

Star of Space 3261

Chapter 3261 Who is despicable?

"So, for a few words from you, I have to die?"

Lin Caisang raised her eyebrows at him and was amused by him. Did Zui Yifeng come here to tell her jokes?

"Then your mouth is too powerful. Just a few words can kill someone. How many people have died in your hands over the years.

Can you still remember how many there are? Cow, not an ordinary cow! "

"you--"

Zui Yifeng naturally heard that Lin Caisang was mocking him and took a deep breath.

"Little girl, since you are so ignorant of courtesy, don't blame me for being rude!"

"I was afraid you were too polite.

The smile on the corner of Lin Caisang's mouth suddenly stopped, and he said harshly to Zui Yifeng.

The next moment, Zui Yifeng rushed towards them, and the first move hit her vital part, and they also began to backhand against Zui Yifeng.

It's just that Zui Yifeng was Zui Yifeng. Even the two of them combined couldn't hurt him.

...

"Baizhong, leave this to me. You go and take a look at the back."

While responding to the enemy, Liu Yuyang shouted loudly to Lin Baizhong.

It was not difficult to deal with these people in the front yard, but when Sang Sang and Zimo went to the backyard to find the real Zui Yifeng, they thought it would not be that easy.

Lin Baizhong slashed a man in black to death with a sword and turned to look at Liu Yuyang.

"Be careful, I'll pass."

Naturally, he was worried about his daughter. He said something to his wife and left in a hurry.

At this end, after Lin Baizhong left, Liu Yuyang became even more ruthless in killing the enemy, making the men in black in front of him want to take a detour when they saw her.

...

In the backyard, there were three people who were already fighting each other and were inseparable.

Suddenly, another burst of spiritual power struck Zui Yifeng from a short distance away, hitting his back directly and knocking him out.

He turned around and saw Lin Baizhong standing not far away.

"Despicable...poof!"

Like Lin Caisang before, he was beaten until he vomited blood.

I didn't expect that Lin Baizhong would dare to attack him secretly. Don't be too despicable.

"Damn, Zui Yifeng, you piece of trash, who among us is despicable?"

Seeing his own father being scolded, how could Lin Caisang tolerate it? He whipped the spiritual whip towards him and questioned him.

I don't know who it was, but he was hiding in the dark and attacked her just now, and even made a stand-in to confuse them. If she hadn't noticed it and used the points in Jinzhu Pavilion to block it for herself, her life would have been lost. It's going to be gone.

Just like this, he still thinks that they are despicable, but he himself is an upright person?

"Tsk, why should I talk to such rubbish like you? I'll just kill you."

She sneered, glanced at Sui Zimo and her father, and then the three of them quickly attacked Zui Yifeng.

Zui Yifeng knew that he would definitely be defeated by the attacks of the three people, and he was also injured, making him even worse than the three people in front of him.

Without any more nonsense, he flashed and left quickly.

"Lin Caisang, just wait, I will definitely kill you!"

He definitely can't kill Lin Caisang today, so he can only think of other ways. With so many things available to him, is he afraid that he won't be able to think of a way to kill Lin Caisang?

As Zui Yifeng ran away, the man in black in the front yard also retreated.

Chapter 3262 Attacking Sangsang

However, there were not many people left, they had all been killed to pieces, and most of them were lying in the yard, too dead to die.

"Let him run away again."

Lin Caisang muttered quietly as he watched Zui Yifeng run away.

However, it can be seen from this that Zui Yifeng is not very powerful, otherwise, how could he do it himself.

"Zimo, there shouldn't be many people around him. He has already gone out...ah!"

Before she could finish speaking, Sui Zimo bent down and lifted her up, then quickly returned to the room and placed her on the big bed.

Lin Baizhong, who watched the two people go away, took a deep breath and turned around to ask for the alchemist.

...

"Zimo, how is Sangsang?"

Liu Yuyang had changed his clothes and there was no blood on his body. He came to the room to visit his daughter.

"Mom, I'm fine. Zimo was too nervous. I just used Jinzhu Pavilion's points to block it for me, and I was slightly injured."

Lin Caisang stretched out his hand and made a gesture to show that he was really only slightly injured.

"It can't hurt at all."

Liu Yuyang said, they did not expect that Zui Yifeng would hide in the dark and attack.

He can do such despicable things, and there is really nothing he can't do. That's why the mother body of the Poison Corpse and the Devil's Son appears.

"Okay, okay, I was not careful this time." Lin Caisang had no choice but to admit his mistake.

"It's not Son'er's fault, it's just that I didn't expect Zui Yifeng to be so despicable." Sui Zimo sat on the edge of the bed, holding Ren'er's hand.

"How could it be your fault? None of us understand Zui Yifeng. This person is really despicable!" Lin Caisang sighed.

"It seems that Zui Yifeng already knows about the prescription, so he is so anxious to attack Sangsang. He still wants to hold Zimo in his hand."

Lin Baizhong walked in from outside, followed by an alchemist he was familiar with.

Lin Caisang didn't dare to complain to her father, saying that she was an alchemist herself, and she knew best about her injuries.

She could only let the alchemist check her pulse and prescribe a few more medicines.

After the alchemist left, the three of them sat down at the table, and Lu Tianlan came in a hurry with his wife.

"I heard that Sangsang was injured, how is he doing now?"

As soon as the city lord's wife arrived, she immediately asked, with a look of panic on her face.

"I'm fine, just a little injury, nothing serious." Lin Caisang said quickly.

Seeing that Lin Caisang could still speak, was full of energy, and could also sit, the tone that the city lord's wife was holding dropped.

"You don't know, you scared me to death just now."

She sat on the edge of the bed and looked at her daughter-in-law, feeling satisfied no matter how she looked at her.

"Why did Zui Yifeng suddenly think of attacking Sangsang?" He turned around and looked at the others and asked.

"The fragments of the corpse-suppressing talisman are on Sonner's body, and Sonner can make antidotes. He will definitely attack Sonner." Sui Zimo said in a deep voice.

But what he didn't expect was that Zui Yifeng would be so careless and come over to attack Sonner in person.

"Fortunately, nothing happened this time, otherwise..."

He couldn't even imagine what he would do if something happened to Sonny. Sonny is his life!

Chapter 3263 It's just a hands-on matter

"If you don't succeed this time, there will be a next time." Lu Tianlan reminded.

"You still need to be more careful. This person does not have many people in his hands, but he has a lot of things he can use."

"I know."

Sui Zimo nodded solemnly.

"Yes, you have to be more careful. Next time there is any movement, Sangsang will go to the Jinzhu Space. You can deal with the things outside. Don't say anything to make Sangsang hurt again."

The city lord's wife also said quickly.

...

On the other side, Zui Yifeng failed to kill Lin Caisang, but only slightly injured her. After returning to his own place, he was furious.

"Useless things are a bunch of rubbish!"

After sending so many people, it looked like the whole army was wiped out, but they still couldn't move Lin Caisang or Sui Zimo in the slightest.

These two people were born to defeat him, or rather, the people under his command were just so useless.

The answer is of course impossible. He still trusts the people under him. He has done many tasks before without any mistakes, but this time he fell into the hands of Sui Zimo.

It seems that Mo's talent at this age is really not that powerful.

It's a pity that he opened the door of talent early. Otherwise, how could such pure spiritual power be Sui Zimo's? It would definitely be his!

However, it is useless to think about these things now. Sui Zimo is no longer something he can handle alone.

"Go and bring Ding Laoliu to me." He ordered his subordinates.

Since he can't deal with Sui Zimo, he will let someone who can deal with him come over. He still has a large number of poisonous corpses at Ding Laoliu's place.

The poisonous corpses destroyed by Sui Zimo and Lin Caisang before had not yet opened their spiritual intelligence, so they were so easy to deal with. But now, he wants to open their spiritual intelligence to those poisonous corpses. In this way, The poison zombie will become more powerful.

Killing Lin Caisang or Sui Zimo is just a matter of using your hands.

Even if it means taking the lives of the entire Lin family, it's okay. This time, he can't let Lin Caisang go, absolutely not!

"Yes, Master."

The subordinates accepted the order and left.

Soon, he dragged in Ding Laoliu, who was covered with wounds and a bruised nose and face.

Ding Laoliu was dragged in, still groaning. After all, he was beaten, and his whole body hurt. Even with medicine, the wound did not heal so quickly.

"Master...Master."

He knelt down towards Xiangzui Yifeng and listened to his orders.

"Ding Laoliu, take your people with you immediately to get those poisonous corpses from me." Zui Yifeng gave the order directly without talking nonsense to him.

"Poison...poison corpse?"

Ding Laoliu stared at Zui Yifeng with his eyes widened.

Those poisonous corpses and the mother body of the devil's son were his life-saving talisman. Because of those things, he could do whatever he wanted outside without fear of being killed by the man in front of him.

But now, does the man actually want to get all these things?

"Master, do you just want... poisonous corpse?"

Did he hear it right? The master didn't want him to get the poisonous corpse and the mother body of the devil's son, right?

"Do you want to die?"

Zui Yifeng heard what he said and asked him coldly.

Can the mother body of the devil's son be obtained casually? Those things are of no use now, the Devil's Son hasn't even been born yet, and bringing them out will only give Lin Caisang and the others an opportunity to take away the Devil's Son's mother body.

Chapter 3264: How to jump over the wall in a hurry

Naturally, he would not give Lin Caisang and the others this chance.

"Go and get the poisonous corpse for me immediately. If you delay my important event, I will kill you!"
He said coldly to Ding Laoliu.

He had to take Lin Caisang's life. Keeping this woman would only cause him endless trouble.

"Yes, yes, little one, go right here."

Ding Laoliu responded repeatedly, not daring to delay, turned around and left.

"Follow him!"

Zui Yifeng glanced at his subordinates and ordered.

This Ding Laoliu is becoming more and more unreliable in his work. He still needs to know where the mother body of the Devil's Son is locked up.

Otherwise, Ding Laoliu, a lowly person, might betray him at any time.

Lin Caisang and Sui Zimo had already taken away so many poisonous corpses and the mother bodies of the devil's children. There was no one left that could be left behind. Otherwise, how could he return to where he should be? Going?

"Yes, Master."

The subordinates took the order and followed Ding Laoliu.

...

In the Lin family, Lin Baizhong soon received the news that Ding Laoliu came out of Zui Yifeng's house and then returned to the Ding family.

"Ding Laoliu returned to Ding's house again?"

Liu Yuyang raised his eyes and looked at his husband-in-law with some surprise.

Ding Laoliu was taken away by Zui Yifeng's people. Could it be that Zui Yifeng didn't know that Ding Laoliu had been exposed?

However, he still let Ding Laoliu return to his home. What did this mean?

"Have you sent someone to follow?" she asked.

"We have sent people to follow him. He can't escape." Lin Baizhong said.

"I'm not afraid that he will run away, but I'm afraid that he will return to Ding's house for an ulterior motive." Liu Yuyang said.

"Another purpose?"

Lin Baizhong was stunned by what she said, and suddenly thought that they had guessed that Ding Laoliu had the mother body of the poisonous corpse and the son of the devil in his hands.

"It seems like there really is an ulterior motive."

Do you think you can't deal with them anymore, so you want to use the devil's son or the poisonous corpse to deal with them?

However, this really plays into their hands. As long as they know where those things are, they can really catch them all.

"It's time to get ready."

"What are you preparing for?" Liu Yuyang asked puzzledly.

"Just in case you get drunk and Yifeng jumps over the wall." Lin Baizhong replied.

Now that Zui Yifeng still has something in his hand, he won't jump over the wall in a hurry. However, if they really made Zui Yifeng lose all the mother bodies and poisonous corpses of the sons of evil spirits, that guy would have to jump up.

It is certain to fight for them.

...

"Changhong has received news."

In the room, Sui Zimo came to the bedside, sat down, and said to the person lying on the bed.

"How to say?"

Lin Caisang immediately became energetic and wanted to get up and ask him.

Although Zui Yifeng had blocked the slap he had hit her with with the points in Jinzhu Pavilion, she didn't feel much discomfort at that time. However, after she lay down, she felt faintly. Her whole body was weak. She was really weak. I really want to have a good sleep.

"There is indeed the mother body and the poisonous corpse of the son of the evil devil over there. It was Chang Hong who used the medicine on Master Zui, and Master Zui said it himself. There can be no difference."

Suizi Mo said.

"This Zui Yifeng, he thinks he is a rabbit."

There are three nests of cunning rabbits, but that guy Zui Yifeng put the poisonous corpse and the mother body of the evil son in so many places.

If they didn't search carefully, Zui Yifeng would be killed directly. Just the things that happened after the birth of these evil sons would make them busy.

Chapter 3265 I can't leave even if I want to

"Then shall we leave immediately?" she asked.

"I'm afraid not."

Before Sui Zimo could answer her words, Lin Baizhong's voice came to her ears.

She looked up at Lin Baizhong and Liu Yuyang who came in from the door.

"Dad, why not?"

"I just got the news that Ding Laoliu came out from Zui Yifeng and went straight to his own home. I think it must be something bad."

Lin Baizhong explained.

Besides the poisonous corpses, what else could make Ding Laoliu continue to come out.

Everyone knew that he was colluding with Zui Yifeng. If he didn't hide quickly at this time, why would he come out?

"So, he is also after the poisonous corpse and the mother body of the evil devil's son?" Lin Caisang took a deep breath, feeling a little helpless in his heart.

"Just a guess."

Lin Baizhong looked at his injured daughter and said.

Although it was just a guess, they had to keep a close eye on it, what if it was true?

"Then Zimo and I should go there?" Lin Caisang suggested.

"Can't Zimo go alone?" Liu Yuyang frowned and asked.

Zimo can put things directly into the Jinzhu space now, so it's okay for him to go. Baizhong goes with him, and his safety is guaranteed.

"Mother-in-law, I can't go alone," Suizi Mo said.

If possible, of course he wanted to go alone. His son was still in confinement, and he was slapped by Zui Yifeng and was injured. How could he be willing to let his son go with him?

But even if he can freely enter the Golden Pearl Space, there are still some places inside that he cannot enter, especially the Infinite Prison.

"That....."

"Dad, let's go back as soon as we go. We're just going to collect the poisonous corpse and the mother body of the devil's son. There won't be any problem." Lin Caisang persuaded them when they saw that they didn't want her to go.

Her body can be restored in the future, but things like the devil's children cannot be allowed to escape outside.

"Since Zimo is here, I don't need to take action. Besides, how many people are there in the Ding family?"

Ever since Mrs. Ding expelled Ding Laoliu from the family tree, the people in Ding Laoliu's family have been able to leave and disperse, and they no longer want to follow Ding Laoliu.

After all, what else could Ding Laoliu have without the support of the Ding family and the city lord's wife?

So there are really very few people left on Ding Laoliu's side.

"Zimo, take good care of Son'er."

In the end, Lin Baizhong and Liu Yuyang only gave their son-in-law a few words of advice.

Who would let things like the Son of Evil really hurt people? If they were allowed to stay outside, even if they were not used by Zui Yifeng, they would be the most terrifying existence.

"Will do."

Sui Zimo nodded and helped Ren'er up on the bed.

"Be careful, does it hurt?"

"It doesn't hurt." It's just that I can't exert my strength.

Lin Caisang naturally didn't dare to say the latter sentence, otherwise she wouldn't have to go out today.

...

Ding Laoliu's house.

When Ding Laoliu returned home in a hurry, he saw a deserted home.

The servants, guards and so on, have almost left, leaving only some servants and slaves who sold themselves to the Ding family, and they can't leave even if they want to.

"How is this going?"

Seeing the deserted home, the owner of the Ding family was furious. He grabbed a servant by the collar and asked him.

"Master, they... they all left. They said that the master of the family was expelled from the family tree. He will no longer be reliable. He must quickly find the next reliable one."

Chapter 3266 Can it still exist?

the servant whispered.

He wanted to find a reliable master, but unfortunately he sold himself. If he really ran away, he would be a shameful person and have to live in darkness forever.

So he can't run away.

"These dogs, do you really think that the head of our family has to rely on those things from the Ding family?"

Ding Laoliu was filled with anger and was extremely angry.

He still has a master. As long as the master still reuses him, what should he fear? The master's evil son and poisonous corpse are still in his hands. He will definitely achieve great things in the future.

As for Ding Zhuzui's gadgets, as long as the master lifts his finger, he can kill a large number of them.

How dare these guys look down on him!

"Just wait and see, my master will definitely not let go of those outsiders. You guys, please treat me well. My master will not treat you badly, and I will ensure that you are well-fed and well-fed in the future."

He threw away the servant he was carrying and said to a few cowering servants.

The days to come are still long, and he will not let go of anyone who doesn't want to see his kindness. As long as the master gains power, he will be able to get wind and rain in Qianhuan Continent from now on.

"Ding Laoliu, stop being verbose and take us to find those things quickly. Zui Yifeng's subordinates didn't have time to look at Ding Laoliu's stupid look here and urged.

"Okay, okay, I'll go right away."

Naturally, Ding Laoliu didn't dare to offend the people around Zui Yifeng, so he quickly responded.

He would deal with these matters at home later. Now, he would take out the poisonous corpse first, but...

Thinking that I was still injured, I naturally couldn't get those poisonous corpses myself. What if the poison was transmitted to them?

Therefore, he took several of Zui Yifeng's subordinates to the backyard of his home, beside a deep rockery.

It is often the easiest place to dig a secret tunnel to hide something in a rockery, and his house is no exception. He hid the poisonous corpse and the mother body of the devil's son here.

"Master of the house."

As a secret door was opened, the man guarding inside shouted respectfully to Ding Laoliu.

This subordinate is the one he trusts the most, so he can rest assured that he is sent to guard these things. Even if everyone in the family runs away, he still believes that this subordinate will always guard here.

"Take these guys to the poisonous corpse's room and get all the poisonous corpses out." The head of the Ding family ordered his subordinates, and then looked at Zui Yifeng's subordinates.

"I'm injured, so I shouldn't go in. Guys, please condescend to go in with Ah San and take out the poisonous corpse."

Hearing this, Zui Yifeng's subordinates look at me and I look at you.

Regarding this wave of operations by Ding Laoliu, they were really sweating on their backs.

You must know how dangerous this poisonous corpse and the mother body of the devil's son are. Hiding in the deep mountains and forests is just as dangerous, but Ding Laoliu actually puts all these things at home.

If these things escape accidentally, will the Ding family still exist?

I'm afraid that Ding Laoliu himself will die at the hands of these poisonous corpses.

But these are not what they should care about. They are only responsible for bringing back the poisonous corpses that their master needs. As for whether Ding Laoliu will be killed by these things, what does it matter?

He is a useless person anyway, and would be better off dead.

Chapter 3267: Really stubborn!

Several people were led by Ah San into the secret passage, while Ding Laoliu stood outside waiting for them to come out.

In a hidden place, Sui Zimo and Lin Caisang were hiding there secretly. After watching Ding Laoliu let those people enter the secret passage, they stood there, speechless.

"This Ding Laoliu is really bold."

The mother body of the devil's son is just that. It did not give birth to the devil's son, so it is not very aggressive.

But the Poison Corpse can really attack people, and it can also eat people. If he keeps it so openly at home, isn't he afraid that when he wakes up in the middle of the night, his neck will be bitten off by the Poison Corpse?

"Let's go and have a look.

Sui Zi Mo Ban hugged Ren'er, and the two flew towards Ding Laoliu.

When Ding Laoliu saw the two of them and wanted to call someone, it was already too late. Sui Zimo knocked them down directly.

"You... you..."

He could barely make any sound out of his throat, and could only point at the two of them with trembling hands.

When did they come over, he didn't even see it or feel it at all.

Even if he has never met them, he can guess who these two people are. Apart from Sui Zimo and Lin Caisang, who have been against his master, there can't be anyone, right?

But they didn't expect that they had been staring at their master. Just when they wanted to get the poisonous corpse out, these two people had already come over.

"Come...come...come...come..."

He wanted to shout, but no sound came out from his throat.

"laugh!"

Lin Caisang raised his foot and kicked Ding Laoliu hard.

"It's already this time, do you still want to find someone to deal with us? You really won't change your mind!"

There is no use for Ding Laoliu to keep him. Instead, he will serve as a complete helper to Zui Yifeng, so he can just destroy him.

"Zimo, I leave it to you, let's operate on him first!"

"good."

Sui Zimo responded.

...

In the secret passage, several of Zui Yifeng's subordinates were led in by Ah San.

The secret passage was not very deep, and soon they arrived at a place where there was a fishy smell in the air. Several people covered their noses and frowned.

"What does this smell like? It's so unpleasant!"

"The poisonous corpse and the mother body of the devil's son all have this smell." Ah San replied calmly.

What's more, this is a secret passage. It's just a very small place, but it contains so many poisonous corpses and the mother bodies of the sons of evil spirits, so the smell is even stronger.

"Even if it smells like this, it should be ventilated." One of the subordinates said to Ah San.

The smell made them want to vomit. They just wanted to get out quickly. They didn't even want to see the poisonous corpse.

Just hearing his words, Ah San just glanced at him lightly, feeling extremely disdainful. This is a secret passage. Those poisonous corpses and the mother bodies of the sons of evil spirits are the biggest secrets. How can it be ventilated here?

These people really don't know anything. Do they think it's so easy for them to get these things here?

"The secret passages are all like this, and they can't pass through the wind." He said.

Hearing this, several people rolled their eyes at him. How dare a dog next to a dog under a master speak to them like this?

When all the things here are taken away, will the master keep Ding Laoliu? Don't even think that there is another person alive in the Ding family. By then, this Ah San should know how to flatter them.

Chapter 3268 What exactly do you want to do?

But by that time, this Ah San will be already dead, right? They are just waiting for this guy's fate!

"Hurry up and lead the way. Where is the poisonous corpse?"

There was no time to talk nonsense with Ah San, one of them asked.

"Yes, please follow the younger ones." Ah San responded and continued walking forward with a few others.

"Where does this road lead?"

Soon, a few people came to a three-way intersection. Zui Yifeng's subordinates stopped and asked Asan.

"A little further over there is the place where the mother body of the devil's son is imprisoned, and this is the place where the poisonous corpse is imprisoned." Ah San replied and continued to lead the people forward.

After hearing Ah San's words, the two of them looked at each other in the darkness.

That is where the sons of evil spirits are imprisoned. Now that they know it, even if the master wants to deal with Ding Laoliu in the future, they can take over these things without fear of not being able to find them.

"The place where the mother body of the devil's son is imprisoned?"

After a few people had gone a little further, Sui Zimo came over with Lin Caisang. He looked at the two roads in front of him and decisively chose to go to the place where the demon's child's mother body was imprisoned first.

They can destroy the poisonous corpse without fear of being taken out first, but the mother body of the devil's son cannot be underestimated and must be taken away first.

However, when they came to another fork in the road and walked into a room, they were shocked to see the mother body of the devil's son there.

"So... so many..."

This Zui Yifeng is really crazy, he actually hid so many bodies of the sons of evil spirits here.

You must know that each of these things can make Qianhuan Continent a mess, not to mention there are so many here?

"He alone, even with the corpse-suppressing talisman, can't control so many children of evil, right? He's simply crazy. What on earth does he want to do?"

"have no idea."

Sui Zimo answered his wife calmly.

"Collect these things first, and then deal with the poisonous corpses," he said.

"good."

Without hesitation, Lin Caisang took the mother bodies of these evil sons into the Infinite Prison of the Golden Pearl Space.

After that, she let out a sigh of relief.

It's just that she also has a headache. So many mothers of the children of evil have been taken in. How to deal with them later? Is it possible to keep them locked up?

Even if it's locked up, it won't work. After the mother's body gives birth, the devil's son will come out.

But this is all a matter for the future. Now, what they should think about is how to put these things away first and prevent Zui Yifeng from getting them back.

"Okay, let's go find those people."

...

A short while later, several of Zui Yifeng's subordinates brought the poisonous corpse. As soon as they arrived outside, they saw Ding Laoliu lying on the ground, not breathing at all.

Several people felt a thump in their hearts and secretly screamed something bad.

"No! I'm being followed. Hurry, go back and see the mother body of the Son of Evil!" One of them yelled, turned around and rushed back, and several others followed suit.

When Asan saw his master's body, he rushed over and knelt on the ground, staring blankly.

"Master, I've told you a long time ago not to sacrifice your life for those people, why don't you listen? Now you're fine, you've even lost your own life, right?"

He sighed, took out a dagger, pointed it at his heart, and stabbed it in hard.

Chapter 3269 Everyone was taken away?

Since the master of the family is dead, what's the point of living as a slave like him? Let him accompany the master of the family, and the master and servant will support each other below.

"He is a loyal subordinate."

Looking at Ah San who committed suicide, Sui Zimo couldn't help but say something.

"He doesn't want to die, but Ding Laoliu has poisoned him. If he doesn't die now, he will die more ugly later." Lin Caisang said.

There will be loyal subordinates these days, but they will not appear next to people like Ding Laoliu.

As for Ah San, a subordinate, if he had not been poisoned by Ding Laoliu and completely lost his freedom, how could he have listened to Ding Laoliu so much, and in the end he was willing to be buried with Ding Laoliu.

Because he knew that even without Ding Laoliu, he would still have to die, so he might as well die now.

"Ignore them for now. After those poisonous corpses are dealt with, we will go back."

She said to Sui Zimo.

Next, they still have a lot of things to do. The poisonous corpse and the mother body of the evil son are gone. Zui Yifeng will not give up and will definitely want to make some noise.

As for them, after dealing with this matter, they had to rush to Zi Yan Country.

The things over there must be dealt with quickly, and we can't let those things really appear on Qianhuan Continent.

...

When Zui Yifeng and others came to another crossroads and saw the empty room, they were so angry that they almost fainted.

Then, they thought of the poisonous corpse outside and hurried back.

When they went out, they only saw a pile of ashes burned by the fire. There were no poisonous corpses anywhere. There were only two corpses, Ding Laoliu and Ah San.

"Damn it!" the subordinate cursed.

He really wanted to capture those people and kill them directly, but he didn't have the ability.

"Go back and report to the master."

It was impossible not to report something so big to the master. He would probably be furious if he knew about it. Those people were really going too far.

It's okay to take away the mother bodies of the children of evil spirits in Lu Tianfeng's place. They have also taken away these ones here. What on earth do they want to do? There are so many mother bodies of children of evil spirits. Who else can have this except their master? What about ability control?

When Zui Yifeng heard the news, he almost fainted from anger.

"Everyone was taken away?"

He narrowed his eyes dangerously and looked at his subordinates.

"Yes, Master."

The subordinates were stared at by his gloomy eyes, and their scalps were numb, but they had no choice but to reply.

"Master, my subordinates felt that Ding Laoliu had been followed by Lin Caisang and Sui Zimo for a long time. That's why he was so quick. Ding Laoliu just went back, and they followed him to remove the mother body and the poisonous corpse of the son of the evil devil. Got it away."

He blamed everything on the dead Ding Laoliu.

In fact, these days, Ding Laoliu has caused a lot of troubles in Sky City, and they are also quite big. It is impossible not to attract others' attention.

"Damn it, that idiot!"

Zui Yifeng also believed his subordinate's words and felt that it was all Ding Laoliu's fault.

"It's really too easy for him to die like this. I'm going to cut him into pieces!" He said bitterly.

He was even stupider than Lu Tianfeng when he was asked to do such a small thing. He deserved to die. It was just a pity that the mother bodies and poisonous corpses of his evil sons were given away by Lin Caisang and the others. Got it away.

Chapter 3270 Their lives should not be kept!

"Where are the people now?"

"people?"

The subordinates were stunned by his question.

Didn't I already say that Ding Laoliu is dead?

"Where are Lin Caisang and Suizi Moren?" Zui Yifeng asked again.

This time, they absolutely couldn't keep Lin Caisang, and even Sui Zimo didn't want to keep him if this continued.

"Back to the master, my subordinates have sent people to Lin's house. They will probably be back soon," the subordinate said.

Hearing this, Zui Yifeng took a deep breath.

He now wished that Lin Caisang was standing in front of him so that he could beat the person to death with one palm.

It's a pity that no one is here, so he can only sulk here, thinking about how to deal with Lin Caisang, but these two people are really too difficult to deal with.

Sure enough, soon the subordinate who was sent to the Lin family to inquire about the news came back.

But the news he brought back was that Sui Zimo and Lin Caisang left again soon after returning to the Lin family.

"left?"

Zui Yifeng frowned, wondering where the two people were going after they left.

Could it be that he was rushing to the City Lord's Mansion to report the good news that he had obtained the mother body of the Devil's Son, so that everyone would recognize Sui Zimo as the young City Lord?

This shouldn't be possible.

Sui Zimo was very concerned about Lin Caisang. She probably hadn't finished confinement yet. How could Sui Zimo take her with him, unless they were going somewhere else.

But what could be more important than letting Lin Caisang have a good confinement period?

"Which direction did they go?" he asked immediately.

"Return to the master, they are heading north, riding a flying monster." The subordinate replied.

"What?!"

Hearing that Sui Zimo and the others were heading north and riding a flying monster, Zui Yifeng stood up with a scream.

He raised his hand and knocked out the subordinate with one palm.

"If you didn't say something so important earlier, you're a waste!"

Isn't the direction to the north the direction to Zi Yan Country? Could it be that Sui Zimo and the others discovered his relationship with the Zui family, found out that he was in the Zui family, and had some secrets?

"Those two bitches, if I had known I should have spared their lives!"

That Sui Zimo was born to defeat him. If he had known that he shouldn't have coveted Sui Zimo's talent and directly killed people, there wouldn't have been so many things.

"Gather everyone immediately and follow me to the Zi Yan Kingdom!"

The mother bodies of the demon children in the Zui family are already the last ones he has. If they are all taken away by Lin Caisang and Sui Zimo, then he will really have nothing.

"Yes, Master."

The subordinates responded, turned around and went out to prepare.

Soon, the group of people met at the gate of Sky City and hurried out of the city, heading north.

"Leader, they are heading north."

While Zui Yifeng and the others left, Lin Baizhong also received a report from the guards.

"How many people did he bring?" Lin Baizhong asked.

"Not many, but they all look like elites," the guard replied.

"Even if the elites have been taken away, please go down and gather all the guards. I, the commander, can just capture all the people Zui Yifeng left in Sky City, and also call the elders in the city lord's palace."

he said.

Even though those people were of no use and would only cause chaos, he also let them watch. If he wanted to cooperate with people like Zui Yifeng, the end would definitely be miserable.
