Chapter 16

Ian took the power from Yvonne's hand , his eyes a mix of admiration and delight .

" Where did you find this ? " he asked , turning his gaze to Yvonne

Yvonne pointed upstairs and replied in a soft , sweet voice , " Brother "

Jeremy's Ian rubbed the vase with his long fingers thoughtfully . Since it's Jeremy's , I'll just claim fairly

Yvonne looked at him confusedly , not quite understanding what claim " meant .

At this moment , Ian placed his big hand on her shoulder and patted , looking like he was entrusting her with an important task . " Little one , tell your brother when he's back that Mr. Holmes took his owners "

" Okay . Though not knowing why , Yvonne nodded obediently , looking easy to trick .

Her adorable face , combined with a perfect touch of innocent confusion , could easily make Ian love his mind .

He felt the flowers seemed even more fragrant , and he was light as a feather .

If it weren't for a lunch appointment , he wouldn't have wanted to leave .

Seeing him holding the flowers carefully , Yvonne was very happy .

Before , only Dani liked her flowers , but now there were several more people . She was beyond joyful

Suddenly , she wondered when Dani would come to see her .

Meanwhile , Dani , whom Yvonne was thinking about , was standing outside the Yates family's villa

The Yates family was similar to the Adler family - both adults were at work during the weekdays , the kids were at school , and only Marian was at home .

A maid knocked on the door to Marian's room . After a few seconds , the door opened from inside

Marian's room was very exquisite , with every detail meticulously done .

Clearly , a lot of thought and time were put into preparing this beautiful room in advance .

The door was covered with soft , expensive carpet , and the maid didn't dare to step in , standing at the door .

" Miss , there's someone outside who claims to be the head of the orphanage and wants to see you . " the maid reported . Marian had been smiling when she opened the door , but her smile disappeared instantly at the words .

Her eyes turned wary , and her little hand gripping the door tightened . " Is she alone ? Are there any other kids with her ? " The maid was taken aback , scrutinizing her with unease . A three - year - old reacting so quickly ? Isn't that logic a bit too advanced ? " she wondered .

She thought back to the scene at the door and shook her head . " No one else , just her . "

Hearing this , Marian loosened her grip on the doorframe .

She stepped out of her room and instructed the servant in a very natural , commanding tone . " Let her in . "

The maid left , but a strange feeling kept creeping up .

Chapter 16

When Mr. and Mrs. Yates were home . Marian seemed normal , but as soon as they were out , that intense sense of oddi about her became very strong .

Several servants who had interacted with Marian had also mentioned this in private conversations .

Without further dwelling on it , the maid went to the door and brought Dani in

As Dani entered the living room . Marian stood up from the sofa , giving her a pure , innocent smile . " Dani , did you come to

see me ? "

\ Dani

Dani smiled calmly , and only started speaking after the maid had poured coffee and left

It began with some simple inquiries . Though impatient , as showed in every little detail , Marian endured and answered

Dani's eyes darkened .

She knew Marian didn't want to talk much and didn't beat around the bush , asking . " Marian , did you take Yvonne's necklace ?

Though phrased as a question , her tone was certain .

She had searched everywhere in the orphanage , even the children's dorms , but couldn't find Yvonne's necklace . Yvonne's necklace was pretty , and many kids wanted to wear it .

Afraid it might get lost , Dani had put it in a box for safekeeping

She kept it in her room's cabinet , but it still went missing a few days ago .

Checking the surveillance , she found only Marian had entered her room in the past three days .

At this , Marian's heart tightened , and she shook her head nervously . " I didn't . "

Dani sighed helplessly , extending her hand to Marian . Instead of getting angry , she went on in a gentle tone . " Give it to me , Marian . It's Yvonne's .

She'll need it when she grows up to find her birth parents . It's really important to her . "

But after this heartfelt plea , Marian's face changed instantly . " Who took her stuff ? You're always biased toward her . I'm now the young lady of the Yates family .

" My parents bought me so many necklaces that one cabinet isn't enough to contain them . I don't care about her cheap necklace !

"

As she spoke , her eyes kept wandering , appearing very bold at first glance , but her panic was for real .

Dani listened to her quietly , her expression never changing , her voice at . " If you don't want it , just give it back to Yvonne . " Marian bit her lip tightly . From Dani's attitude , she guessed she definitely knew something-

But that shouldn't be the case . No one saw her steal the necklace .

Marian knew the orphanage like the back of her hand .

She knew where the cameras were and where they couldn't see . She was clear about everything .

So , she decided to trust herself and keep denying it . " I said I didn't take her stuff . You just like Yvonne more , so you suspect

As she spoke , she got angrier , complaining . " I'm now the daughter of the Yates family . Have you thought about what would happen if my parents heard these words ? They'd think I'm a bad kid , and you've never considered me !

"

Hearing this , Dani rubbed her temples , her eyes showing complete disappointment .

Chapter 16

If she wanted to expose Marian , she wouldn't have talked to her privately . After all , she raised Marian . And it was partly her responsibility for Marian to become like this .

Therefore , she didn't get angry but instead spoke to Marian more gently .

" You're all my children , and of course , I care about your future . I absolutely won't tell Mr. and Mrs. Yates about this .

As long as you return the necklace to Yvonne , I promise never to bother you again . "

But Marian bit her lip , glaring at Dani with her red eyes . " I said I didn't ! If you can't prove it was me , you're slandering "

At the sight of her stubborn and unrepentant expression , Dani's heart sank gradually .

" On the day Mr. Yates came to pick up Yvonne , you tricked her into the coal shed , right ? This was all caught on camera . If you don't want Mr.

Yates to see these videos , give the necklace back to Yvonne ! "

Dani's attitude suddenly hardened , her words scoring Marian pale .

This was the first time the usually gentle and kind - hearted Dani had been so stern . Combined with her threatening words , it left Marian frozen in thought for a few seconds before she suddenly burst into tears .

" I hate you ! You're wronging me , and you always favor Yvonne !

"

Her sobs drew the attention of the staff , who were shocked to see her crying so pitifully .

" Miss , what's wrong ? " the maid asked .

As the maid comforted her , Marian pointed a finger at Dani standing nearby , sobbing as she spoke . " She ... she asked me for money . I didn't want to give it to her , so she threatened me ...

The maid stared in shock at the expressionless Dani .

Dani's eyes dripped with utter disappointment .

For the first time , she felt that Marian was so unfamiliar like she had turned

a completely different person .

into

" Ma'am , please leave . " A servant had already stepped forward to escort Dani out .

Seeing Marian cowering in the maid's arms and avoiding eye contact with her , Dani said coldly , " Marian , I won't persuade you anymore . This is the path you've chosen , and no matter what happens in the future , don't regret it . "
