

Star of Space 3141

Chapter 3141 Hurry and find someone

His beads can't lie. Now that they are shining, it means that the Jiuyang Pearl is no longer on Sui Zimo's body, but on another person's body.

However, who will the Nine Yang Pearl that was originally in Sui Zimo's body go to?

The only thing he could think of was Sui Zimo's son.

The Jiuyang Pearl is different from other spiritual beads. It has no entity. Once it is put into someone's body, it is likely to be passed on to that person's heir due to inheritance.

Therefore, the Nine Yang Pearl is now in Sui Zimo's son.

However, if Sui Zimo's son had not been born, even if the Nine Yang Pearl was on his body, there would be no reaction.

But now that Jiuyang Pearl has reacted, it means that Lin Caisang has already given birth. Didn't he get the news before that Lin Caisang will give birth some time later, how could it be so fast.

Could it be that the news I got before turned out to be false?

"You guys go search now. Even if you turn the entire Sky City upside down, we must find Lin Caisang and her son!" He ordered his subordinates.

"What?!"

Several subordinates were shocked when they heard what their master said.

No wonder the master was so angry. It turned out to be because of Sui Zimo's woman. Did she actually give birth to the child?

But.....

Several subordinates couldn't help but raise their eyes and glanced secretly at their master.

They couldn't help but murmur in their hearts, how did their master know that Lin Caisang had given birth to the child? They clearly didn't even know where Lin Caisang was?

"Master, where is Lin Caisang?" A subordinate asked without fear of death.

Hearing this, the man glared at him fiercely.

"If I know, do I still need to ask you to find it?"

If he knew, he could go and take down Lin Caisang himself. In that case, he wouldn't have to worry about the corpse-suppressing talisman being taken away by others, because he could be sure that this thing was on Lin Caisang's body.

"this....."

The subordinates wanted to say, how could his master not know?

If he didn't know, how did the master know that Lin Caisang had given birth to a child?

It's not just a matter of guessing, right?

However, being as smart as they were, seeing their master's ugly face, they did not dare to talk nonsense anymore and could only respond.

"What are you doing here? Why don't you hurry up and find someone?" The man said immediately when he saw that they hadn't gone yet.

"Yes, Master."

Several subordinates responded quickly, turned around, dragged the seriously injured companion, and left.

When the room returned to silence, the man took a deep breath.

"Sui Zimo, Lin Caisang, I really underestimate you."

I had thought that if Lin Caisang was going to give birth, she would definitely show up. Who knew, but there was still no movement at all.

It seemed that the space in Lin Caisang's hand was really, as he thought, not a magic weapon, but a divine weapon, a divine weapon that even she could enter.

"Could it be..."

I heard from subordinates who entered Haikuo Forest before that the Kusi Tower actually cracked and finally disappeared.

Could it be that Kusi Lou was acquired by Sui Zimo or Lin Caisang? That was also a magical weapon. Originally, he thought that Lu Tianfeng would be a good dog by his side. Such a good thing would be cheaper for Lu Tianfeng.

Chapter 3142 Obtaining Sui Zimo's son

In that way, if Lu Tianfeng continues to work by his side, the Kusi Tower will be his. Even if Lu Tianfeng is killed by then, the Kusi Tower will still be his.

But who knew that that guy was so uninterested in it that he couldn't accomplish anything.

"It shouldn't be possible."

He shook his head, it was not possible. After all, the space in Lin Caisang's hand had traces before, and it was not after they got the Kusi Tower.

Therefore, Sui Zimo and Lin Caisang not only have the Kusi Lou artifact in their hands, but also another spatial artifact. What is more likely, is the empty artifact better? !

"How did these two people get such good luck?"

He really didn't understand, where did these two people get such good luck and be able to have such good things?

As for Lu Tianfeng, he seemed to be a pretty good person before, but after meeting Sui Zimo and the others, he turned out to be so vulnerable that he was completely useless.

It simply made him, the master, lose his status too!

"No, if you don't let me, let's forget it. We must get Sui Zimo's son."

He raised his hand and looked at the shining bead on his wrist again. The brightness of this bead was even brighter than when Suizi Mo was young.

It can be seen that this Nine Yang Pearl has found a higher talent in that little thing.

It's no wonder that the Jiuyang Pearl gave up on Sui Zimo and passed it on to the little thing. It must be that the little thing has a higher talent.

"This time, I will keep people by my side to see who can cause trouble!"

He originally wanted to control Sui Zimo, but he didn't know that people raised in Huanglu would be so difficult to control. This time, he could not do this again and had to keep people by his side.

Only those who are raised around him will be obedient and can be used by him.

However, how can he get this person to his side? After all, he is the child of Sui Zimo and Lin Caisang. It is not easy to get him.

Now, we don't even know where he is. What if Lin Caisang keeps him in that artifact for the rest of his life?

"No way, it's impossible."

At most, he only occasionally uses that artifact to protect the little thing. It is absolutely impossible to keep it there forever. He still has a chance to take action.

However, the most important thing now is not to get the little thing's talent and spiritual power, but to get the corpse-suppressing talisman and the mother bodies of the poisonous corpses and the sons of evil spirits back again.

It is definitely impossible to poison the corpse, but the mother body of the devil's son must be retrieved.

As for the poisonous zombies, he has plenty of time and can make more.

"Just wait. After I have completed my experiment in Qianhuan Continent, it will be your turn. Do you think that it is enough to drive me out of the family? Is it possible for you to give up if you want to? "

He looked into the distance sadly.

When that didn't work, he bloodbathed the City Lord's Mansion and Lin Mansion, and directly arrested Sui Zimo and Lin Caisang.

In terms of strength, he thought that he could still compete with Lu Tianlan and Lin Baizhong, even if Lu Tianlan and the others added Liu Yuyang's power, so what?

Do the people from Qianhuan Continent still want to fight him to the death?

Can they fight it?

...

In the golden bead space.

After a period of panic, calm has returned to the bamboo house.

Chapter 3143 I won't move, I won't pass

The bed had been tidied up, and Sui Zimo was half-kneeling on the edge of the bed, looking at the person on the bed and the little baby placed next to him.

He was secretly glad that thanks to his mother-in-law, he had to invite a midwife, otherwise, with his busy look before, he really wouldn't be able to do anything.

The one who suffered in the end was his son.

"call."

He exhaled softly and stood up.

"You watch here while I go make some food."

Turning his head, he looked at the midwife who was standing by, then placed Dabai in the room, explained something before going out.

Even when Sonny was giving birth, the midwife didn't do anything, but she still had to be on guard against others, so she left Dabai here to watch.

As long as Dabai is here, no one can hurt his wife.

As for him, my wife has suffered so much today, so he has to make something delicious for her to eat.

I had read a lot of books about what a postpartum woman should eat before, and I also asked Liu Yuyang and the city lord's wife. The ingredients were already prepared and waiting for him to make them.

The midwife watched the man leave and let out a sigh of relief.

He turned his head, glanced outside the door, curled his lips, and felt that the male host was really too surprised.

She is already here and has promised that as long as her children can survive in Sky City, she will never leave again.

What does the male host have to worry about?

However, she didn't dare to say this to others. After all, she was new here, so it was normal for her not to be trusted by her master. This was the time when she had to show off in front of her master.

However, just as she was about to step forward to check on the hostess, she saw Dabai baring his teeth and glaring at her fiercely.

"Well."

She was so frightened that her hair stood on end, and she quickly took a few steps back.

"Okay, okay, I won't move, I won't pass."

It's not okay if she doesn't get over it. I really... don't know what to say.

After she took a few steps away from the bed, Dabai curled up into a ball and went to sleep peacefully.

However, after a while, when she thought Dabai was asleep and wanted to go over to check, she took a step and saw Dabai suddenly jump up again and bared his teeth towards her.

"this....."

What else could she say? Can't you say it?

...

After a long time, when Sui Zimo came over with a bowl of chicken soup and porridge, Lin Caisang woke up from hunger.

"Zimo, what did you cook? It smells so good!"

"Don't move, don't get up. I've made chicken soup and porridge for you to eat." Seeing her trying to get up, Sui Zimo hurried over and gently pushed her back onto the bed.

"Are you hungry?"

"Um."

Lin Caisang responded.

She was really hungry. She had just eaten a few mouthfuls before, and her stomach started to get angry.

Moreover, maybe because of her spiritual cultivation, once her stomach started to get angry, she couldn't stop it, and she didn't even have time to rest or eat something.

"This little guy is really capable of tormenting her mother."

She turned her head and looked at her cute son. Even though he was so small, he had given her a lot of trouble before.

"brat!"

Stretching out her hand, she couldn't help but tap the little guy's tender face with her index finger.

This son had just been born, and she couldn't help but want to bully him, haha.

Chapter 3144 Still able to get out

Who knew that the little guy seemed to smell his mother's scent, and actually moved his little head to turn around.

"Hey, the young master must be hungry. Master, why don't I take the young master down and feed him first? The goat milk outside has been squeezed."

Seeing that the young master was hungry, Xunpo hurried over and said.

She made a move to pick up the child, but a hand was faster than her and stopped her.

Xun Po raised her head and saw Lin Caisang's gloomy eyes, staring at her. She was so frightened that she trembled all over and took a few steps back.

"Xun Po, do you remember what I told you?" Lin Caisang stared at her coldly and asked.

"Well.

Po Xun was choked by her words and immediately lowered her head.

She remembered that the mistress had said before that she did not need to take care of the children, the mistress could take care of them herself.

But she saw that there was no one else in this place except the master and the mistress, so she thought that she was the only one who could take care of the little master. After all, the mistress was still lying on the bed, right?

"Madam, I just think that the young master is hungry. Look, how can this child not eat milk? There is nothing wrong with me, so why not take the young master out..."

"you....."

Lin Caisang wanted to say something to Xun Po, but Sui Zimo stopped her.

"Zimo, I..."

"You rest, I'll tell you.

Sui Zimo nodded towards her and fed her a mouthful of chicken soup porridge before turning to look at Xun Po.

"You don't think you can get out of this place, do you? Looking for my mother-in-law!"

"Old slave..."

Xunpo's heart trembled, and she raised her head and looked at them cautiously.

That's what she thinks. Even if she sold her body for her family, it's impossible for her master to let her not even see her family in the future, right?

She has to be let out to meet her family occasionally, right?

Although she had promised before when she sold herself, she thought that as long as she coaxed the host family, they would not care about her like that when they were happy?

"Master, madam, I don't mean this, I just feel sorry for the young master..."

"My child, do you need to pity me?"

Before she could finish speaking, Lin Caisang interrupted her.

What are you talking about? Why is her child so pitiful? Isn't it just that she is hungry? Besides, she had breastfed the child before she fell asleep. No matter what happens, she won't deprive the child of enough food, right?

This old woman looked pretty good before, why has she completely changed now?

Does the implicit meaning behind her words mean that she is abusing her own child?

"Xunpo, if you feel that it is not good to stay here, then I will send you to another place. There are many pregnant women there, and they need you!"

she said.

"ah?"

Xunpo was stunned by Lin Caisang.

She had nothing to do before, and she had been wandering around this place for a long time. Apart from the host and her husband, she didn't see anyone else.

Where are the pregnant women? Why hasn't she seen it before?

"Zimo, send her out." Lin Caisang looked at Sui Zimo and said.

"Okay, come on, if she can eat again, I will send her away." Sui Zimo fed her another mouthful of porridge, then turned around and looked at Xun Po.

After hearing what they said and seeing the cold eyes of the male host, Xunpo couldn't stay any longer, so she quickly rubbed oil on her soles and left the bamboo house.

"What does this Xun Po want to do?"

Chapter 3145 We took action before!

"If you feel you have pleased us, you can leave this place and continue to live with her family." Sui Zimo looked at her with a smile and accepted her words.

Lin Caisang: "..."

Since you still want to be with your family, why did you agree so quickly?

She remembered that there were several midwives at that time. After hearing the conditions proposed by her mother, this midwife was the fastest to agree, right?

If I had known this, I wouldn't have come.

"She wants to go out, that's a dream!" she said angrily.

This is not because she is unkind, this is mutual between them. Xunpo will be in the Golden Pearl Space from now on, and Liu Yuyang is responsible for keeping Xunpo's family in the sky city from now on.

"Who does she think she is? Mom has made arrangements for her family. Oh, she wants to go out? It's not that fast to burn bridges across the river, right?"

"Okay, what are you arguing with her about? She can't get out."

Sui Zimo looked at her amusedly, feeling that after giving birth to the child, his wife's temper became a bit like that of a child. It seemed that the temperament of the two had been combined with that of their son.

"In the future, the people in Wuji Prison will still have to rely on her. She has already entered the Golden Pearl Dimension. Even if she really belongs to certain people, she will not be able to get out. As for the children, she will never have the chance to meet them in the future. "

"Too."

After listening to his words, Lin Caisang thought about it and thought that was the case, so he nodded.

From now on, let Xun Po go to live in the Promise Hell. She observed the mother bodies of the children of evil spirits and found that, except for the former queen, the others had no thoughts and would not harm people.

As for the former queen, she would naturally not harm Xunpo, and in the Wuji Prison, those who did not make any mistakes would not be punished.

Let her go to the Infinite Prison and take care of the daily life of the mothers of the children of evil spirits.

She can also worry less here, saving her from having to keep an eye on whether Xunpo will attack her child all day long.

...

"call!"

Outside the bamboo house, Xun Po had already walked quite far away before she turned around and looked in the direction of the bamboo house.

"You actually didn't even let me hold the child. If I had known, I would have done it before!"

At this moment, she really regretted that she didn't do anything to the child when she was delivering the baby. Otherwise, she might have left this ghost place by now.

Moreover, he was still carrying the child of the couple.

But now it's useless to say anything. The couple was guarding her as much as they were guarding against thieves. She originally thought that they were just a couple, so she would be able to succeed in the end.

Who knew that even a white fox in this place knew how to protect that child? She really had no chance to do it.

"call!"

He exhaled heavily again.

"Just wait, there will always be a chance. I have plenty of time to work with you slowly, as long as the child is in my hands..."

"Roar!"

"ah!"

Suddenly, there was a roar of a wild beast, which frightened her so much that all her words were swallowed into her stomach.

She immediately turned her head and saw a black panther standing not far from her, its jewel-like eyes staring closely at her.

"hiss!"

Xunpo gasped and almost died of fright.

"Why...why are there leopards in this place?"

She swallowed and felt that her scalp was numb and the hairs all over her body were standing on end.

Chapter 3146 Thrown to the Infinite Hell

I have never seen one before, I have only seen a pair of white foxes, and often I can only see one, and I don't know where the other one is hiding.

But now, even the black panther has come out. In a few days, something more terrifying will come, right?

In that case, she really had no chance to get the child out.

"I don't know where the things the master wants are?" She muttered secretly.

She has been to many places in this place, but she hasn't seen what the master wants. Could it be that it's not here?

Where would that be? Is there any place that she has not been to?

She wanted to find it, but...

Turning her head, she secretly glanced at the black panther staring at her. She thought, she couldn't go anywhere now, could she?

"Okay, take it as it comes. There are plenty of opportunities anyway. Am I still afraid that you won't give me a chance?" She raised her eyebrows, turned around, and went to her room to rest.

...

"This woman..."

In the room, Lin Caisang had just finished eating a bowl of chicken soup and porridge, and had just put down the Golden Pearl Ling in his hand.

In front of the two of them, there was something like a jade mirror. The scene inside was exactly that of Xun Po outside.

"It's really sent by that person, he's really powerful!"

"Isn't this something that should have been expected."

Sui Zimo didn't have much expression on his face. He just picked up the child from the bed and put it on the small bed beside him.

"I thought the midwife my mother found was enough to put her mind at ease." Lin Caisang said somewhat innocently.

Yes, her mother teamed up with the city lord's wife, and the two of them selected a midwife. In the end, she was still that person's person. That person was really all-pervasive.

"Zimo, tell me, where is that person's lackey now?" She looked at Sui Zimo and asked.

"Perhaps he is not that person's lackey. He just rebelled temporarily and bribed people. On the Qianhuan Continent, people's hearts are the best to be bribed."

Suizi Mo said.

For a little bit of cultivation, the people here are willing to sacrifice anything.

Working for others is not just to improve one's own cultivation. After all, it is difficult to survive here without strong cultivation.

"What should we do? Throw him directly into the Infinite Prison?" Lin Caisang asked.

Hearing this, Sui Zimo raised his eyebrows and looked at her.

"Okay, that's it." Lin Caisang nodded.

...

Xunpo, who had just returned to his room, was thinking about how to win the trust of Sui Zimo and Lin Caisang, and then work for his master.

For a moment, I felt that my position was different from before.

"What...what is this place?"

What caught her eye was a very desolate place, with not even a single weed on the ground, let alone the bamboo house from before. It was completely different from the environment she was in before.

She was immediately frightened and spun around in circles, trying to figure out where this place was.

"Is there anyone there? Where is this place?"

She shouted into the air, but in such a big place, there was no echo of her own voice.

"Master? Madam? Where are you? Where is this? Let me out quickly!" She didn't want to stay here at all. What the hell is this place?

Chapter 3147 I redeemed a coupon for you

"Kaka, kaka.

Suddenly, a strange and harsh sound came into her ears.

Hearing the sound, he went out and saw that a group of women had come to the place where there was no one before, and they were all women with big bellies.

Those women, as if they had seen some novel toy, rushed towards her regardless of whether there were children in their stomachs.

"ah!"

She screamed in fear and ran to the other side where no one was.

"Help, someone come and save me. I don't want to be here. Master, madam, come and rescue me!"

What are those things? Why are you chasing her?

She only agreed to deliver Lin Caisang's baby, and she didn't want to deliver her baby to another woman. What did the couple mean by bringing her to this place?

Did he want her to deliver babies to those women?

Why are there so many women in this place, and all of them are pregnant?

"wrong!"

Suddenly, she stopped running and turned to look at those scary women.

"Are these what the master asked me to find?"

The man before sent someone to find her, saying that as long as she could find the things he needed, he would give her a lot of pure crystal stones and many secrets of cultivation.

She can make her think that everyone in her family has become very strong.

So her heart was moved, she desperately wanted those things, and the midwives who wanted those things as much as she wanted to return them.

Of course she knew, how could that person only make a deal with her as a midwife? He must have some back-ups.

So when Mrs. Lin made the request, she agreed without even thinking about it.

So what if she wants to enter the magic weapon? That person's subordinates have already told her that as long as she holds Lin Caisang's child and threatens them with the child, they will not dare to attack her. How.

When the time comes, not only will she be able to come out safely, but she will also be able to come out with what her master needs.

In this way, she has made great achievements. She has obtained the secrets of cultivation and pure crystal stones. In the future, her family can become as powerful as the first generation family in Qianhuan Continent.

"Those...those are..."

Thinking that her mission was about to be completed, Xunpo's face was full of excitement and she almost rushed towards the mother bodies of the sons of evil spirits.

After a while, she came back to her senses, and what she saw was the open mouth, with fangs opening and rushing towards her. It really felt like it wanted to tear her apart.

"ah!"

Only then did she realize she was afraid. After screaming, she continued to run forward.

...

"Ah."

Looking at Xun Po's appearance in the mirror, Lin Caisang couldn't help laughing.

"This old guy really doesn't even know whether he's alive or dead. At this time, he's still having sweet dreams."

"Isn't that what human nature is like?"

Sui Zimo said something before moving the mirror away.

"After you're full, take a nap and ignore those people who don't need to be ignored."

"All right."

Lin Caisang nodded.

"Oh, by the way, Zimo, I used my virtue points to redeem a coupon for you, take it."

As if she just thought of it, she had an extra coupon in her hand and handed it to Sui Zimo.

"What coupon?"

Sui Zimo took the coupon in her hand and took a look at it. There were four words written on it, free entry and exit.

Chapter 3148 This is for me

"A coupon is valid for one month, which means that during this month, you can freely enter and leave the Jinzhu Space. Of course, you can also bring people in.

Lin Caisang explained.

"Is there such a thing?" Sui Zimo raised his eyebrows.

Hearing this, Lin Caisang nodded. In fact, this was the first time she knew about this thing, so she asked the little Caiqiao. It only told her when it had no other choice.

"I forced the little Caiqiao to do this, but it still refused."

"If it were me, I wouldn't dare. After all, it would be dangerous to make this thing." Sui Zimo said.

Lin Caisang: "..."

What's wrong with this guy? Do you still want to stand on the same ground as Little Cai Que?

"Who am I doing this for, and not for you?"

She spoke to him angrily.

If it weren't for him to be able to freely enter and exit the Jinzhu space, what would she do? And it's not convenient for her now, right?

She was willing to go in and out, and felt it was okay, but she had to ask her husband if he was willing to let her go back and forth between the Golden Pearl Space and the outside.

"Okay, this is for me."

Sui Zimo tapped the tip of her nose with his index finger.

"I will go out now and bring my father-in-law and mother-in-law in," she said.

"Go quickly, it's time for parents to worry." Lin Caisang nodded.

...

She was right. It was already noon the next day. Not to mention Lin Baizhong and Liu Yuyang, even Lu Tianlan and his wife had received the news and rushed to the Lin family from the City Lord's Mansion.

"What on earth is going on? Why hasn't anyone come out yet? Is something going to happen?" Lu Tianlan asked with a look of urgency on his face.

"Bah, bah, bah, bah!"

When the city lord's wife heard what he said, she quickly patted him on the shoulder and said "poof" urgently.

"Good luck and good luck. Nothing will happen to Zimo and Sang Sang. Tianlan, what are you talking nonsense here? You are the one who said that about Zimo and Sang Sang. They are your son and daughter-in-law!"

"Yes, yes, that's what I said. I'm also impatient." After hearing what his wife said, Lu Tianlan quickly changed his words.

Nothing will happen for sure. Sang Sang has been in her golden bead space these days. If something happens to Zimo alone, can Sang Sang come out and ask them about the situation?

So, these two children have never come out of the Jinzhu Space?

"This... Sangsang is not going to give birth, right?"

Suddenly, as if he thought of something, he turned to look at Lin Baizhong and Liu Yuyang, and guessed.

Hearing this, Lin Baizhong and his wife also looked unhappy. They had guessed the same before, but they denied it. They thought it was just the young couple talking or doing something and forgetting the time.

But now it seems...

"Yu Yang, it seems that Sangsang is really about to give birth. Otherwise, how could they not come out for so long?" Lin Baizhong took a deep breath and said decisively.

"What should we do? We can't get in now, and we don't know what the situation is?" The city lord's wife suddenly panicked and asked the three of them.

The other three people look at me and I look at you. Do you have any ideas in your mind at this moment?

The key is that they can't get out of Lin Caisang's golden bead space. Once they get in, they can't get out. Once they get out, they can't get in again. How can they figure out a solution?

"How about we..."

Chapter 3149 They came out

"Dad, Mom, I'm back!"

Before Liu Yuyang could make any comments, Lin Changhong's voice came from outside.

The two of them were startled at the same time. When they turned around to look, they happened to see Lin Changhong rushing back from outside with two siblings, Sui Ziyou and Ding Rong. They looked dusty at first glance.

"Father, mother, you... City Lord, City Lord's wife, why are you here?"

"Aunt, uncle, why are you here?" Ding Rong was also surprised when he saw the two of them.

Although it was a very common thing to see Lu Tianlan and his wife at Lin's house, the four of them stood in the yard and looked like they were talking about something, and their faces were full of sadness.

The key thing is that she didn't see Lin Caisang and Sui Zimo.

"Is it possible that something happened to Lin Caisang and the others?"

"Rong'er, Ziyou, you are here just in time. Come quickly, go into Sangsang's Golden Pearl Space and see if they are safe and sound." The city lord's wife saw the two of them and hurried over and said.

Sui Ziyou \u0026 Ding Rong: "..."

They are slaves in the Golden Pearl Space, and they can also enter the Golden Pearl Space.

But the problem is, this is not their golden pearl space. They can't come in and out as they please, okay?

"Aunt, I'm afraid... I can't get in now." Ding Rong twitched the corners of his mouth and looked at his aunt helplessly as he said.

"Why?"

The city lord's wife was stunned by what she said.

Aren't they always in the Golden Pearl Space? Why can't they get in?

"Because... I don't know why, I just can't get in." Ding Rong couldn't explain for the moment, so he could only say this.

"Well."

The city lord's wife choked at her words.

"Mrs. City Lord, my sister-in-law didn't let us in. We can't get in now, and after we get in, we won't be able to get out." Sui Ziyou saw that she was choked and quickly replied.

Is it possible that they can enter and exit the Golden Pearl Space whenever they want?

"Dad, mother, what happened to Sangsang?" Lin Changhong looked at his parents and asked.

What is going on? What happened to his girl? Why didn't he get the news before? He was anxious.

"We don't know either. Sangsang didn't come out yesterday, and Zimo wasn't here either. They are probably both inside. We don't know what the situation is."

Lin Baizhong said.

Hearing this, Lin Changhong finally let out a sigh of relief.

"Since Sang Sang and Zi Mo are in the Golden Pearl Space, there must be nothing wrong with them."

He thought that his sister might not be in the Jinzhu Space, but it turned out that she was still there. If she was in there, nothing would happen to her.

He had heard his sister say before that she would carefully store the fragments of the corpse suppressing talisman when she took the time to prevent anyone from finding them.

Moreover, the mother bodies of the children of evil spirits in the Infinite Hell should also be dealt with.

Maybe they are thinking of a way?

"They always do things in a measured way. Don't worry, maybe they will come out in a while...?"

Before he finished speaking, he heard a sound of opening the door. Everyone heard the sound and went out, only to see that the door of the room belonging to Mr. and Mrs. Sui Zi and Mo was opened directly.

"Zimo, you are finally out!"

When Lin Baizhong saw him, he rushed over.

"Where's Sang Sang, what's going on with you? Is Sang Sang okay?" Liu Yuyang also asked.

Chapter 3150 No need to go in for now

"Zimo, where is Sangsang?"

Several people were talking at random, making Sui Zimo almost speechless.

"It's okay. Sonny was about to give birth suddenly last night. I didn't have time to call you in. Mother-in-law is here. I'm so busy that I can take a breather now. Sonny, mother and son are fine now and are resting."

"gave birth?"

After hearing his words, everyone's eyes suddenly lit up.

"It's so fast, doesn't it mean it will take a few days?" Lin Changhong asked.

"How is Sang Sang's health? Are you okay? Do you want to ask an alchemist to come and take a look? Jiang Zuohe..."

But at this time, Jiang Zuo, the idiot, didn't come back and had to follow everyone to find other medicinal materials. Of course, he also knew that Jiang Zuo was doing this for everyone's good.

"Sang'er is fine. If you're worried, come with me to see her. It just so happens that the child also needs someone to take care of her. I'm really too busy by myself."

Sui Zimo said.

"you alone?"

Lu Tianlan and Lin Baizhong were men after all, and they immediately understood the meaning of Sui Zimo's words.

But here, the midwife they put so much effort into selecting was still bribed by someone. That person was quite powerful. He bribed me right under their noses.

"Yes, I am alone.

Sui Zimo answered the two people's questions seriously.

"Zimo, what are you doing standing still? Take us in quickly." The city lord's wife couldn't wait any longer and didn't know what the situation was like now. She had to see her daughter-in-law and grandson quickly.

Otherwise, how could she let go?

"us....."

Ding Rong and Ding Xu watched as the others were taken into the Jinzhu space one by one by Sui Zimo. They were the only two siblings left outside.

You two look at me and I look at you, and I just want to ask, do they look like bad people? Sui Zimo even doesn't trust them.

After a while, Sui Zimo came out of the Jinzhu space again, as if he had just thought of them.

"Master, you finally thought of us!" Ding Rong curled his lips and said to him.

She thought she had to wait here until the end of the year of the monkey. Fortunately, Sui Zimo came to his senses and knew that two people were left behind outside.

Unexpectedly, Sui Zimo had no intention of letting them in.

"You two, there is no need to go in for now."

"ah?"

When the two of them heard his words, they were stunned.

What does this mean, were they abandoned? No, they are the slaves of the Golden Pearl Space after all. Even if they want to be driven away, they can't be driven away, okay?

"Now that you are all out, let's go back to Ding's house while you can still move around freely." Sui Zimo said to the two of them.

Hearing this, Ding Rong immediately came to his senses.

Yes, since Ding Xu left with his sick body still breathing, the two siblings have not brought any news to the Ding family.

It turns out that it's not that I don't trust them, but that I want them to go to Ding's house first to report that they are safe.

This is possible.

"Master, do you want me to inquire about the medicinal materials on the prescription?" Ding Rong asked.

"No need, just take care of your own affairs." Sui Zimo did not give them a chance to show their loyalty.

Just let his mother handle this matter. After all, Ding Rong and Ding Xu are like two children. Let them handle this matter, not to mention him, even his son. I'll be relieved.
