Chapter 281: Eldest Senior Sister's Treat!

“Of course it's true.”

Yang Luo nodded and said, “I'll participate in this martial arts competition in the name of Jiang City's Martial Alliance.”

With that, Yang Luo left the martial arts school.

Hong Yunzhi only slowly came back to his senses when Yang Luo's figure disappeared from his vision.

“Little Kai, Mr. Yang just said that he wants to participate in this martial arts competition in the name of Jiang City's Martial Alliance, right?”

Hong Yunzhi was still a little uncertain and asked in a daze.

“Yes, that's what Mr. Yang said!”

Hong Zekai nodded heavily.

“Great, that's great!11

Hong Yunzhi was so excited that his face and ears turned red. He clenched his fists tightly.

“Old Hong, didn't Mr. Yang say that he would participate in this year's martial arts competition in the name of Jiang City's Martial Alliance? Why are you so excited over this sentence?”

Wu Zhennan looked puzzled.

Hong Yunzhi took a deep breath and laughed out loud, “Old Wu, you don't know how strong Mr. Yang's martial arts strength is!

“If Mr. Yang represents our Jiang City's Martial Alliance in this martial arts competition, not only will our Jiang City's Martial Alliance be ranked last, but it's very likely that we can even enter the top ten in one go!”

“What?!

Charging into the top ten in one go?!’1

Wu Zhennan shook his head repeatedly, “impossible, this is absolutely impossible!

“There are a total of 38 Martial Alliance branches in China. Even our Martial Alliance in Ning City has never been able to enter the top ten!

“It’s undoubtedly a fool’s dream for your Martial Alliance of Jiang City to enter the top ten!”

Hong Yunzhi smiled playfully and said, “Old Wu, you’ll know if I’m dreaming when the time comes!

Jiang City’s Martial Alliance will finally rise!

That’s great, wahahaha...”

With that, Hong Yunzhi laughed heartily.

Hong Zekai also clenched his fists excitedly, his eyes filled with excitement and anticipation.

Wu Zhennan still did not believe it and felt that Hong Yunzhi was bragging.

Even though he respected Yang Luo, he did not think that Yang Luo had the ability to lead the Martial Alliance of Jiang City into the top ten.

This was a fool’s errand!

In the blink of an eye, it was evening.

Yang Luo and Prajna walked out of the assistant’s office and came to the door of the President’s office next door.

“Brother Yang, what are we going to eat tonight?”

Prajna asked.

Yang Luo curled his lips and said, “Let your Sister Su decide.”

As he spoke, Yang Luo knocked on the door.

“Please come in.”

Su Qingmei’s gentle voice came from the office.

Pushing open the door, Yang Luo and Prajna walked into the office.

Su Qingmei was stunned for a moment when she saw them, “Why are you ail here?”

Yang Luo said, “Qingmei, it’s getting late. Hurry up and get off work. Let’s find a place to eat.¹¹

Su Qingmei said, “I still have something to settle. Wait for me for a while.

“If you’re hungry, you can go eat by yourselves. Just bring me something to eat.”

Yang Luo hurriedly gave Prajna a look.

Prajna understood and ran over to hug Su Qingmei’s arm. She said coquettishly, “Aiya, Sister Su, there’s no end to work. You can always do it tomorrow.

Come on, let’s go eat together.”

Su Qingmei said helplessly, “Then why don’t you wait for me for another half an hour?”

Just as Yang Luo was about to speak, a call came to his phone.

He took out his phone and saw that it was Eldest Senior Sister, so he quickly picked up the call.

“Eldest Senior Sister, you finally remember me as your junior brother. You’ve been so busy these past few days that I haven’t even seen your shadow!”

“Alright, Lil Brat, stop talking nonsense. Hurry up and bring Qingmei and Prajna to the Cloud Top Heavenly Palace. I’ll treat you all to a meal.”

Dongfang Ruoshui’s voice sounded.

“Oh ok!”

Yang Luo agreed and hung up.

“Is it Sister Dongfang?”

Su Qingmei quickly asked.

“That’s right.”

Yang Luo nodded and said, “Sister Dongfang invited us to the Cloud Top Heavenly Palace for a meal.”

“Then what are we waiting for? Let’s go quickly. Don’t let Sister Dongfang wait!”

When Su Qingmei heard this, she immediately started to pack her things.

Yang Luo was caught between laughter and tears, “Prajna, see, our words aren’t as useful as my Eldest Senior Sister’s!”

“Um, urn!”

Prajna nodded repeatedly.

Su Qingmei rolled her eyes at the two of them and said, “Stop talking nonsense. Hurry up and set off.”

Then, Yang Luo and the other two left the company and arrived at Long Teng Building.

This Long Teng Building was the tallest building in Jiang City. It was 636 meters tall and had a total of 131 floors.

The Cloud Top Heavenly Palace restaurant was on the third floor of the top floor. It was one of the most high-end restaurants in Jiang City.

A meal here would cost at least 200,000 yuan.

Moreover, one had to make an appointment to eat here. Otherwise, they wouldn’t be able to book a table at all.

This was especially true for the alfresco dining option on the top floor. Even if they made an appointment, they might not be able to get one.

After Yang Luo and the other two walked into Long Teng Building, they took the elevator to the 129th floor.

When they walked out of the elevator to the cafeteria, a well-dressed female attendant walked over with a smile.

“Do you have an appointment?”

Yang Luo said, “Miss Dongfang invited us here. May I ask where Miss Dongfang is?”

The attendant asked, “Are you talking about Miss Dongfang Ruoshui?”

“That’s right.”

Yang Luo nodded in reply.

When the attendant heard this, her expression became especially respectful.

“Miss Dongfang is in the open-air restaurant on the top floor. Please follow me.”

Then, under the lead of the female attendant, Yang Luo and the other two arrived at the open-air area on the top floor.

The open-air restaurant on the top floor occupied a huge area. The renovation was low-key yet luxurious.

From here, one could see the entire Jiang City at a glance.

Moreover, there was only one table in the center of the cafeteria.

At this moment, a beautiful woman in a blue dress was sitting there quietly.

She had a dignified and elegant aura and a graceful figure. From afar, she gave off a look as though she belonged to a masterfully drawn painting.

This beautiful woman was Dongfang Ruoshui.

“Qingmei, over here!”

Dongfang Ruoshui waved at Su Qingmei.

Yang Luo and the other two hurriedly walked over.

Su Qingmei said apologetically, “Sister Dongfang, I’m sorry, we’re late.”

“It’s okay. I just got here.”

Dongfang Ruoshui smiled and raised her hand, “Have a seat.”

After Yang Luo and the other two sat down, Dongfang Ruoshui said to the attendant, “The dishes can be served now.”

“Yes, Miss Dongfang!”

The attendant nodded respectfully and left in a hurry.

Dongfang Ruoshui lightly combed through her hair as she said, "I've been entertaining client for the past few days and didn't have time to have a good meal with you guys. I only managed to free up some time tonight."

Su Qingmei said, "Sister Dongfang, logically speaking, we should be the ones treating you to a meal."

Dongfang Ruoshui smiled and said, "We're family. It doesn't matter who treats us."

Yang Luo smacked his lips and said, "That's right, Qingmei. Let Eldest Senior Sister treat.

I checked just now. Eating here costs at least a million yuan.

Only a bailer like my Eldest Senior Sister can afford it."

Dongfang Ruoshui snapped out at his words, "You Lil Brat, you haven't even gotten married and you're already taking the side of an outsider?!"

Yang Luo spread his hands and said, "Eldest Senior Sister, didn't you just say that we're family? Why do you call it helping outsiders? Could it be that you treat Qingmei as an outsider?"

Chapter 282: Uninvited Guest!

"You Lil Brat, I can't win against you, alright?"

Dongfang Ruoshui rolled her eyes charmingly and said to Su Qingmei, "Qingmei, I've spoiled this junior brother of mine. Sometimes, he doesn't speak or do things properly.

"If this kid dares to bully you in the future, tell me and I'll help you teach him a lesson."

Su Qingmei covered her mouth and giggled, "Alright, Sister Dongfang."

Yang Luo pretended to be sad and said, "Senior Sister, what are you talking about? Why aren't my words and actions appropriate?"

"Sister Dongfang isn't wrong. You've always been unreasonable."

Prajna also chuckled.

Dongfang Ruoshui smiled and said, "Did you hear that? Even Prajna says so."

Yang Luo was on the brink of tears as he wailed, "You're all bullying me."

Seeing Yang Luo's embarrassed expression, the three women laughed.

Dongfang Ruoshui retracted her smile and said, "I'm treating you guys to a meal today because I want to bid you farewell.

I'm going back to Peng City tomorrow."

"Huh? Go back tomorrow?"

Su Qingmei was stunned for a moment before saying, "Sister Dongfang, aren't you going to stay for a few more days before leaving?"

Yang Luo also said, "That's right, Senior Sister. Why don't you stay for a few more days?"

We've only just met, and you're already leaving. I can't bear to leave you."

"That's right, that's right. Sister Dongfang, stay a few more days!"

Prajna added.

Dongfang Ruoshui shook her head and said helplessly, "I still have many things to deal with. I have to go back early.

When I have time later, I'll come and see you again.

"Of course, if you have time, you can come to Peng City to look for me.

When the time comes, I will definitely bring you around."

Su Qingmei sighed softly and said, "Sister Dongfang, since you have something to do, we won't force you to stay."

Dongfang Ruoshui smiled gently and said, "After I leave, all of you have to be well.

If anything happens in the future, you can contact me at any time."

Yang Luo and the other two nodded.

Not long after, plates of delicacies were served.

Dongfang Ruoshui even specially opened a bottle of Romanee Conti red wine.

After pouring the wine, Dongfang Ruoshui looked at Su Qingmei and Prajna and said, "Qingmei, Prajna, although we only spent a short time together, I still quite enjoy your company."

Prajna smiled sweetly and said, "Sister Dongfang, Sister Su and I like you very much as well.

You must come to Jiang City to visit us often in the future."

"Okay, sure."

Dongfang Ruoshui nodded and looked at Yang Luo, "Lil Brat, you've grown up now. You're now a man.

In the future, you have to protect Qingmei and Prajna well and not let them come to any harm."

Yang Luo patted his chest and said, "Don't worry, Senior Sister. With me around, no one will dare to bully them!"

"That's good."

Dongfang Ruoshui smiled gently and raised her glass, "Come, let's have a drink together."

"Cheers!"

Yang Luo, Su Qingmei, and Prajna also raised their glasses.

In the following period of time, Dongfang Ruoshui, Su Qingmei, and Prajna chatted about all sorts of life topics. The three of them chatted and laughed, and the atmosphere was very happy.

Yang Luo had no idea what sort of fashion and beauty trends they were discussing and could only sweep the delicacies on the table.

Fortunately, the food in this restaurant was indeed not bad. It was a form of enjoyment.

But at this moment...

Whir, whirl, whirl...

The sound of propellers came from afar.

Yang Luo and the others turned around in confusion and saw a helicopter flying over from afar.

The helicopter stopped as it approached.

“Hahaha, Ruoshui, I’ve finally found you.”

Accompanied by a hearty laugh, a figure jumped down from the helicopter and landed steadily on the roof.

Yang Luo looked up and saw a man in a black shirt striding over.

The man looked to be in his thirties. He was tall and straight, with a broad chest. His face was resolute and handsome, and he had an outstanding aura.

When he walked, he was energetic and had the aura of a tiger in its prime.

Yang Luo narrowed his eyes slightly. He also sensed a powerful Martial Warrior aura from this man.

It seemed that this guy was not an ordinary person.

Dongfang Ruoshui frowned slightly and asked, “Nie Changkong, why are you here?”

Nie Changkong looked at Dongfang Ruoshui tenderly and said, “I wanted to see you, so I went to Peng City.

Who knew that you were not in Peng City but in Jiang City instead?

Therefore, I came all the way here.”

Yang Luo’s expression darkened slightly.

The way this fellow looked at his Senior Sister was very strange, as if he was looking at his woman.

This made him very unhappy.

Could it be that this guy was his Senior Sister’s admirer?

Dongfang Ruoshui however only expressionlessly replied, “Why are you looking for me?”

“Could it be that I only can look for you when I have something on?”

Nie Changkong asked in return. Then, he reached out to take the wine glass in front of Dongfang Ruoshui.

However, just as his hand was about to touch the wine glass, Yang Luo beat him to it. He picked up the wine glass and gulped down the entire contents of the glass.

After drinking it, Yang Luo smacked his lips and said, "As expected of a world-famous red wine. It does taste good. The aftertaste is endless!"

Upon seeing this, Nie Changkong's eyebrows twitched as a cold glint flickered in his eyes.

But soon, the coldness in his eyes disappeared.

"Mr. Nie, do you want to drink?"

Why don't you have a drink with me?"

Yang Luo revealed a harmless smile, then picked up his wine glass and handed it over.

Nie Changkong only stared fixedly at Yang Luo without saying a word.

However, a terrifying pressure spread out and crushed towards Yang Luo.

However, Yang Luo was not affected at all. He continued to smile and meet Nie Changkong's gaze directly.

By the side, Dongfang Ruoshui only looked at the two of them with interest.

Nie Changkong naturally did not take Yang Luo's wine. Instead, he said, "Ruoshui, are these three your friends? Aren't you going to introduce them?"

Dongfang Ruoshui introduced, "This is my junior brother, Yang Luo."

"Junior Brother?"

When Nie Changkong heard this, the pressure emitted from his body immediately dissipated and was replaced by a mellow smile.

He asked in confusion, "Ruoshui, why didn't I know that you have a junior brother?"

Dongfang Ruoshui said indifferently, "Do I have to tell you everything?"

We don't seem to be that close."

Nie Changkong pretended to be sad and said, "Ruoshui, we've known each other for five years. You actually said that we're not familiar. This is too sad."

As he spoke, Nie Changkong looked at Su Qingmei and Prajna and asked, "May

I ask who these two beauties are?"

Dongfang Ruoshui said, "This is my junior brother's fiancée, Su Qingmei.

This is Qingmei's assistant, Prajna."

Nie Changkong smiled and said, "Hello, ATiss Su and Miss Prajna. My name is Nie Changkong.

"In the future, no matter what trouble you encounter, you can look for me. I can help you resolve it."

Yang Luo took over and said, "You don't have to worry about that, Mr. Nie.

“No matter what trouble they encounter, I can resolve it for them.”

“Oh?”

Nie Changkong smiled at Yang Luo, “Then may I ask what you do, Mr.. Yang?”

Chapter 283: He’s the North Suppressing King!

Yang Luo met Nie Changkong’s gaze and replied, “I’m a doctor and my fiancée’s assistant.”

“Doctor? Assistant?”

Nie Changkong looked at Yang Luo strangely, his eyes filled with disdain, “Mr. Yang, people can be confident, but they can’t be blindly confident.

You’re just a doctor and an assistant. What can you do?”

Yang Luo said indifferently, “You don’t have to worry about that.”

Nie Changkong was about to speak when Dongfang Ruoshui interrupted him, “Nie Changkong, if you have nothing else to say, please leave. Don’t disturb our meal.”

“Alright, alright, alright. Since Ruoshui doesn’t welcome me, I’ll leave.”

Nie Changkong shrugged and smiled gently, “I’ll wait for you in Peng City.”

As he spoke, Nie Changkong turned around and prepared to leave.

“Wait!”

Dongfang Ruoshui suddenly stopped Nie Changkong.

“Ruoshui, is there anything else?”

Nie Changkong still had a smile on his face.

Dongfang Ruoshui stood up and walked over. She whispered in Nie

Changkong’s ear, “I can tell you a secret.

Yang Luo is both my junior brother and my boyfriend.”

Upon hearing this, the smile on Nie Changkong’s face immediately disappeared, and he clenched his fists.

A cold light flickered in his eyes as he looked deeply at Yang Luo. Then, he whispered to Dongfang Ruoshui, “Ruoshui, no one can snatch you away from me, not even your Little Junior Brother.”

With that, Nie Changkong turned around and walked to the rooftop. He exerted strength in his legs and jumped into the helicopter’s cabin.

Soon, the cabin door closed and the helicopter flew away.

In the helicopter.

Through the window, Nie Changkong stared intently at Yang Luo on the rooftop and said in a low voice, "Investigate this kid called Yang Luo for me!"

"Yes!"

The man in black beside him replied respectfully.

At the same moment...

On the rooftop.

Dongfang Ruoshui looked at the helicopter that had flown far away, then turned around and walked towards Yang Luo and the other two.

"Sister Dongfang, who exactly is Mr. Nie?"

Su Qingmei asked in confusion.

Prajna also looked at Dongfang Ruoshui.

They could tell that Nie Changkong was definitely not an ordinary person.

"He's from the capital. He's a friend of mine in business."

Dongfang Ruoshui smiled and replied, "Alright, don't worry about him. Let's eat our food."

Dinner didn't end until after nine in the evening.

Dongfang Ruoshui said, "I'm leaving tomorrow, so I plan to stay with you tonight. How about that?"

"Alright!"

"Welcome!"

Su Qingmei and Prajna were very happy to hear that.

Yang Luo however curled his lips and said, "Eldest Senior Sister, didn't you buy a villa next to ours? Why do you still want to stay with us?"

Dongfang Ruoshui glared at Yang Luo and said, "You Lil Brat, I want to chat with Qingmei and Prajna. Can't I?"

Yang Luo spread his hands and said, "Alright, alright, alright. You can do whatever you want. Who asked you to be my senior sister?"

Dongfang Ruoshui snorted and said to Su Qingmei and Prajna, "Qingmei, Prajna, go down and wait for us. I have something to discuss with this little brat."

Su Qingmei and Prajna nodded and left.

After Su Qingmei and Prajna left, Yang Luo said strangely, "What do you want to talk to me about? Why are you being so mysterious?"

Dongfang Ruoshui did not answer. Instead, she walked to the edge of the rooftop and looked at the entire Jiang City, "Lil Brat, don't you want to know who Nie Changkong is?"

Yang Luo walked over and stood side by side with Dongfang Ruoshui. He looked into the distance and said, “Who exactly is he?”

Dongfang Ruoshui said indifferently, “He’s the North Suppressing King.”

(TL Note: For clarity, I’ll be changing King Zhennan to South Suppressing King instead to suit with the new naming.)

“What?! He’s the North Suppressing King?!”

Yang Luo turned to look at Dongfang Ruoshui, his eyes filled with shock.

Although he had guessed that Nie Changkong was definitely not an ordinary person, he never expected that this guy was actually the North Suppressing King who was as famous as Eldest Senior Sister.

Dongfang Ruoshui nodded and said, “He is indeed the North Suppressing King. He controls the entire chamber of commerce in the north. His status is high and his authority is huge.

In terms of overall strength, even I am slightly inferior.”

“King Zhennan, huh? Interesting...”

Yang Luo smiled and said, “Eldest Senior Sister, I realized that there’s something wrong with the way this guy looks at you. Does he like you?”

Dongfang Ruoshui nodded and said, “When we first met, he said that he liked me.

In the past few years, he had tried his best to woo me, but I was not interested in him.

Moreover, I also knew that his liking for me was only one aspect.

His true goal is to use me to make all the chambers of commerce in the South submit to him.”

Yang Luo sneered and said, “Quite the ambitious person.”

Dongfang Ruoshui flicked her hair and said, “He is indeed ambitious and very capable.

Otherwise, the old North Suppressing King would not have passed the position to him.”

After a pause, Dongfang Ruoshui continued, “So, if you want to become the number one person in China, you have to step on him.”

Yang Luo said helplessly, “Senior Sister, you’re making me feel so pressured.”

“Why? Are you afraid?”

Dongfang Ruoshui chuckled, “Even if you’re afraid, it’s too late now.”

“What do you mean?”

Yang Luo looked puzzled.

Dongfang Ruoshui said, “Before he left just now, I told him that you’re not only my junior brother, but also my boyfriend.”

“All?”

The corners of Yang Luo's mouth twitched as he said, "No wonder this guy looked at me like he wanted to eat me before he left."

Eldest Senior Sister, are you trying to roast me over a fire?"

Dongfang Ruoshui chuckled and said, "Lil Brat, if I don't force you, how can you grow up as soon as possible?"

Do you think it's that simple to become the number one person in China?

If you want to achieve this goal, you have to experience countless challenges and defeat countless enemies in front of you.

If you're afraid and can't do it, give up on marrying our five senior sisters as soon as possible."

Yang Luo instantly turned unhappy, "Who said I'm afraid? Who said I can't do it?"

Let me do it for you to see!"

"Alright, I'll wait then!"

Dongfang Ruoshui smiled gently and looked down at the entire Jiang City, "Then let's start by conquering Jiang City!"

"Alright!"

Yang Luo nodded heavily, his eyes filled with determination.

Dongfang Ruoshui retracted her gaze and said, "Alright, let's go down. Don't let Qingmei and Prajna wait too long."

Yang Luo nodded and followed Dongfang Ruoshui downstairs.

After returning to Villa No. 8 of the Imperial River Court...

Dongfang Ruoshui, Su Qingmei, and Prajna went upstairs together.

Yang Luo returned to his room and took a shower. Then, he sat cross-legged on the bed and prepared to cultivate.

It was not that easy to step on Nie Changkong and become the number one person in China. He had to constantly strengthen himself and become stronger.

If he was not strong enough, everything would be empty talk.

Yang Luo retracted his thoughts and took out the demon beast inner core from his dragon pattern ring.

Hopefully, he could step into the Shedding Mortality Stage this time!

Chapter 284: One Step More!

Thinking of this, Yang Luo set up an array formation in the room to isolate the outside world. Then, he swallowed the demon beast core directly.

The moment the demon beast's inner core entered his stomach!

Bam!

Yang Luo felt a low rumbling sound in his body!

The next second!

Waves of surging spiritual qi surged in his body like a landslide and tsunami, attacking crazily in all directions!

With the impact of the spiritual energy, the bones in Yang Luo's body began to crack, and his meridians started to rupture!

As the spiritual energy was too abundant, Yang Luo felt as if his body was about to explode!

If those Martial Warriors had swallowed the demon beast's inner core, they would have exploded and died long ago!

Fortunately, his body was strong enough to withstand the impact of this wave of spiritual qi!

Then, Yang Luo began to circulate the Nine Heavens Dragon Taming Technique and relied on the Spirit Gathering Array set up around the villa to continue absorbing the Spiritual Qi in the world crazily in an attempt to break through to the Shedding Mortality Stage!

The spirit qi in the world gathered from all directions like a tide and surged into Yang Luo's body!

Boom! Boom! Boom!

In the following period of time, the spiritual energy continued to wash Yang Luo's internal organs, eight extraordinary meridians, and limbs over and over again!

“Urgh...11

Yang Luo let out muffled groans, feeling as if his body was about to tear apart.

However, he still forcefully endured it.

Seconds ticked by.

After an unknown period of time...

“Roar...”

Yang Luo raised his head and let out a low roar that somehow⁷ resembled a dragon's roar.

The golden dragon shadow that coiled around his body was even more condensed than before.

Only when all the spiritual energy turned into True Qi and fused into his dantian did Yang Luo finally dare to breathe.

Yang Luo sensed his cultivation and sighed deeply.

Unfortunately, he was still a little lacking and could not step into the Shedding Mortality Stage in the end.

Yang Luo shook his head helplessly.

As expected, stepping into the Shedding Mortality Stage was not that simple.

However, even though he had not stepped into the Shedding Mortality Stage, Yang Luo still felt that his body had changed quite a bit.

He felt that his internal organs, eight extraordinary meridians, and limbs had become stronger and could withstand more spiritual qi impacts.

Moreover, he could also feel that he was only a step away from the Shedding Mortality Stage.

if only he had another 300-year-old demon beast core. In that case, he could step into the Shedding Mortality Stage straight away.

However, a Demonic Beast's Inner Core could only be chanced upon by luck.

However, cultivation could not be rushed. He had to take something one step at a time. Otherwise, it was very easy to go down the wrong path.

Thinking of this, Yang Luo stabilized his mind and continued cultivating.

The next morning.

When the sunlight shone in through the window, Yang Luo woke up from his cultivation.

He let out a long breath and got out of bed to wash up in the bathroom.

After washing up, Yang Luo walked out of the room and began to make breakfast.

When a sumptuous breakfast was ready, Dongfang Ruoshui, Su Qingmei, and Prajna came downstairs chatting and laughing.

Looking at the three beautiful women with their own merits, Yang Luo couldn't help but smile.

He thought about the day when all five of his senior sisters would appear in this villa. What kind of scene would that be?

Even the event location of the world's beauty pageant couldn't compare, right?

“Hey, Lil Brat, what are you smiling at?”

At this moment, Dongfang Ruoshui and the other two girls walked over.

Prajna said with disdain, “Brother Yang, your smile was so wretched just now. Did you think of something indecent again?”

“How is that possible? Don't talk nonsense!”

Yang Luo reached out and knocked Prajna on the head. Then, he made an inviting gesture and said, “Beautiful ladies, breakfast is ready. Please take a seat and eat!”

Dongfang Ruoshui waved her hand and said, “Little Luo, your performance was not bad. Thumbs up!”

Su Qingmei also teased, “Come fetch This Empress over!”

“Little Luo, feed me breakfast!”

Prajna echoed as well.

“Damn!”

Yang Luo glared at him, "What Little Luo, what fetch you over and what feed you breakfast? Why haven't you guys reached heaven with all your dreaming?"

If you don't want to eat it, forget it!"

Seeing Yang Luo's appearance, the three women looked at each other and couldn't help but laugh.

After having a good breakfast.

Yang Luo drove the three women to the Airport.

When he arrived at the airport, he saw that Yun Feng, Ling Zhan, Yan Tao, and Chu Wanshan were already waiting at the door.

Seeing Dongfang Ruoshui get out of the car, Yun Feng and the other three hurried to welcome her,

"Hello, Miss Dongfang!"

The four of them greeted her respectfully.

Dongfang Ruoshui had specially reminded them not to call her the South Suppressing King outside.

Moreover, Dongfang Ruoshui had also instructed that no one was to send her off today.

"Who are these three?"

Su Qingmei looked at Ling Zhan, Yan Tao, and Chu Wanshan in confusion.

Dongfang Ruoshui said, "They're all my assistants."

"Oh..."

Su Qingmei nodded in realization.

"This is what you asked us to prepare."

Yun Feng took out two exquisite boxes and handed them to Dongfang Ruoshui.

Dongfang Ruoshui took the box and said to the four of them, "You can go in first.¹"

"Yes!"

Yun Feng and the other three responded and walked into the airport.

After the four of them entered the airport, Dongfang Ruoshui handed two boxes to Su Qingmei and Prajna and said, "I came in a hurry this time, so I didn't prepare any gifts for you.

I got someone to buy these two watches from overseas these few⁷ days. See if you like them."

Su Qingmei and Prajna took the box and opened it. When they saw the watch inside, they were stunned!

The workmanship of these two ladies' watches was very exquisite. They were filled with diamonds and shone brightly under the sunlight.

"Oh my god, isn't this Patek Philippes Sky Moon Tour billion series?!"

Prajna could not help but gasp.

Su Qingmei also said in a daze, “It’s indeed the SkyMoon Tourbillon series, and it’s even the signature model!”

“What SkyMoon Tourbillon? Is it very good?”

Yang Luo asked in confusion.

“Of course it’s amazing!”

Prajna nodded repeatedly and said, “The combined price of these two watches probably exceeds 20 million!”

“What?! 20 million?!”¹

The corners of Yang Luo’s mouth twitched as he said, “Isn’t it just two watches? It actually costs so much money?”

“Aiya, you won’t understand even if I tell you.”

Prajna waved her hand and quickly handed the box to Dongfang Ruoshui, “Sister Dongfang, this gift is too precious. We can’t accept it.”

“That’s right, Sister Dongfang. We appreciate your kindness, but we can’t accept this gift.”

Su Qingmei also handed the box to Dongfang Ruoshui.

Dongfang Ruoshui did not take the box. Instead, she said, “To our friendship, these two watches worth tens of millions are nothing.

if you don’t accept it, you won’t acknowledge me as your sister.”

“This...!”

Even so, Su Qingmei and Prajna still didn’t dare to accept it.

It couldn’t be helped. This gift was too expensive.

Yang Luo hurriedly said, “Aiya, just accept it. This bit of money is nothing to my eldest senior sister.”

Dongfang Ruoshui said, “Take it. Take it as a token of my appreciation.”

“Then... alright.”

Su Qingmei and Prajna nodded helplessly and could only accept it.

Yang Luo then extended his hand towards Dongfang Ruoshui and said, “Eldest Senior Sister, you’ve already given them gifts.. Where are my gifts?”¹

Chapter 285: Jade-faced Killing God!

Dongfang Ruoshui glared at him, "You Lil Brat, you still want a gift? I've already given you a hundred... Do you believe that I'll slap you to death?"

Yang Luo chuckled and said, "Hey, I was just joking."

Dongfang Ruoshui rolled her eyes at Yang Luo and said, "Alright, you can leave now. You guys can go back."

Su Qingmei said reluctantly, "Sister Dongfang, let us send you off again."

Prajna was also a little reluctant, "That's right, Sister Dongfang. Let us send you off again."

"I don't know when we'll meet again after this separation."

Yang Luo also felt very reluctant to part.

After all, he had not seen Dongfang Ruoshui for ten years.

This time, their meeting was so short.

He really wanted to spend more time with Eldest Senior Sister.

However, he knew that Eldest Senior Sister had her own things to do, so he could only find time to visit her in Peng City in the future.

Dongfang Ruoshui sighed and nodded, "Alright, then send me in."

Then, Yang Luo and the other three walked into the airport.

Yang Luo, Su Qingmei, and Prajna only stopped when they reached the VIP passageway.

Dongfang Ruoshui reached out and hugged Su Qingmei and Prajna. She said gently, "I'm very happy to have gotten to know you in Jiang City this time."

All of you have to be well. I look forward to meeting you next time."

"Sister Dongfang, you have to be well too!"

"Sister Dongfang, we will definitely visit you!"

Su Qingmei and Prajna's eyes turned red with reluctance.

Dongfang Ruoshui hugged Yang Luo again and said, "Lil Brat, you have to be well too."

If anything happens, remember to call Eldest Senior Sister. Don't force yourself.

Also, don't bully Qingmei and Prajna. If I find out, I won't let you off."

Yang Luo waved his hand and said, "I know, I know. Senior Sister, aren't you still young? Why are you so long-winded?"

"How dare you call me old? I'll beat you to death!"

Dongfang Ruoshui reached out and knocked Yang Luo's head heavily.

Yang Luo grinned and said, "Eldest Senior Sister, you're not old at all. You'll always be a flower, always 18."

"Despicable!"

Dongfang Ruoshui rolled her eyes at Yang Luo and said, "Alright, I'll leave first. See you next time!"

Dongfang Ruoshui turned around and walked into the VIP passage.

"Goodbye!"

Yang Luo and the other two also waved their hands.

Yang Luo and the other two only retracted their gazes when Dongfang Ruoshui's figure disappeared from their vision.

Su Qingmei sighed and said, "I've never seen a woman as intellectual and carefree as Sister Dongfang. I'm ashamed of my inferiority."

"That's right."

Prajna also added, "Sister Dongfang is beautiful, charming, dignified, elegant, generous, and carefree. She's simply a perfect woman."

Yang Luo curled his lips and said, "Didn't she just give you two watches? Is it so good that you guys are praising her to the high heavens?"

The two women rolled their eyes at Yang Luo at the same time.

"By the way, Yang Luo, you said that Sister Dongfang is your eldest senior sister. Could it be that you have other senior sisters?"

Su Qingmei suddenly thought of something and asked curiously.

Yang Luo said, "I still have four senior sisters."

"What?! You still have four senior sisters?!"

Su Qingmei and Prajna looked at Yang Luo in surprise.

"That's right."

Yang Luo nodded, "Back then, my master took in six disciples. Other than me, the other five were all senior sisters."

"Then where are your other four senior sisters now?"

Su Qingmei hurriedly asked.

"I don't know where they are now."

Yang Luo shook his head and said, "However, Senior Sister said that they're all doing well in their respective fields now."

"I'm really looking forward to meeting the other four sisters!"

Prajna's eyes were filled with anticipation.

Su Qingmei, on the other hand, was expectant and nervous.

Since this guy still had four senior sisters, wouldn't she have to "meet his parents" four more times?

Yang Luo's eyes were also filled with anticipation.

He murmured in his heart, "Second Senior Sister, Third Senior Sister, Fourth Senior Sister, Fifth Senior Sister, I look forward to meeting you..."

At the same time...

There was a small island in a part of the Atlantic Ocean.

This island was called Paramita Island.

Violet, one of the four top assassin organizations in the Dark World, was located here.

The scenery on the island was pleasant, like a paradise on earth.

There were also many small islands around the main island. Many houses and fortresses had been built on the island.

Many cold-looking assassins guarded the various islands.

Due to the time difference, it was night time on this island.

At this moment...

A helicopter flew over from afar and landed at the airport on the main island.

The cabin door opened and a woman got out.

This woman was dressed in black. She was tall, curvaceous, and graceful.

Under the light, the woman's face could be seen clearly.

The woman had long dyed purple hair, willow-shaped eyebrows, phoenix-shaped eyes, a slightly straight nose, red lips, and white teeth, like a fairy in a painting.

Moreover, the woman's face was cold, like a proud snow plum, making people only dare to look at her from afar and not dare to profane her.

This woman was the leader of the Violet Assassin Organization and the current Assassin Kings of the Dark World, Xiao Ziyun!

In the entire assassin world and even the entire Dark World, Xiao Ziyun was a legend!

In just five years, she had led Violet from an unknown small assassin organization to a top assassin organization that shocked the entire Dark World!

Despite Xiao Ziyun's beautiful appearance, her attacks were decisive and ruthless, like a God of Slaughter in the mortal world. Therefore, she was called the "Jade-faced God of Slaughter" in the Dark World!

"Greetings, Team Leader!"

At this moment, a few assassins strode over and knelt on one knee in front of Xiao Ziyun with incomparable respect.

"Get up."

Xiao Ziyun said indifferently and walked out of the airport.

A few killers immediately followed.

As Xiao Ziyun walked out, she said, "Report the recent situation."

"Yes, Team Leader!"

A female assassin with short hair nodded and began to report the recent situation.

"Reporting to Team Leader, we've received a total of 281 commissions in this week. We've completed 278 commissions, and we've failed to complete three commissions!"

Xiao Ziyun's expression turned cold as he said, "Those three who haven't completed the mission, give them a chance to make up for their mistakes. If they fail again, they will be kicked out of Violet!"

"Yes!"

The female assassin responded.

Xiao Ziyun said, "Continue reporting."

The female assassin continued, "On the tenth of next month, the Dark God Hall's Hall Master, Dark Mad God, will hold a birthday banquet. He wants to invite you to attend!"

Like Zi Luolan, the Dark Shrine was one of the four top assassin organizations in the Dark World.

The Dark Mad God was one of the four Assassin Kings as well.

Xiao Ziyun frowned and said, "Prepare a big gift. As for whether we'll attend the banquet, we'll see."

"Yes!"

The female assassin responded and continued to report the situation.

"Leader, three days ago, the people from the Seven Slayers Hall had a conflict with our people and even injured a few of our people."

Xiao Ziyun's expression turned cold as he said in a deep voice, "Tell the Hall Master of the Seven Slayers Hall to hand over the person who hit him!"

"If he doesn't hand it over, I, Xiao Ziyun, will definitely bring people to flatten their Seven Slayers Hall!"

"YpsJ"

The female assassin nodded heavily..

Chapter 286: I've Decided!

Soon, Xiao Ziyun sat in an extended golden Rolls-Royce that was the only one in the world.

This Rolls-Royce was custom-made by the Rolls-Royce Company for Xiao Ziyun. It was called the Rolls-Royce Violet and was priced at 1.8 billion.

The female assassin sat at the side and continued to report the situation.

After the report, the female assassin suddenly thought of something and said, “Team Leader, something big has happened in our assassin world recently!”

Xiao Ziyun reclined in her seat and closed her eyes to rest. She spoke out indifferently, “What’s the big deal?”

The female assassin replied, “During this period of time, a kid from China provoked the assassin world. That kid put down his bold words and said that if you want to kill him and get the bounty, attack together!”

Therefore, the assassin world mobilized 15 assassins at once, including the Hell Envoy!

“However, without exception, the 15 assassins, including Hell Envoy, all died at the hands of that kid!”

The female assassin paused for a moment and continued, “Moreover, it’s said that when the Hell Envoys went to China to kill that kid, Shell, Black Panther, and Prajna had already gone to China to assassinate that kid!

However, that kid had killed Shell and Black Panther, but he did not kill Prajna. Instead, he subdued her!

Now, the entire assassin world and even the entire Dark World is in an uproar!

This kid had also advanced from a Grade C dangerous person to a Grade A dangerous person!

“It can be said that this kid’s danger level has increased the fastest in history!” “Oh?”

Xiao Ziyun opened his eyes and squinted, “I didn’t expect such a thing to happen in the assassin world recently. Interesting.”

As she spoke, Xiao Ziyun asked, “Are there any other assassins moving out now?”

The female assassin replied, “Currently, no assassins have taken action. Everyone is watching.

Many people in the assassin world want to kill this kid and wash away the humiliation of the assassin world.

However, many organizations in the Dark World want to rope this kid in instead.”

Xiao Ziyun asked again, “Did you find any information about that kid?”

“Team Leader, it’s ready!”

The female assassin responded, then took out a document and handed it to Xiao Ziyun.

Xiao Ziyun took the information and flipped to the first page.

However, when she saw the photo in the document, Xiao Ziyun was stunned!

That’s right, the photo was showing Yang Luo’s face!

She looked at the name again and her beautiful eyes widened in shock. Her delicate body could not help but tremble!

“This kid’s name is Yang Luo?”

Xiao Ziyun asked excitedly.

“Yes, Team Leader. What’s wrong?”

The female assassin looked at Xiao Ziyun’s excited expression and was very puzzled.

She had never seen her team leader so excited.

“No, nothing.”

Xiao Ziyun browsed through the information for a while more before closing it.

She looked out of the window in a daze and muttered softly, “Little Luo, is it really you?”

“Team Leader, Team Leader, what’s wrong?”

Seeing that Xiao Ziyun was in a daze, the female assassin hurriedly asked.

Xiao Ziyun retracted her gaze and said, “I won’t attend Dark Mad God’s birthday banquet. You can represent me.”

“All?”

The female assassin was stunned, “Team Leader, the Dark Mad God wants you to attend this birthday banquet personally.

Wouldn’t it be bad if you don’t go?”

Xiao Ziyun said unhappily, “What’s not good about it? Do I have to participate just because he invited me?

I’ve already given him a lot of face by preparing a huge gift for him!”

The female assassin asked in confusion, “Team Leader, do you have something urgent to do?”

Xiao Ziyun replied, “I plan to go to China to see that kid called Yang Luo after I settle the matter at hand.”

“What?!”

The female assassin was instantly stunned. She said in confusion, “Your identity is so noble, but you actually want to see that Chinese kid personally?! Even if that kid’s danger level has increased to Grade A, he’s still not qualified to see you, let alone you going to see him personally!”

Xiao Ziyun narrowed her beautiful eyes and said, “This kid has killed so many assassins in our assassin world in a row and humiliated our assassin world. I naturally have to go and meet him.”

“This...!”

The female assassin was even more puzzled, “Team Leader, even if you want to wash away the humiliation, you don’t have to do it yourself, right?

There were still so many killers on the Assassin Rankings, and there were also many who are more powerful than the Hell Envoy.

“Furthermore, what if you go to China and alarm the higher-ups?”

Xiao Ziyun waved his hand and said, “This time, I’ll go to China in a low profile manner and not alarm the higher-ups of China.

“Alright, stop talking. I’ve made up my mind.”

“Yes, Team Leader!”

The female assassin nodded and did not dare to say anything else.

However, she was still very surprised. What did that Chinese kid do to make the team leader go personally?

China, Jiang City.

On a particular evening....

Inside Hua Mei Biomedical.

Yang Luo and Prajna were sitting on the sofa playing with their phones, waiting for Su Qingmei to get off work.

At this moment, there was an urgent knock on the door.

“Please come in.”

Su Qingmei said.

The door was pushed open and Xu Yan hurriedly walked in.

“President Su, I have something urgent to report!”

“What is it regarding?”

Su Qingmei looked up at Xu Yan.

Yang Luo and Prajna also looked over.

Xu Yan said, “I just received news that Ding Sheng Biomedical will hold a new product news conference tomorrow morning!”

“Is the information reliable?”

Su Qingmei asked anxiously.

“Reliable!”

Xu Yan nodded and said, “Now, all the major companies in Jiang City’s business world have received the news!

Moreover, the report says that Ding Sheng Biomedical will be launching two new products this time!

One of them is for the treatment of hair loss, and the other is a kidney nourishing product!”

Su Qingmei tapped her fingers on the table rhythmically and said, "It seems that Ding Sheng Biomedical is planning to rely on these two new products to counterattack completely and take back the market from us.

Sure enough, as I expected, the two main health products of Ding Sheng Biomedical this time are indeed related to hair loss and kidney nourishment."

Xu Yan said anxiously, "President Su, if these two products of Ding Sheng Biomedical are listed, it will definitely cause a huge impact on us.

What do we do now?"

Su Qingmei's expression was calm as she smiled and said, "There's no hurry.

They have a new product on the market, but so do we."

"Ah?"

Xu Yan was very puzzled at her words, "President Su, we also have a new product on the market?!"

"That's right."

Su Qingmei nodded and said, "Actually, after the Jade Countenance Beauty Mask went on the market, Yang Luo provided us with an additional two health secret recipes. One is the secret recipe for nurturing hair loss, and the other was the secret recipe for nourishing the kidneys.

"What's more, 1 had the R&D team start developing new products a long time ago.

However, this matter is confidential. Very few people in the company know about it."

"Really?!"

Xu Yan looked at Su Qingmei excitedly, "We're also developing new products?!"

"Of course it's true."

Su Qingmei smiled and said, "If you don't believe me, you can ask Yang Luo."

Xu Yan turned to look at Yang Luo.

Yang Luo shrugged and said, "That's right. We've already begun the R&D for them.."

Chapter 287: Conferences At The Same Time!

Xu Yan let out a long sigh and said, "President Su, Brother Yang, so you were already prepared. You made me worry for nothing."

Su Qingmei smiled and said, "We're doing this to catch Ding Sheng Biomedical off guard.

Moreover, a few days ago, the research and development team had already called to say that the new product had been successfully developed and could be listed at any time.

The reason why I didn't choose to hold a new product news conference was because I was waiting for the right time.

Now, the time has come for our new product to go on the market.”

Then, Su Qingmei immediately ordered, “Xu Yan, inform everyone in the company immediately. Inform all the companies in Jiang City that our Hua Mei Biomedical will also hold a new product news conference tomorrow!

Tell all the bosses that we welcome those who are willing to participate in our new product news conference!

If you're not willing to participate, we won't force you!”

“Yes!”

Xu Yan nodded and left the office in a hurry.

Su Qingmei looked at Yang Luo and said, “Whether we can completely defeat Ding Sheng Biomedical depends on tomorrow!”

“Don't worry, it won't be a problem!”

Yang Luo smiled and made an “OK” gesture.

This night in Jiang City was destined to not be peaceful.

The moment when Ding Sheng Biomedical released the news that they were holding a new product news conference tomorrow morning...

Hua Mei Biomedical also released the news that they would hold a new product news conference tomorrow morning!

The entire Jiang City's business world was in an uproar again!

“Have you heard? Ding Sheng Biomedical and Hua Mei Biomedical will hold a new product news conference at the same time tomorrow!”

“Of course I've heard of it. It's said that Ding Sheng Biomedical released the news first. Hua Mei Biomedical also released their news after getting wind of it!”

“From the looks of it, Hua Mei Biomedical has long planned to destroy Ding Sheng Biomedical!”

“Back then, Ding Sheng Biomedical suppressed Hua Mei Biomedical so ruthlessly. Hua Mei Biomedical naturally has to counterattack!

I wonder whose press conference will be more popular tomorrow. This is something exciting to watch!”

“Isn’t that obvious? It must be Hua Mei Biomedical! Not long ago, the new product that Hua Mei Biomedical listed directly exploded in the Jiang City cosmetics market!

And this time, I’m afraid Hua Mei Biomedical will cause an explosion in the health supplements market!”

“That might not be the case. After Ding Sheng Biomedical suffered a loss last time, they must have come prepared this time!”

“No matter whose news conference is more popular, let’s wait and see!”

The next morning.

At Junhao Hotel.

This was a five-star hotel. Just like the Cloud Peak Hotel, it was one of the top high-end hotels in Jiang City.

Currently, it was 9 in the morning.

The lobby on the sixth floor of the hotel was filled with chairs.

Jiang Mingyu, Jiang Xinyue, and the other members of the Jiang family were greeting the guests with smiles.

The He, Song, Zhao, and Liu families, who were on good terms with the Jiang family in Jiang City, had arrived early to support Ding Sheng Biomedical’s new product news conference.

“Old Jiang, can your Ding Sheng Biomedical take back the market from Hua Mei Biomedical this time?”

He Jiahao held a cup of coffee and asked Jiang Mingyu.

Song Chengyou also added, “I heard that Hua Mei Biomedical is also holding a new product news conference today. They’re clearly going against your Ding Sheng Biomedical!”

Jiang Mingyu said confidently, “So what if Hua Mei Biomedical holds a new product news conference with us?

“This time, with the secret recipe provided by the Huangfu family in the capital and the Pei family in Sanxiang, our Ding Sheng Biomedical will definitely be able to take back the market from Hua Mei Biomedical and crush them again!”

Pei Enze chuckled and said, “Brother He, Brother Song, I’m very confident in our family’s secret kidney nourishing formula.

“When the time comes, you can buy it and consume it. I guarantee that you will regain your manliness. It won’t be a problem for you to do it seven times every night.”

“Is that so?”

Song Chengyou’s eyes lit up, and he said, “If it really works, I promise to buy it!”

He Jiahao teased, “Old Song, you will die on a woman’s stomach one day!”

Song Chengyou shook his head and said, “If I die under a peony flower, I can still be a playboy even if I become a ghost!”

“Hahaha...”

Jiang Mingyu and the others immediately burst into laughter.

As for Jiang Xinyue, He Yilin, and the other young ladies, they blushed.

Pei Enze suddenly thought of something and asked, “By the way, how’s that kid called Yang Luo now? Is he dead?”

At the mention of Yang Luo, the expressions of Jiang Mingyu and the others immediately darkened.

Jiang Mingyu said in a deep voice, “That kid is still alive and well.”

“How did this happen?”

Pei Enze said unhappily, “Didn’t you say that the South Suppressing King would get rid of him? Why is he still alive?”

“I’m curious about that too.”

Jiang Mingyu frowned and said, “The South Suppressing King came to Jiang City this time clearly for Yang Luo.

But I don’t understand why the South Suppressing King didn’t get rid of this kid.

I sent people to investigate, but they didn’t find anything.

Moreover, it’s said that the South Suppressing King left Jiang City yesterday.”

“D*mn it!”

Pei Enze said viciously, “As long as this kid doesn’t die, I won’t be able to vent my anger!

“If you can’t kill this kid, I’ll invite the experts in my family over and kill this kid!”

Jiang Mingyu said, “Brother Pei, there’s no hurry. If our families join forces, this kid will definitely die. It’s just a matter of time.

Let’s wait a little longer. A few days ago, our Jiang family had already contacted the Mystic Yin Sect.

When the Mystic Yin Sect found out that Zhang Dao had died in the hands of Yang Luo, they were very angry.

Therefore, the Mystic Yin Sect planned to send two elders and a few disciples to Jiang City to kill this kid after a while.

After the people of the Mystic Yin Sect arrive, Brother Pei, you can invite the experts of your family over. With the experts of our families added in, no matter how strong this kid is, he will definitely die.”

He Jiahao said, “Old Jiang is right. Let’s wait a little longer.

“Yang Luo, this kid, has quite the strength. If you want to kill this kid, you have to be fully prepared. You can’t give him any chance to escape.”

Song Chengyou, Zhao Tianheng, and the others also nodded.

“Alright!”

Pei Enze gritted his teeth and said, “Then I’ll wait a little longer!”

He Jiahao said, “Alright, today is Old Jiang’s news conference. Let’s not talk about unhappy matters.”

Everyone nodded and stopped talking about Yang Luo. Instead, they began to talk about other topics.

Unknowingly, more than half an hour had passed.

“Brother, it’s almost ten o’clock, but less than a third of the people have come. I wonder what’s going on!”

At this moment, Jiang Xinyue ran over, her face filled with anxiety.

Up until now, there were only a few people sitting in the entire hall. Most of the seats were empty, and the entire place looked empty.

Jiang Mingyu frowned and said, “Let’s wait a little longer.”

Soon, it was already ten in the morning.

However, only one-third of the people came, and no one else arrived after that.

Jiang Xinyue asked, “Brother, it’s already ten o’clock. Should we start?”

Jiang Mingyu said angrily, “There are still so many people who haven’t come.. Why should we start?”

Chapter 288: Lungposa’s Challenge!

However, he quickly realized that something was wrong and said, “Xinyue, quickly turn on the live-stream and see the situation on Hua Mei Biomedical’s side!”

“Alright!”

Jiang Xinyue nodded and quickly informed the staff.

After a while.

The staff turned on the projection, and the live-stream scene appeared.

Jiang Mingyu and the others, as well as everyone in the hall, looked at the projection.

However, when they saw the image on the projection, the entire hall fell silent.

At this moment, Hua Mei Biomedical's venue was already full.

There were even many bosses who had nowhere to sit and could only stand.

Even so, these bosses did not show any dissatisfaction.

Moreover, many important figures in Jiang City and even the whole Jiangnan province were present.

Luo Zhongyue, Lei Guodong, and Ren Pinghui were at the scene itself.

Huang Tai'an, Cao Jisheng, Sun Boren, and Han Shouli, the four Divine Doctors, were also present.

Jin Yumin, Lin Chaoxuan, and the other bosses who were on good terms with Yang Luo were also present.

Even He Yinghao from the Jiangnan War Zone was present.

At this moment, on the screen, Su Qingmei was already introducing the effects of the product.

The venue was filled with cheers and excitement.

After a moment of silence, the Jiang's side immediately became noisy.

"Oh my god, why is this news conference of Hua Mei Biomedical even more popular than last time?!"

"Look at this venue. It's simply like heaven and earth!"

"Looks like Hua Mei Biomedical has produced another very effective product.

Otherwise, why would it be so popular!"

"Why don't we go over too? We missed a chance to earn money last time. We can't miss it again!"

Many people in the hall started discussing softly.

Seeing the image on the projection, the faces of Jiang Mingyu, Jiang Xinyue, and the other members of the Jiang family darkened.

He Jiahao, Song Chengyou, and the others were also embarrassed and didn't know what to say.

At this moment, a boss walked over and said politely, "Young Master Jiang, I'm sorry. Our company still has something on, so we'll leave first!"

"Young Master Jiang, I have something to do in my company. I have to hurry up and settle it!"

“Young Master Jiang, my family called just now and said that something happened to the child. I have to rush to school!”

With a leader, more and more bosses stood up and found various excuses to leave the venue.

Soon, half of the people in the venue were gone.

Jiang Mingyu roared angrily, “Go, all of you, leave!”

“Whoever leaves today can forget about working with our Ding Sheng Biomedical and our Jiang family in the future!”

Hearing this, some of the bosses who originally wanted to leave could only sigh and sit down again.

Jiang Xinyue was also trembling with anger. She asked, “Brother, are we still holding this news conference?”

“Yes, do it now!”

Jiang Mingyu gritted his teeth and roared, “So what if Hua Mei Biomedical’s venue is popular!

In the end, it’s not a competition to see whose venue is popular, but whose product is more effective!”

Actually, when he said this, he lost his confidence.

However, Ding Sheng Biomedical had caused such a huge commotion. If they did not even hold a news conference, they would undoubtedly become a huge joke in the business world of Jiang City.

Therefore, even if it was embarrassing, this news conference had to be held!

On the other side...

Cloud Peak Hotel.

At the venue on the third floor.

After introducing the “Luo Shen Hair Nurturing Serum”, Su Qingmei smiled and said, “Everyone, the effect of this hair nurturing serum is very good.

It will only take a week or two to see a significant effect.

Moreover, this hair serum is still made with pure Chinese herbs. There are no side effects.”

“Good, good. My hair loss problem of many years can finally be saved!”

“In the future, we can also have flowing, luscious hair. We don’t have to wear wigs anymore!”

“President Su, are you planning to bankrupt the hair implant industry?”

“Hahaha...”

The bosses spoke one after another, and there was endless laughter.

Su Qingmei teased, “Everyone, this hair breeding fluid is not a divine medicine. If someone is so bald that they don’t even have their hair follicles, I’m afraid there’s really no hope.”

“It’s over, it’s over. My head is bald. I don’t even have a hair follicle!”

“Old Zhang, just accept your fate!”

The bosses laughed even more happily.

“Alright, everyone, please quiet down. Now, let me introduce the second product.”

Su Qingmei pressed her hand down and picked up a box. She said loudly, “This second product is called the Seven Treasures Consolidating Pill.

After consuming it for a period of time, it can nourish the five internal organs and strengthen one’s foundation.

Nowadays, people in society are under a lot of pressure to work and urgently need to make up for it. I believe that this product will not disappoint everyone.”

“Since President Su said so, there’s definitely no problem!”

“President Su, let’s cut the crap and start signing the contract!”

“President Su, prepare more goods for me this time!”

The bosses shouted and wanted to sign the contract.

Su Qingmei was also caught between laughter and tears, “Alright, then I won’t waste everyone’s time. Let’s start signing the contract now!”

Soon, Su Qingmei led all the staff of Hua Mei Biomedical to sign the contract with the bosses present.

She only finished signing the contract with the last boss at around eight in the evening.

Only then did Su Qingmei stretch and heave a sigh of relief. She said helplessly, “I didn’t expect this news conference to be even more popular than the last. I’m really tired.”

As Xu Yan packed her things, she smiled and said, “President Su, this is called being tired out from joy, right?”

“That’s right.”

Su Qingmei smiled and nodded, “The new product news conference has already ended successfully. The next step will depend on the market’s response.”

Xu Yan nodded, “President Su, I’m very confident in this new product!

“To be precise, I’m very confident in Brother Yang’s secret recipe!”

Yang Luo laughed and said, “Of course. Just wait. This time, Ding Sheng Biomedical will definitely be destroyed by us!”

“Let’s hope so.”

Anticipation appeared in Su Qingmei’s eyes.

Yang Luo was about to continue speaking.

Suddenly....

“Yang Luo!”

A hoarse voice sounded in his mind like thunder.

Yang Luo was shocked. He glanced around and realized that no one was talking to him.

It seemed that someone was using the Thousand-Mile Sound Transmission Technique to call him.

He narrowed his eyes and asked in his heart, “Who are you?”

“I’m Lungposa!”

A voice sounded in his mind again.

“Lungposa?!”

Yang Luo was stunned at first, but he quickly remembered, “You’re Lungposa, one of the three great experts of the Elephant Kingdom?”

“That’s right!”

Lungposa replied.

“You still came in the end.”

Yang Luo’s eyes turned cold as he said, “Are you trying to avenge your disciple?”

“Of course!”

Lungposa replied and continued, “You killed my disciple. You must pay with your blood!”

Yang Luo said in his heart, “Since you insist on coming to China to have a death wish, I’ll fulfill your wish!”

“Seeking death!”

“Hahaha...”

Lungposa laughed loudly and said, “It’s still unknown who will live or die tonight!

I’ll wait for you at the Twin Dragon Mount in Jiang City. Let’s see if you dare to come!”

With that, Lungposa’s voice disappeared..

Chapter 289: Twin Dragons Fight!

“Brother Yang, stop stoning. It’s time to go back!”

At this moment, Prajna saw that Yang Luo was in a daze and waved his hand in front of him.

Yang Luo suddenly came back to his senses and said, “You guys go back first. I have something to do.”

Su Qingmei looked puzzled, “What are you going to do so late at night?”

Yang Luo brushed it off, “It’s nothing much. Anyway, I’ll be back soon.”

“Yang Luo, I’ll go with you!”

Xu Ying walked over.

He realized that there was something wrong with Yang Luo’s expression.

“I’ll go with you too!”

Prajna also walked over.

“No need. It’s not a big deal.”

Yang Luo smiled. After greeting everyone, he hurriedly left the hotel.

After leaving the hotel.

Yang Luo drove the car, turned on the GPS, and rushed to the Twin Dragon Mount.

Since Lungposa had already arranged a battle, he naturally had to go.

Yang Luo did not know anything about Lungposa’s strength.

However, since this guy could use the Thousand Mile Sound Transmission Technique and become one of the three experts of the Elephant Country, his strength must not be weak.

Of course, Yang Luo was not afraid. No matter how strong Lungposa was, he had to defeat him.

The car drove for more than an hour before arriving at the suburbs.

After parking the car by the roadside, Yang Luo looked into the distance.

In front of them was a forest, and behind the forest was a mountain range. The mountain range intersected in the middle, looking like two dragons intertwined.

This was the Twin Dragon Mount, the tallest mountain in Jiang City. It was more than 800 meters tall.

“Lungposa, I’m here!”

Yang Luo said in a deep voice and rushed into the forest.

After running for a few kilometers and leaving the forest, Yang Luo arrived at the foot of Two Dragons Mount.

Then, Yang Luo ran all the way up the mountain.

In less than ten minutes, Yang Luo arrived at the peak of a mountain.

“I didn’t expect you to really come.”

A hoarse voice sounded, echoing throughout the entire mountain range.

Yang Luo looked over and saw a thin old monk in a gray robe sitting cross-legged on a mountain peak opposite him.

Beside this old monk stood a black-gold Buddhist staff with a lifelike black dragon carved on it.

The moonlight shone down on the old monk, making him look extraordinary.

Just by sitting there, this old monk gave off a powerful pressure, shocking Yang Luo.

He sensed that this old monk’s cultivation had actually stepped into the Martial King Realm, and he was even stronger than Eldest Senior Sister.

Without a doubt, this old monk would be the strongest enemy he had fought since he left the mountain.

Yang Luo stared at the old monk and asked in a low voice, “You’re Lungposa?” “That’s right!”

The old monk said calmly.

Yang Luo said in a steely voice, “In order to accumulate wealth, you black-robed Azans have committed all kinds of crimes!

“It’s fine if you didn’t come. Since you’re here, leave your life in China!”

Lungposa smiled mockingly and said, “Kid, I’m one of the three experts of the Elephant Kingdom. I’m both a Martial King Realm expert and a spell master!

“Kid, to want to kill me, you’re undoubtedly just fantasizing!”

Yang Luo sneered and said, “So what if you’re one of the three experts of the Elephant Country?

How old is your Elephant Country? Even if you’re an expert from Elephant Country, you’re still nothing in China!

Although I’m not considered a top expert in China, it’s enough to kill you!”

“Insolent!”

Lungposa’s eyes widened in anger. He let out a roar and waved his right hand!

Whoosh!

The Dragon Mark Buddhist Staff standing beside him soared into the sky, tore through the sky, and whistled towards Yang Luo!

Without any hesitation, Yang Luo waved his left hand!

A black Buddhist staff flew out of his storage ring and collided with the dragon patterned Buddhist staff!

This black Buddhist staff was obtained after he killed the black-robed Azan Arroda!

And in that instant!

Tang!

The two Buddhist staffs collided heavily with a shocking bang!

Flames shot out in all directions, and energy surged. It was incomparably dazzling!

The next second!

Bam!

Accompanied by a loud bang, the Buddhist staff that flew out of the storage ring instantly shattered and exploded, turning into pieces that shot out!

Yang Luo narrowed his eyes. It seemed that Lungposa's Dharma artifact was of a higher grade!

The Dragon Mark Buddhist Staff continued whistling over and smashed towards Yang Luo!

Yang Luo twisted his fist and faced the attack!

Clang!

The sound of metal colliding resounded through the night sky and spread for several kilometers!

Under Yang Luo's punch, the Dragon Mark Buddhist Staff was sent flying!

Lungposa soared into the sky and reached out with his right hand. After grabbing the Dragon Mark Buddhist Staff, he leaped a hundred meters and arrived above the mountain where Yang Luo was!

"Die!"

He let out a roar and waved the Dragon Mark Buddhist Staff in his hand, smashing it heavily at Yang Luo!

Swoosh!

As the Buddhist staff struck down, black light flickered and soared into the sky like a black dragon roaring!

Lungposa had actually gotten serious the moment he attacked!

In his opinion, since Yang Luo could kill four of his disciples in a row, he was naturally not weak!

Therefore, in order to kill Yang Luo, he did not hold back at all!

"You're the one who should die!"

Yang Luo shouted coldly and mobilized the True Qi in his body. He twisted his fist and punched forward!

With a punch, the Dragon Emperor Fist was immediately executed. It was like a golden dragon roaring as it charged towards the black dragon!

After knowing that Lungposa was a Martial King Realm expert, Yang Luo did not hold back as well and went all out from the start!

At this moment, the Twin Dragon Mount seemed to correspond to Yang Luo and Lungposa!

It was a battle between a golden dragon and a black dragon!

At that very moment...

Bam!

A terrifying explosion resounded in the sky. The golden dragon and black dragon that collided exploded at the same time!

The golden True Qi and the black True Qi intertwined and spread in all directions!

Rumble rumble rumble!

The surrounding mountains shook!

Under the impact of the True Qi, a large area of the mountain range was shattered, and rubble and dust soared into the sky. It was an incomparably spectacular sight!

Yang Luo's punch collided with Lungposa's Dragon Mark staff, emitting a sound that pierced through the clouds and cracked rocks!

Under this terrifying collision, Yang Luo and Lungposa were sent flying at the same time!

But soon, Yang Luo and Lungposa quickly stabilized themselves and charged at the other party again!

Lungposa waved the dragon-patterned staff in his hand continuously and smashed it at Yang Luo with a force of a ton!

Every swing of the staff caused the mountains to tremble violently. The sand and rocks on the mountains were also swept into the sky!

Yang Luo clenched his fists and punched out one punch after another!

Dong, dong, dong!

Boom! Boom! Boom!

Deafening collisions and explosions resounded non-stop!

Under the confrontation between Yang Luo and Lungposa, there seemed to be golden dragons and black dragons colliding violently in the sky with shocking momentum!

After resisting dozens of moves!

RUMBLE! There was a loud explosion!

The mountain where the two of them collapsed more than ten meters. Rocks rolled and dust billowed into the sky, making one's heart palpitate!

Fortunately, this was the suburbs and there was no one within a five-kilometer radius. Otherwise, they would definitely be frightened silly by the scene in front of them!

Just as the mountain collapsed, Yang Luo and Lungposa were sent flying again. Each of them landed on the peak of another mountain!

“Fight!”

Yang Luo let out an explosive roar and ran up. He jumped more than a hundred meters and charged towards Lungposa on another mountain!

“Kid, you’re indeed not simple. You can actually withstand dozens of my moves and not die!

“However, it’s undoubtedly a fool’s dream for you to want to kill me with this little ability!”

Lungposa said coldly.. Then, he held the Dragon Mark Buddhist Staff and charged towards Yang Luo!

Chapter 290: Frog in the Well!

The two of them moved like lightning and were extremely fast. In the blink of an eye, they closed the distance!

And in that instant!

THUD!

Yang Luo’s punch collided with Lungposa’s Dragon Mark Buddhist Staff again. The resounding sound from their impact was like a dragon’s roar and tiger’s roar, shaking the mountains and rivers!

However, under this terrifying collision, Yang Luo and Lungposa only stabilized their bodies at the same time and did not fly out!

Lungposa held the Dragon Mark Buddhist Staff tightly in his right hand and blocked Yang Luo’s punch!

He raised his left hand and mobilized his True Qi. He slapped Yang Luo’s head heavily!

“Seven Fiends Black Dragon Palm!”

He struck out with his palm and a dragon’s roar sounded. Yin Qi soared into the sky!

The night sky seemed to be instantly covered by black clouds, blocking the stars and moon, plunging this area into endless darkness!

A black dragon surged through the black clouds, terrifying beyond comparison!

“Eight Divine Dragon Palms!”

Yang Luo also let out a roar. He raised his left hand and faced the attack with a palm as well!

This was a palm technique that complimented his Nine Heavens Dragon Taming Technique. It was not inferior to the power of the Dragon Emperor Fist!

“Roar...”

With a palm strike, an even louder dragon roar resounded through the world and spread throughout the mountain!

Golden light shone resplendently as Pure Yang True Qi soared into the sky. A golden dragon roared!

The black clouds were shattered and the sinister aura was dispelled!

The next instant...

Thud!

Bam!

Yang Luo and Lungposa's palm collided heavily!

The golden dragon and black dragon in the sky also collided fiercely!

After exchanging a palm strike, Yang Luo and Lungposa endured it again and continued to wave their palms at each other!

The destructive power, destructive power, and destructive power of each of their subsequent palm strikes increased exponentially, wanting to kill each other!

Bang! Bang! Bang!

The palm shadows stacked and collided continuously, producing muffled bangs!

After dozens of consecutive palm strikes!

Accompanied by a loud rumble, the mountain under their feet sank down by dozens of meters!

The phenomenon in the sky also dissipated!

Yang Luo and Lungposa were sent flying again!

After flying for 70 to 80 meters, the two of them landed on a huge mountain respectively!

“Pfft...”

Lungposa had just stabilized his body when he felt the blood in his body churning. He spat out a mouthful of blood.

Yang Luo also felt the blood in his body churning and spat out a mouthful of blood.

Ever since he left the mountain, he had never been injured by anyone. This was the first time.

This time, Yang Luo had a rough understanding of his current cultivation realm.

It seemed that his current cultivation level was at the perfected Foundation Establishment realm. He could crush Acquired Realm, Connate Realm, Grandmaster Realm, and Martial Highness Realm warriors, but it was still a little difficult to crush a Martial King Realm expert.

Lungposa looked at Yang Luo in shock and said fiercely, “Kid, you actually injured me. Could it be that your cultivation has also stepped into the Martial King Realm?”

“Impossible, absolutely impossible. You're only in your early twenties. How can you have a Martial King Realm cultivation?”

Yang Luo said in a fierce voice, “There's nothing impossible in this world!

You think it's impossible because you don't know enough about this world!

How vast can a frog at the bottom of the well see the sky?”

Lungposa said with a ferocious expression, “Kid, even if your cultivation level is comparable to mine, I'm still a spell master!

“Therefore, you’re definitely not my match!”

As he spoke, Lungposa raised his right hand and drew seven black talismans in the air. Then, he waved his hand!

“Seven Fiends Soul Talisman!”

Accompanied by a ferocious shout...

Seven black talismans whistled out and charged towards Yang Luo!

Furthermore, thousands of Yin souls flew out of the talismans and pounced at Yang Luo together!

“Old thing, do you think you’re the only one who knows spells?”

Yang Luo’s eyes were filled with disdain as he raised his right hand and drew nine golden dragon talismans in the air!

“Nine Heavens Dragon Talisman!”

Before his voice could fade...

“Roar, roar, roar!”

Nine golden dragon talismans flew out at the same time, and nine golden dragon illusions rushed out. They let out dragon roars and collided!

At that moment...

Rumble!

A series of earth-shattering explosions sounded!

The seven black talismans and nine golden dragon talismans shattered and exploded one after another!

The black ghost and the nine golden dragon illusions that collided in the sky also dissipated one after another!

But even after seven black talismans and thousands of ghosts dissipated...

On Yang Luo’s side, there were still three golden dragon talismans and three golden dragon illusions left. They continued to attack Lungposa!

“Damn it! Who are you? Why are your spells so powerful?!”

Lungposa became even more anxious as cold sweat broke out on his forehead.

Yang Luo ignored Lungposa and controlled the three golden dragon talismans and three golden dragon illusions to attack!

Without any hesitation, Lungposa chanted a sutra and waved the dragon-patterned staff in his hand!

“Seven Fiends Nether Flame!”

“Seven Fiends Nether Thunder!”

In the blink of an eye!

Seven black flames and seven black lightning bolts whistled out and blasted towards the three golden dragon talismans and three golden dragon illusions that were attacking!

Boom! Boom! Boom!

Explosions sounded continuously!

The three golden dragon talismans and the three golden dragon illusions were directly defeated, turning into specks of golden light that floated out!

However, the seven black flames and seven black lightning bolts carried a destructive force as they continued towards Yang Luo!

Wherever it passed, mountains collapsed, rocks shattered, and the flowers and plants turned into charcoal!

Seeing the Nether Flame and Nether Thunder attacking, Yang Luo did not hesitate and raised his hands!

“Nine Suns True Fire!”

“Nine Yang Divine Lightning!”

In an instant!

Golden flames danced on Yang Luo’s right hand, and golden lightning flickered on his left hand!

Go!

He shouted and waved his hands at the same time!

The golden flames and golden lightning that whistled out split into two, two into three, and turned into nine, respectively, as they collided with the black nether flames and black nether lightning!

Boom! Boom!

Rumble!

The crashing sounds and explosions that shook the mountains and rivers sounded one after another, causing Yang Luo and Lungposa’s eardrums to buzz!

Moreover, the energy that spread out was too terrifying, causing both of them to retreat continuously!

Even with the protection of their True Qi, the two of them could not withstand it. Blood exploded on their bodies and flowed uncontrollably!

Just as the black flames, black lightning, golden flames, and golden lightning in the sky dissipated at the same time!

Lungposa held the Dragon-Patterned Buddhist Staff and charged forward rapidly, charging towards Yang Luo with a ferocious expression!

He was really enraged!

He was one of the three great experts of Elephant Country. If he lost to a Chinese kid, he would be too ashamed to return to Elephant Country!

As Lungposa charged forward, his body flickered with a dazzling black light. The murderous aura that spread out was even more terrifying!

“Kill!”

Yang Luo also let out a roar and continuously mobilized the True Qi in his body. His body flickered with a blazing golden light as he charged towards Lungposa!

In the following period of time.

The two of them engaged in an intense battle on the mountaintops.

Boom! Boom! Boom!

Under the confrontation of the two of them, the mountains could not withstand it at all and collapsed continuously!

Rocks and dust soared into the sky, causing this area to become extremely chaotic!

After fighting for more than a hundred rounds!

The two of them spat out blood continuously and their injuries became more and more serious. Their clothes were already dyed red with blood!

Bam!

Bam!

Accompanied by two dull collision sounds, the two of them fell into the ruins of a huge mountain!

“Young brat, I must kill you, kill you!”

I will make your soul dissipate and you will never be reincarnated!”

Lungposa roared and crawled up. The aura on his body began to increase continuously!

Black smoke soared into the sky, covering the sky and sun.. There was even an outline of a black dragon phantom coiling around his body!
