Chapter 245 It's time to take a rest

"Master Zhong, what's the matter? I haven't slapped you enough last time. Do you want to review it again today?" Lin Caisang turned to look at him and reminded.

"you--"

Zhong Yun was immediately choked by her words.

"come here."

Seeing that Zhong Yun stopped talking, Lin Caisang pointed to a servant and motioned for him to come over.

Because of Ya Mo Lian's shock, and because Lin Caisang gave Zhong Yun a lesson as big as a slap in the face last time, the servant could only come to Lin Caisang's side obediently, "Girl, what are your orders?"

"Where is your master?" she asked.

His son has been beaten like this, and Mr. Zhong doesn't come out to take care of it. Besides, she is here, so she should come out to see him no matter what, right?

unless.....

"master....."

The servant glanced at Old Mrs. Zhong weakly.

"What do you think he is doing? Is he your master? Answer quickly!" Lin Caisang followed the servant's gaze and looked at Mr. Zhong. When he saw that he was still staring at her, he immediately shouted.

"Master, my father went to the countryside to collect rent the day before yesterday. He will not come back until tomorrow night at the earliest." Zhong You knew that the servant would not answer Lin Caisang's words, so he answered her with a slight breath.

"oh."

After listening to his words, Lin Caisang nodded.

It's no wonder that the young man and the young man dared to treat Zhong You like this while Mr. Zhong was not at home, right?

Thinking about it, I must have been in this situation many times before. I raised my hand and looked at the whip in my hand. It must have been stained with Zhong You's blood many times, right? These grandfather and grandson are really not human beings!

She thought that if there was such an elder in her family, she would not be able to help but let him take a good 'rest' to avoid being beaten to death.

"Mr. Zhong, please tell your son that I took Zhong You away."

After saying something to Mr. Zhong, she planned to take Zhong You away. In such a dull and suffocating home, she would not want to continue to stay and suffer.

"you--"

Seeing that Zhong You was about to be taken away, Mrs. Zhong became anxious.

But Lin Caisang threatened him before, and he didn't dare to do anything to Lin Caisang, so he could only stand up and point the finger at Zhong You.

"Zhong You, come back! If you dare to step out of this house today, you will no longer be a descendant of my Zhong family. Everything in the Zhong family has nothing to do with you. You can't even expect to get a copper from the Zhong family!"

Hearing this, Zhong You paused, frowned, took a deep breath, and turned to look at Mr. Zhong.

"Grandpa, I don't need the Zhong family's property, and I can't afford it, but whether I am a descendant of the Zhong family or not is not your decision alone. You have worried enough about your father in your life. It's time to take a rest."

What is so rare about the Zhong family's business? What he cares about most is his grandfather's attitude towards him, his father's attitude towards him, and Zhong Yun - if such a playboy takes over the family business, sooner or later he will Defeat the Zhong family to the point where nothing is left.

That's why he wanted to take the Zhong family into his own hands.

But now, he has figured it out, he can just work hard and earn whatever he wants. Why does he have to hold on to the Zhong family's business?

"you--"

Mr. Zhong was so angry that he fell down on his chair.

This unfilial thing actually cursed him and told him to rest. Wasn't he just cursing him to die? He was indeed right. This evildoer really had a defect in the back of his head. He should not have been kept alive in the first place!
