

Star of Space 541

Chapter 541 It's making trouble

Finally, after much persuasion, Lin Caisang bought Zeng's shop with three thousand taels of silver, and the two father and son accompanied her to visit it.

"Uncle Zeng, I have taken advantage of you. Your shop is big enough." Lin Caisang looked helplessly at the old man Zeng, looking at the shop that was twice as big as the shop next to it.

For such a shop, if old man Zeng sold it to someone else, five thousand taels of silver would definitely be a piece of cake, right?

"Don't think this shop is big, but it actually doesn't make much money." Old man Zeng said.

It's absolutely impossible to say how much money he can make by opening a grocery store like this. There are so many grocery stores, and everyone goes to the cheaper places, and he can only follow everyone's trends in terms of prices. Down again and again.

In the end, you really can only earn some money to eat.

Otherwise, he wouldn't let his son go to the academy and just buy more books to read at home? Isn't it just that after paying the money, you can read the books in the academy as you like?

"Miss Lin, look here. Whatever you want to change, leave it to me and Yulang." He asked.

"Let's talk about it after we go back first."

Lin Caisang glanced at the grocery store again, and then followed Old Man Zeng and Zeng Yulang back.

...

In the ranch space, Lin Caisang was writing something very seriously, accompanied by pictures that could be understood at a glance. She had tried her best to make it easy for the Zeng family and his son to understand it at a glance.

After all, she couldn't run to Jian'an City every day, there were only seven days left.

In the past few days, while occasionally visiting Jin Anan in Zhifu, she followed the Zeng family to renovate the grocery store and the spice shop, both of which were ready to be handed over to Old Man Zeng.

She also told Old Man Zeng that Zeng Yulang should concentrate on his studies and not let his own affairs go to waste just because he followed her.

On this day, Lin Caisang arrived at the door of Zeng's house at the normal time, but saw many people surrounding the door of Zeng's house. They all poked their heads in and looked in. In the yard, there was a sharp woman's voice. the sound of.

"This big step, what happened to the Zeng family?"

She walked over quickly and asked an uncle who stuck his head in and looked in, but couldn't see anything.

"Hey, it's Miss Lin. You're here, Old Man Zeng's house is making a fuss." When the uncle saw her, his eyes lit up and he hurriedly said.

"What's the trouble? Who's making the trouble?" Lin Caisang asked.

"Isn't it that girl from the Yan family? She's so shameless." The uncle shook his head.

"Didn't Old Man Zeng sell his shop a few days ago? Yan Jinhua didn't know where he got the news, saying that Old Man Zeng's shop was sold for a big price, and it was sold to you. He will also sell it to you in the future. I'm responsible for managing that shop, so I don't even have to move the land..."

Lin Caisang didn't understand after listening to his uncle's words.

So what if she bought the shop and let Old Man Zeng manage it? What does it have to do with the Yan family and Yan Jinhua? The marriage was cancelled, and she still had the nerve to make a fuss. Who gave her the courage?

"Then what?" she asked.

"Then the Marquis of the Marquis Mansion heard about it and directly warned his young master. The young master has always been a bully and afraid of the strong. When he saw old man Zeng and Yulang following a big shot like you, he turned around and Yan Jinhua was dumped.

No, Yan Jinhua was so angry that she was leading people to make trouble at Zeng's house and wanted Zeng Yulang to give her an explanation. "
