Chapter 604 Looking towards the courtyard of Black Knee Knee

"What I want to say is that you are already a member of my Liu family. As long as you can withstand the pressure and don't listen to the gossip outside, this military service will have nothing to do with you.

Lin Caisang said to him.

What could Liu Baixiao do? Even if he wanted to make money for Lin Chushui to bear the name, he had to ask for Lin Chushui's own consent. After all, Lin Chushui was now remembered as the name of his grandpa and grandma, that is, the son of his father's eldest son. It really has nothing to do with Liu Baixiao's family.

However, Liu Baixiao was not stupid. When the time came, he would definitely be able to think of using the mouths of those slanderous women in the village to force Lin Chushui to submit.

"You don't need to listen to other people's gossip all your life. When the conscription order is over, you can resume your normal life." She added.

"Ah."

Hearing her words, Lin Chushui smiled.

"Sister Sangsang, to tell you the truth, I may not be able to do anything else, but this job of pretending to be stupid really doesn't trouble me. Otherwise, I wouldn't be alive in the Liu family all these years. "

Didn't he hear enough gossip at Liujia? I'm afraid there are many more people than this Ya Village. Shouldn't we just live our lives day by day as usual?

"That's good."

In this way, Lin Caisang was relieved.

"I was worried you wouldn't be able to handle it."

"No, Sister Sang Sang, don't underestimate me, I'm very powerful." Lin Chushui shook his head.

"Okay, you are very powerful." Lin Caisang smiled.

"If something happens then, I can send you to Ye County to stay for a few days. Don't push yourself too hard."

Thinking that Lin Chushui was still a child after all, she didn't want him to be too premature, he should always look like a child.

"Um."

Lin Chushui responded.

"It's getting late, let's go eat." Lin Caisang stood up and patted his shoulder to signal him to go eat.

Next, it was Liu Yushui's matter. She really wanted to know how Liu Yushui was able to cause her to get pregnant.

She was more than six months pregnant. If she didn't make some big moves, how could Liu Rumei come to the Lin family to make trouble for her? It seemed that the commotion was really quite big.

"Brother Mo Lian..."

She looked towards the courtyard of Hei Knee Knee, and the next moment, Ya Mo Lian walked out of the main room.

...

Liu family, Liu Baixiao is still lying in bed these days.

Although Ya Molian had not done anything to Liu Baixiao for a long time, he seemed to feel quite comfortable after lying on the bed for so many days. With Liu Rumei as his daughter-in-law, she waited on him like an old mother, and she made it a habit to serve him. .

Liu Rumei just feeds him food, wipes his body every day, and feces and urinates for him. She can still torment Liu Rumei with all her strength. It's really a comfortable life like this.

"ah!"

After wiping Liu Baixiao's body, he was about to pick up the basin and leave the room, but Liu Baixiao raised his hand and twisted his arm awkwardly.

"Bai...Master, you, why are you pinching me?" Liu Rumei shrank her neck and looked at Liu Baixiao in fear. Because her two front teeth were knocked out, her words were leaky.

She can do whatever she wants outside, but when she comes home, she can only live cautiously in front of Liu Baixiao, because if Liu Baixiao is unhappy, he will really beat her to death!

"You bitch, have you done anything after eating? Why did you go to Lin's house?" Liu Baixiao glared at her and cursed at her.
