

Star of Space 514

Chapter 514 Sure enough, it's a female university who is not allowed to stay in the university

"I just want to be literate. I just need to be as literate as Brother Changhong." Lin Chushui thought for a while and said with firm eyes.

He didn't think about taking the exam for fame or anything, he just thought that he might be able to help Lin Caisang in the future. What could he do if he didn't know a word, so he had to know the words.

"Well."

Lin Caisang didn't force him to do anything and nodded.

...

Lin Chushui left with satisfaction, and went down the mountain to get eggs from the kitchen. He also wanted to tell his third uncle Lin Baiyi to take Ya Guman to Menghuang Mountain to find Lin Caisang to heal the injury on his hand.

"Dad, have you gone to see Sister Sangsang?"

In the Lin family, Lin Caiqing caught her biological father and asked him again.

Lin Baiyi, who was sharpening a bamboo jar with a knife in his hand, almost hurt his hand with the knife in his hand. He looked up and glanced at his daughter who was squatting next to him, with two rabbit eyes looking longingly at his daughter.

I sighed in my heart: It turns out that women are not allowed to stay in college.

This daughter hasn't even grown up yet, but her heart is turned toward the outside world. For the sake of Yaguman, she asks and questions in front of her biological father every day.

"Dad, did you hear it? Let me ask you something. Have you told Sister Sangsang about Brother Guman? You see it's almost the autumn harvest. Brother Guman needs to be treated faster."

When Lin Caiqing saw that her father didn't answer, she thought he didn't hear clearly, so she asked again.

"Qing Yatou, you have also seen how busy your sister Sangsang is. How can she have the time now? She has the nerve to treat Gu Man. Are you too embarrassed to tell her this?"

Lin Baiyi asked his daughter earnestly.

"How about you ask your sister Sangsang?"

"Well."

Lin Caiqing was choked by a few words from her biological father, what could she say?

"What should we do?"

"Qing'er, Sister Sang Sang told Third Uncle to take Brother Gu Man to Menghuang Mountain when he has time, and she will show Brother Gu Man."

Just as the little girl was frowning, Lin Chushui's voice came from outside the yard. When she heard it, she was immediately happy.

"real?"

Leaving her father behind, she ran to Lin Chushui and asked.

"of course it's true."

Lin Chushui smiled and said.

"Third uncle, when you have time, take Brother Gu Man to Menghuang Mountain. It's secluded there and no one will see you treating Brother Gu Man's injuries."

"Okay, Chu Shui, thank you. Look, Third Uncle is too embarrassed to tell you, Sister Sangsang." Lin Baiyi responded with a smile.

Every time he went to Menghuang Mountain, he would see Lin Caisang busy without touching the floor, or locked up in the pharmacy for the whole day.

"What's there to be thankful for? We're all one family."

Lin Chushui scratched his scalp sheepishly and smiled shyly.

"I also saw you and Brother Changfeng worrying there, thinking that Sister Sangsang couldn't finish what she was doing. It would be better to show Brother Guman first without wasting much time."

"Dad, I'll go talk to Brother Guman now."

"After hearing Lin Chushui's words, Lin Caiqing wanted to rush out to find Ya Guman, but was stopped by Lin Laogeng who had just pushed a wheelchair out of the room."

"Qing girl, what are you doing? Come back!"

Lin Caiqing immediately stopped and walked back, looking at his grandfather.

"Grandpa, I'm going to inform Brother Guman."

"What are you going to do? Little girl, you're rushing to the groom's house before you get engaged. How can others see you?" Lin Laogong said with a tigerish face, glaring at her.

"this....."
