

Star of Space 825

Chapter 825 Do you want to be beaten?

"If you can't eat it, don't eat it. I'll make it for you at noon. What do you want to eat?"

"Who said I can't eat it? The majestic and protective Prince Mo personally cooked it for me. No matter how much I cook, I can eat it." Lin Caisang said immediately with a straight face.

When she was still a fat person, she had a huge appetite. Although she has reduced her figure to a slim figure now, her appetite naturally did not decrease so quickly, and she was only in the process of slowly adapting.

"Brother Mo Lian, sit down, let's eat together."

After that, she first picked the best part of the fish belly for Ya Molian and put it in the bowl in front of him.

"I have my grandpa and grandma taking care of me at home. I can't eat anything. But you, who are obviously living in the palace, are losing weight day by day. Tell the truth, did you do it on purpose? You want me to feel sorry for you. "

She said half-jokingly.

Hearing this, Ya Molian just raised her hand and touched her face lovingly.

"The house is in chaos these days. It will be fine after some time."

"Stop talking about this, Brother Melian, you eat, eat more." Lin Caisang didn't want to mention those unpleasant things and continued to add food to him.

Yamo Lian had no choice but to immerse herself in the pain.

However, he had obviously prepared these dishes carefully for the little girl, but in the end, they ended up in his stomach, and he was helpless.

...

After staying in the courtyard for more than half an hour, Lin Caisang followed Ya Molian to Prince Mo's Mansion.

Soon, everyone in Prince Mo's Mansion knew that their prince had brought back a woman, and she was as beautiful as a fairy.

In addition, what surprised them the most was that the girl was actually led in by their prince's hand, and he personally introduced her to everything in the palace while going inside.

That soft voice, that doting look, and the master who could freeze people to death just by glancing at them, how could they be alone?

People in the mansion are talking about it, their prince has been replaced by someone, right?

"Exiled Jue, what's going on? I heard from people in the mansion that the mistress is here?" Jiang Zuo hurried back to the mansion, heard the rumors in the mansion, and hurried over to check on the situation.

"Um."

Ban Jue just responded calmly.

"Really? I'll go take a look."

After Jiang Zuo said this, he wanted to go into the backyard where Ban Jue was guarding to see what was going on.

Unexpectedly, as soon as he took a step forward, he was blocked by Ban Jue. He couldn't help but look at Ban Jue in confusion.

"What are you doing?"

"Jiang Zuo, are you stupid? The palace master is with the mistress right now. What are you going to do here at this time? Are you asking for a beating?" Ban Jue asked him angrily.

This guy must be crazy. If he goes in like this, he is not afraid of being slapped out by the palace master. The palace master is looking forward to it day and night, thinking about his mistress every day. Whoever disturbs the palace master and mistress at this time will definitely get it. I couldn't eat and walked around.

"Well."

Jiang Zuo was also choked.

After coming back to his senses, he quickly raised his hand and patted his head.

"It's a good thing you reminded me, otherwise, I would have barged in unwisely."

It's okay for him to be punished. If because of the stupid things he did when his head was hot, he would not be able to see Ziyu in the future, then he wouldn't even be able to find a place to cry.

"That's not right, Ban Jue, why did the mistress come?"

Suddenly, he asked.

"You ask me, who should I ask?"

He didn't know how his mistress came. Besides, he still had many questions hidden in his heart.
