

Star of Space 547

Chapter 547 It's not just a rumor

"Mrs. Yan, I only have so little possessions, and I don't want to be eaten away by those moths. With your Yan family, I'm afraid I won't even know how I died in the end, right?"

Hearing this, Grandma Yan took a deep breath and glared at Lin Caisang coldly.

"Okay, Miss Lin, then let's... the green mountains will not change, and the green water will always flow!"

"hehe."

Lin Caisang chuckled.

"Mrs. Yan, please be careful what you say, otherwise if my hand shakes in fear from you, I will throw out some poison at some point. By then, I'm afraid that Mrs. Yan won't be able to get out. This is the courtyard gate.

After hearing her words, Mrs. Yan's expression froze, and she soon let go.

"Why is Miss Lin talking like this? I didn't say anything inappropriate, right?" she asked with a sneer.

Green mountains will never change and green waters will always flow. It's not a bad thing to say. Many people have said it, and they all said it in a good way. She didn't feel that she said anything wrong.

"Why didn't you say anything?"

Lin Caisang glared.

"I am young, and I have a lot of youth to waste. It is true that I am a green mountain, but what about you, old lady, you are very old, and half of your body has been buried in the loess, right? Now you still

say that you are green water, you You are so thick-skinned, don't you? Why don't you go and ask random people on the street to see if anyone thinks you are a traitor?"

Grandma Yan: "..."

I saw the veins on her forehead exposed, panting heavily, staring at Lin Caisang, almost wanting to tear a piece of flesh from her body.

"Let's go!"

If you talk to this little girl, she will really be pissed off. If you can't offend her, why can't you hide from her?

"Yan Jinhua, what are you doing standing there? Why don't you leave quickly!"

"oh oh."

When Yan Jinhua heard her grandmother's voice, she swallowed nervously and hurried to her side.

"You unfilial thing, this is all your fault!"

Grandma Yan had eaten turtles at Zeng Yulang, Old Man Zeng and Lin Caisang. She was so angry that she held Yan Jinhua with one hand and twisted her arm hard with the other hand.

Yan Jinhua shouted that it hurt and wanted to hide, but Grandma Yan was holding her wrist, and Grandma Yan was watching beside her. She couldn't hide, and the pain made her cry.

The grandfather and grandson left Zeng's house, one cursing and the other crying.

After a while, Old Man Zeng closed the courtyard door and came back, "Miss Lin, I don't know who spread the news. Anyway, not many people in Jian'an City spread the news about Yulang and I doing things for you." I no longer know."

"Just pass it on, it's not just spreading it blindly."

Lin Caisang had no reaction and just shrugged.

Before, she just saved Zeng Yulang, and the news spread so much that the Zeng family was so crowded with people seeking medical treatment that the Zeng family and his son could not go out. Now that she has taken the Zeng family and his son under her wing, she doesn't feel strange at all when word spreads.

"Uncle Zeng, how is the renovation of the shop going?" she asked.

"This... it's not that fast. The main reason is that there is a lot of carpentry work. I'm afraid it will take another half a month." Old man Zeng replied.

Hearing this, Lin Caisang turned her head and thought for a moment. She definitely couldn't wait for half a month. In two days it would be her last follow-up visit to the eldest princess.

And it was impossible for her to live in Jian'an City for just a few days at a time. Grandma couldn't explain it.
