

Star of Space 626

Chapter 626 There must be something going on

"you....."

Chief Ya was really angry. He stared at Chief Lin, and it took him a long time to find his words.

"Hmph, Ya Enxi, you don't have a clan seal, so you can just stay in this village for the rest of your life!"

"What is the clan seal?"

Lin Caisang blinked and felt like he heard a new word again.

What is a family seal and what is its use?

She has traveled a lot with him and has never heard of the clan seal. What does it do?

"Family seals are usually not used. Your identity document will have your family recorded on it. Generally, people who do not have a family will be more troublesome when they go out to check their identity at the government office. .

Ya Molian explained.

"However, these can be done with a little money from the government, so it won't be a hassle."

Lin Caisang: "..."

It doesn't mean it's in vain. These days, don't you just need a little money to do anything?

"Oh, I thought you wanted to create a family tree without a family tree. It turns out it's that simple." She shrugged.

"Lin Caisang!"

After hearing her words, Chief Ya was so angry that his mouth was filled with smoke.

Create a family tree, does she think the family is a carrot? As much as you want?

"Hey, Chief Ya, what do you want from me?"

Lin Caisang responded loudly, looked at Chief Ya playfully, and asked.

"What's wrong, does Chief Ya think I'm wrong? That's right. Wouldn't it be better to create one if you don't have a family tree? This must be such an awesome thing. When we talk about it in front of our descendants in the future, of course you Grandpa, you see, how proud he is, isn't he?"

Chief Ya: "!!!"

This Lin Caisang was truly the most talkative person he had ever seen.

"Hmph, you... you... let's go." He walked up and pulled Ya Yuju away.

As for harsh words, even with Ya Mo Lian here, he didn't dare to let go, so he could only leave in despair. The few young men who were originally brought by the Ya clan leader, you look at me, I look at you, in the end they can only Look at Yamolian.

But Ya Mo Lian didn't even look at them, completely treating them as if they didn't exist.

"It's okay, let's go back."

Ya Enxi waved his hands towards them.

"Brother Mo Lian, it's okay. I'll go back. Beidou is still waiting for me at home."

Ya Molian nodded towards him before looking at Patriarch Lin.

"Clan Leader Lin, Son'er is troubling you. There must be trouble with Chief Ya and the Ya clan."

"Don't worry, we won't let them make a big fuss."

Patriarch Lin gave him a reassuring look, said a few words to Lin Laogan and his wife, and then left with them.

"Sister, how are you?"

When Lin Changhong saw that everyone was gone, he walked to his sister and asked.

"It's much better now." Lin Caisang said.

"Help you go to rest." Ya Molian said to her.

After all, because the courtyard was full of people from the Lin family, he didn't dare to pick her up and walk directly to the room. Instead, he took her to the main room and asked her to sit down.

"Grandpa Lao Ge, Grandma Qiubo, I didn't handle this matter well today and caused you trouble."

"It's not your fault."

Lu Qiubo waved his hand, not blaming Ya Molian at all.

Ya Yuju was obviously too shameless, and Xiao Xiang shouldn't have thought of it. She even came to someone else's house to drink. This was the first time she had seen such a shameless girl.
