

Star of Space 244

Chapter 244 Do you want to try it?

"And you, Zhong Yun, who only knows how to bully others, what are you? You are not a bastard, how are you any different from Zhong You?" She glanced sharply at Zhong Yun who was standing aside.

Wingdings:

"you--"

Zhong Yun's face turned red and he couldn't reply at all.

"Mo Lian, help him up."

With a slight snort, Lin Caisang looked at Ya Molian, who had a cold face since he came in, and confessed.

Ya Molian nodded slightly and strode towards Zhong You.

When several servants of the Zhong family saw him coming, because Mr. Zhong didn't say anything, they wanted to step forward to stop him. However, Ya Molian glanced away with a sharp look, and they were frightened and did not dare to move.

"stand up."

He reached out directly and picked up Zhong You.

I really can't figure out what Xiao Sangzi wants to do with such a weak person who can't even kill a chicken. If he is saved, he will be like an extra burden!

Zhong You glanced at him and gritted his teeth to hold himself up so as not to pounce directly on Ya Molian. His face was as pale as a ghost and very scary.

"What are you going to do? Put Zhong You down for me. I tell you, Zhong You is from our Zhong family. I don't agree with it. He can't go anywhere, let alone accept you as his teacher! If you want to be a member of the Zhong family, It's just wishful thinking to live under someone else's roof!"

Seeing that Zhong You was already at Ya Molian's side, Mr. Zhong was so angry that he knocked the crutch in his hand on the ground and glared at Zhong You with a red neck.

"Zhong You, if you are still a descendant of my Zhong family, get over here!"

Zhong You looked at Lin Caisang and then at Old Mrs. Zhong. He could still remember clearly the abuse and whipping Zhong Yun had just given him, and the contempt and insults Mr. Zhong had given him. He could only turn his head away and not look at Mr. Zhong.

"you--"

Mr. Zhong became even more angry when he saw him tilting his head.

"Zhong You, if you dare to leave with this woman today, you will no longer be a member of the Zhong family..."

"Yeah?"

Lin Caisang directly interrupted Mr. Zhong, walked into him slowly, leaned over, stared at Mr. Zhong sitting on the chair with sarcastic eyes, and raised his eyebrows.

"Actually, Mrs. Zhong, I have something to say that I have never said to you. Do you want to listen to it?"

"Wha, what?"

Mrs. Zhong's scalp was numb when she stared at him, and his voice was trembling.

"You, what do you want to say?" he asked stammering.

"I want to say..."

With a hint of evil and sycophancy in her eyes, she looked up and down at Mr. Zhong, and when she saw his throat rolling nervously, she sneered in her heart.

"I want to say that with my medical skills, how I managed to pull you back from hell before, I can now push you back. Mr. Zhong, do you want to try it?"

She lowered her voice and spoke to him.

"you....."

Mr. Zhong suddenly opened his eyes full of fear and looked at her in disbelief.

"you dare!"

"You can try and see if I dare you."

Lin Caisang shrugged indifferently and stood up straight.

"However, I am always meticulous in my work. I should not let others discover any mistakes or omissions. Unlike Zhong You, who will leak it with just a casual move."

"you--"

Mr. Zhong gritted his teeth and did not dare to say anything more.

After all, even though he is old, he still cherishes his life, and precisely because he is older, he cherishes his life more than anyone else.

If it was like what Lin Caisang said, then he would have to be careful, this woman was not easy to mess with.

"You woman, what did you say to my old man?" Zhong Yun saw that Mr. Zhong shrank his neck and stopped talking, so he immediately came to question Lin Caisang.
