

## Star of Space 695

Chapter 695 There will be times when you regret!

"Lin Baiyi, you..."

This family really didn't take him seriously. Such a trivial matter was just a matter of Lin Caisang opening his mouth and saying something. How could he go into such a big fight?

Is he still a blood relative of their family?

"Get out!"

Lin Baiyi strode forward, directly lifted Liu Baixiao's back collar, dragged him out of the courtyard, and then threw him heavily.

"ah!"

The road outside Ya Molian's house was paved with stones. Lin Baiyi threw Liu Baixiao like this, and Liu Baixiao hit the stones directly, causing him to roll on the ground in pain.

"Lin Baiyi, you bastard, I am your brother. If you dare to do this to me, be careful of thunder!"

He held his head and howled.

"The sky strikes with thunder. Unless the lightning is blind, it will strike me."

Lin Baiyi looked coldly at Liu Baixiao, who was half lying on the ground, wishing he could step forward and step on him to vent his anger.

"I see, thunder really doesn't have eyesight. We have such a shameless person like you in our village. Why don't we let a thunderbolt come down and kill you! Liu Baixiao, let me see you come to my house

again in the future. , I have seen you throw you once, and this time it was relatively light. If it happens again, I will throw you directly into the mountains to feed the wild wolves!"

"you--"

Liu Baixiao shuddered when he heard his words.

This Lin Baiyi is a man who can do what he says, and he might really be thrown into the mountains to feed the wild wolves.

"Lin Baiyi, I am your brother. As a brother, I took good care of you back then. Today you disregard brotherhood and dare to hit me. Just wait, there will be a time when you will regret it!"

He stood up, cursed at Lin Baiyi, turned around and left.

If he can't see Lin Caisang today, then he won't. When tomorrow is over, he will wait at the foot of Menghuang Mountain. Is he still afraid that he won't be able to stop Lin Caisang, a little bitch? At that time, it's not up to him to do whatever he wants!

Lin Baiyi looked at Liu Baixiao's back with astonishment on his face.

"What did he take care of me for?"

It sounds like the same thing. It is only natural for an elder brother to take care of his younger brother.

But what the hell, when Liu Baixiao was at home, he was always selfish. Apart from holding the book in his hand every day, what else did he do?

Still taking care of him?

Didn't he and his eldest brother put food in front of him every day, just feeding it into his mouth?

I have seen shameless people, but I have never seen such shameless people!

"Why should I pay attention to what he said?" He shook his head and continued to go in to help with the work.

"Grandma, don't be angry. It's not worth being angry for someone like my second uncle." In the yard, Lin Changfeng persuaded Lu Qiubo for a few words, and then helped her into the main room, her face red with anger.

"call!"

Lu Qiubo exhaled heavily.

She also felt that it was not worth getting angry with such a person, but it was not because she did not want to be angry, so it would not come to her.

"Sooner or later, this rebellious and unfilial thing will bite his open mouth!"

"What Grandma said is that Second Uncle is doing it all on his own, so you don't have to be like him. Look, there are big things waiting for you here in the mulberry picking business," Lin Changfeng said.

"Grandma, you came back just in time. Brother Mo Lian wants to ask you something." Lin Caisang also said quickly.

Ya Molian, who was called by name: "..."

He had been talking to Sonner. When did he need to ask Lu Qiubo for advice?

The little girl didn't want to trick him like this, right?
