Chapter 775 Just kill him

Although she asked this, she already knew in her heart that Ya Jinghong and Ya Molian had a good relationship at the beginning, and it was Ya Molian who helped him marry his wife. It seems that the woman came for Ya Molian.

"It must be for the Palace Master." Beidou said affirmatively.

"Beidou, why are you so sure? Haven't we found out yet?" Nangong Piao'er looked at Beidou and asked.

It was easy for them to find out whether Ban Yilu was real, but it was not so easy to find out why Ban Yilu came.

After all, if Ban Yilu hadn't attacked the mistress this time, how could they know that this woman would be so hidden.

"This..."

Hearing her question, Beidou's face suddenly became a little embarrassed, and he secretly glanced at Lin Caisang. 69shux.Com

"What's wrong? It's not convenient to say?" Lin Caisang asked.

Is it because she is here, so it's not convenient to say?

"No."

Beidou shook his head immediately.

"When Ban Yilu married to Ya Village a few days ago, I saw her trying to seduce the Palace Master but failed, and was kicked out of the yard by the Palace Master. I guess the Palace Master didn't mention this to Ya Jinghong."

She also saw it secretly by accident. At that time, the Palace Master didn't say what to do with Ban Yilu, so she pretended not to see it.

Now it seems that Ban Yilu came for the Palace Master.

Lin Caisang: "..."

There is such a thing, her brother Mo Lian's peach blossom...

No wonder he had a good relationship with Ya Jinghong, but suddenly this good relationship cooled down.

I'm afraid that even Ya Jinghong himself feels puzzled. It's impossible to imagine that Ya Mo Lian dislikes him a little bit because of his wife.

"Since the purpose has not been found, you just keep an eye on her."

"Keep an eye on her?"

Nangong Piao'er looked at Lin Caisang suspiciously.

"What the mistress means is..."

"Doesn't she want to pick wild fruits on the mountain and send them to Manghuang Mountain? Then let her go, and you two can say a good word for her and keep in touch with her in the future." Lin Caisang said.

Since she wanted to get close to her so much that she even followed her, how could she let Ban Yilu down?

"Just do it in a more covert way, and don't make her suspicious." She reminded.

"Yes, mistress."

Nangong Piao'er responded.

"Mistress, since you know that Ban Yilu has bad intentions, why do you want to keep her alive? Just kill her directly." Beidou asked.

This Ban Yilu has been in Ya Village for so long, and I don't know how much she has found out. Will it be bad for the hall master? What's the point of keeping such a person?

Wouldn't it be better to kill her directly, and it would save trouble.

"Killing her would be clear, but what about the person behind her?" Lin Caisang asked her back.

Hearing this, Beidou fell silent. Yes, Ban Yilu couldn't be lurking around the hall master alone. There must be other people, but they haven't discovered it yet.

"I understand."

What they have to do now is to make up for the relationship with Ban Yilu that was once strained, and make her Nangong's two pairs of eyes completely stick to Ban Yilu.

"I understand."

Lin Caisang nodded.

"By the way, how is the Zhou family recently?"

It is said that people are in high spirits when they are happy. Isn't Zhou Liang going to get married? It must be very lively, right?

"Regarding the Zhou family, I have found out some things, and they are about the mistress." Beidou replied.

"What is it?" Lin Caisang asked.

What is Madam Zhou going to do again?
