Ding family.

Otherwise, not only will she never regain her power as the head of the family, but even her husband-in-law will not take her seriously and treat her coldly every day!

"Master, what do you want to say? It's useless to say anything now. Rong'er is already Lin Nian's. She must marry Lin Nian. From now on, you, all of you, must respect me. !

Otherwise, I will let Lin Nian kill you all! "

"Hi, ho!"

Ding Zhuzui took a deep breath and exhaled heavily.

Idiot, you are really stupid. Even if you are crazy, you are not as crazy as her, right?

Why does she think that after Lin Nian really marries Rong Er, he will side with her to deal with the Ding family?

"Who said that Ding Rong is mine?"

Lin Baizhong couldn't stand it any longer. He looked at Jin Cuiniang and asked coldly.

"Is not it?"

Jin Cuiniang sneered. She had ordered the people around her to drug both of them.

"Lin Nian, what's the use of denying it now? Why, do you still want to be an irresponsible man? Let me tell you, Rong'er is the niece of the city lord's wife. You want to bully her and be irresponsible? Mendu No."

Lin Baizhong: "..."

Chapter 2405 A kite in the hand

At this time, he was really a little bit stunned by Jin Cuiniang.

Let's talk about this woman Jin Cuiniang, why can't she understand it at all? She kept saying that Ding Rong was the niece of the city lord's wife, but she never thought about how Ding Rong could become the city lord's wife's niece?

Isn't it because Ding Zhuzui is the biological brother of the city lord's wife?

If there was no relationship like the Ding family, where would Ding Rong go to become the niece of the city lord's wife?

"Mrs. Ding, your calculation is really good.

Liu Yuyang had to admire Jin Cuiniang's thinking and logic. He took a sip from the tea cup in his hand, then put it down and looked at Jin Cuiniang steadily.

"Using the power of the Ding family to force my husband-in-law to marry Ding Rong, because she is the niece of the city lord's wife, and also want to use my husband-in-law to force the Ding family to provide for you in the future?

Since the Ding family is the natal family of the city lord's wife, why do you think that my husband will offend the Ding family for your sake and let them treat you as an ancestor? Um? "

She thought, this is Jin Cuiniang's ultimate goal, right?

Marry her daughter to Lin Baizhong, and then use Lin Baizhong's power to force Ding Zhuzui and the Ding family to respect her and treat her like an ancestor.

However, she happened to use the relationship between the Ding family and the city lord's palace to force Lin Baizhong to marry Ding Rong...

With such a counter-thinking logic, in the eyes of others, Jin Cuiniang might think that Jin Cuiniang is really stupid, but she doesn't think so.

Because if Ding Rong really becomes her husband-in-law, then if her husband-in-law is an ordinary man, it is really possible that he will marry Ding Rong for the sake of his friendship with Lu Tianlan.

Later, her husband-in-law had a good relationship with Lu Tianlan, so Jin Cuiniang could use this relationship to suppress the Ding family.

At this time, there was just a layer of friendship between Lu Tianlan and her husband Lin Baizhong, but Jin Cuiniang saw through it so clearly that she took advantage of it.

"Do you think your daughter is a fairy who can make all men fascinated by her? You actually want to treat my husband as a kite in your hand. You can tighten it if you want, and relax if you want. What about relaxing?

What a great ability, but... Mrs. Ding, are you the only one with such great abilities? Um? "

"you--"

Listening to Liu Yuyang's words, Mrs. Ding was shocked.

How could she know what she was thinking and say it in front of so many people?

Yes, she just took a fancy to the friendship between Lin Baizhong and the Lord of the City. She didn't just hear Ding Zhuzui say this once. Many times, Ding Zhuzui complained in front of her, saying that the Lord of the City treated him like this. My brother-in-law is not as good as Lin Baizhong, the commander-in-chief.

That's why she set her sights on Lin Baizhong.

Now, that bitch Qiongying has given birth to five children, and she has two sons. I don't know whether the one in her belly is a son or a daughter.

But whether it is a son or a daughter, the Ding family will definitely let that bitch Qiong Ying's son be the head of the family in the future. And even if she becomes an old lady, will Qiong Ying still tolerate her in the Ding family? Arrogant?

The answer is of course impossible, so she needs to find a bigger backer!

And Lin Baizhong was the biggest backer she could think of and find.

Chapter 2406 Lin Nian's wife, the first wife!

Because they were leaning directly on the Lord of the City, even Ding Zhuzui was wondering whether the Lord of the City would doubt the Ding clan if Lin Baizhong said a word.

She would naturally want to win over such a person.

If she can't do it herself, then there is her daughter. As long as Rong'er is sent to Lin Baizhong's bed, isn't Lin Baizhong just a chess piece in her hand?

But she didn't expect that Lin Baizhong, who was obviously a loner, would say that he had a wife and daughter!

She coaxed Rong'er to keep pestering Lin Baizhong, but she couldn't get her to let go. In the end, she summoned Lin Baizhong's daughter and took her away.

Originally, she thought that everyone had left, and there was nothing to worry about anymore. The most she had lost was a daughter. At the worst, she could get one from her parents' family and take her into her lap as an adopted daughter.

Her natal family has been relying on her to gain a foothold in Sky City over the years, and it has become stronger and stronger.

Naturally, she listened to whatever she said.

As long as she opens her mouth, let alone a daughter, she will even have a son!

Of course, it is impossible for a son obtained in this way to become the head of the Ding clan, but the position of the great elder is still very secure.

But who knew that Rong'er was back again? Not only Rong'er was back, but also people like Lin Baizhong were back, and Liu Yuyang, a woman they had only heard about from Lin Baizhong's mouth, was also here.

At that time, she really hated it!

I hate myself for raising such a useless daughter?

Obviously Liu Yuyang is right next to her, and as long as she uses her brain a little bit, she can kill people, but she still managed to get all the way to Sky City with such an eyesore!

Thinking of this, she raised her head and glared at Ding Rong, this useless daughter, hatefully.

Ding Rong raised his eyebrows. He didn't understand what her mother was thinking of and glared at her.

However, no matter what comes to mind, it's not going to be a good thing.

"Without you, my Rong'er would be Lin Nian's wife, the first wife!" Jin Cuiniang gritted her teeth and glared at Liu Yuyang with hardened venom, wishing she could eat her alive.

"mother....."

"Jincui niang..."

"you....."

Ding Rong, Ding Zhuzui and Mrs. Ding all became angry at the same time when they heard her words.

At this time, she could still say such words. How stupid it must be!

Could it be that she couldn't see reality clearly?

"What are you proud of? Your husband-in-law has always been with my family, Rong'er, during these years in Sky City. The two of them went in and out together. Maybe you have been in love with me for a long time, and everything has been cooked. It's just It's just because you, a woman, are here, they didn't tell you!"

Jin Cuiniang looked at Liu Yuyang proudly and said word by word.

Didn't she rely on Lin Baizhong to pamper her and love her? Then she will be mad at her!

And she was right. Rong'er used to chase Lin Baizhong all day long. Even the city lord's wife secretly supported her family Rong'er.

"laugh."

Liu Yuyang couldn't help but sneered.

Sure enough, she is really a woman who only has herself in her eyes and heart. She can even slander her own daughter like this.

She looked at Jin Cuiniang and shook her head, then looked at Ding Rong and the others.

Sure enough, she saw Ding Rong, Ding Zhuzui and Mrs. Ding's dark faces, with ink dripping from them.

Chapter 2407 Kill them all with a stick!

"you--"

The old lady didn't take a breath and fell straight back.

"grandmother!"

Ding Rong was so shocked that she didn't even bother to confront her mother, and quickly held her up.

"What are you doing standing still? Quickly, bring the chair over. Aunt Fang, go find the pharmacist and come over." She ordered the people around her.

Her mother is really capable of making people angry to death even if they don't pay for it with their lives! She glanced sideways, ignoring that she was Jin Cuiniang's daughter, and glared at her.

Seeing that his own mother was fainted by his wife, Ding Zhuzui was also at a loss, his face turned pale with fright, and he hurriedly came forward to check.

"Rong'er, how is your grandmother?"

"It's okay, I'm just dizzy. Just breathe calmly." Ding Rong first checked Mrs. Ding's pulse, then breathed a sigh of relief and said.

Fortunately, she was forced to learn a lot of medical skills when she was in Lin Caisang's Golden Pearl Dimension and when she was forced into the Wuji Prison. Now she can learn and use them now to show her grandmother.

Otherwise, she wouldn't know what to do.

"Dad, I have grandma here. You can deal with her. She..."

She looked at her own mother, and saw that Jin Cuiniang still didn't know she was wrong. She looked at them with a proud look, looking at Mrs. Ding.

She was speechless for a while, and couldn't say a word next.

Facing such a mother, what else could she say, plead for mercy, or add insult to injury?

None of them are right, she'd better not do anything.

"she....."

Ding Zhuzui followed his daughter's gaze and looked at Jin Cuiniang with a proud expression, feeling helpless.

"What else can I say about her?"

Don't look back. He said a few more words, but she got angry again and said something bad. Both mother and son were furious under her words.

"I can't say anything, but I can do something. Dad and Mom can't keep any of those around me." Ding Rong took a deep breath and said to Ding Zhuzui.

"Rong'er, you-"

Jin Cuiniang heard her daughter's words and shouted angrily.

What do you mean, she can't keep anyone around her? Are she planning to send out all her confidants?

It is said that girls are outward-looking, and it is true. She originally wanted to rely on her daughter, but she did not expect that even her own daughter was unreliable!

Could it be that she could only rely on herself?

"Kill them all with the rod!"

Before Ding Zhuzui and Ding Rong could say anything, Mrs. Ding, who finally woke up faintly, uttered four words coldly.

"hiss!"

Ding Zhu drunkenly gasped.

"Mom, this...is this too cruel?"

If a servant in the family does something wrong, the most they can do is to be sold and killed with a stick. Is that the fate of a servant who has committed a serious crime?

What's more, there are not a hundred servants in Jin Cuiniang's yard, but there are ninety-nine, right?

"Master Ding, Mrs. Ding just said that my husband and your daughter... are sleeping." Liu Yuyang raised his eyebrows at Ding Zhuzui, with an evil smile on his lips.

If you can say such words in front of so many people, what kind of vicious words will you say behind their backs?

"They say rumors can kill people, Master Ding, do you believe it?"

"Well."

Ding Zhuzui choked at Liu Yuyang's words.

But when I thought about the meaning of her words, I suddenly felt bad.

Yes, Jin Cuiniang is just as crazy now.

Chapter 2408 Do you still have a conscience?

You can talk about your daughter like that in front of them, but what happens after you turn around?

"Okay, kill them all with the rod!"

Finally, he took a deep breath and could only nod.

"Master, you can't do this. We are husband and wife. You should help me. Isn't Rong'er your biological daughter? How can you help others without helping your own biological daughter?"

Jin Cuiniang looked even crazier when she heard Ding Zhuzui's words.

She stood up angrily and rushed towards Ding Zhu like a drunken maniac. However, before she could reach him, she was restrained by the two nuns beside the old lady, one on the left and the other on the right.

At this moment, everyone looked at her as if they were looking at a madman.

"Shut up!"

Ding Zhuzui glared at Jin Cuiniang and shouted angrily.

He knew very well that it was useless and unreasonable to reason with her now.

However, he really wanted to ask, did she regard Rong'er as her biological daughter?

Even if she can say such slanderous words about her own daughter, what else can't she do?

Even now, I still feel that he didn't treat Rong'er as his daughter. Which of the two of them didn't treat Rong'er as his own child?

He really wanted to ask Jin Cuiniang this.

But he knew that for the current Jin Cuiniang, his asking this question was in vain.

"Haha, I know."

Sure enough, before he could put his thoughts away, he saw Jin Cuiniang chuckled as if she had thought of something.

"Ding Zhuzui, you have other sons and daughters, so you don't pay much attention to us, mother and daughter, right? Do you think that since you have many children anyway, it doesn't matter if you have one or two less?" "

She looked at Ding Zhuzui and asked.

"Ding Zhuzui, do you still have a conscience? If it weren't for you, would I only have Rong'er as my daughter?

If it weren't for you, I would have given birth to several sons. If it weren't for you, there would be no place for that bitch Qiong Ying in the Ding family. All of this is because of you!

It's all your fault. You shouldn't have gone out to flirt with women when I was about to give birth to a baby, so that I had to use some means to call you back from the outside!

It's all you, it's all your fault.

Ding Zhuzui, you've been so sorry to me, and now you still don't help our only daughter. Are you still not a human being? Is it a human being? ! "

She glared at Ding Zhuzui with fierce eyes, wanting to cut him into pieces, peel off his skin with cramps, and stare at him as if he was drinking blood and eating flesh.

Ding Zhuzui: "..."

What is this? Why can't he understand it at all?

"Jin Cuiniang, are you really crazy? When did I start messing around with women outside?"

No one in the entire Ding family knew that the only woman in Ding Zhuzui's eyes was Jin Cuiniang, Mrs. Ding. Qiongying was the concubine that his mother forced him to take, and the elders also forced him to take her.

But except for Qiong Ying, he has never looked at another woman twice, okay?

Why did he just mess around with women?

"Don't you understand this?"

Mrs. Ding finally recovered. How could she, who was always shrewd, not understand the meaning of Jin Cuiniang's words?

She has always felt strange. Of course, Jin Cuiniang's body has always been looked at by the medicine master of the clan, and he has always said that there is nothing wrong with it.

Chapter 2409 It's really not worth it

But when it was time to give birth, how could such a big thing happen?

Because of this incident, there was a big crack in the mother-son relationship between her and her son, which has not been repaired over the years.

But it turns out that Jin Cuiniang did it on purpose!

"She means you. When you almost died for this family outside, she thought you had another woman outside. So, in order to force you to come back, she deliberately let herself have one while giving birth to Rong'er. Danger, resulting in the inability to have children in the future."

Ding Zhuzui: "!!!"

He looked at Jin Cuiniang in shock, and all the blood on his face suddenly disappeared.

"Is this... is this true? Jin Cuiniang, is this true?"

He shook his head and couldn't believe that it was because of this. He always thought that he cared too little about his wife, which caused her to worry too much and lead to dystocia.

Not only did it hurt her body, but Rong'er's health was also not good. Later, she spent a lot of money and bought many rare medicinal materials to prepare Rong'er's birthday cake.

He didn't know that it turned out that Jin Cuiniang had done all this on purpose!

However, he thought that it was because of him that Jin Cuiniang got sick. He had been feeling guilty over the years. No matter what excessive demands she made, he would always agree.

In these years, for the sake of Jin Cuiniang and Rong'er, he even neglected his other children.

Even when Ding Xu was seriously ill, he never paid more visits to me. Even though he was anxious again, he did not pay more visits to take care of Jin Cuiniang's health.

He knew clearly that when Xu'er was in a coma, she was still calling him "daddy" in a daze.

But now it turns out that this woman did all this herself?

"Tell me, is this true? You lured me back from the outside on purpose?"

Thinking of this possibility, he was no longer the Ding Zhuzui who treated Jin Cuiniang tenderly. He raised his hand, grabbed Jin Cuiniang's neck, and lifted her up directly.

"Well!"

Jin Cuiniang's whole face turned red soon after he pinched her like this.

It wasn't until this moment that she realized what stupid things she had said and done before.

She shouldn't have said anything, shouldn't have made everything clear.

Now that all this is revealed, doesn't it mean that her status in Ding Zhuzui's heart will plummet?

Sure enough, after Ding Zhuzui heard all this, he attacked her without hesitation.

"Let... let go, let... let go..."

She stretched out her hand and kept patting Ding Zhuzui's arm, trying to get him to let go.

But Ding Zhuzui was really disappointed in her, and he desperately wanted to know if all this was true, because all this had overturned his understanding of Jin Cuiniang over the years.

"Rong'er, save...save me..."

Seeing that Ding Zhuzui refused to let her go, Jin Cuiniang turned her attention to her daughter for help.

Ding Rong took a deep breath and stepped forward.

"Dad, please let mother go first. You will strangle her to death. After all, she is your daughter's biological mother."

"Zhuzui, let her go!"

Mrs. Ding didn't want her son to be accused of strangling her first wife to death.

It's really not worth it for Jin Cuiniang, a crazy woman.

Chapter 2410 If you want to blame, blame Lin Nian!

Moreover, if this is the case, then his son has lost all his dignity and respect in Sky City. Even Lu Tianlan, the city lord, can no longer keep his brother-in-law in his arms.

After hearing what his daughter and mother said, Ding Zhuzui took a deep breath, threw Jin Cuiniang to the ground with a big hand, then turned around and closed his eyes.

"Hoo, hoo."

He exhaled heavily, and he was almost mad at Jin Cuiniang.

This woman was really so angry that she didn't pay for her life. He was so angry that he almost lost all reason and wanted to kill someone.

"Come here, take the lady back to her own courtyard. She is not allowed to leave even half a step without the order of the master of the family. All the people around her will be killed with sticks. All the servants in Furongyuan will be replaced. No one will be left! "

"No, you can't do this!"

Jin Cuiniang really went crazy when she heard what he said.

How could this be possible? How could he treat her like this? They were husband and wife, why did he treat her like this?

"Ding Zhuzui, you can't do this. We are husband and wife, and you should help me!" She was dissatisfied. She was very dissatisfied. Why did Ding Zhuzui betray her? Even her own daughter looked at her with disgusting eyes. It's ice cold.

What did she do wrong? Obviously she didn't do anything, all she did was for Rong'er's good.

She wanted to rush to Ding Zhuzui's side and beg him not to treat her like this. They also had a daughter. Everything she did was for Rong'er and the Ding family.

"enough."

Ding Zhuzui shouted loudly.

"Jin Cuiniang, you keep saying that I am an outsider, how else should I treat you?"

It's not that he didn't understand Jin Cuiniang's words before, he just didn't want to understand them. Now that all the truth is laid out in front of him, it's hard for him not to accept it.

"hehe."

He chuckled to himself.

"Jin Cuiniang, in your heart, except for yourself, everyone else is an outsider, right? I, your husband, am an outsider, and Rong'er, if she can't be used by you, can she be the same? What about an outsider?"

"I....."

Hearing Ding Zhuzui's words, Jin Cuiniang looked at Ding Rong subconsciously, with a guilty look in her eyes.

"No, no...I have never thought of it that way..."

"Since you haven't thought about it that way, then why do you still contact your natal family and want your natal family to adopt another child into your lap? Huh?"

Ding Zhuzui squinted his eyes, stared at Jin Cuiniang coldly, and asked.

"hiss!"

Ding Rong gasped.

"Mom, is this true?"

She couldn't believe that her mother would actually want a child from the Duo Jin family to come to the Ding family!

"I....."

Jin Cuiniang was speechless for a while and did not dare to look at Ding Rong.

"Rong'er, there is nothing I can do about it. You were kidnapped by Lin Nian at that time. Mom thought you would never come back, so...that's why...if you want to blame, blame Lin Nian!"

She put all the blame on Lin Baizhong. As long as Lin Baizhong's daughter did not kidnap her Rong'er, she would not be so desperate as to adopt a child from another family.

"Hehe, hehe."

Ding Rong really smiled, very sadly.

"I was taken away, but I didn't die! Do you think, mother, that based on the friendship between Uncle Lin and my uncle, he will kill me?"

None of her is dead, but her mother is looking forward to her death, right?
