

Star of Space 295

Chapter 295 The more powerful in-laws

"Um.

Lin Baiyi nodded repeatedly and went out.

...

"What?"

After returning to his room, Lin Baiyi told his wife about this matter, and saw Yang Lin looking at her husband in astonishment, shocked by what he said.

It's not that I didn't expect this and I was frightened, but it was my husband's words of 'find a good in-law'.

"Dad said he wanted to find a good in-law for He'er? With her appearance, how can she find a good in-law? It would be great to find a man with two legs." These were the words that came out of Yang Lin's mouth.

Lin Baiyi: "..."

Why does this sound so awkward?

"Arin, that's your daughter. (つ〇う〇) He reminded helplessly.

"Just because she was born by me, I tell the truth." Yang Lin said angrily.

"It's not like you don't know what kind of life I lived in my natal family before I married you, and what kind of life my grandma lived."

She reminded Lin Baiyi.

"I know, I know." Lin Baiyi nodded quickly.

Before Yang Lin married into his family, she wanted her mother's family to live an unnatural life. Her mother was a particularly snobbish person. Ever since she married Yang Lin and her father, she had taken care of all the big and small things in the family. Before she gave birth to a child, she asked her mother-in-law to serve her. After she gave birth to a child and raised her a little, she asked her mother-in-law to serve her.

In short, the kind that makes the whole family miserable.

Yang Lin watched her grandmother being beaten, scolded and bullied by her mother until she died in depression. Finally, she got married and no longer had to suffer.

In this way, Yang Lin's mother regarded her daughter's marriage as a profitable business and asked for a bride price of fifteen taels of silver from his family. She did not even have a dowry of a copper coin, nor even a wedding quilt and pillow.

Later, in the year when Lin Caihe was born, he obviously said that he was here to see his granddaughter. When he returned, he secretly took away all the clothes that the children could wear, not even leaving a diaper.

If his elder brother hadn't taken out some of Sangsang's clothes at that time, Lin Caihe would have frozen to death.

So until now, Yang Lin has always been grateful to his elder brother, and he loves Sangsang like his own daughter.

"I know you still said it." Yang Lin rolled his eyes at him.

"Then what can we do? We can't leave He girl at home all the time, right?" Lin Baiyi asked her helplessly.

"I always have to propose marriage to her."

Hearing this, Yang Lin let out a heavy breath, and there was nothing he could do about his daughter.

"Are you going to find Aunt Guihua?" she asked.

"Yeah." Lin Baiyi nodded.

Ya Guihua is the matchmaker in their village. The young people from several nearby villages have kept her in mind. If not her, who else can she find?

"In this case, you tell Aunt Guihua and ask her to find a...stronger in-law for He'er. Someone who can control her temper, so that we don't end up marrying the girl off and causing harm to her family."

Yang Lin said solemnly to his husband.

"ah?"

Lin Baiyi's head was full of black lines, and he couldn't believe that these words came from his wife's mouth.

"Daughter-in-law, you must be confused by He Yatou. She is still your daughter no matter what, even though she has done some bad things..."

"It's because of those bastard things she did." Yang Lin interrupted him and snorted coldly.

"Tell me, what is there that He'er doesn't dare to do now? She has dared to kill people. If she doesn't find a stronger mother-in-law, what will happen in the future? I'm thinking about it now. Fortunately, my family was poor and didn't let He'er do it. "My son knows a few words, but if she really knew how to read, I don't know what bad things she would do."
