

Star of Space 852

Chapter 852 What else are you planning?

Suddenly, he felt that his handsome face, which he was deeply proud of in the past, had collapsed, and it had collapsed completely. In the future, would someone come and secretly say to him: Changhong, you are so beautiful, will you do it in the future? My wife, I don't mind if you are a boy. 6

Thinking about it, he shuddered again.

Sister, I am your biological brother after all. I would not cheat my brother like this, right?

"Sangsang, where are you going?"

Lin Laogeng recovered from the shock and asked his granddaughter softly.

His granddaughter is dressed up like a fairy. Where is she going? You know, Mo Lian is not at home.

"I want to visit Qianlin County. It's just in time to send Brother Changfeng to Ye County," Lin Caisang said.

"Going to Qianlin County? That carriage outside..."

Lin Baiyi looked at his niece, then looked back at the carriage outside.

"This carriage is used by the shop for transportation. Brother Mo Lian bought it last time. Did the third uncle forget it?" Lin Caisang replied.

After hearing her words, everyone realized that the previous carriage was not of this color, and even the curtains were not of this color.

"Brother Changfeng is going to take the exam, isn't he? I told him last time to make the carriage more festive. Come pick me up at home today. Brother Changfeng is about to leave."

"So that's it."

After hearing his granddaughter's words, Lu Qiubo's original anger was gone.

"Grandma, Grandma, it's far to go to Ye County. Brother Changfeng still has many things to do. If we can't delay, we'll leave first." Lin Caisang said.

"Okay, okay, let's go quickly." Lu Qiubo nodded repeatedly.

...

On the carriage.

The gravel road was uneven, and the two people in the carriage were shaking vigorously.

However, even though he was shaking a little and was dizzy, Lin Changfeng's eyes were still staring at his cousin without blinking.

"Brother Changfeng, why are you looking at me like this? Do you think I'm dressed up too beautifully?" Lin Caisang raised his eyebrows and asked calmly.

However, when Lin Changfeng heard her words, he sneered angrily, raised his hand, stretched out his index finger and tapped her forehead, "Tell me, what are you planning again?"

It has always been true that a woman should look after her appearance to please her.

What's more, his girl didn't even dress up like that when she was around Ya Molian. To make him believe that this girl was acting on a whim...

How could he believe it? !

"What's the point?" Lin Caisang shrugged.

"I just think Qiuwei Changchang must be a very interesting place. I have never been there and want to visit it."

Lin Changfeng: "..."

How can a little girl like you enter the Qiuwei Theater?

Could it be that Sangsang of his family still wants to rely on her beauty to sneak into the examination room? That is absolutely impossible.

"Are you crazy? Please give up your idea immediately."

"Brother Changfeng, what are you in a hurry? I didn't say I wanted to go in. I just saw you off the court."
Lin Caisang said.

"It's just that if we meet some evil person then, and we can shock him so much that he forgets how to write the word, that will be enough. How about it, my idea is good, right?"

Lin Changfeng: "?"

Are you still meeting this evil person outside the examination room?

The only thing he could think of was Zhou Liang, that scumbag.

"Did Zhou Liang offend you again?" he asked.
