Chapter 1041: Mysterious Pyramids!

After checking in.

Xu Ying, Bujie, and Prajna entered their rooms.

However, Yang Luo entered Alinda's room.

As soon as they entered the room,

Alinda said directly, "You're not allowed to say that you sleep in the living room and I'll sleep in the room. You're not allowed to say that you sleep on the floor and I'll sleep on the bed!

You have to sleep on the bed with me!"

Yang Luo clicked his tongue and said, "I say, Alinda, do you have to be so domineering?"

Alinda snorted, "I let you escape last time, so I won't let you escape this time!"

Yang Luo was caught between laughter and tears.

This girl still remembered what happened in Country Windmill last time.

At that time, this girl wanted to sleep in the same room as him, but he avoided her.

With that, Alinda took a nightgown and entered the bathroom.

Meanwhile, Yang Luo sat on the bed and waited.

While he was waiting...

He took out his phone and called Su Qingmei, telling her that he might return to the country in a few days.

After the call, he waited for nearly half an hour.

The bathroom door opened.

Alinda, who was wearing a black silk nightgown, walked out.

Although the woman's figure was not as hot as Prajna's, she still had flesh where she should have flesh. She was thin where she should be thin. She was tall and graceful.

Most Western women had rough skin, but Alinda's skin was very smooth and translucent.

Seeing Yang Luo staring straight at her, Alinda smiled charmingly and said, "Idiot, now you know that I'm beautiful and have a good figure, right?"

Yang Luo said in amusement, "Who praises themselves like that?"

Alinda flipped her hair and said proudly, "I'm not praising myself, but telling the truth.

Alright, hurry up and take a shower."

"Alright."

Yang Luo nodded and walked into the bathroom.

After taking a shower, Yang Luo walked out in a pair of shorts.

However, just as Yang Luo approached the bed...

Alinda pounced on him and flipped over, pressing Yang Luo down.

“Alinda, what are you doing?”

Yang Luo’s eyes widened.

After experiencing this incident, he had also confirmed his feelings.

He couldn’t lie to himself anymore. He liked this woman.

Although he had already planned to accept her as his woman...

He did not expect her to be so direct.

Alinda smiled charmingly and bit her lip, “What do you think?”

Yang Luo took a deep breath and said, “Isn’t it a little too fast?”

“This is called fast?”

Alinda rolled her eyes at Yang Luo charmingly, “We’ve known each other for a long time, okay?”

Besides, I’ve already expressed my feelings to you a long time ago.

It's just that you, a blockhead, never agreed to it.

Now that I finally know your intentions, I naturally have to seize the opportunity."

Yang Luo asked, "Don't you mind that I have other women?"

"I don't mind."

Alinda shook her head, "What's wrong with having a few more women for an outstanding man like you?"

There are many men who are far inferior to you that also have many women."

Yang Luo continued, "I think you should consider it carefully. Once we go pass this last step..."

"Aiya, cut the crap. Come on!"

Alinda bent down and kissed Yang Luo's lips.

The woman's kiss was very passionate, and Yang Luo gradually fell into it...

A few hours later.

The wind and rain stopped.

Alinda leaned into Yang Luo's arms, her face red and her eyes blurry.

Yang Luo looked at the ceiling in a daze.

Unexpectedly, he had confirmed his relationship with a woman just like that.

Although he had experienced many bumps, it was still considered logical.

Alinda exhaled softly and said, “Yang Luo, come, let’s continue!”

“What do you mean continue? Aren’t you tired?”

Yang Luo was caught between laughter and tears. Then, he sat up and said, “Alinda, I’ve decided to teach you cultivation.”

“Cultivation?!”

Alinda’s eyes lit up and she sat up as well, “Are you going to teach me martial arts?”

Yang Luo shook his head and said, “It’s not really martial arts. To be precise, it’s cultivation.”

Alinda said excitedly, “Does that mean that as long as I cultivate, I can become as powerful as you and Prajna?”

Yang Luo said, “As long as you cultivate well and persevere, you won’t be able to catch up to us quickly, but you can at least have the ability to protect yourself for a short period of time.”

“Good, good, good!”

Alinda nodded repeatedly and said, “Then quickly teach me!”

In the following period of time...

According to the woman’s physique, Yang Luo taught her an immortal cultivation technique called the Immortal Ascension Technique.

Fortunately, the woman had been studying Chinese medicine, so she knew the acupoints and meridians of the human body very well. This saved a lot of trouble.

Moreover, a woman's intelligence was extremely high. She could remember and understand many things after saying them once.

Time continued to flow.

Their session lasted until the sun shone through the window.

"Pheh..."

Alinda let out a long breath and opened her eyes.

Yang Luo smiled in satisfaction and said, "Alinda, I didn't expect your comprehension to be so high. You found the sense of Qi in just one night."

Alinda said, "After I find the Qi sense, I can officially start cultivating, right?"

"That's right."

Yang Luo nodded, "If you have any questions later, you can call me at any time."

"Alright."

Alinda nodded repeatedly.

Yang Luo looked at the time and said, "It's already past eight. Let's go wash up and have breakfast."

After that, Yang Luo and Alinda washed up and left the room. They brought Xu Ying, Bujie, Prajna, and Smith to the cafeteria on the first floor of the hotel for breakfast.

During breakfast...

Bujie raised his eyebrows and said, "Miss Alinda, I should call you sister-in-law from now on, right?"

"That's right."

Alinda hugged Yang Luo's arm, "We're officially together."

"Oh my god!"

Smith looked surprised and said with a smile, "Mr. Yang, President, congratulations!"

Prajna shook her head and sighed, "You succeeded in the end."

Alinda was overjoyed when she heard this and laughed hysterically.

After breakfast...

Albas, Flora, and Palga arrived at the hotel.

"Mr. Yang, are we going straight to see the pyramids?"

Albas asked.

Alinda said, "Let's go shopping first. We'll go after lunch."

“No problem.”

Albas agreed immediately.

Then, Yang Luo and the others left the hotel and went shopping in the largest mall in Thousand Towers City.

After lunch.

Yang Luo and the others arrived at the pyramid scenic area on the outskirts of Thousand Towers City.

After buying the tickets, Yang Luo and the others walked into the pyramid scenic area.

Although it was not the peak season for tourists, there were still many tourists who came to see the pyramids.

Three tall pyramids stood in the desert, looking magnificent.

Albas introduced, “A total of 96 pyramids have been discovered in our Country Golden Tower, and these three are the largest.

In particular, the Pyramid of Giza, which is 146.5 meters tall and 230 meters long, is made of 2.3 million stones and weighs an average of 2.5 tons.”

Yang Luo nodded and said, “As expected of one of the eight architectural miracles in the world. It’s really shocking.”

Bujie curled his lips and said, “It’s said that the construction of the pyramid has always been a mystery.”

“The construction of the pyramid is indeed a mystery. It hasn’t been solved yet.”

Flora nodded and said, "Some say that it was built by a million slaves, some say that it was built by aliens, and some say that it's a product left behind by an ancient lost civilization.

In short, there are many different opinions. Until now, there is still no definite explanation."

However, just as Flora was speaking...

Yang Luo's heart suddenly skipped a beat as he looked up at the largest pyramid.

For some reason, he vaguely felt waves of energy coming from the pyramid.

Moreover, this energy was powerful and mysterious, making him very curious...

Chapter 1042: There's a Living Person Inside!

Hence, Yang Luo hurriedly walked towards the largest pyramid.

The closer he got to the pyramid, the more he could feel the strength of this energy.

He was very puzzled. Did this energy come from the pyramid or from something else?

Thinking of this, Yang Luo spread out his divine sense and carefully probed the surroundings.

It would have been fine if he did not sense it, but with this perception, he actually sensed that there seemed to be someone in the pyramid.

Moreover, he was certain that the person hiding in the pyramid was a living person.

Yang Luo narrowed his eyes slightly and muttered, "Interesting. Looks like this pyramid isn't as simple as it looks on the surface..."

"Mr. Yang!"

When Albas and the others saw Yang Luo walking so quickly, they hurriedly followed.

"Mr. Yang, what's wrong?"

Flora asked curiously.

Yang Luo retracted his thoughts and said, "It's fine. I'm just very curious what stone this pyramid is made of."

Flora replied, "This pyramid is made of granite, and its surface is limestone."

"Oh..."

Yang Luo nodded and asked, "Is there anyone alive in the pyramid?"

Flora shook her head with a smile and said, "Mr. Yang, you must be joking. The pyramid is the tomb of the Pharaoh. There are only mummies inside and no living people."

Bujie curled his lips and said, "Brother Yang, what are you thinking? How can there be a living person in the pyramid? Unless it's a zombie!"

Yang Luo smiled and said, "I'm just a little curious."

Albas said, "Mr. Yang, I can tell you with certainty that there are no living people in the pyramid."

Previously, our researchers from the Golden Tower Nation and other countries studied those mummies together. They were all dried corpses and there were no signs of life.”

“Oh...”

Yang Luo nodded in realization.

Of course, he would not tell Albas and the others what he had seen.

If they knew that there were living people in the pyramid, they would definitely be scared to death.

They enjoyed sightseeing until evening.

Only then did Yang Luo and the others leave the pyramid scenic area.

On the way back to the hotel...

Yang Luo secretly sent a message to Xu Ying, Bujie, and Prajna.

The message was simple, Let’s come here again tonight.

When the three of them saw the news, they looked at Yang Luo in confusion.

But Yang Luo only shook his head at the three of them, indicating for them to keep quiet.

Only then did the three of them suppress the doubts in their hearts and leave the questions to ask later.

After returning to the city...

Yang Luo and the others found a restaurant for a meal before returning to the hotel.

Alinda was as passionate as fire. She pulled Yang Luo along and tormented him until past one in the morning before falling asleep.

In the wee hours, Yang Luo looked at the woman's sleeping face.

He revealed a gentle smile and kissed the woman's forehead. Then, he quickly put on his clothes and walked out of the room.

He saw that Xu Ying, Bujie, and Prajna were already waiting at the door.

"Brother Yang, why are we still going to the pyramid?"

Bujie hurriedly asked.

Xu Ying and Prajna also looked at Yang Luo in confusion.

Yang Luo said, "I'll tell you guys on the way."

Then, Yang Luo found a hotel and rented a Land Rover. He drove Xu Ying and the other two straight to the suburbs of Thousand Towers City.

On the way to the pyramids...

"Brother Yang, tell me quickly. I'm so anxious!"

Bujie could not suppress the curiosity in his heart and asked again.

“There’s someone in the pyramid.”

Yang Luo replied.

“What the hell?!”

“There’s someone in the pyramid?!”

Bujie was stunned for a moment. He curled his lips and said, “There are indeed people in the pyramid, but they are all mummies, dry corpses. Didn’t Mr. Albas say so?”

Yang Luo shook his head and said, “I mean there are living people inside.”

“What?! A living person?!”

Bujie was instantly stunned.

“Brother Yang, why are there living people in the pyramid?”

“If there were living people, wouldn’t they have been discovered long ago?”

Prajna asked in surprise.

Xu Ying also looked at Yang Luo in shock.

If this sentence had not come from Yang Luo, they would not have believed it at all.

Yang Luo frowned and said, “I’m not sure about that. However, I did sense the aura of a living person in the pyramid during the day.”

Moreover, this person contained a mysterious and powerful energy.

I'm afraid this person is definitely not an ordinary person."

"Hiss..."

Bujie sucked in a breath of cold air, "Oh my god, there are living people in the pyramid? If this sentence gets out, I'm afraid the entire world will be in an uproar!"

Yang Luo said, "That's why I told you not to tell anyone."

Prajna's face suddenly turned pale as she said with a trembling voice, "Brother Yang... is this pyramid haunted?"

Yang Luo said with certainty, "That's impossible. I'm sure that the person in the pyramid is a living person."

Bujie said excitedly, "I want to see what kind of demon is hiding in the pyramid!"

They chatted more along the way.

The car drove for more than an hour before arriving at the pyramid scenic area.

Because it was already in the wee hours of the morning, there were no tourists or staff here.

In the vast desert, there were only three pyramids and a Sphinx standing there. It looked a little desolate and strange.

After parking the car...

Yang Luo and the other three walked into the scenic area and approached the pyramid.

“Brother Yang, which pyramid is the person you’re talking about hiding in?”

Bujie asked.

Yang Luo pointed at the tallest and largest pyramid, “It’s this Pyramid of Giza!”

Xu Ying, Bujie, and Prajna looked over.

Bujie hurriedly ran over and shouted, “Hey, which demon is hiding inside? Show yourself quickly!”

However, there was no movement from the pyramid.

Prajna said, “Brother Yang, is there really someone inside? Could you have made a mistake?”

Yang Luo said firmly, “No, I can still feel this person’s aura even now, and it’s getting stronger and stronger!”

Xu Ying’s expression changed and he exclaimed, “I seem to have sensed it too. Although it’s faint, there’s indeed an aura hidden inside!”

Before his voice could fade...

Suddenly!

Rumble rumble rumble!

The tallest and largest pyramid suddenly trembled!

As the pyramid trembled, the ground within a radius of thousands of meters also trembled, as if it had triggered an earthquake!

“Xu Ying, Bujie, Prajna, be careful, retreat quickly!”

Yang Luo exclaimed and quickly retreated with the three of them.

Yang Luo and the others only stopped after retreating hundreds of meters.

However, the pyramid did not stop trembling.

After a few minutes of silence.

Under the witness of Yang Luo and the other three,

The pyramid began to slowly move to the side.

“What the f**k!”

Bujie was shocked, “The pyramid actually moved?!”

“How... how is this possible?!”

Prajna’s eyes widened like saucers.

Xu Ying frowned and said, “This is too strange. Why would such a huge pyramid move on its own?”

Yang Luo also narrowed his eyes slightly and stared intently at the pyramid.

After more than ten minutes...

The pyramid had moved horizontally for more than a hundred meters, revealing a huge square pit.

Yang Luo and the others looked in the pit, but it was pitch-black inside.

Even with the moonlight, it was impossible to see what was inside.

But at this moment...

A dazzling golden light suddenly blossomed from the pitch-black pit...

Chapter 1043: The Last Pharaoh!

“Eh, why is there light inside? What exactly is emitting light?”

Prajna asked curiously.

Bujie said excitedly, “Looks like this pyramid is indeed extraordinary!”

Are we going to witness a miracle of the world?”

As the light flickered, even more majestic energy spread out from the pit.

After a while...

An object emitting a golden light flew out of the pit.

The moment it flew out of the pit!

It dispersed the darkness and illuminated the world!

Only then did Yang Luo and the others see the original appearance of this object clearly!

It turned out that this was a golden coffin!

The golden coffin emitted a dazzling golden light and was engraved with ancient runes and patterns that were extremely mysterious!

“What’s going on? Why is a coffin flying out of this pit?!”

Bujie was dumbfounded.

Xu Ying and Prajna were also stunned.

Even Yang Luo felt surprised.

After flying more than a hundred meters, the golden coffin suddenly straightened itself!

And right on the heels of that...

The coffin lid opened, and a mummy wrapped in white cloth appeared in front of Yang Luo and the others!

A few more minutes passed.

The white cloth untied itself and flew out of the golden coffin, floating in the sky!

Only then did Yang Luo and the others realize that the person wrapped in the white cloth was a dried corpse!

Bujie gulped and said, "Brother Yang, is this the living person you mentioned? This is clearly a dried corpse..."

However, before he could finish speaking!

The corpse emitted a dazzling golden light and transformed into the image of a handsome young man in a golden robe, a golden crown on his head, and a golden scepter in his hand!

This young man looked like the past Pharaohs of the Country Golden Tower that were depicted!

In the next second...

The young man opened his eyes and two golden beams of light shot out from his eyes. They streaked across the night sky and disappeared in a flash!

"What the f*ck! It's a zombie!"

Bujie screamed in fear and took a few steps back.

"Is he a human or a ghost?"

Prajna was also trembling in fear.

Xu Ying was dumbfounded and could not say a word.

Even Yang Luo, who had seen all kinds of strange things, was shocked.

If it was anyone else, they would probably be shocked by this scene.

A golden coffin flew out of the pyramid. Inside the golden coffin lay a mummy, but this mummy was actually alive...

If this matter were to spread, it would definitely cause a huge earthquake in the world!

After the young man woke up, he took a step forward and landed steadily on the top of a pyramid beside him.

He looked up at Yang Luo and the others and frowned slightly.

In an instant...

The entire location fell into a strange silence.

It couldn't be helped. The impact in front of them was too great. Yang Luo and the other three had yet to recover.

There was a moment of silence.

The young man looked at Yang Luo and frowned, "Kid, you were the one who used your divine sense to probe me during the day, right?"

"That's right."

Yang Luo nodded and said, "I was just very curious why there was the aura of a living person in the pyramid."

The young man said indifferently, "I'm a living person to begin with. I'm just sleeping and cultivating here."

"Who are you? Why are you hiding in the pyramid?"

Yang Luo asked in confusion.

The young man replied, "My name is Bagutra. I'm the last Pharaoh of Country Golden Tower!"

The corners of Bujie's mouth twitched, "What the f*ck, what kind of joke is this? You're the Pharaoh of the Country Golden Tower?!"

Prajna said in surprise, "Aren't the Pharaohs of the Country Golden Tower already dead? Why are there still Pharaohs?"

Bagutra said, "Little girl, who told you that the Pharaohs are all dead?"

These ordinary people in the world could not touch the deepest mysteries of this world at all.

They would only use some superficial knowledge and theories to judge some things.

They don't even know how stupid and ridiculous it is."

Yang Luo agreed with Bagutra's words.

As his horizons broadened, he also came into contact with some of the deeper mysteries of this world.

This world was definitely not as simple as he had imagined.

“Little girl?”

Prajna frowned, “You don’t look much older than me. How dare you call me little girl?”

Bagutra narrowed his eyes and said, “Actually, I’m already more than a hundred years old. Why can’t I call you little girl?”

“What?! You’re more than a hundred years old?!”

Prajna was stunned, “Then why do you look so young?!”

Bagutra said, “This is just a secret technique of our Country Golden Tower that can maintain one’s appearance for a long time. There’s nothing special about it.”

As he spoke, his expression turned cold and he said loudly, “I hate being disturbed when I’m sleeping the most!

However, you came here to disturb me. I have to punish you!”

Yang Luo cupped his hands and said, “We’re only here out of curiosity. We have no intention of disturbing you.

Since the mystery has been solved, we’ll leave now.”

Bagutra said coldly, “You want to leave after disturbing me? Do you really think I have a good temper?”

Yang Luo looked up at Bagutra and said in a low voice, “Then what do you want?”

Bagutra said proudly, "Unless one of you can defeat me.

Otherwise, you will sleep here forever."

"Hehe..."

Yang Luo sneered and said, "Don't tell me you want to kill us?"

Bagutra said, "If you're not strong enough, so what if This Pharaoh kills you?"

Bujie instantly exploded in anger. "Mom, so what if you're a Pharaoh!

Come on, I'll fight you!"

Xu Ying and Prajna also took a step forward and looked coldly at Bagutra.

Bagutra shook his head and said, "The three of you can't be my match. Let that kid do it!"

As he spoke, he stared intently at Yang Luo.

"F*ck, are you looking down on me?"

Bujie became even angrier and said to Yang Luo, "Brother Yang, give me the weapon!"

"Brother Yang, I want to fight with this guy too!"

Xu Ying nodded and said.

"Alright!"

Yang Luo nodded and took out the Dragon-Mark Buddhist Staff and the Dragon Sparrow Saber from his storage ring. He threw them to Bujie and Xu Ying!

Prajna took out the Sun and Moon Divine Staff from her spatial necklace!

“Your weapons are not bad, but unfortunately, your strength is inferior to mine!”

Bagutra said in a trembling voice and waved the golden scepter in his hand!

Swoosh!

A golden beam of light whistled out and shot towards Xu Ying, Bujie, and Prajna!

The golden beam tore through the sky, emitting ear-piercing sonic booms!

Xu Ying and the other two were shocked. They quickly waved the weapons in their hands and faced the beam of light!

At that very moment...

Boom! Boom!

A clear sound of collision resounded!

Light shot in all directions, and energy fluctuations spread in all directions, raising waves of sand and rocks!

The impact of this golden beam of light was extremely powerful, causing Xu Ying and the other two to retreat continuously!

Just as Xu Ying and the other two were forced back!

Bagutra tapped the ground and jumped down from the pyramid!

He immediately moved in to Xu Ying and the other two!

Then, he waved the golden scepter in his hand and smashed it at Xu Ying and the others!

In response, Xu Ying flipped his wrist and slashed out!

Bujie swung the Dragon-Mark Buddhist Staff and struck out!

Prajna waved the Sun and Moon Divine Staff and sent out flames and ice!

Chapter 1044: Fighting the Pharaoh!

Rumble!

The sound of an explosion ripped through the area!

All kinds of energy and light shot out from the point of collision, dazzling to the eye!

Although Xu Ying and the other two's attacks were extremely powerful, they were still easily defeated by Bagutra and forced back the three of them again!

Just as Xu Ying and the other two retreated!

Bagutra waved the golden scepter in his hand again!

Hu! Hu! Hu! Hu!

The wind howled and swept up a large amount of sand and rocks, turning into sandstorms and tornadoes that crushed towards Xu Ying and the other two!

“Floating Light and Shadow!”

Xu Ying leaped up and gripped the Dragon Sparrow Saber tightly with both hands, slashing at the sandstorm tornado!

“Thousand Mass Suppression!”

Bujie charged forward wildly and swung the Dragon-Mark Buddhist Staff, smashing it out ruthlessly!

“Ice Wave Sky Overflow!”

“Fire Wave Burns the Sky!”

Prajna suddenly waved the Sun and Moon Divine Staff in her hand!

A wave of fire and an ice wave surged out at the same time!

Rumble!

Rumble!

Earth-shattering collisions and explosions resounded continuously!

Deafening collisions and explosions resounded non-stop!

However, just as Xu Ying and the other two broke through the sandstorm and tornado and were about to continue attacking Bagutra!

Bagutra chanted an incantation and waved the golden scepter in his hand!

“King’s Curse Bind!”

In the blink of an eye!

A blazing golden light shone out and enveloped Xu Ying and the other two!

Some ancient runes even condensed in the surroundings and surrounded the three of them!

“What’s going on? Why can’t I move?!”

Bujie screamed and struggled with all his might, but he could not break free at all.

Xu Ying and Prajna were also struggling, but they still couldn’t break free from the binds.

After trapping the three of them!

Bagutra waved the scepter in his hand and shouted!

“God-Wrapping Cloth!”

“Pharaoh’s Divine Coffin!”

The white cloth and golden coffin floating in the sky whistled over and headed straight for Bujie!

“F*ck, what the f*ck do you want?!”

Bujie shouted in fear.

Before his voice could fade...

The white cloth wrapped Bujie into a mummy and sucked him into the golden coffin, closing the lid!

“Bujie!”

“Brother Bujie!”

Xu Ying and Prajna shouted, stunned.

Then, Bagutra took out a palm-sized pyramid from his right hand and threw it into the sky!

“Millennium Pyramid!”

The palm-sized pyramid instantly enlarged. A golden door instantly opened and sucked Xu Ying and Prajna in!

The door closed and Xu Ying and Prajna were trapped inside!

Bagutra looked up at Yang Luo and narrowed his eyes, “Kid, you’re not planning to attack yet?”

Yang Luo said in a steely voice, “Since you’re so interested, I’ll fight with you!”

As he spoke, Yang Luo's entire body shook. The True Qi in his body erupted, and a dazzling golden beam of light surged from his body!

A golden dragon phantom also coiled around his body!

After witnessing Bagutra's strength, he did not hold back anymore. Instead, he went all out!

"You're indeed extraordinary!"

Bagutra narrowed his eyes and suddenly waved the golden scepter!

"Go!"

The golden coffin and pyramid whistled out, trying to suppress Yang Luo!

Yang Luo did not dodge or retreat. His figure moved and he soared into the sky, punching the golden coffin and the pyramid one after another!

Giant golden fists that filled the sky smashed out like golden meteors, and golden dragons roared!

Dong, dong, dong!

Accompanied by a series of dull collision sounds!

The golden coffin and the pyramid kept trembling!

After throwing hundreds of punches in a row...

The golden coffin and the pyramid were blasted apart at the same time!

Bujie, Xu Ying, and Prajna fell out!

“I was almost turned into a mummy by this guy!”

Bujie wiped his cold sweat and shouted.

Xu Ying and Prajna also looked at Bagutra solemnly.

After the battle just now, they also realized that this guy’s strength was very extraordinary.

Especially his Dharma artifacts, they were all extraordinary.

Yang Luo shouted, “Xu Ying, Bujie, Prajna, this guy is very strong. You’re not his match. Let me deal with him!”

The three of them nodded and retreated.

Just as the three of them retreated...

Bagutra waved the golden scepter in his hand again!

The God-Wrapped Cloth, the Pharaoh’s Divine Coffin, and the Millennium Pyramid whistled over at the same time, wanting to trap Yang Luo!

Yang Luo did not dodge or retreat. He clenched his fists and punched out!

Dang, dang, dang!

Under Yang Luo's storm-like fists!

The God-Wrapped Cloth, Pharaoh's Divine Coffin, and the Millennium Pyramid were sent flying at the same time. Then, they were beaten back to their original forms, all of them the size of a palm!

After sending these three magical artifacts flying!

Yang Luo transformed into a golden stream of light and shot towards Bagutra!

Bagutra waved the golden scepter in his hand again!

"Divine Light Shield!"

A golden shield that was like a city wall condensed and blocked in front of him!

"Explode!"

Yang Luo let out a roar and threw a punch!

Rumble!

The golden light shield was shattered by Yang Luo's punch, turning into golden fragments that filled the sky and shot out!

"Holy Spirit Snake!"

Bagutra shouted once more.

A huge golden snake condensed and bit at Yang Luo!

Yang Luo still did not dodge or retreat. He waved his right hand!

“ROAR...”

The phantom of a golden dragon roared from his body and collided with the golden snake!

Ooommmm!

The golden dragon phantom collided heavily with the golden snake. The golden light and energy that spread out rippled like waves!

Although the golden snake was incomparably powerful, it could not withstand the impact of the golden dragon phantom at all and exploded in the sky!

After shattering the golden snake, the golden dragon phantom continued to collide with Bagutra!

Bagutra’s expression darkened as he stomped on the ground!

“Sandstorm Divine General!”

Rumble rumble rumble!

The sand and stones on the ground swept up, condensing into a giant dozens of meters tall that rushed towards the golden dragon phantom!

In the blink of an eye!

Boom! Boom!

The golden dragon phantom collided heavily with the Sandstorm Giant, emitting a shocking collision sound!

In the next second...

Peng!

The Sandstorm Giant was directly shattered, turning into a large number of sand and rocks that floated in the sky!

Meanwhile, the golden dragon phantom rushed out of the sand and rocks and collided with Bagutra again!

Bagutra was shocked. Clearly, he did not expect that his heavy attacks could not do anything to Yang Luo!

His eyes suddenly widened as he let out a loud shout!

“Eye of the Pharaoh!”

Two golden pupils streaked across the night sky and shot towards the golden dragon phantom!

The two golden pupils were incomparably terrifying. They pierced through the golden dragon phantom’s body and imploded it!

However, the moment the golden dragon phantom exploded!

Yang Luo had already approached Bagutra. Then, he twisted his fist and punched out!

Bagutra could only wave his golden scepter and face the attack!

Clang!

The fist and staff collided, shaking the world and shaking the surroundings!

The ground was constantly torn apart, and waves of sand and rocks soared into the sky. It was an incomparably spectacular sight!

After this huge collision!

Yang Luo took a few steps back from the impact!

However, Bagutra was sent flying...

Chapter 1045: Hidden Alliance!

Seeing this scene...

Bujie chuckled and said, "Although this guy's strength is not bad and he has many Dharma artifacts, he is ultimately not Brother Yang's match."

"Of course. Brother Yang is the best!"

Prajna waved her fist.

Xu Ying said, "I have to admit that this guy is indeed very strong.

I'm afraid his strength is comparable to those Divine Kings, Demon Kings, and Chief Gods."

"That's true."

Bujie nodded and clicked his tongue, "I didn't expect such a mysterious expert to be hidden in the Country Golden Tower."

At this moment.

On the distant battlefield.

When Bagutra was sent flying...

Yang Luo's figure moved, turning into a stream of light that rushed towards Bagutra!

Bagutra's expression changed. Before he could stabilize his body, he waved the golden scepter again!

“Pharaoh’s Divine Guard!”

In an instant!

Tens of thousands of divine guards in golden armor and holding various weapons condensed into a divine army that charged at Yang Luo!

Peng, peng, peng!

Yang Luo kept punching and blowing up the divine guards that were charging over, turning them into a large amount of golden rain of light that splattered everywhere!

However, no matter how many divine guards Yang Luo destroyed, he would just condense more divine guards and charge at Yang Luo one after another!

The moment the tens of thousands of divine guards charged over from all directions!

Yang Luo’s entire body trembled as he let out an explosive roar!

“Burning Eight Desolates!”

The golden true fire surged out of his body like a landslide and tsunami, sweeping in all directions!

Rumble!

Before the divine guards could approach, they were all destroyed and exploded into balls of golden light!

Seeing that that Yang Luo had withstood his attack again...

Bagutra directly threw the scepter in his hand!

“Pharaoh Sword!”

The scepter actually turned into a golden longsword. The body of the sword was engraved with golden snake patterns and ancient runes as it shot towards Yang Luo!

“F*ck!”

Bujie was shocked, “The scepter in this guy’s hand can actually turn into a sword?!”

Xu Ying and Bujie were also very surprised.

They had finally witnessed that this guy's Dharma artifacts were indeed not simple.

"Dragon Emperor Sword!"

Yang Luo did not hold back anymore and shouted!

Whoosh!

The Dragon Emperor Sword flew out of his storage ring and shot towards the Pharaoh Sword!

Clang!

The two golden swords collided in the sky, emitting a crisp ringing sound!

Violent True Qi, Sword Qi, and energy spread out wantonly, as if they wanted to destroy everything in their surroundings!

Fortunately, Bagutra activated his Dharma artifact, the Millennium Pyramid, to project golden light and protect the three pyramids and the sphinx in the distance. Otherwise, they would have been destroyed long ago!

Under the collision!

The two golden swords were sent flying at the same time!

Yang Luo and Bagutra grabbed their swords at the same time and rushed towards each other!

In a flash!

The two of them crossed more than a hundred meters and swung their swords at each other at the same time!

Clang!

The two swords collided fiercely, shooting out sparks and golden light!

Rumble rumble rumble!

The ground under their feet began to crack and collapse!

Yang Luo's right arm suddenly shook, sending Bagutra flying!

After sending Bagutra flying...

Yang Luo stomped the ground and leaped out of the collapsed area, continuing to chase after Bagutra!

Bagutra flipped in the air. After stabilizing his body, he waved the sword in his hand!

"Thousand-Year Reincarnation Array!"

In the blink of an eye!

Nine pyramids that were dozens of meters tall condensed into an ancient array that surrounded Yang Luo!

After the array formation condensed!

Densely packed golden beams and golden swords shot out from the nine pyramids and headed straight for Yang Luo!

Countless golden divine guards rushed out of the pyramid and attacked Yang Luo!

Golden snakes flew out and bit at Yang Luo!

Facing the attack of this array formation!

Yang Luo stood proudly on the ground, his entire body trembling!

“Nine Heavens, Dragon’s Fury!”

“Roar, roar, roar!”

Nine golden dragon phantoms roared from his body and collided in all directions!

Rumble!

The light beams and longswords that shot over were all destroyed by the divine guards and the golden snake!

The nine pyramids also continued to collapse and explode!

Just as Yang Luo was about to escape!

“The King’s Judgement!”

A roar came from the sky!

At some point in time, Bagutra had already appeared in the sky and slashed heavily at Yang Luo!

Swoosh!

A huge golden sword slashed down heavily!

“Hiss...”

A huge golden snake also bit down!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed into the sky!

“Dragon Breaks the Heavens!”

Swoosh!

A huge golden sword shook the void and slashed into the sky!

“ROAR...”

A golden dragon phantom roared and charged towards the golden snake!

Clang!

Boom! Boom!

The Dragon Emperor Sword and the Pharaoh Sword collided at the same time with the golden dragon phantom and the golden snake, emitting a collision sound that shook the nine heavens!

Bagutra was already very strong, but Yang Luo's strength was still superior!

Finally, accompanied by a rumbling explosion!

The huge golden snake that was biting down exploded!

Bagutra let out another explosive roar!

"Sphinx, come!"

"ROAR..."

A huge sphinx beast condensed into form and collided with the golden dragon phantom that roared over, blocking Yang Luo's attack!

Without any hesitation, Yang Luo's body shook!

"Roar, roar, roar!"

Another eight golden dragon phantoms roared from his body and collided into the sky!

“This...!”

Fear appeared in Bagutra’s eyes. He wanted to retreat, but it was too late!

Rumble!

A series of earth-shattering explosions resounded!

The huge sphinx completely crumbled and exploded!

“Ugh!”

Bagutra let out a painful cry as he was sent flying!

He only managed to stabilize himself after flying dozens of meters away!

His body was already bleeding from the explosion!

Yang Luo looked up at Bagutra and said loudly, "Do you still want to continue?"

Bagutra sighed softly and sighed, "Kid, it seems that you're much stronger than the rumors say!"

"Hmm?"

Yang Luo looked puzzled and asked, "You know me?"

"Of course I do."

Bagutra nodded and said, "I know very well what you've done in the Dark World during this period of time."

Now, he had already been conquered by Yang Luo's strength, so he did not call himself king anymore. Instead, he spoke to Yang Luo as an equal.

Yang Luo was even more puzzled, "Are you also from a certain organization in the Dark World?"

"That's right."

Bagutra nodded and said, "I'm a member of the Hidden Alliance and ranked among the ten kings."

"What?! You're from the Hidden Alliance?!"

Yang Luo's face was filled with shock.

Xu Ying, Bujie, and Prajna had also just ran over. When they heard Bagutra's words, they were stunned.

Although they had all heard of the Hidden Alliance, they had never seen anyone from it.

However, no one expected this guy in front of them to be from the Hidden Alliance!

Chapter 1046: Powerful Allies!

Everyone in the Dark World knew that the Hidden Alliance was a very mysterious organization.

While there had been many conflicts in the Dark World in the past, the Hidden Alliance rarely participated.

However, no one dared to ignore the existence of this organization.

This was because this organization was too powerful.

It was an existence on the same level as the Holy Imperial Court, the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace.

However, to Yang Luo and the other three's surprise,

The last Pharaoh of Country Golden Tower was actually from the Hidden Alliance.

"Why? Are you surprised?"

Bagutra asked with a smile.

"I'm surprised."

Yang Luo nodded and said, "We've heard rumors about the Hidden Alliance before, but we've never seen anyone from this organization."

Bagutra laughed out loud and said, "We just don't want to get involved in the battles in the Dark World and don't want to show ourselves."

If you hadn't happened to disturb me, I wouldn't have appeared."

Yang Luo frowned and said, "Now that the Dark World is about to fall into chaos, the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace will join forces to dominate the entire Dark World.

These three organizations will definitely target your Hidden Alliance.

I'm afraid you only have two choices. Either submit or perish."

"It's impossible for these three organizations to make our Hidden Alliance submit.

If they want to destroy us, they have to see if they have the strength."

Bagutra replied in a low voice, "Of course, leave such a huge matter to my emperor to worry about."

Yang Luo asked, "Who exactly is the master of your hidden alliance?"

"A secret."

Bagutra smiled mysteriously and said, "You'll know when you see my Emperor in the future."

Yang Luo asked again, "Then who are the ten kings of your hidden alliance?"

Bagutra said, "The ten kings of our hidden alliance are all experts hidden in this world.

A few of them are like me, descendants of a lost ancient civilization.

For example, descendants of the Mayan civilization, descendants of the Atlantean civilization, and so on.

As for who they were, I won't say much.

They are all very low-key and are unwilling to reveal their identities."

"Could it be that those lost ancient civilizations really exist?!"

Prajna asked in surprise.

Bagutra said, "Some ancient lost civilizations really exist, but there are also some lies fabricated by people now."

"I see."

Yang Luo nodded in realization and continued, "If possible, I hope to cooperate with your Hidden Alliance to deal with the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace together."

"You're working with us?"

Bagutra looked at Yang Luo curiously and said, "Kid, you are indeed very strong.

However, if you want to cooperate with our Hidden Alliance alone, you're probably not qualified.

But if you're willing to join our Hidden Alliance, I can introduce you."

Bujie rolled his eyes and said, "Is the Hidden Alliance that impressive?"

My Brother Yang is the successor of the Holy Imperial Court's next Divine Emperor.

Could it be that even the Holy Imperial Court is not qualified to cooperate with your Hidden Alliance?”

Hearing this...

Bagutra’s expression immediately changed as he said in surprise, “Kid, are you really the next successor of the Holy Imperial Court?”

“Maybe.”

Yang Luo nodded in reply.

Now that he had yet to obtain the recognition of all the Divine Kings, he naturally could not be sure if he could really succeed the position of Divine Emperor.

Bagutra narrowed his eyes and said, “Kid, you’re indeed not simple. You’re actually related to the Holy Imperial Court.

If this news spreads, I’m afraid the entire Dark World will be in an uproar.”

Yang Luo said, “I hope you can keep this secret for me.

At the very least, before I succeed the position of Divine Emperor, I don't want others to know this secret."

"Don't worry, I won't tell anyone about this."

Bagutra waved his hand and said, "Kid, after you really succeed the position of Divine Emperor, find an opportunity to have a good chat with our Emperor."

"Alright!"

Yang Luo nodded in agreement.

Bagutra smiled and said, "Kid, if there's nothing else, you can leave.

I have to continue sleeping and cultivating. I hope that one day, we can really fight side by side."

Yang Luo said, "I also hope that this day will come!"

Bagutra was indeed an expert.

He was an existence comparable to Divine Kings, Demon Kings, Chief Gods, and Guardian Angels.

If he could fight alongside Bagutra in the future, it would be a great blessing.

Of course, he still hoped to rope in a powerful ally like the Hidden Alliance.

Bagutra was already very strong, so the other nine kings and the controller of the hidden alliance were definitely not ordinary.

After their talk, Bagutra waved the golden scepter in his hand again.

Golden light spilled out.

The cracked and collapsed ground returned to its original appearance.

After restoring the ground, he turned around and walked towards the pit.

On his way to the pit...

The God-Wrapped Cloth flew over and enveloped it before being sucked into the Pharaoh's Divine Coffin.

After the coffin lid closed, the Pharaoh's Divine Coffin flew into the pit.

Then, the pyramid moved back and covered the pit.

Yang Luo and the other three looked at the scene in front of them in a daze, feeling like they were in a dream.

However, they knew that everything that had just happened was real.

Bujie took a deep breath and said, "What a strange guy."

Xu Ying said, "I'm even more curious about this Hidden Alliance."

"Me too. I really hope I can go to the Hidden Alliance headquarters in the future and meet the other kings of the Hidden Alliance!"

Prajna echoed.

Yang Luo looked at the night sky in the distance and said, "Then we have to make ourselves stronger!

Only then can we be qualified to talk to the top experts of the Dark World on equal terms!"

"Yes!"

Xu Ying and the rest nodded.

Yang Luo's gaze became exceptionally firm.

It seemed that he had to control the Holy Imperial Court as soon as possible.

Only by taking control of the Holy Imperial Court would he have the confidence to rope in the organizations of the Dark World and fight against the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace together.

"Let's go!"

Yang Luo waved his hand and left the pyramid with Xu Ying and the other two...

...

In the next five days...

Yang Luo went around with Alinda in Country Golden Tower to sightsee and play.

On the morning of the sixth day.

At the airport.

In the departure hall.

“Mr. Yang, Miss Alinda, are you leaving already? Aren’t you going to play for a few more days?”

Albas asked Yang Luo and Alinda.

“That’s right. Why don’t we play for a few more days?”

Flora echoed.

Alinda smiled and said, "Mr. Albas, Miss Flora, Mr. Palga, I've troubled you for the past few days.

However, our association still has something to deal with, so we have to go back."

Yang Luo also smiled and said, "We've been out for many days. It's time to go back as well."

Albas nodded and said, "Alright, in that case, we won't force you to stay.

I hope you can come to our place as guests next time."

"Alright!"

Yang Luo and Alinda nodded.

Chapter 1047: The Ambition of the Dark Mad God!

At this moment.

A voice sounded on the radio.

The plane from Thousand Towers City to Country Oxford was about to take off.

Alinda hugged Yang Luo heavily and said, "Yang Luo, I'm going back. You have to take good care of yourself."

"I'll visit you when I have time later."

Yang Luo smiled gently and said, "You have to take good care of yourself too. If there's anything, call me anytime."

"Ok!"

Alinda nodded and said to Xu Ying, Bujie, and Prajna, "See you next time!"

"Goodbye, sister-in-law!"

"Goodbye, Sister Alinda!"

Xu Ying and the other two waved their hands.

After saying their farewells to each other,

Alinda, Smith, and the others from the Euro Domain's Western Medical Association walked through the security checkpoint.

After watching Alinda and the others leave...

Yang Luo took out his phone and called Su Qingmei.

The phone rang for a while before it was picked up.

Yang Luo said, "Qingmei, I'm going back to Country Hua. Are we going to Xiangjiang to visit Sister Wanqiu together?"

"I want to visit Auntie too, but I'm discussing a collaboration in Country Kimchi now. I'm afraid I can't go with you.

Go visit Auntie first this time. I'll find time to go myself later."

Su Qingmei's voice sounded.

“Huh?”

Yang Luo was stunned, “Why did you go to Country Kimchi?”

Su Qingmei said, “Because of the fall of the Huangfu family, Amori, the largest cosmetics company in Country Kimchi, lost its partner in Country Hua.

Therefore, the chairman of Amori Group contacted me and wanted to collaborate with Hua Mei Biomedical.

I also wanted to expand the market in the Country Kimchi, so I planned to talk to the chairman of Amori.”

Yang Luo nodded and asked, “By the way, how’s your discussion with Amori’s chairman?”

Su Qingmei said, “I just arrived in Country Kimchi today. I’ll probably meet the chairman of Amori tomorrow.”

“Alright, if anything happens, contact me at any time.”

“Alright.”

After chatting for a while, Yang Luo hung up.

Then, Yang Luo booked four tickets for the fastest flight to Sichuan's Rong City.

A moment later...

After Yang Luo greeted Albas and the others, he brought Xu Ying and the other two into the security checkpoint and boarded the plane to Xiangjiang...

...

At the same time...

North Atlantic.

In a hidden sea area.

There was a small island here called the Dark Island.

This island was where one of the four top assassin organizations in the Dark World, the Dark Shrine, was located.

In the center of the island stood a palace.

The palace was black in color and emitted a sinister aura.

At this moment...

In the hall of the palace.

A huge black man more than two meters tall with a rough face sat on a throne made of black crystal.

This black giant was one of the four Kings of Assassins of the Dark Shrine, Dark Mad God.

There were fifteen people sitting on his left and right hands.

There were men and women among these fifteen people. Their skin color was different, but every one of them had an outstanding temperament. Their eyes were ferocious, and their bodies emitted a murderous aura.

These 15 men and women were the leaders of 15 small and medium-sized organizations in the Underworld.

There were assassin organizations, mercenary organizations, bounty hunters organizations, and so on.

During this period of time, the Dark Mad God had been secretly strengthening himself while the Dark World was in chaos.

Now, these 15 organizations had all submitted to the Dark Shrine.

However, he still felt that it was not enough and wanted to continue strengthening himself.

In addition to the leaders of these fifteen organizations, all the upper echelons of the Dark Shrine were present in the hall.

“Lord Mad God, why have you gathered all of us here today?”

The leader of an assassin organization asked.

Dark Mad God said loudly, “This time, I’ve gathered everyone here because I have a major plan to discuss with everyone!”

“A major plan? May I ask what the plan is?”

A leader of a mercenary organization asked.

The Dark Mad God narrowed his eyes and said, “Now that the time has come, I’m prepared to annex the God Slaying Temple and Violet in one go!

Therefore, please help me!”

“What?! You want to annex the God Slaying Temple and Violet?!”

“Oh my god, Mad God, isn’t this a little too impulsive?!”

“That’s right. The God Slaying Temple and Violet are also top assassin organizations in the Dark World like us!

It won’t be easy for us to annex them!”

All the leaders of the organizations present exclaimed.

The Dark Mad God raised his hand and said, “Everyone, this is not a decision I made on impulse. I’ve thought about it for a long time!

We have to be ambitious, motivated, and courageous to survive in the Dark World!

As the saying went, the bold might die from overeating, but the timid will definitely starve to death. This is the logic!

Now, our overall strength has far surpassed the God Slaying Temple and Violet!

As long as we can plan well, we will definitely be able to completely destroy the God Slaying Temple and Violet and annex them!”

A leader of the bounty hunter organization frowned and said, “Lord Mad God, you’re right.

But if we fail, we will suffer the crazy revenge of the God Slaying Temple and Violet.

Back then, Tomahawk and the other organizations also wanted to annex Violet, but they failed in the end.

Furthermore, Tomahawk and the other organizations have also suffered crazy retaliation and were completely wiped out.”

“Hmph!”

Dark Mad God snorted and said, “Those guys only roped in a few organizations and don’t have any plans. They wanted to annex Violet like that. They’re really stupid!

I’m different from them. The reason why I suggested annexing the God Slaying Temple and Violet this time was because I had carefully planned it!

Firstly, including our Dark Shrine, we have a total of 16 organizations this time. We’re much stronger than those guys!

Secondly, Country Stars & Stripes will also send people to help us destroy the God Slaying Temple and Violet this time!

Thirdly, our Dark Shrine still has powerful helpers. If we really encounter danger, they will help!”

“Lord Mad God, why is Country Stars & Stripes helping us?”

“Also, who is the powerful helper you mentioned?”

Someone hurriedly asked.

The Dark Mad God smiled and said, "The reason why Country Stars & Stripes will help us....

It's because the God Slaying Temple and Violet had offended them and killed many of them.

Therefore, they had always held a grudge and wanted to take revenge.

Now that they know that I'm going to attack the God Slaying Temple and Violet, they want to help us.

As for the powerful helper I mentioned, it's not convenient to reveal it yet.

When those helpers appear later, you will know."

The leader of an assassin organization said excitedly, "Lord Mad God, since you're already prepared, let's go all out this time!"

"Even iff we can really annex the God Slaying Temple and Violet and divide their resources...

Our various organizations will grow stronger again. Perhaps we can step into the ranks of top organizations in the future!”

A leader of a mercenary organization also echoed.

“Lord Mad God, if we attack the God Slaying Temple and Violet this time, I’m afraid we’ll cause a huge commotion. Is this really fine?”

After all, the Dark World Peace Ordinance has yet to be completely broken!”

Someone raised the worry in their hearts.

The other leaders also looked worried.

Dark Mad God chuckled and said, “Everyone, don’t worry. The Dark World Peace Ordinance only exists in name now!

“Now that the entire Dark World has begun to fall into chaos, we can totally do something big. We don’t have to care about these things!”

“By the way, Mad God, are we going to attack the Death God’s Palace?”

Someone asked.

Dark Mad God shook his head and said, "Don't touch the Death God Palace for the time being.

After all, the Death God Palace is backed by the Holy Imperial Court and cannot be underestimated.

When the Holy Imperial Court completely declines in the future, it won't be too late for us to move."

"Alright, we'll listen to your arrangements, Mad God!"

"I hope we can win this time and annex the God Slaying Temple and Violet in one go!"

"Hahaha, as long as we succeed this time, our various organizations will be able to completely rise and grow!"

All the leaders of the organizations and the upper echelons of the Dark Shrine were excited.

Dark Mad God said, "Alright, before we succeed, we can't be happy too early.

“Now, I’ll tell everyone the plan to ensure that this operation will succeed...”

“Yes!”

Everyone gave a solemn nod.

Chapter 1048: That Man Is Here!

At past three in the afternoon...

Yang Luo and the other three arrived at Xiangjiang Airport.

After walked out of the airport....

Yang Luo had wanted to give Su Wanqiu a call.

However, after thinking about it, he still did not call.

He planned to surprise the woman.

“Prajna, I haven’t seen Sister Wanqiu in a while. I want to buy some gifts for her. What do you think I should buy?”

Yang Luo asked.

Prajna thought for a moment and said, “Sister Wanqiu doesn’t lack anything. I don’t know what to buy either.

“Why don’t we just buy a bouquet of roses?”

Anyway, as long as it’s from you, I think Sister Wanqiu will be very happy.”

“That’s right. Although women think it’s vulgar to send flowers, it depends on who sends them.”

Bujie also seemed to know what was going on.

“Then... alright.”

Yang Luo nodded in reply.

Then, Yang Luo and the other three took a taxi to Hansheng Corporation.

On the way to Hansheng Corporation, Yang Luo bought a bouquet of roses from a flower shop.

Twenty minutes later.

Yang Luo and the other three arrived at the entrance of the Hansheng Corporation building.

After they got out of the car.

Yang Luo and the other three walked straight towards the building.

“Can I help you?”

A few security officers at the door walked over.

Yang Luo said, “I’m looking for the President of Hansheng Corporation, Su Wanqiu.”

“Alright, there’s another one.”

“President Su is so charming. So many suitors come every day.”

“However, this kid looks like an ordinary person. I don’t think there’s a chance.”

The security officers spoke one after another, looking at Yang Luo with sympathy and pity.

Yang Luo asked curiously, “Are there many people pursuing your President?”

A round-faced security officer said, “It’s not just a lot. The number of people who have come to woo President Su can line up from the South District to the North District.”

Yang Luo smiled and said, “Looks like your President is quite popular.”

The round-faced security officer raised his head and said proudly, “Of course. Our President Su is known as the number one beauty in Xiangjiang!”

A square-faced security officer sized up Yang Luo and shook his head, “Kid, someone like you really has no chance.

Therefore, I advise you to forget about it. Don’t waste your time.”

Yang Luo grinned and said, "How would I know if I don't try?"

Perhaps your President likes my type."

Xu Ying, Bujie, and Prajna tried their best not to laugh.

"Good luck, brother."

The square-faced security officer patted Yang Luo's shoulder and pointed at the hall, "Go to the rest area and wait."

"Alright!"

Yang Luo nodded and led Xu Ying and the other two into the hall.

As soon as they entered the hall,

Yang Luo was stunned.

There were more than 20 people sitting in a few rows in the resting area.

There were young people and middle-aged people. They were tall, short, fat, and thin. They were either holding roses or gift boxes.

“What the f**k!”

Bujie laughed, “Is this a talent show?”

Prajna clicked her tongue and said, “Sister Wanqiu is too popular. This resting area is almost full.”

Yang Luo sighed in his heart. Fortunately, he had taken down Sister Wanqiu early.

Otherwise, the competitive pressure would be really great.

Soon, Yang Luo brought Xu Ying and the other two to the resting area and sat down.

At this moment.

A fat man in a suit with slicked-back hair moved over and asked with a smile, "Brother, are you here to woo President Su too?"

"Er... yes."

Yang Luo nodded in reply.

The fatty revealed the Vacheron Constantin watch in his hand and bragged, "My family is in the foreign trade business.

Now that I've taken over the position of my father's chairman, my total assets are only a few hundred million.

By the way, buddy, what do you do for a living?"

"Me?"

Yang Luo was stunned for a moment. He turned around and asked Bujie and the others, "What is my occupation?"

To be honest, this fatty's question had indeed stumped him.

He seemed to have done everything. He did not know what he did exactly.

Xu Ying, Bujie, and Prajna were also stunned.

Bujie scratched his bald head. "That's right. What exactly does Brother Yang do?"

Prajna said, "Brother Yang, aren't you a doctor?"

"Oh, oh, right, right. I'm a doctor!"

Yang Luo nodded repeatedly.

Fatty shook his head and said, "Brother, it's not that I want to say this, but the people sitting here now are either starting their own company or inheriting the family business. The lowest value is tens of millions.

As a doctor, you really don't have any competitiveness."

Yang Luo smiled and said, "Brother, who said that doctors are not competitive?"

What if President Su likes doctors?”

Fatty straightened his neck and said, “If CEO Su can like you, I can even kneel down and call you Grandpa!”

“No, no, no.”

Yang Luo waved his hand repeatedly, “I don’t have a grandson your age.”

“Tsk, you make it sound like President Su really likes you.”

Fatty rolled his eyes and said, “Brother, just give up.”

At this moment...

In the President’s office.

Su Wanqiu, who was wearing a wine-red OL dress with black silk wrapped around her legs and a graceful figure, was reviewing documents with her long hair tied up.

At this moment.

Knock, knock, knock.

There was a knock on the door.

“Please come in.”

Su Wanqiu responded.

The door was pushed open.

Charlene, the female assistant, walked in.

“Is there anything?”

By the side, Su Wanqiu asked.

Charlene spread her hands and said, "President Su, more than 20 suitors came today. They all want to see you."

Su Wanqiu rubbed her forehead and waved her hand, "Send them away. I won't see anyone."

"Okay, President Su."

Charlene nodded and left the office.

When the door was closed...

Su Wanqiu turned to look out of the window and said resentfully, "Little Luo, when are you coming to see me? I miss you..."

At this moment.

In the hall on the first floor.

In the resting area.

The fatty's mouth never stopped talking as he chatted with Yang Luo.

Yang Luo only replied his sentence perfunctorily.

At this moment.

Charlene, the female assistant, walked out of the elevator.

"Assistant Xia is here!"

"Assistant Xia, what did President Su say? Is she willing to see us?"

"Of course. President Su must have been moved by my sincerity and wants to see me!"

"Bullsh*t, President Su definitely wants to see me!"

The men quickly got up and rushed over.

Charlene sighed and said, "Everyone, I'm really sorry. President Su doesn't want to see anyone and wants you to go back."

“Assistant Xia, is President Su willing to see me?”

Yang Luo carried a bouquet of roses and squeezed through the crowd.

Charlene said, “President Su said that she doesn’t want to see anyone...”

Halfway through her sentence, Charlene was stunned when she saw Yang Luo!

“You, you, you... You are...”

Charlene pointed at Yang Luo and was extremely excited.

“I—”

Yang Luo was about to speak.

But Charlene directly snatched the roses from Yang Luo’s hand and ran away.

In an instant...

Everyone present was stunned.

“What’s going on? Why did Assistant Xia suddenly run away?”

“That’s right. Before she left, she even took this brother’s roses!”

“Does President Su want to see this guy?”

“How is that possible? Didn’t President Su say that she won’t see anyone?”

Everyone looked at Yang Luo curiously and started discussing.

Yang Luo was also a little confused. He asked Xu Ying and the other two, “What’s going on? I haven’t finished speaking. Why did she run away?”

Xu Ying and the other two shook their heads.

They were also very confused.

After taking the elevator upstairs, Charlene went all the way to the President's office.

She didn't even bother knocking on the door. She pushed it open and shouted excitedly, "President Su, he's here! He's here!"

Su Wanqiu frowned and said, "Xiao Lin, why are you so agitated? Who is here?"

Charlene took a deep breath and said, "The man who defeated the eight medical experts of the Medical Saint Sect and the Oriental Medicine Sect in the Medical Dao Competition is here!"

Chapter 1049: He's My Boyfriend!

"Really?! He's really here?!"

Su Wanqiu stood up immediately, her face filled with excitement.

Charlene nodded repeatedly, "It's true. He's down there now. He was the one who brought this bouquet of roses!

Oh my god, President Su, I didn't expect that big hero to come because of his reputation. You're too charming!"

Without another word, Su Wanqiu rushed out of the office.

“President Su!”

Charlene shouted and quickly chased after him.

The two of them jogged into the elevator.

Charlene panted and said, “President Su, I know you admire that man very much, but don’t you already have a husband?”

Su Wanqiu did not say anything. She just clenched her fists and could not hide the joy in her eyes.

Charlene continued, “President Su, are you going to cheat on him?”

Su Wanqiu still did not speak.

Very quickly...

The elevator reached the first floor.

The moment the elevator door opened, Su Wanqiu rushed out.

“President Su! President Su!”

Charlene quickly followed.

At this moment.

In the main hall.

The men were about to leave when they saw Su Wanqiu coming downstairs and running towards them.

The woman’s flawless face, graceful figure, and long legs made all men unable to take their eyes off her.

“Coming, coming, President Su is here!”

“President Su, you’re finally willing to see me!”

“President Su, I’ve already booked a restaurant. I want to invite you to dinner tonight!”

The men all tidied up their appearances and greeted him with smiles.

However, Su Wanqiu bypassed them and ran towards Yang Luo.

“Yang Luo!”

She shouted happily and threw herself into Yang Luo’s arms.

At this moment...

The entire arena fell silent!

Everyone in the hall was stunned.

The security officers at the door were also stunned.

There was silence for a few seconds.

Then the entire hall went into an uproar.

“Oh my god, can someone tell me what’s going on?!”

“Why would my goddess throw herself into this guy’s arms?!”

“That’s right. This guy is dressed ordinary, his height is ordinary, and his appearance is ordinary. He’s clearly a loser!”

“This is the first time I’ve seen President Su so happy. It’s too shocking!”

Many people in the hall started discussing softly.

Especially Su Wanqiu’s suitors. All of them looked at Yang Luo, green with envy.

“Assistant Xia, who is this kid? Why is President Su throwing himself at him?”

The Fatty asked Charlene.

Charlene said in a daze, “This man defeated eight medical experts from the Medical Saint Sect and the Oriental Medicine Sect not long ago!

He’s the hero who won the first place for our Country Hua’s Chinese medicine!”

What she did not say was: Why did President Su throw himself into this man’s arms?

Was President Su really not afraid of being discovered by her husband?

“Holy shit!”

The corners of Fatty’s mouth twitched as he said in surprise, “I felt that this kid looked a little familiar just now, but I couldn’t remember who it was for a moment!

Now that I really look at him, he really seemed to be the kid in the video previously!

No wonder he said he was a doctor!”

“I know this bro. He’s really awesome!

Not long ago, this brother ruthlessly defeated those guys from Country Sakura and Country Kimchi, winning glory for us!”

“Since ancient times, beauties have loved heroes. It turns out that it’s not just a rumor!”

“It’s over. We have no way to compete at all!”

Su Wanqiu’s suitors smiled bitterly and shook their heads.

When they saw Yang Luo enter just now, they did not take him seriously at all.

However, who knew that Yang Luo was actually a great hero that people had been talking about recently?

Moreover, Su Wanqiu directly threw herself into this man’s arms.

They felt their hearts break.

At this moment...

Su Wanqiu hugged Yang Luo tightly and did not care about the gazes of others.

She sniffed and reprimanded, "You bad guy, you only came to see me now. Do you know how much I miss you?"

Initially, I wanted to go to Jiang City to see you, but there were too many things to do in the company. I couldn't leave at all."

Yang Luo also hugged the woman and said gently, "Sister Wanqiu, I'm sorry that I only came to see you now."

Su Wanqiu pouted and said, "Then you have to accompany me for a few days and make it up to me."

"Of course!"

Yang Luo smiled and nodded.

At this moment.

A mellow voice came from outside the door.

“Wanqiu!”

Everyone present turned around.

A tall and handsome young man in a black casual suit walked in.

Behind him was a group of young men and women in luxurious clothes with outstanding auras.

However, when he saw Yang Luo and Su Wanqiu hugging each other, the young man in the lead was so angry that his eyebrows twitched.

The young man strode over and asked angrily, “Wanqiu, who is this guy?”

Su Wanqiu held Yang Luo’s hand and said loudly, “Everyone, I’ll now announce something to everyone!

This is my boyfriend, Yang Luo!

We’ve been together for a long time!

Therefore, please don't come and give me flowers and gifts in the future!"

Actually, she had long wanted to announce that she had a boyfriend.

However, if Yang Luo was not present, no one would believe her even if she made it public.

Now that Yang Luo was here, she naturally would not hide it anymore.

As soon as these words were spoken...

The crowd went silent.

"F*ck, so this guy is President Su's boyfriend!"

"No wonder she didn't agree despite so many rich young masters wooing President Su!"

"If I had such an outstanding boyfriend, I wouldn't have agreed to anyone else!"

Su Wanqiu's suitors and employees started discussing.

“I don’t believe you.”

The young man roared, and the veins on his forehead bulged.

During this period of time, he had been pursuing Su Wanqiu.

Even if Su Wanqiu did not agree to it, he had long treated Su Wanqiu as his woman.

Su Wanqiu frowned and said, “Xu Yaofan, whether you believe it or not, this is the truth.

Therefore, please don’t come looking for me in the future.”

Xu Yaofan gritted his teeth and said, “Wanqiu, I’ve never seen you get close to any man before.

And now, you suddenly say that this kid is your boyfriend. How can I believe you?”

Yang Luo walked out and said, “Brother, Wanqiu is indeed my girlfriend. We’ve been together for a long time.

So, you shouldn't pester Wanqiu anymore."

Xu Yaofan glared at Yang Luo fiercely, "Kid, who do you think you are? Do you have the right to compete with me for Wanqiu?"

Yang Luo narrowed his eyes and said, "Then who do you think you are? How dare you compete with me?"

At this moment.

The Fatty at the side whispered, "Brother, he's Young Master Xu Yaofan from a first-rate family in Xiangjiang.

The Xu family's total assets are close to 100 billion yuan. They are an existence comparable to the Ning family."

Xu Yao tidied his collar and looked at Yang Luo proudly.

Charlene spoke up for Yang Luo, "Mr. Yang is a great hero who defeated eight medical experts from the Medical Saint Sect and the Oriental Medicine Sect not long ago and won the first place in the Medical Dao Competition!"

“Oh, so this kid is a famous person.”

Xu Yaofan smiled teasingly and said, “Kid, no matter how famous you are now, you’re just a doctor!

Is it so great that you’re a doctor? Can you compare to my Xu family?”

Chapter 1050: One Box Isn’t Enough, Is Four Box Enough?

Yang Luo looked at Xu Yaofan calmly and said, “So what if your Xu family is rich?

Wanqiu likes me. She’s my girlfriend.”

Xu Yaofan sneered, “Alright, so what if Wanqiu is your girlfriend now?

You both not married. Even if you’re really married, I can still snatch Wanqiu from you!”

Then, he turned to look at Su Wanqiu and said affectionately, “Wanqiu, I prepared a gift for you today. I guarantee that you will like it!”

As he spoke, he took out an exquisite box from his pocket and opened it.

The moment the box was opened!

This left behind a scene where everyone stood with their mouths agape!

There was an exquisite diamond ring inside, inlaid with a huge, crystal clear, and pure pink diamond!

“Oh my god, could this be the diamond ring ‘Pink Lover’ that was auctioned for eight million USD at the World Auction?!”

“There’s no mistake. This is ‘Pink Lover’. I didn’t expect this diamond ring to be in Young Master Xu’s hands!”

“Young Master Xu is really generous to give away a diamond ring worth eight million USD!

Compared to Mr. Yang’s bouquet of roses, it’s really not enough!”

“If any man gave me such a big diamond ring, I would agree on the spot!”

Everyone present was shocked and sighed at Xu Yaofan’s extravagance.

Xu Yaofan looked at Yang Luo provocatively and said, “Kid, aren’t you Wanqiu’s boyfriend?”

Did you only buy a bouquet of roses when you came to visit Wanqiu?

Can you be any more petty?”

A young woman in a Chanel dress and heavy makeup behind Xu Yaofan crossed her arms and mocked, “Kid, you’re considered a celebrity now.

You should have received a lot of bonuses from participating in the medical competition previously, right?

Could it be that you can’t even bear to buy a diamond ring for Miss Su?”

“Even if you can’t afford a world-class expensive diamond ring like Pink Lover, you should at least buy a diamond ring, right?

What’s a bouquet of roses? Are your feelings for Miss Su so cheap?”

A young woman with dyed yellow hair added.

She even raised her right hand and showed him a large diamond ring that was a few carats.

“Miss Su, can’t you tell who’s sincere and who’s pretending?”

“That’s right. If a man can’t bear to spend money on the woman he likes, then he doesn’t love this woman at all!”

“I think this kid definitely wants to be a pretty boy and climb up the Ning family’s social ladder!”

A few more young women chimed in.

These young women were all rich young ladies who had a good relationship with Xu Yaofan.

They were here to cheer for Xu Yaofan.

Now that they saw someone fighting with Xu Yaofan for Su Wanqiu, they naturally had to stand up and speak up.

Su Wanqiu said, “In my opinion, feelings cannot be measured by money or material things.

I like Yang Luo, so even if he gives me a bouquet of roses, I'm still very happy."

The yellow-haired woman added, "Miss Su, you're right.

However, without money and materialism as the foundation, the relationship won't last long, right?"

The woman in the Chanel dress also continued, "Miss Su, I think this kid saw that your Ning family is rich and powerful, so he wants to cling to you!

You'd better quickly break up with this kid. You and Young Master Xu are a match made in heaven!"

Su Wanqiu's expression instantly turned cold. She said in a deep voice, "I don't need you to tell me who I'm willing to be with!"

Xu Yaofan looked at Su Wanqiu tenderly and said, "Wanqiu, I'm sincere to you.

This eight-million-dollar diamond ring is just one of the small gifts.

When we get married in the future, I'll buy you a bigger diamond ring.

Therefore, I hope you can give me a chance...”

Yang Luo ignored Xu Yaofan and the others. Instead, he turned to look at Su Wanqiu and asked, “Wanqiu, do you like diamonds?”

Su Wanqiu replied, “I like you more than diamonds.”

Yang Luo smiled and said, “That means that you like diamonds. Since you like diamonds, you should have told me earlier!”

The woman in the Chanel dress sneered and said, “Kid, what do you mean?”

You’re not thinking of buying a diamond ring now, are you?’

Even if you buy it now, can you buy a world-class expensive diamond ring like ‘Pink Lover’?”

The yellow-haired woman also mocked, “Kid, isn’t it a little too late for you to only think of buying a diamond ring now?”

“It’s just diamonds. I have plenty.”

Yang Luo pursed his lips and took out a black password box from his storage ring.

Everyone was very puzzled, not knowing where Yang Luo took out the password box from.

However, everyone's attention was attracted, so they did not think too much about it.

Yang Luo placed the password box on the table at the side. After entering the password, he opened it.

The moment the password box was opened!

The entire hall fell silent!

Everyone looked at the contents of the password box in a daze!

The password box was filled with diamonds. There were more than a hundred of them!

There were white diamonds, red bricks, black diamonds, yellow diamonds, pink diamonds, and so on!

Moreover, each diamond was no less than one carat, and every one of them was perfect!

There was a moment of silence.

The entire place exploded.

“F*ck! This guy actually brought a box of diamonds over?!”

“More than a hundred diamonds, and all of them are no less than a carat. How much is this worth?!”

“The key is that these diamonds seem to have been carefully selected. None of them are flawed!”

In the hall, sighs and exclamations rose and fell.

Especially the women, their eyes were shining.

The corners of Xu Yaofan’s mouth twitched, as did the other rich young masters and young ladies he brought.

The yellow-haired woman quickly hid the diamond ring on her hand behind her back, not daring to show it again.

This was a box of diamonds!

It instantly killed the effect of Xu Yaofan's diamond ring!

Su Wanqiu was also dumbfounded.

Yang Luo looked at Xu Yaofan and the others and asked, "Is one box enough?"

As he spoke, he took out another password box and opened it.

The crowd went into another uproar!

"Another box, another box of diamonds!"

"The key is that there are still no less than a hundred of them. Each one is not less than a carat!"

"Oh my god, Mr. Yang is simply inhumane!"

Everyone stared at the diamonds in the two password boxes and gulped.

Xu Yaofan and the others trembled.

Two boxes of diamonds... This kid actually took out two boxes of diamonds at once!

Yang Luo looked at Xu Yaofan and the others and curled his lips, "Looks like it's still not enough!"

As he spoke, Yang Luo took out two more password boxes and opened them.

This time...

The entire hall just went crazy!

"Damn, Mr. Yang actually took out four boxes of diamonds. Am I f*cking seeing things?!"

"To be precise, there are three boxes of diamonds, and the other box is filled with diamond jewelry. How rich is Mr. Yang?!"

"Isn't that the 'Heart of Eternity' diamond ring worth more than ten million USD?!"

Mr. Yang actually got a world-class expensive diamond ring like the Heart of Eternity?!”

“It’s not just the ‘Heart of Eternity’... There’s also a diamond ring worth hundreds of millions of yuan!”

Everyone present trembled.

Many people even felt their legs go weak and they sat on the ground.

“Impossible, this is absolutely impossible!”

Xu Yaofan shook his head vigorously, his eyes bloodshot as he roared, “These diamonds and diamond jewelry must be fake!

How can anyone take out four boxes of diamonds at once? What kind of international joke is this!?”
