Chapter 621 The fate of Tiansha Lone Star

"Of course I have no objection, but Sangsang, do you know that Mo Lian's child is the fate of the evil star? If he is with you, he will drag down your destiny. Even if you don't have any ideas, , but what about your family, can you just watch your grandpa being harmed by Ya Molian's evil spirit? "

He only found out about this when he overheard someone whispering at Ya Molian's house, and now he was using it to scare Lin Caisang.

"Chief Ya, you——"

When Lu Qiubo heard what he said, he was so angry that he wanted to go forward and argue with him, but was stopped by Lin Caisang.

"Sang Sang, he is too..."

"Grandma, let me come.

Lin Caisang shook his head towards Lu Qiubo and said softly.

Then, she turned around again and looked at the proud face of Chief Ya.

"Chief Ya, we don't know whether what you said is true or not? Moreover, even if Brother Mo Lian is really the fate of Tiansha Lone Star, I am destined to be rich and noble. The stars are facing each other, let's just bump up the evil spirits and blessings and make them even, isn't it?"

"Aren't you afraid of your grandpa and the others..."

Chief Ya's eyes were sharp and he glanced at Lin Laogong and the others.

"Old bastard, look at your granddaughter, even your own grandfather is willing to sacrifice herself for a man. This granddaughter is raised in vain."

He said to Lin Laogong like he was sighing.

Lin Laogong: "..."

Today he finally saw how shameless Ya Clan Leader can be. In the past, he thought that Ya Clan Leader was still a good person even if he was a bit fussy.

What a mistake.

"Chief Ya, you don't have to worry about our family. Even if that boy Mo Lian is really the fate of the evil star, it is because our family Sang Sang married him, and he is not the son-in-law recruited by our family Sang Sang. It will also affect Not to our house.

It's you. What did your granddaughter say before that she wanted Ya Molian to be your son-in-law? Did she say this because of you? Tsk tsk, our Sangsang is young, so it's okay to be ignorant. Chief Ya, you are a lot older, why are you still so ignorant, doing these things that harm your descendants, ah? "

Chief Ya: "!!!"

Did he come to the Lin family today to bring trouble on him?

"You... OK!"

What else can he say? If you can't fight, just leave. Then go directly to Ya Mo Lian and ask him whether he will marry his granddaughter. As for the Lin family, as long as Ya Mo Lian is still his grandson's son-in-law, the Lin family can do whatever they like.

"Yuju, let's go!"

Pulling Ya Yuju, he was ready to leave.

"I won't leave, Grandpa, you asked me to kill Lin Caisang, I'm going to kill her for being such a vixen!" Ya Yuju was unwilling to leave. She tried hard to break free from the shackles of the Ya clan leader and go forward to kill her. Lin Caimulberry.

"That's enough, stop making trouble!"

The leader of the Ya tribe pulled hard, pulling Ya Yuju staggering and almost falling, and dragged her out. But just when he turned around, when he saw the person outside the yard, his feet stopped, and his whole body Everyone was stunned.

"Mo...Mo Lian, why are you here? When did you come?"

He felt guilty. He had previously said that Ya Molian was the destiny of the Lone Star of Heavenly Evil, but he overheard that.

"Just when Chief Ya said that I was destined to be the lone star of the Heavenly Evil One." Ya Molian said coldly.

"this....."

Chief Ya's face stiffened and he looked at Ya Molian extremely uncomfortably.
