Chapter 261: We'll Be Brothers From Now On!

A look of amazement flashed across Yang Luo's eyes!

This guy was indeed a saberman, and an expert at that!

Faced with this domineering saber, Yang Luo's expression was calm and composed!

He mobilized the True Qi in his body and wrapped it around his right hand. It seemed to have transformed into a golden palm blade that faced the attack!

At that very moment...

Clang!

The golden palm saber collided heavily with the platinum Tang saber, emitting a crisp explosion!

True Qi surged and flames shot in all directions, dazzling the sight of all present!

After this intense collision, Xu Ying was sent flying again!

Xu Ying only managed to stabilize herself after being sent flying for more than ten meters!

He looked up at Yang Luo, his eyes filled with shock!

He was very confident in his saber technique. Even if he faced an expert of the same cultivation level, he would still be able to gain the upper hand!

However, he did not expect that the man in front of him could easily block his saber with his bare hands!

This was really unbelievable!

Alinda, who was watching the battle not far away, was also dumbfounded and shocked!

Even Huang Tai'an, who had seen Yang Luo attack, was shocked!

Yang Luo smiled and said, "Xu Ying, your saber technique is already very impressive. Your speed, strength, and accuracy can be said to be perfect.

However, this was far from your limit. You still have a lot of space for improvement.

If you can follow me, I'll give you some pointers in the future and let you constantly surpass yourself."

Xu Ying smiled and said, "Mr. Yang, I haven't lost yet. Isn't it too early to say this?"

"Oh?"

The corners of Yang Luo's mouth curled up as he said, "Then continue. I'll definitely convince you!"

"Fight!"

Xu Ying shouted again. In a flash, he turned into a bolt of lightning and rushed towards Yang Luo!

And just as he approached Yang Luo!

Xu Ying slashed at Yang Luo again!

Swoosh!

The sound of air being torn apart resounded, making Huang Tai'an and Alinda, who were watching the battle from afar, feel their eardrums hurt!

However, the moment the saber slashed down!

The saber light flashed and disappeared. Xu Ying's saber seemed to have disappeared instantly!

Yang Luo's eyes were filled with surprise. He didn't expect Xu Ying's attack to be so fast that it made people feel like it had disappeared!

However, no matter how fast Xu Ying's knife was, it could not hide from Yang Luo's eyes!

Yang Luo raised his left hand and transformed into a golden palm blade that blocked to the left!

Clang!

The sound of metal clashing resounded, so loud that the deaf could probably even hear it!

True Qi fluctuated, strong winds whistled, and sand and rocks swept through the sky!

That's right. Xu Ying's first move just now was just an illusion!

This move was the true killing move!

Seeing that Yang Luo had blocked it, Xu Ying's eyes widened in shock!

He was cultivating the Shadowless Tyrannical Saber Technique. When he slashed out, the saber shadows overlapped, and feints and killing moves coexisted, making it difficult to distinguish!

If not for this superb saber technique, he would not have been able to defeat experts whose cultivation levels were similar to his and even escape from experts whose cultivation levels were one level higher than his!

But now, the saber technique he was so proud of was useless in front of this man!

This man was too strong, unbelievably strong!

Just as Xu Ying was in a daze!

Yang Luo's right hand turned into a palm and slapped towards Xu Ying's chest!

Xu Ying suddenly regained his senses. He wanted to dodge and defend, but it was too late!

With a loud "bang" sound, Xu Ying was sent flying!

However, Yang Luo did not stop. Instead, he took a step forward and chased after him!

When Xu Ying landed on the ground, the entire courtyard fell silent!

He saw that Yang Luo's right hand was already pressed against Xu Ying's neck!

Xu Ying sighed helplessly and said, "Mr. Yang, I admit defeat!"

Yang Luo retracted his hand and said, "Then are you willing to follow me in the future?"

"I'm willing!"

Xu Ying nodded in agreement.

He knew very well that the strength that the man in front of him had displayed just now was definitely not his full strength!

In other words, this man's strength had far surpassed his!

If he could follow this man and obtain his guidance, his cultivation and strength would definitely increase continuously!

"Alright!"

Yang Luo laughed out loud and said, "Then in the future, we'll address each other as brothers. We'll live and die together!"

"Yes, Brother Yang!"

Xu Ying nodded heavily.

Yang Luo took out the bank card from his pocket and returned it to Xu Ying, "Since we're brothers, it's only right for me to save you. Take this money back."

"Brother Yang, you saved my life. This bit of money can only be considered a token of my appreciation. You should accept it."

Xu Ying however shook his head, unwilling to accept it.

"Cut the crap. If I tell you to take it back, take it back. Why are you being polite to me?"

Yang Luo said angrily and stuffed the bank card into Xu Ying's hand.

Xu Ying looked at Yang Luo in a daze. He was touched by his actions and admired Yang Luo even more.

Then, Yang Luo took out a Spirit Gathering Pill and handed it to Xu Ying, "This is a Spirit Gathering Pill. It's very helpful for cultivation. Take it as my greeting gift."

Xu Ying took the Spirit Gathering Pill and asked in shock, "Brother Yang, you know how to refine pills?"

"That's right."

Yang Luo nodded and said, "If not for the scarcity of medicinal herbs now, I would have been able to refine more spirit pills."

Xu Ying couldn't help but sigh, "Brother Yang, you're really not an ordinary person."

"If you're done, let's go eat!"

At this moment, Huang Tai'an walked over with a smile.

“Alright!”

Yang Luo nodded and said, “I want to have a good drink with Brother Xu Ying today!”

After that, Yang Luo and the others left the medical center and had a meal at a nearby restaurant.

After dinner, Yang Luo drove Xu Ying to Hua Mei Biomedical.

After arriving at Hua Mei Biomedical, Yang Luo brought Xu Ying to the President’s office.

Su Qingmei looked at Yang Luo and asked, “Yang Luo, where did you go just now?”

Yang Luo said, “I’ve went to look for Elder Huang to settle something.”

Su Qingmei nodded and turned to look at Xu Ying, “Who is this gentleman?”

Yang Luo introduced, “Qingmei, he’s my new brother, Xu Ying. He’ll be following me from now on.

He’s very strong. You can arrange for him to be a security officer in the company.

“With him around in the future, our company will be very safe.”

Then, Yang Luo introduced her to Xu Ying, “Xu Ying, this is the President of

Hua Mei Biomedical, Su Qingmei. She’s also my fiancée.”

“Hello, Sister-in-law!”

Xu Ying greeted Su Qingmei.

“Nice to meet you.”

Su Qingmei smiled politely at Xu Ying and pulled Yang Luo to the side, “Why did you acknowledge a brother after going out? How is his character? Is he reliable?”

Yang Luo smiled and said, “Don’t worry, Xu Ying is a good person.”

“Alright.”

Su Qingmei nodded and said to Xu Ying, “Xu Ying, I’ll inform the security officers. You can come to work tomorrow.”

“Alright, Sister-in-law.”

Xu Ying nodded.

“Sister Su, Sister Xu Yan said that it’s time for the meeting!”

At this moment, Prajna ran in from outside..

Chapter 262: Nine Bends Shifting Fortune Array!

The moment she entered the office and saw Yang Luo, Prajna was stunned, “Brother Yang, you’re back!”

Then, she looked at Xu Ying, “Who is he?”

Yang Luo said, “This is my new brother, Xu Ying.”

“Hello, Brother Xu. My name is Prajna.”

Prajna smiled sweetly at Xu Ying and greeted him.

“Nice to meet you.”

Xu Ying nodded at Prajna.

Yang Luo teased, “Prajna, Xu Ying’s cultivation has already stepped into the perfected Grandmaster Realm. You have to work hard.”

“What?!”

Prajna looked surprised, “Perfected Grandmaster Realm?!”

Yang Luo smiled and said, “That’s right, Perfected Grandmaster Realm.”

The corners of Prajna’s mouth twitched. “As expected, guys who can be regarded as brothers by you are all perverts.”

Yang Luo teased, “Prajna, if there’s a chance in the future, you can spar with Xu Ying.”

Prajna shook her head like a rattle drum, “Then forget it. Let’s talk about it when my cultivation level increases.”

Yang Luo was about to continue teasing this girl when suddenly, a call came to his phone.

He took out his phone and saw that it was Jiang Xiaochuan, so he picked up the call.

“Xiaochuan, what’s the matter?”

“Brother Yang, Xinghang and I were beaten up. You have to help us!”

Jiang Xiaochuan’s wail could be heard.

“Huh? You guys were beaten up?”

Yang Luo looked puzzled, “There’s someone in Jiang City who dares to hit you?”

What the hell is going on?”

“Brother Yang, it’s hard to say over the phone. You should come over.”

“Alright, I’ll come over now. Where are you guys?”

“We’re on Maple Walk.”

After hanging up, Yang Luo bid goodbye Su Qingmei and left the company with Xu Ying.

On the way to Maple Leaf Walk...

Yang Luo asked, “Xu Ying, do you have a place to stay in Jiang City? Why don’t you stay at my house?”

Xu Ying shook his head, "Brother Yang, there's no need to trouble yourself. I'll find a place to stay."

"That's fine."

Yang Luo nodded and said, "If you need any help, just say it."

"Alright."

Xu Ying nodded.

After driving for more than twenty minutes, they arrived at Maple Leaf Walk.

After parking the car, Yang Luo and Xu Ying walked towards Maple Leaf Street together.

When he got closer, he realized that the Maple Leaf Walk Street was actually a charming street based off Country Sakura.

On both sides of the street were various shops in the style of Country Sakura.

And now, there was a Midsummer Festival on this street.

Many young men and women in kimono clothes were shopping, praying, and dancing on the streets. It was very lively.

Upon seeing this scene, Xu Ying frowned and said, "If I didn't know better, I would have thought that I was in Country Sakura."

Yang Luo sighed and said, "Many young people are living a good life now and have already forgotten the hatred from back then."

They began to learn the culture of Country Sakura and imitated the living habits of the people of Country Sakura. They are not ashamed of it, but instead proud of themselves."

Xu Ying said coldly, "What a bunch of spineless fellows!"

"Brother Yang, you're finally here!"

At this moment, a voice sounded.

Yang Luo and Xu Ying turned around and saw a group of people running over.

At the front were Jiang Xiaochuan, Xu Xinghang, Feng Baolin, and Zhong Lingshan.

Behind them were more than ten men in black.

However, Jiang Xiaochuan and the others were all bruised and swollen. Clearly, they had been beaten up.

Jiang Xiaochuan said with a long face, "Brother Yang, you have to avenge us!"

Yang Luo said, "Tell me, what exactly happened?"

Jiang Xiaochuan said, "Brother Yang, it's like this.

Not long ago, I passed by here with Xinghang and the others. When I saw that this place was holding the Midsummer Festival, I was very unhappy.

“Tell me, we’re all Chinese. Why would we organize such an event in the name of Country Sakura?”

Therefore, we decided to run in and make a fuss. It would be best if we could make their event fail. Unexpectedly, just as we started to cause trouble, a group of people suddenly came to chase us away.

Naturally, we were not convinced, so we fought with them.

However, there were a few experts in that group of people. We were no match for them, so we were beaten up by them.”

Yang Luo smiled and said, “I didn’t expect the few of you to be so patriotic. I thought you only knew how to eat, drink, play, pick up girls, and step on others.”

Xu Xinghang curled his lips and said, “Brother Yang, although we’re ignorant and incompetent, we still know how to love our country, okay?”

Feng Baolin pointed at the people on the street and said, “I’m annoyed to see these guys walking around in kimonos.”

Zhong Lingshan suggested, “Brother Yang, why don’t we destroy this place, just like how we destroyed the foundation building yesterday?”

Jiang Xiaochuan also said excitedly, “Yes, yes, yes. Let’s destroy this place and see if they still dare to hold such an event!”

“I agree to trash this place.”

Xu Ying suddenly added.

Jiang Xiaochuan asked curiously, “Brother Yang, who is this brother?”

Yang Luo introduced, “He’s my brother. His name is Xu Ying.”

Jiang Xiaochuan smiled and said, “Hello, Brother Xu Ying. Since you’re Brother Yang’s brother, you’re also our big brother!”

“If there’s anything you can’t do in Jiang City in the future, you can contact us at any time!”

Xu Xinghang, Feng Baolin, and Zhong Lingshan also nodded. They had a good impression of Xu Ying just from his words.

Yang Luo suddenly thought of something and asked, “By the way, Little Chuan, don’t those guys know your identities? Otherwise, why would they dare to hit you?”

Jiang Xiaochuan replied, “They naturally know our identities, but they’re from the Blood Soul Chamber of Commerce. It’s said that they have the backing of the number one Chamber of Commerce in Country Sakura, the Yamada Chamber of Commerce.

“It’s also because of this that they usually don’t take our Eastern Alliance seriously and never listen to the management of our four top Chambers of Commerce.”

“I see.”

Yang Luo nodded in realization and said, “Let’s go. Bring me to see those guys.

“In our Chinese territory, we can’t tolerate these dogs being impudent.”

“Brother Yang is mighty!”

Jiang Xiaochuan waved his fist excitedly and led Yang Luo and Xu Ying into Maple Leaf Walk.

However, just as he stepped into Maple Leaf Walk, Yang Luo frowned slightly and said in a low voice, “There’s something wrong with this street.”

Jiang Xiaochuan nodded and said, “There’s indeed something wrong. Look at how these guys are dressed. They don’t look like humans or ghosts. It’s strange that they would be compatible!”

Yang Luo shook his head and said, “I’m not saying that their dressing is wrong.”

“Brother Yang, then what are you saying that’s wrong?”

Xu Xinghang asked.

Yang Luo did not reply. Instead, he looked around.

Soon, he noticed a ten-meter-tall goddess statue in the middle of the street.

This statue was the “Sun Goddess” of Country Sakura, also known as “Amaterasu”.

If it was just a statue, it would be fine.

Most importantly, Yang Luo realized that there seemed to be a mysterious Feng Shui array set up on this street, and this statue was the core of this Feng Shui array.

As he walked, he pondered. Suddenly, he reacted in shock.

Could it be that there was a “Nine Bends Shifting Fortune Array” set up on this street?!

Chapter 263: Forgiveness Is Betrayal!

He directly activated his Heavenly Eye. Golden light flashed in his eyes as he scanned his surroundings again.

Suddenly, he could see that wisps of white gas were floating out of the young men and women on the street, gathering towards the statue.

Only then did Yang Luo confirm his guess!

It was indeed the Nine Bends Shifting Fortune Array!

This array formation was a little sinister. It could deprive a person of their luck and enhance it on others!

As for those who were deprived of their luck, at best, they would be unlucky and their bodies would be weak. At worst, they would die!

However, what puzzled him was who had set up such a sinister array?

And what was their goal?

Yang Luo narrowed his eyes slightly.

It seemed that this kind of activity was indeed not as simple as it seemed on the surface.

Since he was here, he had to find out what was going on.

Soon, Jiang Xiaochuan brought Yang Luo and Xu Ying to the entrance of a shop. Two tall and burly men in black kimono and wooden clogs stood at the door. One of the square-faced men looked at Jiang Xiaochuan and the others and said teasingly, "Why are you here again? Do you want to be beaten up once more?"

This man spoke broken Chinese. Clearly, he was a true Country Sakura person.

"Get lost quickly. You're not welcome here!"

Another thin-faced man waved his hand impatiently.

Jiang Xiaochuan pointed at the two of them and shouted, "Hurry up and get your people to come out. When my Brother Yang comes, he will definitely beat all of you down!"

"If you have the ability, exchange a few moves with my Brother Yang. See if he doesn't beat you until you're finding your teeth all over the ground!"

Xu Xinghang also shouted.

"Baka!"

The square-faced man shouted and rushed towards Jiang Xiaochuan and the others!

"Piss off!"

Xu Ying, who was standing beside Yang Luo, took a step forward and slapped him!

Pa!

A crisp sound rang out!

"Ahh!!"

The square-faced man screamed and was sent flying.

"Seeking death!"

The thin-faced man shouted and rushed over.

Xu Ying didn't even look up as he sent a kick over!

Thud!

A muffled sound was heard!

“Ugh!”

The thin-faced man also let out a tragic cry and was sent flying.

Seeing this scene, Jiang Xiaochuan and the others were shocked.

They didn’t expect Xu Ying to be an expert either.

Jiang Xiaochuan gave Xu Ying a thumbs up, “Brother Xu, you’re awesome!”

Xu Xinghang, Feng Baolin, and Zhong Lingshan also looked at Xu Ying in admiration.

Indeed, someone who could be their Brother Yang’s brother would not be an ordinary person!

At this moment, the commotion here also alarmed the people on the street.

The people on the street surrounded them and looked at Yang Luo and the others unkindly.

A young woman in a pink kimono said unhappily, “Who are you? Why are you causing trouble here? Is there something wrong with you?”

“These guys are crazy!

Their event was going on well, but they insisted on causing trouble. They’re really lacking in manners!”

A young woman in a green kimono added.

Jiang Xiaochuan said angrily, “You actually said that there’s something wrong with us?

I think you guys are the ones who are really crazy!

Don’t you know the crimes that these guys committed in China back then?

Have you forgotten about this blood feud so quickly? Are you still Chinese?” The woman in the pink kimono pointed at Jiang Xiaochuan and said, “China is a country of etiquette. We pay attention to repaying evil with kindness. It’s been so many years. It’s time to let go of some hatred!

Now, we should forgive Country Sakura’s mistake and get along with them in a friendly and peaceful manner, not continue to harp on it!”

The woman in the green kimono took over and said, “We can’t always live in the hatred of the past. We should choose to forgive them!

Moreover, there are many outstanding cultures in Country Sakura that are worth learning. For example, the comics, delicacies, sake, and so on in Country Sakura!

You narrow-minded fellows with hatred in your hearts, you won’t understand no matter what I tell you!”

The others nodded repeatedly and agreed with what the two women said.

“You guys...”

Jiang Xiaochuan was so angry that his body was trembling.

Xu Xinghang, Feng Baolin, and Zhong Lingshan gritted their teeth in anger, wishing they could slap these two women to death.

Yang Luo looked at the two women coldly and said word by word, “Who do you think you are?

Do you think you are qualified to forgive Country Sakura on behalf of those seniors who had sacrificed themselves back then?

Who gave you the peaceful and stable life now?

Who gave you the freedom to read Country Sakura’s comics, eat delicious food, and drink sake!

Forgiveness is equivalent to betrayal!”

Yang Luo’s words were loud and clear, echoing throughout the entire street and reaching everyone’s ears. It was deafening!

“Brother Yang, well said!”

“What right do you have to forgive? On what grounds can you forgive them for all of us?”

“A bunch of spineless and useless fellows. I’m ashamed of you!”

“Listen to what you’re saying! I’m so embarrassed for you!”

Jiang Xiaochuan, Xu Xinghang, Feng Baolin, and Zhong Lingshan all spoke up.

“You guys...”

The two women pointed at Yang Luo, Jiang Xiaochuan, and the others. They were so angry that their chests heaved, but they could not say a word.

“Who dares to cause trouble here!”

At this moment, a group of men in yukata clothing strode out of the shop.

The leader was a middle-aged man in a black yukata with short hair and narrow eyes.

Jiang Xiaochuan whispered, “Brother Yang, this guy is the president of the Blood Soul Chamber of Commerce, Nakagawa Taira.”

“Oh...”

Yang Luo nodded and looked up at Nakagawa Taira.

He sensed for a moment and discovered that this person was actually a Martial Warrior with a cultivation at the mid-stage Connate Realm.

“Why is it you again?”

Nakagawa Taira looked at Jiang Xiaochuan and the others and frowned, “On account of your father, I won’t lower myself to your level!

Don’t be ungrateful and get lost quickly!”

Yang Luo looked at Nakagawa Taira coldly and said in a low voice, “You’re the one who hit Xiaochuan and the others?”

“So what if I am?”

Nakagawa Taira sneered.

Yang Luo said indifferently, “I’ll give you a chance now. Apologize to Xiaochuan and the others immediately!”

“What? Apologize?”

Nakagawa Taira sneered and said proudly, “Even if Jiang Tianlong and the others come, I won’t take them seriously!

It’s impossible for me to apologize to these little fellows!”

“Are you sure you don’t want to apologize?”

Yang Luo’s gaze turned even colder.

Nakagawa Taira crossed his arms and said coldly, “I’m not apologizing. What do you want?”

Yang Luo waved his hand, “Xu Ying, teach them a lesson.”

“Yes!”

Xu Ying nodded and rushed towards Nakagawa Taira.

“You’re courting death!”

Nakagawa Taira shouted and charged towards Xu Ying.

In his opinion, Xu Ying was only in his twenties. Even if he had some ability, he couldn’t be that strong.

The woman in the pink kimono and the woman in the green kimono prayed that Nakagawa Taira would give Xu Ying a good beating. It would be best if he could beat up Yang Luo and the others as well.

In an instant!

Nakagawa Taira approached Xu Ying and threw a heavy punch at him!

Xu Ying also twisted his fist, directly facing the attack!

THUD!

The two fists collided with a loud bang!

The next second!

“ARGH!”

Nakagawa Taira cried out in pain and was sent flying, crashing into a wall in the shop.

He fell heavily to the ground, his entire right arm broken..

Chapter 264: Nine Chrysanthemum Sect!

“Attack together!”

“Beat him up!”

The other members of the Blood Soul Chamber of Commerce roared and charged at Xu Ying.

Xu Ying’s expression was indifferent. In a flash, he charged forward!

Bang! Bang! Bang!

A series of dull collision sounds continuously sounded!

In less than a few minutes....

Those guys who rushed over were all sent flying and fell heavily to the ground. They wailed and screamed, unable to get up.

“Big Brother Xu is mighty!”

“Big Brother Xu is so domineering!”

“Big Brother Xu is awesome!”

Jiang Xiaochuan and the others raised their arms and shouted excitedly.

However, at this moment...

“Who dares to cause trouble here!”

A cold voice sounded.

Hearing the voice, Yang Luo and the others turned around.

A group of people walked over from afar.

At the front was a tall and seductive young woman in a red kimono holding a red folding fan.

Behind the woman were many followers. All of them carried flower baskets and threw chrysanthemum petals into the sky.

The petals danced in the air and floated on the ground, like a dream.

Although this woman was very beautiful and had a good figure, Yang Luo kept feeling that this woman exuded an evil aura.

Moreover, he also realized that this woman’s kimono was embroidered with nine chrysanthemums.

“Lady Seiko!”

Nakagawa Taira hurriedly went forward and bowed respectfully to the woman with a pious expression.

The others from the Blood Soul Chamber of Commerce also bowed to the woman respectfully.

The woman frowned slightly and asked, “What exactly happened?”

Nakagawa Taira hurriedly told the woman what had just happened.

After hearing this, the woman looked up at Xu Ying, Yang Luo, and the others. She said coldly, “How dare you cause trouble here!”

Without waiting for Jiang Xiaochuan and the others to speak, Yang Luo stared intently at the woman and asked in a low voice, “Are you from the Nine Chrysanthemums Sect?”

“Hmm?”

The woman turned to look at Yang Luo and narrowed her eyes as she asked, “Kid, you actually know about the Nine Chrysanthemums Sect in Country Sakura?”

“Of course I know that.”

Yang Luo met the woman’s gaze and continued, “Your Nine Chrysanthemum Sect is known as one of the top Yin Yang Master sects in Country Sakura. The sect symbol is the Chrysanthemum!”

“Hehe, you have good eyesight.”

The woman smiled coldly and said proudly, “I’m the fourth-stage Onmyoji of the Nine Chrysanthemum Sect, Chrysanthemum Grandmaster Seiko!”

“Brother Yang, is this Onmyoji from the Nine Chrysanthemum Sect very powerful? Why haven’t I heard of them before?”

Jiang Xiaochuan asked curiously.

Yang Luo said slowly, “This Onmyoji from the Nine Chrysanthemums Sect is quite capable.

Back then, the Onmyojis of the Nine Chrysanthemums Sect had set up the ‘Sword Seals the Throat’ Feng Shui Array in Shanghai’s Ning City and built a dual-blade building. They wanted to cut off the dragon vein of Ning City and stop its development.

Later, our Chinese feng shui masters learned of their wolfish ambitions, so we built a dragon-shaped building beside this dual-blade building. We broke their feng shui array and shattered their scheme.

Moreover, not only did our Feng Shui master break their Feng Shui array, but he also turned the murderous aura they attracted into wealth, making the economic development of Ning City even more prosperous.”

Jiang Xiaochuan clicked his tongue and said, “I knew that these ambitious fellows from Country Sakura would not do anything good!

However, our Chinese Feng Shui masters are still the best!”

Xu Xinghang and the others also nodded repeatedly, feeling proud of themselves for being Chinese.

Juzong Qingzi’s face was as cold as ice as she said coldly, “Kid, you really know a lot. Who are you?”

After all, this Feng Shui battle was a disgrace to their Nine Chrysanthemum Sect, and they had never been able to let it go.

“You don’t have to know who I am.”

Yang Luo replied indifferently. Then, he pointed at a statue not far away and asked, “You set up this Nine Bends Shifting Fortune Array, right?”

“Tell me, what exactly do you want to do by setting up this sinister array formation here and absorbing the luck of these young people?”

As soon as these words were spoken...

Everyone was shocked.

“No way, there’s even an array formation set up on this street that’s sucking away our luck?”

“Is this true? Why is this thing getting more and more mysterious?”

“Is this guy telling the truth?”

Everyone present began to whisper.

Yang Luo glanced at everyone present and asked loudly, “Let me ask you, in the past, did you feel exhausted after participating in this Midsummer Festival every year and would be unlucky for a long time?”

A fatty exclaimed, “D*mn, bro, how did you know?”

In the past, every year after I participated in an event, I would feel very tired when I returned home!

Moreover, nothing would go smoothly for me in the next few days!”

A bespectacled young man also said, “I used to have the same feeling after participating in an event every year!

Could it really be these Country Sakura people who are behind this?”

The others present also began to discuss.

Previously, they had not thought in this direction, so they did not think much of it.

But now, after hearing Yang Luo’s words, the more they thought about it, the more they felt that something was wrong.

However, the woman in the pink kimono and the woman in the green kimono scoffed and did not believe her at all.

The woman in the pink kimono smiled mockingly at Yang Luo and said, “Alright, can you stop spouting nonsense?”

What Nine Bends Shifting Fortune Array? What absorbing luck? What Feng Shui Master? What Onmyoji? You’re quite good at weaving lies!”

“Everyone, don’t be fooled by this guy. This guy is just an angry youth who can’t stand us participating in such an event!”

The woman in the green kimono also shouted.

Yang Luo sighed and said, “You can’t explain the concept of ice to a summer insect. It’s up to you to believe it or not.”

Hearing this, Chrysanthemum Grandmaster Seiko’s expression darkened.

She did not expect this kid in front of her to see through the Feng Shui array she had set up on this street.

After all, in all these years, no one had ever seen through the Feng Shui array she had set up.

This kid could not be left alive!

Otherwise, it would ruin their grand plan of the Nine Chrysanthemums Sect!

With this thought in mind...

Chrysanthemum Grandmaster Seiko’s figure flashed as she charged at Yang Luo!

Yang Luo sneered and said, “Why? Are you angry because I exposed your scheme?”

“Seeking death!”

Chrysanthemum Grandmaster Seiko’s eyes turned ruthless. She suddenly waved the fan in her hand and released a purple-red True Qi!

Whoosh! Whoosh!

A violent wind swept past, and the petals on the ground flew up, as if they had turned into darts that shot towards Yang Luo!

Whoosh! Whoosh! Whoosh! Whoosh!

A wave of ear piercing sounds resounded out, causing everyone present to be extremely shocked!

Yang Luo had long sensed that Chrysanthemum Grandmaster Seiko’s cultivation level had already stepped into the perfected Grandmaster Realm. She could release her True Qi and could injure anyone!

Most importantly, this woman was also an Onmyoji, so her actual combat strength should be stronger than normal!

However, just as the petals shot over!

Whoosh!

The clear sound of the saber resounded through the streets!

Xu Ying had always carried it on his back. Now, the Tang saber wrapped in black cloth flew out. He held it tightly in his hand and blocked in front of him!

Ding, ding, ding!

The petals collided with the blade, producing a crisp sound and sparks!

After blocking the petal’s attack, Xu Ying held his Tang saber and charged at Chrysanthemum Grandmaster Seiko!

Chapter 265: Corpse Control Technique!

And the moment they got close...

Xu Ying waved the Tang saber in his hand and slashed at Chrysanthemum Grandmaster Seiko!

Swoosh!

The saber beam flickered and the sound of air being torn apart resounded. It was extremely ear-piercing!

However, just as Xu Ying's saber slashed over, Chrysanthemum Grandmaster Seiko waved the fan made of steel in her hand and welcomed it!

Clang!

The sound of metal clashing resounded. Sparks flew in all directions, True Qi surged, and saber qi filled the air!

The stone bricks on the ground kept shattering, and the stalls on both sides of the street instantly exploded!

“All! All! Ah...”

Many of the onlookers were directly sent flying, and they let out miserable cries.

“Retreat, retreat quickly!”

Yang Luo shouted and pulled Jiang Xiaochuan and the others behind him. Everyone present was so frightened that their bodies were trembling. They hurriedly got up and retreated into the distance.

The energy that erupted from this terrifying clash forced Xu Ying and Chrysanthemum Grandmaster Seiko to retreat at the same time!

However, after retreating for seven to eight meters, Xu Ying quickly stabilized his body!

His figure moved, leaving afterimages as he charged at Chrysanthemum Grandmaster Seiko again!

On the way to Chrysanthemum Grandmaster Seiko, Xu Ying slashed out at her again and again!

Chrysanthemum Grandmaster Seiko kept waving the fan in her hand to receive the attack, but she was forced back repeatedly and found it difficult to match his intensity!

She was extremely shocked in her heart!

What a powerful saber Dao!

Moreover, this guy's saber technique was superb. It had blended in real and fake, making her unable to guard against it!

Yang Luo also nodded in satisfaction.

In terms of martial arts, this woman was no match for Xu Ying.

After eight consecutive slashes, Xu Ying charged up and slashed out a ninth slash!

With a loud clang, the fan in Chrysanthemum Grandmaster Seiko's hand was sent flying!

“Alih!!”

Chrysanthemum Grandmaster Seiko cried out in pain as she was sent flying more than ten meters away.

When she stabilized her body, she saw a wound that was more than ten centimeters long on her abdomen. Blood was incessantly flowing out!

“Lady Seiko!”

“Are you alright?!”

Nakagawa Taira and the others exclaimed.

They never expected that Chrysanthemum Grandmaster Seiko, one of the most outstanding Onmyojis in the younger generation of the Nine Chrysanthemum Sect, would be injured by someone!

“I’m fine. It’s just a superficial wound!”

Chrysanthemum Grandmaster Seiko waved her hand and looked up at Xu Ying. She said fiercely, “Bastard, how dare you hurt me? I’m going to kill you!”

She suddenly waved her hands!

Rustle!

Accompanied by two piercing sounds, two red ropes flew out from her sleeves and attacked Xu Ying with sharp killing intent!

However, just as the two red ropes shot towards Xu Ying...

Everyone saw that in the path of the red ropes were the two women in pink and green kimonos. They had sprained their feet because they were wearing wooden clogs. As a result, they were still in the middle of the road and had not had time to evacuate!

“Run!”

Seeing this, Yang Luo urgently called out to them!

Xu Ying was about to step forward and pull them away as well.

However, it was still too late!

Puff! Puff!

The two red ropes were extremely sharp and pierced through the backs of the two women’s necks, causing blood to flow!

“Uhhhhh...”

The two women’s faces were filled with pain. They wanted to cry for help, but because their throats were pierced, they could not say a word.

In less than a few seconds, the two women fell to the ground and stopped breathing.

“Ah...!”

“Murder! Murder!”

“Someone died! Someone died!”

Everyone present was so frightened that their faces turned pale as they shouted in shock.

Yang Luo frowned and shook his head.

Just now, he had already reminded them to retreat quickly.

However, these two stupid women were still in the middle of the road. What could this be called other than having a death wish?

“Serves them right!”

Jiang Xiaochuan spat.

“The heavens have eyes. These two bitches have suffered retribution!”

Xu Xinghang also vented his anger.

However, Chrysanthemum Grandmaster Seiko’s expression did not change at all.

She retracted the red rope and said coldly, “Since you’re dead, be my corpse puppet!”

As she spoke, she chanted an incantation. A strange red light flashed in her eyes as she quickly formed seals with her hands!

“Three souls and seven spirits, return to the Spirit Reversal Infant. Three souls are on the left and seven souls are on the right. Listen to the divine order and kill!”

As the incantation sounded!

The two women who were lying on the ground suddenly stood up. Their eyes were empty, but their faces turned ferocious. They turned into two corpse puppets and pounced at Xu Ying!

Xu Ying did not counterattack with his saber. Instead, he raised his left hand and struck out two consecutive palm strikes!

Bam! Bam!

The two corpse puppets were sent flying and fell to the ground!

But very quickly, the two corpse puppets got up and pounced at Xu Ying again! Moreover, when the two corpse puppets pounced on Xu Ying! Chrysanthemum Grandmaster Seiko waved her arms!

Pew pew pew!

Immediately, seven more red ropes whistled out of her sleeve and pierced the throats of the seven people closest to her!

After killing these seven people, they also became her corpse puppets. They obeyed her orders as well and pounced at Xu Ying!

The onlookers were all scared out of their wits. Many of them even turned pale and their legs went weak as they fell to the ground!

Yang Luo clearly did not expect Chrysanthemum Grandmaster Seiko to be so ruthless. She actually resorted to killing the people around to refine Corpse Puppets on the spot!

He had long heard that Chrysanthemum Sect was good at corpse control, but he did not expect it to be true!

He roared, "Get lost if you don't want to die!"

Everyone was scared out of their wits and fled into the distance.

"Xu Ying, protect Xiaochuan and the rest. Let me deal with this demoness!" Yang Luo roared angrily and charged at Chrysanthemum Grandmaster Seiko! Xu Ying quickly retreated and stood in front of Jiang Xiaochuan and the rest! Seeing Yang Luo charge over, Chrysanthemum Grandmaster Seiko laughed sinisterly. "Kid, since you have a death wish, I'll fulfill it!"

With that, she waved her right hand, "Kill!"

The nine Corpse Puppets pounced at Yang Luo at the same time!

Yang Luo did not dodge or dodge. He said coldly, "Demoness, do you think you can kill me with this little trick? You're really too naive!"

Before his voice could fade...

Yang Luo's eyes flickered with golden light as he chanted an incantation!

"The world is clear. The sun rises in the east. Three Pure Ones above, expel evil and break through demons. Break for me!"

The next instant...

The nine corpse puppets that were charging at Yang Luo suddenly stopped and fell to the ground. They were no longer under Chrysanthemum Grandmaster Seiko's control!

Chrysanthemum Grandmaster Seiko wanted to continue controlling the nine corpse puppets, but she could not!

"How is this possible?!"

She looked at Yang Luo in shock and gritted her teeth, "Kid, you actually know mystic techniques?!"

"Of course!"

Yang Luo nodded and said in a loud voice, "Your Nine Chrysanthemum Sect has only learned a little bit of mystic techniques from China!"

"In terms of mysticism, feng shui, and metaphysics, our China is still the orthodox!"

"Damn it! I must kill you!"

Chrysanthemum Grandmaster Seiko roared and bit her finger, tapping the blood from her finger between her brows!

In an instant!

A cold wind blew and a murderous aura soared into the sky!

Chrysanthemum Grandmaster Seiko's eyes flickered with an even more dazzling red light!

She chanted another incantation.. The murderous aura that soared into the sky spread in all directions, wanting to refine everyone present into her Corpse Puppet and listen to her orders!

Chapter 266: Forcefully Breaking the Array!

However, Yang Luo was already prepared!

He raised his right hand and drew nine golden dragon talismans in the air!

Nine golden dragon talismans flew out in all directions and floated in the sky, blocking all the murderous aura that spread in the surroundings!

At this moment.

The nine golden dragon talismans surrounded Yang Luo and Chrysanthemum Grandmaster Seiko, as if they had set up a barrier that isolated this place from the outside world!

Chrysanthemum Grandmaster Seiko wanted to kill someone again, but refining a corpse puppet was no longer feasible!

Seeing that the Corpse Controlling Technique was useless, Chrysanthemum Grandmaster Seiko raised her right index finger and dripped a drop of blood on the ground!

Then, Chrysanthemum Grandmaster Seiko formed seals with both hands and continued chanting!

“Yin and Yang of Heaven and Earth, Dharma revolves with the seal. The three souls are indeterminate, and the seven spirits reveal themselves. Come!”

The next instant...

A blood-red array formation appeared in front of Chrysanthemum Grandmaster Seiko!

The array was activated, and the runes flickered!

A blood-red warrior in armor and holding a long saber stood up majestically and appeared in front of everyone!

Seeing this scene, everyone in the distance was stunned!

“Oh my god, are they filming a movie? They can actually summon warriors?!”

“Could this be the so-called mystic battle?! What happened to believing in science?!”

The people in the distance exclaimed repeatedly. Many people even took out their phones to take photos and videos.

“Soul Summoning Technique?”

Yang Luo glanced at it and said disdainfully, “Your Nine Chrysanthemum Sect stole the Soul Summoning Technique from our country, but you learned something nondescript.

“We Chinese mystics can summon gods, but you can only summon dead warriors.”

“Shut up!”

Chrysanthemum Grandmaster Seiko shouted angrily and waved her right hand!

“Kill!”

This warrior held a large saber and charged towards Yang Luo!

Yang Luo took a step forward and charged forward. He brazenly threw a punch!

“Destroy!”

Bam!

Before this warrior could approach, it was shattered by Yang Luo’s punch!

After blasting the warrior away, Yang Luo continued charging forward, charging at Chrysanthemum Grandmaster Seiko herself!

“How could this be... How could this be...”

Chrysanthemum Grandmaster Seiko looked at Yang Luo in disbelief.

She did not expect Yang Luo to be so strong!

“Brother Yang is mighty and domineering!”

“Brother Yang is so cool!”

In the distance, Jiang Xiaochuan and the others raised their arms and shouted excitedly.

Nakagawa Taira and the others were shocked and furious.

How could this Chinese kid be so strong?

No matter what method Master Seiko used, she would be restrained by this kid!

“Young brat, go to hell!”

Chrysanthemum Grandmaster Seiko roared and waved her right hand!

Whoosh! Whoosh!

All the petals on the ground soared into the sky and transformed into sharp blades that shot towards Yang Luo!

However, a golden True Qi barrier instantly appeared on Yang Luo's body and blocked all of them!

Chrysanthemum Grandmaster Seiko's expression changed drastically. She raised her arms, and dense red ropes whistled out of her sleeves, heading straight for Yang Luo!

In an instant!

These red ropes wrapped tightly around Yang Luo's body!

“You want to tie me up with this little trick?”

Yang Luo sneered and his entire body shook!

Bam!

The red ropes wrapped around his body snapped!

Furthermore, the power and True Qi that erupted from Yang Luo's body was too terrifying, causing Chrysanthemum Grandmaster Seiko to retreat repeatedly!

The surrounding houses instantly collapsed and turned into ruins!

After breaking the red rope, Yang Luo suddenly accelerated and chased after Chrysanthemum Grandmaster Seiko!

In an instant!

Yang Luo caught up to Chrysanthemum Grandmaster Seiko and threw a punch!

Chrysanthemum Grandmaster Seiko wanted to dodge and counterattack, but it was already too late. She was struck heavily by this punch!

“Pfft...”

She spat out a mouthful of blood and flew out like a kite with a broken string.

“Lady Seiko!”

Nakagawa Taira and the others shouted in shock, trembling in fear.

With a loud bang, Chrysanthemum Grandmaster Seiko slammed heavily into the stone statue in the middle of the street!

The statue cracked heavily from the impact and was about to collapse!

Yang Luo did not stop at all and continued to charge forward!

As he approached...

He stomped on the ground and soared into the sky. He flew more than ten meters high and slashed at the statue!

“How dare you set up such an evil array to harm people? Break!”

With a roar!

Rumble!

The ten-meter-tall statue was shattered, turning into countless rocks and dust that shot out everywhere!

Because this statue was the array core, now that the statue had been broken, the Nine Bends Shifting Fortune Array set up here had also been broken!

As soon as the array was broken, wisps of white gas that ordinary people could not see floated in all directions and returned to the bodies of everyone on the street!

Yang Luo landed steadily on the ground and walked towards Chrysanthemum Grandmaster Seiko in the ruins.

“Kid, what do you want?”

Seeing Yang Luo walk over, the pale Chrysanthemum Grandmaster Seiko asked in horror.

A cold glint flashed in Yang Luo’s eyes as he said coldly, “You killed so many people, so you naturally have to pay with your life!”

Chrysanthemum Grandmaster Seiko trembled in fear and said with a trembling voice, “You... you can’t kill me!

“If you dare to kill me... our Nine Chrysanthemum Sect will not let you off!”

“The Nine Chrysanthemums Sect is nothing!”

Yang Luo was not afraid at all, “If your Nine Chrysanthemum Sect dares to provoke me, I don’t mind removing your Nine Chrysanthemum Sect from your Country Sakura!”

“Hehe... Hahaha...”

Chrysanthemum Grandmaster Seiko laughed sinisterly upon hearing his words, “Kid, you’re too arrogant!

“There are many experts in our Nine Chrysanthemum Sect. You can’t deal with them at all!

Once you’re targeted by our Nine Chrysanthemum Sect, you’ll definitely die even if you escape to the ends of the world!”

“Don’t fucking threaten me!”

Yang Luo shouted coldly and shot a stream of True Qi at Chrysanthemum Grandmaster Seiko’s right arm.

“All...!”

Chrysanthemum Grandmaster Seiko let out a painful scream as the bones in her right arm shattered.

Yang Luo said coldly, “Demoness, if you don’t want to die, answer my question properly!

Tell me, what exactly do you want to do by setting up the Nine Bends Shifting Fortune Array?”

Chrysanthemum Grandmaster Seiko looked at Yang Luo viciously and hissed, “Do you want to know?”

I’m not telling you!”

“You’re not going to tell me, are you?”

Yang Luo sent another stream of True Qi towards her left arm.

“Arghhhh!”

Chrysanthemum Grandmaster Seiko’s left arm bone was also shattered, and she let out a miserable scream.

Yang Luo’s eyes were indifferent, without the slightest sympathy or pity. He asked in a low voice, “Are you going to tell me or not?”

“Don’t even think about it!”

Chrysanthemum Grandmaster Seiko roared angrily, but she refused to say anything.

“Seeking death!”

Yang Luo roared angrily. At the same time, he sent two streams of True Qi at Chrysanthemum Grandmaster Seiko’s legs and knees.

Crack!

Crack!

“Ahhh...”

Chrysanthemum Grandmaster Seiko let out an even more miserable scream as she trembled in pain.

Yang Luo said in a trembling voice, “I’ll ask you one last time. Are you going to tell me or not?”

Chrysanthemum Grandmaster Seiko was in so much pain that she did not dare to be forceful anymore. She said with a trembling voice, “I’ll talk... I’ll talk!”

I set up the Nine Bends Shifting Fortune Array to absorb the luck of the younger generation of China and use it to enhance the younger generation of Country Sakura!

“We’re doing this to destroy the younger generation of China.. At the same time, this will let the younger generation of Country Sakura be like dragons!”

Chapter 267: Invitation from the Hidden Dragon Pavilion!

As soon as these words were spoken...

Everyone turned crazy!

“So that’s why they organized such an event!”

“What vicious thoughts. They actually want to destroy us!”

“Everyone is like a dragon? I think everyone is like a worm!”

“I’ll never participate in such a shitty event again!”

Everyone exclaimed in surprise before coming to a realization.

Chrysanthemum Grandmaster Seiko begged Yang Luo with a pitiful expression, “Sir, I know my mistake. I won’t dare to do it again. Please spare my life!

As long as you spare me, I’ll immediately return to Country Sakura and never step foot in China again!”

She knew that she was not Yang Luo’s match, so she planned to give in first.

As long as she could return to the country alive, she would have a chance to take revenge in the future.

Yang Luo said coldly, “Demoness, you’ve committed crimes in our country and killed so many people. Now, you want me to spare your life? You’re thinking too much, right?”

With that said, Yang Luo raised his palm and prepared to slap Chrysanthemum Grandmaster Seiko’s head!

“Yang Luo, wait!”

At this moment, a clear voice sounded.

Yang Luo stopped and turned around.

A large group of men and women in uniforms walked over.

Walking at the front was Chu Yanran, who was wearing a uniform. She appeared tall and heroic.

Beside Chu Yanran was a burly middle-aged man with a resolute expression.

At this moment, this group of uniformed men and women quickly spread out and blocked the entire street.

Yang Luo teased, “Captain Chu, you came at the right time. Why do you only come after the matter is resolved?”

Chu Yanran glared at Yang Luo, “Don’t be cheeky. If I hadn’t come, would you really have killed someone?”

Yang Luo shrugged and said, “This demoness has done so many bad things and killed so many people. Naturally, we can’t let her off!”

“Mr. Yang, you’re right. This demoness has done all kinds of bad things, so she naturally can’t be forgiven.

“However, now is not the time to kill her. There’s still a use for keeping her alive.”

At this moment, the middle-aged man beside Chu Yanran spoke.

“Captain Chu, this is?”

Yang Luo turned to look at the middle-aged man.

He had a feeling that this middle-aged man was not an ordinary person.

Chu Yanran introduced, “This is the leader of the first team of the Hidden Dragon Pavilion, Tian Zhen!”

“Hidden Dragon Pavilion?”

Yang Luo looked puzzled, “What kind of organization is this Hidden Dragon Pavilion?”

Tian Zhen extended his hand to Yang Luo and smiled. “Hello, Mr. Yang. Our Hidden Dragon Pavilion is filled with extraordinary people from China. We specialize in resolving some special incidents.

“Back then, it was our people from the Hidden Dragon Pavilion who broke the Feng Shui array set up by the Nine Chrysanthemum Sect in Ning City.”

“Oh... So it was your people who broke the Feng Shui Formation of ‘One Sword to Seal the Throat’!”

Yang Luo nodded in realization and reached out to shake Tian Zhen’s hand.

Yang Luo still respected the experts who had managed to break through the situation back then.

If it weren’t for those experts, the fengshui of Ning City might really have problems.

Tian Zhen said, “Mr. Yang, actually, our Hidden Dragon Pavilion has been investigating this matter recently and has also realized that something is wrong on this street.

Unexpectedly, before we could take action, the array formation on this street was broken by Mr. Yang.

I hope you can give our Hidden Dragon Pavilion face and hand this demoness to us.

We still have a lot of questions for them.”

Yang Luo thought for a moment and said, “The people from the Hidden Dragon Pavilion are also people who have silently contributed to the country. I naturally have to give them face.

However, I have to cripple this demoness so that she can’t have any crooked thoughts.”

With that said, Yang Luo raised his hand and shot a stream of True Qi at Chrysanthemum Grandmaster Seiko’s abdomen.

“All...!”

Chrysanthemum Grandmaster Seiko let out another tragic cry and curled up on the ground in pain. Moreover, she felt that all the True Qi in her body was dissipating. Soon, there was not a trace of True Qi left.

She stared at Yang Luo in shock and anger and roared, “You crippled my dantian?”

“That’s right!”

Yang Luo replied indifferently.

“All...!”

Chrysanthemum Grandmaster Seiko screamed, “I’m going to kill you! I’m going to kill you!”

She wanted to struggle to get up, but because her limbs were crippled, she could not get up at all.

Tian Zhen’s eyelids twitched. Clearly, he did not expect Yang Luo to be so ruthless.

However, he did not say anything.

As long as he spared Chrysanthemum Grandmaster Seiko’s life, it was fine.

Chu Yanran was also frightened at this scene.

On the surface, this guy looked harmless. She did not expect him to be so decisive and ruthless as to cripple the other party’s cultivation.

Tian Zhen waved at the two men behind him. “Take her away!”

“Yes!”

The two men agreed and took Chrysanthemum Grandmaster Seiko away.

“Take these guys away too!”

Chu Yanran pointed at Nakagawa Taira and the others and gave an order.

With this order!

Many men and women in uniforms stepped forward, cuffed Nakagawa Taira and the others, and quickly left.

Tian Zhen smiled at Yang Luo and said, “Mr. Yang, you’re proficient in martial arts and spells. You’re a rare talent.

“Therefore, on behalf of the Hidden Dragon Pavilion, I want to invite you to join us.”

Seeing Tian Zhen invite Yang Luo, Chu Yanran was stunned!

Chu Yanran said, “Yang Luo, the Hidden Dragon Pavilion is one of the most special organizations in China. It has great power and prestige. Now that Team Leader Tian has invited you, you have to seize the opportunity!”

However, Yang Luo shook his head and said, “Team Leader Tian, I appreciate your kindness.

However, I have no intention of joining any organization.

So, I'm sorry."

Seeing Yang Luo reject him directly, Tian Zhen looked surprised. Clearly, he did not expect Yang Luo to reject him.

Chu Yanran was also stunned!

She said speechlessly, "Yang Luo, countless strange people in China dream of joining the Hidden Dragon Pavilion, but they are not qualified.

Now that Team Leader Tian has invited you, you actually rejected him. Is there something wrong with your head?"

Yang Luo raised his hand and flicked Chu Yanran's smooth forehead. He said unhappily, "I think your head is the one that has something wrong."

"You..."

Chu Yanran blushed and took a step back.

This guy actually dared to touch her. How annoying.

Tian Zhen was a little unwilling and continued, "Mr. Yang, you might not know much about our Hidden Dragon Pavilion. I can tell you now..."

Yang Luo directly interrupted, "Team Leader Tian, everyone has their own aspirations. Let's forget it!"

"This...!"

Tian Zhen sighed deeply and said, "Alright, since Mr. Yang is unwilling to join, I won't force you.

"In the future, if Mr. Yang has time, you can come to our Hidden Dragon Pavilion as a guest.

I believe that our Pavilion Master will definitely appreciate your talents."

As he spoke, Tian Zhen handed Yang Luo a business card.

The business card was golden. Tian Zhen's name and phone number were written on the front, and the totem of a five-clawed golden dragon was drawn on the back.

"Alright, if there's a chance in the future, I can visit your Hidden Dragon Pavilion."

Yang Luo nodded and took the business card. Then, he said, "Alright, Captain Chu, Team Leader Tian, I'll leave the matters here to you. I'm leaving."

With that, Yang Luo left Maple Leaf Walk with Xu Ying, Jiang Xiaochuan, and the others.

Tian Zhen only retracted his gaze when he saw Yang Luo's figure disappear from his vision..

Chapter 268: Don't Even Think About Succeeding!

Tian Zhen sighed and said, “What a good talent. Unfortunately, he can’t be used by our Hidden Dragon Pavilion.”

Chu Yanran said helplessly, “Team Leader Tian, this guy’s personality is very strange. He said that he’s used to freedom and is unwilling to join any organization.

“Back then, I also invited him to join our General Administration, but he refused.”

Tian Zhen said, “If he wants freedom, that’s fine. I can talk to the Pavilion Master and ask him to give him absolute freedom!”

Chu Yanran said, “Even so, it’s probably very difficult for him to join the Hidden Dragon Pavilion.”

Tian Zhen said curiously, “Captain Chu, you seem to know Mr. Yang very well.

Can you tell me about his situation?”

Chu Yanran spread her hands and said, “I haven’t known this guy for long, but this guy is indeed very capable.

“Not only does he cultivate martial arts and spells, but his medical skills are also very powerful. He can even save the dead.”

“Really?!”

Tian Zhen perked up, “Mr. Yang is also a medical master?!”

“Yes, Team Leader Tian.”

Chu Yanran did not hide anything and told Tian Zhen about how Yang Luo had helped them deal with the black-robed Azan Putira and saved Lei Guodong and the others not long ago.

After hearing Chu Yanran’s story, Tian Zhen was dumbfounded, his eyes filled with shock.

He took a few deep breaths and said excitedly, “We have to rope in such a talent to our Hidden Dragon Pavilion!

“I will report this situation to the Pavilion Master. As long as I can rope in Mr. Yang, I believe the Pavilion Master will agree to any of his conditions!”

Chu Yanran said helplessly, “I hope you can successfully rope this guy in.”

At this moment...

Yang Luo led Xu Ying, Jiang Xiaochuan, and the others out of Maple Leaf Walk.

Jiang Xiaochuan said excitedly, “Brother Yang, you’re really too awesome. That demoness was beaten up until she couldn’t fight back!”

“Our Brother Yang is the number one person in Jiang City. In terms of martial arts and spells, how can that demoness be compared to him?”

Xu Xinghang took the chance to suck up a little as well.

“Brother Yang is number one in the world. No one can compare to him!”

Feng Baolin also joined in.

Yang Luo said unhappily, “Alright, stop currying favor with me. It’s getting late. Hurry up and go back.”

Jiang Xiaochuan quickly suggested, “Brother Yang, it’s almost six o’clock. Let’s go for a meal together?”

Xu Xinghang also smiled and said, “Yes, yes, yes. Brother Yang, please do us the honor!”

Feng Baolin and Zhong Lingshan nodded repeatedly.

This was a good opportunity to build a good relationship with Yang Luo, so they naturally did not want to miss it.

Yang Luo thought for a moment and said, “Alright, let’s go for a meal together.” “That’s great!”

“Brother Yang is really showing face to us!”

“I’ll book a restaurant now!”

Seeing that Yang Luo had agreed, Jiang Xiaochuan and the others were so excited that they almost jumped up.

After booking the cafeteria, Yang Luo and the others got into the car and left Maple Leaf Walk.

It was past seven in the evening.

Inside Hua Mei Biomedical.

On the 28th floor.

As it was already very late, the employees had all gotten off work.

The entire 28th floor was very quiet.

At this moment, the elevator on the 28th floor opened.

A cleaner in a cleaning uniform, hat, and mask walked out of the elevator with a mop in one hand and a bucket in the other.

Looking at the cleaner’s figure, it was not difficult to tell that he was a man.

After walking out of the elevator, the cleaner looked around. After confirming that there was no one around, he walked towards the President’s office.

But at this moment...

Tap, tap, tap...

The sound of high heels could be heard.

The janitor looked at the corridor ahead and saw a woman in a black uniform short skirt with a hot figure and a short ponytail. She had a baby face and was walking over.

This woman was Prajna.

The cleaner looked at Prajna with surprise in his eyes, but he quickly returned to normal.

He bent down slightly, picked up the mop, and began to mop the floor.

Soon, Prajna walked over and brushed past the cleaner.

However, after taking a few steps, Prajna suddenly stopped.

She frowned slightly and walked towards the cleaner. She said, "Look up."

From the first day she entered the company, she had memorized the figures and facial features of everyone in the company.

She felt that this cleaner was a little unfamiliar, so she wanted to confirm it.

The janitor slowly raised his head and asked, "Miss, what can I do for you?"

Prajna stared intently into the cleaner's eyes and said, "Why haven't I seen you before?"

The cleaner replied, "I just came today."

"Is that so?"

Prajna narrowed her eyes and said, "Then take off your mask and let me see."

The cleaner didn't do as he was told. Instead, he stared intently at Prajna.

Prajna became even more suspicious. "Why? Are you unwilling to take it off?" As she spoke, Prajna reached out with lightning speed and tore off the cleaner's mask.

The moment the mask was torn off!

Prajna's expression changed drastically, "You're Bloodshed?!"

Therefore, the cleaner in front of him was Bloodshed, who was ranked 73rd in the assassin world.

He came this time to capture Su Qingmei and use her to threaten Yang Luo.

However, he never expected to encounter Prajna.

Seeing that he had been exposed, Bloodshed did not hesitate at all. He threw down the mop, turned around, and ran.

"Stop right there!"

Prajna shouted and chased after him.

As it was inconvenient to wear high heels, Prajna kicked them off and immediately sped up.

Soon, Prajna caught up to Bloodshed!

She flipped her wrist and a kunai appeared in her hand, stabbing straight at Bloodshed's back!

Swish!

The kunai stabbed out, and a sharp sound tore through the air!

As an assassin, Bloodshed was very sensitive to danger!

Thus, he suddenly turned around and waved a blood-colored dagger in his hand to meet the attack!

Clang!

When the kunai and the blood-colored dagger collided, sparks flew!

Under this collision, Prajna and Bloodshed were forced back at the same time!

Bloodshed looked at Prajna coldly and said in a deep voice, "Prajna, you're also a member of the assassin world. Why are you on Yang Luo's side?"

Prajna said coldly, "That's none of your business. I'll stand on whichever side I want!"

"Hmph!"

Bloodshed snorted heavily and said, "We're both assassins. I don't want to kill you, but don't pester me!"

Prajna frowned and said, "Did you come here to capture Sister Su to threaten Brother Yang?"

"That's right."

Bloodshed directly admitted it.

Prajna said with disdain, "If you have the ability, go find Brother Yang. What's the use of capturing Sister Su to threaten her!"

Bloodshed sneered. "Prajna, don't forget that we're assassins.

As long as we can achieve our goal, we can use all means."

"Is that so?"

Prajna snorted, "With me around, don't even think about succeeding!"

"Helie..."

Bloodshed smiled disdainfully and said, "Prajna, you have to know that my ranking is higher than yours, and I'm stronger than you. Do you think you're my match?"

Prajna said loudly, "Then let's try!"

If it was in the past, she naturally wouldn't dare to challenge Bloodshed.

However, now that her cultivation had stepped into the Grandmaster Realm, she was naturally not afraid of Bloodshed.

"Since you insist on having a death wish, I'll fulfill your wish!"

Bloodshed was instantly enraged.. He held the blood-colored dagger and charged at Prajna!

Chapter 269: Plan Failed!

Prajna also moved and fought Bloodshed!

Clang! Clang! Clang!

Prajna and Bloodshed moved along the corridor, the sharp blades in their hands constantly colliding with each other, producing crisp sounds!

Bloodshed originally thought that he could easily kill Prajna, but he never expected Prajna to suppress him!

This made him very puzzled!

Prajna's ranking was clearly lower than his, so why was she so strong?

At this moment, because the commotion outside was too loud, it alarmed Su Qingmei, who was in the President's office.

"Prajna, what happened? Why is it so noisy?"

Su Qingmei opened the door and walked out.

When she saw Prajna and Bloodshed fighting fiercely in the corridor, Su Qingmei was shocked.

Prajna hurriedly said, "Sister Su, this guy is an assassin. He wanted to capture you to threaten Brother Yang, but I saw through him!"

Hurry into the office and lock the door. Don't come out. I'll deal with him!"

Although Su Qingmei had a stomach full of questions, she knew that the current situation was a critical one. She quickly retreated to the office and closed the door.

However, the moment Prajna was distracted!

Bloodshed forced Prajna back and turned to escape!

"Don't run!"

Prajna shouted and chased after him again.

In order to prevent himself from being caught, Bloodshed chose to take the stairs and ran down.

Prajna chased after him.

On the way downstairs, Bloodshed said through the mini communicator in his ear, "The plan failed. Hurry up and pick me up!"

In less than ten minutes.

Bloodshed and Prajna rushed out of the company building one after another.

As soon as he left the company, he saw a black Hummer drive over from afar. It stopped by the street and opened the passenger door.

Bloodshed jumped onto the front passenger seat, and the car instantly started. With a bang, it quickly drove away.

Prajna rushed to the street, but did not continue chasing.

She was worried that if she left the company, other killers would come to catch Su Qingmei.

After staying for a while, she quickly turned around and rushed into the company building.

Soon, she arrived at the President's office and knocked on the door.

“Sister Su, open the door. It’s me!”

The door opened and Su Qingmei hurriedly asked, “Prajna, what happened just now?”

Prajna said, “When I came out of the bathroom just now, I saw a cleaner sneaking around.

I felt that something was wrong, so I stopped him. However, I didn’t expect this cleaner to be an assassin in disguise.”

“A assassin?!”

Su Qingmei said in surprise, “Why is Yang Luo targeted by an assassin?!”

Prajna sighed and said, “A long time ago, someone posted a bounty on the Dark Web. As long as someone could kill Brother Yang, they would be able to obtain the bounty.

Actually, four assassins had looked for Brother Yang this morning, but they were all dealt with by Brother Yang.

“I thought those killers would stop for a few days, but I didn’t expect them to appear again.”

“I see.”

Su Qingmei nodded in realization and said, “Previously, Yang Luo and I were also assassinated on the way home, but I didn’t expect these assassins to be unwilling to let him off.

Prajna, what should we do now?”

Prajna said, “I’ll call Brother Yang now and ask him to come back quickly.”

As he spoke, Prajna took out her phone and called Yang Luo.

At the same time...

At the Riverside Restaurant.

In a top-notch private room.

Yang Luo, Xu Ying, Jiang Xiaochuan, and the others were drinking and chatting.

Jiang Xiaochuan raised his glass and said, “Brother Yang, Brother Xu, let me toast you.

In the future, no matter what you need help with, you can contact us at any time.”

Xu Xinghang, Feng Baolin, and Zhong Lingshan also raised their glasses.

Yang Luo and Xu Ying also raised their glasses.

After clinking glasses, everyone downed the wine in their glasses.

But at this moment, a call was made to Yang Luo’s phone.

Yang Luo took out his phone and looked at the caller ID. Realizing that it was Prajna, he answered the call.

“Brother Yang, where are you now?”

As soon as the call went through, Prajna’s voice came through.

“I’m eating outside. What’s wrong?”

Yang Luo asked in confusion.

Prajna hurriedly said, “Brother Yang, something happened. An assassin came looking for you just now. Come back quickly!”

When Yang Luo heard this, his expression instantly darkened, “Alright, I’ll be back now!”

After hanging up, Yang Luo said to Jiang Xiaochuan and the others, “Continue drinking. I have something on, so I’ll leave first.”

“All?”

Jiang Xiaochuan looked dejected, “Brother Yang, you’re going back so soon? I was preparing for the next event!”

Yang Luo smiled and said, “There will be plenty of opportunities in the future.”

Xu Ying also sensed that something must have happened, so he stood up and said, “Brother Yang, I’ll go with you!”

“There’s no need.”

Yang Luo waved his hand, “You can have some fun with Xiaochuan and the others.”

Then, Yang Luo said to Jiang Xiaochuan, “Xiaochuan, Xu Ying doesn’t have a place to stay yet. Help me arrange it.”

Jiang Xiaochuan patted his chest in reply, “This is nothing. Leave it to me!”

Yang Luo nodded and quickly left the restaurant. He drove straight to Hua Mei Biomedical.

It took him less than 20 minutes to arrive at the entrance of Hua Mei Biomedical’s building.

After parking the car, Yang Luo quickly took the elevator upstairs and came to the door of the President’s office. He knocked.

“Qingmei, Prajna, I’m back.”

Soon, the door was opened.

Prajna curled her lips and said, “Brother Yang, you’re finally back. You don’t even know that something almost happened just now!”

“What happened?!”

Yang Luo hurriedly asked.

Prajna told Yang Luo what had just happened.

After hearing Prajna’s words, Yang Luo narrowed his eyes, “Interesting. I didn’t expect the remaining fellows to start attacking again so quickly.

It’s good that they jumped out so that I won’t have to look for them.”

As he spoke, Yang Luo said to Prajna, “Prajna, thank you for protecting Qingmei.”

Now, he felt more and more that subduing her back then was an extremely wise decision.

If not for Prajna, Su Qingmei would probably have been captured.

Prajna smiled and said, “Aiya, it’s fine. It’s my responsibility to protect Sister Su.”

Su Qingmei said worriedly, “Yang Luo, these killers have been watching you.

It’s too dangerous. What should we do?”

Yang Luo comforted her, “Qingmei, don’t worry. These assassins can’t do anything to me.

“It’s getting late. Let’s go home.”

“Alright.”

Su Qingmei nodded helplessly.

Then, Yang Luo and the other two left the company and went straight to the Imperial River Court.

On the way home, Yang Luo had been thinking about how to find the remaining 11 killers.

If he wanted to find these assassins hiding in the dark alone, it was unrealistic. He had to find someone to help.

Thinking of this, Yang Luo prepared to get Jiang Xiaochuan to mobilize all the Chambers of Commerce in Jiang City and Chu Yanran to help him find those people.

As long as he eliminated these dozen or so assassins and waited for his rank to increase in the Dark World, he would see if any assassins dared to accept the mission to assassinate him.

But just as Yang Luo was about to make a call...

He suddenly realized that there were two large trucks following behind them..

Something felt off...

Chapter 270: You’re No exception!

Yang Luo looked through the rearview mirror and stepped on the accelerator, speeding up.

Just as Yang Luo sped up, the two trucks behind him also sped up.

“Yang Luo, what’s wrong?”

Su Qingmei, who was sitting in the backseat, asked in confusion.

“That’s right. Why did you suddenly speed up?”

Prajna also had a strange expression.

Yang Luo said in a deep voice, “I just realized that the two trucks behind us have been following us. Now that I’ve accelerated, they’ve also accelerated.” Prajna asked in surprise, “Are we being followed?”

“Yeah.”

Yang Luo nodded in reply.

Prajna asked, “Then who is following us?”

“Who else could it be other than those killers?”

Yang Luo said indifferently and continued, “Looks like these assassins are going to fight me to the death tonight!

That’s good too. I’ll kill one of them if they come. I’ll kill two of them if they come. I’ll kill them until they don’t dare to provoke me again!”

As he spoke, Yang Luo sped up again and rushed to the Longjiang Bridge, preparing to lure the assassins behind him to the suburbs.

However, because there were more cars on the Longjiang Bridge, Yang Luo had no choice but to slow down.

The two trucks behind took advantage of this opportunity to catch up.

Finally, the two trucks flanked Yang Luo’s car!

In an instant!

Tang!

Tang!

The two trucks collided heavily on the left and right sides of the car, producing two loud sounds!

Fortunately, the Rolls-Royce Curinans that Yang Luo drove were relatively sturdy. Although the door was dented, it was not damaged!

However, the impact was too great, causing Yang Luo and the other two to shake violently in their seats!

Yang Luo and Prajna were fine, but Su Qingmei was already dizzy from the collision and felt very uncomfortable!

At this moment, the people driving on the bridge were all stunned!

“What the f*ck, what happened? Did a car accident happen?”

“Two trucks are sandwiching an SUV. Isn’t that killing me?”

“Or is this a movie?”

The people in the cars exclaimed one after another, dumbfounded.

Many cars behind stopped. They did not dare to drive forward in case they were implicated.

It was precisely because of this that the Longjiang Bridge got even more congested.

At this moment, when the killers in the two trucks saw that they could not destroy Yang Luo’s car, they immediately separated and continued to attack Yang Luo’s car!

Clang, clang, clang!

As they collided again and again, the car that Yang Luo was driving was about to collapse. The bulletproof window could not withstand it and cracked a few times!

“D*mn it!”

Yang Luo’s expression was extremely cold as he said to Prajna, “Prajna, quickly come forward! You drive later. I’ll clean up the killers in the truck!”

“Yes!”

Although she didn’t know what Yang Luo wanted to do, Prajna still agreed and went to the front passenger seat.

Yang Luo glanced at the trucks on both sides and said loudly, “Hold the steering wheel tightly!”

Prajna hurriedly reached out and gripped the steering wheel tightly!

The moment the two trucks separated!

“Now!”

Yang Luo shouted and opened the door of the driver’s seat. He leaped and landed on the roof of a truck on the left!

Prajna took this opportunity to get into the driver’s seat. She closed the door, stepped on the accelerator, and rushed forward!

At this moment.

When the people in the car behind saw this scene, they were all dumbfounded and their jaws were about to drop!

“Oh my god, is that person Superman? He actually jumped from the main driver’s seat of the Rolls-Royce to the top of the truck?!”

“This is not something a human can do. This must be a movie!”

A series of exclamations sounded from the bridge.

At this moment, Yang Luo squatted on the roof of the truck. He waved his fist and smashed it crazily towards the roof!

Dong, dong, dong!

A series of hammer-like sounds resounded!

The steel roof of the car was forcefully punched by Yang Luo, and it looked as if it was about to be penetrated!

Swoosh!

Accompanied by an ear-piercing friction sound, the truck forcefully stopped!

After the car stopped, the door opened and two figures jumped out!

Another truck not far away also stopped. Two more figures also jumped out!

Yang Luo stood on the roof of the car and looked up. He saw four Caucasians, three men and a woman, jumping out of the car.

One of the white men was Bloodshed, who had wanted to capture Su Qingmei not long ago.

Yang Luo looked down at the four of them and said coldly, "Tell me your names!"

Bloodshed exclaimed, "I'm Bloodshed, ranked 73rd on the Assassin List!"¹

"70th on the Assassin List, Pyro Man!"

"71st on the Assassin List, Gale Girl!"

"Assassin List, 72nd place, Frost Madman!"

The other two men and one woman also shouted out and reported their names.

"Bloodshed, Pyro Man, Gale Girl, Frost Madman..."

Yang Luo narrowed his eyes and smiled. He asked, "Why are there only the four of you? Where are the rest?"

Bloodshed held the blood-colored dagger in his hand and said proudly, "The four of us working together is enough to kill you! "

Yang Luo said indifferently, "This morning, the four people called Tyrannosaurus, Hunter, Saboteur, and Venomous Snake said the same thing.

However, they had long been sent to hell by me.

"You guys are no exception!"

"Kill!"

Bloodshed didn't waste any more time. With a loud roar, he suddenly exerted strength in his legs and leaped several meters high, charging towards Yang Luo on the roof of the car!

Pyro Man, Gale Girl, and Frost Madman also jumped up and charged at Yang Luo!

However, Yang Luo was not afraid at all. He leaped into the air and threw a punch at Bloodshed and the other three!

Bloodshed waved the blood-colored dagger in his hand and faced the attack!

Gale Girl erupted with the wind-elemental superpower in her body and condensed her right hand, turning it into a wind blade that slashed at Yang Luo!

Meanwhile, Pyro Man and Frost Maniac unleashed their fire-type and ice-type superpowers at the same time. They twisted their fists and punched out at Yang Luo!

At that moment...

Boom! Boom!

Yang Luo's punch collided heavily with the attacks of the four of them, erupting with a muffled thunder!

The next second!

1 Ahhhh..."

Bloodshed, Pyro Man, Gale Girl, and Frost Madman let out tragic cries as they were sent flying at the same time, landing heavily on the ground.

The blood-colored dagger in Bloodshed's hand was directly shattered, turning into a pile of scrap metal!

Pyro Man, Gale Girl, and Frost Madman's flames, wind, and ice were also forcefully dispersed!

Yang Luo did not stop at all. He twisted his waist and abdomen and kicked down with all his might at the four of them!

This kick was like a huge axe that slashed down heavily, wanting to shatter everything!

"Quickly dodge!"

Pyro Man shouted and rolled to the side.

Gale Girl and Frost Madman also looked terrified and hurriedly rolled to the side.

Only Bloodshed was half a beat slower!

Seeing Yang Luo's foot coming at him, Bloodshed roared, "Don't even think about killing me!"

He raised his arms with all his might to block!

The next instant...

Bam!

The ground shook violently, and the entire bridge seemed to tremble, as if an earthquake had arrived!

Yang Luo's kick directly severed Bloodshed's arms and smashed his body into the ground!
