

Submit To The Boss Lucia And August Novel Chapter 24

Chapter 24 – “Lucia.”

Lucia glance at the sound and saw Lisa standing in the middle of the common office area with a file staring at her.

Lucia pretended to be calm and asked, “Sister Lisa, is there something wrong?”

“Yes.”

Lisa casually handed the document to a colleague next to her and walked towards her, “There are quite a lot of tasks in the department recently. I urgently need you to help me share the load, but I don’t know the first task’s progress.

Has the holiday gift box been confirmed?”

The arrangement of the holiday gift box, was Lucia’s work, but a welfare product for other employees in the company.

The colleagues next to Lisa heard Lisa mentioned this matter, they all pricked up their ears to eavesdrop.

Lucia told the truth, “Almost there.

It has been confirmed.

We would cooperate with Tiano company.

After confirming the details, I would sign the contract.”

Lisa originally thought Lucia would have no process.

After all, this task was not simple.

However, she did not expect Lucia had succeeded, and the work has nearly been completed.

Lisa was surprised, then she sneered, “Really? Tiano’s boss is not e

sy to

deal with.

Our budget is not much, so I wonder if you can give everyone a surprise this year.”

Lucia said softly, “The gift box is a benefit for everyone.

I can’t guarantee if it’s a surprise for everyone, but I can be sure that it won’t be worse than last year’s.”

The gift box Lucia finally decided included some of the hottest products this year.

However, it was just a token of appreciation, and she couldn’t guarantee that everyone would like it.

Lisa sneered and suddenly asked, “Lucia, why don’t you tell us how you did this all by yourself, so we can all learn.”

As soon as Lisa said this, someone next to her echoed, “Yes, let us all learn!”

The echoing sound, also mixed with a different voice, "Should we learn she badger people?"

This sentence made the colleagues beside all laughed out loud.

Lucia stood in the original place, and she understood the meaning of their words.

They alluded to her pestering August Adams.

Hearing this, Lisa restrained herself to laugh.

She raised her eyebrows and asked Lucia on purpose, "Lucia, is it true?"

1 Being watched by everyone, Lucia's cheeks were hot, as if she had been slapped in the face.

She bit her lips tightly, turned around directly, and walked quickly towards the office.

Back in the office, Lucia was in a bad mood, but there was nothing she could do.

Lucia didn't know who took those photos, nor did she know who reveal it.

Even if she tried to delete the photos, it wouldn't help.

People in her company all knew these photos, so she couldn't do anything.

Passing one day in a blur, Lucia deliberately left half an hour late when it was time to get off work, to avoid the rush hour, so as not to be judged by everyone.

Seeing there were fewer people in the company, Lucia packed her things and prepared to get off work.

When Emma saw Lucia, Lucia asked, "Lucia, you're working overtime too."

Lucia nodded, "Well, just now I was doing some work that hadn't have been finished."

When the elevator came, Emma pulled Lucia into the elevator, and they were the only two people in the elevator.

When the elevator door closed, Emma hurriedly asked, "Lucia, isn't the rumor in the group right? Lucia and Emma's relationship was still quite good, and

Lucia must say something about the rumor this time.

So Lucia softly explained, "I just happened to meet the President, and he helped me.

The case was not like what said by our colleagues, so you do not think too much about it."

Hearing this, Emma nodded seriously, "I am not overthinking, but now the colleagues in the company are talking nonsense.

In this way, it's bad for you!"

"And..."

Emma still wanted to say something else, but she stopped.
Lucia frowned, turned to Emma and asked, "And what?"

"And if these things were heard by the company's executives and

shareholders, I'm afraid it will affect the President as well..."

Hearing this, Lucia panicked, as if a big stone had suddenly pressed against her chest.

It would be fine if this matter only affected herself, but it should affect August too! If this matter brought trouble to August, Lucia would certainly feel sorry for it!
