

## Super IDG 1691

Chapter 1691: Only Death Awaits You!

As countless souls pounced over!

Xiang Kunlun struck out with his palm again!

“Nine Stage Hell Suppression Palm!” A huge black-golden flame palm crushed out, causing the void to tremble!

Boom!

Boom!

Boom!

The souls that pounced over were all blasted apart by this palm or burned by the flames, turning into light and energy that spread out!

“Ah!” The Soul Envoy also let out a painful cry and was sent flying!

Just as the Soul Envoy was sent flying!

“Sure-Kill Cannon!” A steel cyborg that was more than ten meters tall and shining with metal light fired two cannonballs from its shoulder!

This steel modified person was the Steel Asura.

He was built like a mecha warrior!

Xiang Kunlun's body trembled as he activated a huge True Qi barrier!

Crackle!

The two cannonballs collided fiercely with the True Qi barrier and exploded!

Flames soared into the sky and thick smoke billowed!

Cracks appeared on the battleship.

It was incomparably terrifying!

Seeing that Xiang Kunlun had blocked his two cannonballs!

"Slaughter Punch!" Steel Asura raised a huge steel fist and smashed it towards Xiang Kunlun!

"Great Desolate Heaven Burning Fist!" Xiang Kunlun did not dodge or retreat.

He twisted his fist and faced the attack!

With a punch, black and golden flames surged and a huge Kun Peng illusion roared out, looking incomparably ferocious!

At that moment DONG!

The two fists collided in the air, emitting a thunderous sound!

Crack The steel battleship under his feet completely shattered into pieces and exploded with a bang, turning into scrap metal that splattered everywhere!

Although the Steel Asura's punch was extremely heavy, it was still blocked by Xiang Kunlun!

"You get lost too!" Xiang Kunlun roared and his right fist shook!

Accompanied by a loud bang!

The Steel Asura was sent flying by Xiang Kunlun's punch!

After sending Steel Asura flying!

Xiang Kunlun landed steadily on the sea and looked up ahead.

The Shadowhunter and the Soul Envoy stood on the sea in the distance.

A jet device was installed under Steel Asura's feet and he floated in the air.

Xiang Kunlun said coldly, "Shadow Hunter, Soul Envoy, Steel Asura, you're really bold to attack our Holy Imperial Court!" The Shadowhunter chuckled and said, "Xiang Kunlun, the Dark World is in chaos now.

All the organizations are fighting each other for resources!

Your Holy Imperial Court has occupied so many resources.

You should have handed them over long ago!" The Soul Envoy smiled sinisterly and said, "Xiang Kunlun, do you think your Holy Imperial Court is still the number one organization in the past?"

Your Holy Imperial Court has long weakened, and there are no experts on the Divine Ranking to hold down the fort!

What right do you have to occupy so many resources?" Steel Asura shouted, "Xiang Kunlun, the Holy Imperial Court only has one choice now, and that is to submit!

If you don't submit, only death awaits you!" "Submit?" Xiang Kunlun had a look of disdain, "Do you think you're worthy?" Steel Asura's expression turned cold, "So you guys want to fight to the end?" Xiang Kunlun's entire body shook, and his hair and clothes fluttered.

He said loudly, "Even if our Holy Imperial Court is weak now, it's not something any Tom, Dick, and Harry can provoke!

Didn't you guys want to destroy our Holy Imperial Court?

If you have the ability, come and try!" "Since you insist on having a death wish, I'll fulfill your wish!" The Shadowhunter roared and charged toward Xiang Kunlun!

Soul Envoy and Steel Asura also charged forward!

Xiang Kunlun was not afraid at all and charged forward to meet them!

It was also when Xiang Kunlun was fighting fiercely with the three king-level experts On the distant sea.

King of Creation, Sacred Prison King, and King of Destruction were fighting the four king-level experts!

These four King ranked experts were the Demonic Flame Battle God, Bloodthirsty Madman, Death Knight, and Storm King!

After fighting for dozens of rounds!

Finally, accompanied by a rumbling explosion!

The seven of them were sent flying dozens of meters away at the same time and stabilized their bodies!

After all, they were all aptitude users.

Even on the sea, it was as easy as walking on flat ground!

After the battle just now, Both sides were injured.

However, the King of Creation, Sacred Prison King, and King of Destruction's injuries were clearly much lighter.

The King of Creation looked up at the four of them and said in a deep voice, "Even the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace don't dare to rashly attack our Holy Imperial Court!

But you dare to attack us?

Are you courting death?" The Demonic Flame Battle God mocked, "King of Creation, if it was in the past, we naturally wouldn't dare to attack your Holy Imperial Court!

But now, the old Divine Emperor is no longer around.

It was impossible to defend the Holy Imperial Court with just you guys!

Therefore, I advise you to quickly surrender and stop resisting fearlessly!" The King of Creation said coldly, "In that case, there's nothing else to say!

You have to pay a heavy price for attacking our Holy Imperial Court!" As he spoke, the King of Creation charged forward.

He raised his right arm and struck out with his palm!

“Great Heaven Creation Fist!” A huge purple-gold palm pushed out and slapped at the Demonic Flame Battle God and the other three!

With a single palm strike, the void trembled and the sea surged.

It was incomparably powerful!

“How stubborn!” The Demonic Flame Battle God shouted and waved the long sword in his hand, slashing out heavily!

“Demonic Flame Slash!” Swoosh!

A huge sword burning with black flames tore through the sky and faced it!

Clang!

The sword and fist collided with an earth-shattering sound!

All kinds of energy, light, and flames surged in all directions from the collision!

The sea surged and huge waves surged!

After this collision!

The Demonic Flame Battle God was sent flying!

But King of Creation only took a few steps back before stabilizing his body!

“River of Blood!” The Bloodthirsty Madman held a blood-colored spear and swept it at the King of Creation!

Swoosh!

With a sweep of his spear, blood-colored energy surged as though it had transformed into a blood-colored river that surged towards the King of Creation!

The moment the blood-colored river surged over!

Sacred Prison King suddenly stomped down and shouted!

“Spatial Imprisonment!” An invisible spatial power erupted, directly imprisoning the blood-colored river in the sky not far away and preventing it from getting any closer!

Chapter 1692: Overestimating Yourself!

After imprisoning this blood-colored river!

Sacred Prison King waved his hand!

“Spatial Blade!” Chi!

Chi!

Chi!

The imprisoned blood-colored river was directly cut into pieces by the invisible spatial blade, turning into light fragments that scattered everywhere!

The Bloodthirsty Madman was shocked to see this and waved the spear in his hand again!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Thousands of blood-colored spears condensed into form and shot out together!

“Time Freeze!” Sacred Prison King waved his hand and shouted!

At that very moment The blood-colored spear that covered the sky and earth stopped in the sky!

The sea in front of him also stopped surging, and the huge waves that rushed into the sky also stopped!

It was as if everything had pressed the pause button at this moment!

Sacred Prison King then waved his hand again!

“Spatial Suppression!” The surrounding space rapidly compressed!

Crackle!

The blood-colored spears that had stopped in the air exploded in the sky!

The moment the blood-colored spear exploded!

Time stopped.

The sea continued to surge, and the waves fell back into the sea!

“Swords of Death!” “Storm Blades!” The Death Knight and the Storm King brandished their knight swords and sabers at the King of Creation and the other two at the same time!

Swish!

Swish!

Swords and sabers appeared at the same time.

Saber qi and sword qi wreaked havoc, and energy surged!

Streaks of black death light shot out!

A huge blue tornado swept up!

“Atmospheric Shield!” King of Destruction raised his right hand, mobilized his Atmospheric Superpower, and waved his hand!

The airflow quickly gathered in front of him, condensing into an invisible shield that blocked in front of him!

Clang!

Boom!

Boom!

The saber, sword, light of death, and tornado struck the invisible shield heavily, causing a series of explosions!

After blocking their attacks!

King of Destruction clenched his right fist and mobilized his Atmospheric Superpower and Violent Tremor Superpower at the same time.

He punched out wildly!

“Violent Tremor Punch!” Rumble rumble rumble!

With a punch, air waves surged, space trembled, and sonic booms sounded!

In an instant!

Crackle!

The attacks of the Death Knight and the Storm King were destroyed by a single punch!

“Uh” “Ah!” The two of them also let out a painful cry and were sent flying like cannonballs!

After sending the two of them flying The King of Destruction laughed out loud, “Just the bunch of you think you can make us submit with just your strength?”

You really overestimate yourself!" "F\*ck!" "Attack together!" "Kill them!" The Demonic Flame Battle God, Bloodthirsty Madman, Death Knight, and Storm King roared angrily.

They mobilized the energy in their bodies and charged at the King of Creation and the other two!

"Fight!!" The King of Creation and the other two roared and charged forward!

At this moment.

On a distant sea.

The Sea Burial King, the Goddess of Fate, and the Heavenly Sirius were fighting three King ranked experts!

These three Challenger-level powerhouses were Divine Dark Child, Giant Demon Monarch, and Hellfire Apostle!

The two sides fought fiercely, causing the sky and sea to tremble.

The steel battleships in the distance shook!

"Demon King Killing Fist!" Giant Demon Monarch, who was seven to eight meters tall and as majestic as a mountain, twisted his fist and punched out!

A huge black fist smashed down like a meteorite!

The surrounding void seemed to be about to explode, emitting crackling sonic booms!

"Giant Whale Wave Slash!" The Sea Burial King held his long saber and slashed out with all his might!

Swoosh!

A dark blue saber slashed out heavily, stirring up huge waves that charged forward!

In the blink of an eye!

Crackle!

The huge saber and the huge fist collided fiercely, emitting an earth-shattering sound!

Light and energy surged.

The huge wave exploded, splashing water droplets all over the sky!

After this collision!

The Sea Burial King and Giant Demon Monarch were forced back at the same time!

But soon, the two of them stabilized themselves and continued to attack each other!

“Sword of Darkness!” The Divine Son of Darkness held a black sword in his right hand and suddenly swung it!

The black blade of light streaked across the sky, terrifying to the extreme!

Thousands of black swords instantly condensed into form and shot out!

“Spear of Light!” Meanwhile, Goddess of Fate waved her hand!

Thousands of sparkling white light spears quickly condensed into form and shot out like a storm!

Boom!

Boom!

Boom!

The black longswords that filled the sky collided with the white light in the sky, like countless cannonballs exploding in the sky!

It was as if a rain of black and white light had fallen from the sky!

Seeing that Goddess of Fate had blocked his attack!

The Divine Son of Darkness waved the sword in his hand again!

“Dark Divine Sea!” In an instant!

Dark energy surged out, as if turning into a black sea of energy that surged towards the Goddess of Fate!

Goddess of Fate was however unfazed.

She waved her hand again and shouted!

“Light Purification!” Dazzling white light flickered on her body, shooting towards the black energy sea like fine light!

Crackle!

An earth-shattering explosion sounded again!

The darkness that filled the sky was dispelled, and the black energy was shattered by the white light ray!

The Divine Son of Darkness said in a loud voice, "Goddess of Fate, you're really quite powerful!

However, you are still not my match!

It's only a matter of time before I defeat you!" Goddess of Fate's expression was cold as she replied indifferently, "You can try to defeat me!" Without any hesitation, the two of them executed their killing moves again and attacked each other!

Not far away Heavenly Sirius and the Hellfire Apostle were also fighting.

"Hellfire Burning Heavens!" The Hellfire Apostle shook!

Black-red flames erupted from his body like hellish flames, turning into waves of fire that surged towards the Heavenly Sirius!

"Bloodthirsty Demonic Claw!" The Heavenly Sirius formed a claw with its right hand and slashed out!

The huge black claw tore through the sky, leaving behind black claw marks!

Boom!

Boom!

Boom!

Explosions sounded non-stop!

Light surged and flames surged.

It was an incomparably spectacular sight!

Seeing that his move was blocked!

The Hellfire Apostle waved his hand again and roared!

“Hellfire Puppet!” In the blink of an eye!

Thousands of armored soldiers covered in black and red flames and wielding weapons condensed into form and charged towards the Heavenly Sirius in a mighty manner!

But Heavenly Sirius was not afraid at all.

It channeled the energy in its body crazily and waved its hand!

“Wolf Attacks Stretch for Miles!” “Awoo” Accompanied by wolf howls!

Thousands of demon wolves that flickered with black light condensed in the sky and charged wildly!

Chapter 1693: A Finger Suppressing the Sky!

Boom, boom, boom Tens of thousands of Demon Wolves and tens of thousands of Hellfire Puppets collided repeatedly in the sky!

The Demon Wolf Illusions and the Puppets continued to explode in the sky.

The commotion was earth-shattering and spread several seas away!

It was also when the Demon Wolf Illusion and the Hellfire Puppets collided in the sky!

Heavenly Sirius roared again!

“Demon Wolf Devours the Heavens!” An illusion of a demon wolf that was dozens of meters long and flickered with black light stood above him!

“Attack!” He raised his right hand and pointed forward!

“ARGH!” The demon wolf let out a wolf howl and charged towards the Hellfire Apostle!

The Hellfire Apostle also trembled and let out a roar!

“Hellfire Demon General!” “Kill!” A black-red flame giant that was dozens of meters tall stood up and charged forward!

In an instant!

Clang The Demon Wolf and the Hellfire General collided heavily in the sky, like two small mountains colliding, emitting a shocking bang!

Under the collision, the Demon Wolf and the Hellfire General were sent flying at the same time!

However, in the next second, they stabilized themselves and continued to charge at each other!

“F\*ck, a bunch of scoundrels dares to provoke our Holy Imperial Court.

Watch me beat you up!” Heavenly Sirius roared angrily and strode forward with his thick legs.

He ran wildly on the sea towards the Hellfire Apostle!

“Hmph!” The Hellfire Apostle snorted and said, “How dare you call us thieves?”

Aren’t you the same?

“You’re just King ranked experts, not experts on the Divine Ranking!” As he spoke, the Hellfire Apostle moved and charged towards the Heavenly Sirius!

At this moment.

The Dark Baron, the Purgatory Death God, the Death Witch, and the King of Titans were also fighting other King-tier powerhouses!

Figures moved on the sea, fighting until the sky was dark and the stars and moon were dim!

On the decks.

Xiao Ziyun, Lin Qianyi, Su Qingmei, Qin Yimo, and the other women were also fighting against the people from the seven organizations!

After all, Yang Luo had already taught his women how to cultivate!

While the women were busy with their own matters, their cultivation did not fall behind!

Although they were not very strong and could not deal with those king-level experts, they could deal with the leaders and ordinary members of those organizations!

However, these seven organizations had brought more than 50,000 people!

And the Holy Imperial Court only had 10,000 people left at the headquarters!

Just the difference in numbers was several times!

After all, the other members of the Holy Imperial Court were scattered all over the world and could not quickly rush over to provide support!

The battle was still ongoing, becoming more and more intense!

Originally, the people from the seven organizations did not take Su Qingmei and the others seriously!

However, after knowing that Su Qingmei and the others were extraordinary, more and more people charged towards them!

“Kill these bitches!” “Attack together and kill them!” “What a pity for these beautiful women!” More than a thousand people rushed over from all directions!

“Not good!” Su Qingmei’s expression changed, “There are too many people.

What should we do?” Chu Yanran held a saber and gritted her teeth, “Let’s fight them to the death!” “That’s right, let’s fight it out with them.

Who said that women are inferior to men!” Qin Yimo chimed in.

“Alright!

Then let’s go all out!” Su Qingmei nodded and took the lead to charge forward!

Chu Yanran and the others also charged forward!

“Purple Lightning Shocking Light!” “Heaven Burning Fire Dance!” “Eight Desolate Glazed Palm!” Xiao Ziyun, Lin Qianyi, and Song Zhixin rushed to the front and launched a fierce attack!

Purple flying daggers and thousands of scarlet flaming spears shot out at the same time!

One after another, seven-colored glazed palms crushed out with powerful might!

“Nine Phoenix Divine Palm!” “Flying Immortal Divine Palm!” “Azure Tide Palm!” Su Qingmei, Qin Yimo, Su Wanqiu, and the others also mobilized the True Qi in their bodies and attacked!

“Ahhhh” Accompanied by screams Wave after wave of people were sent flying.

Some spat out blood and died on the spot.

Some of them were seriously injured and fell to the ground.

However, more and more people surrounded them.

It directly increased from just a thousand people to thousands.

Su Qingmei and the other women retreated repeatedly from the killing.

There were wounds on their bodies, and blood splattered.

Song Zhixin, who was blocking the attack in front of her, gritted her teeth.

Her eyes flickered as if she was hesitating about something The Goddess of Fate, who was fighting fiercely in the distance, saw that Su Qingmei and the others were in danger!

Her expression turned cold as she immediately said, "I'll go help Qingmei and the others!" As she spoke, she condensed wings of light and flapped them.

She soared into the sky and flew over quickly!

After all, they had already killed a few King ranked powerhouses, so they could spare some people to help!

However, just as the Goddess of Fate was about to approach!

Suddenly!

Rumble rumble rumble!

A series of rumbling thunder came from the distant sky!

"What's that sound?!" "What happened?!" Everyone on the sea turned their heads and looked at the sky in the distance.

A huge golden finger that was a thousand feet long shattered the layers of void, broke through the sea of clouds, and crushed down like a heavenly pillar!

Everyone saw that there was a golden dragon coiled around the huge golden finger.

It was like a Nine Heavens Dragon Pillar, shocking everyone!

"My God, what is that?!" "Is that a finger?!"

It's actually so big?!" "There's actually a dragon coiled around his finger?!" "Get out of the way, quick!" Everyone present exclaimed and were dumbfounded.

Especially those who surrounded Su Qingmei and the others, they were stunned and hurriedly retreated.

However, they were still a step too late!

In an instant!

Crackle!

The huge golden finger pressed down heavily!

Golden light appeared and energy surged!

This finger directly crushed three steel battleships!

The thousands of people who surrounded Su Qingmei and the others were crushed to death by this finger!

"Oh my god, who is this person?"

He actually crushed three battleships and killed thousands of people with a single finger?!" "Could it be that a god has descended?!" The people standing on the battleship in the distance cried out in fear, their bodies trembling uncontrollably.

Xiang Kunlun and the King of Destruction were also dumbfounded.

Especially Su Qingmei and the other women, their beautiful eyes widened.

They didn't know who had helped them.

As the huge golden finger dissipated, A shout came from afar.

"F\*ck, Brother Yang, is this your new cultivation technique?!"

A single finger suppressing the sky, isn't that too awesome?!"

Chapter 1694: A Slap!

Hearing this familiar voice, Xiang Kunlun and Su Qingmei were stunned and hurriedly looked at the sky in the distance.

An ancient boat flew over from afar and soon arrived above the square.

A few figures stood on the ancient boat.

They were Yang Luo, Xu Ying, Bujie, Prajna, and Lin Wenxuan.

Yang Luo glanced at the event location and sighed in his heart, "Brothers, I'm sorry I'm late." It seemed that the Dark World had truly fallen into complete chaos.

Unexpectedly, even the Holy Imperial Court was attacked.

Hearing this familiar voice Seeing this familiar face "Yang Luo!" "Little Luo Little Luo is back!" "Boohoo Brother Yang, you're finally back!" "Annoying person, you still know how to come back!" "Big baddie, don't you like to run?"

If you dare run again, don't come back!" Su Qingmei, Xiao Ziyun, and the other women shouted.

All the women's eyes turned red, and some of them cried.

It had been several months since Yang Luo left the secular world.

During this period of time, the women missed Yang Luo more and more.

Now that Yang Luo was back, all their longing and grievances turned into tears that flowed down uncontrollably.

Goddess of Fate originally thought that she would be very calm when she saw Yang Luo and that her emotions would not fluctuate.

However, the moment she saw Yang Luo again, the tears in the corners of her eyes could not help but fall.

"Hahaha, Brother Yang, you're finally back!" "Brother Yang, we missed you so much!" "Brother Xu, Brother Bujie, Brother Lin, Big White, long time no see!" Xiang Kunlun, the King of Creation, the King of Destruction, and the others waved and cheered.

At this moment.

The people from the seven organizations recognized Yang Luo.

"It's actually Yang Luo.

Why has he appeared?!" "Is he the Yang Luo who left behind many legends in the dark world and entered the ranks of the Divine Ranking?" "It's said that this kid is the weakest expert on the Divine Ranking in history.

He can't compare to the other experts on the Divine Ranking!" "Not long ago, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor went to Country Hua to kill this kid.

I didn't expect him to hide!" "I know about this too.

This kid has completely embarrassed the experts on the Divine Ranking.

Even if you really can't defeat them, you have to at least show your face!" "If not for the Country Hua's Blue Luan and the other two top experts stepping forward to resist, I'm afraid this kid would have died long ago!" The people from the seven organizations started discussing.

They looked at Yang Luo with mockery and disdain.

Bujie asked with a puzzled expression, "Brother Yang, what's going on?"

When did your reputation become so bad in the underworld?" Yang Luo's expression was calm.

He ignored everyone's discussion and said calmly, "I'll give you a chance to choose now!

I can spare those who are willing to submit to the Holy Imperial Court!

Those who are unwilling to submit will be killed without mercy!" As soon as these words were spoken!

Everyone exclaimed in surprise!

"This kid is quite arrogant.

He actually wants us to submit!" "Hehe, does this kid really think that he's an expert on the Divine Ranking?"

Does everyone have to listen to him?!" "Submit my ass.

If we can kill this kid, our names will shake the Dark World!" "However, this kid seems to be quite powerful.

He killed thousands of people in an instant just now!" "What's there to be afraid of?

We have more than ten King ranked experts here.

We can definitely kill this kid!" Everyone present spoke up one after another.

Some people were disdainful.

There were also people who hesitated and were a little afraid.

After all, they had heard of Yang Luo's ferocious reputation.

"Kid, stop pretending!

I want to see how powerful you, a new expert on the Divine Ranking, actually is!" The Steel Asura, who was standing in the sky in the distance, shouted.

He raised his steel arms and fired two cannonballs!

Bam!

Bam!

Two cannonballs streaked across the sky and shot towards Yang Luo!

However, the moment the two cannonballs shot over!

Yang Luo's body shook!

Waves of majestic airwaves swept out!

The two cannonballs were sent flying and exploded in the sky with a rumbling sound.

They could not approach Yang Luo at all!

"Fire!" Steel Asura shouted again.

Bang!

Bang!

Bang!

More than ten cannonballs were fired from his arms, chest, and shoulders at the same time, heading straight for Yang Luo!

More than ten cannonballs shot over!

But Yang Luo only waved his right hand gently!

In an instant!

The dozen or so cannonballs actually returned and shot towards the Steel Asura!

Steel Asura was shocked.

Flames surged under his feet and he hurriedly dodged into the distance!

Crackle!

The dozen or so cannonballs immediately exploded in the sky above where he was just now!

Flames soared into the sky and thick smoke surged, as if a mushroom cloud had risen!

Everyone present was shocked!

They did not expect that the cannonballs fired by the Steel Asura could not even get close to Yang Luo!

“D\*mn it!” Steel Asura roared, “Since the cannonballs can’t hurt you, I’ll fight you in close combat!” As he spoke, he moved and charged towards Yang Luo!

Bujie shook his head and said, “Why is this brother so suicidal?” Big White sat on Yang Luo’s shoulder and watched the commotion.

Xu Ying, Prajna, and Lin Wenxuan had calm expressions.

They looked at the Steel Asura as if he was a dead man.

In an instant!

The Steel Asura approached Yang Luo and punched him!

With a punch, his fist shone with a dazzling dark purple plasma light and burned with blazing flames.

It was incomparably terrifying!

However, the moment the punch arrived!

Yang Luo raised his right hand and slapped out!

Peng!

There was a dull explosion!

Steel Asura was sent flying!

His huge and sturdy steel body was directly shattered by a slap!

A large amount of scrap metal and flesh splattered in all directions and fell into the sea!

In an instant The entire venue went silent!

Everyone looked at Yang Luo in the sky in a daze.

They were all dumbfounded and gulped!

One slap!

This kid actually killed the Steel Asura with a single slap!

One had to know that the Steel Asura's body was made of the toughest super alloy in the world.

Even a missile could not penetrate it!

Unexpectedly, Yang Luo shattered the Steel Asura's steel body with just a slap!

Most importantly, Yang Luo did not use any True Qi or energy.

It was just a slap!

How terrifying was this physical strength?!

Chapter 1695: Death Consciousness!

Everyone present was stunned and could not recover for a long time.

Heavenly Sirius' lips twitched, "It's only been a few months since we last met, but Brother Yang is already so strong?" Dark Baron laughed and said, "Was Brother Yang not strong before?" The Heavenly Sirius said, "He was strong, but not that strong, right?" "Little Luo is too awesome!" Song Zhixin waved her small fist and shouted excitedly.

Lin Qianyi sighed and said, "Little Luo has completely grown up now.

He doesn't need our protection anymore!" "That's right, he has already grown into an indomitable man!" Tears welled up in Xiao Ziyun's eyes.

She was very gratified.

Tears streamed down Su Qingmei and the others' faces, and their eyes were filled with admiration.

Xiang Kunlun and the others only quietly looked at the thin and tall figure in the sky with an extraordinary aura.

They were filled with a multitude of emotions as well.

They could also tell that Yang Luo was many times stronger than before.

The members of the Holy Imperial Court were extremely excited.

Their Divine Emperor had returned domineeringly and killed a king-level expert with a slap!

At this moment.

Yang Luo stood on the ancient boat and looked up at the others.

He said calmly, "Who else is unconvinced?" He had been in the Dark World for so long that he already knew the rules of the Dark World.

The strong were always respected!

If he wanted to make these guys who licked blood at the edge of the knife and put their heads on their waists to make a living submit, he had to conquer them with absolute strength!

"I refuse to accept this!" The Soul Envoy was the first to step forward.

"I'm not convinced either!" "You're an expert on the Divine Ranking, right?"

"I challenge you!" "I don't believe you can really kill so many of us!" "Even the experts on the Divine Ranking are divided into strong and weak."

You can't compare to the Holy Light Pope and the others at all.

We naturally don't agree with you!" The Shadowhunter, Bloodthirsty Madman, Death Knight, and Hellfire Apostle also stood up.

The remaining King ranked powerhouses did not stand up immediately.

Instead, they planned to wait and see.

Yang Luo's expression was calm as he said coldly, "Since you dare to challenge me, you should be prepared to die, right?" The Shadowhunter laughed mockingly, "Kid, it's not certain who will live or die if the five of us King ranked powerhouses join forces!" The Bloodthirsty Madman smiled sinisterly and said, "Kid, stop pretending here.

If you have the ability, fight the five of us!" "Alright!" Yang Luo nodded and said, "Then I'll fight you!" As he spoke, Yang Luo took a step out of the ancient boat and stood in the sky!

In an instant!

A terrifying pressure and aura spread out from his body, sweeping through the world and enveloping an unknown number of nautical miles!

Rumble rumble rumble!

Wind and clouds surged in the sky!

The sea below surged violently!

Huge waves soared into the sky, as if they were connecting the sky and the sea!

This pressure made the five King ranked experts tremble uncontrollably!

Some people even started to beat a retreat!

As for the others from the seven organizations, they were all trembling and their legs were weak.

They could barely stand!

Yang Luo looked down at the five of them and said, "The five of you can attack together!" The Shadowhunter gritted his teeth and said, "Everyone, don't be afraid.

Let's attack together!" "Alright!" The four of them suppressed the fear in their hearts and replied in unison.

"Kill!!!" The five of them let out a roar at the same time.

They seemed to have turned into bolts of lightning and charged at Yang Luo!

And the moment they got close The five mobilized the energy in their bodies to the extreme and stomped hard!

The steel battleships they were standing on actually sank a few meters!

The five of them jumped into the sky at the same time!

"Shadow Blade!" "Soul Army!" "Blood Sea Rising!" "Divine Death Slash!" "Hellfire!" The five of them attacked at the same time!

A huge black saber tore through the sky, stirring the wind and clouds as it slashed upwards!

Thousands of souls formed an army and let out wild shrieks and howls as they pounced forward!

The blood-colored spear swept across the sky, bringing with it a large sea of blood-colored energy that surged up!

A huge black sword slashed forward!

The black and red flames burned the world and surged up majestically!

On the ancient boat.

Xu Ying narrowed his eyes and said, "I have to say that these five guys are quite strong.

Unfortunately, they met Brother Yang and can only die here." Lin Wenxuan nodded, "They have to pay the price for their arrogance." The moment the five of them attacked!

Yang Luo's expression did not change.

He raised his right hand and pressed down with a finger!

"Primordial Emperor Dragon Finger!" "ROAR!" A loud dragon roar resounded through the sky!

A gigantic golden finger that was a thousand feet long crushed down, causing the world to tremble and the void to crack!

A huge golden dragon illusion coiled around the huge finger.

Dragon qi surged and dragon might surged!

As everyone saw this huge finger pressing down like a pillar of heaven!

Everyone present was dumbfounded, as if they had been petrified!

“Oh my god, this is simply like a god pressing down a finger to destroy everything!” Someone shouted in fear.

The next second!

Crackle!

An earth-shattering explosion resounded!

The five attacks launched by the five King experts were crushed and smashed by this finger!

A large amount of greenish-black light and golden light surged in all directions like a wave!

After crushing the attacks of the five people, this finger continued to press down towards them!

“Continue attacking!” Shadowhunter roared and slashed again and again!

Swoosh!

Swoosh!

Swoosh!

The huge sabers carried violent power as they slashed at the huge finger!

“King of Souls!” The Soul Envoy waved his scepter and roared!

A Soul Giant that was dozens of meters tall shot up to collide with the finger!

“Blood Spear Sudden Strike!” Bloodthirsty Madman mobilized all the energy in his body and stabbed into the sky!

A huge blood-colored spear slammed into the huge finger!

“Death Destruction!” The Death Knight swung his sword with all his might!

Countless black swords shot out!

“Hellfire Demon General!” The Hellfire Apostle condensed a black-red flame giant and charged forward!

At this moment!

The attacks of the five of them were even more tyrannical and terrifying, as if they wanted to destroy everything!

However, no matter how strong the attacks of the five of them were, they could not withstand Yang Luo’s finger!

Chapter 1696: Submit!

In a flash!

Boom!

Boom!

Crackle!

It shook the sky, and the sound of collision and explosion that shook the four seas resounded in all directions!

The attacks launched by the five of them were shattered again, turning into a rain of light that filled the sky!

This finger continued to press down heavily on the five Shadowhunters!

“Retreat!

Retreat quickly!” Shadowhunter shouted in fear and wanted to retreat, but it was too late!

The Soul Envoy, Bloodthirsty Madman, Death Knight, and Hellfire Apostle also wanted to retreat, but it was still too late!

They could only counterattack crazily and condense an energy shield to block!

However, no matter what methods they used, it was still in vain!

“Help!

Help!” “What are you waiting for?

Come and help!” “Save me!

Save me!” The five of them were all scared out of their wits.

They could not care less about their dignity and shouted for help.

However, no one at the event location dared to step forward to help.

They knew very well that whoever stepped forward now had a death wish.

“Mr.

Yang, we were wrong.

We shouldn’t have questioned you and challenged you!” “Mr.

Yang, we’re willing to submit.

Please spare our lives!” Seeing that no one was coming to help, they immediately despaired and hurriedly begged Yang Luo for mercy.

Yang Luo said coldly, “I gave you a chance just now, but you didn’t cherish it.

It’s too late to beg for mercy now!” As he spoke, killing intent flickered in Yang Luo’s eyes as his huge golden finger pressed down with all its might!

At that moment Crackle!

An earth-shattering explosion resounded through the sky!

“Ahhhhhh” The sound of the explosion was mixed with a series of miserable screams.

The sea within a radius of tens of thousands of meters surged!

The steel battleships parked on the sea shook!

Many people on the battleship could not stand steadily and fell to the ground!

The light produced by the explosion was too dazzling.

Many people involuntarily squinted!

The energy that erupted was too terrifying, sending many people flying!

Until the light and energy dissipated Everyone looked up at that area.

The five steel battleships were all shattered into steel fragments.

As for the five King ranked experts, they had already turned into pools of flesh and blood that floated on the sea.

An abyssal hole hundreds of meters in diameter was formed in the sea area, and it could not heal for a long time.

Seeing this scene The entire place fell into a dead silence.

Everyone was dumbfounded.

They felt their scalps tingle and their souls tremble.

There was a moment of silence.

Then, the event location fell into an uproar.

“Dead The five powerhouses are all dead!” “One finger Just one finger crushed five battleships crushed five experts It was as easy as crushing an ant!” “This kid is actually so strong He killed Steel Asura with a

single slap He crushed the five of them with a single finger He's simply unbelievably strong!" "Since this kid is so strong why didn't he show up before?!" "Could it be that he deliberately didn't show his face Is he actually planning something?!" "Strange It's really too strange!" The remaining 20,000 people from the seven organizations trembled.

Only now did they truly understand how powerful and terrifying Yang Luo was.

It was so easy for him to kill six kings alone!

This kid was so powerful.

Was he really the weakest expert on the Divine Ranking in history?

Even other experts on the Divine Ranking were probably only so-so!

"Hahaha, good job, Brother Yang!" "Brother Yang, well done!" "Weren't these guys looking down on you?"

What about now?" "Do you really think that Brother Yang is the weakest expert on the Divine Ranking in history?"

What a joke!" Xiang Kunlun and the others raised their arms and shouted excitedly.

The eyes of the people from the Holy Imperial Court were filled with fanaticism.

Su Qingmei and the other women were also very excited and clenched their fists.

This was the man they had their eyes on!

He was indomitable and domineering!

After killing these five guys Yang Luo's expression did not change at all.

He looked down at the people from the seven organizations and asked again, "Is there anyone else who isn't convinced?" The remaining four king ranked experts, the Demonic Flame Battle God, the Divine Son of Darkness, the Giant Demon Monarch, and the King of Eternal Night, were all trembling.

They did not dare to challenge Yang Luo anymore.

As for the others from the seven organizations, they did not dare to stand up.

Yang Luo's eyes were cold as he said in a trembling voice, "I'll ask you one last time.

Are you willing to submit to the Holy Imperial Court?" "The Demonic Flame Battle God is willing to submit!" "The Divine Son of Darkness is willing to submit!" "Giant Demon Monarch is willing to submit!" "The King of Eternal Night is willing to submit!" The Demonic Flame Battle God and the other three hurriedly knelt on one knee, placed their right hands on their left hearts, and lowered their arrogant heads.

"We are willing to submit!" The remaining 20,000 people from the seven organizations knelt on one knee and lowered their heads, not daring to look at Yang Luo.

The people from the Holy Imperial Court were extremely excited!

It was simply domineering to suppress tens of thousands of people alone!

As expected of the second Divine Emperor elected by the Divine Kings!

It was such an honor to be able to follow this man and fight the world with him!

Yang Luo said loudly, "Since you're willing to submit, we'll be brothers in the future!

If anyone dares to cause trouble behind the scenes and betray the Holy Imperial Court, they will be killed without mercy!" "We will always be loyal to the Holy Imperial Court and to you!" "We will never betray you!" Everyone from the seven organizations replied loudly.

"Very good!" Yang Luo nodded, "Hurry up and bring your people and leave this place!

If anything happens later, listen to the Holy Imperial Court's orders at any time!" "Yes!" Everyone responded again.

Then, the remaining people of the seven organizations quickly left with the casualties.

After the people from the seven organizations left, Yang Luo and the others landed on the battleship where Xiang Kunlun and the others were.

"Brother Yang, long time no see!" Xiang Kunlun strode over and hugged Yang Luo tightly.

"Brother Yang, it's been a few months since we last met.

You've become stronger!" King of Destruction laughed and punched Yang Luo's chest.

"Brother Yang, I really miss you so much.

Come, come, come, I have to hug you!" Heavenly Sirius ran over eagerly and gave Yang Luo a bear hug.

Chapter 1697: Brothers Reunited!

"Wolf cub, scam to the side.

Don't occupy Brother Yang and not let go!" Sea Burial King ran over and pushed Heavenly Sirius to the side before hugging Yang Luo tightly.

After hugging his brothers one by one, Yang Luo looked up at Su Qingmei, Qin Yimo, and the other women with gentle eyes.

He took a deep breath and said, "Sorry to keep you waiting.

I'm back." Hearing this Su Qingmei and the other women couldn't help but choke up.

"Big Bastard, you're finally back!" "Big baddie, don't suddenly disappear in the future!" "You ran to the Kunlun Ruins without saying anything.

Do you know how worried we were about you?" The women all ran over and raised their hands to hit Yang Luo, their tears flowing uncontrollably.

Yang Luo sighed softly and said gently, "Alright, don't cry.

Am I not back now?" "Hmph, you baddie, you have to compensate us!" "That's right, that's right.

You have to accompany us well!" "Sisters, if you want anything, just ask him!" "Yes, yes, yes.

If there's anything you want him to do, just let him do it!" The women all snorted softly to express the resentment and dissatisfaction in their hearts.

Yang Luo nodded and said, "Alright, alright, alright.

I'll give you whatever you want.

I'll do whatever you want me to do!

Even if you want the stars in the sky, I'll think of a way to pluck them for you!" At this moment.

Big White, who was sitting on Yang Luo's shoulder, shook its head, "It's really troublesome to have too many women!" Hearing Big White's voice For a moment Everyone turned to look at Big White.

"F\*ck me!" Heavenly Sirius walked over and said in surprise, "This monkey can speak?!" "Even monkeys can speak.

How magical!" King of Destruction also exclaimed in surprise.

Sea Burial King touched his chin and said, "Could it be that this monkey has mutated?" Big White stood up and placed his hands on his hips as he shouted, "A bunch of ignorant fellows.

I only gained sentience, that's why I can speak.

I'm not a mutant!" Everyone burst into laughter upon hearing Big White's words.

Yang Luo explained with a smile, "After Big White transcended the Earth Immortal Lightning Tribulation and stepped into the Earth Immortal realm, it gained intelligence, so it can speak." "Big White actually transcended the Earth Immortal Lightning Tribulation and stepped into the Earth Immortal realm?!" Xiang Kunlun was shocked.

"That's right!" Yang Luo nodded and said, "Other than Big White, Brother Mo has also transcended the Earth Immortal Lightning Tribulation and stepped into the Earth Immortal realm!" "What?!" Xiang Kunlun was even more shocked, "Old Mo has also stepped into the Earth Immortal Realm?!" The others present were also shocked.

Xiang Kunlun took a deep breath and said, "Let's go back to the palace.

Brother Yang, you have to tell us what you experienced in the Kunlun Ruins!" "No problem!" Yang Luo smiled and nodded.

Then, Yang Luo and the others rode a battleship to the Divine Emperor Island on the main island.

The people from the Holy Imperial Court stayed behind to clean up the battlefield.

After returning to the palace, Everyone took their seats.

The Goddess of Fate, Su Qingmei, and the other women hurriedly arrived with coffee and tea.

Yang Luo smiled and said, "I know you have a lot of questions to ask me, but before that, I'll treat your injuries first." As he spoke, Yang Luo treated everyone.

After the treatment ended.

Heavenly Sirius said anxiously, "Brother Yang, tell us quickly.

I'm so anxious!" "Alright, alright, alright.

I'll talk to you guys properly now." Yang Luo nodded and told everyone what he had experienced in the Kunlun Ruins.

When Yang Luo finished speaking, Everyone was already dumbfounded, their faces filled with shock.

After being stunned for a while, everyone came back to their senses.

King of Creation sighed, "I didn't expect the Kunlun Ruins to be such a magical place.

I've learned something new!" King of Destruction clicked his tongue and said, "It seems that our horizons are still too small.

We think that the world in front of us is everything!

I didn't expect there to be a mysterious world like the Kunlun Ruins and so many experts!" Heavenly Sirius added, "If there's a chance, I really want to go and experience it!" Yang Luo smiled and said, "When there's a chance in the future, I'll bring you guys to the Kunlun Ruins to cultivate!" Everyone nodded.

Xiang Kunlun looked at Yang Luo and said, "Brother Yang, have you really stepped into the perfected Earth Immortal Realm now?"

You're not far from becoming a True Immortal?!" "That's right." Yang Luo nodded and said, "However, I'm still lacking a little to step into the True Immortal Realm." "It's fine, Brother Yang.

I believe you'll be able to step into the True Immortal Realm soon!" Xiang Kunlun replied and sighed, "Unfortunately, I've only stepped into the late-stage Dao Convergence realm now and have already been left behind by you and Old Mo." Yang Luo said, "Brother Xiang, the spiritual energy in the secular world is indeed too thin.

It's not conducive to cultivation.

However, don't worry.

I'll bring you to the Kunlun Ruins to cultivate in the future.

With Brother Xiang's talent and comprehension, you will definitely be able to step into the Earth Immortal Realm quickly." Xiang Kunlun nodded and said, "I hope I can improve there!" Xiao Ziyun also said, "We have to become stronger too!" "That's right, we have to become stronger!" "We can't be left too far behind by Little Luo!" "Come on!" Lin Qianyi, Su Qingmei, and the other women also waved their fists, full of fighting spirit.

Yang Luo suddenly thought of something and said, "By the way, I brought you all something." Alinda's beautiful eyes lit up, "Really?"

You even brought us gifts?!” “After all, I went on a long trip.

I have to help you get something good!” Yang Luo smiled and took out a lot of herbs, medicinal pills, Dharma artifacts, weapons, spirit stones, and other things from his storage ring.

The wide coffee table was directly piled up.

Under the light, it flickered with a dazzling light and spiritual energy overflowed.

Xiang Kunlun and the others were dumbfounded.

The Heavenly Sirius exclaimed, “Oh my god, Brother Yang, did you go to the Kunlun Ruins to rob?!” Bujie laughed happily and said, “Brother Wolf King, you’re right!

Brother Yang had just arrived at the Kunlun Ruins and had already robbed three pirate alliances!

Most importantly, the three leaders of the Pirate Alliance were also willing to be robbed!” “Is there such a thing?” Heavenly Sirius’s eyes lit up, “Why didn’t Brother Yang tell us about this?

Tell us quickly!”

Chapter 1698: Everything Has Variables!

Sea Burial King asked curiously, “There are pirates in the Kunlun Ruins too?” When Yang Luo was talking about his experience in the Kunlun Ruins just now, he directly skipped this matter.

Unexpectedly, Bujie mentioned it again.

“Everyone, don’t be anxious.

Please listen to me!” Bujie grinned and told everyone about this.

After hearing this, everyone present laughed.

Heavenly Sirius even laughed out loud, “Brother Yang, you’re really amazing.

You snatched someone else’s things the moment you went to the Kunlun Ruins.

Impressive!” Dark Baron pursed his lips and said, “That’s really something Brother Yang can do!

Back then, when the Holy Light Church sent people to attack our Blood Race, Brother Yang snatched the Sacred Artifacts of those Guardian Angels!” The women giggled, thinking it was too funny.

Sea Burial King said, “If there’s a chance in the future, I have to exchange my sea insights with the three alliance leaders of the Pirate Alliance.” Xu Ying looked at Yang Luo and said, “Brother Yang, aren’t you going to beat this fellow to death?” “I can’t stand it anymore.

He keeps bringing up your embarrassing stories.” Lin Wenxuan echoed.

Yang Luo nodded and said to Big White, “Big White, go, slap this guy to death!” “Alright!” Big White responded and stood up.

Bujie hurriedly hid behind Xiang Kunlun and the others and begged for mercy, “Big White Oh no, Master, I was wrong.

Please spare me this time!” “Hahaha” Seeing Bujie’s cowardice, everyone was overjoyed.

Yang Luo rolled his eyes at Bujie, “Big White, forgive this guy for now.

If he mentions this again, beat him up!” “No problem!” Big White responded.

Seeing Yang Luo and Big White echoing each other, Su Qingmei and the other women felt that Big White was too playful.

Xiang Kunlun said, "By the way, Brother Yang, do you know that the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor went to find trouble with you after they came out of seclusion?" "Master has already told me." Yang Luo nodded in agreement.

His eyes turned cold as he said, "My grudge with these three fellows has to be resolved eventually!

They want to kill me, but I have never thought of letting them live!" Xiang Kunlun said in a low voice, "However, it's said that the Holy Light Pope has already stepped into the True Immortal Realm.

I'm afraid it won't be easy for you to kill him!" King of Creation added, "Moreover, the Divine Ranking experts hidden all over the world have also come out of seclusion one after another!

At that time, those guys will definitely take sides.

If they all stand on the side of the Holy Light Pope and the others, the situation will be very disadvantageous for us!" King of Destruction said, "Once we start a war with the Holy Light Pope and the others, it will cause a war in the entire Dark World!

This battle will also determine the future direction of the Dark World and the survival of our Holy Imperial Court!" Yang Luo nodded and asked, "How many organizations have you roped in recently?" Xiang Kunlun said, "If we include the seven major organizations today, there are 539 organizations on our side now!" Yang Luo asked again, "Then how many organizations are standing in the Holy Light Church, the Heavenly Shrine, and the Hell Demon Palace?" Xiang Kunlun replied, "2,578!" "What?!

2,578?!" "Oh my god, it's five times more than ours!" "Just the number of organizations alone is so much more than ours.

How can we fight?!" Bujie, Su Qingmei, and the others exclaimed.

Yang Luo took a sip of water and asked again, "Then how many people are still watching?" Xiang Kunlun said, "There should be more than 5,000." Yang Luo played with his teacup and said, "Actually, I'm not surprised by this situation at all.

After all, the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace are the three top organizations.

There is also the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor.

In order to survive this chaos, those organizations would naturally choose to join these three organizations.

However, the battle has yet to begin.

There will definitely be variables "Brother Yang, what do you mean?" Xiang Kunlun asked in confusion.

King of Creation and company also looked at Yang Luo.

Yang Luo said loudly, "The reason why there are so few organizations that have joined our Holy Imperial Court now!

That's because the various organizations in the underworld feel that our Holy Imperial Court has weakened.

Without an expert on the Divine Ranking holding down the fort, they naturally don't have confidence in us!

However, we can show the other organizations the power of our Holy Imperial Court at the Dark Convention!

Didn't those organizations look down on us?

Then I'll defeat those experts on the Divine Ranking that they revere and worship in front of all of them!

I'll let them know that I'm not afraid even if I'm facing the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor!

I, Yang Luo, am the master of the Holy Imperial Court.

I'm not the weakest top-notch organization they think we are!" Hearing Yang Luo's words Xiang Kunlun and the others immediately felt their blood boil and could not help but clench their fists!

He would defeat all the experts on the Divine Ranking!

What kind of courage did he have to dare to say such words!

However, as the master of the Holy Imperial Court, he should have the domineering aura of not fearing all the experts in the world!

King of Creation took a deep breath and said, "Brother Yang, the Holy Light Pope is probably the number one existence on the Divine Ranking.

Are you really confident in fighting him?" Without waiting for Yang Luo to speak Bujie rushed to say, "Brother, don't worry!

Brother Yang could even fight two True Immortals!

Now that the Holy Light Pope is only a True Immortal, Brother Yang was even less afraid!

Perhaps my Brother Yang can't kill a True Immortal, but he can still be invincible when going against one!"

Chapter 1699: Only Victory, Can't Lose!

“Oh my god, Brother Yang, is this true?”

You can actually fight a True Immortal?!” The King of Destruction asked in surprise.

Sea Burial King and the others were also shocked.

Yang Luo nodded and said, “I do have the ability to fight an early-stage True Immortal expert!” King of Creation said excitedly, “Brother Yang, if you can really defeat those experts on the Divine Ranking, you will have the strength to fight the Holy Light Pope!

At that time, many organizations would probably change their minds and join our Holy Imperial Court!

Many organizations that are still watching will definitely choose to join us!” “That’s right!” Xiang Kunlun continued, “After all, no one wants to become a servant of the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace!

Moreover, organizations that wanted peace and stability in the dark world are definitely the majority!

As long as our Holy Imperial Court can display the strength to contend with the three major organizations of the Holy Light Church, all the major organizations will respond!” Therefore, there are variables in everything!” Yang Luo smiled and replied, then asked, “Brothers, when will the Dark Conference begin?” Xiang Kunlun said, “We haven’t confirmed when it will be.

However, the experts on the Divine Ranking have already come out of seclusion.

The Dark Conference should be starting soon.

The timing of each Dark Meet will be decided by the experts on the Divine Ranking.” King of Destruction sneered and said, “Actually, it’s decided by the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor.

Right now, these three fellows almost have the final say in the entire Dark World.” Sacred Prison King narrowed his eyes and said, “The reason why these three guys haven’t decided on the time of the Dark Conference is probably because they are waiting for Brother Yang to appear.

After all, experts on the Divine Ranking would participate in every Dark Conference.

As a new expert on the Divine Ranking, Brother Yang will naturally be invited.

Those three guys probably want to kill Brother Yang at the Dark Conference.” “Hehe” Yang Luo sneered and said, “So they are all waiting for me.

Very good.

I also plan to clash with these three fellows at the Dark Conference.” King of Creation said, “After tonight’s battle, the news of Brother Yang’s appearance will probably spread throughout the Dark World in a few days.

The time for the Dark Conference will also be decided.” “Very good!” Yang Luo nodded and said, “Then let’s wait for the arrival of the Dark Conference!” “Alright!” Everyone immediately chorused out.

After that, they chatted for a while.

Everyone returned to their rooms to rest.

Originally, Big White wanted to go with Yang Luo.

However, it was taken away by Xiang Kunlun.

After returning to his room Yang Luo took a shower and walked to the window in a sleeping robe.

He looked up at the distant sea and fell into deep thought.

The Dark Conference was about to begin.

That meant that the war in the Dark World was about to begin.

This battle would determine the survival of the Holy Imperial Court and the future of the Dark World.

If they lost this battle, the entire Dark World would fall into turmoil.

Of course, he knew that he could not control the entire Dark World.

However, he was worried about the Holy Imperial Court and his brothers and women.

Once they were defeated, the Holy Imperial Court would be completely destroyed.

The Holy Light Pope and the others would definitely not let go of everyone around him.

Therefore, he could only win this battle.

He could not lose!

Just as he was processing this information He felt a soft body close to him, and a pair of jade-like hands wrapped around his waist.

Yang Luo was stunned for a moment before he snapped out of his thoughts.

He hurriedly turned around and saw a beautiful figure standing in front of him.

It was Su Qingmei, who was wearing a black silk nightdress.

Su Qingmei blinked her beautiful eyes and asked, "What are you thinking about?"

You were so engrossed that you don't even know that I came in?" "Uh" Yang Luo shook his head, "Nothing." Su Qingmei said with certainty, "No, you must have something on your mind.

I've been with you for so long.

Can't I tell if there's something on your mind?

Let me guess what you're thinking." She pondered for a few seconds.

Then she spoke out again, "I understand.

You're worried about the Dark Conference and the war in the Dark World, right?" Yang Luo hugged the woman's soft waist and said with a smile, "Our Baby Susu is indeed smart.

She guessed it immediately!" Su Qingmei said angrily, "Can you not be so mushy?"

Baby Susu, you're even more mushy than Momo!" Yang Luo laughed out loud.

Su Qingmei pinched Yang Luo's ear and snorted, "Don't call me that in the future.

Just call me by my name!" Yang Luo nodded repeatedly, "Alright, alright, alright.

Whatever my wife says!" Su Qingmei rolled her eyes cutely at his remark, "How did I become your wife?" Yang Luo shrugged and said, "We've lived together for so long, and we're already engaged.

Why aren't you my wife?" Su Qingmei pouted and said, "It's just an engagement, not a marriage!

Before I'm officially married, I'm not your wife!" "Oh" Yang Luo was enlightened, "You're saying that you want to get married?" Su Qingmei blushed and said, "Don't be shameless.

I didn't think that way!" Yang Luo said, "When everything is over and Senior Sister is saved, we'll get married!" Su Qingmei narrowed her beautiful eyes and said, "Do you want to marry me alone, or all the women?" Yang Luo grinned and said, "Of course it's all women.

I've already said that my feelings for you guys are the same!" "You" Su Qingmei's beautiful eyes widened, "Dream on.

You can even say you want to marry all the women.

Aren't you dreaming too much?

Bigamy is a crime, okay?" Yang Luo chuckled and hooked the woman's exquisite chin, "Do you think the laws of the secular world are still useful to me?" Hearing the man's words, Su Qingmei was stunned.

Yes, Yang Luo was now one of the experts standing at the peak of the secular world.

He could ignore the laws of the secular world.

Who could judge this man?

Su Qingmei pouted and said, "Why am I so unlucky to choose a bad guy like you"

Chapter 1700: Video Conference!

Yang Luo smiled and said, "It's not too late for you to regret now." "Really?!" Su Qingmei's eyes lit up, "Then let's break up now.

Then I'll find another man!" "Go on." Yang Luo narrowed his eyes, "I'll kill whoever you look for!" "You" Su Qingmei stomped her feet in anger, "How can you be like this!" Yang Luo hugged the woman tightly and whispered into her ear, "So, since you've already fallen into my hands, don't even think about escaping!

You can only be my woman for the rest of your life!" Hearing the man's words Su Qingmei's delicate body trembled, and her heart raced.

She snorted softly, "Where did the innocent you go in the past?"

Why have you become so domineering now?" Yang Luo sighed and said, "People will always learn to change and grow" Su Qingmei held the man's hand tightly and said gently, "Yang Luo, don't give yourself too much pressure.

Although we're not as powerful as you, we can help you share some of the pressure.

No matter what happens in the future, we will face it with you Mmm!!!" But before she could finish speaking Yang Luo kissed the woman's plump red lips.

Su Qingmei's entire body trembled.

Her eyes widened as she broke free from the man, "What are you doing?" Yang Luo smiled evilly and said, "Baby Qingmei, we've been separated for so long.

What do you think I want to do?" As he spoke, Yang Luo carried the woman and walked towards the big bed In the blink of an eye, another three days had passed.

In these three days.

Yang Luo enjoyed the happy time with his brothers and women by his side.

He also helped Xiang Kunlun and the others deal with the matters in the Holy Imperial Court.

Of course, Yang Luo also took the time to give everyone some pointers on cultivation.

However, the news of the seven organizations attacking the Holy Imperial Court had also spread throughout the entire Dark World in the past three days.

The entire Dark World was shaken!

The forums on the dark web had already exploded.

“Guys, have you heard?

Three days ago, 15 King Ranked experts led the seven organizations to start a huge battle with the Holy Imperial Court!” “Of course I’ve heard about it.

It’s said that more than 20,000 people from the seven organizations have been killed.

11 of the 15 King experts have died!” “The remaining 20,000 people from the seven organizations, as well as the four king-level experts, the Demon Flame Battle God, the Divine Son of Darkness, the Giant Demon Monarch, and the King of Eternal Night, have submitted to the Holy Imperial Court!” “I heard that the one who ended the battle was Yang Luo.

He killed thousands of people alone, killed the Steel Asura with a single slap, and crushed the Soul Envoy and the other five with a single finger!” “Strange, isn’t Yang Luo hiding?

Why did he suddenly appear again?” “It’s indeed quite strange.

Now that the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor are searching the entire world for this kid, he still dares to come out?” “This kid is really bold.

He actually dares to appear.

Once the three of them find out, this kid will probably die!” Just as the people of the underworld were discussing this matter It was midnight.

Euro Domain.

The Vatican.

St.

Peter’s Basilica.

In the meeting room on the top floor.

There were three people sitting at a large round table.

They were the Holy Light Pope, the Heavenly Shrine, and the Hell Fiend Emperor.

Dozens of video windows appeared on the projection of a huge wall.

In the video window were the heads of the world’s top and oldest families, as well as the kings of the various royal families.

For example, the Rothschild family’s head, Winterborne, King Almond of Dibai, and King Williams of Country Windmill were among them.

There were also many commanders of countries, such as Lawrence from Country Stars & Stripes, Ferrand from Oxford, and Masahiro Ono from Country Sakura.

Of course, the ones at the center of the window were the Ice Empress, Underworld Emperor, and Kagura Kenshin.

The people who appeared in the video window were the people at the top of the secular world.

They had supreme power, status, wealth, and strength.

They could decide the laws of the secular world, the direction of the economy, and so on.

And now, these big shots were holding a video conference to discuss the Dark Conference.

However, the other experts on the Divine Ranking were not interested, so they did not participate in the video conference.

Of course, the Holy Light Pope, the Heavenly Shrine, and the Hell Fiend Emperor did not invite Yang Luo to participate in the video conference.

Even though Yang Luo was now known as the new expert on the Divine Ranking, they did not approve of him.

Lawrence chuckled and said, "Honorable Pope, Lord God Emperor, and Fiend Emperor, when the Dark Conference will be held will be decided by the three of you!" Ferrand also smiled and said, "Now that the three of you are the authority of this world, it's perfect for the three of you to decide on the time of the Dark Conference!" "I also agree that the three lords will decide the time of the meeting!" Masahiro Ono chimed in.

"I second that!" "I second that!" The other family heads, kings, and commanders who were on good terms with the Holy Light Pope and the other two also spoke up.

Almond frowned and said, "Why didn't you invite Mr.

Yang to this video conference?"

Mr.

Yang is also an expert on the Divine Ranking now.

Isn't he qualified to participate?" Williams also said in a deep voice, "That's right.

Mr.

Yang is also a powerhouse on the Divine Ranking.

Why didn't you invite him to this video conference?" The other family heads and kings who were on good terms with Yang Luo also echoed.

Lawrence said coldly, "Almond, Williams, who does Yang Luo think he is?

Is he worthy of being a powerhouse on the Divine Ranking?" Ferrand also sneered, "What right does he have to be on equal footing with us?" Masahiro Ono also said, "I think we should erase this kid's information on the dark web.

How could he even be considered an expert on the Divine Ranking.

Is he worthy?" Almond said angrily, "Mr.

Yang is an expert who has advanced from the lowest level to the SSS-rank as quickly as possible in the history of the Dark World!

He had fought everywhere and left behind countless legendary deeds in the dark world.

He had even obtained the support of countless organizations!

Moreover, a few months ago, Mr.

Yang killed three demons of the Blood Race alone and saved our Dibai and countless people!

If he's not qualified to enter the Divine Ranking, do you think you're qualified?"
