Chapter 692 What kind of second uncle are you? !

Thinking of this, he quickly licked his face and trotted to Lu Qiubo's side, peering into the main room.

"Mom, where is Sangsang? Why aren't you with me?"

He came to Lin Caisang to talk about carrying water. He had already made a good idea on the way. He wanted to take over the matter of collecting money on Menghuang Mountain, so that he could make a lot of money. Pen.

This matter can only be told to Lin Caisang, because he is Lin Caisang's elder and can put on airs.

It would be okay if Lu Qiubo was not here, but she was here too. How could he pretend to be an elder? Even though Lu Qiubo loved Lin Caisang so much, it was impossible for him to yell at Lin Caisang. Yes.

"Whether Sangsang stays with me or not, does it have anything to do with you?"

Lu Qiubo didn't show Liu Baixiao any good looks, and asked him with a cold face.

"What are you doing here? What, do you want to cause trouble again? Huh?"

"this....."

Liu Baixiao didn't expect that Lu Qiubo would treat his son like this, and he felt a little embarrassed.

But who is he? He has been the son-in-law of Liu Mansion for so many years and he can coax Liu Rumei and her old and immortal father. How can he not coax Lu Qiubo.

What's more, this is his biological mother. After all, the blood relationship between the bones and the tendons is broken.

"Mom, look what you are saying. Tomorrow is our Sangsang's engagement. As her second uncle, what trouble can I cause? I am not at home and I want to come here to have a look. Can you be of any help?

He calmed down and said.

"laugh."

Lu Qiubo sneered unceremoniously, and swept his contemptuous gaze from Liu Baixiao's head to his feet, and then from his feet until he looked into his eyes.

"Liu Baixiao, Liu Baixiao, what's on your mind, Xiao Jiujiu, can I not know? Tell you, you can't even think of taking away a pebble from here today!"

"you....."

Liu Baixiao choked at her words and suddenly became angry.

"Mom, I am Sang Sang's second uncle. She is getting engaged tomorrow. As the second uncle, can't I come? That brat Ya Mo Lian is ignorant. It's fine if he didn't come to invite me in person. You are How can Sang Sang's dear grandma make Sang Sang's face look dull?"

"hehe."

Lu Qiubo sneered twice.

"When did Sang Sang have a second uncle? I really don't know. Who in Yacun doesn't know that? Our Lin family only has Baizhong and Bai Yi, and Sang Sang only has a third uncle. Where did the second uncle come from? What kind of second uncle are you? uncle?!"

"Mom, how could you..."

"Baiyi, Changfeng, what are you doing there? Throw this shameless thing away from me. Our Lin family doesn't have a relative named Liu, and Sang Sang doesn't have a second uncle named Liu!"

Liu Baixiao wanted to say something else, but was interrupted by Lu Qiubo. She shouted to Lin Baiyi and Lin Changfeng who were helping over there.

Lin Baiyi and Lin Changfeng immediately wiped their hands and hurried over.

"Are you going to leave by yourself, or are you going to let us take you out?" Lin Baiyi asked Liu Baixiao with a straight face.

"you--"

Liu Baixiao looked at Lin Baiyi and was very angry.

But the purpose of my coming here this time has not been achieved, how can I leave?

If you don't let him help, don't let him help. Anyway, he doesn't want to do such a dirty and tiring job, so it's better to let Liu Rumei do it.

"Go, I'm talking to mother. You have no role to interrupt. I'm your brother. If you dare to attack me, be careful that I make you miserable!"
