Chapter 712 I just don't know what to say!

"you....."

Turning around, she saw the ugly man standing behind her at some point, staring at her with cold eyes without blinking.

She gulped.

"How could you...ah!"

'Snapped!'

Before she could finish speaking, a heavy mouth fell on Ya Juxiang's face.

Ya Juxiang's cheeks soon became congested and swollen, but she did not dare to cry and curse at the ugly man like she did at the beginning, because she knew that the more she behaved like that, the more ruthless the ugly man would be to her. She has already suffered a lot of this kind of sin, and she never wants to suffer it again.

"Ms. sir, I...I know I was wrong, please forgive me this time."

She could only cry silently, look at the ugly man pitifully, and beg.

But the next moment, another slap landed on the other half of her face, causing her mouth to bleed. She stumbled and hit the banyan tree pole.

"Ah! Ouch!"

Yajuxiang couldn't bear it anymore and cried loudly.

Why was her life so miserable? She had to be a wife to such a cruel man, she always had injuries on her body every day, and she was forced to do dirty work that she had never done before.

"Ms. sir, I really know I was wrong. I don't dare to do it anymore. Just spare me."

She knew that if she didn't beg for mercy at this moment, a severe beating would be inevitable when this ugly man took her home.

"Who are you pretending to be pitiful for?"

Yun Mo glanced at Ya Juxiang coldly. He had seen and heard her cruel words and those fierce eyes just now.

He was sent by their palace master to keep an eye on this family. Does Ya Juxiang really think that she is his wife, so she can coax him into betraying the palace master with just a few words? These days, Ya Juxiang has been coaxing him a lot, trying to get him to do something bad.

"Do you think I will be tempted by your face? If you dare to be disrespectful to Master and Mistress, I can destroy your face directly without asking Master! Don't you dislike me for being ugly? Your face is ruined, just as ugly as mine!"

"you....."

Ya Juxiang was frightened by Yun Mo's words, and she was trembling and dared not speak.

"Let's go back!"

Yun Mo grabbed Ya Juxiang's arm and pulled her away.

He and Yunxiang thought they were watching closely enough, but they still let this woman escape. Fortunately, she did not dare to go to the palace master's house to cause trouble. Otherwise, he and Yunxiang would not be able to eat and walk around, and they could die as a thank you. It's my own fault.

...

"ah!"

At the Ya clan leader's house, Ya Juxiang was thrown away by Yun Mo and thrown into the yard. He turned around and closed the courtyard door tightly before turning to look at Ya Juxiang who fell to the ground.

"Brother Mo, what's going on?"

Yunxiang heard the sound and came to Yunmo's side. She frowned at Yajuxiang and asked Yunmo.

"This bitch dares to go to the master's house to cause trouble when you and I are not paying attention, and dares to make random remarks there. I don't know what to say!" Yun Mo looked at Ya Juxiang and said.

"What?!"

When Yunxiang heard this, she was immediately frightened.

"you....."

She strode up to Ya Juxiang, squatted down, stretched out her right hand and grabbed Ya Juxiang's neck, and lifted her up.

"Ahem, you... let go, what are you going to do, I..."

Yajuxiang's neck was pinched, and she couldn't get fresh air in her body. She quickly turned red and stretched out her hands to push Yunxiang's hand, but she couldn't move it at all.
