Chapter 121: Overwhelming Popularity

At this moment, the various media and internet celebrities had already spread the news.

Jiang City's business world was in an uproar.

At a certain trading company.

“CEO Wang, the effect of a new facial mask developed by Hua Mei Biomedical is simply explosive. The effect can be seen in ten minutes. Should we order it first?”

“Yes, of course!”

“Then I'll call Hua Mei Biomedical now!”

“By the time you finish the call, all the goods have been snatched away. Prepare the car and quickly go to the event location to order the goods!”

“Yes!”

At an e-commerce company.

Bang!

The door of the general manager's office was forcefully opened!

A fatty rushed out of the office!

He quickly arrived at the office area, took a deep breath, and said loudly, “Everyone, just now, Hua Mei Biomedical released a magical facial mask. It only takes ten minutes to see an obvious effect!

“Therefore, I plan to order a batch of goods. From tomorrow onwards, we will focus on selling this mask!”

“President Qian, is this mask really that magical? You can see the effect in ten minutes?”

“President Qian, are you joking with us?”

The employees did not believe it at all and felt that the boss was joking.

President Qian said, “I'm telling the truth. If you don't believe me, you can watch the replay of the news conference through the various live-stream platforms!

Alright, I won't talk to you guys anymore. I have to go to the news conference event location to order the goods!

Secretary Zhang, quickly prepare the car and go to the event location of the news conference!”

At a certain beauty salon.

The television was playing the scene at the event location of Hua Mei Biomedical's new product news conference.

When they saw the effect of the Jade Countenance Beauty Mask with their own eyes, all the beauticians and customers became rowdy.

“Oh my god, what kind of mask is this? The effect is too good!”

“Ten minutes. It's amazing to see an effect in just ten minutes!”

“Has it been sold online? I want to order it now!”

Customers exclaimed one after another. They picked up their phones and opened the various online shopping platforms to search for this mask.

However, what made them depressed was that the online sales had not started at all.

At this moment...

The female boss of the beauty salon hurried down the stairs.

“CEO Wu, have you seen the news conference for Hua Mei Biomedical's new product?”

A beautician asked.

“I did!”

CEO Wu replied and said, “I'm certain that this facial mask will definitely become the most popular skincare product in Jiang City's history!”

“Therefore, I'm preparing to go to the event location to order the first batch of goods!”

At the same time...

At the entrance of the Cloud Peak Hotel.

There were already many luxury cars parked at the entrance of the hotel.

Moreover, there were many luxury cars speeding over from afar.

The car door opened, and the well-dressed bosses got out of the car and rushed into the hotel.

The hotel's security officers were all stunned, thinking that there was an emergency situation.

Initially, the security officers wanted to stop them.

However, after knowing that these bosses were going to attend Hua Mei Biomedical's new product news conference, they did not stop them and let them pass.

At this moment, at the news conference venue.

The originally empty venue was already filled with people.

“President Su, I’m really sorry. I originally wanted to attend the news conference today, but I was busy with something, so I only came now. I hope you can understand!”

“President Su, I’ve already seen the video of the news conference. The facial mask your company produced is really amazing. I plan to order a batch of goods. You must leave some for me!”

“President Su, I want to work with you. We can sign the contract now. I want as many masks as you have. I can pay for the goods at any time!”

“President Su, don’t forget me. We’re friends!”

At this moment, other than the bosses who had never worked with Hua Mei Biomedical and had maintained a neutral stance, even the bosses who had sided with Ding Sheng Biomedical also came. Su Qingmei, who was standing in front of the hall, was stunned when she saw the scene in front of her.

Thinking of the pressure, distrust, and grievance she had suffered during this period of time, and looking at the current situation, Su Qingmei’s eyes turned red.

All the hard work she had put in during this period of time was now worth it.

Of course, if not for the secret recipe provided by Yang Luo, Hua Mei Biomedical would not have developed such a popular product.

If not for Yang Luo cheering her on, comforting her, and supporting her, she would not have lasted until now.

She was endlessly grateful to Yang Luo.

The higher-ups of Hua Mei Biomedical were also extremely excited!

They never expected this news conference to be so successful!

They never expected so many bosses to come and support them!

They never expected that the new product they developed would cause such a boom in the market!

At this moment, Jiang Mingyu and the others, who were squeezed in the corner in the distance, were about to go crazy from anger!

Today, they had originally planned to watch the commotion and see a joke!

But who knew that such a situation would happen!

They thought that no one would attend Hua Mei Biomedical’s news conference!

However, he did not expect the four Divine Doctors of Jiang City, the top figures of Jiang City, and the top figures of Jiangnan province to come to support him!

They originally thought that the new products developed by Hua Mei Biomedical could not compare to their Ding Sheng Biomedical products!

Unexpectedly, the products developed by the other party directly shook the entire market!

One had to know that Ding Sheng Biomedical had never been in such a situation even when they held the new product news conference!

Envy, anger, extreme hatred, and all kinds of emotions surged into Jiang Mingyu and Jiang Xinyue's hearts!

He Yilin, Liu Yuwei, Liu Yuting, and the others were the same!

Why was it so difficult to step on Hua Mei Biomedical, Su Qingmei, and Yang Luo?!

Jiang Mingyu was completely enraged. He shouted at the bosses, "If you dare to cooperate with Hua Mei Biomedical, you will be making an enemy of our Ding Sheng Biomedical and our Jiang family!

You all have to consider carefully if this is worth it!"

"Young Master Jiang, we can work with whoever we want. You have no right to interfere with us!"

"That's right. Don't use your Ding Sheng Biomedical as a bargaining chip. We won't fall for it if you use your Jiang family to suppress us!"

"Even without your Ding Sheng Biomedical, our company won't starve to death!"

The bosses who did not work with Ding Sheng Biomedical spoke up one after another, feeling very unhappy.

"You guys..."

Jiang Mingyu was so angry that his chest heaved up and down. He turned to look at one of the bosses in a partnership with him and said angrily, "If you dare to cooperate with Hua Mei Biomedical, our Ding Sheng Biomedical will cancel the cooperation with you now!

Moreover, from now on, don't even think about having any business dealings with our Ding Sheng Biomedical!"

With that, he looked at Su Qingmei and said coldly, "Su Qingmei, let's see how long your Hua Mei Biomedical can last! Let's wait and see!

Let's go!"

Then, he left the venue with Jiang Xinyue and the others.

He really did not want to stay here anymore.

It was too embarrassing to continue staying here. He felt like he had become a clown.

Seeing that Jiang Mingyu and the others had left, a portion of the bosses who had worked with Ding Sheng Biomedical hesitated for a while before chasing after them..

Chapter 122: He's Qualified!

However, there were still some bosses who stayed.

They were all bosses, so they could naturally see the huge potential of this product developed by Hua Mei Biomedical. It would definitely become the number one popular skincare product in the future.

For the sake of benefits, they had to cooperate with Hua Mei Biomedical even if they had to beg.

After Jiang Mingyu and the others walked out of the hotel, they left in cars one after another.

At the entrance of the hotel.

“I’m so angry, so darned angry!

Seeing that dog Yang Luo’s smug look makes me angry!”

Liu Yuting was going crazy. The more she thought about it, the angrier she became.

She looked at Zhao Tianheng with a vicious glint in her eyes and suggested, “Brother-in-law, why don’t we find an opportunity to kill Yang Luo?”

Zhao Tianheng also smoked unhappily and said in a low voice, “I also want to kill Yang Luo.

However, Yuting, you should know that Yang Luo is no longer someone we can deal with.

Just the Su family and the Qin family alone gave us a headache.

Now, even Governor Luo, Director-General Ren, Director-General Lei, and the four Divine Doctors were on good terms with him. It would be even harder to kill this guy.

Of course, this guy is also very strong. It’s too difficult to kill him.”

“This won’t do, that won’t do. Are we going to let that dog continue to be arrogant?”

Liu Yuting took a few deep breaths and suggested, “Brother-in-law, why don’t we find someone to kidnap Su Qingmei and use her to threaten Yang Luo?

At that time, as long as we kidnap Su Qingmei, Yang Luo will be at our mercy.”

Liu Yuwei’s expression changed and she said, “Yuting, isn’t this a little too risky?”

Liu Yuting said, “It’s fine, Sister. As long as we do it secretly, we should be fine.” “No, absolutely not!”

Zhao Tianheng immediately rejected this suggestion and frowned, “Yuting, I advise you not to do this!

Now that the Jiang family, the He family, and the Song family have already started to deal with the Su family and the Qin family, let’s not cause trouble!

As long as the Su family and the Qin family fall, it would be much easier for us to deal with Yang Luo!

Therefore, before that, let’s endure it!

Alright, I still have something on, so I'll take my leave first!"

With that, Zhao Tianheng got into the car and left.

After Zhao Tianheng left, Liu Yuwei said, "Yuting, Tianheng is right. Let's endure it a little longer."

"Sister, that bastard Yang Luo has been arrogant for so long. Even if you can tolerate it, I can't!"

Liu Yuting clenched her fists tightly and said fiercely, "Moreover, if this dog had saved Grandpa back then, he wouldn't have died!

Therefore, Grandpa's death is also related to him!"

"That's true, but..."

Liu Yuwei also wanted to kill Yang Luo, but she felt that this method was inappropriate.

Liu Yuting continued, "Sister, don't worry. We didn't kidnap Su Qingmei to hurt her. We are only kidnapping her to threaten that bastard Yang Luo.

Moreover, I'm doing this to make that dog Yang Luo kneel down and kowtow to us to apologize. I want to suppress his arrogance and vent my anger first.

As long as we don't kill anyone, we'll be fine with Young Master Jiang, Young Master He, and Young Master Song supporting us."

At this moment, Liu Yuwei had already been blinded by hatred. Coupled with Liu Yuting's words, she was also a little tempted.

She gritted her teeth and said, "Alright, let's do that!"

Liu Yuting immediately became excited, "Sister, I'll spend money to hire someone now. We'll start tonight!"

"Yes!"

Liu Yuwei nodded heavily.

Then, the two of them got into the car and left the hotel.

At this moment...

At the hotel venue.

Seeing that Su Qingmei was still in a daze and had yet to recover, Yang Luo planned to say a few words on behalf of the woman. He couldn't just leave these bosses here.

He glanced at everyone present and said loudly, "Thank you, bosses, for participating in Hua Mei Biomedical's new product news conference. Thank you for your love for our new product!

"Everyone, don't worry. Anyone who rushes to the venue today can sign a cooperation agreement with our Hua Mei Biomedical!"

"Good, good, good. That's good. As long as we can sign a contract, we won't have to worry about not being able to order the goods!"

“I can already predict that as long as this mask goes on the market, it will definitely be snatched up in an instant, so I have to stock up more!”

“Hahaha, I’ve already thought about it. I’m prepared to order 30 million yuan of goods first and increase it by 30 million yuan later!”

Hearing Yang Luo’s words, the bosses were very happy and discussed non-stop.

“However, some of them have already been blacklisted by Hua Mei Biomedical. Even if you come today, Hua Mei Biomedical will not cooperate with you!”

At this moment, Yang Luo spoke again.

Hearing this, the event location instantly fell silent.

Some of them immediately became nervous.

They thought of what had happened at the Blue Sky clubhouse a week ago.

At that time, they had already offended Su Qingmei and Hua Mei Biomedical.

They only hoped that Hua Mei Biomedical had already forgotten about them, but it seemed like that was not the cause.

Just as these bosses were hoping for a fluke, Yang Luo said in a loud and clear voice, “Now, I’ll name the people. The people who are named can leave!”

As he spoke, Yang Luo looked coldly at a bald boss in the crowd and said coldly, “You’re Zhang Youfu from Taixing Trading, right?”

Back then, you were the one who screamed out the most. You even said that if you begged to cooperate with our Hua Mei Biomedical in the future, you would be a dog, right?”

Zhang Youfu wiped the sweat off his forehead and smiled dryly, “Assistant Yang, I was just joking previously. How can you take it seriously?”

“I’m sorry, I took it seriously!”

Yang Luo sneered and pointed outside, “That’s the door. You can get lost now!”

Zhang Youfu was instantly enraged and shouted, “Who do you think you are? What right do you have to chase me away?”

Ma Shengqiao from Eight Horse e-commerce also shouted, “That’s right. President Su hasn’t said anything. What right do you have to make a decision for him?!”

Right after he finished his sentence!

“He has every right to make decisions for me!”

Su Qingmei finally spoke. She looked at Zhang Youfu and Ma Shengqiao coldly, “He owns 20% of Hua Mei Biomedical’s shares and is the second-largest shareholder of our company!

Moreover, he was the one who provided the secret recipe for the new product!

“Do you think he has the right to make a decision for me?”

Hearing this, Zhang Youfu and Ma Shengqiao were instantly dumbfounded.

The news they heard was that Yang Luo was just the Su family’s live-in son-in-law and Su Qingmei’s assistant.

Unexpectedly, Yang Luo was actually the second-largest shareholder of Hua Mei Biomedical. Moreover, even the secret recipe for this new product was provided by him.

Zhang Youfu broke out in cold sweat and said with a smile, “Mr. Yang, I hope you can forgive me for offending you just now.

Mr. Yang, I, Zhang Youfu, guarantee that I will stand firmly on Hua Mei Biomedical’s side in the future.”

Ma Shengqiao also hurriedly guaranteed, “I, Ma Shengqiao, also guarantee that our Eight Horse e-commerce company will definitely be Hua Mei Biomedical’s most loyal business partner in the future!”

Chapter 123: Repaying kindness!

Yang Luo’s expression did not change at all. He said coldly, “Everyone has to be responsible for what they have done and said!

Therefore, you are not qualified to work with our Hua Mei Biomedical!”

“You...”

Zhang Youfu and Ma Shengqiao’s faces turned red. For a moment, they were at a loss for words.

They did not expect that there would really be a day when they would ask to cooperate with Hua Mei Biomedical.

If they had known that this day would come, they would not have said those words back then.

Regret. Endless regret surged into their hearts.

Yang Luo ignored the two of them and continued to name names.

Soon, more than ten bosses were pulled out.

Yang Luo’s eyes were indifferent as he coldly spoke, “Bosses, you can leave now.”

“President Su, please give us another chance!”

“Yeah, President Su, we’ve worked together before. For the sake of our past relationship, forgive us this time!”

“President Su, as long as you’re willing to cooperate with us, we can spend more money to order the goods!”

Zhang Youfu, Ma Shengqiao, and the others were still a little indignant and began to beg Su Qingmei.

None of them wanted to miss this good opportunity to earn a lot of money.

Moreover, the reason why they begged Su Qingmei was because she was a woman. Women usually paid more attention to emotional bonds.

However, Su Qingmei was unmoved, she only said coldly, “You’re not welcome here. Leave!”

Although she was very emotional, she was very rational when it came to company matters.

She would not forgive those who had betrayed Hua Mei Biomedical.

Hearing Su Qingmei’s words, Zhang Youfu, Ma Shengqiao, and the others immediately turned pale, and their hearts sank to the bottom.

“President Su asked you to leave. Why are you still here? Hurry up and leave!” “Since you chose Ding Sheng Biomedical and even followed them to suppress Hua Mei Biomedical, you should have expected this outcome today!”

“Don’t stay here. Hurry up and leave!”

The other bosses echoed and began to chase Zhang Youfu, Ma Shengqiao, and the others away.

After all, with one less person, they would have one less competitor and could order more goods.

Zhang Youfu and Ma Shengqiao gritted their teeth and left the venue dejectedly.

After Zhang Youfu, Ma Shengqiao, and the others left...

Su Qingmei looked up at Shen Yun, Li Sihai, and Cai Donglai and smiled,

“President Shen, President Li, President Cai, 1, Su Qingmei, have always been grateful and will not mistreat my friends!

Thank you for your help during this period of time, and thank you for always standing firmly on our Hua Mei Biomedical’s side!

As we were in a hurry, we only produced 300,000 crates of goods in the first batch. However, I have decided to hand half of the goods to you!

You can freely allocate the source of goods and choose the company that sells them!

“Moreover, 1 promise that 1 will give you a portion of the goods we produce in the future!

“Our Hua Mei Biomedical will only take 50% of the profits from the sales!”

As soon as these words were spoken...

The raucous crowd turned silent!

“Oh my god, President Su is too generous. Not only did she distribute half of the goods, but she’s only taking 50% of the profits?!”

“President Shen, President Li, and President Cai are going to be rich this time!” “If I had known this would happen, I would have stood on President Su’s side!” The bosses exclaimed one after another and looked at Shen Yun, Li Sihai, and Cai Donglai with envy.

At this moment, Shen Yun, Li Sihai, and Cai Donglai were completely stunned. They originally thought that Su Qingmei would only take care of them more and give them more goods.

However, they did not expect Su Qingmei to split half of the goods for them to deal with and even give them 50% of the profits.

Excitement, gratitude, and various other emotions surged into their hearts.

Li Sihai took a deep breath and said, “President Su, you’re too polite. You can just give us a third, oh no, a quarter of the goods.

Moreover, we will only take 30% of the profits.”

Cai Donglai quickly said, “President Su, I have the same idea as Old Li. You just need to give us a quarter of the goods. We’ll only take 30% of the profits.”

Shen Yun nodded as well. Clearly, she had the same thoughts as Li Sihai and Cai Donglai.

Su Qingmei smiled and said, “President Shen, President Li, President Cai, how can I take back what I said?

I’ve already said that I, Su Qingmei, will never mistreat my friends!

Moreover, this is what you deserve. Just accept it in peace!”

Li Sihai sighed deeply and said, “President Su, I, Li Sihai, don’t know how to thank you!

Don’t worry, President Su. From now on, Hua Mei Biomedical’s business is my business!”

Cai Donglai also gave Su Qingmei a thumbs up, “President Su, you’re so open-minded. I’m definitely going to be your friend!”

Shen Yun also smiled and said, “Thank you for your care, President Su. If you need anything in the future, feel free to look for me!”

They were very glad that they had made this choice back then!

Su Qingmei smiled and nodded. Then, she said, “Alright, let’s not talk anymore.

The bosses are still waiting. Let’s start signing the goods contract now!

President Shen, President Li, President Cai, you have to help too!”

“Hahaha, of course!”

Shen Yun, Li Sihai, and Cai Donglai laughed out loud.

Soon, this largely anticipated signing ceremony began.

After the Su family and the Qin family greeted Su Qingmei and Yang Luo, they left one after another.

Before they left, Luo Zhongyue said to Yang Luo, "Divine Doctor Yang, we won't disturb you anymore. Let's meet again when we have time."

"Alright."

Yang Luo nodded in reply.

Luo Zhongyue, Ren Pinghui, Lei Guodong, and the others smiled and left the venue.

"Master, we won't disturb you anymore. We'll leave first."

Huang Tai'an, Cao Jisheng, Han Shouli, and Sun Boren also walked over.

Yang Luo said, "Alright, I won't send you off then."

Sun Boren grinned and said, "Master, it's said that you guided Old Huang, Old

Cao, and Old Han. You can't favor one over the other. If you have time in the future, you have to guide me."

"That's not a problem."

Yang Luo smiled and agreed.

Then, Huang Tai'an and the other three left the venue.

After sending the guests off, Yang Luo helped Su Qingmei maintain order at the scene and signed goods contracts with various large companies.

At the same time...

In the backyard hall of the Heavenly Path Martial Arts School.

The leader of Jiang City's Martial Alliance, Hong Yunzhi, was chatting with the dojo masters of the three top martial arts schools in Jiang City.

These three first-rate martial arts schools were the Zhongyi Martial Arts

School, the True Martial Dojo, and the Big Dipper Martial Arts School.

The three dojo masters were Qiao Jingsong, Chen Qingshan, and Yuan Shichuan.

The three of them were the top out of a total of 19 martial arts schools in Jiang City's martial arts world.

Other than the Heavenly Path Martial Arts School established by Hong Yunzhi, there were also the three first-rate martial arts schools, six second-rate martial arts schools, and nine third-rate martial arts schools.

Qiao Jinsong took a sip of tea and said, "Alliance Master Hong, the Tenth Martial Arts Tournament will be held at the end of the year.

At that time, the various Martial Alliance branches in China would have another intense competition.

I wonder if our Martial Alliance in Jiang City will be able to rank in the top ten this time..”

Chapter 124: Three Grandmaster Realms

Chen Qingshan smiled and said, “Now that Alliance Master Hong has stepped into the Grandmaster Realm, I believe our Jiang City Martial Alliance has a chance of entering the top ten this time.”

“That’s right.”

Yuan Shichuan nodded and said, “If our Jiang City Martial Alliance can get into the top ten, our Jiang City Martial Alliance’s reputation will completely spread.

“At that time, more outstanding martial arts talents will join our various martial arts schools.”

Hong Yunzhi waved his hand and said, “Brothers, I’ve just stepped into the Grandmaster Realm. I’m afraid I can’t compete for the ranking yet.”

Qiao Jinsong smiled and said, “It’s fine, Alliance Master Hong. Isn’t there still half a year? At that time, if you can step into the intermediate-stage or late-stage of the Grandmaster Realm, your chances will be very high.”

Chen Qingshan and Yuan Shichuan also nodded.

Hong Yunzhi sighed and said, “I hope so. I also hope that our Martial Alliance in Jiang City can rise and not always be ranked last.”

Chen Qingshan suddenly thought of something and said, “However, the most exciting part of the annual competition is the ranking battle for the Heaven and Earth Lists!

I wonder if there will be new martial arts experts who will enter the Heaven and Earth Rankings this time. I’m looking forward to it!”

“I think it’ll be difficult.”

Yuan Shichuan shook his head, “After all, martial arts experts who can be ranked on the Heaven and Earth List rely on real strength.

“Unless an extremely talented martial arts expert is born, it’s impossible for a new person to replace the old.”

“Father, if Mr. Yang participates in the martial arts competition, I think Mr. Yang is very likely to occupy a seat on the Earth Ranking!”

At this moment, Hong Zekai, who was standing behind Hong Yunzhi, spoke out.

“Xiao Kai, is Mr. Yang the expert who helped Alliance Master Hong step into the Grandmaster Realm?”

Yuan Shichuan asked.

“Yes, Uncle Yuan.”

Hong Zekai nodded, “Uncle Yuan, to be honest, Mr. Yang’s martial arts strength is really very strong.

Back then, the owner of the Ichiki Karate Dojo, Sato Taro, had come knocking on our door, but he had been easily subdued by Mr. Yang.

Moreover, Uncle Qiao and Uncle Chen are not Mr. Yang’s match.”

Hearing this, Qiao Jingsong and Chen Qingshan’s faces turned red and they felt a little embarrassed.

“Oh? Is that so?”

Yuan Shichuan turned to look at Qiao Jingsong and Chen Qingshan and asked, “Is what Xiao Kai said true?”

Without waiting for Qiao Jingsong and Chen Qingshan to speak, Chen Rongrong rushed to reply, “Uncle Yuan, don’t listen to Brother Hong’s nonsense!

Back then, my father fell into that kid’s trap by accident!

If my father is serious, that kid is not my father’s match at all!”

“That’s right.”

Qiao Yongjie chimed in, “That kid does have some strength, but he’s definitely not a match for my father and Uncle Chen!”

Qiao Jingsong and Chen Qingshan did not say anything. They naturally would not admit that they had lost to a brat.

Hong Zekai frowned and said, “Yongjie, Rongrong, Mr. Yang is really strong.

“It has to be known that Sato Taro of Ichiki Karate Dojo is a perfected Connate Realm expert, but he was beaten up by Mr. Yang until he could not fight back.”

“Tsk!”

Chen Rongrong had a look of disdain, “The martial arts of Country Sakura can’t compare to our Chinese martial arts at all!

“I think their Martial Warrior realm must be very exaggerated!”

“Rongrong is right. In a small country like this, martial arts are naturally not that strong. It’s impossible for there to be experts.”

Qiao Yongjie added.

However, just as Qiao Yongjie finished speaking!

A loud shout came from outside!

“Alliance Master Hong, something has happened. Something big has happened!”

Right on the heels of that.

A flurry of footsteps could be heard.

“What happened?”

Qiao Jingsong was stunned.

Chen Qingshan and the others were also puzzled.

“Let’s go out and take a look!”

Hong Yunzhi stood up and walked out.

Qiao Jingsong and the others hurriedly followed.

Soon, Hong Yunzhi and the others arrived at the martial arts arena.

They saw a large group of people running in from outside the door in a panic.

Moreover, everyone was injured. Many of them had swollen faces and looked very miserable.

“Old Li, Old Zhao, Old Liu, Old Ma, what’s wrong with you? Why are you covered in injuries?”

Hong Yunzhi hurriedly asked.

Therefore, the people who rushed in were the masters of the four third-rate martial arts schools in Jiang City, Lee Chang’an, Zhao Baisheng, Liu Zhuomin, and Ma Chuanwu.

The others were disciples of the four martial arts schools.

Lee Chang’an said with a bitter expression, “Alliance Master Hong, not long ago, a group of people from Country Sakura’s martial arts world came to challenge our dojo and injured our people!

“We’re not their match at all!”

Zhao Baisheng also said with grief and indignation, “That’s right. Now, not only have our four dojos been kicked out, but even the other dojos have been kicked out. The other dojo masters are also rushing over!”

Liu Zhuomin gritted his teeth and said, “Moreover, those guys said that they want to trample all the martial arts schools in Jiang City under their feet today, including your Heavenly Path Martial Arts School, Alliance Master Hong!”

Qiao Yongjie said angrily, “These martial artists from Country Sakura are too arrogant. They actually dare to clamor and trample all the martial arts schools in Jiang City under their feet!”

Chen Rongrong said to Chen Qingshan, “Dad, if those Martial Warriors from Country Sakura come later, you must teach them a lesson and let them know how powerful our Chinese Martial Warriors are!”

Chen Qingshan nodded and said, “Don’t worry, I’ll definitely teach those arrogant fellows a lesson!”

Hong Yunzhi frowned and said, “I’m afraid these martial artists from Country Sakura don’t have good intentions!

Moreover, since they dared to clamor and trample all the martial arts schools in Jiang City under their feet, they should be very confident in their strength!

Therefore, we must be worried and not be careless!”

Qiao Yongjie said, “Uncle Hong, aren’t you overestimating those Martial Warriors in Country Sakura?”

Even if they really have some strength, they are definitely not our match.”

“That’s right!”

Chen Rongrong nodded and said, “If they dare to come, we’ll definitely beat them up!”

At this moment...

Shouts came from outside the door.

“Alliance Master Hong, bad news, bad news!”

“Alliance Master Hong, you must stand up for us!”

Another large group of people ran in from outside the door.

The people who came were the masters and disciples of the six second-rate martial arts schools and the other five third-rate martial arts schools.

Hong Yunzhi hurriedly asked, “Elder Zheng, has your martial arts school been kicked out too?”

“That’s right!”

Hall Master Zheng nodded and said indignantly, “Those guys are too strong. We couldn’t even exchange a few moves with them before being beaten down by them!”

Upon hearing this, Hong Yunzhi, Qiao Jinsong, Chen Qingshan, Yuan Shichuan, and the others finally revealed expressions of shock!

From the looks of it, other than their Heavenly Path Martial Arts School, Zhongyi Martial Arts School, True Martial Dojo, and Big Dipper Dojo, the other martial arts schools had all been kicked out!

Hong Yunzhi asked in a deep voice, “How many people challenged the sect?”

Hall Master Zheng replied, “Three people.”

“Then how strong are they?”

Hong Yunzhi asked again.

Hall Master Zheng said, “Those three are probably all Grandmaster Realm experts!”

Chapter 125: A Bunch of Trash!

“What?! They’re all Grandmaster Realm experts?!”

“Uncle Zheng, are you mistaken?!”

Qiao Yongjie and Chen Rongrong exclaimed in disbelief.

Even Hong Yunzhi, Qiao Jingsong, Chen Qingshan, Yuan Shichuan, and the others were skeptical.

Hall Master Zheng waved his hand and said, “I won’t make a mistake. You have to know that my cultivation level is at the early-stage Connate Realm.

However, one of the three defeated me in a few moves.

“Only Grandmaster Realm experts can do such a thing.”

Hearing this, Hong Yunzhi and the others frowned.

They naturally did not think that Hall Master Zheng was lying.

However, if the other party really had three Grandmaster Realm experts, even they would find it difficult to match them.

At this moment, shouts came from outside the door.

“Hall Master, our Zhongyi Martial Arts School has been kicked out!”

“Our True Martial Dojo has been kicked out!”

“Our Beidou Dojo has also been kicked out!”

Another large group of people ran in from outside the door.

The people who entered were the disciples of the Zhongyi Martial Arts School, the True Martial Dojo, and the Big Dipper Dojo. All of them were injured. “What?! Our Zhongyi Martial Arts School has also been kicked out?!”

Qiao Jingsong was stunned, his eyes filled with anger.

A disciple of Zhongyi Martial Arts School said with a long face, “Yes, Hall Master. Not long ago, those Martial Warriors from Country Sakura came knocking on our door and injured all the disciples of our martial arts school!” “Bastard!”

“Outrageous!”

Chen Qingshan and Yuan Shichuan were also furious.

“All! All! Ah...”

At this moment, a series of screams suddenly came from outside the door.

Everyone turned around to see disciples of the Heavenly Path Martial Arts School fly in from outside and fall heavily on the martial arts arena.

Then, a group of men in martial arts clothes and wooden clogs strode in.

At the front were three middle-aged men in black, blue, and gray martial arts suits.

The middle-aged man in the black and blue martial arts suit were unarmed, while the middle-aged man in the gray martial arts suit had a sword at his waist.

The three middle-aged men had proud expressions and were energetic. Their eyes were filled with disdain.

Sato Taro, the owner of Ichiki Karate Dojo, followed closely behind the three of them.

Hong Yunzhi glared at Sato Taro and said angrily, "Sato Taro, so it was you who did it!"

"That's right. I did it. What can you do to me?"

Sato Taro walked out with a smug look on his face. Then, he pointed at the three middle-aged men and said, "Everyone, let me formally introduce you!

"These three are my senior brothers, Yagyu Goemon, Nakamura Ichio, and Kitada Karyu!"

Hong Yunzhi's expression was cold as he said in a trembling voice, "You kicked out 18 martial arts schools and injured so many of us. What exactly do you want?"

Sato Taro smiled mockingly and said, "Alliance Master Hong, we only wanted to spar with your various martial arts schools. Who knew that you guys would be so weak?

So many dojo masters are not my three senior brothers' match. They were even beaten up by my three senior brothers."

Nakamura Ichio, who was more than 1.9 meters tall, cupped his fists and said in broken Chinese, "Your country has always claimed that martial arts originated from your country!

I originally thought that there were many martial arts experts in China, but seeing it today, I'm really disappointed!"

Kitada Karyu, who had a strong figure and was about 1.8 meters tall, stood up and sneered, "What bullsh*t martial arts expert? I think you're all just a group of trash!"

"Insolent!"

"How can you slander our Chinese martial arts?!"

"If a true expert from China were to take action, he could beat you up with one hand!"

All the disciples present roared.

"A real expert?"

Nakamura Ichio smiled teasingly, "Then let the true experts come out!

"I think it's not that you so-called experts don't dare to come out, but that they don't dare to, right?"

"Hahaha..."

The disciples of the Ichiki Karate Gym burst into laughter.

“Bastard, I think you’re asking for a beating!”

Chen Rongrong shouted and rushed towards Nakamura Ichio!

“Rongrong, come back!”

Chen Qingshan shouted when he saw this.

One had to know that even so many dojo masters were not their match. Wouldn’t Chen Rongrong be looking for trouble if she went up?

However, Chen Rongrong did not listen to Chen Qingshan. Instead, she rushed towards Nakamura Ichio!

And the moment they got close...

Chen Rongrong’s right hand turned into a palm, bringing with it a force that was both hard and soft as she slapped towards Nakamura Ichio!

“I think you Chinese men are really gutless. You actually sent a woman out!” Nakamura Ichio sneered. He raised his right arm and punched forward!

This punch was abnormally ferocious and brought along with it a wave of gray True Qi!

THUD!

The fist and palm collided heavily, emitting a low collision sound!

The next second!

“Ah...!”

Chen Rongrong let out a painful cry as she was sent flying!

“Rongrong!”

Chen Qingshan exclaimed and quickly rushed forward to support Chen Rongrong.

Chen Rongrong’s right arm was fractured. She was in so much pain that her face turned pale and she broke out in cold sweat.

“How dare you hit Rongrong? You have a death wish!”

Without waiting for Chen Qingshan to make a move, Qiao Yongjie rushed forward first!

“Yongjie!”

Qiao Jingsong was also shocked, but it was too late to stop him.

“An Acquired Realm Martial Warrior dares to come and court death?”

Nakamura Ichio sneered. His right hand was wrapped in gray True Qi as he punched Qiao Yongjie’s chest!

Qiao Yongjie was shocked!

Although Nakamura Ichio's punch was ordinary, its strength and speed were extremely terrifying, making it impossible for him to dodge or even have the chance to retaliate!

Bang!

This punch landed heavily on Qiao Yongjie's chest and broke a few of his ribs!

“Uhh...”

Qiao Yongjie let out a scream and was sent flying seven to eight meters away.

He clutched his chest in pain, and a trace of blood seeped out of the corner of his mouth.

Seeing that Qiao Yongjie was also injured, Hong Yunzhi's son, Hong Zekai, and Yuan Shichuan's son, Yuan Yiming, prepared to go forward!

“How dare you hurt my son? You have a death wish!”

However, before the two of them could move, Qiao Jinsong flew into a rage and charged towards Nakamura Ichio with a strong wind!

Seeing Qiao Jinsong attack, everyone present was filled with anticipation.

One had to know that Qiao Jinsong was a late-stage Connate Realm Martial Warrior and was very powerful.

“Late-stage Connate Realm?”

Nakamura Ichio sneered, “You're still not my match!”

As he spoke, Nakamura Ichio's figure flashed and rushed forward!

The next instant...

The distance between the two of them closed!

Nakamura Ichio directly used a karate move, throwing a heavy punch!

Qiao Jinsong used the Back Connecting Fist and also threw a heavy punch!

THUD!

The two punches blasted out at the same time like two cannonballs colliding, emitting a muffled thunder!

However, the impact lasted less than a few seconds!

Qiao Jinsong only felt a sharp pain in his arm before he was sent flying!

Chapter 126: Extremely Arrogant!

“Father!”

“Old Qiao!”

“Hall Master Qiao!”

Everyone present exclaimed in surprise, their eyes filled with shock.

Even Qiao Jinsong could not block this guy’s punch!

This guy was truly a Grandmaster Realm expert!

“Well done!”

“Nakamura-kun is mighty!”

The disciples of the Ichiki Karate Dojo raised their arms and shouted excitedly.

‘Til take you on!”

“Count me in!”

Chen Qingshan and Yuan Shichuan shouted and rushed towards Nakamura Ichio at the same time!

Nakamura Ichio smiled mockingly and said, “Is this the style of Chinese Martial Warriors?

You can’t beat me in a one-on-one battle, so you plan to attack me in a group?

“Very good. Even if all of you attack together, you won’t be my match!”

As he spoke, Nakamura Ichio took a step forward and fought with them!

In an instant!

The three of them met in the center of the martial arts field!

Chen Qingshan raised his right arm and mobilized all his strength to slap Nakamura Ichio!

Yuan Shichuan held his claw with his right hand and swung it with all his might. He tore through the air in front of him and grabbed at Nakamura Ichio!

One of them used the Eight Trigrams Palm while the other used the Great Strength Vajra Claw. They were both famous martial arts in China!

However, in the face of their fierce attacks, Nakamura Ichio’s expression did not change. He clenched his right hand into a fist and turned his left hand into a palm, bringing out two streams of gray True Qi to meet them!

Boom boom boom!

Accompanied by two thunderous explosions, terrifying air waves spread out, causing the surrounding people to retreat repeatedly!

The thick stone slabs in the center of the martial arts arena cracked one by one, giving those people standing there a rude shock.

“Piss off!”

Nakamura Ichio roared and exerted strength in his arms, sending Chen Qingshan and Yuan Shichuan flying!

After flying for five to six meters, Chen Qingshan and Yuan Shichuan finally stabilized their bodies!

However, their right arms trembled and they felt pain and numbness!

Grandmaster Realm!

They were certain that this Martial Warrior from Country Sakura was definitely a Grandmaster Realm expert!

Just as Chen Qingshan and Yuan Shichuan were sent flying!

Qiao Jinsong, who had already regained his senses, rushed over diagonally and punched Nakamura Ichio's chest!

A cold smile appeared on Nakamura Ichio's lips. He raised his right hand and easily blocked Qiao Jinsong's punch!

Then, he raised his leg and kicked Qiao Jinsong in the chest!

With a muffled bang, Qiao Jinsong was sent flying again, falling more than ten meters away!

“Ugehhh...”

When he fell to the ground, Qiao Jinsong spat out a large mouthful of blood.

This kick not only broke a few of his ribs, but also injured his internal organs.

“Father!”

“Hall Master Qiao!”

Qiao Yongjie and the others shouted and rushed forward to help Qiao Jinsong up.

Everyone stared at Nakamura Ichio with anger in their eyes.

This guy was too ruthless. He was simply asking for death.

Nakamura Ichio ignored everyone's gazes. Instead, he hooked his finger at Chen Qingshan and Yuan Shichuan and said with a smile, “Come, continue. Today, I'm going to trample all the dojo masters of the 19 martial arts schools in Jiang City under my feet!”

“Don't be arrogant!”

“Seeking death!”

Chen Qingshan and Yuan Shichuan roared angrily and prepared to continue attacking!

“Old Chen, Old Yuan, stand back. I'll deal with this guy!”

At this moment, Hong Yunzhi said in a deep voice and strode out.

As the Alliance Master of Jiang City's Martial Alliance, he naturally had to stand up at this moment.

No matter how strong the enemy was, he could not retreat.

This not only represented his personal honor, but also the honor of the entire Jiang City's martial arts world.

The honor of the Chinese Martial Warriors could not be trampled on by anyone!

“Senior Brother Nakamura, this guy is the Alliance Master of the Martial Alliance in Jiang City, Hong Yunzhi!”

Sato Taro reminded.

“Oh...”

Nakamura Ichio nodded in realization and narrowed his eyes at Hong Yunzhi, “You’re the Alliance Master of Jiang City’s Martial Alliance?”

I thought you would only hide behind the others and not come out. Looks like you still have some guts.”

Hong Yunzhi met Nakamura Ichio’s gaze and said in a trembling voice, “Cut the crap. If you want to fight, let’s fight!”

“Ok!”

Nakamura Ichio’s expression turned cold as he shouted, “Today, I’ll trample you under my feet and let the martial arts world of Jiang City see that you guys are a bunch of trash!

After we sweep through your Jiang City martial arts school, we will go to other cities and sweep through all the martial arts schools in other cities!” “Extremely arrogant!”

Hong Yunzhi was furious. He let out an angry roar and charged towards Nakamura Ichio in a flash!

Therefore, at this moment, Hong Yunzhi was already angry, so the aura he erupted with was very fierce and terrifying!

Every step he took cracked the thick stone slabs on the ground!

“Good luck, Alliance Master!”

“Alliance Master, defeat him!”

“President, let him know how powerful our Chinese Martial Warriors are!”

Everyone present cheered for Hong Yunzhi.

Seeing such a powerful aura erupt, Nakamura Ichio stopped underestimating him!

His entire body shook as he erupted with a powerful aura and rushed towards Hong Yunzhi!

In an instant...

The two of them crossed more than ten meters and approached each other!

Nakamura Ichio twisted his fist and punched Hong Yunzhi with a gray True Qi!

Hong Yunzhi also twisted his fist. A white True Qi lingered on his fist, as if it had transformed into a snake to meet the attack!

The two of them were both early-stage Grandmaster Realm experts, so their auras were not much different!

However, the martial arts displayed by the two of them were clearly very different!

Hong Yunzhi's Xingyi Fist was ancient and profound. It was not something that karate could compare to!

In the blink of an eye!

THUD!

The two fists collided heavily, as if a muffled thunder had exploded on the ground!

The stone slabs under their feet instantly shattered, turning into rubble and dust that scattered everywhere!

After this exchange, Nakamura Ichio was forced back seven to eight steps before he could stabilize his body!

However, Hong Yunzhi only took three steps back before stabilizing his body!

It was obvious who was stronger!

“Good! Good! Good!”

“Good job, Alliance Master!”

Everyone shouted excitedly.

Just now, Nakamura Ichio had defeated Qiao Jinsong, Chen Qingshan, and

Yuan Shichuan, three dojo masters of first-rate martial arts schools in a row. It made them feel very angry and embarrassed!

And now, Hong Yunzhi had finally suppressed the arrogant Nakamura Ichio!

Nakamura Ichio roared angrily, “We're both at the early-stage Grandmaster Realm. I don't believe you can defeat me!”

Accompanied by a furious roar, Nakamura Ichio charged towards Hong Yunzhi like a bull!

As he approached Hong Yunzhi, Nakamura Ichio circulated the True Qi in his body to the limit. He clenched one hand into a fist and turned the other into a palm, continuously attacking Hong Yunzhi!

Hong Yunzhi, on the other hand, was calm and composed. He also circulated the True Qi in his body to the limit. He clenched his fists and punched out one punch after another!

As he punched out, Hong Yunzhi directly used the first six forms of the Xingyi Fist.. His True Qi transformed into the first six forms!

Chapter 127: Does Not Know What Is Good For Him!

The first six forms were Swallow, Harrier, Turtle, Fish, Eagle, and Bear!

Like a light swallow skimming the river, a flying sparrowhawk spreading its wings, an old turtle moving a mountain, a fish swimming into the sea, an eagle flying in the sky, and a wild bear waving its palm!

Every move was incomparably fierce, sometimes fast and sometimes slow, sometimes hard and sometimes gentle, making it difficult for Nakamura Ichio to resist!

Bang! Bang! Bang!

A series of collisions sounded in the martial arts arena like rolling thunder!

Hong Yunzhi and Nakamura Ichio moved around in the martial arts arena, leaving behind afterimages that dazzled everyone present!

After dozens of rounds!

Hong Yunzhi seized a gap in Nakamura Ichio's defense and punched his chest!

Nakamura Ichio was shocked. He wanted to block, but it was too late!

Bang!

Accompanied by a muffled bang, Nakamura Ichio let out a painful cry and was sent flying!

“Senior Brother!”

“Nakamura-kun!”

Sato Taro and the others exclaimed in shock. They did not expect Nakamura Ichio to lose to Hong Yunzhi!

“D*mn it!”

Nakamura Ichio roared angrily and prepared to continue charging at Hong Yunzhi!

“Nakamura-kun, you're no match for this guy. Let me do it!”

Kitada Karyu said in a low voice and strode out.

“Hai!”

Nakamura Ichio nodded.

Kitada Karyu hooked his finger at Hong Yunzhi and said with a smile, “Alliance Master Hong, come, I'll spar with you!”

“As you wish!”

Hong Yunzhi shouted and crushed a stone slab with a stomp. He seemed to have transformed into a bolt of lightning as he charged towards Kitada Karyu!

Kitada Karyu's figure flashed as well, leaving an afterimage as he charged towards Hong Yunzhi!

As they rushed towards each other, the auras on their bodies increased exponentially. They released their True Qi and flickered with white and green light!

“What a powerful aura!”

Qiao Jingsong could not help but exclaim, “The aura emitted by this Kitada Karyu has already surpassed Alliance Master Hong!”

“What?!”

Chen Qingshan’s expression changed drastically, “Could it be that this guy’s cultivation level is higher than Alliance Master Hong?!”

“It’s very likely!”

Yuan Shichuan nodded and said with a solemn expression, “I’m afraid this guy’s cultivation is at least at the intermediate-stage of the Grandmaster Realm!”

Hearing this, the hearts of the other hall masters and disciples sank to the bottom.

If this guy’s cultivation was really higher than Alliance Master Hong’s, Alliance Master Hong would definitely lose.

At this moment!

Hong Yunzhi and Kitada Karyu had already approached each other and punched each other at the same time!

Kitada Karyu was proficient in Aikido. When he punched out, it was the same as Hong Yunzhi’s Xingyi Fist. It was both hard and soft!

THUD!

There was a terrifying collision sound!

Hong Yunzhi was forced to take seven to eight steps back before he could stabilize himself!

On the other hand, Kitada Karyu only took a step back before stabilizing his body!

Hong Yunzhi’s pupils constricted as he exclaimed, “You’re at the intermediate stage of the Grandmaster Realm?”

“That’s right.”

Kitada Karyu had a proud expression, “Therefore, you’re definitely going to lose this battle!

“However, I can give you a chance to kneel down and admit defeat to me!

“Then admit that your Chinese martial arts are inferior to our Country Sakura’s martial arts!”

“Dream on!”

Hong Yunzhi gritted his teeth and shouted angrily, “So what if your cultivation level is higher than mine!

I will never admit defeat to you!”

“In that case, don’t blame me!”

Kitada Karyu's eyes turned cold. His figure moved, bringing with it a gust of astral wind as he charged towards Hong Yunzhi!

Hong Yunzhi did not dodge or retreat. Instead, he charged forward!

In the following period of time!

Hong Yunzhi first used the first six forms of the Xingyi Fist and summoned the first six forms, but he could not suppress Kitada Karyu at all!

After that, Hong Yunzhi used the last six moves and had his Qi transform into the last six forms!

The last six forms was the dragon, tiger, monkey, horse, snake, and chicken!

Punches were thrown one after another like an azure dragon soaring into the sky, a ferocious tiger pouncing on its prey, a spirit monkey climbing the mountain, tens of thousands of horses galloping, a Venomous Snake spitting out its tongue, and a golden rooster reporting the dawn!

However, even after using the last six moves, Hong Yunzhi was still unable to suppress Kitada Karyu!

Bam!

Accompanied by a loud bang, Hong Yunzhi was sent flying more than ten meters away. A trace of blood flowed from the corner of his mouth!

“Alliance Master!”

“Father!”

Everyone present shouted in shock, their eyes filled with unwillingness and anger.

“I'm fine!”

Hong Yunzhi gritted his teeth and replied. After stabilizing his body, he continued to rush towards Kitada Karyu!

“You still dare to come and die?”

Kitada Karyu sneered and took a step forward to attack Hong Yunzhi again!

At this moment, Hong Zekai saw his father being forced back again and again. He gritted his teeth and clenched his fists tightly.

He really wanted to go up and help, but he also knew that even if he went up, it would be useless. Instead, he would drag his father down.

However, if this continued, his father would definitely lose.

At that time, the entire Jiang City's martial arts world would be humiliated.

He could not let this happen!

But who could deal with these guys now?

Hong Zekai thought for a while and immediately thought of someone!

‘Right!

Mr. Yang!’

According to his father, Mr. Yang’s cultivation was very likely at the intermediate or late-stage of the Grandmaster Realm!

If he asked Mr. Yang for help, he might be able to defeat these guys!

Thinking of this, Hong Zekai quickly walked to the side to make a call...

At the same time...

Cloud Peak Hotel.

In the venue.

Su Qingmei and the higher-ups of Hua Mei Biomedical had been busy from the morning until now. It was already two to three in the afternoon.

However, there was an endless stream of bosses who came to sign the goods contract. After a batch left, another batch came.

Therefore, Su Qingmei and the others hurriedly ate a packed lunch in the afternoon and continued to be busy.

Although they were very busy, everyone was very motivated and did not feel tired.

Yang Luo also helped out. He was so busy that he was dizzy.

It was precisely because of this that his heart ached for Su Qingmei even more.

He only just realized that running a company was so troublesome.

“Everyone, don’t push. Line up one by one!”

Yang Luo called everyone to line up.

But at this moment...

His cellphone rang.

Yang Luo took out his phone and saw that it was a call from Hong Zekai, so he walked to the side to answer the call.

As soon as the call went through.

Hong Zekai’s anxious voice sounded.

“Mr. Yang, please help!”

“Mr. Hong, don’t be anxious. Tell me slowly. What happened?”

Yang Luo looked puzzled and also felt that something must have happened on Hong Zekai’s side.

“Mr. Yang, it’s like this...”

Hong Zekai hurriedly told Yang Luo about Nakamura Ichio and the others challenging the school.

Yang Luo’s expression immediately darkened, “A mere martial artist from a tiny place dares to come to China and be arrogant? He really doesn’t know what’s good for him!”

Mr. Hong, don't worry. I'll come over now!"

"Yes, Mr. Yang!"

Hong Zekai replied excitedly.

After hanging up, Yang Luo quickly walked to Su Qingmei's side and said, "Qingmei, I have something on and have to leave for a while."

Su Qingmei said, "It's fine. Go do your work. Leave this to us."

"Sure. Call me when you're done. I'll pick you up."

Yang Luo replied and hurriedly left the hotel.. He hailed a taxi and went straight to the Heavenly Path Martial Arts School...

Chapter 128: Not Letting Any One Go!

At this moment...

Heavenly Path Martial Arts School.

In the martial arts arena.

The faces of the dojo masters and disciples of the various dojos were filled with grief and indignation, and their hearts turned cold.

Hong Yunzhi rushed up again and again, but he was forced back by Kitada Karyu.

Now, Hong Yunzhi was already injured in many places, and blood was flowing from the corner of his mouth.

However, Hong Yunzhi still did not fall and did not give up.

He was the Alliance Master of Jiang City's Martial Alliance and represented the face of Jiang City's martial arts world.

Therefore, he could not fall. He could not lower his head!

"Arghhhh!"

Hong Yunzhi let out another scream as he was sent flying ten meters away.

This was already the tenth time. A few of his ribs had been broken.

"Father!"

"Alliance Master!"

Hong Zekai and the others cried out in sorrow, their eyes red.

"I'm fine!"

Hong Yunzhi hissed in response and got up again.

Kitada Karyu's gaze turned colder at this sight.

He stared at Hong Yunzhi and said in a low voice, "Alliance Master Hong, as long as you kneel down and admit defeat to us and admit that Chinese martial arts are inferior to Country Sakura's martial arts, I'll spare your life!"

"I will never admit defeat!"

Hong Yunzhi let out a furious roar and charged at Kitada Karyu again!

"Since you're so ignorant, don't blame me!"

Kitada Karyu said in a trembling voice. His figure moved again and charged towards Hong Yunzhi!

At that moment, a killing intent appeared in Kitada Karyu's eyes!

Since Hong Yunzhi refused to lower his head, he might as well kill this guy!

in an instant!

The distance between the two of them closed again, and then they attacked each other at the same time once again!

Boom! Boom! Boom!

Booming sounds rose and fell, causing everyone's eardrums to buzz!

After more than ten consecutive exchanges!

Kitada Karyu suddenly stretched out his right hand and grabbed Hong Yunzhi's right arm. Then, he twisted it!

Crack!

The crisp sound of bones cracking could be heard!

Hong Yunzhi's right arm was forcefully broken!

"ARRGHH11"

Hong Yunzhi let out a miserable scream. He was in so much pain that his face turned pale and he broke out in cold sweat.

"Kneel!"

Kitada Karyu shouted.

Hong Yunzhi roared, "Even if I die, I will never kneel to you!"

"Is that so?"

Kitada Karyu smiled coldly, "I want to see how long you can last!"

As he spoke, he kicked Hong Yunzhi's left leg!

Crack!

With another crisp sound, Hong Yunzhi's left leg was broken!

“Arghhhh!”

Hong Yunzhi cried out in pain. His body swayed and he almost knelt down.

However, he forcefully used his right leg to support his body and prevent himself from kneeling!

“Hurry up and save Alliance Master Hong!”

“Let’s fight it out with them!”

“Attack together!”

Qiao Jinsong, Chen Qingshan, Yuan Shichuan, and the others roared angrily and dragged their injured bodies towards Kitada Karyu!

“A bunch of trash wants to save someone?”

Stop dreaming!”

Nakamura Ichio sneered and stood in front of everyone.

“After watching for so long, let me stretch my muscles too!”

Sato Taro also revealed a mocking smile as he stepped forward.

As for Yagyū Goemon, who had a sword on his waist, he stood there quietly and remained unmoved.

Qiao Jinsong and the others launched a fierce attack on Nakamura Ichio and Sato Taro!

However, under the joint attack of the two of them, no matter how many people rushed up, they were repelled by the two of them!

After an unknown period of time...

More than half of the hall masters and disciples present had already been beaten to the ground. The remaining small number of disciples were trembling, but they did not dare to go forward!

Killing intent exploded in Kitada Karyu’s eyes as he glared at Hong Yunzhi and shouted, “Are you going to kneel or not?”

“I won’t kneel!”

Hong Yunzhi gritted his teeth and roared.

“Since you’re not kneeling, die!”

Kitada Karyu roared and grabbed Hong Yunzhi’s throat with his left hand!

“Alliance Master!”

“No!”

The people in the distance shouted hoarsely, their faces filled with pain.

However, at this critical moment!

“Ah! Ah! Ah...”

Screams suddenly sounded in the martial arts arena.

The disciples of the Ichiki Karate Gym near the door spat out blood and flew in all directions like sandbags!

For a moment, everyone present looked at the door.

A thin young man with delicate features and starry eyes walked in step by step.

With every step this young man took, the disciples of Ichiki Karate Dojo took a step back in fear, not daring to stop him at all.

They recognized that this young man was the one who had beaten their dojo master until he could not fight back not long ago.

“Mr. Yang, you’re finally here!”

Blood flowed out of the corner of his mouth. Hong Zekai, who was holding his chest, stood up.

Therefore, this young man was Yang Luo.

“You?!”

Sato Taro also recognized Yang Luo, and his eyes were filled with endless anger.

“Sato-kun, who is this kid?”

Kitada Karyu asked.

Sato Taro gritted his teeth and said, “This kid is the one who injured me back then!”

“Oh...”

Kitada Karyu nodded in realization.

Previously, Sato Taro had told them over the phone.

It was also because of this that the three of them had rushed over from Country Sakura to avenge Sato Taro.

Of course, after coming to Jiang City, they had other thoughts. They wanted to dominate the martial arts world in Jiang City and trample all the Martial Warriors in Jiang City under their feet to increase the might of Country Sakura’s martial arts.

At this moment, Yang Luo walked over step by step. After seeing the situation at the event location, his eyes seemed to be flickering with dark clouds.

Hong Yunzhi was his friend, but now he was beaten up like this, it naturally made him very angry.

He could not let any of these fellows from Country Sakura off. He had to make them pay the price they deserved.

Seeing Yang Luo walk in, Chen Rongrong frowned and said, “What’s this guy doing here? Does he think he’s a match for these few Country Sakura Martial Warriors?”

Qiao Yongjie sneered, "Since he wants to come here and have a death wish, let him have a death wish."

Not long ago, they had been beaten up by Yang Luo, so they had long held a grudge against him.

Qiao Jingsong and Chen Qingshan did not think highly of Yang Luo at all. They felt that Yang Luo was here to die.

Hong Yunzhi also saw Yang Luo and hissed, "Mr. Yang, it's very dangerous here. Hurry up and leave!"

"If 1 unfortunately die, please inform the Chief of the Martial Alliance of China of what happened today!"

Yang Luo said calmly, "Alliance Master Hong, don't worry. With me around, you'll be fine."

Kitada Karyu threw Hong Yunzhi to the ground and turned to look at Yang Luo. He sneered and said, "Kid, do you think you're invincible just because you can defeat Sato-kun?"

"You alone can't protect this guy!"

"We originally planned to look for you, but since you're here, it's time to settle the score of you injuring me back then! "

Sato Taro said viciously.

"Is that so?"

Yang Luo narrowed his eyes and said, "Then let's try it!"

Chapter 129: Crippling a Grandmaster Realm In One Move

After a pause, Yang Luo glanced at Kitada Karyu, Nakamura Ichio, and Yagyū Youmen and said, "I advise the three of you to attack together. This way, you might be able to lose slower."

Upon hearing Yang Luo's words, Kitada Karyu, Nakamura Ichio, and Yagyū Goemon's expressions instantly darkened.

They had never seen such an arrogant person.

Sato Taro sneered coldly.

This kid actually dared to provoke his three senior brothers at the same time. He simply had a death wish.

Even all the Hall Masters and disciples present were stunned.

They did not expect Yang Luo to be so arrogant and actually dare to say such words.

It had to be known that any one of the three people from Nakamura Ichio was difficult for them to deal with.

But now, this kid actually dared to let the three of them attack together. If he didn't have a death wish, then what did he say that for?

Chen Rongrong shook her head and said, "This guy is dead for sure. Just wait to collect his corpse."

The others also nodded, feeling that Yang Luo was dead meat.

However, Hong Yunzhi and Hong Zekai had thought it through. If Yang Luo was really no match for them, they would protect Yang Luo and escape even if they had to risk their lives.

Kitada Karyu stared at Yang Luo with a burning gaze and said sinisterly, "Kid, ever since I stepped into the Grandmaster Realm, no one has dared to say such things in front of me. You're the first.

"Don't worry, I'll break your limbs, cripple your cultivation, and let you spend the rest of your life in bed. You'll always remember this day."

"Yes, breaking his limbs and crippling one's cultivation is a good idea."

Yang Luo nodded and said, "However, you're the one lying in bed for the rest of your life, not me."

"Baka!"

Before Kitada Karyu could move, Nakamura Ichio, who was at the side, could no longer suppress the anger in his heart. He let out a roar and rushed towards Yang Luo first!

Nakamura Ichio's figure was huge and his aura was thick. He rushed towards Yang Luo like a truck, more than a head taller than him!

And as he approached Yang Luo!

Nakamura Ichio raised his right arm, and a gray True Qi surrounded his palm. He struck Yang Luo's head heavily like a huge saber!

Everyone present could not bear to watch anymore and closed their eyes in fear!

The next second!

Bam!

A dull bang resounded in the martial arts field!

The ground cracked and strong winds howled. True Qi fluctuated, and a violent wind seemed to blow in the martial arts arena!

However, what puzzled everyone present was that they did not hear any screams at all!

Could it be that this kid was directly killed without even having time to scream?

Everyone opened their eyes and looked over!

Yang Luo was standing there calmly. He raised his left arm and blocked Nakamura Ichio's palm!

The stone slabs under his feet had completely shattered!

However, to everyone's surprise, Yang Luo was actually unscathed!

"He blocked it! He actually blocked it!"

“This kid actually blocked such a terrifying attack from Nakamura Ichio?!”

Everyone present exclaimed one after another, their eyes filled with disbelief.

Chen Rongrong and Qiao Yongjie were especially dumbfounded.

They knew that they would definitely not be able to withstand this palm. Even if they did not die, they would be severely injured.

Qiao Jingsong and Chen Qingshan had the same thought.

“That’s it?”

Yang Luo looked up at Nakamura Ichio with disdain.

Nakamura Ichio also recovered from his shock!

“Give me your life!”

He let out an explosive roar, clenched his left hand into a fist, and punched Yang Luo’s chest!

However, just as Nakamura Ichio threw a punch!

Yang Luo grabbed in the air with his right hand and grabbed his left wrist. Then, his right arm suddenly exerted strength and threw him into the sky!

Yes, Nakamura Ichio, who weighed nearly 200 kilograms, was thrown more than ten meters into the air!

Immediately after, Yang Luo kicked the ground and soared more than ten meters into the air. Then, he kicked down from above, his leg whipping at Nakamura Ichio’s chest like a golden battle axe!

“What?!”

Nakamura Ichio’s expression changed drastically. He wanted to dodge and block, but it was too late!

In the next second...

Bang!

Yang Luo’s kick landed heavily on his chest!

“Ugh!”

Nakamura Ichio let out an extremely painful scream as his huge body fell heavily to the ground with a bang!

The thick and heavy stone slabs shattered into powder, forming the shape of a human!

Blood gushed out of Nakamura Ichio’s mouth. His entire body was shattered, and his internal organs were severely damaged. Even his dantian was shattered!

Therefore, Yang Luo’s kick crippled Nakamura Ichio. In the future, he could only lie on the bed and could no longer cultivate martial arts!

The moment Yang Luo landed steadily!

The entire martial arts field fell silent!

Everyone looked at Yang Luo in a daze, their eyes filled with reverence and fear!

There was a long silence before he looked up again.

An extremely excited cheer erupted from the martial arts arena!

“Well done!”

“Good, good job!”

“Too domineering. This young man is too domineering. He actually crippled this guy with a single kick!”

All the Hall Masters raised their arms and shouted excitedly.

Qiao Yongjie’s expression changed and he said with a trembling voice, “A Grandmaster Realm expert was actually crippled by a single kick from him... This kid is too strong...”

Chen Rongrong was also quite shocked, but she said, “What’s so good about that? Aren’t there two more people?”

That guy called Kitada Karyu is a mid-stage Grandmaster Realm expert!”

Yang Luo stood quietly in the center of the martial arts arena and looked at Kitada Karyu, Yagyū Goemon, and the others. He said indifferently, “Do you really think there’s no one capable of going against you in the vast Chinese martial arts world?”

“D*mn it!”

I will definitely kill you!”

Kitada Karyu let out a roar and released his aura. His body flickered with a blazing green light as he charged towards Yang Luo!

Yang Luo just stood quietly on the spot, his expression unchanged.

In less than a second!

Kitada Karyu flew more than ten meters and punched angrily at Yang Luo, his body flicking with a green True Qi!

However, the moment Kitada Karyu threw a punch!

Yang Luo gently raised his left arm and formed a palm with his left hand to block in front of him!

Bang!

The fist and palm collided, and muffled thunder exploded!

Whoosh! Whoosh!

Astral winds howled as stone slabs were sent flying in all directions!

Rubble and dust swept through the air!

The onlookers did not dare to approach and retreated one after another another the rubble and dust dissipated.

However, Yang Luo was still standing quietly on the spot and easily blocked Kitada Karyu's punch!

“He blocked it again?!”

Everyone present was shocked to the extreme again.

“Ahhh!”

Kitada Karyu felt humiliated and shouted angrily. He clenched his left fist and punched Yang Luo again!

However, Yang Luo raised his right hand and easily blocked his fist again!

At this moment, Kitada Karyu felt a trace of fear and wanted to retreat!

However, Yang Luo did not give him a chance at all. Instead, he spread his fingers and grabbed his fists. Then, he exerted strength in his arms and twisted!

Crack!

Crack!

“All...!”

Kitada Karyu let out a miserable scream as both his arms were completely broken off by Yang Luo...

Chapter 130: Sword Dao Expert!

This scream made everyone's hair stand on end!

An intermediate-stage Grandmaster Realm expert had his arms crippled just like that!

However, this was not the end!

Just as Kitada Karyu was about to faint from the pain, Yang Luo kicked twice in a row!

Crack!

Crack!

Another two crisp cracking sounds rang out!

“Ahhh...”

Kitada Karyu screamed again. His legs were broken, and the pain woke him up completely.

With a loud thud, Kitada Karyu knelt on the ground!

There was no mercy in Yang Luo's eyes. He kicked Kitada Karyu's lower abdomen again and shattered his dantian!

Bang!

Kitada Karyu was sent flying. With a bang, he fell dozens of meters away. His entire body twitched and he wailed endlessly!

At this moment...

The event location fell into a strange silence again.

Everyone present did not even dare to breathe loudly.

Yang Luo crippling Nakamura Ichio with a single kick had already shocked them!

And now, Yang Luo had easily crippled Kitada Karyu!

The shock in everyone's hearts were indescribable!

To be able to cripple an early-stage and middle-stage Grandmaster Realm expert consecutively, it was enough to prove that this young man had the cultivation of the late-stage Grandmaster Realm!

This time, no one doubted Yang Luo's strength!

Even Alliance Master Hong Yunzhi, the dojo masters of the three first-rate martial arts schools, Qiao Jinsong, Chen Qingshan, and Yuan Shichuan no longer had any doubts!

Chen Rongrong's face turned pale and she said with a trembling voice, "Brother Qiao, is this guy a monster..."

Qiao Yongjie took a deep breath and said, "I don't know if he's a monster, but he's definitely an existence we can't provoke..."

At this moment, Sato Taro was so scared that he almost peed his pants.

He looked at Yagyu Goemon and shouted, "Second Senior Brother, hurry up and attack. You must kill this kid!"

At this moment, Yagyu Goemon's expression was extremely gloomy as he walked towards Yang Luo step by step.

He stopped a few meters away from Yang Luo.

A cold light flickered in his eyes as he said coldly, "Kid, you crippled my two junior brothers. You have to pay with your life."

Yang Luo said calmly, "You're not qualified."

"Kill!"

Yagyu Goemon let out a roar and instantly drew the sword at his waist!

Swoosh!

A purple light streaked across the sky, tearing through the air. With sharp killing intent, it slashed at Yang Luo's chest!

"Battoujutsu!"

Qiao Jingsong could not help but exclaim.

"It's really the famed Drawing Technique!"

“Moreover, this guy’s Sword Drawing Technique has already been cultivated to the Large Success realm. Even an early-stage and middle-stage Grandmaster Realm expert can be killed by him in one strike!”

Chen Qingshan and Yuan Shichuan also exclaimed, their eyes filled with shock.

Because everyone present was a Martial Warrior, they knew very well that the Draw Technique was a move created by the Country Sakura’s Sword Dao!

Once one cultivated to Large Success, they would be extremely terrifying and could instantly kill their opponents!

They didn’t expect this silent swordsman to be so terrifying!

“Father, could this guy be a late-stage Grandmaster Realm Martial Warrior?!”

Chen Rongrong asked Chen Qingshan.

“It’s very likely!”

Chen Qingshan nodded.

Chen Rongrong’s face turned pale, “Then won’t Mr. Yang be in danger?”

Therefore, after seeing Yang Luo cripple two Grandmaster Realm experts in a row, she was completely convinced. Other than respect, she also admired Yang Luo.

Just as Chen Qingshan was about to speak!

Clang!

The sound of metal clashing resounded!

Everyone looked up!

Yang Luo was still standing on the spot, but his body was enveloped in a golden barrier that blocked Yagyu Goemon’s sword!

True Qi surged and flames shot out in all directions, piercing one’s eyes!

“He blocked it... He blocked it again!

Too strong... This young man is really too strong!”

Yuan Shichuan exclaimed repeatedly. At this moment, he truly admired Yang Luo to the extreme.

The others were also extremely shocked and gulped!

Seeing Yang Luo block his sword, Yagyu Goemon was stunned!

One had to know that his cultivation level had already stepped into the late-stage Grandmaster Realm, and he had also cultivated the Sword Drawing Technique to the Large Success Realm. It was not difficult for him to kill early-stage and middle-stage Grandmaster Realm experts!

However, he did not expect this kid to block his sword!

Could it be that this kid had also stepped into the late-stage of the Grandmaster Realm?

This kid was only in his early twenties. How could he have such a high cultivation level?

“Father... I’m afraid Mr. Yang is really at the late-stage Grandmaster Realm!”

Hong Zekai said to Hong Yunzhi in a trembling voice.

Hong Yunzhi nodded slowly. He was also quite shocked to learn of this fact.

At this moment, in the middle of the arena.

Yagyū Goemon said coldly, “Kid, so what if you block my sword? Let’s see how you can block it later!”

As he spoke, Yagyū Goemon gripped the sword in his hand tightly and slashed at Yang Luo!

Swoosh! Swoosh! Swoosh!

One sword after another slashed out, leaving behind afterimages!

Hundreds of purple sword beams tore through the air like a curtain and slashed fiercely at Yang Luo!

As for Yang Luo, he used the Dragon Nine Steps Movement Technique and moved around the martial arts arena, easily dodging every sword strike!

Crack! Crack!

The stone slabs on the ground were shattered piece by piece, turning into rubble and dust that swept into the sky!

Everyone present was shocked!

All the Hall Masters and disciples present could tell that Yagyū Goemon was definitely a Sword Dao expert!

No wonder this guy didn’t attack just now. It turned out that he disdained to attack them!

It was precisely because of this that they were even more worried about Yang Luo!

Nakamura Ichio and Kitada Karyū, who were lying on the ground and unable to move, gritted their teeth and shouted, “Senior Brother, you must kill this guy. Kill him!”

“Kill him! Kill him! Kill him!”

Sato Taro and his disciples followed suit.

Although the situation looked like Yagyū Goemon had the upper hand, only Yagyū Goemon knew that he did not have the upper hand at all!

No matter how he attacked, this kid could easily dodge it. The more he fought, the more anxious and angry he became!

After slashing thousands of times, Yagyū Goemon roared angrily, “Kid, if you have the ability, fight me head-on. What’s the point of dodging?!”

Upon hearing this, Yang Luo suddenly stopped and smiled, "Alright, I'll do as you wish!"

"Go to hell!"

Yagyū Goemon seized this opportunity and held his sword with both hands. He circulated the True Qi in his body to the limit and slashed at Yang Luo!

Swoosh!

This slash was simply terrifying to the extreme. It directly cut a gully more than ten meters long in the ground and continued to spread towards Yang Luo! "Mr. Yang, be careful!"

Hong Yunzhi and the others reminded him in shock. They were so frightened that their hearts were about to explode.

They could all feel how terrifying this sword was!

However, the moment the sword slashed down!

Yang Luo also mobilized the True Qi in his body. He clenched his right hand into a fist and punched out!

With this punch, the golden True Qi transformed into the phantom of a golden dragon and collided with the sword!
