Chapter 642: Cooking with him

Chief Ya didn't expect that he would make this incident known to the entire Ya Village after just a small threat to Ya Tu.

By the time he knew about this, it was already the afternoon of the next day. It was of course impossible for him to go to Yatu's house to curse people now. That would only make Yatu more proud and make everyone feel that Yatu's words It's just true.

And if you want to expel the Yatu family from the Ya family tree... that is even more impossible. Expelling the family tree is a big deal, and it is not something that he, the patriarch, can have the final say on his own.

But he was so angry that he had to find a place to vent, right?

Coincidentally, at this time, I heard that the marriage between Ya Molian and Lin Caisang was settled. Ya Molian was going to the town to invite a matchmaker. She chose a good day to hold a banquet at home and invited many elders of the Ya family to come over. He was not invited.

He was about to spit out blood, but at this moment, Ya Yuju heard the news and clamored to go to Lin Caisang to settle the score.

Chief Ya couldn't hold it back and slapped his granddaughter, who had been hurt to his bones since childhood, to the ground.

"You're all worthless. Even if you can't coax a man, you only know how to yell. If you keep yelling, keep yelling, I'll marry you to that ravine and make him a wife!"

"grandfather....."

Ya Yuju had never been hurt by her grandfather since she was a child, let alone lifted a finger. With tears in her eyes, she covered her face pitifully and looked at Chief Ya.

"How did I know that vixen Lin Caisang was so capable? Besides, you asked me to go to my grandma's house. Before I went, Lin Caisang was just a fat pig. How did I know that everything had changed after I came back."

She still wanted to curse. If she hadn't gone to her grandma's house, how could such a thing have happened?

She will definitely keep a close eye on Ya Molian so that Lin Caisang won't even have the slightest chance. But now, the two of them are getting engaged, what can she do?

Grandpa refuses to help her, so she will go to Lin Caisang to settle the score herself. Isn't this okay? I'm going to be beaten by grandpa!

"you....."

After hearing what she said, Chief Ya was also angry and regretful.

If I had known earlier, I would have sent the grandson to his grandma's house and asked the granddaughter to stay, so that there would be room to turn things around in a hurry.

He also regretted his mistake, thinking that Ya Molian was just playing with Lin Caisang, because he wanted to gain some wealth and aura from Lin Caisang's fortune star.

How did he know that Yamo Lian really fell in love with Lin Caisang? They had all seen Lin Caisang before when he was so fat that he would pant even when walking. Even a man would not like her.

What's more, Ya Molian has lived next door to the Lin family for five years, so she should have been deeply impressed by Lin Caisang's appearance.

"Hey, it's too late to say anything now!"

He sighed heavily and said.

"It's not too late, Grandpa, it's not too late at all, as long as they haven't gotten engaged yet." Ya Yuju got up from the ground and came to the side of Chief Ya.

"Even if we are engaged, will Zhou Liang and Lin Caisang's marriage be ruined at the first sign of ruin? Grandpa, as long as I become Brother Mo Lian's man and we are cooked with him, then he will definitely not abandon me. Lin Caisang, married to me."

she suggested.

"this....."

After hearing what his granddaughter said, Chief Ya lowered his head and thought for a moment.

This is definitely wrong. Ya Mo Lian is not a person who will be forced to submit. Even if he really wants to do it, he has to do it secretly. Maybe he can really drug Ya Mo Lian, and then he will do it without anyone noticing. Let him and his granddaughter lie on the same bed.
