

Star of Space 647

Chapter 647 What to do?

"Who are you?"

When Ya's father saw that the situation was not good, he quickly put down what he was holding and rushed over, and Ya Yulan followed closely.

However, they are a farmer and a scholar, how can they be the opponents of these people? He was dragged directly into the main room by several people, along with Ya Mu who came out of the room.

...

After a while, the five members of the Ya family were all brought into the main room, and the leader of the Ya family went even worse. He was directly pushed to his knees on the ground. Opposite him was the banished Jue who looked down upon him.

"Weren't you quite capable before? What's wrong? Now your legs are weak, your mouth is soft, and you can't say anything anymore?"

Patriarch Ya didn't dare to take a breath, and secretly glanced at Ban Jue. Even his lips were trembling, and he huddled on the ground.

Ya Yuju, on the other hand, was being held captive with a piece of black cloth stuffed in her mouth. At this moment, she was so scared that she almost fainted from fright. It made no difference whether the black cloth stuffed her mouth or not, because now She didn't even dare to cry anymore.

"Who are you and why did you break into my house?"

Among the Ya family, Ya Yulan was the only one who had some courage and asked Ban Jue.

"You have to ask your grandpa about this. If it weren't for the good things he did, we would have nothing to do after we were full, so why would we come to your house to have fun?" Ban Jue looked at Chief Ya, and saw that he heard himself. After saying this, his face turned even paler with fear.

"You, you... I don't know anything, nothing." He shook his head and muttered to himself.

"have no idea?"

Ban Jue squatted down, his eyes were level with Chief Ya's, looking at him coldly.

"Are you trying to say that you didn't hear anything when you were hiding outside my master's courtyard and eavesdropping? Or are you saying that you didn't instigate Ya Yuju, a bitch, to run into my master's bed just now? Huh? "

He reached out and directly picked up Chief Ya's collar and brought it in front of him.

"I'm very old. I don't know how to live my life at home, but I do all kinds of evil things outside all day long. Tell me, how should I deal with your family, eh?"

"I....."

All the bones in Chief Ya's body were softened by fear at this moment. If he hadn't been carried by Ban Jueti, he would have slipped to the ground.

"You are Yamo..."

With a 'pop', Ya Yulan finally figured it out and wanted to speak, but the young ugly woman next to him slapped him away.

"Shut up, I didn't let you speak, what are you talking about!" She glared at Ya Yulan with stern eyes and shouted.

Ya Yulan only felt that she was slapped by this ugly woman and her mouth tasted like blood. She leaned forward and spat out a mouthful of blood.

Ya's father and Ya's mother saw that their son was injured and wanted to ask, but when they looked at the people in front of them, they did not dare to ask anything. They could only shrink to the side with tears in their eyes.

"Chief Ya, let me ask you, how many times did you eavesdrop on my master? Where were you hiding and how did you eavesdrop?" Ban Jue asked.

He still hasn't figured out how this Ya Clan leader has such great ability to eavesdrop under their noses. Even if a few of their subordinates didn't notice, how could he not even find out about his palace master!

You are so patient.

"No, no...ah! Uh!"

How could Ya clan leader dare to admit it now? Hearing the words of banishment, he quickly shook his head.

However, before he finished speaking, there was a sharp pain on his right wrist. The pain made him want to scream, but he couldn't. A hand was squeezing his neck, making him unable to speak. Can't send it out.
