

Star of Space 607

Chapter 607 It's just that little thing

However, as soon as I lay down, I felt my eyelids felt heavy, and after a while, I fell asleep with the nest in my hand.

"Are you going to hurt her belly?"

Seeing Lin Caisang take action, Ya Molian asked aloud.

Lin Caisang: "!!!"

No matter how vicious she is, she wouldn't do anything to an innocent child, right? Besides, is she the vicious person?

"What are you thinking about? I just want to check her pulse."

With that said, she walked towards Liu Yushui, took her wrist and started to feel her pulse. After only a moment, she put her hand back to its original position and sneered.

"How?" Ya Molian asked.

"You will not be able to live for what you have done. If this child continues like this, he will definitely not be able to survive." Lin Caisang said with certainty.

"Um?"

Naturally, Yamolian didn't understand medical science.

"She is at home every day, how can she still protect her child?"

Although he also wanted to throw Liu Yushui directly into the river and drown him, but the new life was innocent after all, and they could not ignore the life of a child just because they had an eye for adults.

Sonny was right after all.

"She is not at home every day." Lin Caisang shook his head.

"According to my estimation, Liu Yushui should be with Zhou Liang every day these days. What young men and women can do together is nothing more than that. I just feel sorry for this child and have to deal with such a pair of parents who don't care about his life or death. . Wingdings:

Yamollian: "..."

Why do young men and women have to do that kind of thing? Didn't he and her discuss serious matters together?

"nonsense."

He raised his hand and tapped the tip of her nose.

"Don't worry about other people's affairs. Even if she is looking for death, let her find her own death. Let's go back."

"etc."

After all, Lin Caisang couldn't bear to have a child ruined like this.

He took out a porcelain bottle from his small bag, opened the lid and poured out a pill, stuffed it into Liu Yushui's mouth, then lifted her chin and swallowed the pill down her throat.

"Good intentions." Ya Molian said three words lightly.

Lin Caisang: "!!!"

How could she be so kind? She just wanted to save a child.

"This is not a pregnancy-preserving pill, but a child-protecting pill. I don't care what happens to Liu Yushui, this child is always innocent."

Since Liu Yushui and Zhou Liang did it themselves, let them pay for their actions. She was only responsible for protecting the child and could not control anything else.

"Let's go."

...

Early the next morning, Liu Yushui felt that her stomach miraculously no longer hurt, but at the same time she found that her body seemed heavier. She felt as if she had never slept at all. She was very sleepy and exhausted. .

Taking a deep breath, although she was tired, she still struggled to sit up, put on her clothes and got ready to go out.

"What are you going to do again?"

After a while, Liu Rumei saw her daughter preparing to go out again, pulled her aside and asked her in a low voice.

"Zhou Liang is waiting for me in Xiaozhulin. If he can't wait for me, he will be angry." Liu Yushui said.

What she didn't say was that if she really didn't go, Zhou Liang wouldn't be angry, but he would find a woman in the county to embarrass her. Instead of letting him find a woman outside, she had survived the past few days and simply gave up. .

"you--"

Liu Rumei was furious after hearing what she said.

"Yushui, why don't you understand? If your child is gone, there will really be no hope in the future. Do you know?"
