

Super IDG 2401

Chapter 2401: Four More Arrive!

“Everyone, fall back!”

Qin Juechen roared, and then waved his hand!

A crimson barrier of flames spanned between the sky and the earth, blocking the onslaught of corpse energy!

Immediately after, he stepped forward into the air!

“Divine Fire Burning Heaven!”

Crimson flames burst forth, transforming into a massive sea of fire that smashed upwards!

In the forest, large swathes of flowers and trees were burned to ashes!

In an instant!

Boom boom boom!

The sea of fire collided with the vast corpse energy in the sky, the momentum earth-shattering!

The blazing flames and chilly corpse energy spread from the point of collision, striking in all directions!

Despite Ge Qianyu's corpse energy being extremely terrifying, capable of corroding the physical bodies of elders, causing instant death and reducing them to skeletons!

But what Qin Juechen unleashed was the Phoenix Divine Fire, powerfully blocking the surging corpse energy!

"Hmph!"

Ge Qianyu snorted coldly and waved his hand!

"Ten Thousand Corpses Coming!"

In an instant!

The elders who had already died rose from the forest and formed an army of corpses, charging towards Qin Juechen!

Qin Juechen's expression turned grim as he angrily said, "These people are already dead, won't you even spare their corpses?"

Ge Qianyu sneered, "Since these people are already dead, they naturally have no value.

I'm just recycling waste!

Do you not fancy yourself a paragon of justice?

If so, just try not to take action!"

Saying this, he waved his hand again!

The army of corpses suddenly accelerated, lunging towards Qin Juechen!

Qin Juechen gritted his teeth and furiously threw a punch!

“Fire Phoenix Burning Wilderness Fist!”

A gigantic fist, over two thousand feet in size and burning with fierce flames, hurled out like a massive flaming meteorite crashing upwards!

Bang bang bang!

The army of corpses was completely obliterated by this punch in the air, exploding into a shower of blood and bone fragments!

“Heh heh...”

Hahahaha...”

Ge Qianyu laughed wildly towards the sky, evilly saying, “Qin Juechen, in the end, you and us are of the same kind!

Seeing that you’re quite powerful, why not join our camp!”

“Scoundrel!”

Qin Juechen was furious, transforming into a stream of flame, rushing towards Ge Qianyu!

Ge Qianyu called forth even more corpses, surged into the high sky and lunged at Qin Juechen!

Qin Juechen's eyes were cold and unflinching, he broke through swathes of corpses and fiercely punched, slamming into Ge Qianyu!

Ge Qianyu also quickly twisted his fist and struck out!

“Ten Thousand Corpses Divine Fist!”

A gigantic, over two thousand feet fist, swirling with rolling corpse energy, clashed upwards!

In a breath's time!

Boom boom!

The fists heavily collided with each other, exploding with a thunderous impact!

The vast void, like a piece of fabric, was instantly ripped extensively!

Flames and corpse energy wildly ravaged, surging in all directions!

Qin Juechen and Ge Qianyu battled to a standstill, neither able to shake the other!

“Divine Fire Phoenix!”

Qin Juechen roared.

“Screech!”

Accompanied by a crisp screech!

A gigantic phoenix, over two thousand feet in size, arose with fierce flames burning on its body, pouncing towards Ge Qianyu!

“Corpse King Descends!”

Ge Qianyu’s expression turned cold as he shouted out loudly.

A huge gray-white giant over two thousand feet in size, with corpse energy billowing, charged towards the flame phoenix!

Boom!

In the terrifying collision!

The flame phoenix and the corpse giant both exploded in the air!

Qin Juechen didn't pause for a moment; his fists clenched, one punch after another, he furiously pounded towards Ge Qianyu!

Each punch was wildly powerful, with intense flames surging!

Ge Qianyu's expression changed drastically, and he too clenched his fists, punching one after another to meet the attack!

Bang, bang, bang!...

The sky filled with giant flaming fists and corpse fists crazily collided, exploding in thunderous blasts!

Broad swathes of light, energy, flames, and corpse energy mingled, soaring to Cangqiong, plunging to Dayue!

Majestic and boundlessly terrifying!

Under the wrath of Qin Juechen's fist, Ge Qianyu was beaten into continuous retreat, his body erupting in blooms of blood!

"Good, Phoenix Ancestor, well done!"

"Press the attack, kill this old ghost!"

"Take down a Heavenly Immortal first, our chances of victory will be greater!"

The people of the Supreme Sect Camp shouted excitedly.

But just as Qin Juechen had launched three thousand punches, sending Ge Qianyu retreating three thousand meters!

Suddenly!

A series of robust voices came from afar!

“Qin Juechen, your life is forfeit!”

“You think just you alone can turn the heavens?”

“How overconfident!”

“Watch as we take your life!”

Accompanied by a series of thunderous voices!

Four void caves exploded open in the distance!

Four massive, thousand-zhang-long immortal rainbows burst out, heading straight for Qin Juechen!

These four immortal rainbows were terrifying to the extreme, seemingly able to destroy everything!

“Phoenix Ancestor, be careful!”

“Quick, dodge it!”

The people of the Supreme Sect Camp cried out in alarm.

Qin Juechen was greatly shocked, twisting another punch madly launching it!

Boom!

Accompanied by a heaven-shaking collision sound!

Fierce light, vast energy surged out, stirring all around!

These four beams of light were too ferocious, Qin Juechen simply couldn't withstand them!

“Ahh!”

He let out a painful yell, directly blasted away!

In the midst of being hurled away!

Blood spurted from his mouth, and large patches of fresh blood scattered from his body!

After being flung thousands of meters away!

He directly fell from the sky, with a “boom”, crashing on a large mountain!

The mountain was crushed in half, rubble and dust sweeping the sky!

“Phoenix Ancestor!”

“Damn it, who is making the move?!”

“Who injured the Phoenix Ancestor?!”

“Could it be that another Heavenly Immortal has arrived from the opposite side?!”

The people of the Supreme Sect Camp were both shocked and angry.

“Old Qin!”

“Old Qin, are you alright?!”

“Who exactly is it?!”

Ning Hualong, Mu Fusheng, and Duan Kongcheng, who were fiercely battling in the dark void above, also cried out in shock.

At this moment!

Four figures flew out from those four void caves, appearing in this piece of the sky!

Upon seeing these four figures!

“Hahaha, our side has gained four more Heavenly Immortal Ancestors!”

“Good, good, this is truly fantastic!”

“Eight against one, these four old guys are finished!”

The people of Ten Thousand Demon Valley Camp were overjoyed and jumped in excitement.

The newcomers wereâ€”

Ancestor Yin Sha of the Yin Fiend Palace!

The Demon Transformation Ancestor Yun Zhanmo of the Demon Transformation Hall!

The Blood Demon Heavenly Venerate Leng Qianhan of the Blood Demon Sect!

The Purgatory Heavenly Venerate Li Canying of the Purgatory Pavilion!

Ancestor Yin Sha was in the Late Stage of Heavenly Immortal!

Yun Zhanmo was in the Mid-stage Heavenly Immortal!

Leng Qianhan and Li Canying were Early Stage Heavenly Immortals!

“Greetings to Ancestor Yin Sha, Demon Transformation Ancestor, Blood Demon Heavenly Venerate, Purgatory Heavenly Venerate!”

The people of Ten Thousand Demon Valley Camp all bowed and bent over, extremely respectful.

The four from Yin Tiansha merely nodded slightly, their expressions utterly cold.

“Haha, four brothers, you’ve finally arrived!”

Ge Qianyu flew over and bowed to the four.

Ancestor Yin Sha said mockingly: “Brother Ge, you were injured by just one Qin Juechen, is this all the strength you have?”

Ge Qianyu’s eyebrows twitched, retorting in embarrassment: “Qin Juechen has the support of the Phoenix Bloodline power, that’s why I was at a disadvantage!”

Chapter 2402: Submit or Die!

Yin Tiansha smiled faintly and said, “No worries, now that we have five Heavenly Immortals here, Qin Juechen is bound to die no matter how strong he is!”

“Naturally!”

Ge Qianyu also sneered and nodded in agreement.

Just at that moment!

Boom!

Huge pieces of rocks and dust exploded, scattering in all directions!

Qin Juechen burst forth into the sky, standing tall above!

Despite being bloodstained, his fighting spirit was soaring high, with flames burning fiercely in his eyes!

Yin Tiansha and the five of them merely sneered coldly at Qin Juechen, full of disdain!

“Damn it!

Four more Heavenly Immortals have actually arrived from Myriad Demon Valley’s side!”

“It’s over!

How could the Phoenix Ancestor possibly contend against five Heavenly Immortals!”

“What exactly is going on?

Why haven’t the Qilin Ancestor and Supreme Ancestor arrived yet?”

“Could something have gone wrong?!”

The people from the Supreme Sect Camp clenched their fists, sweating anxiety.

At that moment.

Qin Juechen stood face to face with Yin Tiansha and the five of them, their hearts sinking.

He hadn't expected Yin Tiansha and the five of them to arrive so quickly.

What puzzled him was, why hadn't Brother Lin and Brother Mo arrived yet?

Could it really be that something had happened?

As Qin Juechen was pondering.

Yin Tiansha stood with his hands behind his back and said in a thundering voice: "Qin Juechen, you have a choice now!

Submit or die!"

"Qin Juechen, considering your formidable strength, it's why we want to recruit you.

Grasp this opportunity well!"

"You've hardly achieved the status of a Heavenly Immortal, but if you continue to resist, we will ensure you have no place for burial!"

Yun Zhanmo and others also sneered coldly.

"Hahaha..."

Qin Juechen laughed wildly into the sky, his eyes resolute as he said: “I, a descendant of the Ancient Divine Phoenix Family, would never submit to you evil demons!

If you’ve got the ability, then kill me!

Even if I die in battle today, I will drag you down with me!”

As he spoke, his figure moved, transforming into a streak of flame, charging at Yin Tiansha and the five of them!

“Delusional!”

Yin Tiansha shouted coldly, waving his hand: “Attack!”

“Yes!”

Ge Qianyu, Yun Zhanmo, Leng Qianhan, and Li Canying responded with a thunderous echo.

Then, Yin Tiansha and the five of them simultaneously erupted with momentum, unleashing their battle power, and launched a fivefold assault on Qin Juechen!

With the fivefold assault simultaneously unleashed, it was as if they were destroying Heaven and Earth, aiming to annihilate Qin Juechen!

“Heaven and Earth Dharma Idol!”

Qin Juechen’s momentum fully ignited, his battle power fully unleashed, his bloodline power exploded, and he let out a roar!

A colossal flaming giant over two thousand feet tall stood erect!

“Kill!”

He bellowed, twisting his fist and striking out fiercely!

The Dharma Idol towering above also twisted its fist, smashing down with force!

The two fiery giant fists overlapped, forming three thousand feet, rolling and crushing all in their path!

In the blink of an eye!

Boom!

This three-thousand-foot fiery giant fist collided fiercely with the five attacks, causing an explosive sound that shocked Heaven and Earth, disturbing all directions!

Immense light and energy exploded, sweeping through Cangqiong (the sky) and the earth!

Although Qin Juechen had unleashed his full battle power, even activating his Dharma Idol, he was still unable to withstand a joint strike from the five Heavenly Immortals!

“Ahhh...”

He let out a painful scream, spewing a mouthful of fresh blood, as both he and his Dharma Idol were sent flying backward!

While being sent flying!

Just heard a “boom”!

His Dharma Idol exploded right in the sky, turning into huge flames and energy, scattering in all directions!

“Phoenix Ancestor!”

“Ancestor!”

The people from the Supreme Sect Camp screamed in anguish, tears streaming down.

“Old Qin!”

“If you’ve got the guts, fight us!”

“How infuriating!”

Ning Hualong, Mu Fusheng, and Duan Kongcheng roared in anger.

They wanted to help, but were entangled by Yu Qiye, Du Lie Feng, and Zhao Kunxuan, unable to break free!

“Another strike, kill him!”

“Divine Beast Phoenix, soon to be a thing of the past!”

“The Phoenix family will surely be eradicated too!”

“What use are Divine Beasts when they are so easily defeated!”

“Hahahaha...”

Yin Tiansha and his four companions look up to the sky and laugh wildly, continuing to mobilize the energy within their bodies, unleashing a fierce attack on Qin Juechen!

It was a simultaneous five-fold assault, aiming to utterly exterminate Qin Juechen!

“Go help him, quick!”

“Hurry!”

Members of the Supreme Sect Camp roared out, soaring into the sky, launching frenzied ferocious attacks!

They tried to block the onslaught of Yin Tiansha and his group, but they couldn't withstand it at all!

“Arrghhhh...”

Amid the chilling screams!

Waves of people who rushed forward were directly annihilated by the five's attacks, exploding into a rain of blood and fragments of bones!

In just a few minutes, more than ten thousand had perished!

“Nobody gets close!”

Qin Juechen gritted his teeth and bellowed, then his arms spread wide!

“Phoenix Nirvana!”

Flames erupted from his body; a colossal Flame Phoenix over two thousand zhang in size enveloped him within!

The move “Phoenix Nirvana” relies on the burning of Phoenix Essence Blood, capable of forcibly enhancing battle strength!

“Come on, fight!!!”

His mouth and nose bled as he roared furiously, charging wildly toward Yin Tiansha and his group, ready to fight to the death!

“Phoenix Ancestor, no!!!”

“Ancestor!!!”

The people from the Supreme Sect Camp cried out with hoarse voices, tears breaking free.

“Good, good, good, this old fellow is finally about to die!”

“Once this old man is dead, the other side will lose a top-tier combatant!”

The Ten Thousand Demon Valley Camp was uncontrollably excited, overjoyed to the point of madness.

But, just at the critical moment of Qin Juechen’s life and death!

Boom boom boom!

The Heaven and Earth within a hundred li suddenly began to quake violently!

“Roar roar roar!”

Loud dragon roars resonated from the heavens!

“Awoooooo!”

There were also roars and howls of Fiend Celestials, evil demons, and demons reverberating!

“What’s that sound?!”

“Why is there the sound of a dragon’s roar?!”

“It sounds like there’s also the cry of ghosts and the howling of wolves!”

“What on earth is happening?!”

All present shouted in amazement, turning their heads to look.

In an instant!

You could see tens of thousands of golden giant dragons, tens of thousands of Fiend Celestials, demons, evil demons, and Poison Beasts charging over with an earth-shattering momentum!

It was as if a grand army formed of divine dragons, Fiend Celestials, demons, evil demons, and Poison Beasts had charged over!

They blotted out the skies and covered the earth, an overwhelmingly formidable sight!

In the blink of an eye!

Thud boom boom!

Bang boom boom!

Sounds of impacts and explosions that shook the Jiutian and disturbed the eight wastelands thundered through the air!

With just one collision!

The offensive that Yin Tiansha and his companions unleashed was completely destroyed!

The remaining divine dragons, Fiend Celestials, demons, evil demons, and Poison Beasts continued their advance, rushing toward Yin Tiansha and his group!

“Counterattack, now!”

“Retreat!”

“Hurry!”

Yin Tiansha and his four companions cried out in shock, retreating rapidly while launching a flurry of powerful strikes!

Bang boom boom!

Fearsome and towering explosions continued to sound off!

Although the grand army consisting of divine dragons, Fiend Celestials, evil demons, demons, and Poison Beasts was destroyed!

Still, Yin Tiansha and his group were blasted a kilometer away, wounds opening up and bleeding profusely on their bodies!

Just as everyone stood dumbfounded, shocked and amazed!

A voice as profound and vast as thunder rolled in!

“Elder Qin, have no fear, the junior Yang Luo has come to reinforce!”

Chapter 2403: When We Meet Again, Already a Heavenly Immortal!

Hearing this familiar voice!

People from the Supreme Sect Camp were first stunned, and then they erupted into excitement!

“This voice is so familiar, could it really be Mr.

Yang who has come?!”

“It must be true, Mr.

Yang really has rushed back!”

“The authoritative golden dragons from just now, they must’ve been summoned by Mr.

Yang!”

Everyone looked towards the distant sky, shouting with excitement.

Su Wanqiu, dumbfounded, said: "Is it really Little Luo who has come back?"

Heavenly Sirius laughed heartily: "Sister Wanqiu, who else could it be with such a domineering and powerful voice if not for Brother Yang?"

Qi Yutang suppressed the excitement in his heart and said: "My Mr.

Yang is back, it really is my Mr.

Yang who's come back!"

For a moment.

All those present turned their heads to look towards the distant sky.

Under everyone's watchful eyes.

They saw over a hundred ancient boats flying quickly from afar.

The ancient boats shone with immortal light, with flags flying freely, each one filled with people standing on them.

Yang Luo and Gu Tian, along with others, stood on the leading ancient boat.

"Brothers, we're back!"

"Sorry to have kept you waiting for so long!"

"Damn, we finally made it!"

Bujie, Ning Jianfeng, and Qin Zhanhuang among others all waved their hands towards this side, shouting out.

“It’s really Little Luo and the others who are back!”

“Oh my lord, Mr.

Yang actually brought back so many people!”

“Who exactly are those people?

Each and every one of them looks extraordinary!”

“Eh, why does it look like people from the Taotie, Hundun, Qiongqi, and Taowu families!”

“Weren’t they our enemies during the great battle at the Purple Cloud Sect before, why have they come too?”

Su Wanqiu and Qi Yutang, among others, all exclaimed in surprise, unable to hide the joy on their faces.

In a short while.

All the hundred-plus ancient boats had arrived above Bushi Mountain.

There were people standing on every boat, with a total exceeding three hundred thousand.

The sudden arrival of so many people indeed took everyone present by surprise.

Yang Luo scanned the people of the Supreme Sect Camp and announced loudly, "I apologize, everyone, Penglai Immortal Island is too far from here, we arrived a step late!"

"Mr.

Yang, your timing is perfect!"

"Mr.

Yang, the mere fact that you could rush to our support is already wonderful!"

"Thank you, Mr.

Yang, for coming to our aid!"

People from the Supreme Sect Camp choked up with emotion, tears streaming down, with excitement and gratitude.

"Little Luo!"

"Brother Yang!"

"Mr.

Yang!"

Su Wanqiu, Heavenly Sirius, and others soared into the sky, flying up to the leading ancient boat.

Everyone hugged each other tightly, their eyes red with tears of joy.

Having been separated for half a year, everyone missed each other dearly.

Now that they met again, the joy and excitement were natural.

Yang Luo's eyes reddened, he took a deep breath and said, "After this great battle is over, we'll have a proper chat!"

"Okay!"

Su Wanqiu and the others nodded vigorously.

Yang Luo looked up at Qin Juechen and asked with concern, "Elder Qin, how are your injuries?"

Qin Juechen raised his hand and said, "Rest assured, though I've been injured, it's nothing serious!"

"That's good."

Yang Luo nodded.

"Wait a minute!"

Qin Juechen suddenly fixed his gaze on Yang Luo and exclaimed in shock, "Kid...

you...

you've actually reached the Mid-stage Heavenly Immortal?!"

As soon as these words were said!

All the people present were shocked, turning their eyes unanimously towards Yang Luo!

“Mr.

Yang has reached the Mid-stage of Heavenly Immortal?!”

“Good heavens, it’s only been half a year, has Mr.

Yang really become a Heavenly Immortal?!”

“Keep in mind that just half a year ago, Mr.

Yang was in the late True Immortal realm!”

“Since the Phoenix Ancestor has said so, then it must be true!”

People from the Supreme Sect Camp all began to express their opinions, their eyes full of surprise and doubt.

Ning Hualong looked at Yang Luo, exclaiming in astonishment: “This young man is really something, he’s truly reached the Mid-stage of Heavenly Immortal!”

Mu Fusheng remarked with emotion: “This young man must be Yang Luo, who is hailed as the number one Heavenly Pride of our Kunlun Ruins, right?”

Indeed, the younger generation is to be feared!”

Duan Kongcheng admitted impressively: “In thousands of years, none in the two great Immortal Worlds has ever stepped into the realm of Heavenly Immortal at such a young age, let alone the Mid-stage of Heavenly Immortal!

This kid’s talent and comprehension are frighteningly high!”

Their gaze towards Yang Luo was filled with both appreciation and admiration.

“Holy shit!”

The Heavenly Sirius looked at Yang Luo as if he were seeing a monster, “Brother Yang, you’ve stepped into the realm of Heavenly Immortal?!”

“Hmm.”

Yang Luo nodded with a smile.

“Mom of God, you really are a freak among freaks, I’m utterly convinced, thoroughly convinced!”

The Heavenly Sirius gave Yang Luo a thumbs up.

Su Wanqiu and the others also stared blankly at Yang Luo, speechless.

They had never imagined that upon meeting again, Yang Luo would have stepped into the realm of Heavenly Immortal.

Endless shock surged into their hearts.

At this moment.

Yin Tiansha and Ge Qianyu and others also looked towards Yang Luo, slightly furrowing their brows.

They had naturally sensed it too.

Yang Luo had indeed reached the Mid-stage of Heavenly Immortal.

They had of course heard of Yang Luo's reputation, but they had never met him before.

"How is that possible?!"

Tuoba Ye's face twisted fiercely, "How could this kid possibly have stepped into the realm of Heavenly Immortal?!"

Tu Wanxian also gnashed his teeth and roared, "How could someone of this age step into the realm of Heavenly Immortal?!"

This can't be real, it's absolutely not real!"

The sect masters of the fifteen great Evil Demonic Sects all shook their heads vigorously, refusing to believe this reality.

Especially the elders who had once besieged Yang Luo at places like the Heaven Burying Immortal Tomb and Flying Immortal City, each of their faces turned pale, their bodies trembling like sieves.

"Back then, this little vermin could only be crushed by us..."

How has he stepped into the realm of Heavenly Immortal now?!"

"Since when has it become so easy to step into the realm of Heavenly Immortal?!"

These elders were gulping down their saliva, looking at Yang Luo as if they had seen a ghost.

At the start of the great battle, they had been constantly searching for Yang Luo's figure, only to find Yang Luo was not present.

And just now, upon learning that Yang Luo had arrived, they were excited, thinking they could slay Yang Luo.

But now, upon learning that Yang Luo had stepped into the realm of Heavenly Immortal, they all fell into complete despair.

"What a bunch of ignoramuses!"

At this time, Gu Tianshang stepped forward, raised his head proudly, and declared loudly: "This young man is both my master and my disciple!

Is it really so surprising for someone who can be both the master and disciple of Gu Tianshang to step into the realm of Heavenly Immortal?"

All of a sudden.

Everyone present turned their eyes towards Gu Tianshang.

"You...

you are 'Fiend Celestial Heavenly Venerate' Gu Tianshang?!"

"Damn it, how come this Demon has come here as well?!"

"Wasn't he always staying on Penglai Immortal Island, how could he have come to our Kunlun Ruins?!"

Yin Tiansha and Ge Qianyu and others stared fixedly at Gu Tianshang, their bodies involuntarily shuddering.

“You guys, take a good look at who I am!”

Zuo Canghai walked out with a sneering smile.

“Do you still recognize us?”

“Back then, weren’t some of you beaten by us so badly that you fled in disarray, or am I mistaken?”

Linghu Wuxie and Chu Junlin also walked out with beaming smiles.

Chapter 2404: One After Another!

Suddenly.

All those present turned their gaze towards Gu Tianshang.

“You’re! you are ‘Fiend Celestial Heavenly Venerate’ Gu Tianshang?!”

“Damn it, how did this demon show up here?!”

“Wasn’t he always staying on Penglai Immortal Island?

How did he come to our Kunlun Ruins?!”

Yin Tiansha and Ge Qianyu, among others, stared intensely at Gu Tianshang, their bodies trembling uncontrollably.

“You guys, take a good look at who I am!”

Zuo Canghai laughed hehe and stepped forward.

“Do you still recognize us?”

“Back then, it seems like a few of you were beaten by us until you dropped your armor and fled, if I’m not mistaken?”

Linghu Wuxie and Chu Junlin also came out with smiles on their faces.

“Evil God Heavenly Venerate! Bu Mie Demon Venerate! Ten Absolute Poison Venerable?!”

“What’s the situation now, these four old monsters have all run over here?!”

Yin Tiansha and Ge Qianyu, among others, trembled even more fiercely.

There was no helping it, the four like Gu Tianshang had once caused trouble in Kunlun Ruins and had even injured them.

Therefore, they had long since developed a psychological shadow of those four like Gu Tianshang.

“Everyone, long time no see, I hope you’ve been well!”

“You should still recognize us, right?”

“Shall we reintroduce ourselves?”

At this moment, Dongfang Wuji, Xing Wentian, and Xing Lichuan three people also came out.

“Dongfang Wuji, Xing Wentian, Xing Lichuan, it’s actually you!”

“How did they also come here?!”

“Could it be that all these old folks were invited by this kid?”

Yin Tiansha and the others fixed their gaze on the three people like Dongfang Wuji, their expressions becoming even more ferocious.

At this moment.

The Supreme Sect camp was in an uproar!

“My heavens, Mr.

Yang has actually invited seven Heavenly Immortal Ancestors to aid us, this is absolutely fantastic!”

“Great, this is really great, even if there are more Heavenly Immortals from the Ten Thousand Demon Valley Side, we’re not afraid anymore!”

“It seems we are not going to lose this battle!”

Everyone was overjoyed, feeling more confident in their hearts.

In contrast, the faces of those in the Ten Thousand Demon Valley Camp all tightened with worry.

Originally, the opposite side only had four Heavenly Immortals, while their side had eight Heavenly Immortals!

But now, there are unexpectedly another eight Heavenly Immortals on the opposite side!

And among them, several are even more powerful Heavenly Immortals!

Yang Luo swept his gaze around and asked Qin Juechen, "Elder Qin, where are Elder Lin and the others?"

He was quite puzzled; if Elder Lin and the others were here, Elder Qin would not have been besieged.

Qin Juechen frowned and said: "I'm also very curious, I don't know why Brother Lin and the others have not arrived yet..."

Before the words fell!

Suddenly!

Booming!

There was a series of thunderous explosion sounds from above in the distance!

All those present turned their heads to look towards the distant sky!

They saw that in the distant sky, a huge void cave had exploded open, as if tearing open a void chasm!

Clang, clang, clang!...

Boom, boom, boom!...

Earth-shaking collision noises and explosion sounds came from inside, deafening!

Even more so, various lights and energies were shooting out from this void cave!

Rumbling!

The commotion caused by the battle was too great, causing the entire area of Bushi Mountain for hundreds of miles to tremble violently!

“What’s going on?!”

Could it be that there are people fighting inside?!”

“It must be the Heavenly Immortal Ancestors fighting!”

“The commotion is so huge, it must be multiple Heavenly Immortal Ancestors fighting!”

Everyone spoke out in shock, their breaths hurried, their whole bodies trembling.

And just as everyone was stunned!

Accompanied by the “booming” sound of explosions!

Bursts of light and energy splashed out!

Only to see, figures covered in blood were sent flying backwards!

The ones sent flying were none other than—”

The Supreme Sect's Ancestor, "Supreme Ancestor" Mo Yunfan!

The Qilin family's Ancestor, "Qilin Ancestor" Lin Zheyu!

The Azure Dragon family's Second Elder, "Azure Dragon Heavenly Venerate" Ji Longxiao!

The White Tiger family's Second Elder, "White Tiger Heavenly Venerate" Baili Duxing!

The Vermillion Bird family's Second Elder, "Vermillion Bird Heavenly Venerate" Tantai Tanyue!

The Black Tortoise family's Second Elder, "Beihai Heavenly Venerate" Yi Qiongsheng!

Mo Yunfan, Ji Longxiao, and Yi Qiongsheng are in the Late Stage of Heavenly Immortal, while Lin Zheyu, Baili Duxing, and Tantai Tanyue are at the Mid-stage Heavenly Immortal!

"It's Supreme Ancestor and Qilin Ancestor and the others!"

"What's happening?!"

Could it be that Qilin Ancestor and the others are fighting someone in the void?!"

The members of the Supreme Sect Camp were shocked and somewhat unclear about the current situation.

Even the people from the Myriad Demon Valley were a bit stunned.

"Ancestor Lin, what's going on?"

Yang Luo hurriedly asked Lin Zheyu.

“Little Luo, you’re back!”

Lin Zheyu looked at Yang Luo, smiling with relief and said, “Very good, very good, you’re truly impressive, lad.

To think you’ve stepped into the Mid-stage Heavenly Immortal in just six months!”

Mo Yunfan also stroked his beard and said, “This youngster is indeed excellent; his talent and comprehension are much higher than ours!

No wonder he’s called the number one Heavenly Pride!”

Admiration filled the eyes of Yi Qiongsheng and the others.

Lin Zheyu turned towards the nearby Void Cave and, exhaling a breath of turbid air, said, “Not long ago, Brother Mo and the rest of us had intended to come over to help!

But unexpectedly, we encountered those old fellows from the Blood Flame Sect and Soul Devourer Sect on the way, so we ended up fighting them!”

“I see!”

Yang Luo and Qin Juechen and the others nodded in realization.

So it turned out Ancestor Lin and the others had already clashed with the other side’s Heavenly Immortals, which is why they were unable to arrive in time.

At this moment.

Several more figures flew out of the Void Cave and arrived in this airspace.

The newcomers were

The Blood Flame Sect's "Blood Flame Ancestor" Lu Qianqiu!

The Soul Devourer Sect's "Soul Devouring Ancestor" Lingtian Cliff!

The Luosha Gate's "Luosha Ancestor" Gongsun He!

The Myriad Demon Valley's Second Elder, "Netherworld Demon Heavenly Venerate" Tuoba Feng!

The Diablo Sect's Second Elder, "Qian Xie Heavenly Venerate" Ye Qianshang!

The Sky Demon Cult's Second Elder, "Flame Demon Heavenly Venerate" Tu Cangqiong!

Lu Qianqiu and Lingtian Cliff each have a cultivation at the Heavenly Immortal Perfected Stage.

Gongsun He and Tuoba Feng are at the Late Stage of Heavenly Immortal.

Ye Qianshang and Tu Cangqiong are at the Mid-stage Heavenly Immortal.

Although they also had some injuries, their condition was much lighter than that of Lin Zheyu and the others.

At this moment!

As one Heavenly Immortal after another made their appearance!

The entire scene's atmosphere became oppressive!

The wind stopped blowing, the air ceased flowing; it was as if everything hit the pause button!

Yang Luo asked in a deep voice, "Ancestor Lin, how many Heavenly Immortals are there altogether in these fifteen major Evil Demonic Sects?"

Lin Zheyu replied, "Eighteen!"

"Eighteen?!"

Yang Luo was immediately shocked.

Bujie and the others were also stunned.

"That's right, eighteen!"

Lin Zheyu nodded and said, "Among them, the Myriad Demon Valley, Diablo Sect, and Sky Demon Cult each have two Heavenly Immortals!

The remaining twelve sects each have one Heavenly Immortal!"

"These three sects actually each have two Heavenly Immortals as powerhouses?!"

Yang Luo was immensely shocked.

Lin Zheyu "hmm-ed" and said, "These three sects have profound foundations, and they are not any less powerful than the four major divine beast clans!"

Qin Juechen narrowed his eyes and said, "Now, of these fifteen major Evil Demonic Sects, only the four Heavenly Immortal Perfected Stage powers from Myriad Demon Valley, Diablo Sect, Sky Demon Cult, and Nine Nether Sect have not yet shown up!"

Chapter 2405: Battle That Shocks the World!

Yi Qiongsheng coldly said, "Our side also has four Heavenly Immortal Perfected Stage Ancestors who haven't arrived yet!"

Yang Luo looked towards the Ten Thousand Demon Valley Camp with an impassive face.

Fortunately, he had brought Senior Gu and the others to support them.

Otherwise, the Supreme Sect Camp would be in danger!

At this moment.

The millions present felt their hearts lifted to their throats.

They never expected that this battle would almost startle all the Heavenly Immortals!

It could be said that nearly all the top combat powers of the Kunlun Ruins were about to converge!

The battle was intensifying by the minute!

At this time.

Blood Flame Ancestor, Lu Qianqiu, looked towards Gu Tianshang and others with a frosty gaze and furrowed brows, "What are you people from Penglai Immortal Island doing in our Kunlun Ruins?"

What, do you want to meddle in this great battle too?"

Soul Devouring Ancestor, Lingtian Cliff, coldly said, "This is an internal conflict of ours in the Kunlun Ruins, it has nothing to do with you from Penglai Immortal Island!

Coming to our Kunlun Ruins, you are overstepping your bounds!"

Gu Tianshang took a step forward and said with a booming voice, "What if we are overstepping?

What can you do to us?"

"What do you mean?"

Lu Qianqiu harshly said, "Are you trying to provoke a war between two worlds?"

Dongfang Wuji raised his voice, "Lu Qianqiu, stop causing unnecessary panic here!

This time, we only represent ourselves, not Penglai Immortal Island!"

"That's right!"

Xing Wentian also stood out and said, "Our visit this time is solely to assist Little Luo, nothing more!"

"Good, very good, extremely good!"

Lu Qianqiu, with a ferocious expression, laughed in fury, "Since you insist on intervening in this great battle, then you might as well be on your way with these fellows!"

The voice had not faded!

Boom!

A surge of blood-colored flames erupted from his body, tearing through a vast expanse of the Cloud Sea, and even piercing a gigantic hole in the sky!

Blood-colored flames burned on his body, and his long silver-white hair turned blood-red, chilling to the bone!

The grass and trees below instantly turned to ashes!

“Come and fight, and let us witness just how strong the Penglai Immortal Island’s Heavenly Immortals are today!”

Lingtian Cliff’s body also shuddered, his aura exploding with explosive combat power!

Boom!

A beam of black-gray light surged upwards from his body, breaking through everything above!

In the skies!

Dark clouds rolled, fierce winds howled, and countless evil souls weaved within them, emitting bloodcurdling roars!

Just as Lu Qianqiu and Lingtian Cliff’s auras exploded with combat power!

Clang, clang, clang!...

Tuoba Feng, Gongsun He, Ye Qianshang, and Tu Cangqiong, along with twelve other great Heavenly Immortals, all took a step forward, also erupting with mighty auras and combat power!

Boom, boom, boom!

Beams of light burst forth from the bodies of Tuoba Feng and the others, puncturing gaping holes in the vast heavens!

The spreading pressure and aura were cold, dark, evil, terrifying, and frightening, causing everyone present to shudder!

Yang Luo shouted, "Elders, fight!"

With that, he took a step forward!

Clang!

Heaven and Earth trembled, mountains and rivers swayed, and all directions shook!

Boom!

A blinding, dazzling golden beam of light surged from his body, breaking through the nine-layered heaven!

Waves of magnificent and boundless pressure and aura spread out, sweeping through all corners of Heaven and Earth!

The millions of people present then confirmed that Yang Luo had truly stepped into the realm of Heavenly Immortal, and the emanating pressure and aura were not weaker than those of the seasoned Heavenly Immortals!

Just as Yang Luo's aura exploded with combat power!

Clang, clang, clang!...

Gu Tianshang and seventeen other great Heavenly Immortals also took a step forward, auras exploding, combat power erupting!

Boom, boom, boom!

Seventeen beams of light surged from the bodies of Gu Tianshang and the others, breaking through Yun Xiao, and piercing through the endless Void!

The skies and earth for thousands of miles around were illuminated by various colors of light, dazzling and brilliant!

Rumble, rumble, rumble!

The heavens trembled and the earth shook, mountains swayed, forests collapsed, rivers surged!

The oppressive might and aura spread by all the Heavenly Immortals from both sides collided in the heaven and earth!

Boom, boom, boom!...

Each collision was earth-shattering, like the rolling thunder of an explosion!

The void in all directions shattered, the ground tore apart, and mountains began to collapse in succession!

Above the sky, the unhealed void cracks grew larger and larger, stretching hundreds of miles!

“Everyone retreat!”

“Do not approach!”

“Quick, fall back!”

People from both camps were retreating en masse, not daring to get close to this area.

The hundreds of thousands of elders watching the battle from a distance had long been dumbfounded.

“My heavens, Yang Luo, the foremost Heavenly Pride of the Kunlun Ruins, has actually stepped into the Heavenly Immortal realm, this is too defying the natural order!”

“What’s more important is that Yang Luo actually brought seven Heavenly Immortals to aid him, his connections are too strong!”

“Now it’s eighteen Heavenly Immortals battling against fourteen, it’s hard to tell which side is stronger!”

“Isn’t that obvious?”

Eighteen versus twelve, naturally the Supreme Sect Camp is stronger!”

“However, the fourteen Heavenly Immortals from the Myriad Demon Valley Camp are no slouches either!”

And with the Qilin Ancestor and Phoenix Ancestor both injured, this battle is likely to be hard-fought and hard to settle!”

“Let’s just wait and see, anything can happen until the very end!”

The crowd burst into discussion, their breathing was rapid, their hearts pounding, their bodies trembling.

At this moment.

At the borders of the Bushi Mountain.

“Gu Tianshang, aren’t you the one who claims to be the ‘Fiend Celestial Heavenly Venerate’?”

I, Lu Qianqiu, have come to challenge you!”

Lu Qianqiu burst out shouting, took a step forward, and directly charged at Gu Tianshang!

On the way up!

Lu Qianqiu twisted his fist and struck out fiercely!

“Blood Flame Chaotic Sky Fist!”

There was a thunderous explosion of “boom”!

The layers of the void ahead were directly pierced by a punch!

A colossal fist of blood-colored flames thousands of feet tall burst through the void, like a blood-colored volcano, slamming into Gu Tianshang!

“Hmph!”

Gu Tianshang snorted coldly, without uttering a word, took a step out!

Heaven and earth moved, rivers and mountains swayed!

As he took that step, he twisted his own punch, striking back!

“Six Paths God Demon Fist!”

With one punch, the vast expanse of the void shattered like glass!

A gigantic black and red fist roared out, ferocious and overbearing!

Tumultuous demonic qi soared to the sky, supreme Divine Might overshadowing the world!

In an instant!

Bang!

The two mammoth fists collided fiercely in the sky, like mighty mountains smashing against each other!

In the collision!

The void broke apart, heaven and earth split open!

All sorts of light and energy intertwined together, like landslides and tsunamis spreading in all directions!

Both parties were Heavenly Immortal Perfected Stage powerhouses and their strengths were nearly indistinguishable!

Therefore, in this clash of fists!

Neither side retreated half a step, instead taking on the energy unleashed by the other!

Lu Qianqiu, without any hesitation, shook his body!

“Blood Flame Destruction!”

The blood-colored flames within his body erupted like a volcanic eruption, spewing out, transforming into an overshadowing Blood-colored Sea of Fire that surged toward Gu Tianshang!

Gu Tianshang neither dodged nor retreated, roaring out!

“Six Paths Fiend Celestial Map!”

An ancient black and red map slowly rose from behind him, expanding thousands of feet, evolving into the Six Paths Phenomenon, and pressing down!

Kaboom!

The ancient map and the Blood-colored Sea of Fire collided, shaking the heavens and earth, stirring the wilderness, obliterating all in its path!

Chapter 2406: A Single Punch Inflicts Injury!

Less than a few minutes!

Boom Boom Boom!

The Ancient Map and the Blood-colored Sea of Fire exploded and collapsed at the same time!

The energy generated from the explosion was terrifying to the extreme, like surging waves and bursting floodwaters sweeping in all directions!

“Again!”

Gu Tianshang roared, clenched his fists, and threw punch after punch, furiously hammering at Lu Qianqiu!

Lu Qianqiu refused to back down either, clenching his fists and meeting each punch head-on!

Boom Boom Boom!...

Blood-colored flame giant fists and black-red giant fists collided fiercely in the sky!

It was like a sky filled with meteorites colliding, producing thunderous roars!

Huge bursts of light and energy erupted from the point of collision, washing over everything in all directions!

After hundreds of punches!

Lu Qianqiu stepped down from above with a kick!

“Ten Thousand Refinements!”

Boom Boom Boom!

Holes exploded one after another in the Cangqiong above!

Huge columns of blood-colored flames struck down!

Giant craters also exploded on the ground, with columns of fire shooting up towards the sky!

The Void around also exploded with holes, as columns of fire struck out!

At this moment!

Columns of fire burst forth all around Heaven and Earth, attacking Gu Tianshang!

Gu Tianshang's whole body shook!

"Fiend Celestial Thousand Hands!"

Tens of thousands of giant arms condensed behind him!

Gu Tianshang clenched his fists and struck out, aiming at the incoming columns of fire!

The thousands of giant arms behind him swung in unison, releasing massive fists!

Boom, Boom, Boom!...

Bang, Bang, Bang!...

The continuous sounds of fierce collisions echoed non-stop!

Columns of fire were blown apart in the sky, igniting large swaths of blood-colored flames!

The giant arms condensed behind Gu Tianshang also burst, releasing a vast amount of energy and light!

Yet, Gu Tianshang still stood proudly in the sky, outrageously domineering!

Even with Lu Qianqiu's fierce onslaught, Gu Tianshang remained unshaken!

"No wonder he is a famed Fiend Celestial Heavenly Venerate, renowned in both great Immortal Worlds, truly formidable!"

"Absolutely, the illustrious reputation of the Fiend Celestial Heavenly Venerate is fought for and slain for!"

"It's just not known whether the Fiend Celestial Heavenly Venerate or the Blood Flame Ancestor is the more superior one!"

Exclamations rose and fell.

After all, many people had only heard of Gu Tianshang's reputation, and today was the first time they witnessed Gu Tianshang make a move.

At that moment!

Blood-colored flames surged around Lu Qianqiu's body as he charged up into the high sky!

"Blood Flame Saber!"

Cling!

Accompanied by a trembling sound!

A blood-colored saber enveloped in flames flew out, grasped in his hand!

"Gu Tianshang, your life is mine!"

He gripped the saber tightly in his right hand and delivered a powerful slash towards Gu Tianshang below!

Whoosh!

The huge blood-colored flame saber, thousands of zhang in size, cleaved through the Cangqiong, split the Void, and descended heavily upon Gu Tianshang!

Gu Tianshang reacted quickly, clenching his right fist and striking towards the sky!

Clang clang clang!

The black-red giant fist collided fiercely with the blood-colored flame giant blade, creating a crisp sound from the impact!

Fire Light scattered in all directions, demonic qi surged, energy roiled, and the Void exploded!

Gu Tianshang withstood this slash with sheer strength!

He laughed wildly and said, "Lu Qianqiu, you think you can kill me with that saber strike?"

Are you dreaming?"

"Shut up!"

Lu Qianqiu shouted coldly, swinging the saber in his hand forcefully!

“Blood Flame Mad Saber!”

Countless blood-colored sabers condensed around him and shot towards Gu Tianshang all at once!

Gu Tianshang stood his ground, not budging an inch, and waved his left hand!

“Fiend Celestial Nine Seals!”

In an instant!

Nine Directions Seal condensed, akin to nine great mountains, and clashed in every direction!

Boom boom boom!

The blood-colored flames and the giant saber that were erupting towards him were all shattered upon impact!

One after another, the huge seals were also destroyed, exploding in the sky above!

After blocking Lu Qianqiu's onslaught!

Gu Tianshang's heart moved, and he thundered out a command!

"Fiend Celestial Halberd!"

Hum!

Accompanied by the trembling sound!

A huge halberd flew straight out from his sleeve and was grasped in his hand!

Immediately after, he swung the huge halberd in his hand, heavily slashing towards Lu Qianqiu above!

Lu Qianqiu also wielded his saber, forcefully chopping downward!

The colossal halberd and saber, thousands of feet in size, Tearing Heavens, Splitting Earth, broke through the Void and caused chaos in Qiankun, fiercely clashing in the sky!

Clang clang clang!

The sound of collision reverberated through Heaven and Earth, spreading in all directions!

Flames billowed, brilliance shone, energy rampaged, the terror boundless!

Under the impact of this great collision!

Gu Tianshang was sent tumbling down dozens of feet!

Lu Qianqiu, however, was shaken upward!

“Kill!”

Gu Tianshang quickly stabilized himself, wielding the Fiend Celestial Halberd, charging to slaughter above!

Soon, the two men began an earth-shattering battle in the Dark Void above!

“Fellow fighters, follow me, let’s finish them off!”

Lingtian Cliff withdrew his gaze and issued a thunderous roar, charging towards Yang Luo and the others!

“Annihilate them!”

“Kill!”

Gongsun He, Tuoba Feng, and others also simultaneously sprung into action, violently rushing to the attack!

“Elders, to battle!”

Yang Luo let out a wild roar, leading the charge!

Linghu Wuxie and the others also simultaneously sprang into motion, joining the fray!

All the Heavenly Immortals on both sides engaged in an epic battle for the ages!

“You little beast, you’re the one acclaimed as the number one Heavenly Pride of Kunlun Ruins, Yang Luo, right?”

In my whole life, the thing I've enjoyed most is killing Heavenly Prides!

Come meet your end!"

"Heavenly Corpse Ancestor" Ge Qianyu sneered, charging directly at Yang Luo!

He could feel that Yang Luo had likely only just stepped into the Mid-stage Heavenly Immortal realm recently!

As he had been in this realm for more than a year, he naturally did not fear Yang Luo!

"Yang Luo be careful!"

"Little Luo, be worried!"

"Brother Yang, don't be careless!"

Su Qingmei, Su Wanqiu, and Heavenly Sirius all cried out in alarm.

After all, they had not seen Yang Luo for half a year and had no idea how strong Yang Luo's current strength was.

However, seeing Ge Qianyu charging towards them!

Yang Luo neither dodged nor retreated, a mocking smile traced across his lips!

"You little beast, what are you laughing at!

Watch as I cripple you with one punch!"

Ge Qianyu felt humiliated, twisted a fist, and bombarded upwards!

"Ten Thousand Corpses Divine Fist!"

"Roar" a blast echoed!

A vast expanse of the Void suddenly shattered!

A huge gray-white fist, over two thousand feet large and carrying surging corpse energy, smashed towards Yang Luo!

This fist was oppressively dominant, horrifically fearsome, as if it would explode everything and corrode all!

The millions present couldn't help but tense up with anxiety!

The people from the Supreme Sect Camp were on tenterhooks, worried for Yang Luo's safety!

Those from the Ten Thousand Demon Valley Camp suppressed their excitement, hoping Ge Qianyu's punch would severely wound Yang Luo!

Under the watchful eyes of all!

Yang Luo slowly raised his right arm, twisted a fist, and then countered!

This punch, seemingly slow as molasses, was however ancient and vast, magnificently grand, and the power it exploded with was overwhelmingly tyrannical!

A huge three thousand feet large golden fist exploded through the vast Void, collapsing a large portion of the Cangqiong, shaking onlookers to the core!

Instantaneously!

Boom boom boom!

This punch directly shattered Ge Qianyu's incoming fist, as well as the overwhelming corpse energy!

"Aah..."

Ge Qianyu let out a scream of pain, was sent flying out like a cannonball, spilling a great deal of fresh blood along his path!

One punch and injured!

Chapter 2407: The Majesty of the Divine Emperor!

He was sent flying for hundreds of meters before he barely stabilized his body!

Although Ge Qianyu managed to regain control, he could feel his internal energy and blood boiling, with a trace of fresh blood spilling from the corner of his mouth!

All of a sudden!

The millions of people present fell into a bizarre silence!

Everyone dumbfoundedly watched this scene, with their eyes wide and their mouths agape, as if turned to stone!

After a brief silence.

All the people present exploded into an uproar!

“Is Mr.

Yang really that strong, to have sent Ge Qianyu flying with just one punch?!”

“Not only was he sent flying, but Ge Qianyu was also injured by that punch!”

“Ge Qianyu is an old Mid-stage Heavenly Immortal, how can the gap be so huge?!”

The people from the Supreme Sect Camp are so excited that their faces are flushed and their bodies shaking.

Su Qingmei said in a daze: "Is this Yang Luo's strength now?"

Xiao Ziyun said blankly: "Has Little Luo become so powerful now?"

Su Wanqiu, Lin Qianyi, and the Goddess of Fate and others were also shocked, so much that they couldn't even speak.

Bujie laughed cheerfully, saying, "What is Mid-stage Heavenly Immortal to us!

When Brother Yang was at the Early Stage Heavenly Immortal!

Facing three Early Stage Heavenly Immortals and tens of thousands besieging him, he resolutely killed two Early Stage Heavenly Immortals and severely injured one!

Later, amidst the encirclement of two Mid-stage Heavenly Immortals and one Early Stage Heavenly Immortal!

Brother Yang forcefully slew one Early Stage Heavenly Immortal and made the other two Mid-stage Heavenly Immortals flee in terror!"

Upon this statement!

The entire crowd was greatly shocked!

Qi Yutang laughed heartily, “My Mr.

Yang is truly extraordinary, what of an old Heavenly Immortal, they are still no match for my Mr.

Yang!”

“Brother Yang, well done, beat to death that inhuman old ghost!”

“Brother Yang, show these dogs the might of the Invincible Divine Emperor!”

“Invincible Divine Emperor, Divine Emperor undefeated!”

Heavenly Sirius, Sea Burial King, Purgatory Death God, and Dark Baron and others all raised their arms and shouted loudly.

“The Invincible Divine Emperor?”

Is this Mr.

Yang’s nickname?”

“Yes, Mr.

Yang truly deserves to be called invincible, this nickname really suits him!”

“Invincible Divine Emperor!

Divine Emperor undefeated!”

The over one million people from the Supreme Sect Camp also started to raise their arms and shout.

Their voices were like a wave that overturns the sea, resounding through heaven and earth, spreading in all directions.

“Damn it!

This little beast has become even stronger now!”

“Once reaching the Heavenly Immortal realm, can he still be invincible in the same realm?”

“Curse it!

This little beast is truly an anomaly, we cannot measure him with common standards!”

The people from the Ten Thousand Demon Valley Camp gritted their teeth and roared furiously.

Those observing from a great distance were also dumbstruck, wondering if their eyes were deceiving them.

“Invincible in the same realm...”

Mr.

Yang remains invincible within his realm!”

“It seems that Ge Qianyu, this old ghost, is really no match for Mr.

Yang!”

Everyone trembled, their blood boiling with excitement.

At this moment.

Above Bushi Mountain.

“You little beast, that was just a probing attack, the real battle has just begun!”

Ge Qianyu roared out, his face ghastly as if a fierce ghost.

In the presence of so many spectators, to be wounded by a mere youth was utterly humiliating!

“Watch as I take your life!”

With a fierce roar, Ge Qianyu shot up towards the sky, rushing toward Yang Luo to deliver a deadly strike!

As he charged forward!

His momentum surged, his combat power soared, and the energy within his body also wildly stirred!

Yang Luo still stood quietly in the air, his face calm, without any fluctuations!

In the instant of closing in!

Ge Qianyu raised his right arm, and a claw struck forth!

“Heavenly Corpse Ghost Claw!”

Swish!

A massive gray-white claw over two thousand feet in size, tearing through the firmament, shattering the void, lunged towards Yang Luo!

The corpse energy was overwhelming, as cold and evil as a Ghost King from purgatory unleashing a claw!

Just as Ge Qianyu's claw reached out!

Yang Luo raised his right arm, revealing resplendent golden dragon scales, launching a claw strike upward!

"Chaos Sky Splitting Claw!"

Whoosh!

A colossal golden dragon claw, more than three thousand zhang in size, tore through the heavens and the earth with a devastating blow!

Boom!

The dragon claw and the ghost claw collided fiercely, unleashing a deafening explosion!

But, the confrontation lasted less than three minutes!

Rumble!

The ghost claw swung by Ge Qianyu directly exploded into pieces!

“Argh!”

Once again, he let out a scream, thrown backward in flight!

One could see that his right hand and entire right arm were a bloody, fleshly blur, even the stark white bones visible!

Large amounts of fresh blood splattered through the air, sending chills down one’s spine!

Ge Qianyu was hurled back a full kilometer, toppling over three ancient boats each more than a hundred meters long with successive “bangs”!

Yang Luo, however, stepped towards Ge Qianyu with cold indifference in his voice.

“Didn’t you say you wanted to severely injure me?”

“Didn’t you say you wanted to kill me?”

“Weren’t you the one who wanted to take my life?”

“What now?”

“Come on and kill me, I dare you!”

With each step Yang Luo took, his booming voice resonated like a great bell through the eight directions, making everyone’s eardrums buzz!

Every step he took caused vast swathes of the void to shatter underfoot!

The mountains below collapsed thunderously with his every step!

“How infuriating!!!”

Ge Qianyu steadied his body, emitting a wail like that of a vengeful spirit!

In terms of fist skills, he was no match for Yang Luo!

In claw technique, he was still no match!

How could there be such a large gap despite their cultivation being equal?!

This youngster had only stepped into the mid-stage Heavenly Immortal realm, how could he possibly suppress him?

He continued to surge in momentum and combat strength, then swept out his hand!

“Ten Thousand Corpses Coming!”

Within the mountains and forests, tens of thousands of corpses rose to the sky, carrying rolling corpse energy from all directions, swooping toward Yang Luo!

Yang Luo’s eyes turned cold, and then his body shook with a jolt!

A majestic and vast aura spread out, blasting all the attacking corpses away!

After repelling these corpses!

Yang Luo soared into the sky, like a Nine Heavens Divine Dragon leaping into the high skies, delivering an indignant punch from above, crashing down towards Ge Qianyu!

Ge Qianyu's expression changed, and he quickly twisted his fist, meeting the attack!

Thud!

Their fists collided once more, with a heaven and earth shattering noise erupting in the air!

"Ahh..."

Ge Qianyu let out another agonizing scream, plummeting from the sky, blood spewing from his mouth!

With a "boom", he crushed a large mountain and tumbled into the ruins!

"Quick, help him!"

"Gang up on this kid!"

The True Immortal elders, who had once fought with Yang Luo, bellowed, leading tens of thousands of people to besiege Yang Luo!

Dozens of True Immortals, hundreds of Earth Immortals, and tens of thousands of disciples launched a fierce assault!

Tens of thousands of attacks converged, blotting out the sky and sun, as if to utterly destroy Yang Luo!

“Seeking death!”

Yang Luo stomped down from mid-air, emitting a thunderous roar!

“Nine Heavens, Dragon’s Fury!”

“Roar roar roar!”

Nine enormous golden dragons, each over three thousand zhang in size, erupted from around Yang Luo, roaring as they collided with everything around!

These nine golden dragons were so solid they seemed lifelike, as if real dragons had descended to annihilate all in their path!

Boom!

Under the impact of the nine golden dragons, the tens of thousands of attacks were consecutively destroyed, exploding in the sky!

Pop pop pop!

Many among them burst into clouds of blood mist, dying tragically in mid-air!

Chapter 2408: One Sword Breaks Ten Thousand Skills!

Just a single move!

And already ten thousand people had perished!

The deceased didn't even have the chance to scream in agony!

Below the Heavenly Immortals, all are as insignificant as ants; these words were not without reason!

The lucky few who didn't die were all gravely injured, their flesh torn and flung about as they were blasted backwards!

"Continue, kill!"

"Don't give him a chance to catch his breath!"

"Attack together, kill him!"

The remaining tens of thousands of elders continued their onslaught towards Yang Luo!

Moreover, tens of thousands of others rushed over, all joining in the siege against Yang Luo!

A massive dark crowd, practically blotting out the sky!

Tens of thousands unleashed all their might, relentlessly launching a brutal assault on Yang Luo!

Yang Luo stood tall in the air, his pride unwavering even against tens of thousands; he was still unafraid!

Unless they were Heavenly Immortals with higher cultivation than him, none could pose any threat to him!

He trembled, calling forth the powers of lightning bolt, fire, ice, raging winds, and all other attributes within him!

“All of you motherfuckers die!”

He stomped down heavily, letting out a ferocious roar!

Gold, wood, water, fire, earth, wind, lightning, ice, darkness – the power of these nine attributes transformed into a vast ocean of energy, surging in every direction!

Flames burned, Giant Waves surged, Destructive Storms ravaged, lightning bolts flashed, ice churned!

“Arghhhh...”

Wave after wave of attackers were entirely eradicated, their screams echoing endlessly!

At that moment!

“Roar!!!”

An enraged roar resonated from below!

Boom, boom, boom!

The heaped mountains of rubble exploded with a bang, turning into a cloud of dust!

Several ancient boats were blasted into fragments!

Great expanses of the Void and Cloud Sea were shattered by the roar!

The next second!

Boom!

Bloodied Ge Qianyu soared into the sky, taking his stand above!

His hair and beard were disheveled, his clothes torn, as he let out a guttural roar!

“Devouring corpses and absorbing qi!”

Rustle!

A swelling and boundless corpse energy surged from all around, frantically absorbed by him!

This corpse energy came from those elders who had already died in battle!

As he absorbed the corpse energy, Ge Qianyu’s wounds healed at a visibly rapid pace!

Even his aura, pressure, and combat strength were skyrocketing!

“Old ghost, it’s your life for the taking!”

Yang Luo burst forth with a strangled roar, cutting through tens of thousands and charging towards Ge Qianyu!

Ge Qianyu continued to absorb the corpse energy, and then let out a thunderous shout!

“Heavenly Corpse Sword!”

Whoosh!

A long white Skeleton Giant sword flew out from his sleeve, resonating through Heaven and Earth!

This white long sword emanated a chilling gray-white glow, carrying with it the decay of corpse energy, ripping through Changkong, and shot towards Yang Luo!

Yang Luo also moved with a thought, waving his right hand!

“Dragon Emperor Sword!”

Whoosh!

A golden sword decorated with dragon patterns shot out, streaking across the sky like a meteor, colliding with the Heavenly Corpse Sword!

In the blink of an eye!

Clang!

The Dragon Emperor Sword clashed heavily against the Heavenly Corpse Sword, emitting a sharp shattering sound!

Even though the Heavenly Corpse Sword was an Immortal Armament!

But, the Dragon Emperor Sword was a being that surpassed Immortal Items, so with just a single collision, it sent the Heavenly Corpse Sword flying!

“Such a powerful weapon!”

“Could it also be an Immortal Item?!”

“No, it’s definitely something beyond Immortal Items!”

Many among the crowd exclaimed in shock.

Ge Qianyu’s eyebrows twitched, and he swung his great hand!

“Heavenly Corpse Nine Killings Sword!”

In an instant!

The Heavenly Corpse Sword transformed into nine blades, inflated in the storm to over two thousand zhang long, and shot towards Yang Luo!

Yang Luo, on the other hand, dashed upwards, gripping the Dragon Emperor Sword tightly, and ferociously slashed out!

Woosh!

A huge golden sword, three thousand zhang in length, tore through Heaven and Earth, shattering layers of the Void!

The magnificent sword might was unrivaled, and the Indestructible Sword Intent was destroying Heaven and Earth!

Boom boom boom!

All eight huge swords manifested by the Heavenly Corpse Sword were shattered by a single stroke and exploded in the sky!

The Heavenly Corpse Sword itself was also sent flying away!

After destroying Ge Qianyu's move with this strike, Yang Luo's sword continued to slash towards Ge Qianyu himself!

Seeing his move broken!

Ge Qianyu's face turned grim as he continued to absorb the corpse energy and waved his hand again!

"Corpse Energy like a Dragon!"

In an instant!

The surging corpse energy directly transformed into a giant dragon, close to three thousand zhang long, and charged towards Yang Luo!

Clearly, after absorbing the corpse energy from tens of thousands of people, Ge Qianyu's combat power had indeed grown!

Even if it was not on par with a late-stage Heavenly Immortal, it was still much stronger than the average mid-stage Heavenly Immortal!

But, just as the corpse energy giant dragon roared towards him!

Yang Luo's sword had already slashed down heavily!

Thunderous boom!

The giant dragon was split in two and exploded in the sky!

Whether it was the "Heavenly Corpse Nine Killings Sword" or "Corpse Energy like a Dragon" that Ge Qianyu used!

Both were broken by Yang Luo with a single sword!

Truly, one sword shatters Ten Thousand Skills!

The entire crowd was once again stunned and could not even describe Yang Luo's power with words!

Ge Qianyu, unarmed, couldn't defeat Yang Luo!

Summoning an Immortal Armament, he still couldn't defeat Yang Luo!

Yang Luo was terrifyingly strong, unreasonably so!

Ge Qianyu certainly did not expect that two major moves he had consecutively executed failed to trouble Yang Luo!

Before he had a chance to retreat, Yang Luo's sword had already cleaved his way!

Hiss!

A great spray of fresh blood burst forth, surging in all directions!

"Arggh ..."

He let out a miserable wail, as his entire person was sent flying!

His chest was cleaved open, revealing a deep, wide wound, skin and flesh turned inside out, exposing harsh white bones!

Yang Luo, however, did not pause for a moment, sword in hand, and continued the pursuit of Ge Qianyu!

“You little beast, I must kill you!!!”

Ge Qianyu was nearly driven mad by rage.

His hair and beard flew wildly, he looked frenzied as he stopped absorbing corpse energy, and wielding the Heavenly Corpse Sword, he furiously charged towards Yang Luo!

In the midst of his assault!

He directly unleashed his Dharma Idol!

A giant Idol, towering two thousand zhang with a Skeleton Giant sword in hand, rose up!

“Heavenly Corpse Destruction Sword!”

He let out a roar, both hands gripping the Heavenly Corpse Sword tightly, viciously slashing towards Yang Luo!

The Idol above him also grasped the huge sword with both hands, striking down!

Woosh!

The crossed swords, huge at three thousand zhang, pressed down on Yang Luo like a mountain range!

Yang Luo's black hair fluttered, his black robe billowing, he declared with a resonant voice, "What does it matter if you've summoned your Dharma Idol?"

I shall cut it down too!"

Having said that, Yang Luo also gripped the Dragon Emperor Sword with both hands, and once again delivered a heavy blow!

Woosh!

The huge three-thousand-zhang golden sword, carrying vast sword might and boundless sword intent, sliced open the sky and void, creating a Sky Split thousands of zhang long!

In a flash of lightning!

Clang boom boom!

The swords collided heavily in the sky, releasing a world-shocking explosive sound!

Ge Qianyu's Dharma Idol was directly cut in half by this sword and then exploded with a "boom" in the sky!

"Ahhh..."

He let out another agonized scream as he was hurled backward!

Flesh and blood sprayed the sky, half of his body nearly severed, a chilling sight!

Yang Luo, however, was overwhelmingly dominant, his eyes cold and sharp, sword in hand, he continued his relentless pursuit!

Ge Qianyu was truly terror-stricken and bellowed, "Someone, come quickly!"

As a long-established Heavenly Immortal Ancestor, to be pursued to this extent by a younger generation to the point of calling for help, he had truly lost all face!

But, he was genuinely frightened and could no longer care about his dignity, his only choice was to call for help!

Chapter 2409: The Moment of Counterattack!

“Hurry and help!”

“We absolutely can’t let this little beast harm the life of the Heavenly Corpse Ancestor!”

The forces of the Ten Thousand Demon Valley Camp all soared into the sky, charging towards Yang Luo to kill him!

“Brothers, stop watching the fight, it’s our turn to enter the fray now, let’s finish off these evil demons!”

Bujie had been itching to fight, summoning the Heavenly Dragon Zen Staff, and charged forth into the fray!

“Brothers, let’s go in together!”

Ning Jianfeng, wielding a long sword, roared and also charged into battle!

Flame Emperor, international Diva, Ji Longyue, and others also rushed forth to join the battle!

“Hahaha...”

Xing Shengjie laughed loudly towards the heavens, “It’s still the most satisfying to follow Brother Yang into battle, let’s turn the world upside down!”

Jun Tianming also laughed heartily: “To temper oneself in battle, to improve in battle, how exhilarating!”

“Everyone, the difference in numbers is no longer significant, the time for our counterattack has come!”

“Brothers, follow these heroic figures, let’s all go at once, exterminate these evil demons!”

The more than one million warriors from the Supreme Sect Camp also roared and charged into battle!

“Kill them for me!”

“Wipe them all out!”

“Kill!”

Tuoba Ye, Tu Wanxian, and others also waved their weapons, issuing a death order!

“Kill!”

“Kill!”

The people from the Ten Thousand Demon Valley Camp also roared and charged forth!

A fierce battle involving more than three million people and over thirty Heavenly Immortals of the forces of good and evil completely erupted!

This battle would decide the future of Kunlun Ruins and the fate of countless lives!

Every person on both sides began to fight desperately!

“Roar!”

Big White flew out directly, emitting a thunderous roar, his body enlarged more than a hundred meters, rising majestically like a towering mountain!

“All of you, die for this Ape King!”

Accompanied by a bellowing roar!

Big White clenched his fists with both hands, smashing crazily!

Boom boom boom!

Peng peng peng!

One ancient boat after another, one war chariot after another were destroyed!

Waves of attackers were blown up in the sky, burst into a shower of blood and bone fragments flying!

“Stupid monkey, always showing off, watch mine!”

The body of the Hundred Cry Bird also instantly enlarged more than a hundred meters!

It fiercely shook its wings!

Swish swish swish!

Streams of scarlet flames spurted out, turning into a sea of fire, submerging a large group of attackers!

“Arghhhh!”

Screams incessant, those charging forward couldn't escape and were burnt alive!

After eradicating a batch of attackers!

Big White and the Hundred Cry Bird continued to furiously charge upward, heading towards the distant crowd!

In the distant sky.

“Flying Sword Star Picking!”

“Flower Rain!”

“Purple Qi from the East!”

“Vermillion Bird Burning Sky!”

Flame Emperor, international Diva, Dongfang Ruoshui, and Tantai Puti, the group of four ladies, launched a fierce attack together!

Countless azure flying swords, like stars in the night sky, shot down explosively from the high altitudes!

A heavenful of multicolored petals carrying a sacred force shot towards all directions!

Vast purple Qi surged for thousands of kilometers, rushing upward!

Vermillion Bird illusions, carrying raging fires, collided explosively!

Many elders laying siege to Flame Emperor and the four ladies were all annihilated!

“Formless Buddha Demon!”

“Ten Thousand Feet Crossing the Sky!”

“Qilin Battle Spear!”

“Fire Dragon and Ice Phoenix!”

Bujie, Xu Ying, Lin Wenxuan, and Prajna, the group of four, also formed a team, launching a fierce attack!

Formless Buddha Demon idols standing over Bujie frenziedly struck out with Buddhist palms and Devil Palms!

Countless blue and golden sabers blasted out in unison!

The surrounding Void exploded, numerous black spears burst forth from the sky, and numerous black qilin illusions roared out!

The fire dragon soared, the ice phoenix spread its wings, charging upward!

All the cultivators who were trying to assassinate Bujie and the other three were killed!

“Azure Dragon Battle Halberd!”

“White Tiger God Destroying Saber!”

“Black Tortoise Heaven-Breaking Spear!”

“Ancient Immortal Technique!”

“Great Desolate Heaven Burning Fist!”

Ji Longyue, Baili Wushuang, Yi Yuheng, Mo Qingkuang, and Xiang Kunlun, the five of them also formed a team and launched a ferocious attack!

The saber and halberd split the firmament, the spear shattered the void, and the colossal fist crushed heaven and earth!

The Azure Dragon, the White Tiger, and the Black Tortoise roared forth!

And ancient immortal illusions charged into the fray!

Even though the cultivators from Myriad Demon Valley Camp kept coming in relentless waves, they were still unable to shake Ji Longyue and the rest, being continuously slain instead!

Mo Hongtu, Yi Hanshan, and others, who were engaged in fierce battles from a distance, were also astounded by this scene!

Mo Hongtu laughed and said: "I didn't expect that in just a short half-year, these youngsters' cultivation and strength have improved so much!"

Yi Hanshan also laughed heartily: "These youngsters, following Little Luo, have really increased their strength at an incredible pace!"

Ji Wenzhou and Baili Xuance also showed relieved smiles.

Afterward, Mo Hongtu and the others continued their onslaught towards Tuoba Ye and his group!

The battle was far from over; they could not afford to be careless!

At this moment.

In the distant sky above.

“Aagh!”

Accompanied by a series of miserable shrieks!

Ge Qianyu once again fell from the sky with a loud “boom”, crashing into a large river!

The river water was whipped up into towering waves, and blood dyed the river red!

Just as Yang Luo was preparing to continue his fierce attacks to completely kill Ge Qianyu!

Suddenly!

He felt an overwhelming killing intent descending from the sky!

“Yin Evil Mie Tian Palm!”

“Wan Xiang Forms Demon Transformation Fist!”

Along with dueling roars!

One saw a huge dark black palm and an equally massive dark green fist smashing down the heavens, thundering towards Yang Luo!

The colossal palm and fist, both thousands of feet in size, seemed poised to obliterate everything!

Countless Yin souls and Demon Souls pounced down as well!

The ones who made their move were none other than “Ancestor Yin Sha”, Yin Tiansha, and “Demon Transformation Ancestor”, Yun Zhanmo!

One was a Late Stage Heavenly Immortal, and the other was a Mid-stage Heavenly Immortal!

Therefore, upon hearing Ge Qianyu’s call for help, they had left their respective battlefields and came to attack!

The scene of Yang Luo’s carnage had already been witnessed by them!

They also felt the terror emanating from Yang Luo, deeming him more dangerous than Lin Wenxuan, Qin Juechen, and others!

Hence, they decided to kill Yang Luo first!

This would also reduce the pressure on their side!

Seeing the two attacking fiercely!

Yang Luo swung his sword heavily, slashing towards the sky!

“Dragon Emperor Sword Technique!”

Whoosh!

The immense three-thousand-foot golden sword tore through the darkness, cleaving the void, and heavily struck the giant palm and fist!

“Roar Roar Roar!”

Tens of thousands of golden dragons roared forth, like ten thousand dragons taking flight, colliding with them!

Boom Boom Boom!

Thunderous colliding and explosive sounds echoed through the heavens!

An innumerable number of Yin souls, Demon Souls, and golden dragons exploded in the sky!

Under the joint fierce attacks of the two, Yang Luo's body was blasted and kept falling!

And just at this moment!

Boom!

From below, the river exploded into sky-high splashes!

Ge Qianyu, wielding the Heavenly Corpse Sword, surged out from the water, attacking towards Yang Luo high above!

“Brother Yin, Brother Yun, this kid is very strong, don’t hold back, kill him quickly!”

He shouted to Yin Tiansha and Yun Zhanmo.

“Alright!”

Yin Tiansha and Yun Zhanmo nodded in response, and then their bodies trembled as they directly activated their Dharma Idols!

Ge Qianyu also activated his Dharma Idol again!

The three, leading their Dharma Idols, furiously surrounded and assaulted Yang Luo!

The battle became more intense!

Chapter 2410: This Child Poses Too Great a Threat!

Yang Luo stood proudly in the air, his black hair billowing, and declared with a thunderous voice: “You think you three old fools can kill me?”

That’s utterly delusional!”

As he spoke, Yang Luo stomped down from the air, roaring loudly!

“Heaven and Earth Dharma Idol!”

Accompanied by a resounding “rumble rumble rumble”!

A colossal giant over three thousand zhang tall, wielding a golden sword, towered upright!

“Kill!!!”

Yin Tiansha, Yun Zhanmo, and Ge Qianyu led their Dharma Idols, launching a fierce assault on Yang Luo!

Yin Tiansha and his Dharma Idol simultaneously struck out with a palm!

Yun Zhanmo and his Dharma Idol simultaneously struck out with a fist!

Ge Qianyu and his Dharma Idol simultaneously struck out with a sword!

Enormous palms, fists, and a sword that were thousands of zhang large crushed down on Yang Luo at the same time!

“Arrogant Sword Scripture!”

Yang Luo clasped the Dragon Emperor Sword with both hands and slashed upwards into the sky with all his might!

His Dharma Idol also wielded the sword with both hands, delivering a powerful and heavy slash!

Whoosh!

The crossed swords erupted with rolling killing aura, vast sword might, and Indestructible Sword Intent, furiously slicing upwards!

Bang rumble!

The sword Yang Luo swung collided fiercely with the offensive strikes unleashed by Yin Tiansha and the other two, causing earth-shattering explosions that did not cease!

The vast Cangqiong and the Void were heavily shattered, revealing a dense web of pitch-black cracks!

The great river below surged violently, like a deluge reaching the heavens!

Mountains on both sides of the river also collapsed with it!

In this earth-shattering collision!

Yang Luo and the three persons, Yin Tiansha, were simultaneously knocked back!

The four Dharma Idols were also sent flying backward at the same time!

But quickly, the four Dharma Idols stabilized their bodies and continued their onslaught against each other!

“This lad is truly terrifying, to have the strength to fight the three of us at the same time!”

Yin Tiansha’s face underwent a drastic change, his expression fierce.

“This child is too much of a threat; he must be eliminated!”

Yun Zhanmo also exclaimed fiercely.

“What are we waiting for, finish him off quickly!”

Ge Qianyu roared with a fierce voice, mobilizing the energy in his body to its peak!

His hatred for Yang Luo had reached a limit!

He could not wait to tear Yang Luo to pieces!

He fiercely stomped his foot down, letting out an enraged roar!

“Nine Death Corpse Demon!”

In an instant!

Nine colossal giants, each more than two thousand zhang tall, rose to their feet!

These nine giants looked like skeletons with giant horns on their heads, sharp fangs, armed with weapons, both like corpses and demons!

“Annihilate this little beast!”

Ge Qianyu screamed and howled, swinging the sword in his hand towards the front!

The Nine Corpse Demons, wielding giant weapons, charged fiercely, attacking Yang Luo!

The great river below was stomped into violent surges, lifting waves hundreds of zhang high!

The mountains on both banks were also shaken into consecutive collapses!

“Ten Thousand Transformation Demon Venerable!”

Yun Zhanmo waved his hand grandly!

A massive dark giant troll over two thousand zhang tall, wielding a huge axe, moved its legs, charging towards Yang Luo!

The vast Heaven and Earth trembled even more intensely, as if everything was about to collapse and be destroyed!

“Yin Evil Refining Map!”

Yin Tiansha also waved his hand grandly, shouting coldly!

An immense black Ancient Map coalesced, expanding rapidly in the wind to over four thousand zhang, like a dark skyline, pressing down on Yang Luo!

Seeing the three attacking moves coming!

Yang Luo remained unflinchingly resolute, frantically mobilizing the power of the blood essence within his body!

The essence blood powers within him began to boil!

“Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise!”

“Taotie, Hundun, Qiongqi, Taowu!”

Amidst the thunderous cries!

In the sight of all watching!

The Four Great Divine Beasts and Four Great Ancient Evil Beasts from ancient times rose to their feet, dominating and pressing down on Heaven and Earth with their peerless might!

Waves of majestic and vast divine and ferocious might spread out, sweeping through heaven and earth, shaking all directions!

Everyone engaged in the distant battle was shocked to their core!

“My God, half a year ago Mr.

Yang could only summon the Four Great Divine Beasts, and now he can even summon the Four Great Ferocious Beasts!”

“Could it be that Mr.

Yang inherited the essence blood of the Four Great Ferocious Beasts on Penglai Immortal Island?!”

“Do we even need to guess?”

It's definitely the case!"

Exclamations and gasps of astonishment rose and fell in succession.

Especially the three closest to Yang Luo, Yin Tiansha and the others, who were dumbstruck and felt a terrible oppression!

They simply couldn't understand how someone could inherit the essence blood of both the Four Great Divine Beasts and the Four Great Ferocious Beasts at the same time!

Why isn't this guy being devoured by the essence blood of these Divine Beasts and ferocious beasts?!

However, just as the three were in a daze!

Yang Luo let out another thunderous roar!

"Holy Dragon!"

"Roar!"

Accompanied by a loud dragon roar!

A giant golden dragon rose into the sky, stunning the entire scene!

“Go!”

Yang Luo pointed his sword directly at the front, emitting a furious bellow!

“Roar roar roar!”

The Holy Dragon, the Four Great Divine Beasts and the Four Great Ferocious Beasts roared out simultaneously, charging toward the Nine Death Corpse Demons, Hatchet Giant Demon, and Ancient Map!

Boom boom boom!

With just one collision!

The Nine Death Corpse Demons, Hatchet Giant Demon, and Ancient Map were shattered in the sky!

Although the illusions of the Vermillion Bird, Black Tortoise, Qiongqi, and Taowu also exploded in the sky!

However, the remaining illusions of the Holy Dragon, Azure Dragon, White Tiger, Taotie, and Hundun continued their frenzied ascent, knocking Yin Tiansha and the others away!

And just as the three were sent flying backward!

Yang Luo, leading the Five Great Illusions, immediately charged toward the closest Ge Qianyu!

“Crush him for me!”

Following the command!

The Five Great Illusions charged toward Ge Qianyu simultaneously!

Ge Qianyu was scared witless, wildly swinging his Heavenly Corpse Sword, striking heavily at the Five Great Illusions!

Moreover, he also unleashed a barrage of fierce attacks, continuing his onslaught toward the Five Great Illusions and Yang Luo!

Yang Luo, however, did not hesitate at all, and with a wave of his hand!

“Chaos Slaughter Array Map!”

In an instant!

An ancient golden Array Map condensed into being, swiftly expanding to over three thousand zhang in the wind, pressing down on Ge Qianyu!

All the heavy onslaughts unleashed by Ge Qianyu were utterly obliterated!

Vast swaths of the void collapsed under the pressure!

“No...

no!!!”

“Brother Yin, Brother Yun, come save me!!!”

He screamed miserably, desperately counterattacking, attempting to destroy the Ancient Array Map but utterly failing.

“Quick, go save him!”

“You little beast, stop!”

Yin Tiansha and Yun Zhanmo roared furiously, striking at Yang Luo with a succession of powerful attacks!

Yang Luo, however, paid no attention to the two!

Instead, he activated the “Indestructible Golden Body,” “Invincible Sword Body,” “Flame Emperor Combat Body,” “Divine Dragon Tyrant Body,” and other Multiple Physiques Secret Techniques!

As the Multiple Physiques Secret Techniques were activated!

The duo’s attacks shattered the layers of Physique Secret Techniques Yang Luo had conjured!

Blood spurted from wounds on Yang Luo's body!

His expression turned icy, and instantly he stepped down through the air!

"Great Dao Dragon Diagram!"

A colossal Golden Dragon Totem three thousand zhang in size condensed into existence, slowly rotating, spreading out vast dragon might and dragon qi!

In that very moment!

"Roar roar roar!"

A hundred thousand dragon illusions flew out from the Golden Dragon Totem, colliding with Yin Tiansha and Yun Zhanmo!

Boom boom boom!

A great number of dragon illusions exploded in the sky!

But, all the attacks from Yin Tiansha and Yun Zhanmo were also obliterated!

The two were blocked not far away, unable to get close to Yang Luo for a short time!
