

Star of Space 479

Chapter 479 I can't beat you

After a while, Lin Caisang looked at the carriage that she had put into the Golden Pearl Space with black lines on her head, but the horse...

It has not been taken in at all and is still in Jian'an City.

She breathed a sigh of relief. She had no idea what the situation was like. How could it be so normal that she couldn't even take a horse in? When Ya Mo Lian was in a coma, didn't she also take him in?

"Brother Mo Lian, you can rest in the inn first, I'll go do some errands."

After bringing Ya Molian to the inn in Qianlin County, Lin Caisang hurriedly returned to the Jinzhu Space.

"Brother Yujing, what's going on?"

'Look at the Golden Pearl Order.'

Yu Jing replied directly to her with four words.

Lin Caisang: "..."

Helpless, she could only dig out the Golden Pearl Order again and read it carefully.

The next moment, she drew countless black lines on her forehead and looked at the words on the Jinzhu Order, "But it turns out that there is a limit to how many outsiders can be brought in to this Jinzhu Space? Now it's only level one, and you can only bring one person in."

And in this golden bead space, people and animals are the same. Even if an ant is taken in by her, they are called one.

"This isn't right, Brother Yujing, there was no such thing in the Golden Pearl Order before." She looked at Yujing and asked.

She knew the importance of the Jin Zhu Ling very well, so she didn't need to read other jade books, but she read the Jin Zhu Ling from beginning to end, and she couldn't read it more carefully. Where was this before? It was clearly not written in it!

'As time goes by, the rules of the Golden Pearl Order will slowly appear, and some rules will only appear when the owner of the contract touches the bottom line of the Golden Pearl Space. A few lines of words appeared on the jade mirror.

Lin Caisang: "!!!"

When she tried to take in the horse just now, did she touch the bottom line of Jinzhu Space?

"Then... OK, you guys are awesome. I admit that I can't beat you. Isn't that enough?"

What could she do to act according to the rules written in the Golden Pearl Order, but she really felt that it would be a pity to abandon the horse like this.

"Then tell me, what should I do to bring that horse into the Golden Pearl Space?" she asked Yu Jing.

'upgrade. '

Two big characters appeared on the jade mirror.

"Have you got enough points? Can you upgrade?"

Lin Caisang was stunned for a moment and then asked.

So fast? She thought it would take several days for the points to arrive, but she didn't expect it to be so fast.

"Then I want to upgrade, upgrade now."

'Yes, Contractor.'

After a while, Lin Caisang waited like this, but felt nothing. Could it be that upgrading the Golden Pearl Space wouldn't shake the ground or something?

"Is there any upgrade? Then... wow, that's the ranch?"

Just when she was about to ask, she raised her eyes and saw a mountain peak appearing in the mid-air not far away. The top of the mountain was hidden in the thick fog. The looming feeling really amazed her.

However, Yu Jing replied directly to her.

'no.'

"no?"

Lin Caisang's head was full of black lines again and he couldn't understand it.

"Hasn't it been upgraded to Level 2? What is that if it's not a ranch? Could it be an accelerated version of Yaoshan?"

'Congratulations, Master, you got the answer right. That is the accelerated version of the Medicine Mountain. The ground you are stepping on now is one day compared to the outside world, and the medicine mountain is one day compared to a hundred days.'

Jade Mirror said.

Lin Caisang: "!!!"

She looked at the mountain of medicine again, and it turned out to be just a mountain of medicine.
