Chapter 1081: I Will Destroy It!

The entire arena fell silent!

Everyone present was dumbfounded.

“How is this possible? The Sect Master was actually beaten down by this kid with a single palm?!”

“Sect Master is a perfected Martial Highness Realm expert. He actually couldn’t even withstand a palm strike from this kid?!”

“Could it be that this kid’s strength has already surpassed the Sect Master?!”

All the disciples of the Seven Arches Sect present were dumbfounded, thinking that they were seeing things.

“This, this, this...”

Che Chengxu’s entire body trembled. He was so frightened that he could not speak.

Zheng Xinhong was the sect master of one of the five major martial arts sects in Country Kimchi. He was an existence that could fight a thousand people alone.

Unexpectedly, Zheng Xinhong was actually slapped to the ground by Yang Luo.

It was too unbelievable!

Park Seung-won was so frightened that he broke out in cold sweat. His face turned pale as he hurriedly hid to the side.

Li Pengchi, Jin Zhenxiong, Cui Yanbin, and Song Xiuyuan were also shocked.

Zheng Xinhong, who was lying on the ground, was shocked and furious. He roared, "Young brat, I'm going to kill you!"

Enduring the pain in his body, he flipped over and jumped up. He mobilized the True Qi in his body to the limit, raised his left arm, and slapped Yang Luo once more!

This palm was even more terrifying. It could even pulverize a stone tablet!

However, just as Zheng Xinhong's palm arrived!

Yang Luo's right hand grabbed at the air and grabbed Zheng Xinhong's wrist!

He looked at Zheng Xinhong coldly, "Old man, aren't you very good at hitting people? Watch this!"

As he spoke, he twisted his hand!

Crack!

The crisp sound of bones cracking resounded in the hall, making one's hair stand on end!

"Arghhhh!"

Zheng Xinhong let out a miserable scream. His left arm had been forcefully twisted off!

Then, Yang Luo exerted strength in his right hand and lifted Zheng Xinhong up before slamming him into the ground!

Boom...

The ground trembled again, and the entire manor shook again!

The hole on the ground expanded again!

Zheng Xinhong lay in the huge pit, in extreme pain.

Yang Luo stepped on Zheng Xinhong's chest and looked down at him. He said coldly, "Didn't you want to settle scores with me?"

Didn't you want me to go to hell? What about now?"

Zheng Xinhong found it difficult to breathe. His face turned red as he hissed, "Kid, this is Country Kimchi, the territory of our Seven Arches Sect!

If you dare to kill me, our Seven Arches Sect won't let you off!"

"Is that so?"

Yang Luo sneered, "So what if you're from the Seven Arches Sect? If you dare to provoke me, I'll definitely destroy you!"

“Young brat, you’re really arrogant. How dare you claim to destroy our Seven Arches Sect!

Our Seven Arches Sect is one of the five major martial arts sects in Country Kimchi!

“There are more than 5,000 disciples and many experts. Can you destroy them?!”

“Little bastard, I advise you to let Sect Master Zheng go quickly and not make a mistake!”

“If you dare to kill Sect Master Zheng, I’ll definitely tear you into pieces!”

“Hurry up and let Sect Master Zheng go!”

Li Pengchi, Jin Zhenxiong, Cui Yanbin, and Song Xiuyuan also roared.

Before their voices could fade...

Yang Luo stomped down with his right foot!

There was a crisp crack!

Zheng Xinhong's chest caved in!

"Pfft..."

Zheng Xinhong spat out a large mouthful of blood. His entire body twitched a few times before he quickly stopped breathing.

His eyes widened. Even until his death, he could not believe that Yang Luo would really kill him.

The entire hall fell into dead silence.

Shen Yun and Xu Yan were so frightened that they covered their mouths to stop themselves from screaming.

He was dead!

Zheng Xinhong was actually trampled to death by Yang Luo!

Che Chengxu and Park Seung-won sat on the ground in fear.

Li Pengchi's four elders were stunned at first, then they flew into a rage!

"Little bastard, you have a death wish!"

"Kill, kill this kid!"

"There's also the people this kid brought and those women!"

"Don't let any of them off!"

"Kill them!"

Li Pengchi and the other two elders roared and charged towards Yang Luo at the same time!

The dozens of disciples in the hall and the dozens of disciples who rushed in charged towards Xu Ying and the others!

Prajna guarded Su Qingmei, Shen Yun, and Xu Yan.

Xu Ying and Bujie wielded their saber and staff respectively as they charged towards those disciples!

Yang Luo took a step forward and charged towards Li Pengchi and the other three!

“Sevenfold Mountain Splitting Palm!”

Li Pengchi shouted and slapped out!

Seven greenish-gray palm shadows overlapped and slapped fiercely at Yang Luo!

“Heaven Breaking Moon Slaying Saber!”

Jin Zhenxiong raised a silver scimitar in his hand and slashed at Yang Luo!

With a slash, the saber beam flickered and saber qi wreaked havoc. It was incomparably sharp!

“Fire Beacon Fiery Fist!”

Cui Yanbin clenched his right fist, which was surrounded by dark red flames, and threw a punch!

With a punch, flames erupted and swept in all directions!

“Yin Wind Mountain Splitting Claw!”

Song Xiuyuan’s right hand turned into a claw and grabbed at Yang Luo!

With a swipe of his claw, a strong wind whistled and the sound of air being torn apart was extremely ear-piercing!

Li Pengchi and Jin Zhenxiong were at the mid-stage Martial King Realm!

Cui Yanbin and Song Xiuyuan were at the early-stage Martial King Realm!

The combined attacks of the four of them were extremely terrifying, as if they wanted to destroy everything!

However, Yang Luo was not afraid at all. He clenched his right hand into a fist and punched out wildly with a golden light!

Boom! Boom!

The sound of the collision resounded through the hall, causing everyone's eardrums to buzz!

The powerful and vast True Qi intertwined with a dazzling light and spread in all directions!

Crack! Crack!

The ground cracked inch by inch, and the broken tiles were sent flying into the sky!

The surrounding tables, chairs, and furniture were all shattered!

The next second!

“Ahhhh...”

Li Pengchi and the other three let out miserable cries as they were sent flying and slammed into a few walls!

The wall cracked and collapsed!

The two of them fell heavily to the ground, blood gushing out of their mouths.

Cowering from afar, Che Chengxu shivered while continuously shaking his head, "Not possible, this is not possible..."

Park Seung-won was so frightened that he gulped. His face was pale.

Li Pengchi and the other three were the four elders of the Seventh Sect and were famous martial arts experts in Country Kimchi.

However, he did not expect that even when Li Pengchi and the other three joined forces, they were actually not this kid's match.

How strong was this kid?

After sending the four of them flying,

Yang Luo walked towards the four of them step by step and said coldly, "Since you dare to threaten me to come here, you should consider the consequences!"

I have a principle!

If people don't offend me, I won't offend them!

If anyone offends me, I'll exterminate your entire family!"

"Little bastard, I'll fight you to the death!"

Jin Zhenxiong roared and jumped up, charging towards Yang Luo!

The moment he approached!

He leaped up and slashed at Yang Luo angrily!

"Die!"

Yang Luo shouted coldly and slapped out!

There was only a cracking sound!

The scimitar in Jin Zhenxiong's hand was broken by Yang Luo's slap!

"Sh\*t! How is that possible?!"

Jin Zhenxiong exclaimed and wanted to retreat, but it was too late.

Peng!

There was only a loud explosion!

Jin Zhenxiong's head exploded like a watermelon from Yang Luo's slap!

"Ah...!"

Shen Yun and Xu Yan couldn't help but scream in fear.

Che Chengxu and Park Seung-won were so frightened that they peed their pants.

This kid was simply a demon!

“Go to hell!”

At this moment, an angry roar came from behind. Cui Yanbin twisted a fist wreathed in fire as he punched towards Yang Luo’s back!

Yang Luo suddenly turned around and reached out with his right hand, grabbing Cui Yanbin’s throat!

He said coldly, “Is a sneak attack useful in the face of absolute strength?”

As he spoke, Yang Luo suddenly exerted strength in the five fingers of his right hand!

Crack!

Cui Yanbin’s neck was snapped!

Chapter 1082: Is An Apology Useful?

Then, Yang Luo threw Cui Yanbin aside as if he was throwing away trash and walked towards Li Pengchi and Song Xiuyuan.

Seeing Yang Luo walk over,

Li Pengchi and Song Xiuyuan were scared out of their wits!

Jin Zhenxiong was slapped to death!

Cui Yanbin's neck was broken!

Only then did they understand how terrifying this kid's strength was!

"Run! Run!"

Li Pengchi shouted in shock, got up, and prepared to run out.

Song Xiuyuan also got up and prepared to escape.

However, they had only run a few steps when they heard his voice.

"Run? Can you escape?"

The devilish voice echoed in their ears.

They suddenly looked up.

They saw that Yang Luo had already appeared in front of them and blocked their path.

Li Pengchi shouted at Che Chengxu, "Sect Master Che, quickly inform our Seven Arches Sect and get them to send someone over. Hurry!"

"Yes... Yes!"

Chengxu replied in a trembling voice. Then, he took out his cell phone and prepared to make a call.

However, before he could make the call...

Swoosh!

A golden light whistled towards him like a sharp sword!

In the blink of an eye!

Psh!

The golden light pierced through his palm and cell phone at the same time!

Blood spurted out and splashed on his face!

“Arghhhh!”

Che Chengxu screamed in pain and his entire body trembled.

“Ah...!”

Park Seung-won, who was slumped at the side, also screamed in fear.

Seeing that they could not ask for help,

“Let’s fight it out with this kid!”

Li Pengchi let out a roar and mobilized the True Qi in his body to the limit as he charged towards Yang Luo!

Song Xiuyuan also roared and charged at Yang Luo!

The moment they got close!

Li Pengchi and Song Xiuyuan attacked Yang Luo at the same time!

“Die!”

Yang Luo spat out a word indifferently and threw a punch!

Boom! Boom!

The earth-shattering sound of collision immediately exploded in the hall!

“Uhhh...”

“Ah...!”

Li Pengchi and Song Xiuyuan let out miserable cries as their bodies flew out like cannonballs and collided with a wall.

Rumble...

The wall collapsed.

The two of them fell heavily to the ground, blood gushing out of their mouths, and they quickly stopped breathing.

Just as Yang Luo killed Li Pengchi and the other three...

Xu Ying and Bujie had also killed all the other disciples of the Seven Arches Sect.

Then, Yang Luo turned around and walked towards Che Chengxu.

When Yang Luo approached,

Che Chengxu knelt down and begged for mercy with snot and tears, "Mr. Yang, I was wrong. Please spare my life!

I won't dare to go against you anymore!"

He only wanted to survive now. Only by surviving could he tell the Seven Arches Sect about what had happened here and have a chance to take revenge.

Yang Luo stared coldly at Chengxu and said, "Che Chengxu, you spent so much effort to lure me here to kill me!

Now, just by saying "I was wrong", you can pretend that this matter did not happen?

If I wasn't strong enough, I would have died at your hands long ago, right?"

Chengxu said with a sobbing tone, "Mr. Yang, I really know my mistake. Please forgive me this time!

As long as you can let me off, you can raise any conditions!

No matter what you want, I'll give it to you with both hands!"

“I want your life. Will you give it to me?”

Yang Luo asked indifferently.

“Mr. Yang, I’m sorry, I’m sorry!”

Spare me, spare me!”

Che Chengxu kowtowed hard to Yang Luo.

“If an apology was useful, there wouldn’t be so many evil people in this world.”

Yang Luo sighed softly and slapped his head.

Bang!

There was a muffled sound!

Che Chengxu immediately bled from his seven orifices. With a bang, he fell to the ground and died completely.

After killing Chengxu...

Yang Luo turned to look at Park Seung-won.

Park Seung-won was so frightened that he trembled and said, "Mr. Yang... This has nothing to do with me... It has nothing to do with me!"

It's Che Chengxu and Zheng Xinhong who want to kill you... It has nothing to do with me!"

"Who are you?"

Yang Luo frowned and asked.

"I... I'm the chairman of Amori Corporation... Park... Park Seung-won."

Park Seung-won replied with a trembling voice.

“This matter indeed has nothing to do with him. He’s just watching the commotion from the side.”

At this moment, Su Qingmei walked over.

“Oh...”

Yang Luo nodded and asked, “Then have you discussed your cooperation with this guy?”

“Nope.”

Su Qingmei shook her head.

“No?”

Yang Luo looked puzzled, “What happened?”

Su Qingmei did not hide anything and told Yang Luo about her cooperation with Park Seung-won.

After hearing Su Qingmei’s words, Yang Luo’s expression darkened.

Park Seung-won was scared out of his wits. He hurriedly said, “Mr. Yang, Miss Su, I’m willing to cooperate with Hua Mei Biomedical. I don’t want 70% of the profits. I just want 30%!

Oh, that’s not right. 20% of the profits is fine. 10% is fine too!”

Yang Luo looked up at Park Seung-won and said, “Since you have nothing to do with this matter, I naturally won’t kill you!

However, there is no need for cooperation!

Also, let me tell you something!

Don’t think about bullying my woman!

Our Hua Mei Biomedical doesn’t allow you to belittle us!

Your company isn’t that good either!”

With that said, Yang Luo slapped Park Seung-won’s face!

“Ah...!”

Park Seung-won cried out in pain as he was slapped to the ground.

“Let’s go!”

Yang Luo ignored Park Seung-won and led Su Qingmei and the others out.

However, when he reached the door, he stopped and said in a grim voice, “Park Seung-won, just you wait!

The moment our Hua Mei Biomedical collaborates with the other companies in Country Kimchi, it will be the time when your Amori falls from grace!”

Then, Yang Luo left the Park family manor with Su Qingmei and the others.

After leaving the manor.

Yang Luo brought Su Qingmei and the others to a hotel in Han City and booked a few rooms.

After that, Yang Luo helped Su Qingmei, Shen Yun, and Xu Yan treat their faces.

In just a few moments.

The finger marks and redness on the three women's faces dissipated.

Xu Yan said in admiration, "Brother Yang's medical skills are really amazing. In less than a few minutes, our faces have recovered!"

Bujie curled his lips and said, "Little Sister Yan, it's not like you just found out that Brother Yang's medical skills are very powerful."

Xu Yan stuck out her tongue and said, "But every time I see Brother Yang use his medical skills, he's really handsome!"

Shen Yun looked at Yang Luo and said worriedly, "Mr. Yang, you killed the Sect Master and elder of the Seven Arches Sect today. You also killed the Sect Master of the Oriental Medicine Sect.

I'm afraid the Seven Arches Sect and the Oriental Medicine Sect won't let this matter rest."

"That's right."

Su Qingmei nodded and said, "The Park family is already the third family in Country Kimchi.

However, Park Seung-won was so respectful to Zheng Xinhong and Che Chengxu.

This was enough to prove that the Seven Arches Sect and the Oriental Medicine Sect were extremely powerful in Country Kimchi.

Now that Zheng Xinhong and Che Chengxu are dead, it would probably not be long before the entire Country Kimchi fell into chaos.

"I'm afraid we won't be able to leave Country Kimchi easily."

"Ah?"

Xu Yan was also shocked, "Then what should we do?!"

Yang Luo smiled easily and said, "Qingmei, Sister Shen, Xiaoyan, you don't have to worry.

I promise I'll bring you back safely."

In any case, Country Kimchi was very close to Country Hua, much closer than Country Sakura.

If the people from Country Kimchi really did not let them go...

At most, he would call the Dragon General and ask him to pressure Country Kimchi.

What was there to be afraid of in such a small place?

Chapter 1083: Eliminate the Roots!

Shen Yun asked, "Mr. Yang, do you really have a way to bring us back?"

Yang Luo nodded and said, "Of course I have a way. Have a good rest tonight."

"Alright."

Shen Yun and Xu Yan nodded.

After that, they chatted for a while.

Then Xu Ying and the rest went back to their rooms.

Yang Luo and Su Qingmei stayed in the same room.

Su Qingmei rubbed her eyebrows and said, "I didn't expect so much to happen when I came to Country Kimchi to discuss a collaboration.

The key is that we didn't manage to negotiate a collaboration. It's a headache."

"Alright, don't have a headache. We'll find a partner later.

Anyway, there were many cosmetics companies in Country Kimchi.

Even if we can't find a partner in the end, at most, we'll give up on Country Kimchi's market."

Yang Luo stood up and gently massaged Su Qingmei's shoulders.

"It's a pity to give up like this.

After all, Country Kimchi is quite good at cosmetics.

Otherwise, Amori wouldn't have become a world-renowned brand."

Su Qingmei sighed and shook her head, "Forget it, we'll see later."

After enjoying Yang Luo's massage for a while...

Su Qingmei stood up and said, "It's getting late. Hurry up and shower and sleep."

"Alright!"

Yang Luo nodded in reply.

After taking a shower...

After taking a shower, Yang Luo and Su Qingmei snuggled up to the bed to sleep.

Perhaps it was because she was too nervous today and her body was a little tired.

Now that she was leaning in Yang Luo's arms, Su Qingmei immediately felt a sense of security and fell asleep soon.

After confirming that Su Qingmei was asleep,

Yang Luo got up and put on his clothes.

He leaned over and kissed the woman's face before quietly leaving the room.

Walking out of the room, Yang Luo called Xu Ying, Bujie, and Prajna.

Not long after the call ended...

Xu Ying, Bujie, and Prajna came out of the rooms.

"Hmm?"

Yang Luo was stunned, "Aren't you guys asleep? Why are you out so quickly?"

Bujie curled his lips and said, "Brother Yang, we've followed you for so long. Don't we know your personality?"

We all guessed that you would definitely attack the Seven Arches Sect and the Oriental Medicine Sect tonight.

Therefore, we've already made preparations."

Xu Ying's eyes flashed coldly, "We have to get rid of the roots. If we don't destroy the Seven Arches Sect and the Oriental Medicine Sect, they will continue to find trouble with us in the future."

Prajna nodded.

Yang Luo smiled and said, "Since you all know, let's set off now!"

"Let's go!"

Bujie said excitedly, "My Buddhist staff is already unbearably thirsty!"

Pa!

Yang Luo slapped Bujie's bald head, "Don't be so agitated for no reason. If you suffer from cultivation deviation again, we won't be able to control you."

Bujie rubbed his head and said, "Brother Yang, after cultivating the cultivation technique you taught me, I can already control a portion of the demonic nature in my body, okay?"

"You still have to be careful."

Yang Luo replied and waved his hand, "Let's go!"

Then, Yang Luo and the other three took the elevator downstairs and rented a business car from a hotel. They also asked about the location of the Seven Arches Sect and the Oriental Medicine Sect.

After asking around,

Yang Luo and the others got into the car and left the hotel...

...

It was around midnight.

Cauldron City.

In the Barren Mountains.

Between the mountains, there were ancient buildings.

Even in the middle of the night.

There were also many disciples patrolling near the Seven Arches Sect.

At this moment...

In an ancient mansion.

The hall was brightly lit.

The upper echelons of the Seven Arches Sect were having an emergency meeting.

This group of higher-ups was led the vice sect master, Chi Chengyou.

There was also the Second Elder Zhao Changxiu, Third Elder Jiang Zhengtai, Fourth Elder Li Renhe, Fifth Elder Zhang Canyu, and Sixth Elder Pei Dongkui.

Chi Chengyou said with a dark expression, "Elders, I just received a piece of news!

Sect Master Zheng, Elder Li, Elder Jin, Elder Cui, and Elder Song were all killed by that Country Hua kid called Yang Luo!

Also, the 300 disciples that Sect Master Zheng and the others brought were all killed. None of them survived!"

"Impossible, this is absolutely impossible!"

"Sect Master Zheng and Old Li are so powerful. How can that kid kill them?!"

"That's right. Sect Master Zheng is a Martial Highness Realm expert, while Old Li and the others are Martial King Realm experts!

That kid is only in his early twenties. It's absolutely impossible for him to have such powerful strength!"

"Could it be that the information is wrong?"

Zhao Changxiu and the others spoke one after another, not believing it at all.

Chi Chengyou said, "I don't really believe it either, so I've already sent someone to gather more information. I reckon there will be a result soon."

At this moment.

A voice sounded.

"Deputy Sect Master, Elders, the news has been investigated!"

Chi Chengyou and the rest turned around and saw a disciple rushing in.

“How’s the situation?”

Chi Chengyou hurriedly asked.

The disciple gritted his teeth and said, “Vice Sect Master, Elders, Sect Master Zheng, Elder Li, and the others have all been killed!

Moreover, our people sent a photo of the event location!”

As he spoke, the disciple handed the phone to Chi Chengyou.

Chi Chengyou took the cell phone and looked at it.

Zhao Changxiu and the others also came over.

When they saw the photo on the phone,

Chi Chengyou and the rest were dumbfounded.

The photos were taken clearly. Zheng Xinhong, Li Pengchi, Jin Zhenxiong, Cui Yanbin, and Song Xiuyuan were all dead, and all of them had died tragically.

“Ahhh Ssibal!”

Chi Chengyou flew into a rage and crushed his cell phone.

Zhao Changxiu, Jiang Zhengtai, Li Renhe, Zhang Canary, and Pei Dongkui were also furious, their eyes filled with killing intent.

“This kid really killed Sect Master Zheng and the others. He simply has a death wish!”

Zhao Changxiu slapped the table, and it instantly shattered.

Jiang Zhengtai directly stood up and said, “This kid just killed someone. He shouldn’t have gone far!”

“We’ll immediately bring people to Seoul to find that kid and kill him!”

Li Renhe said ruthlessly, “Ever since our Seven Arches Sect was established, we have never suffered such humiliation!”

A few months ago, that kid killed two of our elders. Now, he killed our sect master, four elders, and hundreds of disciples!

If we don’t kill this kid, our Seven Arches Sect will lose all our face!”

Zhang Canary said angrily, “Then what are we waiting for? Let’s set off quickly. If we’re any later, this kid will escape!”

“Alright!”

Chi Chengyou also stood up and said in a trembling voice, “Gather our men immediately and rush to Seoul to kill that kid!”

“Let’s go!”

Zhao Changxiu and the others stood up and followed Chi Chengyou out.

But before they could walk out of the hall.

Shouts and screams came from outside.

“Enemy attack! Enemy attack!”

“Quick, quickly inform the Vice Sect Master and the Sect Master that someone has broken in!”

“Ahhhh...”

Hearing the commotion outside,

Chi Chengyou and the others were shocked and rushed out.

When he arrived outside the mansion, he saw that it was already in chaos.

All the houses were lit up. The disciples of the Seven Arches Sect were holding weapons and rushing towards the entrance.

Chi Chengyou and the other six people also hurriedly ran over.

At this moment.

At the entrance of the Seven Arches Sect.

Yang Luo, Xu Ying, Bujie, and Prajna were engaged in an intense battle with a group of disciples of the Seven Arches Sect!

The battle cries shook the heavens!

It was chaotic beyond measure!

Chapter 1084: Who Gave You The Courage?

Anyone who approaches will die!”

Yang Luo let out a roar and slashed forward with the sword in his hand!

Swoosh!

He slashed out, and sword light flickered as sword qi soared into the sky!

A huge golden sword slashed forward!

More than a hundred people who had charged over from the front were killed by a single sword strike!

Rumble!

The houses were also cut in half!

Rocks flew everywhere, smoke and dust rolling about. It was incomparably terrifying!

“Kill, kill this kid!”

More than a hundred people charged at Yang Luo from behind!

Yang Luo turned around and slashed horizontally!

Puff! Puff! Puff!

The throats of more than a hundred people were instantly slit open and they fell to the ground!

After killing these two groups of people!

Yang Luo held the Dragon Emperor Sword and continued to advance!

Xu Ying, Bujie, and Prajna followed Yang Luo and pushed forward!

Bujie roared and kept swinging the Dragon-Mark Buddhist Staff in his hand, sending all the disciples approaching flying!

Those disciples who flew out either died on the spot or lost their combat strength. They could not even get up!

Xu Ying and Prajna also kept waving the Dragon Sparrow Saber and the Sun and Moon Divine Staff in their hands, killing all the disciples who charged over!

It had only been less than ten minutes since the battle started!

But the number of deaths in the Seven Arches Sect had already exceeded a thousand!

Moreover, the number of deaths was still increasing!

Yang Luo and the other three were like killing gods and demons that had walked out of hell, mercilessly reaping lives!

Even though the disciples of the Seven Arches Sect kept rushing over from all directions, they could not do anything to Yang Luo and the other three!

Gradually, the morale of disciples of the Seven Arches Sect collapsed and they began to retreat step by step!

But right at this moment...

Furious roars sounded from ahead!

“Halt!”

“Who are you people? Why are you killing in my Seven Arches Sect?!”

“Do you guys want to die?”

Everyone could not help but turn in the direction the sword was thrown!

“The vice sect master is here, the elders are here!”

“Vice Sect Master and Elder, please kill these four fellows!”

“Even the vice sect master and elders are here. These four guys are dead meat!”

The disciples were overjoyed and roared.

It was Vice Sect Master Chi Chengyou, Elder Zhao Changxiu, Jiang Zhengtai, Li Renhe, Zhang Canyu, and Pei Dongkui!

Behind them were more than 30 Protectors!

Yang Luo narrowed his eyes at the six of them and said coldly, "Your Seven Arches Sect lured me here to kill me. Don't you recognize me so quickly?"

Chi Chengyou and the others took a closer look at Yang Luo and immediately recognized him!

"It's actually you, kid!"

Chi Chengyou gritted his teeth and said, "Kid, you killed our Sect Master Zheng, Elder Li, and the others!

We haven't even run to look for you, but you came knocking on our door!"

Zhao Changxiu said coldly, "Since this little one took the initiative to come knocking on our door, we don't have to make an extra trip!"

Jiang Zhengtai sneered, "Kid, I've never seen someone as stupid as you!

If you run away, it might be difficult for us to find you!

But now that you've taken the initiative to come knocking on my door, don't you think you have a death wish?"

"Hahaha..."

Li Renhe and the others burst into laughter.

In their opinion, Yang Luo was simply tempting fate by coming here.

Yang Luo just looked at Chi Chengyou and the others calmly and said indifferently, "Do you really think that I'm here to die?"

“Of course!”

Jiang Zhengtai sneered, “Kid, do you really think you can leave here alive tonight?”

Yang Luo said in a trembling voice, “Not only will I leave here alive tonight, but I’ll also destroy your Seven Arches Sect!”

As soon as these words were spoken...

Chi Chengyou and the others laughed even louder.

They seemed to have heard the funniest joke in the world and burst into tears.

Zhao Changxiu shook his head and sneered, “Kid, didn’t you want to destroy our Seven Arches Sect?”

“Come, try me. I want to see how you can destroy our Seven Arches Sect!”

As soon as he finished speaking!

Dong!

A greenish-black beam of light shot into the sky from his body. His aura suddenly erupted, terrifying and shocking!

As Zhao Changxiu’s aura erupted!

Chi Chengyou, Jiang Zhengtai, Li Renhe, Zhang Canyu, and Pei Dongkui also erupted with powerful auras!

Thud thud...

Five beams of light shot into the sky from their bodies, illuminating the night sky!

Chi Chengyou's cultivation was at the late-stage Martial Highness Realm!

Zhao Changxiu and Jiang Zhengtai's cultivation levels were at the perfected Martial King Realm!

Li Renhe, Zhang Changyu, and Pei Dongkui's cultivation levels were at the late-stage Martial King Realm!

A Martial Highness Realm expert and five Martial King Realm experts erupted with their auras at the same time!

The ground shook and the houses trembled!

Sand and stones flew everywhere, filling the world!

However, Yang Luo's expression was still very calm, and there was no fear in his eyes.

Currently, other than martial artists above the Martial Emperor Realm who would pose a threat to him, no other martial artist could pose a threat to him.

"Let's attack together and kill this kid!"

Chi Chengyou roared and charged towards Yang Luo!

Zhao Changxiu and the others also moved together and attacked Yang Luo!

Since this kid could kill Zheng Xinhong and the others, it meant that this kid was not weak!

Therefore, they did not overestimate themselves and joined forces to attack Yang Luo!

The moment Chi Chengyou and the rest charged over!

Yang Luo's body shook!

Dong!

A golden beam of light soared into the sky from his body. The pressure and aura that erupted were even more terrifying, unreasonable, and domineering!

In the blink of an eye!

Chi Chengyou and the rest had already gotten close to Yang Luo. Then, they launched a fierce attack!

“Seven Mountains Suppressing Fist!”

Chi Chengyou roared and punched out with a huge greenish-black fist!

With a punch, seven layers of power overlapped and surged up!

Seven sonic booms erupted in the air!

“Five Ultimate Thunder Palm!”

Zhao Changxiu raised his right arm and condensed a huge blue-black lightning palm that slapped out again!

The huge lightning palm crushed upwards. The lightning that erupted was incomparably terrifying, splitting the ground and causing the surrounding houses to collapse!

“Divine Eagle Seven Killing Claw!”

Jiang Zhengtai held his claw with his right hand and spread his wings like an eagle. He condensed a huge black-gray claw that tore through the sky and grabbed at Yang Luo!

“Storm Wave-Breaking Sword!”

“Scarlet Divine Saber Slash!”

“Heaven and Earth Six Paths Axe!”

Li Renhe, Zhang Canyu, and Pei Dongkui leaped up and swung the longswords, sabers, and axes in their hands at Yang Luo!

At this moment...

The entire world seemed to tremble!

The attacks that Chi Chengyou and the rest unleashed were incomparably ferocious, as though they wanted to destroy everything!

However, Yang Luo was not in a hurry. He raised the sword in his hand and slashed out!

Swoosh!

A sword tore through the sky, sword light shone in all directions, and Sword Qi tore through the nine heavens!

Rumble!

Yang Luo's sword clashed heavily with the attacks of Chi Chengyou and the other three, creating a series of earth-shattering sounds!

Crack! Crack!

Rumble!

The ground kept tearing apart, and the surrounding houses kept collapsing!

Many disciples of the Seven Arches Sect were sent flying as they spat out blood!

Chi Chengyou and the other three thought that they could easily kill Yang Luo if they joined forces!

However, the moment they exchanged blows, they deeply felt how powerful Yang Luo was!

"A group of Martial Highness Realm and Martial King Realm martial artists dares to clamor to kill me? Who gave you the courage?"

Get the fuck out of my way!"

Yang Luo's right arm, which was holding the sword, suddenly shook!

Clang! Clang!

Chi Chengyou and the others were sent flying at the same time. Their bodies were cut open by the Sword Qi, and blood splattered in the air...

## Chapter 1085: A Mere Martial Emperor Realm, Can You Kill Me?

They were sent flying dozens of meters away.

Only then did Chi Chengyou and the rest stabilize themselves.

At this moment...

All the sect disciples present were dumbfounded.

“This can’t be f\*cking true?! Even the vice sect master and the five elders combined are not this kid’s match?!”

“Oh my god, could it be that this kid is at the Martial Emperor Realm?!”

“Impossible, this is definitely impossible. This kid looks to be in his early twenties. How can he have a Martial Emperor Realm cultivation?!”

The disciples discussed in shock, their faces filled with fear.

Chi Chengyou and the others also looked at Yang Luo in a daze, their eyes filled with disbelief.

Yang Luo looked up at the six of them and said loudly, “Didn’t you just say that I came here to tempt fate?”

You even said that I’m stupid and laughed so happily!

Let’s try smiling again now!”

“Ahhh Ssibal!”

Zhao Changxiu roared angrily, “Young brat, don’t be arrogant. I don’t believe you can’t kill you!”

As he spoke, he erupted all the True Qi in his body and turned completely serious!

Chi Chengyou, Jiang Zhengtai, Li Renhe, Zhang Canyu, and Pei Dongkui were also furious. They mobilized all the True Qi in their bodies!

“Kill!”

Chi Chengyou and the others let out a roar at the same time. They turned into six streams of light and charged towards Yang Luo!

And the moment they got close...

Chi Chengyou and the other three soared into the sky again and launched a fierce attack on Yang Luo!

“Fist Suppresses the Province!”

“Wind Rises, Thunder Surge!”

“Eagle Strikes the Sky!”

Chi Chengyou, Zhao Changxiu, and Jiang Zhengtai were the first to attack!

Seven greenish-black fist shadows overlapped and smashed towards Yang Luo, as if they wanted to push the mountains apart!

A blue-black lightning palm surrounded by terrifying lightning pressed down like a thunder mountain!

A huge black-gray claw condensed and streaked across the sky, wanting to tear everything apart!

“Sword Edge Breaks Waves!”

“Sky Splitting Saber!”

“Ax Shattering Mountains and Rivers!”

Li Renhe, Zhang Canyu, and Pei Dongkui waved the longswords, sabers, and axes in their hands again and slashed at Yang Luo!

The sword slashed out, and the sword qi surged like a surging wave!

With a slash, the saber qi wreaked havoc and soared into the sky!

With a swing of the axe, the world trembled and the surroundings shook!

Facing their combined attacks...

Yang Luo still did not dodge or retreat. With a flip of his wrist, another sword strike was sent over!

“Dragon Suppresses Mountains and Rivers!”

Swoosh!

As the sword slashed out, a vast and mighty dragon roar was also heard!

At the same time, a huge golden sword slashed out!

A golden dragon phantom roared out!

The sword power and dragon might erupted at the same time, shaking the heavens and earth!

At that very moment...

Boom! Boom!

A deafening collision resounded throughout the entire Seven Arches Sect's territory!

True Qi and light spread in all directions like a landslide and tsunami!

The ground kept tearing and collapsing!

The surrounding houses were also destroyed and turned into ruins!

Chi Chengyou and the other three thought that they would be able to kill Yang Luo if they got serious!

However, what made their hearts palpitate was!

They still couldn't do anything to him!

They could not even withstand Yang Luo's sword!

Finally, accompanied by a rumbling explosion!

Chi Chengyou and the rest were sent flying again!

More wounds were cut open by the sword qi on their bodies, and blood spurted out!

Seeing this scene...

All the disciples present were scared out of their wits!

“Even the Vice Sect Master and the elders can’t kill this kid?!”

“Could it be that this kid can really destroy our Seven Arches Sect?!”

“Impossible. As long as the Great Elder comes out of seclusion, he will definitely be able to kill this kid!”

The disciples of the sect were filled with fear and their bodies were trembling.

Just as Chi Chengyou and the rest were sent flying!

Yang Luo took a step forward and crossed dozens of meters in an instant. He slashed a second time at Chi Chengyou and the others!

“Sword Dragon Arrogantly Gazes On Earth!”

Swoosh!

With the second slash, the sword might and dragon might that erupted were even stronger, more domineering, and even more terrifying!

A huge golden sword accompanied by the phantom of a golden dragon attacked crazily!

“Counterattack! Quick, counterattack!”

Zhao Changxiu shouted in shock.

Then, Chi Chengyou and the rest did not have time to stabilize their bodies and launched a counterattack!

Rumble!

The second collision immediately resounded!

No matter how ferocious the attacks of Chi Chengyou and the rest were, they were still destroyed by Yang Luo's sword!

Puff! Puff! Puff!

The True Qi barrier that the six of them had condensed was shattered, and there was a bone-deep wound on their chests!

Yang Luo took another step forward and crossed dozens of meters again, slashing at the three of them for the third time!

"Sword Breaks the Heavens!"

Swoosh!

With the third strike, the wind and clouds surged, and the heavens and the earth shook!

The sword light illuminated the night sky, and the sword qi pierced through the sky!

As Yang Luo's third sword slashed over!

Chi Chengyou and the rest were so scared that their hearts were about to explode!

They felt the threat of death!

They could not care less about their dignity and shouted, "Help! Help!!!"

"Quick! Go and help the Vice Sect Master and the elders!"

Many Protectors immediately swarmed forward and attacked Yang Luo!

Rumble!

Explosions resounded continuously!

That sword destroyed all the attacks and killed all the Protectors who rushed over!

"I can't block it! I can't block it at all!"

"Grand Elder, save me!"

"Great Elder, please come out of seclusion and kill this child!"

The disciples of the Seven Sects shouted.

Just as Yang Luo's sword was about to slash at Chi Chengyou and the rest...

Swoosh!

A sonic boom came from afar!

A purple-black halberd tore through the air and collided heavily with Yang Luo's strike!

Clang!

The sword and halberd collided with a shocking commotion!

True Qi and light intertwined and spread in all directions like an avalanche!

The halberd was sent flying instead!

Meanwhile, Yang Luo stood quietly on the spot and looked up ahead!

An old man in a gray robe with gray hair draped over his shoulders and holding a halberd was standing on a roof.

Under the moonlight, this elder really had an extraordinary feeling.

"Greetings, Grand Elder!"

All the disciples of the Seven Arches Sect bowed to this old man respectfully.

This old man was the First Elder of the sect, Shen Dongxu.

He was also the one who had established the Seven Arches Sect.

Chi Chengyou wailed, "Great Elder, you're finally out of seclusion. If you don't come out soon, our Seven Arches Sect will really be destroyed!"

Shen Dongxu held the halberd in his right hand and placed his left hand behind his back. He said proudly, "With me around, the Seven Arches Sect won't be destroyed!"

"Great Elder is mighty!"

All the disciples of the Sevenfold Sect raised their arms and shouted.

Shen Dongxu looked up at Yang Luo with killing intent in his eyes and said in a trembling voice, "Young brat, you brought people to barge into my Seven Arches Sect and killed so many disciples!

If I don't kill you tonight, I won't be worthy of being the previous Sect Master of the Seven Arches Sect!"

Yang Luo sneered and said, "Can a mere Martial Emperor Realm expert kill me?"

He had already sensed that Shen Dongxu's cultivation was only at the mid-stage Martial Emperor Realm.

Perhaps to many Martial Warriors, this cultivation level was already quite powerful and terrifying.

However, it was still not enough for him.

It wasn't like he hadn't killed Martial Emperor Realm experts before.

However, when all the disciples of the sect heard this, they looked at Yang Luo as if he was an idiot.

"A mere Martial Emperor Realm expert?"

Chi Chengyou sneered and said, "Kid, is there something wrong with your brain? How dare you say that our Great Elder is only a Martial Emperor Realm expert?"

Do you know what the Martial Emperor Realm means?

The Martial Emperor Realm is an Emperor above all!

Everyone below the Martial Emperor Realm is an ant!”

Chapter 1086: Beating Up the Martial Emperor!

Zhao Changxiu said in a shocked voice, “Rascal, not only are you stupid, but you’re also very ignorant!

No matter how strong you are, you will eventually become a dead soul under the Great Elder’s halberd!”

“First Elder, don’t waste your breath on this kid. Hurry up and kill him to raise the prestige of our Seven Arches Sect!”

“Kill this lad and raise the prestige of our Seven Arches Sect!”

The disciples of the Seven Arches Sect also roared.

Shen Dongxu glared at Yang Luo and said coldly, “Kid, you said I’m just a Martial Emperor Realm expert, right?

I want to see if your arrogance is worthy of your strength!”

Right after he finished his sentence...

Shen Dongxu stomped his foot and leaped up, attacking Yang Luo!

Rumble!

The house under his feet instantly collapsed and turned into ruins!

In an instant!

Shen Dongxu approached Yang Luo and swung the halberd in his hand, slashing out heavily!

“Sevenfold Killing Day Halberd!”

“Evil Waves!”

With a cleave of his halberd, seven purple-black halberds tore through the night sky and slashed at Yang Luo at the same time!

The True Qi and Halberd Qi that swept out seemed to have turned into a tsunami that surged towards Yang Luo!

The stone slabs on the ground shattered and flew into the sky!

Chi Chengyou said excitedly, “This kid is dead meat!”

Zhao Changxiu said excitedly, “Even the Great Elder has taken action. It’s difficult for this kid not to die!”

All the disciples of the Seven Arches Sect present held their breaths and prepared to witness Yang Luo’s death!

But Xu Ying, Bujie, and Prajna had calm expressions. They were not worried at all.

Back then, the three Martial Emperor Realm experts of Country Sakura had joined forces but were all killed by Yang Luo.

How could a mere Shen Dongxu be a match for Yang Luo?

As Shen Dongxu's halberd was about to strike!

Yang Luo was not in a hurry. He flipped his wrist and slashed out with his sword!

"Sword in hand, I question the Dao!"

Swoosh!

He slashed out with his sword. The sword light was dazzling, and the Sword Qi flew chaotically!

A huge golden sword charged forward with vast sword might!

Rumble!

The True Qi and halberd aura that surged over like a wave were all destroyed, turning into turbulent waves that spread out!

In the blink of an eye!

Clang!

The huge golden sword and the purple-black halberd collided heavily. A thunderous explosion reverberated in the forest!

Crack! Crack!

The ground under Yang Luo's feet kept cracking and collapsing!

It made everyone present tremble in fear!

However, Shen Dongxu's halberd did not hurt Yang Luo at all!

Less than a minute later...

Rumble!

Accompanied by a loud explosion!

Shen Dongxu was sent flying!

His body was cut open by the Sword Qi!

Everyone present was shocked when they saw this!

"How could this be?! The Great Elder is actually no match for this kid?!"

"The First Elder is a Martial Emperor Realm expert. Can't a dignified Martial Emperor Realm expert kill this kid?!"

The disciples of the Seven Sects cried out in surprise, their eyes filled with disbelief.

Chi Chengyou, Zhao Changxiu, and the others were especially dumbfounded. They thought they were seeing things.

Just as Shen Dongxu was sent flying...

Yang Luo's figure moved and turned into a stream of light as he chased after him!

Seeing Yang Luo chase after him...

Shen Dongxu kept waving the halberd in his hand and slashed at Yang Luo!

"Overturn Seas and Rivers!"

Swoosh! Swoosh! Swoosh!

Giant purple-black halberds hacked down, stirring up the wind and clouds. It was as if the sea was surging, chaotic in all directions!

Yang Luo was incomparably domineering. With a swing of his sword, he broke through the huge purple-black halberds!

Shen Dongxu was shocked. He raised his left hand and condensed a huge purple-black palm that slapped at Yang Luo!

Yang Luo's eyes were filled with disdain. He raised his left hand, condensed a huge golden fist, and punched out wildly!

Boom! Boom!

The fist and palm collided, emitting the rumbling sound of thunder!

Shen Dongxu's palm strike was already very powerful!

However, Yang Luo's punch was stronger, fiercer, and more domineering!

"ARGH!"

Shen Dongxu let out a miserable scream as his body was sent flying like a cannonball. He crashed through five houses in a row and fell into the ruins!

His entire left arm was badly mangled!

However, Yang Luo did not stop there. Instead, his figure moved and instantly leaped into the sky above Shen Dongxu!

He raised the Dragon Emperor Sword in his hand and stabbed at Shen Dongxu who was in the ruins below!

Swoosh!

A huge golden sword stabbed down!

A golden dragon phantom also roared down!

Shen Dongxu quickly stood up and waved the halberd in his hand to meet the attack!

"Ten Thousand Waves!"

True Qi and halberd qi intertwined, and it was as if a myriad of waves were swept up as it tore through the sky!

DONG!

The earth-shattering sound of the collision resounded through the nine heavens!

The True Qi, Sword Qi, and Halberd Qi that spread out were like a flood that had broken through a dam, razing everything around it to the ground!

Rumble rumble rumble!

The ground under Shen Dongxu's feet kept tearing and collapsing!

Moreover, what shocked Shen Dongxu was that he could not withstand Yang Luo's sword at all!

"This...!"

Shen Dongxu's expression changed drastically, and he hurriedly withdrew to dodge!

However, he was still a step too late!

Psh!

Yang Luo's sword directly pierced through his shoulder, and blood splattered everywhere!

"Ah...!"

Shen Dongxu let out a blood-curdling scream and staggered backward. Blood stained his clothes red!

At this moment, Shen Dongxu was no longer as high-spirited as before. He looked extremely miserable!

However, just as Shen Dongxu stabilized his body!

Yang Luo appeared above him again!

This time, Yang Luo did not swing his sword. Instead, he clenched his left hand into a fist and smashed down!

“Young brat, I’m a Martial Emperor Realm expert. Don’t even think about killing me!”

Shen Dongxu roared angrily. He raised his heavily injured left arm and slapped it!

DONG!

The fist and palm collided, and it was like a meteor crashing into a huge mountain. It was soul-stirring!

Rumble rumble rumble!

The ground beneath his feet exploded into a huge pit, and his body fell into it!

As for his entire left arm, it had been completely shattered, causing flesh and bone fragments to splatter everywhere!

“Ahhhh...”

He let out a painful scream, his face contorted.

“No... No... This is impossible!”

“The Grand Elder was actually beaten up by this kid... What kind of joke is this?!”

“Is there really no one in our Seven Arches Sect who is a match for this kid?!”

The disciples of the Seven Arches Sect broke down in despair.

“Ahhh! I’ll fight it out with you!”

Shen Dongxu roared crazily. He stomped his feet and rushed out of the huge pit, jumping into the sky!

He held the halberd tightly in his right hand and swung it angrily at Yang Luo who was in midair!

“Heaven Splitting Halberd!”

Swoosh!

A huge purple-black halberd tore through the night sky, as if it wanted to split Yang Luo into two!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed down heavily!

“Sword Splits the World!”

Clang!

Another earth-shattering collision erupted!

There seemed to be lightning and flames flickering at the point of collision!

“Get the f\*\*k down!”

Yang Luo roared. He held his sword with both hands and pressed it down heavily!

Shen Dongxu fell down like a meteor. With a bang, he fell into the huge pit again!

The ground within a radius of an unknown number of meters suddenly shook, causing the surrounding mountains to tremble!

But just Yang Luo landed steadily on the ground and was about to continue attacking!

“Thousand Halberd Soul Chasing!”

A roar came from the huge pit!

In the next second...

Whoosh! Whoosh! Whoosh! Whoosh!

Countless purple-black halberds shot out from the huge pit and changed directions, heading straight for Yang Luo!

Yang Luo also brandished the Dragon Emperor Sword in his hand!

“Ten Thousand Swords Break Through the Sky!”

Countless golden flying swords condensed and collided with the purple-black halberds!

Rumble!

The golden flying swords that filled the sky collided with the purple-black halberds in the sky, causing the sky and ground to tremble and the mountains in the distance to shake violently!

Countless houses in the entire Seven Arches Sect territory collapsed and turned into ruins...

## Chapter 1087: You're Just So-so!

Just as the flying swords and halberds collided in the sky!

"I must kill you, kill you!"

Shen Dongxu, who was covered in blood, also rushed out of the huge pit. As if he had gone crazy, he charged towards Yang Luo!

He was a Martial Emperor Realm expert, the leader of the Seven Arches Sect, and he had shocked the martial arts world of the Country Kimchi in his heyday!

But tonight, he was beaten into such a sorry state by a brat!

Shame!

It was an utter humiliation!

Yang Luo, on the other hand, held the Dragon Emperor Sword and charged forward!

Clang, clang, clang...

Boom, boom, boom...

The two of them moved between the houses, clashing and colliding continuously!

Rows of houses collapsed one after another!

The ground cracked and collapsed one after another!

The entire Seven Arches Sect's territory was destroyed beyond recognition!

It was unknown how many rounds they had fought!

Rumble!

Only continuous explosions was heard!

Shen Dongxu was sent flying again, spilling blood along the way!

After the fierce battle just now, his injuries got even more serious!

Without any hesitation, Yang Luo moved and chased after him again!

Seeing that Yang Luo was chasing after him again...

Shen Dongxu stomped on the ground, causing the ground to collapse. He leaped dozens of meters into the air!

"Young brat, you've angered me!

I'll take your life with my final move!"

Shen Dongxu let out an explosive roar, and then his entire body trembled!

"Sevenfold True Illusion Body!"

In an instant!

Six more Shen Dongxus suddenly appeared in the sky!

Including Shen Dongxu's main body, there were a total of seven figures!

Moreover, these six figures were actually identical to the main body. Even the pressure and aura emitted by them were not much weaker than the main body!

The seven Shen Dongxu held halberds in their hands. They appeared awe-inspiring and domineering, shocking everyone present!

"Heavens, the Great Elder even used this move. Looks like this kid has really forced the Great Elder into a desperate situation!"

"Now that the Grand Elder has cast the Sevenfold True Illusion Body, no matter how strong this brat is, he'll definitely die!"

"It's his honor to die under the Grand Elder's attack!"

The disciples of the Seven Arches Sect exclaimed in shock as they looked at the sky in the distance!

Chi Chengyou, Zhao Changxiu, and the others also looked at the sky in the distance with burning eyes and clenched their fists!

This kid had to be killed!

And right at this moment...

A shocking roar resounded through the sky!

“Sky Splitter Halberd!”

The seven Shen Dongxu surrounded Yang Luo in the middle. Then, they waved the halberds in their hands at the same time and slashed at Yang Luo heavily!

Swoosh! Swoosh! Swoosh!

The seven purplish-black halberds struck down heavily, as if seven gods had struck down with their halberds, shaking the heavens and the earth!

Furthermore, the moment the seven giant halberds slashed down!

Seven huge doors that flickered with purple-black light suppressed Yang Luo like seven mountains!

Countless purple-black halberds condensed and shot towards Yang Luo from all directions!

This move was indeed very powerful and terrifying!

Those who were not strong enough would probably die!

However, Yang Luo was still fearless and stood proudly below all the attacks!

His entire body shook, and the True Qi in his body was continuously mobilized. Then, he let out explosive roars!

“Nine Heavens, Dragon’s Fury!”

“Ten Thousand Swords Break Through the Sky!”

“Burning Eight Desolates!”

In an instant!

The three killer moves were executed by Yang Luo at the same time!

“Roar, roar, roar!”

Accompanied by a series of loud dragon roars!

Nine huge golden dragon phantoms roared and struck in all directions!

Countless golden flying swords condensed and shot out!

Blazing golden flames surged out and burned in all directions!

“Oh my god, what cultivation technique is this kid using? Why is it a dragon, a sword, and fire?!”

“This kid’s cultivation technique is too terrifying. It seems like he’s been suppressing the Grand Elder!”

“Could it be that the Great Elder still can’t kill this kid even after using this move?!”

The disciples of the Seventh Sect exclaimed in shock, their eyes filled with fear.

In a flash!

Boom! Boom!

Rumble!

A series of collision sounds that shook the nine heavens resounded in all directions!

In less than a few seconds...

Rumble!

Explosions sounded incessantly, as if they wanted to destroy this world!

Under everyone's watchful eyes...

Countless halberds were destroyed!

The seven mountain-like doors of light exploded one after another!

The six figures also dissipated!

"Arghhhh!"

Shen Dongxu let out a blood-curdling scream as he was blown away!

"Quickly go and help the Grand Elder!"

"Hurry up and help him! Come on!"

Chi Chengyou, Zhao Changxiu, Jiang Zhengtai, Li Renhe, Zhang Canary, and Pei Dongkui rushed over!

The Seven Arches Sect's Protectors and elders rushed over as well!

Chi Chengyou and the others attacked Yang Luo fiercely, wanting to stop Yang Luo from killing Shen Dongxu!

The attacks intertwined and seemed to turn into a surging river of energy that washed towards Yang Luo!

However, Yang Luo's entire body only trembled, and a solid and heavy golden True Qi barrier surfaced around his body!

Rumble!

The surging energy river ruthlessly washed over the True Qi barrier, erupting with a muffled bang!

A large amount of energy and light erupted from the point of collision and spread in all directions!

However, what shocked Chi Chengyou and the rest was...

Yang Luo's defense was also extremely strong. He forcefully withstood all their attacks!

Even though the ground around Yang Luo had been destroyed beyond recognition, Yang Luo was completely unharmed!

Yang Luo did not bother about Chi Chengyou and the others at all. Instead, he gripped the Dragon Emperor Sword tightly with both hands and slashed at Shen Dongxu who was sent flying!

Swoosh!

A huge golden sword streaked across the night sky, carrying endless lethality, destructive power, and destructive power as it slashed towards Shen Dongxu!

As he watched the sword slash down!

Shen Dongxu was overwhelmed with fear!

He hurriedly raised the halberd in his hand to block!

Clang! Clang!

The sword landed heavily on the halberd!

Crack! Crack!

But the halberd in his hand was directly snapped by the sword!

After breaking the halberd, the sword continued to slash at him!

“No... No!!!”

Shen Dongxu let out an extremely terrified scream!

The next second!

Psh!

Shen Dongxu's True Qi barrier was split open, and his body was also split in half!

Bang!

After splitting his body, the sword struck the ground!

A row of houses was split into two, and a 200-meter-long ravine appeared on the ground!

Boom boom boom...

The moment Shen Dongxu's two halves fell to the ground!

The event location fell into dead silence.

All the disciples of the Seven Arches Sect felt as if their throats were being strangled and could not speak for a long time!

Yang Luo slowly retracted the sword in his hand and turned to look at Chi Chengyou and the others. He said coldly, "Is this what you call a Martial Emperor? He's just so-so!

Didn't you say that this old fellow would definitely be able to kill me?"

Chi Chengyou and the rest snapped out of their daze.

"The Grand Elder is dead... The Grand Elder is dead!"

"Even the Grand Elder can't kill this kid... Can we kill him?!"

"Run... Run!"

Chi Chengyou and the others shouted in shock. They had completely lost the courage to fight and turned around to run!

"Run? No way!"

Yang Luo waved the sword in his hand and slashed horizontally at Chi Chengyou, Zhao Changxiu, Jiang Zhengtai, Li Renhe, Zhang Canyu, and Pei Dongkui!

Chapter 1088: Destruction!

Yang Luo's sword slashed horizontally!

Chi Chengyou and the rest could only stop in their tracks. They mobilized the energy in their bodies to the maximum and launched a counterattack!

The six attacks attacked at the same time, as if they had turned into six energy rainbows that washed towards the slash!

At that very moment...

Rumble!

Yang Luo's sword clashed fiercely with the attacks of Chi Chengyou's group of six, producing an earth-shattering explosion!

No matter how ferocious and violent the attacks of Chi Chengyou and the rest were, they were still destroyed by Yang Luo's sword!

After eliminating six layers of attacks, the sword continued to slash towards at Chi Chengyou's group of six!

"No... Don't!"

"I don't want to die... I don't want to die!"

Chi Chengyou and the rest shouted in horror. They hurriedly condensed their True Qi barriers to block it, but they could not block it at all!

This sword directly shattered the True Qi barriers that they had condensed and flashed past their necks!

In an instant...

Time seemed to have frozen.

Chi Chengyou and the rest stood rooted to the ground. Their eyes were wide open and filled with extreme fear.

A few seconds later.

Thud thud...

Chi Chengyou and the rest fell heavily to the ground. Their heads were separated from their bodies, and they were completely dead.

It wasn't until the moment before they died that they realized regret.

If they had known that this kid's strength was so strong, they would not have dared to provoke him even if they had a hundred guts!

Unfortunately, there was no medicine for regret in this world. They could only suffer the consequences of their own actions!

"Vice Sect Leader is dead... Second Elder and the others are also dead!"

"Devil... This kid is a devil!"

“Run... Run!”

The 2,000 disciples shouted in fear. The last trace of hope in their hearts was shattered as they fled frantically.

“Leave no one alive. Kill without mercy!”

Yang Luo roared. With the Dragon Emperor Sword in hand, he charged towards the 2,000 disciples of the Seventh Layer Sect who had escaped!

Xu Ying, Bujie, and Prajna charged over as well!

Half an hour later.

More than 5,000 people from the entire Seven Arches Sect were killed.

The Seven Arches Sect had been completely destroyed!

Yang Luo looked at the time and said loudly, “Let’s go. Our next target is the Oriental Medicine Sect!”

Then, Yang Luo led Xu Ying and the other two straight to the Oriental Medicine Sect...

...

The next morning.

Han City.

Westin Hotel.

In the dining room on the first floor.

Yang Luo and the others were having breakfast.

Su Qingmei said, "Let's return to China after breakfast."

Shen Yun asked worriedly, "Can we really go back?"

Xu Yan said, "We should be able to go back. After all, no one seems to have come to cause trouble for us since last night."

Just as Su Qingmei was about to speak...

But suddenly...

The news was being broadcasted on a screen in the restaurant.

"Let me announce a piece of news. Last night, a major tragedy happened in Cauldron City and Ren City!

Over 5,000 people from the Seven Arches Sect in Cauldron City were destroyed overnight!

More than a thousand people from the Oriental Medicine Sect in Ren City were also wiped out overnight!

According to the investigation, it seemed that the same group of people had destroyed the Seven Arches Sect and the Oriental Medicine Sect!

Now that the relevant personnel have found some clues and blocked all the major traffic routes, they will immediately arrest him...”

Everyone in the restaurant was attracted by this news and started discussing in shock.

“Oh my god, who did this? They actually destroyed a martial arts sect and a medical sect overnight?!”

“The Seven Arches Sect is one of the five major martial arts sects in Country Kimchi. They even have a Martial Emperor Realm expert guarding them. How could they be destroyed so easily?!”

“Could it be that the Seven Arches Sect was destroyed because of a dispute between martial arts sects?!”

“Then what’s going on with the Oriental Medicine Sect? How did they get wiped out? Who did they offend?!”

The entire restaurant was in an uproar.

Many people began to make calls to gather information.

Su Qingmei, Shen Yun, and Xu Yan turned to look at Yang Luo, Xu Ying, Bujie, and Prajna in a daze.

“Could it be... you guys did it?”

Su Qingmei asked in surprise.

Yang Luo and the other three nodded.

“This...!”

Su Qingmei, Shen Yun, and Xu Yan gasped as their bodies trembled uncontrollably.

They had never expected that Yang Luo and the other three would actually silently destroy the Seven Arches Sect and the Oriental Medicine Sect.

Su Qingmei looked at Yang Luo and asked blankly, "Didn't you sleep with me last night?"

When did you go and destroy the Seven Arches Sect and the Oriental Medicine Sect?"

Yang Luo shrugged and said, "Just after you fell asleep."

"..."

Su Qingmei rubbed her forehead, not knowing what to say.

However, when Zheng Xinhong and Chengxu used her to threaten Yang Luo to come to Country Kimchi yesterday, she was worried that Yang Luo would turn Country Kimchi upside down in a fit of anger.

Unexpectedly, the thing he was most worried about still happened.

Shen Yun gulped and asked, "Mr. Yang, isn't this a little too much?"

Yang Luo said, "Sister Shen, if I don't destroy them, they will keep finding trouble with me in the future.

It would be fine if they were just looking for trouble with me, but I'm worried that they would attack the people around me.

Therefore, I can only choose to do this."

Bujie said nonchalantly, "As the saying goes, if we don't get rid of the roots, the grass will grow again when the spring breeze blows.

Rather than waiting for them to find trouble with us, it's better to strike first and destroy them."

Xu Ying added, "Sister Shen, the rules of this world have never changed. The strong are respected and the strong prey on the weak.

We don't regret what we've done."

Prajna nodded.

Having followed Yang Luo for this period of time, they had seen too much of the darkness and cruelty of this world. Naturally, they knew the rules of this world better than anyone else.

Shen Yun sighed and said, "But since we did that, I'm afraid we really won't be able to go back.

Just now, the news also said that they had blocked all the major traffic routes.

Moreover, they will send people to capture us soon..."

Xu Yan asked in fear, "Brother Yang, what should we do now?"

She was just a small assistant and had never experienced such a thing before. Naturally, she was afraid.

Yang Luo said with a relaxed expression, "Don't worry, I'll think of a way to bring you back to China."

With that, Yang Luo took out his cell phone and made a call to the Dragon General.

The phone rang for a while before it was picked up.

“Haha, kid, why are you calling me so early in the morning?”

The Dragon General’s hearty laughter was heard.

Yang Luo said directly, “Dragon General, I’m in Country Kimchi now and need your help.”

“Kid, you rarely ask me for help.

I’m afraid it’s not a small matter for you to call me for help.”

The Dragon General chuckled and said, “Tell me, what do you want me to help with?”

Yang Luo did not hide anything and told the Dragon General what had happened when he and the others came to Country Kimchi.

After hearing Yang Luo’s words...

“You destroyed the Seven Arches Sect and the Oriental Medicine Sect in Country Kimchi?!”

The Dragon General could not help but exclaim. He said speechlessly, “Kid, you did such a big thing without saying anything. I really have to hand it to you.

The Seven Arches Sect and the Oriental Medicine Sect are quite powerful in Country Kimchi. Since you destroyed them, Country Kimchi will probably be in chaos.”

Yang Luo curled his lips and said, “Is this a big deal? It doesn’t seem to be comparable to what I did in Country Sakura and Country Stars & Stripes.

Just tell me if you can help. If you can’t, I’ll find someone else.”

## Chapter 1089: Capture!

The Dragon General said, "Help, I'll help. Did I say I wouldn't help?"

Take it easy, kid. Don't cause any more trouble.

I'll think of a way to get you back to China."

Yang Luo grinned and said, "Thank you, Dragon General!"

"What are you thanking me for? Just don't cause me any trouble!"

The Dragon General replied angrily and hung up.

As he looked at the phone that had been hung up...

Yang Luo shook his head and said with a smile, "This old man has quite a bad temper."

"Yang Luo, how is it? Can we go back?"

Su Qingmei hurriedly asked.

Yang Luo said, "Don't worry, we'll definitely be able to return safely."

Hearing Yang Luo's words...

Only then did Su Qingmei, Shen Yun, and Xu Yan feel slightly relieved.

Shen Yun asked, "Then where are we going now?"

Yang Luo shook his head and said, "Don't go anywhere. Just wait here for news."

"Alright."

Everyone nodded.

While Yang Luo and the others were waiting for the news...

The news of the destruction of the Seven Arches Sect and the Oriental Medicine Sect had spread throughout Country Kimchi overnight. It could be said that the entire country was shocked.

Special vehicles sped down the street.

Fences were placed at various street entrances.

"Have you heard? The Seven Arches Sect and the Oriental Medicine Sect were destroyed overnight!"

"Of course I've heard of it. This matter has caused quite a commotion. I just don't know who killed the Seven Arches Sect and the Oriental Medicine Sect!"

"The people from the Seven Arches Sect and the Oriental Medicine Sect usually walk around with their noses high up in the air. They're arrogant and domineering and don't take anyone seriously. They probably offended someone more powerful!"

"I heard that we've already found out who did it. We'll be arresting them soon. Let's wait for news!"

The whole street was talking about it.

At this moment...

Seoul Business District.

Amori Corporation building.

In the chairman's office.

Park Seung-won sat behind his desk and listened to the female secretary's report while watching the news on the projection.

When he saw the news that the Seven Arches Sect and the Oriental Medicine Sect being destroyed overnight...

He was in a daze. His entire body trembled, and cold sweat broke out on his forehead.

It was obvious that the one who destroyed the Seven Arches Sect and the Oriental Medicine Sect was the kid from last night.

He never expected that after that kid killed Zheng Xinhong and Che Chengxu, he actually destroyed the Seven Arches Sect and the Oriental Medicine Sect overnight.

Fortunately, he had only been watching the commotion from the side last night and had not offended that kid to death.

Otherwise, he might not be able to see the sun this morning.

"Chairman, what's wrong? Are you feeling unwell?"

When the female secretary saw Park Seung-won trembling, she broke out in cold sweat and asked in confusion.

“No, it’s nothing.”

Park Seung-won waved his hand and said, “You can leave first.”

“Yes.”

The female secretary nodded and left the office with a stomach full of doubts.

When the office door was closed...

Park Seung-won took a deep breath and wiped the cold sweat off his forehead. He muttered, “Demon... That kid is a demon...”

Around 10 a.m.

Westin Hotel.

In the dining room on the first floor.

Yang Luo and the others were waiting for news.

But at this moment...

Special vehicles drove over from afar and stopped at the entrance of the hotel.

The door opened and thousands of soldiers got out of the car, blocking the entrance of the hotel.

“Heavens, why are there so many soldiers?!”

“Could it be that the people who destroyed the Seven Arches Sect and the Oriental Medicine Sect last night are in this hotel? Are they here to arrest them?!”

“Let’s go, let’s go and see what’s going on!”

Everyone in the hotel ran out.

Yang Luo narrowed his eyes and said, “These guys came quite quickly.”

Su Qingmei had seen some storms and could maintain her composure.

However, Shen Yun and Xu Yan were so frightened that their bodies trembled and their faces turned pale.

Xu Yan said with a trembling voice, “Brother Yang... They’re here to catch us... What should we do?”

“Don’t worry, I’m here. Don’t be afraid.”

Yang Luo gave Su Qingmei, Shen Yun, and Xu Yan a reassuring look before standing up, “Let’s go and meet them.”

Xu Ying, Bujie, and Prajna also stood up and followed.

They had seen many big scenes. This kind of small scene was nothing to them.

“Let’s go. In the end, we still have to face it.”

Su Qingmei took a deep breath and stood up with Shen Yun and Xu Yan.

Soon, Yang Luo and the others arrived at the entrance of the hotel.

They saw that a police cordon had been set up at the door and that there were people surrounding it.

The moment they saw Yang Luo and the others walking out...

All the soldiers raised their guns and pointed them at Yang Luo and the others.

“Could it be that these were the people who destroyed the Seven Arches Sect and the Oriental Medicine Sect last night?!”

“No way, how can such a small number of people do it?!”

“But if it’s not them, then why are all the guns pointed at them?!”

The people in the hotel and the surrounding people who were watching the commotion started discussing in shock.

At this moment.

A middle-aged man held a special black tablet and looked at it.

As he looked at the tablet, he looked at Yang Luo, Xu Ying, Bujie, and Prajna.

Yang Luo smiled faintly and said, “There’s no need to look. I was the one who destroyed the Seven Arches Sect and the Oriental Medicine Sect last night.”

“And us!”

Xu Ying, Bujie, and Prajna also took a step forward.

As soon as these words were spoken...

All the onlookers were stunned.

“How is this possible? The ones who destroyed the Seven Arches Sect and the Oriental Medicine Sect were actually these four young people?!”

“Could they be Martial Warriors? That’s not right. Even Martial Warriors can’t wipe out more than 5,000 people from the Seven Arches Sect and more than 1,000 people from the Oriental Medicine Sect, right?!”

“Moreover, there were Martial Emperor Realm experts guarding the Seven Arches Sect. That’s even more impossible!”

All the onlookers looked at Yang Luo and the others in a daze, their eyes filled with disbelief.

At this moment.

The middle-aged man said in a loud voice, “I’m the Commander-in-Chief of Team Black Wolf, Kim Min-ho!

The four of you destroyed the Seven Arches Sect and the Oriental Medicine Sect and killed thousands of people. You’re guilty of a heinous crime!

I advise you not to resist stubbornly. Hurry up and squat down with your hands on your heads!”

Yang Luo sneered and said, “You want to capture us? Do you have the ability?”

Kim Min-ho said coldly, "I'll count to three. If you don't cooperate, I'll give the order to shoot!"

Yang Luo looked at Kim Min-ho as if he was looking at an idiot and said, "Are you an idiot?"

Since we have the ability to destroy the Seven Arches Sect and the Oriental Medicine Sect, do you think guns are useful to us?"

"One!"

Kim Min-ho started counting.

Yang Luo remained unmoved.

"Two!"

Kim Min-ho shouted even louder.

Yang Luo met Kim Min-ho's gaze and boomed out, "Try shooting me if you dare!"

"Three!"

Kim Min-ho shouted again and waved his hand!

"Kill them!"

With this order!

Bang! Bang! Bang! Bang!

Gunshots rang out!

A dense wave of bullets shot towards Yang Luo and the others!

Just as the bullets were about to hit him!

Shen Yun and Xu Yan were so frightened that they almost screamed!

However, Yang Luo only shook and activated a golden True Qi barrier, enveloping Su Qingmei and the others!

Ding, ding, ding!

The dense bullets hit the True Qi barrier, emitting a crisp sound of collision and shooting out sparks!

However, what shocked everyone present was!

The bullets were all blocked and could not hurt Yang Luo and the others at all!

Moreover, all the bullets were stuck on the True Qi barrier and could not penetrate it at all!

Chapter 1090: Suicide As Atonement!

“Oh my god, this kid can even block bullets. He’s indeed not an ordinary person!”

“This kid must be a Martial Warrior, and a rather powerful one at that!”

“No wonder this kid is so fearless. He’s actually so powerful!”

The onlookers exclaimed.

Some people even took out their phones to take videos and photos. Some even started to broadcast live.

Such a scene was unprecedented. Ordinary people like them would probably never see such a scene in their entire lives.

Yang Luo waved his hand gently.

Whoosh! Whoosh! Whoosh! Whoosh!

The bullets stuck in the True Qi barrier all changed directions and shot back towards Kim Min-ho and the others!

These bullets flew over their heads and hit the cars behind them, making clanking sounds!

Kim Min-ho and the others broke out in a cold sweat!

If these bullets had gone a few centimeters lower, their heads would have exploded!

Kim Min-ho braced himself and said, “Kid, this is Country Kimchi. You won’t be able to escape after committing such a serious crime!

Let me give you a piece of advice. Hurry up and surrender. Don’t resist uselessly!”

“Can’t you guys say anything new besides that?”

Bujie laughed happily and said, "Let me give you a piece of advice as well. Don't provoke us. Otherwise, you will end up in a miserable state!"

For a moment...

The atmosphere at the event location became oppressive.

Kim Min-ho and the others didn't dare to give the order to shoot anymore.

Judging from the strength that Yang Luo had displayed just now...

If he gave the order to shoot again, this kid would probably really kill someone.

At this moment.

Another convoy of special vehicles drove over from afar.

Soon, the cars stopped.

A group of men and women in martial arts uniforms got out of the car and walked over.

Leading them were four gray-haired old men in long robes.

These four old men looked outstanding and emitted a powerful martial arts aura.

Kim Min-ho was overjoyed when he saw the four elders walking over. He quickly went up to them.

"Elder Han, Elder Yin, Elder Quan, Elder Gao, you're finally here!"

One of the black-robed elders holding a sword said loudly, “The Seven Arches Sect and the Oriental Medicine Sect can be considered to have some ties with our four sects!

Now that the Seven Arches Sect and the Oriental Medicine Sect have been destroyed, we naturally won’t sit back and do nothing!”

The other three elders also nodded.

They were ordered to assist in the arrest.

Kim Min-ho pointed at Yang Luo and said, “Elders, the leader who destroyed the Seven Arches Sect and the Oriental Medicine Sect is that kid!”

The four elders looked up at Yang Luo, their eyes filled with arrogance.

“Kid, you can only die since you destroyed the Seven Arches Sect and the Oriental Medicine Sect!”

“It’s impossible for you to leave Country Kimchi. Just surrender!”

“I’ll give you a chance to kill yourself so that we don’t have to attack!”

“Kid, what are you waiting for? Hurry up and kill yourself to atone for your crimes!”

The four elders roared.

Yang Luo said coldly, “Who do you think you are? How dare you ask me to commit suicide?”

Kim Min-ho said loudly, “Kid, listen up!

These four belongs to the four strongest sects in Country Kimchi’s martial arts world!

They are the Grand Elders of the Hidden Sword Clan, the Heavenly Wind Sect, the Nine Star Sect, and the Godly Thunder Sect!

Han Hyeon-jae, Yun Ho-cheon, Kwan Jun-syung, Go Jun-myung!

These four are all true Martial Emperor Realm experts!

No matter how strong you are, can you defeat four Martial Emperor Realm experts?"

Han Hyeon-jae, Yun Ho-cheon, Kwan Jun-syung and Go Jun-myung stood with their hands behind their backs. They raised their heads proudly.

Yang Luo replied in a loud voice, "I'll say it again. If you want to capture me and kill me, it depends on whether you have the ability!"

He had long sensed the cultivation of these four old fellows.

Han Hyeon-jae and Yun Ho-cheon's cultivations were at the late-stage Martial Emperor Realm.

Kwan Jun-syung and Go Jun-myeong's cultivation levels were at the mid-stage Martial Emperor Realm.

Although these four old fellows were all Martial Emperor Realm experts, they were still no threat to him.

"Kid, since you don't know what's good for you, don't blame us!"

Han Hyeon-jae said fiercely, then said in a trembling voice, "Brother Yun, Brother Kwan, Brother Go, let's attack together and kill this kid!"

"Alright!"

Yun Ho-cheon, Kwan Jun-syung and Go Jun-myeong responded in loudly.

Then, Han Hyeon-jae and the other three trembled. Their bodies flickered with various lights and erupted with vast and majestic pressure and aura. They charged towards Yang Luo together!

When the four of them charged over!

A violent gust of wind swept through the area!

Dust filled the air, shocking everyone!

“Heavens, is this the strength of a Martial Emperor Realm expert? Isn’t this too terrifying?!”

“With four Martial Emperor Realm experts joining forces, this kid is probably dead meat!”

Exclamations rose and fell.

Watching as the four of them charged over!

Yang Luo said in a deep voice, “Xu Ying, Bujie, Prajna, protect Qingmei, Sister Shen, and Xiao Yan!”

“Yes!”

Xu Ying and the other two nodded.

Then, Yang Luo’s body trembled and a dazzling golden light flashed on his body!

He took a step forward and jumped down the steps to fight Han Hyeon-jae and the other three!

In an instant!

Yang Luo closed the distance between him and Han Hyeon-jae and the other three!

Han Hyeon-jae and the other three attacked at the same time!

“Phantom Sword Technique!”

Han Hyeon-jae flipped his right hand and slashed at Yang Luo!

Swoosh!

With a slash, countless silver-gray sword shadows overlapped. Terrifying sword qi erupted and swept towards Yang Luo!

“Sky Wind Cloud Breaking Palm!”

Yun Ho-cheon raised his right arm and condensed a huge greenish-blue palm, slapping it heavily at Yang Luo!

With a slap of his palm, a storm swept into the sky, ferocious and domineering!

“Nine Star Fiery Sun Fist!”

Kwan Jun-syung clenched his right fist and condensed a huge dark red flaming fist that blasted towards Yang Luo!

With a punch, flames burned and surged up!

“Empyrean Thunder Slashing Saber!”

Go Jun-myeong held a purple saber and slashed at Yang Luo!

With a slash of his saber, purple lightning flashed, as if heavenly lightning had descended. It was incomparably violent!

Facing the powerful attacks of the four of them!

Yang Luo was not in a hurry. He stepped on the ground, clenched his fists, and punched out wildly!

“Dragon Emperor Fist!”

“ROAR!”

With a punch, a dragon’s roar shook the nine heavens!

A huge golden fist smashed forward!

An incomparably huge golden dragon phantom soared out!

At that moment...

Boom! Boom!

Yang Luo’s punch and the golden dragon phantom that roared collided heavily with the attacks of Han Hyeon-jae and the other three, erupting with muffled thunder!

Under the collision!

All kinds of energy and light intertwined and rippled in all directions!

Sword Qi wreaked havoc, storms swept, flames burned, and lightning surged. It was incomparably magnificent!

Many of the surrounding soldiers were sent flying!

“Retreat!”

Kim Min-ho shouted and retreated with all the soldiers, not daring to get close to the battlefield!

Crack! Crack!

The ground under Yang Luo, Han Hyeon-jae, and the others’ feet continued to shatter like a spider web that spread in all directions!

Countless rocks were swept into the sky, making everyone present tremble in fear!

“So what if they’re four Martial Emperor Realm experts? What do I, Yang Luo, have to fear!

Get the f\*ck out of my way!”

Yang Luo let out an explosive roar, and his right arm suddenly shook!

Accompanied by a loud rumble!

Han Hyeon-jae and the other three were sent flying at the same time!

The four of them flew for more than ten meters before they could stabilize themselves!

Instantly, everyone present fell silent and looked at the scene in front of them in a daze!

The four Martial Emperor Realm experts were actually unable to suppress this kid. Instead, they were sent flying by a punch?!
