Chapter 65 Lin Caisang, how could it be you!

"Ya Molian, if you are still a man, then you can be my son-in-law. Otherwise, you will be an ungrateful, ungrateful and evil-hearted person!"

Everyone: "..."

Who is the ungrateful, evil-hearted, evil-hearted person?

But they remember that Yahai had received a lot of favors from Yamolian before, right? Ya Mo Lian didn't ask Ya Zhi for a favor back then, right? This big family is really selfish.

"Yajin clan, you..."

Someone else wanted to speak for Ya Molian and accuse Ya Jin, but his mouth was not as fast as the other person's.

"What nonsense are you talking about here? Is your daughter worthy of saving Brother Mo Lian?" Lin Changhong had just been here for a while, and after listening to what the person said one by one, he already understood the general idea.

But it turns out that when his sister put the Yamolian on the field stem, the Yahai family took advantage of it!

"I have to make a promise on my body. It is not your Yahai family, but our Lin family who wants to be the son-in-law! It was my family Sang Sang who rescued Brother Mo Lian from the mountains. What does it have to do with you!"

Lin Caisang, who had just walked in slowly with his grandfather: "!!!"

My dear brother, have you cheated on your sister like this? Am I your biological sister? Why did you just marry your biological sister in front of so many people?

"Lin Changhong, what are you doing!"

She roared angrily, and was so angry that she didn't even want to call her eldest brother, and directly called Lin Changhong's name.

"Well."

Lin Changhong was startled by his woman's furious roar, but he truly felt that he had done nothing wrong, because it was true that his sister saved Ya Molian.

"Sang Sang, you came just in time. This family is really shameless. It was obviously you who saved Brother Mo Lian, but they are here to take the credit. You..."

"Shut your mouth!"

Lin Caisang took a deep breath and shouted angrily.

It's none of her business if anyone wants to take credit. She doesn't want to mention that matter anymore, okay?

Furthermore, does he think this Ya Molian is really easy to mess with? Maybe he was some big shot hiding in the countryside. Otherwise, how could he have been hiding poison for so many years?

"It turns out that it was Sang Sang who saved Mo Lian. Let me tell you, how could Mo Lian be so generous and give so much meat to Sang Sang's family, but it turns out he was repaying a favor." When the woman heard that it was Lin Caisang who saved the life, , his face was immediately filled with smiles.

"I just said that in our village, Sangsang is the luckiest and has the best heart. He doesn't try to repay anyone he saves, and he doesn't tell anyone about it. It's not like some people who just benefit from other people's blessings and do other things. She seems to be so powerful that she wants Mo Lian to give her body to her, even if she doesn't look at how big her face is, huh."

As she said that, she glanced at Ya Nian'er, who was already stunned.

At this moment, Ya Nian'er was completely helpless. She could never have imagined that she just took advantage of Lin Caisang's blessings and was still complacent.

It turns out that Ya Molian himself knew that Lin Caisang saved him, right?

That's why he shot down the wild boar and gave the Lin family so much meat. Was it because he wanted to repay Lin Caisang for saving his life? !

And she is still here, stupidly thinking that she saved Ya Molian, and Ya Molian should repay her.

"Lin Caisang, how could it be you!"

She looked at Lin Caisang with hateful eyes and asked while grinding her teeth.

In Ya Village, sometimes Lin Caisang's words are like an edict. Whatever she says, everyone in the village will subconsciously believe it and act according to Lin Caisang's words.
