

## Star of Space 449

Chapter 449 Thank you for your hard work

"This is all because my father was quick to talk and let it slip outside. In addition, several people in the alley saw that the scars on my face were indeed getting better, so they spread your reputation.

No, those people are all people at home who have some kind of scar on their body and come to seek medical treatment. They have been waiting at the door for five or six days, hoping that you will come over so that they can take you to their home. Treating their master's injuries. "

Lin Caisang: "..."

It turns out that her reputation is spread like this. She has really learned a lot.

"I have only heard of people pretending to be talented people and asking people to do fake things to make money. Aren't those people afraid that they are fake and being deceived?" She said quietly.

She has only been in Jian'an City for a few days.

"this....."

Zeng Yulang was hesitant to speak and looked at Lin Caisang.

"If you have anything to say, just say it."

Lin Caisang hates seeing others like this the most. If she has anything to say, she will say it boldly. Holding it in like this will not only stifle herself, but also overwhelm her aroused curiosity, okay?

"My father accidentally spread the news that you were going to treat the eldest princess." Zeng Yulang lowered his voice and whispered.

"What?"

Lin Caisang's eyes widened instantly.

Is this old man Zeng too excited to see his son being cured? Don't you even know what to say and what not to say?

"No...no.

Seeing her so shocked, Zeng Yulang thought she was angry and quickly wanted to explain.

"Miss Lin, please listen to my explanation. In fact, I asked my father, and he assured me that he did not tell me about you treating the eldest princess, but... I don't know what happened, that matter Even if everyone knows it and I didn't say it, then my father's side is the only one left..."

He didn't understand what was going on. In short, the fact that Lin Caisang treated the eldest princess and that the eldest princess was able to go to the ground was already widely spread in Jian'an City.

Therefore, if he was just cured, those people would naturally not believe it, but there was an eldest princess here.

Is it true that Lin Caisang cured the eldest princess's illness? Many people could not cure the eldest princess. Those who uncovered the imperial list were expelled from Jian'an City one after another, but Lin Caisang succeeded.

With such a reputation, those people must not come here because of it.

Hearing this, Lin Caisang already understood.

I'm afraid it wasn't the Zeng family who came out to talk about this, but some people who wanted to let people in Jian'an City know about her existence as a girl, right?

Do you wish that when she was treating people, she accidentally killed them, so that you could get rid of her?

"They are willing to bully others, but I don't see them waiting outside the eldest princess's mansion."

"Well."

When Zeng Yulang heard her words, the corner of his mouth suddenly twitched.

"Ms. Langzhong, actually... there are people waiting outside the eldest princess's mansion, but my family is a commoner, so they openly waited directly in front of my house, and no one said anything. But it is different at the eldest princess's mansion. They didn't dare to be so blatant, so they could only send people to keep an eye on it secretly."

Lin Caisang: "!!!"

These people are really brave. Aren't they afraid that the emperor will accidentally find out and just chop off their heads and play them as footballs?

The eldest princess is the emperor's most beloved sister. Who dares to follow her at the door?

"Thank you for your hard work." She said to Zeng Yulang.
