Chapter 271: School Belle Ranking Top 1

The students from A University were overjoyed, while the rich kids on James Sawyer's side were too shocked to react. Their eyes gleamed with amazement, almost captivated by Serena Sterling's flawless beauty.

These rich kids never lacked girlfriends, but they had never seen a girl as beautiful as Serena Sterling. Even Anabelle Rathborne, the campus beauty of T University, wasn't as stunning as her.

In the moment Anabelle Rathborne saw Serena's true face, her whole heart dropped with a 'thud,' plummeting into the abyss. She stared in disbelief at Serena's exquisite face, realizing that what her veil concealed was not ugliness, but an unrivaled beauty!

Serena Sterling's clear gaze fell on James Sawyer's face, "Young Master Sawyer, you lost this bet, so from tomorrow, you'll be preparing breakfast for everyone at A University. I have things to do, so I'll take my leave."

Serena lifted her foot and left, her graceful figure slowly disappearing from sight.

James Sawyer continued staring in the direction where Serena disappeared. All he could think about was Serena's breathtakingly beautiful face. She was indeed like a little fairy. He had lost.

But how could she be so beautiful?

The rich kids beside him nudged him,

Oh my god, Young Master Sawyer, was that really Serena? Damn, she's too beautiful!

Young Master Sawyer, wasn't she your fiancée? No, she's not your fiancée anymore!

Conner Wright looked at James Sawyer and said, "James Sawyer, you have nothing to do with Serena now. Serena is our campus beauty at A University, so you better not have any bad intentions towards her. We'll protect our own campus beauty."

"Young Master Sawyer, you should start planning our breakfast early."

Conner Wright swaggered away with a group of people, excitedly saying as they left, "Did anyone take a picture of Serena? Post her photo on the A University forum and shut up those critics properly!"

"I feel like I'm dreaming. We actually have such a beautiful campus beauty at A University. The campus beauties of other medical universities will pale in comparison to Serena!"

"I didn't think we're great at academics, but our campus beauty is number one."

They strutted away proudly, leaving only their retreating backs for James Sawyer and his crew. Don't envy us!

James Sawyer slowly came back to his senses. Waves of emotions surged within him—stunning, shocking, regretful... a mix of feelings.

How did he not know that Serena Sterling had such looks?

But it was too late now; there was no going back.

What had he lost?

James Sawyer silently got into his car, ignoring those around him, and sped away in his sports car, disheartened, heading to a bar to drink.

Anabelle Rathborne stood frozen in place. Her pretty face became quite unsightly. Not only was she the campus beauty of T University, but she was also ranked number one on Aethelgard's beauty list, hailed as Aethelgard's top beauty. But now her position was jeopardized by Serena Sterling.

The students from A University earlier were clearly underachievers whom she looked down upon, and they didn't even glance at her when they left.

How despicable!

...

Anabelle Rathborne returned to the Rathborne family, entered her room, took out her phone, and went onto the A University forum. Sure enough, Serena Sterling's photo had already been posted.

Everyone was leaving comments,

Oh my god, A University actually has such a goddess for a campus beauty?

It's said that today, James Sawyer brought half the circle to uncover the veil of the little fairy campus beauty, but they were met with harsh reality. Now James Sawyer is drowning his sorrows in a bar, reportedly completely drunk, still calling out Serena's name.

Serena was originally Young Master Sawyer's fiancée, but he eagerly annulled the engagement... Ennn, we sympathize.

Serena suddenly appeared out of nowhere. Is the Aethelgard beauty list going to be reshuffled severely?

With Serena's looks, the other university beauties are no competition; the only one left is the top beauty of T University, Anabelle Rathborne. Do you think Serena can surpass Aethelgard's number one beauty?

Anabelle Rathborne quickly opened the beauty list; it had already been reshuffled. Serena Sterling, as A University's campus beauty, shot up directly to second place.

Sometimes a beautiful face is a strength that can't be matched by others' efforts!

However, Anabelle Rathborne was still in the top position, ahead of Serena.

But the netizens below were already in a heated argument,

The looks and aura of these two, I vote for Serena Sterling, no doubt?

The beauty list should consider overall strength. Serena Sterling ended up in A University after being locked out by T University, A University's campus beauty reigning over all universities in Aethelgard—could this be the year's biggest joke?

When it comes to looks, I vote for Anabelle darling.

The majority opinion online still leaned toward Anabelle Rathborne. With Anabelle's high status, good background, and years of connections, and Serena Sterling just arriving in Aethelgard, she can't yet challenge Anabelle's place in people's hearts, so her top position remains secure.

Anabelle Rathborne turned off her phone, still not considering Serena much of a threat. A wild girl popping up from an unknown corner did not qualify to be her rival.

...

The next morning.

Serena Sterling arrived at A University, entering Class 2 in Traditional Chinese Medicine. Tiana Ford quickly handed over a bottle of fresh milk, "Serena, someone came early this morning to deliver breakfast. All thanks to you, we ought to thank you well. We've never gotten such treatment at A University, and now we're famous."

Serena took the fresh milk, inserted a straw, and took a sip, smiling, "Tiana, we're all from A University. We share both honor and disgrace."

Today, Serena didn't wear her veil, showing her true face. Tiana looked at her exquisite face with a bit of a daze, thinking the campus beauty Serena was truly beautiful.

"Serena, you're already number two on the beauty list, but you haven't beaten that top one Anabelle Rathborne from T University. In terms of looks, you definitely overshadow her, but because we're from A University, everyone still looks at us with prejudice," Tiana said indignantly.

Serena wasn't interested in this. She took Tiana's hand, "Tiana, let's go to class."

"Okay."

They were about to enter the classroom when someone suddenly approached—it was James Sawyer.

James Sawyer was still wearing his clothes from yesterday. He had spent the night in a bar, reeking of alcohol, looking disheveled and gloomy.

Now he stared straight at Serena Sterling, with a fierce look in his eyes.

Tiana quickly stood in front of Serena, "Young... Young Master Sawyer, what are you doing? You better not try anything, or I'll call for help."

"Tiana, it's okay, relax." Serena gently pulled Tiana behind her, her clear bright eyes looking at James Sawyer, "Young Master Sawyer, what brings you here?"

James Sawyer strode over, pulled something out of his pocket, and handed it to Serena Sterling, "I bought these buns for you. I kept them warm in my pocket all the way here. They're still warm, please eat them."
