

Super IDG 1631

Chapter 1631: Looking forward to meeting you!

“By the way, Brother Yang, you’re powerful, your medical skills are extraordinary, and your alchemy skills are so heaven-defying.

Which sect are you from?” Ji Longyue asked curiously.

Baili Wushuang also nodded and said, “I’m also very curious.

What kind of sect and family can nurture a genius like Brother Yang?” Yang Luo replied, “I’m not from any sect.

I’m from the secular world.” “What?!”

The secular world?!” “How how is this possible?!” Ji Longyue and Baili Wushuang were dumbfounded.

Bujie smiled and said, “Brother Ji, Brother Baili, what my Brother Yang said is true.

Brother Xu, Sister Prajna, and Big White are all from the secular world.” Ji Longyue said in disbelief, “The spiritual energy in the secular world is so thin.

How can an Earth Immortal be born?!” Baili Wushuang also nodded and said, “The secular world is called a wasteland by the people of the Kunlun Ruins.

It’s impossible to cultivate!

However, I didn’t expect an expert like Brother Yang to be born there.

It's really unbelievable!" Yang Luo said, "The spiritual energy and cultivation resources in the secular world are indeed far inferior to those in the Kunlun Ruins, but there are still many experts there!" "Interesting." Ji Longyue smiled and said, "Looks like I'll have to go to the secular world to take a look if I have the chance in the future." Baili Wushuang nodded and asked, "Brother Yang, did you come to the South Continent this time to wait for the Immortal Furnace Mountain to open its furnace?" Yang Luo replied, "On one hand, it's to wait for the Immortal Furnace Mountain to open its furnace.

On the other hand, it's also to go to the Vermillion Bird Family's Desolate South Fire Territory to train." "Going to the Desolate South Fire Territory to train?" Ji Longyue's eyes lit up slightly, "In that case, why don't we go together?" Baili Wushuang also nodded and said, "I've never gone to the Desolate South Fire Territory to train before as well.

I can take this opportunity to try!

When our trial ends, the day of the Immortal Furnace Mountain's furnace opening will probably be near as well!" Tantai Puti frowned and asked, "The two of you are going too?" Ji Longyue grinned.

"That's right.

Puti, don't you welcome us?" Tantai Puti waved her hand and said, "Do as you please.

As long as Brother Yang is willing to bring you along, I don't mind." Ji Longyue and Baili Wushuang looked at Yang Luo at the same time.

Yang Luo nodded helplessly, "Alright, let's go together." Ji Longyue said, "Brother Yang, why don't you go to our Azure Dragon Family's Nine Heavens Dragon Field to train as well?" "Brother Yang, you can also go to our White Tiger Clan's Eight Legions Lightning Region to train!" Baili Wushuang echoed.

Hearing their conversation, Yang Luo was suddenly tempted.

However, when he thought about how he had to rush back to the secular world, he could only give up.

He could only visit these places the next time he came to the Kunlun Ruins.

After dealing with the mortal world, he would come to the Kunlun Ruins and ask everyone to help him kill his way to the Penglai Immortal Island to save and take revenge.

At that time, he could go to the Nine Heavens Dragon Field and the Eight Legions Lightning Region to train before setting off.

Thinking of this, Yang Luo said, "I'll go when I have time later." Ji Longyue nodded and said, "Alright, Brother Yang.

When you want to go, you can contact me anytime!" Baili Wushuang smiled and said, "I also welcome you to our White Tiger Clan as a guest!" "Many thanks!" Yang Luo cupped his hands.

Their drinks lasted until the afternoon.

Because it was late, everyone planned to rest in the restaurant for the night and go to the Vermillion Bird Family tomorrow.

Everyone shopped in Vermillion Bird City until late at night before returning to their rooms.

After returning to his room Yang Luo stood in front of the window and looked at the distant night sky.

They would return to the secular world soon.

The Dark Convention was probably about to begin as well.

At the Dark Convention, he would have his first major collision with the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor!

Of course, other than these three guys He would definitely meet other experts on the Divine Ranking!

After all, Prajna had said a long time ago that there were a total of twelve experts on the Divine Ranking in the Dark World!

Other than the old fart who had already disappeared, there were eleven more that were still present!

He did not know what the experts on the Divine Ranking who had been hiding all over the world and had never appeared looked like or how powerful they were!

If these experts on the Divine Ranking were willing to stand on his side, they would be friends!

If they wanted to stand on the side of the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor, they would be enemies!

As long as they stood in front of him, no matter who it was, they would be stepped on!

Yang Luo clenched his fists and muttered, "Holy Light Pope, Heavenly God Emperor, Hell Fiend Emperor and other experts on the Divine Ranking.

I'm looking forward to meeting you" At the same time In the secular world.

A few days had passed since the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor came out of seclusion.

In the past few days, the entire Dark World had caused a huge earthquake.

Almost everyone in the Dark World knew that the three of them had come out of seclusion.

"The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor have come out of seclusion.

The entire Dark World will welcome a huge commotion!" "These three lords are extremely ambitious.

Their goal is to unify the entire Dark World!" "It's said that the three lords' strength has increased a lot again.

I'm afraid no one can stop them!" "Where the Dark World will go can only depend on the final outcome!" Over the past few days, the people of the Dark World had been discussing this matter.

It could be said that everyone was panicking.

However, on this night Three figures soared into the sky from the Holy Light Church, the Heavenly Shrine, and the headquarters of the Hell Fiend Palace.

They were like three meteors streaking across the sky, targeting Country Hua

Chapter 1632: The Dark World Shakes!

For a moment Many people in the Underworld knew about this.

The forums on the dark web had already exploded.

"Guys, do you know?

Just now, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor left their headquarters and went somewhere!" "I know someone in the Holy Light Church.

It's said that the Holy Light Pope is going to the Hua Nation to kill that kid called Yang Luo!" "Could it be that the Heavenly God Emperor and the Hell Fiend Emperor are also moving to kill Yang Luo?!

After all, these three lords seem to have a grudge against Yang Luo!" "Oh my god, three experts on the Divine Ranking are going to kill Yang Luo at the same time?!

“Even if that kid is a new expert on the Divine Ranking, he probably won’t be able to withstand the encirclement of the three experts on the Divine Ranking!” “Speaking of which, ever since that kid killed the three demons of the Blood Race, he disappeared and didn’t make any more moves in the Dark World anymore!” “Could it be that this kid knew that the three lords were about to come out of seclusion, so he hid in advance?” “I guess so.

However, he can hide for a while, but he cannot hide forever.

The grudge between this kid and the three lords has to be resolved in the end!” “Let’s wait and see the outcome.

Let’s see if this kid can survive the encirclement of the three lords!” More and more people participated in the discussion on the dark web.

There were even people who directly placed bets on whether Yang Luo would die.

However, most people bet that Yang Luo would die, as long as a very small number of people bet that Yang Luo would live.

In short, this matter was getting bigger and bigger, and more and more people knew about it.

Everyone was waiting for tonight’s outcome.

At this moment.

Holy Imperial Court Headquarters.

Xiang Kunlun, the King of Creation, the Sacred Prison King, the King of Destruction, the Sea Burial King, the Goddess of Fate, and the new King of Titans and the King of Savage Beasts were all gathered in the hall.

Not long after Yang Luo left the secular world, the Dark World went into chaos.

Therefore, Xiang Kunlun and the others had been running around during this period of time to deal with disputes.

In the past few days, they had also learned that the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor had come out of seclusion.

King of Creation said in a deep voice, "Brothers, I just received news.

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor left their headquarters and prepared to head to the Hua Nation to kill Brother Yang!" "F*ck!" Heavenly Sirius cursed angrily, "These three fellows have only come out of seclusion for a few days and they can't wait to start attacking!" King of Destruction sighed, "Fortunately, Brother Yang is no longer in the secular world.

Otherwise, I'm afraid it would be really dangerous this time!" A look of longing appeared in the Goddess of Fate's eyes, "I wonder how Yang Luo has been in the Kunlun Ruins recently and if he has encountered any danger" "Natasha, don't worry.

Brother Yang will definitely not be in any danger with Qingkuang accompanying him!" Xiang Kunlun shook his head and said, "I only hope that Brother Yang can increase his cultivation and strength in the Kunlun Ruins and become even stronger!

Now that the Holy Light Pope and the other two have come out of seclusion, they want to kill Brother Yang at all times!

Furthermore, the other experts on the Divine Rankings hidden all over the world had been restless recently, as if they are also about to come out of seclusion!

I wonder if those experts on the Divine Ranking will stand on the side of the Holy Light Pope or our side!

If they stand on our side, they will naturally become a powerful helper for us!

If they stand on the side of the Holy Light Pope and the others, be it Brother Yang or us, we will face a desperate situation!" King of Creation sighed and said, "Therefore, everything depends on strength!

If we have absolute strength, we will naturally not be afraid of all challenges!" King of Destruction gritted his teeth and said, "Become stronger.

We have to become stronger!" The others also clenched their fists.

During this period of time, everyone had been cultivating desperately, but the spiritual qi in this world was really too thin.

Everyone's improvement was very slow.

They had no choice now.

They only hoped that Yang Luo could return with absolute strength!

Sea Burial King sneered, "This time, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor will probably fail!" Dark Baron also smiled and said, "Of course.

These three guys went to kill Brother Yang aggressively, but they didn't know that Brother Yang is not in Country Hua at all!" At this moment.

Goddess of Fate suddenly thought of something and exclaimed, "Not good!" "Natasha, what's wrong?" King of Creation asked.

The others also looked at the Goddess of Fate.

Goddess of Fate frowned and said, "Miss Su and the others are all in Country Hua.

Many of Yang Luo's friends are also there!

I'm worried that these three guys will vent their anger on Miss Su and the others because they can't find Yang Luo!" King of Destruction said in a deep voice, "These three guys are famous experts after all.

They won't do such an embarrassing thing, right?" "That's hard to say." Sacred Prison King shook his head and said, "These three fellows hate Brother Yang to the bone.

I'm afraid they'll do anything." Xiang Kunlun raised his hand and said, "Everyone, don't worry.

Country Hua is guarded by Qing Luan, the old Celestial Master, and Master Xuanku.

Those three fellows can't enter at all!

I'll contact the old Celestial Master and the others now!" As he spoke, Xiang Kunlun contacted the old Celestial Master and Master Xuanku.

Then, he took out his phone and called Qing Luan, but he couldn't get through at all.

Actually, he already knew that he wouldn't be able to get through.

He just wanted to give it a try.

He only hoped that Qing Luan would know about this and stop the Holy Light Pope and the other two.

After making the calls, Xiang Kunlun said, "Brothers, I've already contacted the old Celestial Master and Master Xuanku.

Both of them have agreed to intercept the Holy Light Pope and the other two.

However, we have to keep an eye on the situation in Country Hua and be ready to provide support at any time.” “Yes!” They all nodded in unison.

Just as the Holy Imperial Court found out about this Violet, the God Slaying Temple, the Blood Race, the Kingdom of Magic, the Demon Dragon Clan, the Werewolf Clan, and other large organizations that were on good terms with Yang Luo also knew about this.

Fortunately, everyone knew that Yang Luo was not in the secular world now, so they were not so worried.

However, everyone was also paying attention to the situation in Country Hua at all times, ready to help at any time

Chapter 1633: The Second Emperor Comes Out Of Seclusion!

It was eleven o'clock at night.

The night was as dark as ink.

At the center of the Arctic.

The climate was cold.

There were no continents here, only a small number of islands, and the rest were all seas.

Moreover, most of the islands had no traces of human activity.

There were only some cold-resistant animal activities.

At this moment.

Rumble rumble rumble!

The sea in the center of the North Pole suddenly shook violently!

Even the few small islands in the distance shook!

Whoosh!

Whoosh!

The sea also surged violently, as if it had triggered a huge tsunami!

After a while.

Huge waves soared into the sky, as if they were connecting the sky and the sea.

It was incomparably spectacular!

The animals on the island and in the sea were frightened and fled!

As these huge waves soared into the sky!

A huge object rose from the sea!

The ice floating on the sea was completely shattered!

Through the moonlight, one could see that this was a huge palace made of ice!

This ice palace floated on the sea, stunning the animals on the distant island and in the sea!

It was as if these animals did not expect a palace to rise from the sea!

The palace was seven floors tall and emitted a bone-piercing cold air that shone with a bedazzling light under the moonlight!

At this moment.

Rumble rumble rumble!

The door of the palace slowly opened.

Pa, pa, pa A figure walked out of the palace.

Under the moonlight, the figure's appearance could be seen clearly.

It was a tall and graceful woman wearing an ice-blue dress and an ice-blue crown on her head.

She held an ice-blue scepter.

The woman's skin was snow-white, and her facial features were well-defined.

She was enchanting and beautiful.

Her golden curly hair fell naturally, and her entire body was filled with cold air.

She was like an ice goddess.

This woman was one of the experts on the World Divine Ranking, the Ice Empress!

The world did not know that the legendary Ice Empress was actually cultivating in the ice palace at the bottom of the North Pole!

Just by standing there, the cold air shrouding her body enveloped a radius of thousands of meters.

Clack, clack, clack The sea within a radius of thousands of meters was instantly frozen, like an ice continent.

Ice Empress looked in the direction of the Country Hua and muttered, "Holy Light Pope, Heavenly God Emperor, Hell Fiend Emperor, I want to see what the three of you are trying to do." As she spoke, the Ice Empress tapped the ground under her feet and turned into an ice-blue stream of light that soared into the sky and flew in the direction of Country Hua.

After Ice Empress left The ice palace gradually sank again until it disappeared.

The ice that covered the sea within a radius of thousands of meters shattered, turning into ice fragments and dissipating into the sea.

It was as if nothing had happened At this moment.

At the headquarters of the God Slaying Temple not far from the Arctic Circle.

In the castle hall.

Evil Butcher was sitting on the sofa and issuing orders.

"Brothers, listen up.

Gather your men and be prepared to support the Hua Nation at any time!" "Yes!" A few higher-ups responded in unison.

Evil Butcher raised his hand and said, "Alright, you can leave.

Listen to my orders at any time!" The higher-ups nodded and left the hall.

After the higher-ups left.

Suddenly, an assassin from the God Slaying Temple ran in from outside.

"Palace Master, I have something to report!" "What is it regarding?" Evil Butcher asked in confusion.

The assassin replied, "Palace Master, just now, our brothers patrolling the sea said that there was a huge commotion in the center of the North Pole.

I don't know what happened!" "The center of the North Pole?" Evil Butcher had a strange look on his face, "There's no one in the center of the North Pole, and there are very few animals.

How can there be any movement?

Was there an earthquake or a tsunami?" The assassin shook his head and said, "We're not sure yet.

Our brothers have already gone to investigate the situation!" Evil Butcher nodded and said, "Alright, let me know immediately if there's anything!" "Yes!" The assassin responded and left in a hurry.

After the killer left.

Evil Butcher lit a cigar.

He took a deep breath and exhaled a long puff of smoke.

He sighed and said, "Brother Yang, the Dark World is in complete chaos.

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor had already come out of seclusion.

They all want to kill you.

According to Brother Xiang and the others, you went to an Immortal World called the Kunlun Ruins to train.

I'm afraid that when you return, your strength will definitely become even stronger.

Brother Yang, we'll wait for you to come back and bring our brothers to conquer the world!" On the other side In the Far East of Country White Bear.

Kamchatka Peninsula.

There was a huge valley on the island called the Valley of Death.

This place was known as one of the world's forbidden areas and was also known as one of the most dangerous places in the world.

Be it humans or beasts, as long as they approached this place, they would die inexplicably.

The Death Valley was filled with bones inside and outside.

It was very terrifying.

It was precisely because of this that no one or any living being dared to step foot here again.

However, the Death Valley, which was originally as quiet as death, suddenly shook violently.

Rumble rumble rumble!

The valley and the surrounding mountains shook violently, even causing the entire island to shake!

The volcanoes on the island spewed out lava!

Countless bones, rocks, and dust soared into the sky!

As the valley shook!

The ground cracked and collapsed, and a black palace slowly rose from the ground!

The palace was nine levels tall and emitted a black light and the aura of death!

The walls of the palace were engraved with ancient and mysterious totems and ancient words!

When the palace was completely raised, the two doors slowly opened.

As the door opened, Dang, dang, dang!

A figure walked out of the palace.

Every step he took shook the entire palace and the entire Death Valley.

This person was a middle-aged man.

He was more than two meters tall and had a majestic and tall figure.

He wore a black robe and carried a huge black sword on his back.

His face was rough and his skin was black.

His entire body emitted the aura of death, as if he was a demon that had walked out of hell.

This man was one of the experts on the World Divine Ranking, the Underworld Emperor!

All these years, he had been cultivating here.

It was precisely because of this that the entire Death Valley and even the entire island were enveloped by the aura of death.

Any creature that stepped foot here would die instantly.

Chapter 1634: Revenge!

“Phew” He stood at the entrance of the palace and looked at the sky in the distance.

He let out a long breath.

Even the breath he exhaled was black and contained the aura of death.

“Hehe” He sneered and said, “Is the Dark World finally going to be in chaos?”

Great, another era of great competition is coming.

I wonder if those guys have come out” As he spoke, he suddenly sensed something.

He turned to look in the direction of Country Hua and frowned slightly.

“Hmm?” He narrowed his eyes slightly, “So it’s these three guys.

Hehe, what are these three guys trying to do?” As he spoke, he suddenly stomped his feet and directly transformed into a black stream of light that soared into the sky and flew out of the Death Valley Not long after the Emperor of the Dead left the Death Valley, The intelligence team of Country White Bear received the news.

The leader of the intelligence team picked up his special cell phone and made a call.

The call was picked up after a while.

“Lauquedro, what can I do for you?” The voice of the commander of Country White Bear sounded.

The team leader said respectfully, “Commander, just now, we monitored a phenomenon in the Death Valley.

Should we send someone to investigate?” “What?!” The commander of Country White Bear was shocked, “A phenomenon has appeared in the Death Valley?!” The team leader said, “Yes, this phenomenon caused several volcanoes on the island to erupt!” After a moment of silence on the other end of the phone.

The commander of Country White Bear said, “Quickly send someone to investigate.

Remember, don’t approach the Death Valley!

If there’s any danger, retreat quickly!” “Yes!” The team leader replied in a trembling voice.

It was midnight.

Country Sakura.

Divine Sky Island.

At this moment.

On a tall mountain on the island.

Under the cherry blossom tree.

One of the experts on the World Divine Ranking, "Sword Saint" Kagura Kenshin, was cultivating.

At this moment.

Kagura Kenshin suddenly opened his eyes.

He raised his eyes to the east, and a trace of doubt appeared in his eyes.

However, he quickly reacted.

He chuckled and narrowed his eyes, "Holy Light Pope, Heavenly God Emperor, Hell Fiend Emperor, do you want to kill Yang Luo?"

Interesting.

I want to see how many moves Yang Luo can last against you.” With that, he stood up and gently tapped the ground with his feet, turning into a white stream of light that soared into the sky.

In the blink of an eye, he disappeared in the sky above the Divine Sky Island At this moment.

Country Hua’s Eastern Sea Region.

Azure Dragon Pavilion headquarters.

Chu Longyuan was resting.

But at this point An alarm sounded on the island.

Chu Longyuan suddenly woke up.

He quickly put on his clothes and rushed out of the room.

When they arrived outside The warriors of the Azure Dragon Pavilion rushed out.

Chu Longyuan hurriedly asked, “Why did you sound the alarm?

What happened?” His assistant ran over and replied, “Pavilion Master, just now, we detected three unidentified flying objects flying rapidly towards our Eastern Sea Region!” “Unidentified flying object?” Chu Longyuan was stunned, “Could it be that a spy plane has intruded into our sea?” The deputy shook his head and said, “We still don’t know what’s flying towards our sea!” Chu Longyuan frowned and immediately ordered, “Quickly inform everyone that if it’s a spy plane, shoot it down!

Also, immediately mobilize people to intercept them at the border!” “Yes!” The deputy replied with a trembling voice.

After a while The island was fully prepared.

Chu Longyuan led ten battleships and more than 5,000 people away from the headquarters 1 a.m.

sharp.

At the border of the Eastern Sea Region.

Swoosh!

A black stream of light flew over from afar and appeared in the sky.

The person who came was three meters tall.

He was wearing black armor and holding a huge black saber.

He had black curly hair and a thick beard.

His face was rough, and he stood proudly in the sky like an iron tower.

This huge man was one of the experts on the World Divine Ranking, the master of Hell Fiend Palace—Hell Fiend Emperor!

Not long after the Hell Fiend Emperor arrived, Another nine-colored stream of light and a purple-gold stream of light whistled over from afar and arrived in the sky!

One of them was an old man wearing a golden robe and a golden crown.

He held a golden scepter and had a golden cross on his chest!

This person was one of the experts on the World Divine Ranking, the leader of the Holy Light Church—the Holy Light Pope!

The other person was dressed in purple-gold armor.

He was tall and had three-dimensional facial features.

His golden curly hair fluttered in the wind and he held a purple-gold spear!

This person was one of the experts on the World Divine Ranking, the master of the Heavenly Shrine—the Heavenly God Emperor!

Seeing the two of them arrive, The Hell Fiend Emperor frowned, “Pope, Divine Emperor, why are the two of you here?

Isn’t it just killing a brat?

Is there a need to mobilize so many people?” The Heavenly God Emperor said loudly, “Yang Luo killed the Lightning Overlord of our Heavenly Temple and even ruined our plans time and time again!

I want to settle this score with him personally!” The Holy Light Pope also said in a deep voice, “Yang Luo cut off Raquelle’s arm and severely injured my Guardian Angels many times.

He ruined our Holy Light Church’s plans!

Furthermore, this kid is not bad and has even advanced as a new expert on the Divine Ranking.

If I want to kill him, I naturally have to do it myself!” The Hell Fiend Emperor smiled and said, “In that case, let’s make things clear first.

Whoever finds him first will take action.

How about that?" "Alright!" "Agreed!" The Holy Light Pope and the Heavenly God Emperor nodded.

However, just as the three of them were about to enter Country Hua!

Suddenly!

A clear voice came from the front!

"Stop right there!" Upon hearing this voice The Holy Light Pope and the other two looked up.

A green stream of light flew over from afar.

In the blink of an eye, they arrived in the sky.

The person was wearing a long cyan robe.

She was tall and slender.

Her black and smooth hair was tied behind her head, and she was wearing a mask with a blue phoenix pattern on it. Even though half of her face was covered, it was still difficult to hide her peerless charm.

"Blue Luan?!" The Holy Light Pope and the other two exclaimed at the same time.

Naturally, the person who came was one of the experts on the World Divine Ranking, Blue Luan.

Blue Luan stared at the three of them coldly and asked, "Why did the three of you come here?" The Holy Light Pope said coldly, "In your Country Hua, there's a kid called Yang Luo who has ruined our Holy Light Church's plans many times.

He killed people from our church and injured our Holy Light Church's Guardian Angel!

It's time to settle this score with this kid!"

Chapter 1635: Those Who Move Live, Those Who Block My Way Die!

Qing Luan looked at the Heavenly God Emperor and the Hell Fiend Emperor and asked, "Do you want to kill Yang Luo too?" "That's right." They both nodded.

Blue Luan said in a low voice, "Yang Luo is not in Country Hua.

You guys can leave!" "That's impossible!" The Hell Fiend Emperor said ruthlessly, "I've already sent people to investigate these few days!

Yang Luo is not overseas at all!" The Heavenly God Emperor said in a loud voice, "Since this kid is not overseas, he must be in your Country Hua!

He can't dodge this.

Get this kid out!" Blue Luan looked angry, "I said that Yang Luo isn't around.

Get lost quickly!" The Holy Light Pope said coldly, "Blue Luan, are you trying to protect that kid?" "So what if I am?" Blue Luan met the Holy Light Pope's gaze and asked instead.

"Hehe" The Holy Light Pope sneered and said, "Blue Luan, I know you're very strong!

However, you alone can't even stop me!

Now that the Divine Emperor and the Fiend Emperor are both here, it is even more impossible that you can stop the three of us!

I don't want to make things difficult for you because we've known each other for many years!

Leave quickly.

This has nothing to do with you!" The Hell Fiend Emperor also said viciously, "Blue Luan, don't force us to attack you!" The Heavenly God Emperor also said proudly, "If we really fight, you will definitely die!" Qing Luan frowned and glanced at the three of them.

Only then did she sense that the Hell Fiend Emperor and the Heavenly God Emperor had already stepped into the perfected Earth Immortal Realm.

As for the Holy Light Pope's cultivation, she could not sense it at all.

In other words, this fellow had probably already stepped into the True Immortal realm.

Now, her cultivation level was also at the perfected Earth Immortal Realm.

Even if she could stall them for a short period of time, she definitely could not last long.

The Heavenly God Emperor said in a booming voice, "What are you still doing here?"

Hurry up and get lost!" However, Blue Luan's eyes remained firm, "With me around, don't even think about taking half a step into China!" "F*ck!" The Hell Fiend Emperor was already getting impatient and said angrily, "Stop talking nonsense with this woman.

Just barge in!" "Alright!" The Holy Light Pope and the Heavenly God Emperor responded.

However, at this moment!

Two loud voices sounded.

“The Western thieves also want to step into our Country Hua.

Who gave you the guts?” “Benefactors, the sea of bitterness is boundless.

Repent and be saved Amitabha” Blue Luan and the other three turned around.

Two more figures flew over from afar.

It was an old Daoist and an old monk.

“Old Celestial Master, Master Xuanku, you’re here!” A hint of surprise appeared in Blue Luan’s eyes.

They were the old Celestial Master Zhang Zhilin and Master Xuanku.

Master Xuanku smiled and asked, “Benefactor Blue Luan, how have you been?” Blue Luan bowed in return, “Thank you for your concern, Master Xuanku.

I’m fine.” “Amitabha, indeed.” Master Xuanku nodded.

Zhang Zhilin also asked Blue Luan, “Blue Luan, have you recovered?” Blue Luan replied, “I’m been completely healed.” “That’s good.” Zhang Zhilin nodded.

At this moment.

The Hell Fiend Emperor and the other two stared intently at Zhang Zhilin and Master Xuanku.

A hint of surprise appeared in the Holy Light Pope’s eyes, “No wonder the world says that Country Hua is a place with crouching tigers and hidden dragons.

I didn't expect it to be true!

An old Daoist has actually stepped into the True Immortal Realm, and an old monk is also an Earth Immortal!" The Heavenly God Emperor exclaimed, "What?!"

This old Daoist is a True Immortal?!" The Holy Light Pope nodded.

Qing Luan was also very surprised, "Old Celestial Master, you've already stepped into the true immortal realm?" Master Xuanku's cultivation level was the same as hers.

They were both at the perfected Earth Immortal realm.

She had sensed it just now.

However, she did not sense the old Celestial Master's cultivation level.

Unexpectedly, the old Celestial Master had actually stepped into the True Immortal realm.

Zhang Zhilin nodded and said, "I just stepped into the realm not long ago." The Hell Fiend Emperor narrowed his eyes and said, "Interesting.

The two of you old fellows have such high cultivation levels, but you didn't leave any reputation in the world.

You're really low-key!" Master Xuanku put his palms together and said indifferently, "The fame and fortune in the world are all illusions and bubbles.

Everything in the world is ephemeral" "Alright, old monk, don't talk nonsense!" The Hell Fiend Emperor raised the saber in his hand and said in a loud voice, "We're here this time round to kill that punk Yang Luo!

If you block the way, we'll kill you too!" The Heavenly God Emperor also raised the spear in his hand and said loudly, "Let those in the way live, and those in the way die!" The Holy Light Pope raised the scepter in his hand and said coldly, "If we start a war, there will definitely be casualties.

You'd better think carefully!" Zhang Zhilin took a step forward and said domineeringly, "In Country Hua, thieves are forbidden!" Blue Luan took a step forward.

"Either scam or fight!" "Amitabha" Master Xuanku also took a step forward.

"Seeking death!" The Hell Fiend Emperor roared and shuddered!

A black beam of light shot up from his body and pierced through the clouds!

The Holy Light Pope and the Heavenly God Emperor also trembled as a nine-colored beam of light and a purple-gold beam of light surged from their bodies!

The pressure and aura on the three of them kept increasing, causing the sky and ground within a radius of tens of thousands of meters to tremble violently!

At this moment Boom!

Boom!

Boom!

Blue Luan, Zhang Zhilin, and Master Xuanku also rushed up with a green beam and two golden beams!

The pressure and aura on the three of them also soared and swept in all directions!

Rumble rumble rumble!

The sky and sea shook even more violently!

The sea surged, as if it had triggered a huge tsunami, raising huge waves!

A huge battle was about to break out!

At this moment.

Above a sea of clouds in the distance.

Kagura Kenshin stared intently at the sky in the distance.

At this moment.

Two figures flew over from two directions and instantly arrived above the sea of clouds.

“Ice Empress, Underworld Emperor, you’re here too?” Kagura Kenshin was shocked.

It had to be known that these two fellows had not appeared for several years.

However, he did not expect them to run out tonight.

Ice Empress said with a cold expression, “I’m just very curious why these three guys are here.” “I want to watch the show too.” The Underworld Emperor continued with a smile.

Kagura Kenshin said, “It’s a long story.

Many things have happened in the Dark World in the past year.

You'll understand when you hear it."

Chapter 1636: Battle of the Divine Ranking Experts!

Ice Empress nodded and asked, "Are they going to fight?" "That's right." Kagura Kenshin nodded.

Underworld Emperor sighed, "As expected of the mysterious Ancient Kingdom of the East.

I didn't expect that other than the Blue Luan, there are actually top powerhouses of the world hidden!" As he spoke, he glanced at Kagura Kenshin and said, "You're both from the Eastern Kingdom, so why is your Country Sakura so weak?" "Hmph!" Kagura Kenshin waved his sleeve, "I can't be bothered to talk nonsense with you!" "Hehe" The Underworld Emperor laughed sinisterly.

Just as the three of them were conversing!

A great battle had erupted!

In the distant sky.

Blue Luan waved her hand and let out a clear shout!

"Blue Luan Sword!" Whoosh!

Accompanied by a series of crisp sword cries!

A cyan sword engraved with the Blue Luan totem flew out of her storage bag and was grabbed by her!

Then, Blue Luan, Zhang Zhilin, and Master Xuanku trembled and activated their Dharma Idols at the same time!

Standing in the sky above the Blue Luan was a green giant holding a huge sword, like a fairy from the nine heavens descending to the mortal world!

Standing above Zhang Zhilin was a golden giant, like an ancient immortal descending to the mortal world!

Standing above Master Xuanku was a golden Buddha, like a Buddha from the paradise had descended!

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor shuddered and activated their Dharma Idols!

Standing above the Holy Light Pope was a nine-colored giant holding a huge staff!

Standing above the Heavenly God Emperor was a purple-gold giant holding a huge spear!

Standing above the Hell Fiend Emperor was a black giant wielding a huge saber!

It was as if two Heavenly Gods and a Demon King had descended into the mortal world!

“Fight!” The Hell Fiend Emperor roared and attacked first.

He swung the huge black saber in his hand and slashed out angrily!

As he slashed out, the Dharma Idol standing above him also slashed out!

Swish!

Swish!

The two black sabers slashed out at the same time, stirring the wind and clouds, tearing through the void and shaking the world!

A monstrous demonic aura soared into the sky!

Master Xuanku did not stop at all.

He raised his right hand and struck out with his palm!

The golden Buddha standing above him also struck out with his palm!

Rumble rumble rumble!

Two incomparably huge golden Buddhist palms crushed out, emitting a dazzling golden Buddhist light that crushed a portion of the sky, as if it wanted to break through all darkness and evil!

In an instant!

Clang!

The two sabers and palms collided together, emitting a shocking bang!

A large amount of Buddhist light and demonic light intertwined.

Buddhist power and demonic power fused and washed in all directions!

After this terrifying collision!

Master Xuanku and the Hell Fiend Emperor were sent flying at the same time!

Their Dharma Idols were also sent flying!

But soon, the two of them stabilized themselves and charged at each other again!

The two Dharma Idols also stabilized their bodies and launched a shocking battle!

Dang, dang, dang!

The golden Buddha and the black giant continued to clash, causing the sky and sea to tremble violently!

Fortunately, they were at sea.

If they were in the city, who knew how many buildings would be destroyed and how many people would die!

“Chaotic World of Demons!” The Hell Fiend Emperor roared!

In an instant!

Countless demon illusions condensed into form.

There were demon soldiers and generals wearing armor and holding weapons!

There were also fiend beasts with different appearances and ferocious faces!

It was as if an army of demons had formed.

They let out roars and charged towards Master Xuanku!

Master Xuanku stood quietly in the sky, pressed his palms together, and shouted!

“Buddhist Light Illumination!” In the blink of an eye!

Dazzling golden Buddhist light erupted from his body, illuminating the sky and sea!

“Wuwuwu” Accompanied by painful screams The demons that charged over were all eliminated, and the surging demonic aura was also dispelled!

“Demon Slaying Seal!” The Hell Fiend Emperor waved his hand again!

A huge black seal engraved with a demon totem condensed and formed.

It was like a black mountain as it smashed towards Master Xuanku!

This black demon seal was incomparably terrifying.

It forcefully broke through the Buddhist light that illuminated the world and pressed down on Master Xuanku!

But Master Xuanku did not panic.

He formed a seal with his left hand and struck the sky!

“Rebirth Buddha Seal!” A huge golden Buddhist seal engraved with the totem of an ancient Buddha condensed and collided with the demonic seal that was pressing down from the sky!

At that very moment Rumble!

The two seals collided heavily, emitting muffled thunder!

In less than a few seconds Rumble!

The Buddhist and Demonic Seals collapsed and exploded at the same time, turning into Buddhist light and demonic light that filled the sky as they spread out!

Under this terrifying explosion!

The two of them were sent flying at the same time!

Both of them had bloody wounds on their bodies!

However, the moment he retreated!

The two of them stabilized their bodies again and turned into two streams of light that rushed towards each other!

In the distant sky.

The battle between Blue Luan and the Heavenly God Emperor had already begun!

The two Dharma Idols had already started fighting in the sky!

“Blue Luan Sword Technique!” “Divine Spear of the Heavens!” The two of them shouted at the same time and waved the long swords and spears in their hands!

Swish!

Swish!

The gigantic green sword and purple-gold spear swept through the firmaments, tearing through the sky and facing the attack!

Clang!

The huge sword and the huge spear collided fiercely.

The sound of metal colliding was shocking!

A large area of immortal light and divine light intertwined and shot in all directions!

After this collision!

Blue Luan and Heavenly God Emperor were sent flying a hundred meters away at the same time before stabilizing their bodies!

After stabilizing their bodies!

Heavenly God Emperor waved his hand!

“Divine Light Destruction!” Clink clink clink!

Purple-gold divine light shot out and tore through the layers of void, wanting to destroy everything!

But Blue Luan did not dodge or retreat.

Instead, her entire body trembled!

“Blue Luan Divine Flame!” Waves of cyan flames erupted from her body, transforming into long rivers of flames that collided!

Rumble!

Beams of divine light collided with the long river of flames, causing a series of explosions!

It shook the nine heavens and shook the sea!

Without any hesitation, Blue Luan slashed out again!

Countless cyan flying swords condensed and shot towards the Heavenly God Emperor from all directions!

Heavenly God Emperor reacted quickly and immediately shouted out!

“Divine Light Protection!” A dazzling purple-gold barrier condensed and enveloped the Heavenly God Emperor!

Ding, ding, ding!

Countless flying swords collided with the light barrier, emitting crisp collision sounds!

Flames shot out in all directions, energy surged, and light flickered.

It was gorgeous yet terrifying!

Chapter 1637: Intense Battle in the Firmament!

Seeing that the Heavenly God Emperor blocked her attack!

Blue Luan flew into the air and charged into the sky.

She gripped her sword tightly with both hands and slashed at the Heavenly God Emperor with all her might!

In an instant!

Clang!

A huge cyan sword struck the barrier with a shocking momentum!

However, the barrier only lasted for less than half a minute before cracks appeared!

“Heavenly God Descends!” The Heavenly God Emperor stepped down from the sky and roared!

A huge Heavenly God illusion stepped through the sea of clouds, raised a huge hand that was a thousand feet tall, and pressed down heavily on Blue Luan!

Without any hesitation, Blue Luan immediately waved her hand!

“Blue Luan Form Transformation!” “Shriek!” Accompanied by a crisp cry!

A huge Blue Luan illusion condensed into form.

It flapped its wings and its body burned with green flames as it collided with the Heavenly God illusion in the sky!

At that moment Dong!

The Blue Luan illusion collided heavily with the Heavenly God illusion.

Then, they exploded at the same time like thunder!

The void above was blasted into pitch-black cracks that spread in all directions like a spider web!

The energy that erupted was like a landslide and tsunami, sending the Blue Luan and the Heavenly God Emperor flying at the same time!

Just as both were sent flying!

The Heavenly God Emperor suddenly waved the spear in his hand!

“Heavenly God’s Shackles!” Clink clink clink!

Huge purple-gold chains whistled out and headed straight for the Blue Luan!

There were even countless purple-gold spears that shot towards the Blue Luan!

Instead of retreating, Blue Luan advanced and charged forward!

Moreover, on the way forward!

She held the Blue Luan Sword and slashed out with all her might!

Swoosh!

Swoosh!

Swoosh!

One after another, huge cyan swords slashed out!

Countless cyan flying swords shot out at the same time!

Pa!

Pa!

Pa!

Boom!

Boom!

Boom!

The chains that whistled over were cut off one after another!

The spears and flying swords that filled the sky collided and exploded continuously!

One after another, huge balls of energy spread out, and the sky and sea were shattered!

As Blue Luan broke through his heavy attacks and rushed over!

The Heavenly God Emperor raised his spear and roared!

“God Guiding Starlight!” The stars in the sky seemed to have been summoned and shot down dense star beams!

Every beam of light was incomparably huge.

Ordinary people could not even withstand a beam of light and would be crushed into pieces!

However, Blue Luan did not dodge or retreat.

She swung her sword and shouted!

“Sword Shines All Life!” The huge cyan swords that filled the sky condensed around her and shot into the sky!

Crackle crackle crackle The dense starlight collided with the cyan flying sword in the sky and exploded, emitting muffled thunder!

Seeing that Blue Luan blocked his attack again!

The Heavenly God Emperor’s eyes were ruthless.

He held his spear and charged at Blue Luan!

Blue Luan’s eyes were cold as she held her sword and charged forward!

The battle between the two of them became even more intense!

Just as Blue Luan was fighting the Heavenly God Emperor!

Zhang Zhilin and the Holy Light Pope also engaged in an intense battle!

Both of them were true immortals, so the battle was even more terrifying!

“Holy Light Destruction!” The Holy Light Pope waved the scepter in his hand and shouted!

Swoosh!

A huge nine-colored beam of light containing the power of nine attributes shot towards Zhang Zhilin!

Holy light whistled out, and a large area of the void cracked.

It was incomparably terrifying!

Facing the Holy Light Pope’s destructive attack!

Zhang Zhilin stood proudly in the air and did not take half a step back.

His beard and hair fluttered, and his clothes fluttered.

His eyes shone with golden light!

He raised his right hand and struck out with his palm!

“Great Dao Divine Palm!” A huge golden palm carrying a vast palm intent and the power of heaven and earth slapped out again!

Rumble!

The golden palm collided with the holy light, and the sound of the explosion was deafening.

It was as if countless missiles had exploded in the sky at the same time!

After blocking the Holy Light Pope's attack!

Zhang Zhilin turned into a golden light and rushed towards the Holy Light Pope!

Seeing Zhang Zhilin rushing over!

The Holy Light Pope waved the scepter in his hand!

"Holy Cross!" A nine-colored cross that was thousands of feet tall smashed towards Zhang Zhilin like a towering mountain!

Nine-colored chains whistled out, wanting to restrain and imprison Zhang Zhilin!

Zhang Zhilin continued to charge forward.

A golden Taiji Painting appeared in his right palm and he struck out heavily!

"Taiji Yin Yang!" A golden Taiji Painting that was thousands of feet tall flew out and collided with the cross!

Rumble!

Rumble!

An earth-shattering collision and explosion resounded!

The sky and sea cracked at the same time and spread for ten thousand meters!

It was as if two abysses had been punched out of the sky and the sea!

Zhang Zhilin knocked away a large wave of light.

His beard and hair fluttered as he charged towards the Holy Light Pope ferociously!

And the moment they drew close again He suddenly waved his palm and slapped the Holy Light Pope again!

The Holy Light Pope was shocked and quickly raised the scepter in his hand to block!

Clang!

Accompanied by a heavy collision sound!

The Holy Light Pope was directly slapped down by this palm!

After slapping down the Holy Light Pope!

Zhang Zhilin waved his hand!

“Great Dao Lightning!” Rumble!

Nine incomparably huge lightning bolts that flickered with nine-colored light struck heavily at the Holy Light Pope in the sky!

These nine bolts of lightning were really comparable to heavenly lightning.

Their lethality, destructive power, and destructive power were extremely terrifying!

The Holy Light Pope's expression changed and his entire body immediately trembled!

"Holy Light Protection!" A huge nine-colored light barrier condensed and enveloped him!

Dong, dong, dong!

Nine bolts of lightning struck the light barrier ruthlessly, emitting rumbling thunder!

Under the furious strike of the nine lightning bolts!

Cracks appeared on the nine-colored barrier, but it could not be completely broken at once!

The Holy Light Pope was furious and waved the scepter in his hand with all his might!

"Divine Palace of Light!" In an instant!

A huge nine-colored palace tore through the sky like a true divine palace descending.

It covered the sky and pressed down on Zhang Zhilin!

Zhang Zhilin was shocked.

He flew into the sky and slapped the divine palace that was pressing down!

Boom, boom, boom Under the heavy impact of the golden palms!

The golden divine palace kept cracking!

After more than ten slaps!

Rumble!

The Divine Palace that was pressing down completely collapsed and exploded!

However, at this moment!

The Holy Light Pope had already flown into the sky.

He waved the scepter in his hand and smashed it at Zhang Zhilin!

A huge golden staff flickered with nine-colored holy light and crushed the sky.

It was terrifying!

Chapter 1638: Finally Have to End It!

Without any hesitation, Zhang Zhilin stepped down from the air and shouted!

“Golden Light Mantra!” In an instant!

A huge golden barrier condensed and enveloped Zhang Zhilin!

Rumble!

The huge golden staff that flickered with nine-colored holy light smashed fiercely onto the golden light barrier!

A large amount of light and energy erupted like a mountain flood, rushing up into the sky and down into the sea!

Two huge vortexes appeared in the sky and the sea, making one's heart palpitate!

After blocking this attack!

Zhang Zhilin's body trembled!

Waves of golden light and energy surged out like an avalanche!

"Urghh" The Holy Light Pope let out a muffled groan and was sent flying!

Zhang Zhilin's eyes were cold as he said in a loud voice, "Holy Light Pope, your strength is indeed not bad!

However, if you want to kill me, I'm afraid you can't do it alone!" The Holy Light Pope also narrowed his eyes and said, "Old Daoist, you're indeed very strong.

You can actually suppress me by half!

All these years, other than the old Divine Emperor who could suppress me back then, there was no one else!

However, since you want to protect Yang Luo, I naturally won't let you off!" As he spoke, his figure flashed and turned into a nine-colored stream of light that charged towards Zhang Zhilin!

Zhang Zhilin did not stop at all.

He took a step forward and welcomed the battle!

The battle became even more intense!

At this moment.

In the distant sea of clouds.

Kagura Kenshin, the Ice Empress, and the Underworld Emperor trembled in fear.

The Emperor of the Dead sighed in admiration, "Now, the Pope, the Fiend Emperor, and the Divine Emperor have become stronger!

I feel that I can't resist any of them!" The Ice Empress said indifferently, "Blue Luan has also become stronger.

Other than the Blue Luan, that old Daoist and old monk are also very powerful!

I didn't expect that with the chaos in the Dark World, experts from all over the world would appear!" Kagura Kenshin remained silent.

After watching the battle of these six people, he clearly knew that he was not a match for any of them.

Just as Kagura Kenshin and the other two were watching the battle On a distant sea.

Ten warships were parked there.

The deck was filled with people.

They were the warriors of the Azure Dragon Pavilion.

“Oh my god, who are these six people?”

They’re actually so strong?!” “Isn’t that so?”

The moment they attack, it’s simply destructive!” “This world is indeed not as simple as we thought.

There’s actually such a powerhouse above the world!” The warriors were all amazed.

Chu Longyuan stared at the sky in the distance and said, “Four of those six people are experts on the World Divine Ranking!

These four experts on the Divine Ranking are Blue Luan of our Country Hua!

The leader of the Holy Light Church, the Holy Light Pope!

The master of the Heavenly Shrine, the Heavenly God Emperor!

The master of Hell Fiend Palace, the Hell Fiend Emperor!

One of the other two is the current Celestial Master of Longhu Mountain, Zhang Zhilin!

The other was a hidden monk from Shaolin, Master Xuanku!

Although the old Celestial Master and Master Xuanku did not leave their names on the Divine Ranking, they are not inferior to those famous experts on the Ranking at all!” “So they’re all experts on the Divine Ranking.

No wonder they're so strong!" "Fortunately, Blue Luan, the old Celestial Master, and Master Xuanku stopped them.

If these three fellows barged into our Country Hua, the consequences would be unimaginable!" "I just don't know the outcome of this battle!" Exclamations and discussions resounded endlessly.

Chu Longyuan clenched his fists and muttered in his heart, "Brother Yang, now that the three of them have come out of seclusion, they all want to kill you!

You must return from the Kunlun Ruins with a complete new set of abilities!" The battle lasted for half an hour!

Rumble!

A shocking explosion sounded from the sky in the distance!

Huge balls of energy spread out in the sky and swept in all directions!

After an unknown period of time Only then did the light and energy completely dissipate.

Everything returned to normal.

A 10,000-meter-long crack appeared in the sky.

A huge void hole was blasted in the air.

A 10,000-meter-long crack appeared in the sea below as well.

The entire scene was extremely terrifying, as if the end of the world had arrived.

Blue Luan and the others stood at the two ends of the black hole, staring intently at each other.

In the battle just now, the six of them said that they were injured to varying degrees and blood was flowing from their bodies.

However, Zhang Zhilin's injuries were the least serious.

Blue Luan raised the sword in her hand and said in a firm voice, "Do you still want to fight?" Zhang Zhilin also took a step forward and said loudly, "If you want to continue, I'll accompany you to the end!" "Amitabha I won't back down either!" Master Xuanku also took a step forward.

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor fell silent with extremely cold expressions.

Their goal was only to kill Yang Luo.

They did not want to fight to the death with the three of them.

Of course, they were not confident that they could kill these three people.

After a moment of silence.

The Heavenly God Emperor exhaled softly and said coldly, "Blue Luan, Old Daoist, Old Monk, send a message to Yang Luo!

Since this kid dares to provoke our Heavenly Shrine, don't hide if you have the ability.

Fight me!" The Holy Light Pope said loudly, "In the words of your Country Hua, you can't run for a while, but you can't run forever!

The grudge between this kid and our Church has to be settled in the end!” The Hell Fiend Emperor said ruthlessly, “I want to see how long this kid can hide and how long you guys can protect him!” Zhang Zhilin replied, “Don’t worry, I’ll pass on your words to my Little Luo!

However, it’s hard to say if you can kill Little Luo at that time!” He naturally knew that Yang Luo had gone to the Kunlun Ruins to train.

Based on his understanding of Yang Luo, he would definitely improve rapidly after going to the Kunlun Ruins.

“Is that so?” The Hell Fiend Emperor chuckled, “Then, let this kid wait and see!” With that, the Hell Fiend Emperor and the other two turned around and flew away.

Until the three of them left.

Zhang Zhilin frowned and said, “These three fellows are not simple, especially the Holy Light Pope.

He has already stepped into the True Immortal realm.

I’m not confident that I can kill him!

I wonder if Little Luo can defeat these three guys when he returns!”

Chapter 1639: The Weakest Divine Ranking Expert in History!

Master Xuanku put his palms together and said, “Celestial Master Zhang, Little Luo is talented.

I believe that he has already become stronger” Qing Luan’s eyes were firm as she said, “Even if I have to risk everything, I won’t let these three guys hurt Little Luo!” Zhang Zhilin said, “Little Luo is my disciple.

I will naturally help.” Master Xuanku said, “When it’s time to attack, I will naturally attack too.” “That’s right!” Blue Luan nodded and turned to look at the sky in the distance.

She shouted, “Kagura Kenshin, Ice Empress, Underworld Emperor, how long do you plan to watch?” Zhang Zhilin and Master Xuanku also turned to look at the sky in the distance.

Actually, they already knew that Kagura Kenshin and the other two were watching the battle from afar.

However, these three people were not hostile to them, so they did not interfere.

“Hahaha Blue Luan, it’s been a few years since we last met.

I didn’t expect you to become stronger.

How impressive!” Accompanied by a loud laugh, The Underworld Emperor flew over from above the sea of clouds.

Kagura Kenshin and the Ice Empress also flew over.

Soon, the three of them arrived in the sky.

Zhang Zhilin sensed it and was slightly shocked.

Unexpectedly, these three people were all at the mid-stage Earth Immortal realm.

Qing Luan looked at Kagura Kenshin and the other two and said, “Why?

Could it be that you want to start a war too?” The Underworld Emperor shook his head repeatedly and said with a smile, “Blue Luan, don’t misunderstand.

We're just here to watch the battle.

We've never thought of starting a war with you." The Ice Empress looked at Blue Luan and asked, "Blue Luan, who exactly is the Yang Luo that the Pope and the others mentioned?" Qing Luan replied, "A new expert on the Divine Ranking!" "What?!" The Ice Empress' expression changed drastically, "There's another expert on the Divine Ranking?!" Kagura Kenshin mocked, "Although Yang Luo has stepped onto the Divine Ranking, he's definitely the weakest existence among all the experts on the Divine Ranking!" "The weakest?" The Ice Empress looked puzzled.

"That's right!" Kagura Kenshin nodded and said, "This kid has only just stepped into the Earth Immortal realm!

If not for Blue Luan stopping him not long ago, this kid would have died under my sword!" Hearing this The Ice Empress immediately lost interest in Yang Luo.

Underworld Emperor however chuckled and said, "I'm actually very interested in this kid.

It seems that many major events have happened in the Dark World in the past few years." Blue Luan looked at Kagura Kenshin and said, "Kagura Kenshin, do you know that there's an old saying in our Country Hua?

It's called 'A scholar who has been away for three days should be looked at in a different light'!

"The Dark Conference is about to begin.

I believe that Little Luo will definitely shock all of you at that time!" "Is that so?" Kagura Kenshin narrowed his eyes and smiled, "Then I'll wait and see!" Underworld Emperor smiled and said, "It seems that this Dark Conference will be very interesting.

I also want to see that kid called Yang Luo!" The Ice Empress said indifferently, "Blue Luan, then we'll meet again at the Dark Conference!" Then, Kagura Kenshin and the other two also flew out of this sea area.

Zhang Zhilin looked at the night sky in the distance and said, "Now, the various experts hidden in the world have appeared one after another!

It looks like the future world will undergo a shocking change!" Master Xuanku smiled faintly and said, "The direction of this world might depend on Little Luo" Blue Luan also looked up at the sky and muttered, "Little Luo, quickly grow up.

I look forward to meeting you" The battle that shocked the entire Dark World ended just like that.

Everyone was asking about this battle.

"Guys, does anyone know what the outcome of this battle is?" "I know a little.

It's said that Yang Luo did not appear at all.

Moreover, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor were stopped at the border of Country Hua's sea region!" "I thought that Yang Luo was a man who would fight the Holy Light Pope and the other two.

I didn't expect him to not even show his face.

He's really trash and a coward!" "Isn't that so?

How can such a person be conferred the title of an expert on the Divine Ranking?

What a joke.

In that case, I can also be on the rankings.

Hahaha" "Looks like everyone still thinks too highly of this kid.

Now, his true colors have been revealed!” “By the way, who stopped the Holy Light Pope and the other two?” “One of them is one of the experts on the Divine Ranking, Qing Luan.

The other two seem to be top-notch experts from the Country Hua!” “As expected of the ancient Eastern country.

There are indeed crouching tigers and hidden dragons.

There are many experts.

Of course, the experts I’m talking about don’t include Yang Luo!” “Hahaha” The people of the Dark World were chatting fervently on the dark web.

But this time, Yang Luo undoubtedly became everyone’s laughing stock.

Moreover, everyone was waiting for Yang Luo to make a fool of himself at the Dark Conference.

Almost everyone was certain!

The weakest expert on the Divine Ranking in history was about to be born!

Kunlun Ruins.

The next morning.

After Yang Luo and the others had breakfast, they set off for the Vermillion Bird Family.

On the way to the Vermillion Bird Family, Tantai Puti had also contacted his father in advance.

The ancient boat flew all the way south.

It was not until noon that they finally arrived at the Vermillion Bird Family's territory.

Just as Tantai Puti had said, the Vermillion Bird Family's location was extremely hot.

Ordinary people could not withstand such high temperatures at all.

158 tall mountains pierced through the clouds, incomparably majestic.

Golden-red halls and pavilions sat on the mountain, looking magnificent.

Ancient Vermillion Bird totems were engraved everywhere in the hall and pavilion.

There were many spirit beasts and immortal beasts running and playing in the forest.

There were also many firebirds flying and circling in the air.

The entire Vermillion Bird Family's territory was quiet and peaceful.

When Yang Luo and the others approached on the ancient boat, Many clansmen patrolling the mountains bowed.

"Greetings, Third Miss!" Tantai Puti nodded and asked, "Where are my father and the others?" A clansman replied, "Third Miss, the Patriarch and the others are already waiting at the main peak!" "Alright." Tantai Puti responded and flew towards the main peak, the Heavenly Fire Peak.

Soon, everyone arrived above the Heavenly Fire Peak.

There were magnificent halls on the Heavenly Fire Peak, and in the center was a huge square.

Around the square were golden-red pillars engraved with the Vermillion Bird totem.

In the center of the square was a Vermillion Bird statue that was more than 30 meters tall that was spreading its wings.

A large group of people was already waiting in the square.

Chapter 1640: Continuous Shock!

“Father, I’m back!” Tantai Puti smiled and waved at the middle-aged man in the lead.

The middle-aged man was tall and straight.

He was wearing a red robe with golden edges and looked extraordinary.

This middle-aged man was the current head of the Vermillion Bird Family, Tantai Zhengyang.

“Hmph!” Tantai Zhengyang snorted and said, “Don’t you like to run wild outside?”

Then why did you come back?!” Tantai Puti leaped down and threw himself into Tantai Zhenyang’s arms.

She started to act cute, “Father, I’m back, right?”

Don’t criticize me!” “Third Sister, you were indeed in the wrong this time.

You didn’t even say goodbye and secretly ran out!” “Yes, Father sent many people to look for you, but they couldn’t find you at all!” The people who spoke were two handsome young men.

They were Tantai Puti's eldest brother, Tantai Yuanwen, and second brother, Tantai Minghui.

Tantai Puti grinned and said, "If I said goodbye, Father will definitely not let me go out again!" "You wild girl!" Tantai Zhengyang pointed at Tantai Puti and said to a graceful and noble woman, "Xinzhu, it's all your fault for spoiling this girl!" This woman was Tantai Puti's mother, Yao Xinzhu.

Yao Xinzhu walked forward and held Tantai Puti's hand.

She said gently, "Puti, you're not allowed to run around in the future, understand?" "Uh We'll see!" Tantai Puti smiled and hurriedly changed topics, "Father, Mother, these are my friends.

Let me introduce them to you!" Yang Luo and the others walked over.

"Hello, Uncle Tantai!" Ji Longyue, Baili Wushuang, and the others greeted him respectfully.

"Alright!" Tantai Zhengyang laughed and said, "Welcome to our Vermillion Bird Family as guests!" He was naturally very familiar with Ji Longyue, Baili Wushuang, and the others.

Then, Tantai Puti introduced Yang Luo and the others, as well as his family.

After hearing the introduction Tantai Zhengyang was shocked and stared at Yang Luo, "Kid, you're Yang Luo?!" "Yes!" Yang Luo nodded in response.

Tantai Zhengyang sized up Yang Luo and nodded, "As expected, you're a talented person!

Kid, you've been quite famous recently.

I can hear news of you every once in a while!

I didn't expect to be able to see you in person today!" "Kid, everyone says that you're a Sword Immortal, Medical Immortal, and Pill Immortal.

Are you really that powerful?" The person who spoke was an elder of the Vermillion Bird Family called Tantai Wangchen.

"The world even said that you're the number one prodigy in the Kunlun Ruins.

Is that really the case?" Another elder of the Vermillion Bird Family, Lu Zhou, asked curiously.

Yang Luo shook his head and said, "Elders, this is all the evaluation of the world.

I can't be the number one prodigy for the sword immortals, medical immortals, pill immortals, and so on!" Tantai Puti stomped his feet and said angrily, "Brother Yang, why are you so humble!

Although I've never seen your alchemy skills, I've seen your medical skills and strength with my own eyes!

In the entire Kunlun Ruins, no one of the younger generation can compare to you!" Ji Longyue also said, "Brother Yang, your strength is obvious to all!

Brother Wushuang and I only lasted for eight minutes before we were defeated by you!" "What?!" Tantai Zhengyang was shocked, "Longyue, Wushuang, this kid only used eight minutes to defeat you?!" Tantai Wangchen, Lu Zhou, and the others were also shocked.

Ji Longyue and Baili Wushuang nodded repeatedly.

Bujie chuckled and said, "And they even fought together!" "This!" Tantai Zhengyang and the others were stunned, their faces filled with disbelief.

They knew Ji Longyue and Baili Wushuang very well.

Ji Longyue had always been the number one prodigy of the Kunlun Ruins.

Baili Wushuang was ranked second.

Unexpectedly, the two of them were not Yang Luo's match even when they joined forces.

Moreover, they were defeated in eight minutes.

Ning Jianfeng also stood up and said, "Uncle Tantai, to tell you the truth, no one in our group is a match for Brother Yang!" Qin Zhanhuang also said, "Even if all of us join forces, we won't be able to defeat Brother Yang!" Their words shocked Tantai Zhengyang and the others again!

Yang Luo shook his head helplessly.

Why did these clowns have to be so high-profile?

Tantai Zhengyang took a deep breath and said, "Let's go into the hall.

Tell me about the Central Continent's Alchemy Competition, the battle between the North Continent's Qilin Family, and the battle between the Black Tortoise Family!" Then, everyone walked into the main hall and took their seats.

The members of the Vermillion Bird Family poured tea for everyone.

Mo Qingkuang said, "Uncle Tantai, I was involved in these few matters the entire time.

Let me explain!" "Alright!" Tantai Zhengyang nodded in response.

In the following period of time Mo Qingkuang told Tantai Zhengyang and the others the truth.

Tantai Puti, Lin Wenxuan, and the others added.

When they finished hearing Mo Qingkuang's story Tantai Zhengyang and the others were shocked and could not recover for a long time.

Especially when he found out that Yang Luo had already stepped into the late-stage Earth Immortal Realm and was not from the Kunlun Ruins but from the secular world.

Tantai Zhengyang and the others did not know what to say.

Lu Zhan sighed in admiration, "I didn't expect that a young genius like you would be born in the secular world.

I'm extremely impressed!" Tantai Wangchen lamented, "Perhaps the secular world is really not as unbearable as we think!" At this moment.

Tantai Zhengyang suddenly thought of something and said, "By the way, Puti, you said that Little Luo and the others want to go to the Desolate South Fire Territory to train this time?" "Yes, Father!" Tantai Puti nodded and said, "Now, everyone treats Brother Yang as a role model.

They want to catch up to Brother Yang and become stronger!" "You brats are indeed ambitious!" Tantai Zhengyang laughed and said, "Puti, forget about the friends you made in the past!

I'm very happy that you can befriend Little Luo!

You have to learn from Little Luo and work hard to improve yourself!" "Of course!" Tantai Puti immediately burst into laughter.

Tantai Zhengyang said, "Why don't you rest for a day?

I'll bring you to the Desolate South Fire Territory tomorrow?" Yang Luo shook his head and said, "Uncle Tantai, there's no need to rest.

We want to enter the Desolate South Fire Territory to train as soon as possible!”
