Chapter 2821: Chapter 2821: Do You Really Think Donghua Divine Continent Has No One?

Right at this moment!

“Ahhh...”

Two piercing screams echoed from afar.

Under the fierce joint assault of Zu Wangjiang, Yun Jincheng, Ning Jin Yu, Ji Huai Ren, Lin Haochang, Duan Zhongtian, and Baili Qingchuan!

The Deputy Sect Master of Fulong Immortal Sect, Ma Yichen, and the Vice Saint Master of Netherworld Sacred Land, Hu Dingshan, were both slain!

And Yang Luo had slain Jinyao Kun, Sikong Xuan, and Liu Chongyan!

Now, among the seven forces' leaders, only Vice Saint Master Fen Beiyang of the Golden Crow Sacred Land and Vice Saint Master Sun Jinru of the Great Amplification Sacred Land were left!

At this moment.

Both Fen Beiyang and Sun Jinru struggled to hold their ground, being forced to retreat continuously!

After all, the seven, including Zu Wangjiang, were all Daluo Golden Immortals, incredibly powerful!

“Brother Yun, let’s go, help finish off those two guys quickly!”

Yang Luo shouted to Yun Longxiang.

“Alright!”

Yun Longxiang nodded in agreement.

Immediately, the two flashed and charged towards the battlefield where Zu Wangjiang and the others were!

Seeing Yang Luo and Yun Longxiang also charging in!

Fen Beiyang gritted his teeth and roared, “Brother Sun, we can’t possibly beat these guys, let’s go quickly!”

“Okay!”

Sun Jinru nodded responsively, turned around with Fen Beiyang, and prepared to flee.

Originally, they intended to quickly end the battle, seize the Ancestor Artifact from Ancestor Dragon Sacred Land, and then retreat swiftly.

Unexpectedly, the people from Nan Zhan Immortal Country and the various Ancient Divine Beast Families arrived so quickly.

Moreover, a group of capable young warriors popped up, completely disrupting their plan.

If they didn't escape now, they were likely to perish here.

“Don't even think about escaping!”

Zu Wangjiang roared fiercely, swinging his Dragon Soul Sword forward with great force!

“Ten Thousand Dragon Soul Sword!”

Swish!

A scarlet-gold sword tore through the firmament, slashing towards the fleeing duo!

“Roar, roar, roar!”

Moreover, ten thousand Ancestor Dragon illusions roared and charged upward!

“Emperor Dominating World Blade!”

Yun Jincheng swung his saber forward fiercely!

Swish!

A giant golden blade sliced through the sky, splitting the void, slowly unleashing the Emperor's Aura, sweeping across all directions!

“Azure Dragon Sky Breaking Fist!”

“White Tiger Annihilation Palm!”

Ji Huai Ren and Baili Qingchuan stood proudly in mid-air, unleashing a punch and a palm simultaneously!

A giant azure-gold fist and a giant platinum palm, like meteorites from the heavens and five-fingered mountains, crushed forward!

“Roar, roar!”

Moreover, a massive Azure Dragon illusion and a massive White Tiger illusion roared forth, shaking the skies, disrupting the wilderness!

“Soaring Serpent Extinguishing Immortal Sword!”

“Qilin Breaking Sky Spear!”

“Luwu God-beating Whip!”

Ning Jin Yu, Lin Haochang, and Duan Zhongtian also wielded their weapons, charging forward!

A purple giant sword cracked Changkong, a golden giant spear pierced through the void, and a nine-colored divine whip shattered the firmament!

A massive illusion of a purple soaring snake, golden Qilin, and nine-colored Lu Wu rose simultaneously, pouncing forward!

Zu Wangjiang and the others’ attacks were overwhelmingly fierce!

Fen Beiyang and Sun Jinru had no escape!

“Fight with everything we’ve got!”

Fen Beiyang roared with fury, wielding his saber with all his might!

A huge flame giant blade burned with raging fire, cleaving down fiercely!

As he struck, he also unleashed other killer moves!

“Golden Crow Burning World Map!”

“Ten Suns Destroying All Living Beings!”

“Golden Crow Divine Domain!”

A massive Golden Crow Divine Map gathered above, expanding and rapidly killing forward!

Ten colossal golden-red fireballs gathered above him, like ten suns, crashing forward!

A Golden Crow Divine Domain formed, volcanoes towering, fire seas surging, Golden Crows soaring, crushing forward!

“Great Amplification Splitting Heaven Finger!”

“Great Amplification Extinguishing Immortal Seal!”

“Heaven and Earth Immortal Burial Tablet!”

Sun Jinru also unleashed his strongest battle power, executing mighty attacks!

A silver-gray giant finger, like a sky-supporting pillar, collided upward!

A huge silver-gray seal expanded against the wind, killing downward!

And a mountain-like Immortal Stele broke the firmament, pressing downward heavily!

Bang, bang, bang!

Boom, boom, boom!

Earth-shaking collision and explosion sounds echoed relentlessly, spreading throughout the Ancestor Dragon Sacred Land!

Energy and light surged forth like a roaring river!

Under the fierce joint attack of Zu Wangjiang and the others!

“Ugh, ahhh...”

Fen Beiyang and Sun Jinru could no longer withstand it, their bodies burst, sending flesh flying with miserable screams!

“Twelve Shaman Primal Heavenly Art!”

“Twelve Ancestor Witches·Fusion!”

Yang Luo charged in madly, unleashing killer moves once more!

The twelve Ancestor Witches fused again, transforming into Pangu Emperor, striking three consecutive axe blows!

Bang, bang, bang!

Three massive golden axe shadows cleaved down, splitting the vast firmament and void into three deep abyssal cracks!

Of course, aside from unleashing such killer moves as “Twelve Shaman Primal Heavenly Art”!

Yang Luo also unleashed other attacks!

The Five Directions Dragon Seal flew out, expanding against the wind like five towering Divine Mountains, killing forward!

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared madly out!

“Nine Emperors Ascending!”

Yun Longxiang also roared, issuing a furious shout, unleashing a powerful attack!

Nine emperor illusions dressed in Dragon Robes rose, wielding various weapons, killing fiercely upward!

The Emperor Seal towering over him also slammed upward!

True Dragons, Immortal Phoenixes, Divine Elephants, and nine-headed lions smashed forward!

“Ugh, ahhh...”

Fen Beiyang and Sun Jinru could not withstand anymore, their physical bodies exploding in mid-air!

Even attempting to flee with their Essence Souls proved impossible, all exploding in mid-air!

Thus, Vice Saint Master Fen Beiyang of the Golden Crow Sacred Land and Vice Saint Master Sun Jinru of the Great Amplification Sacred Land met their end!

“Vice Saint Master Fen and Vice Saint Master Sun are dead too!”

“It’s over... truly over... are we going to lose this battle?!”

“We still have so many elders here, we won’t lose!”

“Fight them with all we’ve got!”

The disciples of the seven forces exclaimed in fear, stifling their terror, continued their assault on the people of Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and the Ancient Divine Beast Families!

Many even directly charged towards Yang Luo and the others!

Zu Wangjiang raised his sword, roaring loudly, “Everyone, please aid our Ancestor Dragon Sacred Land to slay these guys, thank you!”

“Kill! Slay them!”

“Don’t let a single one escape!”

Under the lead of the disciples and Ancestor Dragon, the people from Nan Zhan Immortal Country and Ancient Divine Beast Families were pumped with energy, charging forward!

“Brothers, to battle!”

“Brothers, take them down!”

Ji Longyue and Baili Wushuang also roared, joining the charge forward!

Right at this moment!

Powerful shouts echoed from afar!

“Brothers, apologies, we’re late!”

“These treacherous folks even dare to cause trouble, they’re simply seeking death!”

“Do they truly believe Donghua Divine Continent has no one?”

Upon hearing these shouts.

Everyone present swiftly turned their heads to look.

Over hundreds of ancient boats, with a total of sixty thousand people, flew in from afar.

The visitors were——

From the Eastern Domain: The Gubai Ze Family and the Gu Kui Niu Family!

From the Western Region: The Gu Dapeng Family and the Gu Bifang Family!

From the Northern Domain: The Gu Gouchen Family and the Gu Qingqiu Family!

In other words, nearly all the major Ancient Divine Beast Families across Donghua Divine Continent were present!

“Hahaha, brothers, you’ve arrived just in time!”

“Brothers, let’s show these seven major factions the power of our Ancient Divine Beast Families!”

Ji Huai Ren, Baili Qingchuan, and others laughed loudly, their spirits soaring, blood boiling with excitement.

“Oh my goodness, all the people from the Ancient Divine Beast Families are here?!”

“If the other brothers left on Earth saw this scene, they’d be incredibly shocked!”

Bujie, Ning Jianfeng, and others were also filled with excitement.

“Brothers, who are those little guys?”

“So strange, why does their blood hold the lineage of our Ancient Divine Beast Families?”

The family heads of several Ancient Divine Beast Families questioned in confusion.

Ning Jin Yu responded loudly, “Brothers, these little ones are the lineage we left in the lower realms from our Ancient Divine Beast Families. They are our descendants!”

“Really?!”

“Oh heavens, I can’t believe the descendants of our Ancient Divine Beasts have actually ascended to the Jiuzhou Immortal Domain!”

“Great, that’s excellent news!”

The family heads of several Ancient Divine Beast Families were filled with excitement and fervor.

Ning Jin Yu spoke loudly, “Brothers, after the battle is over, we should sit down for a good chat!”

“Alright!”

All the family heads responded forcefully.

Afterwards, under the command of the family heads, the six Ancient Divine Beast Families launched a fierce attack towards the people of the seven major factions!

Yang Luo exclaimed loudly, “Since it’s so lively here, let me call some more allies to aid us!”

Therefore, he planned to summon the Divine Dragons from the Divine Dragon Clan to assist!

Just in time, after the battle is over, he could also inquire about the current situation of Huangzhou!

He has always been worried about the safety of the Divine Dragon Clan and the Yu Lei Immortal Sect!

After all, the Divine Dragon Clan and Yu Lei Immortal Sect were his first friends after arriving at the Jiuzhou Immortal Domain!

No matter if it's the Divine Dragon Clan or the Yu Lei Immortal Sect, they have always treated him well!

If they were in trouble, he would certainly lend a hand!

“Ah?”

Yun Longxiang was stunned, “Brother Yang, you’ve called for help too, where are they?”

“Haha, Brother Yun, just watch closely!”

Yang Luo laughed aloud, then shook his whole body, unleashing his momentum and battle strength to the fullest!

“Great Dao Dragon Diagram!”

In an instant!

A massive Golden Dragon Totem began to gather in the sky!

The Golden Dragon Totem slowly rotated, spreading a vast and grand dragon might and dragon qi!

“Summon Divine Dragon Clan!”

Yang Luo activated the mental imprint left by the Divine Dragon Clan in his divine sense, roaring out loud!

Within minutes!

“Roar Roar Roar!”

A series of dragon roars and hisses emitted from the Golden Dragon Totem!

The next moment!

Over three hundred Black Flood Dragons, Inferior Divine Dragons, Medium Divine Dragons, and High-level Divine Dragons flew out from the Golden Dragon Totem!

Witnessing this scene, everyone present was dumbfounded, staring in shock!

“My heavens, what kind of cultivation technique did this kid use to summon the Divine Dragons of the Divine Dragon Clan?!”

“Strange, isn’t the Divine Dragon Clan supposed to be in Huangzhou? How could they be summoned all the way over here?!”

“The technique that kid used is not simple, who created it?!”

People from the Nan Zhan Immortal Country and various Ancient Divine Beast Families cried out in shock, their eyes wide with disbelief at the scene before them.

Especially the disciples and Ancestor Dragons from the Ancestor Dragon Sacred Land, who were left speechless and deeply astonished.

Of course, the most shocked of all were the people from the seven major factions led by the Golden Crow Sacred Land.

Initially, they were already being overpowered with the participation of the various Ancient Divine Beast Families in the battlefield.

But they hadn’t expected that this guy named Yang Luo could single-handedly summon so many Divine Dragons.

They’re finished!

They are utterly finished!

“Goodness me, Brother Yang, you’ve summoned all these Divine Dragons within minutes!”

“This is incredible, simply incredible!”

Yun Longxiang gazed at the sky, speaking dumbfoundedly, looking at Yang Luo as if looking at a god.

“Preposterous... absolutely unprecedented!”

Shen Tu Xiong exclaimed, trembling uncontrollably.

Lin Xingzhi smiled bitterly, "If Brother Yang had summoned these Divine Dragons to aid at Tianyuan City back then, perhaps the casualties would have been higher!"

Chu Fenghuo sighed, "Brother Yang is no ordinary person, his hidden cards are too numerous to fully comprehend!"

Lu Xueqi was also staring blankly at the sky, lost for words!

During this time, Yang Luo had brought wave after wave of shock and surprise, deeply overwhelming her!

This man is simply a mystery, an unsolvable mystery!

In front of everyone's eyes!

Over three hundred Divine Dragons bowed down to Yang Luo in unison, shouting loudly!

"Greetings, Young Master Yang!"

The sound was earth-shattering, resounding throughout the Ancestor Dragon Sacred Land!

"Young Master Yang?! These Divine Dragons are calling this guy 'Young Master'?!"

"What background does this kid have that makes these Divine Dragons so respectful?!"

Everyone present exclaimed, looking at Yang Luo with eyes full of fear.

Soon, eight Divine Dragons, each several thousand meters long, turned into human form.

Among them were the Seven Law Enforcers of the Divine Dragon Clan: Ao Yan, Ao Kun, Ao Hui, Ao Yu, Ao Zhan, Ao Zhong, Ao Xuan.

The other was an elder from the Divine Dragon Clan, Ao Qianyang.

Ao Qianyang possessed Daluo Golden Immortal Early Stage Cultivation, but was forcefully summoned by Yang Luo this time.

Yang Luo originally intended to try whether he could summon an elder of the Divine Dragon Clan with his current Golden Immortal Perfected Stage cultivation.

Yet he succeeded beyond expectations.

Ao Qianyang glanced around, suddenly surprised, “Young Master Yang, is this the Ancestor Dragon Sacred Land?!”

Ao Yan and the other seven Law Enforcers were also stunned!

They hadn’t anticipated that Yang Luo had already arrived at the Ancestor Dragon Sacred Land and that fighting had broken out here!

“Elder Qianyang, yes, this is indeed the Ancestor Dragon Sacred Land!”

Yang Luo replied, then continued, “Just this morning, the Ancestor Dragon Sacred Land was attacked by various families led by the Golden Crow Sacred Land!

Nan Zhan Immortal Country and various Ancient Divine Beast Families have come to help!

I thought to invite everyone to the Ancestor Dragon Sacred Land to lend a hand, and I have some matters to discuss, so I summoned you all!”

“I see.”

Ao Qianyang nodded in understanding.

Following that, Ao Qianyang and the seven Law Enforcers bowed to Zu Wangjiang and Zu Qianqiu.

“Greetings, Holy Master, greetings to all elders!”

The other Black Flood Dragons and Divine Dragons also bowed respectfully.

After all, within the dragon clan, the status of the Ancestor Dragon Clan was far higher than that of their Divine Dragon Clan.

Zu Wangjiang laughed heartily, saying: “Alright, alright, after the battle is over, let’s have a good gathering!”

“Yes!”

Ao Qianyang and the others responded in unison.

Yang Luo then lifted his sword, blood boiling, shouting mightily: “Brothers, elders!

The final battle has commenced, let’s together completely annihilate all the people of the seven major factions!”

Chapter 2823: Chapter 2823: Wipe Them Out Root and Branch!

“Destroy them!”

“Take down all of them!”

“Those who dare to violate the Donghua Divine Continent shall be killed without mercy!”

“The time for counterattack begins, wipe them all out!”

Everyone from Ancestor Dragon Sacred Land, Divine Dragon Clan, Nan Zhan Immortal Country, and various Ancient Divine Beast Families roared angrily with fervor!

“Kill!”

Yang Luo raised the long sword in his hand, pointed forward as if he was an Immortal Emperor descending to command an army of thousands into battle!

“Kill, kill, kill!”

Everyone roared madly, surging forward like a tide, charging towards the remaining sixty thousand of the seven great forces!

“Roar, roar, roar!”

The Ancestor Dragon and Divine Dragon soared above, emitting roars of dragon and rushing forward with ferocity!

The sky above the Ancestor Dragon Sacred Land was spectacularly dramatic!

“Brothers, what are you waiting for, hurry up!”

A warrior cried out excitedly, charging with the Wutian Demon Stele and Slaughter Demon Palace overhead!

“This battle is the largest we’ve fought since arriving in the Jiuzhou Immortal Domain!”

Although it can’t compare to the Earth Defense War we fought on Earth, it’s still thrilling enough!

Hahaha!”

Ning Jianfeng also laughed loudly, holding the Soaring Serpent Sword, charging forward!

“Haha, brothers, let’s go together!”

“Following Brother Yang is indeed exciting!”

“Let this battle officially mark the beginning of our adventure in the Jiuzhou Immortal Domain!”

Mo Qingkuang, Wu Qiansheng, and Chu Fenghuo all roared furiously, joining the charge!

Clang, clang, clang!...

Thud, thud, thud!...

Boom, boom, boom!...

Sounds of weapons clashing, spells dueling, energy colliding, and explosions echoed endlessly!

The sounds of slaughter, roars, and screams were unending!

With the addition of the Divine Dragon Clan and various Ancient Divine Beast Families, the remaining sixty thousand from the forces led by the Golden Crow Sacred Land were defeated step by step!

One ancient boat after another, one war chariot after another was destroyed, and bodies fell!

Blood splattered across the sky, spraying in all directions!

Not much time had passed!

Under the relentless joint assault from Ancestor Dragon Sacred Land, Divine Dragon Clan, Nan Zhan Immortal Country, and various Ancient Divine Beast Families!

The remaining sixty thousand from the seven forces began to dwindle, reduced to less than thirty thousand!

“Their numbers are too great, we can’t win, we simply can’t win!”

“If we stay here, we’re going to be completely wiped out!”

“Run, escape quickly!”

The remaining thirty thousand shouted in panic as they fled into the distance.

“Chase them down, don’t let them escape!”

“If the weed isn’t rooted out, the wind will blow it back to life, don’t let a single one go!”

Everyone from Ancestor Dragon Sacred Land, Divine Dragon Clan, Nan Zhan Immortal Country, and various Ancient Divine Beast Families shouted out, pursuing the retreat!

The remaining thirty thousand from the seven forces were completely surrounded!

“We can’t escape, let’s fight them!”

“Even if we die, we’ll take a few down with us!”

“Our Sacred Lands, Immortal Clan, and Immortal Sect will surely avenge us!”

With fierce determination, the remaining thirty thousand launched a fierce attack against the people of Ancestor Dragon Sacred Land and other forces!

The battle on this side continued!

And the battlefield overhead in the distance where the battle was even more intense!

Fighting on this side were Daluo Golden Immortal and Taiyi Xuanxian Elders from both sides!

Of course, Yang Luo, Yun Longxiang, Yun Jincheng, Ning Jin Yu, and others also joined the battle!

Bang, bang!

Boom, boom!

The sounds of collisions and explosions echoed through the heavens, shaking all directions!

Blazing lights and mighty energies interwove, continuously spreading, rushing upwards to the nine-layered heaven, and shaking the Nine Abyss below!

The vast firmament, the endless void was filled with cracks, like a massive black net enveloping heaven and earth!

Under the joint assault of Zu Qianqiu and others!

Six of the twenty elders of the seven forces had already fallen, and the remaining fourteen were desperately resisting!

Fen Tian Valley roared furiously: “Zu Qianqiu, do you really intend to annihilate us?”

“What if we do annihilate you!”

Elder Zu Qianqiu roared: “Your Golden Crow Sacred Land has attacked our Ancestor Dragon Sacred Land numerous times, do you think we are easy to bully?”

Elder Zuo Tiangang also said sternly: “Our Ancestor Dragon Sacred Land just wishes for peaceful development, not seeking enmity with anyone!

But you greedy and ambitious people just won’t leave us alone!

You ruthlessly slaughter our kin, using them to refine alchemy and weapons, and now you have the nerve to say we’re annihilating you!”

Fen Tian Valley said grimly: “If you let us go this time, we promise never to invade your Ancestor Dragon Sacred Land again, how about it?”

“Heh heh...”

Zu Qianqiu sneered, “Fen Tian Valley, do you believe your own words?

If we let you go now, I’m afraid you’d attack us again shortly after!”

“Zu Qianqiu!”

Fen Tian Valley’s eyes gleamed with malice, “Are you really not willing to spare us?”

Zu Qianqiu roared: “Everyone, are you willing to spare them?”

“No!”

Everyone from Ancestor Dragon Sacred Land and other major forces roared loudly.

Zu Qianqiu said coldly: “Did you hear? No one is willing to spare you!”

“Fine, very well, splendid!”

Fen Tian Valley laughed in anger, “I hope you won’t regret your actions today!

One day we’ll bring all our allies and obliterate your Ancestor Dragon Sacred Land!

And obliterate your Nan Zhan Immortal Country!

And obliterate your Ancient Divine Beast Families!”

“Kill!!!!”

Zu Qianqiu full of fury, swung the Emperor Dragon Sword, initiating an attack!

“Taihuang Immortal Slaying Sword!”

“Ancestor Dragon Burial God Technique!”

“Nine Emperor Ancestor Dragon Soul!”

Swish!

The purple-gold sword sliced forth, tearing the firmament, cutting through the void, tremendously domineering!

Purple-gold beams of light broke through the sky, like cosmic auroras shooting down!

Nine Dragon Ancestor Heroic Souls gathered and roared out!

Other family heads and elders also launched their most powerful attacks!

The fierce assaults combined overhead, forming a sea of overwhelming energy surging upwards!

Everyone also unleashed their Dharma artifacts, launching suppression attacks!

“Counterattack!!!”

Fen Tian Valley also roared furiously, launching a fierce assault!

“Golden Crow Burning World!”

“Ten Suns Burning Sky!”

“Fire Willow Divine Tree!”

Massive Golden Crow Illusions gathered, charging forward!

Ten huge golden-red fireballs gathered overhead, resembling ten suns in the cosmic starry sky, colliding ahead!

And a Gray Sky Divine Tree rose up, with golden-red flame vines extending out like terrifying Law Divine Chains!

The other thirteen Grand Elders also launched fierce attacks and unleashed their Dharma artifacts, initiating suppression attacks!

In an instant!

Bang, bang!

Boom, boom!

The violent ferocious assaults, the various Dharma artifacts collided in the sky!

Causing a shocking collision and an incredible explosion!

At this moment!

The sky thousands of miles above the Ancestor Dragon Sacred Land was covered with various energies and rays of light, full of phenomena, magnificently majestic!

Chapter 2824: Chapter 2824: Blood-Stained Cangqiong!

"Take action!"

Yang Luo roared, directly throwing the sword in his hand!

"Dragon Emperor Sword, go!"

"Immortal Suppression Pagoda, go!"

The Dragon Emperor Sword sliced through the sky, shooting out explosively!

The Immortal Suppression Pagoda also continued to expand rapidly, charging for a kill!

"Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, Dragon Soul Tao Seal!"

"Go!"

Five more Dharma artifacts flew out from Yang Luo's storage ring, continually expanding and launching a fierce assault!

Of course, while summoning the artifacts, Yang Luo also continued to unleash other deadly moves!

He lifted his hands, tracing ancient patterns in the sky, and let out a great roar!

"Chaos Destruction Skill!"

"Holy Dragon, Four Divine Beasts, Four Evil Beasts, Transformation!"

In the blink of an eye!

A massive golden Tai Chi Diagram formed in the sky!

The Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts flew into the Tai Chi Diagram!

The entire Tai Chi Diagram continually expanded, like a golden firmament pressing down!

Just as the golden Tai Chi Diagram pressed down!

The twelve Ancestral Witches also stood tall above him, transforming into Pangu Emperor, swinging their axes thrice forward!

Seeing Yang Luo continuously unleash powerful and fierce attacks!

Yun Longxiang did not hesitate, unleashing all his attacks!

The Emperor Seal towering above him rapidly expanded like a grand mountain, emanating the Aura of the Emperor, crushing down!

"Roar roar roar!"

The True Dragon, Immortal Phoenix, Divine Elephant, and nine-headed lion let out roars, charging forth!

Nine Emperor phantoms also stood tall above him, wielding giant weapons, launching a dominant assault!

He also summoned his own Dharma artifacts, all launching a joint assault!

Although Yang Luo and Yun Longxiang were merely juniors, their power didn't match those of the elders!

However, with their assistance, the attack power increased immensely!

"Brother Tian Gu... I can't hold on much longer!"

"What should we do... what should we do now?!"

"We can't escape... we simply can't escape!"

The elders of the seven great forces all shouted in despair and collapse.

Fen Tian Valley roared angrily: "Even if we can't hold on, we must!"

Fen Bumie transmitted his voice to ask: "Brother Tian Gu, what on earth is happening?!"

Why hasn't Brother Cang Sheng arrived?!"

"Yes, why hasn't Cang Sheng Immortal arrived?!"

"If Elder Cang Sheng could come to help, we would have a chance to turn the tables!"

The other elders also transmitted their voices in their hearts.

Fen Tian Valley gritted its teeth and transmitted: "I also don't know why Brother Cang Sheng is delayed!"

Let's not talk about this now, quickly counterattack, and hang on a bit longer!"

"Yes!!!"

The other elders also shouted back, continuing their counterattack.

"Ahhhh..."

But, three Daluo Golden Immortal elders couldn't hold on and let out painful screams as their physical bodies and Essence Souls shattered completely!

Vast amounts of blood splattered out, staining the sky red, shocking to behold!

Zu Qianqiu shouted: "Everyone, keep attacking, the fewer enemies we have, the less threat we'll face in the future!"

"Alright!!!"

The other elders and family heads also shouted back, continuing their fierce assault with Zu Qianqiu!

...

While the battle raged at the Ancestor Dragon Sacred Land!

In the endless void thousands of miles away from the Ancestor Dragon Sacred Land!

An old man dressed in a gold-red robe, slender in stature, with white hair and beard, was swiftly crossing the void, rushing towards the scene!

This old man was engulfed in gold-red flames, his eyes like Flame Divine Lamps, extremely sharp!

The powerful Space Law seemed to have no effect on him!

This old man was one of the Nine Heavens Immortals of the Golden Crow Sacred Land, named Fen Cangsheng, titled "Cang Sheng Immortal"!

His cultivation was at the Middle Stage of Nine Heavens Immortal!

Yet, as Fen Cangsheng crossed halfway!

"Roar roar!—"

Two ancient and primordial dragon roars echoed through the entire void!

Fen Cangsheng was suddenly shocked, lifting his gaze abruptly!

He saw a golden dragon and a black dragon crossing the void, flying towards this way!

One was glowing with dazzling golden light, the other with brilliant black light!

Both dragons were over ten thousand meters long, with bodies as vast as mountains, and dragon horns as majestic as Ancient Sky Trees!

As the two dragons crossed the void, waves of overwhelming dragon might and dragon qi surged forward!

These dragon might and dragon qi were almost tangible, twisting and deforming the void!

But Fen Cangsheng, with a tremor of his body, withstood the crushing dragon might and dragon qi!

In the blink of an eye!

The two dragons flew over and transformed into human forms, revealing two old men with dragon horns on their heads!

One was wearing a gray robe, the other a black robe!

Despite their white hair and beards, these two elders with dragon horns emanated unparalleled dominance!

These two old men were two Nine Heavens Immortal elders of the Ancestor Dragon Sacred Land, Grand Elder Zu Daoyuan and Second Elder Zu Guanqi!

Zu Daoyuan's cultivation was at the Middle Stage of Nine Heavens Immortal, Zu Guanqi's at the Early Stage of Nine Heavens Immortal!

Fen Cangsheng squinted and said: "So, you two old dragons haven't perished yet, still alive!"

It seems the rumors are true, the Ancestor Dragon Sacred Land indeed has Nine Heavens Immortals in residence!"

"Hmph!"

Zu Daoyuan snorted coldly, saying: "Even you are still alive, why would we perish so soon!"

Fen Cangsheng said coldly: "Move aside quickly, or I shall slaughter you!"

"Fen Cangsheng, Golden Crow Sacred Land has invaded my Ancestor Dragon Sacred Land time and again, do you really think we are easy to bully?"

"If you don't want to die, get lost!"

Zu Daoyuan and Zu Guanqi both shouted loudly.

Fen Cangsheng said sinisterly: "If you want me to leave, let's see if you have the strength to stop me!"

With that, his whole body shook!

Rumble!

The vast expanse of the void trembled violently!

Terrifying waves of Golden Crow Divine Fire spread from his body, turning into a gold-red Fire Sea!

The gold-red Fire Sea instantly swept across the void, twisting it fiercely, burning even the chaotic fog away!

Moreover, ten suns slowly rose behind him, illuminating the endless Dark Void!

"Golden Crow Divine Tripod!"

With a mighty shout!

A gold-red treasured cauldron, the size of a baby's fist, flew out from his forehead!

Only those who step into Nine Heavens Immortal can build an Immortal Platform in their divine sense, to place weapons and artifacts, without needing storage rings or storage bags anymore!

This treasured cauldron named "Golden Crow Divine Tripod" was one of the ancestor artifacts of Golden Crow Sacred Land, of intermediate half-step Emperor Grade!

"Roar roar!—"

Zu Daoyuan and Zu Guanqi both trembled, unleashing their momentum and battle strength!

Boom boom!

A golden beam and a black beam shot from their bodies into the sky, tearing open the void above, reaching into the Cosmic Starry Sky!

Ancient, vast, and mighty dragon might and dragon qi spread out, forcibly blocking the Golden Crow Divine Fire's Fire Sea!

Moreover, massive Ancient Ancestor Dragon phantoms, tens of thousands of meters long, gathered around them, overwhelmingly imposing!

"Taixu Dragon Tower!"

"Primordial Dragon Seal!"

Zu Daoyuan and Zu Guanqi shouted simultaneously.

A golden treasured tower and a black dragon seal flew out from their foreheads, flashing dazzling immortal light!

Chapter 2825: Chapter 2825: The Plan Has Changed!

The golden tower has a total of nine levels, with nine dragons coiling around its body, and is ranked as an intermediate half-step Emperor grade!

The black dragon seal is also coiled with nine dragons, engraved with Long Wen and runes on top, and is ranked as a basic half-step Emperor grade!

Although both the Taixu Dragon Tower and the Primordial Dragon Seal have imperfections, the oppressive aura they emanate is still terrifyingly potent!

These two artifacts are precisely the Ancestor Artifacts passed down by the ancestors of the Ancestor Dragon Clan!

"Golden Crow Divine Tripod, go!"

Fen Cangsheng swung his large sleeves!

Humming loudly!

The Golden Crow Divine Tripod, initially only the size of an infant's fist, continuously expanded and erupted into blazing flames, charging with an intent to suppress and kill!

Moreover, golden-red flames capable of burning immortals and slaying gods erupted like a fountain from the mouth of the tripod, surging towards Zu Daoyuan and Zu Guanqi!

“Taixu Dragon Tower!”

“Primordial Dragon Seal!”

“Go!”

Zu Daoyuan and Zu Guanqi also waved their large sleeves and shouted in a resounding voice!

The Taixu Dragon Tower and Primordial Dragon Seal both flew out simultaneously, rapidly expanding, and collided fiercely!

As the Taixu Dragon Tower and Primordial Dragon Seal collided!

Beams of energy burst forth explosively!

A myriad of dragon talismans charged with an oppressive force!

Phantom images of ancestral dragons roared out one after another!

In that instant!

Klang boom!

Doom boom!

The three half-step Emperor-level artifacts collided heavily, and the ensuing onslaught clashed mightily!

The momentum was earth-shattering, shaking the Nine Heavens and Ten Earths!

The vast void was continuously cracking from the tremors, the Qiankun unstable, as if it were about to collapse entirely!

Although the Taixu Dragon Tower and Primordial Dragon Seal had imperfections, under the combined assault of the two Ancestor Artifacts!

The Golden Crow Divine Tripod was overwhelmed and pushed back repeatedly!

“This...”

Fen Cangsheng’s expression changed, his aura and combat strength surged once more, dashing across the void towards Zu Daoyuan and Zu Guanqi!

“Fight!!”

Zu Daoyuan and Zu Guanqi also stepped forward, meeting the battle head-on!

In the instant they approached!

Fen Cangsheng raised a palm, smashing it out forcefully!

A giant palm continuously enlarged, burning with fierce golden-red flames, as if it would extinguish the heavens and earth, annihilating everything!

The majestic palm intent, Heaven and Earth Great Dao Power, and Power of Laws surged, terrifying to the extreme!

Zu Daoyuan and Zu Guanqi struck out with a tyrannical Dragon Form Fist and a world-domineering Dragon Palm!

As the Dragon Fist emerged, it reverberated throughout the Jiuxiao, shaking the eight desolations and ten earths!

As the Dragon Palm emerged, it shattered the void, shaking the outer stars!

In the blink of an eye!

Bang boom!

Fen Cangsheng’s palm strike collided heavily with the punches and palms of Zu Daoyuan and Zu Guanqi!

This was no longer just a battle of energy, but a collision and clash of laws!

The vast void shattered into fragments, and the outer stars were shaken down, shattered into pieces by the surging energy and light!

Fortunately, the battle took place in the void; if it were outside, unimaginable destruction would have ensued!

It was feared even the Ancestor Dragon Sacred Land might be utterly destroyed!

In this fierce clash!

Fen Cangsheng was sent flying backward!

Zu Daoyuan and Zu Guanqi were also forced to retreat repeatedly!

But soon, the three figures flashed, surpassing the speed limit, rushing at each other once more!

Bang bang bang!

Boom boom boom!

Thunderous collisions and explosions resounded unceasingly like rolling heavenly thunder!

The speed of their battle was at its peak, each move causing vast sections of the void to collapse, even revealing the outer starry sky!

But facing the combined assault of Zu Daoyuan and Zu Guanqi, Fen Cangsheng was evidently at a disadvantage, constantly being repelled...

...

At the same time.

Above the Ancestor Dragon Sacred Land.

The great battle continued.

Though the crowd could not see the battle between Fen Cangsheng, Zu Daoyuan, and Zu Guanqi, they could hear thunderous sounds coming from thousands of miles away.

They could even see the void tearing, as if ready to collapse at any moment.

“What’s happening, why such commotion thousands of miles away?!”

“Could it be someone is battling in the void?!”

“To battle in the void, one would need at least to be a Taiyi Xuanxian or even stronger!”

Everyone above the Ancestor Dragon Sacred Land exclaimed in shock, stunned by the unexpected turn of events.

“Brothers, forget about that for now, let’s wipe out everyone from these seven forces!”

Bujie shouted.

“Indeed!”

“Finish them first, talk later!”

The disciples of various forces led by the Ancestor Dragon Sacred Land also shouted in response, continuing their charge to slay their foes.

After what felt like an incense stick of time.

The remaining tens of thousands from the seven forces had been completely annihilated.

And high up in the sky.

“Ugh ah ah...”

Another two Taiyi Xuanxian elders from the seven forces couldn't withstand it and exploded in the sky!

Their physical bodies destroyed, their Essence Souls also turned to ashes!

“Continue the attack, annihilate them!”

Zu Qianqiu roared fiercely once again, launching a mighty assault on the remaining nine elders of the seven forces!

Yang Luo, Yun Longxiang, and other elders and family heads all unleashed their lethal attacks, charging manically!

Soon after.

“Ah...”

The last Daluo Golden Immortal elder met a tragic demise in the sky.

Now only eight Taiyi Xuanxian elders remained.

But the offensive from Zu Qianqiu and others didn't stop, and they continued to launch a fierce assault!

Yang Luo once again summoned the Sunset Divine Bow and three Sun-shooting Divine Arrows!

He channeled his energy to the utmost, infusing it into the Sunset Divine Bow and the three Sun-shooting Divine Arrows!

“Senior Da Yi, please lend me a hand!”

Yang Luo let out a resounding shout.

In an instant!

Rumble rumble rumble!

A colossal golden giant, tall as a mountain, imposing and majestic, with hair flying wildly, rose from Yang Luo’s being!

Da Yi Heroic Spirit appeared once again!

“Da Yi... Could it be the ancient mighty figure Senior Da Yi?!”

“It truly is Senior Da Yi... It’s truly Senior Da Yi!”

“My god... this kid actually summoned Da Yi’s Heroic Spirit... Unbelievable!”

Everyone present was utterly shocked.

In this battle, the powerful prowess Yang Luo exhibited, executing various powerful cultivation techniques and immortal techniques, left them in waves of shock.

“Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, go!”

Yang Luo shouted once again, shooting arrows alongside Da Yi Heroic Spirit, firing off the three Sun-shooting Divine Arrows!

Whoosh whoosh whoosh!

The three Sun-shooting Divine Arrows transformed into three brilliant golden streaks, shooting out fiercely, tearing through the heavens and the void, overwhelmingly terrifying!

At that moment, Zu Qianqiu and others also launched a ferocious and violent assault!

“Ugh...”

“Ah...”

Two Taiyi Xuanxian elders from the seven forces let out piercing screams, their bodies exploding, echoing throughout the heavens!

Their Essence Souls attempted to escape, yet were met with Zu Qianqiu and others’ fierce assaults, and were also pierced by the three Sun-shooting Divine Arrows!

These two Taiyi Xuanxian elders also turned entirely to ash!

But just as Yang Luo and the others prepared to continue their fierce assault!

“Plans have changed, retreat!”

A robust voice echoed simultaneously in the minds of the remaining six Taiyi Xuanxian elders from the Fen Tian Valley and others.

Fen Tian Valley immediately realized it was Fen Cangsheng’s voice!

Why retreat?

What exactly has happened?

Could it be that the opponents also have a Nine Heavens Immortal making a move?

Chapter 2826: Chapter 2826: Today’s Grudge, Returned Another Day!

Fen Tian Valley and the other five were utterly baffled!

To know, Fen Cangsheng is a Nine Heavens Immortal!

Moving Mountains and Seas, Destroying Heaven and Earth, shattering the Void, all come easily to him, his strength is incredibly formidable!

Moreover, this time Fen Cangsheng emerged from seclusion specifically to suppress for them!

As long as Fen Cangsheng appears, annihilating Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, Divine Dragon Clan, and each divine beast family won’t take much effort!

But unexpectedly, now Fen Cangsheng actually wants them to retreat!

Unless Fen Cangsheng encountered a formidable enemy, he would never have them retreat!

Just as Fen Tian Valley and the other five were stupefied!

Zu Qianqiu and the others continued their fierce attack!

“Ancestor Dragon’s Fury!”

“Emperor Dragon Domain!”

“Emperor’s Nine Seals!”

“Nine Heavens Dragon Gate!”

“White Tiger’s Chaotic World!”

...

Assaults surged forth, Chaotic Heaven and Earth, shaking the eight directions, stunning the ten lands!

Punches and palms flying, blades and swords flashing, huge seals soaring, Immortal Maps crushing the sky, Ancestor Dragon roaring, Divine Beasts dancing chaotically!

The entire scene was unbelievably magnificent, captivating the soul!

“Counterattack!”

Fen Tian Valley roared out, launching a counterattack forward!

“Golden Crow Burning World, Ten Suns Destroying All Living Beings!”

In an instant!

The Fire Sea surged, vast and mighty!

Each Golden Crow Illusion congealed, pouncing forward!

Ten golden-red fireballs, like suns, swept through the Fire Sea, colliding out!

“Great Amplification Destruction Heaven Technique, Chaotic Nine-layered Heaven!”

“Golden Peng Roar the Sky, Ten Thousand Flying Feather Sword!”

“Nine Nether Fills the Sea, Nine Revolutions Life and Death Gate!”

...

The other five Taiyi Xuanxian Elders also launched their strongest counterattack!

Instantly!

Clang, Clang, Clang!...

Boom, Boom, Boom!...

Assaults clashed crazily in the sky, sounds of collisions and explosions resounding continually!

Huge balls of energy exploded in the sky, turning everything upside down, terrifying beyond compare!

The vast Cangqiong, immense Void was being torn apart on a large scale, awe-inspiring!

“Uugh ahhhhhh...”

Under the fierce onslaught of Zu Qianqiu, Yang Luo, and others, Zu Qianqiu and the other six screamed in pain, flying backward!

They spat blood wildly from their mouths, blood and flesh splattering from their bodies, extremely tragic!

Even if they wanted to retreat now, and try to tear through the Void to escape, it was already too late!

But, just at this moment!

Rumble, Rumble, Rumble!

A series of explosive sounds like rolling thunder came from above!

Everyone present suddenly raised their eyes to look up!

Only to see, a gigantic Void Cave exploded open in the heavens above!

A vast beam of light descended from the sky, enveloping Fen Tian Valley and the others, gathering a mysteriously profound teleportation array!

The array shimmered with dazzling golden-red light, formation patterns flowing, runes flashing, extraordinarily enigmatic!

Moreover, this teleportation array contained vast and mighty energy, as well as various Powers of Laws!

“These six old bastards are trying to run away, stop them!”

Yang Luo shouted intensely, once again teaming up with Da Yi Heroic Spirit, drawing bows and shooting arrows, launching three Sun-shooting Divine Arrows!

Zu Qianqiu and others also realized, continuing their fierce assault!

“Golden Crow Divine Furnace, go!”

Fen Tian Valley let out a roar.

Buzzing!

Accompanied by a buzzing sound!

The Golden Crow Divine Furnace shot out directly from above his head, blazing fiercely, rushing upwards!

The other five elders also continued their counterattack!

Clang, clang!

Boom, boom!

Sounds of collisions and explosions that shook the heavens and moved the gods, resounded in all directions, causing chaos in the nine heavens!

Although the assault by the Golden Crow Divine Furnace and the five elders barely withstood the heavy attacks by Zu Qianqiu and others!

But Fen Tian Valley and the other six were once again injured, blood splattering across the Cangqiong!

Particularly, three among the elders were also injured by the Sun-shooting Divine Arrows launched by Yang Luo, causing large amounts of blood!

However, just as Fen Tian Valley was preparing to retrieve his Golden Crow Divine Furnace!

Yang Luo shouted loudly: “Surround it!”

“Got it!”

The Immortal Suppression Pagoda immediately flew out, blocking the Golden Crow Divine Furnace!

Dragon Emperor Sword, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, Dragon Soul Tao Seal, and three Sun-shooting Divine Arrows directly surrounded the Golden Crow Divine Furnace!

“Ooh!—”

The Golden Crow Divine Furnace let out a howl, trying to rush out, but couldn't break out at all!

"Little bastard, you deserve to die! You deserve to die!!!"

Fen Tian Valley, seeing he can't retrieve the Golden Crow Divine Furnace, let out a roar of extreme fury!

"Zu Qianqiu, next time we meet, I will surely kill all of you!"

"Just you wait, next time, we will surely annihilate your Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and each major ancient divine beast family!"

"Today's hatred, we will remember, and one day will repay you a thousandfold, ten thousandfold!"

As the last furious roars of the seven family heads and elders echoed.

The teleportation array had already been activated!

The space suddenly fluctuated fiercely!

Fen Tian Valley and the six elders instantly disappeared into the sky!

Until the teleportation array slowly dissipated!

The six of Fen Tian Valley had already disappeared into the sky, until the teleportation array gradually faded!

Uncle Yun wore an angry expression, "They still managed to escape, six of them!"

Yang Luo's face also darkened!

Just now they clearly had the chance to slaughter all six old bastards of Fen Tian Valley!

But unexpectedly, a beam of light suddenly beamed down from the sky, laying down a profoundly mysterious teleportation array!

Bujie said angrily, "Damn it, those old geezers fled pretty swiftly!"

Ning Jianfeng gritted his teeth and said, "They still managed to make such a ruckus here, kill so many people, and then simply ran away!"

Chu Fenghuo let out a long breath of turbid air, said, "Although those six old guys escaped, but in this battle, we scored a great victory by wiping out so many with them!"

“That’s right!”

Lin Xingzhi nodded as well, saying, “And those seven leading guys were also slain by us!”

Everyone present nodded, feeling greatly relieved and excited!

Ning Jin Yu turned to Zu Qianqiu and said in a deep voice, “I don’t know who laid it down!”

But judging from the skillfulness of that teleportation array just now, it can be confirmed, that the other side had a Nine Heavens Immortal’s intervention!”

“What?! The other side had a Nine Heavens Immortal involved?!”

“No wonder Fen Tian Valley and the others managed to escape in an instant!”

“Indeed, if the other side’s Nine Heavens Immortal made a move, we simply couldn’t stop them!”

The family heads and elders present all exclaimed in astonishment.

Upon hearing Zu Qianqiu’s words, Yang Luo was also shocked!

Nine Heavens Immortal!

Unexpectedly, the other side’s Nine Heavens Immortal had acted, but hadn’t shown themselves!

Chapter 2827: Chapter 2827: The Two Ancestor Dragons!

The others present were also deeply shocked!

If the opponent’s Nine Heavens Immortal takes action, they probably won’t survive!

After all, it’s a Nine Heavens Immortal!

A being worshipped by countless people!

Among all the forces in the Jiuzhou Immortal Domain, apart from those major powers having a Nine Heavens Immortal in command, the other small and medium-sized forces don’t even have a single Nine Heavens Immortal!

Yun Jincheng frowned and said, “Elder Qianqiu, since the opponent’s Nine Heavens Immortal hasn’t appeared but helped Fen Tian Valley escape.

It must be that an elder from our side took action, causing the opponent's Nine Heavens Immortal to retreat.

But which senior from our side took action and repelled the opponent's Nine Heavens Immortal?"

The others present also looked puzzled.

However, in everyone's confusion!

Boom!

A sudden series of explosions and roaring sounds came from the sky thousands of miles away!

Everyone was startled and quickly looked over!

They saw a giant Void Cave suddenly open in the distant sky.

Dazzling golden and black lights shot out, illuminating the night sky.

Thus, this battle had lasted all day, and now it was night.

With beams of light shooting out.

Two figures flew out from the inside, appearing in everyone's view.

When these two figures appeared.

Vast and powerful dragon might and dragon qi spread out, sweeping across the surrounding sky and earth.

"Wow, two figures appeared in the sky!"

"Who are they?!"

"Such mighty dragon might and dragon qi!"

Everyone present exclaimed, tightly fixated on the distant sky.

Soon, those two figures took a single step.

With just one step, they crossed thousands of miles.

In the blink of an eye, they appeared over the Ancestor Dragon Sacred Land.

These people were two elders, one dressed in a gray robe, the other in a black robe.

The two elders had white hair and beards, with horns on their heads, appearing aged and frail.

Despite their appearance of an aging Azure Dragon, their eyes were deep like the sea, filled with an aura of supreme dominance.

Upon seeing these two elders!

Zu Qianqiu was initially stunned, then exclaimed in surprise, "Big brother, second brother, weren't you in seclusion? Why have you come out?!"

Zu Wangjiang and Zu Tiangang were also astonished!

Especially the elders of Nan Zhan Immortal Country and various Ancient Divine Beast Families were shocked!

"Could these be the two senior elders guarding the Ancestor Dragon Sacred Land, Taixu Ancestor Dragon and Primordial Ancestor Dragon?!"

"Rumor has it that the Ancestor Dragon Sacred Land has two senior elders in command, allowing it to stand firm in the Jiuzhou Immortal Domain for so many years; it turns out to be true!"

"I never thought I would see these two legendary elders today; it's such an honor, truly an honor beyond measure!"

Everyone exclaimed with surprise, eyes full of disbelief.

After all, for so many years, the Ancestor Dragon Sacred Land had witnessed numerous battles, yet Taixu Ancestor Dragon and Primordial Ancestor Dragon had never appeared.

But unexpectedly, these two elders appeared today.

Thus, these two elders were precisely "Taixu Ancestor Dragon" Zu Daoyuan, "Primordial Ancestor Dragon" Zu Guanqi.

"Greetings to the two seniors!"

Everyone present bowed respectfully.

Yang Luo was deeply shaken!

It turned out the Ancestor Dragon Sacred Land actually had two Nine Heavens Immortals stationed there; it's truly incredible!

"No need for such formalities!"

Zu Daoyuan raised a hand, then said, "My second brother and I came out of seclusion because we sensed that Fen Cangsheng from Golden Crow Sacred Land had arrived here!

If we hadn't come out, everyone might have been in grave danger!"

Of course, they came out of seclusion for another reason, but they didn't speak of it, merely glanced at Yang Luo thoughtfully!

Seeing the two looking at him, Yang Luo's heart stirred!

Could it be these two seniors have already sensed Senior Xinghe and the others in my Divine Sense Space?

It makes sense; these two seniors have profound cultivation and are Ancestor Dragons; they must be able to sense Senior Xinghe and the others!

After all, Senior Xinghe and the others are the true Holy Dragons, ancestors of all the dragon tribes!

Nonetheless, Zu Daoyuan's words stirred an uproar!

"Oh my heavens, Fen Cangsheng from Golden Crow Sacred Land actually came?!"

"Fen Cangsheng is a true Nine Heavens Immortal, and with Golden Crow Sacred Land's Ancestor Artifact, his power is immensely formidable!"

"So the teleportation formation was set by Fen Cangsheng; no wonder it could instantly transport Fen Tian Valley and the others away!"

Everyone present exclaimed in shock, eyes filled with fear.

It turns out they were so close to death!

If Zu Daoyuan and Zu Guanqi hadn't appeared, they would likely have perished!

Zu Daoyuan continued, "Thus, not long ago, my second brother and I battled him fiercely in the Void!

However, the fellow is extremely cunning, used a secret technique to temporarily restrain my second brother and me, then seized the chance to escape!"

"I see."

Everyone nodded in understanding.

Zu Guanqi glanced around, sighed, and then said, "Let's go into the main hall for a discussion!"

"Okay, second brother!"

Zu Qianqiu replied, then ordered to clean the battlefield.

People from Nan Zhan Immortal Country and various Ancient Divine Beast Families also joined in cleaning the battlefield.

Zu Qianqiu raised a hand and said, "Everyone, please!"

"Please!"

The family heads and elders also raised their hands.

Then, led by Zu Qianqiu, everyone flew towards the distant main hall.

Yang Luo forcefully stored the Golden Crow Divine Furnace into the storage ring and instructed the Immortal Suppression Pagoda, "Make sure this fellow behaves!

If it continues to struggle, give it a beating!"

"Brother Yang, leave it to me; I'll definitely subdue it!"

The Immortal Suppression Pagoda responded and flew into the storage ring.

Yang Luo then stored all the other weapons and Dharma artifacts into the storage ring.

Bujie chuckled and said, "Brother Yang, it's said this Golden Crow Divine Furnace is a Basic Half-step Emperor-level Magical Artifact. Let me have fun with it!"

Yang Luo glanced disdainfully at the thing and said, "If you don't want to get burned to death, you can take it!"

"Uh... well..."

Bujie scratched his head and said, "I'll wait until you tame the Golden Crow Divine Furnace, then ask to borrow it!"

Yun Longxiang said with a mix of crying and laughing, "Brother Yang, I admire you, you've actually snatched the furnace from Fen Tian Valley!"

That old fellow must be furious enough to spit blood now!"

Shen Tu Xiong laughed happily and said, "Indeed, this Golden Crow Divine Furnace is one of the Ancestor Artifacts of Golden Crow Sacred Land!

You've directly snatched it away, making that old fellow's heartache fiercely!"

Yang Luo said coldly, "It's just his good fortune I didn't kill him!

As for the Golden Crow Divine Furnace, consider it a bit of interest!"

Yun Longxiang sighed and said, "Brother Yang, you've now completely offended Golden Crow Sacred Land!

With the vengeful nature of those folks from Golden Crow Sacred Land, they will definitely not let you go!"

Chu Fenghuo, Lin Xingzhi, and Lu Xueqi all had eyes full of worry.

Chapter 2828: Chapter 2828: At Worst, a Fight to the Death!

Yang Luo let out a long breath of turbid air and said, "I have already formed an unbreakable enmity with the Golden Crow Sacred Land!

All I can do is continually enhance my cultivation and strength, to accumulate my power!

One day, I am determined to accomplish what Senior Da Yi did not complete, to utterly destroy the Golden Crow Sacred Land, to annihilate the Golden Crow Clan!"

"Brother Yang, we will also keep improving our cultivation and strength, becoming stronger to assist you in facing the Golden Crow Sacred Land!"

"That's right, we are brothers, naturally, we live and die together, overcoming all adversities!"

"What nonsense Golden Crow Sacred Land, if they dare to provoke us, we shall eliminate them outright!"

Yun Longxiang, Xia Chaoyang, Bujie, and others shouted confidently, their fighting spirit soaring.

Even though the Golden Crow Sacred Land is a colossal force to reckon with now, they were not afraid but rather inspired to fight harder.

Yang Luo waved his hand and said, "Brothers, let's go!"

Then, under Yang Luo's lead, everyone flew towards the distant grand hall.

In the arrangements of the Ancestor Dragon Sacred Land, everyone rested and healed.

By nightfall, everyone gathered in a grand hall.

The grand hall was furnished with several large jade tables, laden with delicious delicacies and exquisite wines.

Elder Zu Qianqiu raised his glass and said loudly, "Thank you all for coming to help our Ancestor Dragon Sacred Land this time!

If it weren't for you, we couldn't have defeated the seven forces led by the Golden Crow Sacred Land!

We also wouldn't have been able to annihilate their tens of thousands, slaying fourteen elders, and seven leaders!

This cup, I drink to all of you!"

"Elder Qianqiu, you are too kind, we are all friends, naturally we should support each other!"

"Back then, when our families were in trouble, Elder Qianqiu, you also brought people to help us, we will always remember this kindness!"

"Moreover, it's also thanks to Elder Dao Yuan and Elder Guanqi stepping in, otherwise, we're not a match for Fen Cangsheng!"

"Our various forces are now weak, we must unite to avoid being bullied by other top tier forces!"

"Gentlemen, no need for more words of thanks, let's drink!"

All the family heads and elders raised their glasses, drinking up the wine.

After finishing a glass of wine.

Zu Qianqiu poured another glass, looked at Yang Luo and others, smiled warmly, and said, "This second cup, I drink to you!"

"Ah?"

Yang Luo was taken aback, "Drink to us?"

"That's right!"

Zu Qianqiu nodded and said, "We all witnessed your performance on the battlefield today.

Your bravery and fearlessness deeply impressed us old folks."

Zu Tiangang also laughed heartily and said, "Yes, yes, your cultivation isn't that high, but your strength is certainly not weak!

This second cup indeed must be drunk to you!"

Zu Wangjiang looked at Yang Luo and said, "Especially you, young man, the strength you displayed, and the various techniques, have truly broadened our horizons!"

"Yes, this young man is indeed remarkable, although he hasn't stepped into the realm of a Daluo Golden Immortal, he already has the strength to slay one, it's indeed impressive!"

"Isn't that the case, this young man just came and with the Sunset Divine Bow and Sun-shooting Divine Arrow killed the Golden Crow Seventh Prince, Sikong Xuan, and Liu Chongyan!

Afterwards, with thunderous might, he slew seven law enforcers, even that Jinyao Kun was slain by him!"

"It seems, another peerless talent is rising in the Jiuzhou Immortal Domain!"

Other family heads and elders also exclaimed, looking at Yang Luo with eyes full of approval and admiration.

Yang Luo scratched his head and smiled, "Seniors, you flatter me, my current cultivation and strength are nothing compared to yours.

I still have a lot to learn and grow, I hope seniors will guide me more in the future."

Upon hearing Yang Luo's words, the approval in the eyes of the family heads and elders present grew even stronger.

In their eyes, it's rare for someone so young as Yang Luo to have such high cultivation and strength while remaining so humble.

It's known that those top heavenly prides in the Jiuzhou Immortal Domain are all extremely proud and aloof.

Zu Qianqiu smiled while stroking his beard and said, "You really are modest, among the younger generation in the entire Jiuzhou Immortal Domain, not many can compare with you."

Yang Luo then raised his glass and said, "Seniors, it's more appropriate for me to drink this cup in honor of you!"

Zu Tiangang laughed heartily and said, "Since this young guy is honoring us, it would be too disrespectful not to drink!"

"Drink, we must drink!"

"This young man is highly likely to rank among the top heavenly prides in the future, and perhaps even reach the pinnacle of the Jiuzhou Immortal Domain, to drink a cup offered by him is indeed our honor!"

"Young man, if you reach the peak in the future, take care of us more!"

"Hahaha..."

Everyone was in a jovial mood, teasing each other jovially.

Yang Luo smiled helplessly and said, "Seniors, you are all respected elders to us juniors, if you ever need my help in the future, I will certainly assist with all my strength!"

"Good!"

"Everyone, let us drink this cup together!"

Everyone raised their glasses, drinking up the wine.

After finishing this cup of wine.

Yun Jincheng frowned and said, "Gentlemen, this time we destroyed tens of thousands from the seven forces led by the Golden Crow Sacred Land, we've reached an unavoidable conflict!"

In the future, these seven forces will certainly make a comeback and launch a full-scale attack on us!"

"Hmph!"

Ning Jin Yu snorted coldly and said, "An unending conflict, so be it! If they dare to come again, we'll fight to the death!"

"As long as we unite, we are not afraid of these guys!"

"Even if our various families are weak now, it's not easy for them to destroy us either!"

The family heads and elders present were all filled with righteous indignation, without the slightest fear.

Zu Qianqiu said solemnly, "Gentlemen, the Golden Crow Sacred Land is ultimately one of the top forces in the Jiuzhou Immortal Domain!

There are many forces depending on them, if they really launch a full-scale attack on us, it's definitely troublesome!

Therefore, we must start preparing now to prevent a massive invasion by the Golden Crow Sacred Land!"

"Hmm!"

All family heads and elders nodded heavily.

At this time.

Mu Zhenfeng, the head of the Gubai Ze Family, asked Ning Jin Yu, "Brother Ning, earlier on, you said these youths are bloodlines left by our ancestors in the lower realm, they are our descendants, what is this about?"

Other family heads and elders also looked at Ji Longyue and Baili Wushuang and others.

Ning Jin Yu said to Yang Luo, "Little Luo, why don't you explain to everyone."

"Alright!"

Yang Luo nodded and then narrated the origins of himself and others to the family heads and elders present.

After hearing what Yang Luo said.

The family heads and elders present were all shocked!

Mu Zhenfeng exclaimed, "I didn't expect the bloodlines left by our ancestors in the lower realm to have not perished, they still exist!

And some younger ones have ascended to the Jiuzhou Immortal Domain!

If the ancestors were still around, how happy they would be!"

Other family heads and elders also sighed and shook their heads.

Chapter 2829: Chapter 2829: Backing!

The family head of the Gu Gou Bifang Family, Qiao Weixuan, asked Yang Luo, "Little Luo, why is it that only you came to the Jiuzhou Immortal Domain, and none of the other descendants of our divine beast families have come?"

Yang Luo replied, "Because we were unsure of the dangers we might face on the journey to the Jiuzhou Immortal Domain, we decided to leave the others on Earth.

Fortunately, they did not come along; otherwise, the consequences would have been unimaginable."

"I see."

Qiao Weixuan and others nodded in realization.

Yang Luo said, "Once we understand the situation in the Jiuzhou Immortal Domain, we'll find a way to return to Earth and bring the others to the Jiuzhou Immortal Domain."

"That sounds good."

Ning Jin Yu nodded and said, "After we solve the problems here, let's find time to go to Earth together.

We can see where our ancestors once were and bring our descendants to the Jiuzhou Immortal Domain."

The other family heads and elders nodded, planning to follow Yang Luo to Earth later.

Ning Jin Yu looked at Ning Jianfeng and said, "Jianfeng, though the blood of our Gutengshe Family flows in your veins, it has not yet fully awakened.

Tomorrow morning, you will return with us to our family; we will help you awaken your bloodline then.

Once your bloodline awakens, your cultivation speed will greatly increase.

Moreover, we will teach you the Absolute Skill of the Gutengshe Family."

"Great, thank you, Uncle Ning!"

Ning Jianfeng was very excited.

"Longyue, you will also return with us to the Gu Qinglong Family tomorrow morning!"

"Wushuang, once your Ancient White Tiger Bloodline awakens, your strength will certainly reach a higher level!"

“Wenxuan, our Gu Qilin Family’s bloodline has great potential; we will help you awaken your bloodline then!”

Ji Huai Ren, Baili Qingchuan, and Lin Haochang all looked at Ji Longyue, Baili Wushuang, and Lin Wenxuan, speaking up in turn.

“Yes!”

Ji Longyue, Baili Wushuang, and Lin Wenxuan nodded in response, feeling elated.

This was their chance for self-transcendence, and they were keen to seize it.

Tantai Puti puffed her cheeks and said, “I wonder when I’ll be able to fully awaken the Ancient Vermilion Bird bloodline!”

Yi Yuheng, Qin Zhanhuang, Xiang Kunlun, and Flame Emperor all looked at Ning Jianfeng with eyes full of envy.

Yang Luo smiled faintly and said, “There’s no need to rush; later, I will take you to recognize your ancestors in the major Ancient Divine Beast Families!”

“Yes, yes!”

Tantai Puti nodded repeatedly.

Yi Yuheng, Qin Zhanhuang, Xiang Kunlun, and Flame Emperor also exhibited looks of anticipation, eager to recognize their ancestry.

At this moment.

Yun Jincheng suddenly thought of something and asked Ao Qianyang, “By the way, Elder Qian Yang, why does your Divine Dragon Clan have a connection with Little Luo, and why do you call him Young Master?”

Other family heads and elders also looked at Ao Qianyang.

Earlier in the battle, Yang Luo had summoned more than three hundred divine dragons in front of everyone, leaving them greatly astonished.

Ao Qianyang laughed and said, “Everyone, Little Luo’s father and master have strong ties with our dragon clan, which is why we address Little Luo as Young Master!”

“Oh?”

Yun Jincheng asked with surprise, “Who exactly are Little Luo’s father and master?”

Ning Jin Yu was also very curious, "Little Luo is so exceptional; his father and master must not be ordinary individuals?"

Ao Qianyang smiled and said, "Young Master Yang's father and master are indeed extraordinary!"

When the time is ripe, everyone will naturally meet Young Master Yang's father and master!"

Everyone nodded and did not ask further questions.

"By the way, Elder Qian Yang, what is the current situation in Huangzhou?"

Are the Divine Dragon Clan and Yu Lei Immortal Sect safe?"

Yang Luo hastily asked.

Ao Qianyang said solemnly, "Currently, Huangzhou is turbulent; the Five Elements Immortal Sect has gathered many forces and is brewing a big conspiracy, seemingly intending to harm our Divine Dragon Clan and Yu Lei Immortal Sect!"

Law Enforcer Ao Yan also nodded and said, "Although our Divine Dragon Clan and Yu Lei Immortal Sect are temporarily safe, there's no telling when the Five Elements Immortal Sect might attack us!"

"Damn it!"

Yang Luo clenched his fists, eyes flashing coldly, "The Five Elements Immortal Sect is indeed restless and still wants to cause trouble!"

Bujie, Ning Jianfeng, and Xu Ying's expressions also darkened.

The Five Elements Immortal Sect hated them intensely, and they naturally hated the Five Elements Immortal Sect to the same extreme.

It was only because their strength and accumulated energy were insufficient months ago that they endured until now.

Yun Jincheng asked curiously, "Little Luo, what kind of sect is the Five Elements Immortal Sect, and why do they want to harm the Divine Dragon Clan?"

Also, what kind of sect is the Yu Lei Immortal Sect?"

Other family heads and elders also looked at Yang Luo.

"Everyone, here's the situation..."

Yang Luo did not hide anything and truthfully recounted their experiences upon arriving in the Jiuzhou Immortal Domain to everyone present.

After Yang Luo finished speaking.

Bang!

Yun Jincheng slammed his palm on the table and said angrily, "The Five Elements Immortal Sect only has some influence in Huangzhou, yet dares to be so arrogant and acts against you!

Little Luo, don't worry; Uncle will accompany you with an army to flatten the Five Elements Immortal Sect!"

Zu Wangjiang also said in a booming voice, "Just a sect in Huangzhou, how dare they act so audaciously; what do they think they are!

Little Luo, we from the Ancestor Dragon Sacred Land will also accompany you to Huangzhou!"

"Little Luo, our Soaring Snake Family will accompany you too!"

"And our Gu Qilin Family!"

"And us!"

The other family heads and elders of the Ancient Divine Beast Families were all furious, expressing their support one after another.

Yun Longxiang put his arm around Yang Luo's shoulder and said, "Brother Yang, why didn't you mention this earlier?"

It's just a supposedly influential sect in Huangzhou, what's the big deal!

Brother will go with you to destroy them!"

"Exactly!"

Chu Fenghuo chimed in, "If the Five Elements Immortal Sect were a top sect in the five major provinces, we might be cautious!

But they're just a sect in Huangzhou, not even worth mentioning before us!"

Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi all reacted with righteous indignation.

Qiao Weixuan wondered, "Little Luo, why didn't you tell us about this earlier?"

Isn't it just a sect with influence in Huangzhou!

With us supporting you, destroying the Five Elements Immortal Sect will be a piece of cake!"

Bujie also said excitedly, "With all our brothers and elders helping, the downfall of the Five Elements Immortal Sect is just around the corner!"

Yang Luo was somewhat helpless but touched, "Dear elders and brothers, don't worry.

Isn't that a bit too much fuss? Might it not have a good impact?"

"No problem!"

Yun Jincheng waved his hand and said, "Once we make a move, the Five Elements Immortal Sect doesn't stand a chance!"

Little Luo, you can rest assured; your uncle and others will back you up to the end!"

Zu Wangjiang, Ning Jin Yu, and others also reassured Yang Luo not to worry.

Yang Luo nodded slightly, his eyes slightly red.

He remembered half a year ago at the expedition to the Jiuzhou Immortal Domain. They were alone, with no way out, besieged by the Five Elements Immortal Sect.

But now, he had so much support from his elders and brothers.

Yun Longxiang pounded his chest and said, "Brother Yang, we are brothers, no need to be so polite!"

"Exactly!"

Chu Fenghuo also smiled and said, "There's no need for formalities between brothers!"

Ning Jin Yu said, "Little Luo, we are all one family. If anyone bullies you, we naturally won't stand for it!"

Yang Luo raised his glass and said, "To all the seniors, to all the brothers, I am deeply grateful!"

If you ever need my help in the future, I will definitely do my utmost to assist!

This toast is for all of you!"

"Good!"

"Cheers!"

Everyone also raised their glasses.

After finishing their drinks.

Yun Jincheng asked, "Little Luo, when do you plan to set off for Huangzhou?"

Yang Luo looked at Ning Jin Yu and asked, "Uncle Ning, how long do Brother Ning and the others need to awaken their bloodline?"

Ning Jin Yu replied, "At most, about a month."

Yang Luo nodded and said, "In that case, we'll set off in a month!"

Just as well, he could use this month to further awaken his bloodline and physique in the Ancestor Dragon Sacred Land and make a breakthrough to Daluo Golden Immortal.

"Good!"

Everyone nodded in agreement.

"By the way, Little Luo, why do you have the Sunset Divine Bow and Sun-shooting Divine Arrow?"

Isn't that the Ancestor Artifact of the Da Yi Immortal Country?"

Ning Jin Yu asked.

"That's because I went to Xuanzhou earlier to participate in a weapon refining competition, where I met the Da Yi Immortal Country..."

Yang Luo recounted his experiences in Xuanzhou to everyone.

Ji Huai Ren laughed heartily and said, "Little Luo, wherever you go, you seem to make quite a stir and meet lots of friends."

Yun Jincheng then said, "Little Luo, tell us what materials are needed to repair the Sunset Divine Bow and Sun-shooting Divine Arrow."

"We can help you search for them; perhaps we can find quite a few materials for you."

Hearing Yun Jincheng's words.

Yang Luo's eyes lit up immediately!

Yes, the seniors present are from the Nan Zhan Immortal Country and various Ancient Divine Beast Families!

Their resources are vast; perhaps they really can help find some of the materials he needs!

So, Yang Luo told Yun Jincheng and the others about the materials needed to repair the Sunset Divine Bow and Sun-shooting Divine Arrow.

After listening.

Yun Jincheng and Ning Jin Yu immediately summoned people to return to the Nan Zhan Immortal Country and various Ancient Divine Beast Families to search for these materials.

During the rest of the time, everyone continued to drink, the atmosphere was very harmonious.

Until past eleven o'clock at night, everyone gradually dispersed, returning to their rooms to rest.

Yang Luo and Bujie also returned to their rooms to rest.

Around one in the morning.

Yang Luo was sitting cross-legged on the bed, cultivating.

Suddenly.

A voice sounded in his mind.

"Little Luo, come out for a moment."

It was Zu Wangjiang sending a message.

Yang Luo was startled awake, opening his eyes.

It seems the seniors of the Ancestor Dragon Sacred Land want to inquire about Senior Xinghe and the others.

So, he got off the bed and walked out of the room.

He saw Zu Wangjiang and Zu Qianqiu standing in the air not far away, with Ao Qianyang from the Divine Dragon Clan also present.

Yang Luo soared into the sky and flew over.

Zu Daoyuan smiled warmly and asked Yang Luo, "Little Luo, not long ago, my second brother and I sensed the presence of the Holy Dragon bloodline within you.

Moreover, we also detected the presence of some of our Dragon Clan ancestors in your Divine Sense Space.

We just asked Qianyang, and he said that the Essence Souls of Xinghe Ancestor, Dao Yi Ancestor, Tianchi Ancestor, Youlan Ancestor, and Jiu'er Ancestor are in your Divine Sense Space, correct?"

"Yes."

Yang Luo nodded and said, "Indeed, the Essence Souls of Senior Xinghe and the others are in my Divine Sense Space."

Upon hearing this.

"So it's true, the ancestors are still alive!"

"Good, this is truly wonderful!"

"Since the ancestors are still alive, our Dragon Clan has hope for resurgence!"

Zu Daoyuan and Zu Guanqi were instantly excited.

Zu Wangjiang clasped Yang Luo's arm, saying, "Little Luo, come, let's go to the great hall to talk!"

"Mm!"

Yang Luo nodded.

Then, Yang Luo and the group left there, arriving at a secluded and empty great hall.

After reaching the great hall.

Yang Luo called out in his heart, "Senior Xinghe, Senior Dao Yi, Senior Tianchi, Aunt Youlan, Senior Jiu'er, I have arrived at the Ancestor Dragon Sacred Land!

Currently, all the seniors of the Ancestor Dragon Sacred Land are here!"

After calling a few times.

The five of Long Xinghe, who were repairing their Essence Souls in the bronze dragon coffins, were awakened and flew out of the bronze dragon coffins.

"I did sense the aura of the Ancestor Dragon lineage."

"Kid, you moved quickly, arriving at the Ancestor Dragon Sacred Land so soon?"

"It seems the Ancestor Dragon lineage has also weakened, with only two Nine Heavens Immortals remaining."

The voices of Long Xinghe and Long Tianchi echoed in succession from Yang Luo's Divine Sense Space.

Upon hearing the voices of the five of Long Xinghe.

Zu Daoyuan and Zu Guanqi wept with joy, bowing deeply.

"Greetings to Xinghe Ancestor, Dao Yi Ancestor, Tianchi Ancestor, Youlan Ancestor, Jiu'er Ancestor!"

Even though they could not see the Essence Souls of the five of Long Xinghe, Zu Daoyuan and others remained respectful.

Long Xinghe sighed deeply and said, "Previously, we heard from the Divine Dragon Clan that your Ancestor Dragon Clan is not doing well."

Zu Daoyuan's eyes brimmed with tears, and he said hoarsely, "Xinghe Ancestor, since that great war ended, our Dragon Clan has been severely weakened, with one in ten not surviving.

Now, in the entire Jiuzhou Immortal Domain, only the Divine Dragon Clan and our Ancestor Dragon Clan continue to exist.

And the Candle Dragon Clan has perished, with very few Candle Dragons still alive, barely seen in the Jiuzhou Immortal Domain.

Yang Luo curiously asked, "How many clans are there in the Dragon Clan?"

Zu Wangjiang explained, "Little Luo, in the myriad worlds, our Dragon Clan is an enormous race.

The most powerful among them are the Holy Dragon Clan, Ancestor Dragon Clan, Candle Dragon Clan, and Divine Dragon Clan."

"I see."

Yang Luo nodded in realization.

Long Xinghe sighed deeply and said, "These years have been hard on you."

Zu Daoyuan, with tears in his eyes, said, "For all we've endured, Xinghe Ancestor, it's nothing.

Our one desire has always been to revive our Dragon Clan, but

it's been an uphill battle."

Zu Guanqi angrily said, "The main issue is that people today have no gratitude for the fact that our Dragon Clan became weakened in protecting billions of living beings.

We don't ask human cultivators for gratitude, we just can't accept them persecuting our Dragon Clan anymore."

Zu Qianqiu, tears streaming down his face, said, "If back then our Dragon Clan hadn't intervened to protect billions of beings, we wouldn't have fallen to such a state.

We don't ask human cultivators for gratitude, we just hope they won't harm our Dragon Clan anymore."

Zu Wangjiang lamented, "All these years, the resentment we've suffered is immeasurable.

We yearn to revive our mighty Dragon Clan, but our ability is limited."

He continued, "Just today, the Golden Crow Sacred Land led six major forces to attack our Ancestor Dragon Sacred Land.

Were it not for the intervention of the Nan Zhan Immortal Country and various Ancient Divine Beast Families, I'm afraid our Ancestor Dragon Sacred Land wouldn't have survived."
