

Super Insane Doctor of the Goddess

Chapter 2851: Chapter 2851: The Peerless Duo

Chen Tianhuo sharply raised his eyes to look!

He saw a tall and resolute figure blocking his path!

This figure held a golden spear, with an Emperor Seal suspended above.

Surrounded by True Dragons, Immortal Phoenixes, Divine Elephants, and nine-headed lions, it was extremely domineering, like the Heavenly Emperor descending to the mortal realm!

This figure was Yun Longxiang!

"Who... who are you?!"

Chen Tianhuo asked in shock.

This person, so young, also had the cultivation of a Daluo Golden Immortal.

"The one who will take your life!"

Yun Longxiang roared, swinging the spear in his hand, aiming a vicious strike at Chen Tianhuo!

Rumble!

The golden giant spear split open a Cloud Sea, collapsing part of the Cangqiong, terrifying beyond measure!

His whole life, he most hated betrayal and injustice!

And this guy in front of him, for the sake of his own life, abandoned his brothers, utterly despicable!

"You think you're that kid Yang Luo?"

Do you think you can kill me?

Overestimating yourself!"

Chen Tianhuo roared in anger, swinging the saber in his hand, slashing heavily!

Swish!

A three-colored flame giant saber split the Cangqiong, igniting a blazing fire, terrifying beyond compare!

In an instant!

Clang!

The three-colored flame giant saber and the golden giant spear collided heavily, erupting in a world-shaking explosion!

Flames, light, and energy burst forth, shocking and awe-inspiring!

Chen Tianhuo thought this strike could repel Yun Longxiang!

But, to his horror!

Yun Longxiang stood firm against the strike!

"What?!"

Chen Tianhuo's face changed drastically, furiously channeling the divine flames within him, exploding outwards!

The raging three-colored flames spewed from his body, transforming into a Fire Sea, surging towards Yun Longxiang!

Yun Longxiang also shuddered, unleashing waves of Emperor's Aura!

The golden Emperor's Aura, like a roaring tide, fiercely collided with the three-colored flames!

Bang, bang, bang!...

Boom, boom, boom!...

The three-colored Fire Sea and golden Emperor Aura clashed frantically, the sounds of impact and explosions unending!

During the collision!

Yun Longxiang had a thought!

The Emperor Seal above him expanded dramatically, rushing to suppress!

"Roar, roar, roar, roar!"

True Dragons, Immortal Phoenixes, Divine Elephants, and nine-headed lions also roared in unison, charging forth!

In Chen Tianhuo's heart, he was terrified and quickly unleashed his Dharma Idol to contend!

Yun Longxiang also did not hesitate, immediately unleashing his Dharma Idol to meet the battle!

Of course, besides unleashing his Dharma Idol!

He also continuously mobilized the energy within him, letting out a thunderous roar!

"Nine Emperors Ascending!"

In an instant!

Nine Venerables stood erect, holding giant weapons, their Emperor's Aura intimidating the Jiutian, striking fiercely!

"What... what kind of cultivation technique is this?!"

Chen Tianhuo was terrified, trembling as he spoke, desperately counterattacking.

The next instant!

Crash!

Chen Tianhuo's Dharma Idol and successive attacks all exploded in mid-air!

"Ah..."

With the final scream resounding.

Both Chen Tianhuo's physical body and Essence Soul were simultaneously annihilated in mid-air.

Thus, the leaders of the Five Great Forces were all slain by Yang Luo and Yun Longxiang!

Everyone present was utterly astounded, deeply shaken!

"I didn't expect in just a few months, Young Master Yang actually stepped into the Daluo Golden Immortal, and his power has exploded countless times over!"

"Indeed, the leaders of the Five Great Forces were slain by Young Master Yang, four of them, even a Daluo Golden Immortal was killed by him!"

"If Mr. Yang is given a bit more time, who knows what level Mr. Yang will grow to!"

"That young man's strength isn't weak either, he also slew a Daluo Golden Immortal!"

"Could that young man be the 'Nantian Emperor's Son' Yun Longxiang who shone in the Immortal Vault List competition back then?!"

"Wasn't Yun Longxiang crippled by the Golden Crow Crown Prince, how has he recovered?!"

"These two young men are truly unparalleled, their futures are limitless!"

The people of the Divine Dragon Clan, Da Xia Immortal Country, and Da Yi Immortal Country exclaimed in awe.

Their gazes towards Yang Luo and Yun Longxiang were filled with shock.

"Hall Master Chen, Master Pang, Sect Master Ding, Saint Master Jiao, and Hu Yan Family Master are all dead!"

"We can't win, we simply can't win, even if we fight to the death!"

"What do we do, what do we do now?!"

"What else can we do, we have to fight them!"

The disciples of the Five Great Forces cried out in fear, crazily charging towards Yang Luo and Yun Longxiang.

Yang Luo resoundingly said: "Brother Yun, let's join forces and wipe them out!"

"Alright!"

Yun Longxiang responded loudly.

The two wielding long swords and spears, charged at the disciples of the Five Great Forces!

No matter how many rushed forward, they were all slain by the two!

As Yang Luo and Yun Longxiang rampaged through the battlefield!

Two booming voices came from afar!

"You two little brats, come here and die for us!"

"We will send you on your way now!"

Yang Luo and Yun Longxiang suddenly raised their eyes, just in time to see two elders charging over from afar.

One was an elder of the Divine Fire Hall, named Wang Yanming.

The other was an elder of the Nine Star Immortal Sect, named Zhao Xingrui.

Both of them had the cultivation of Daluo Golden Immortal Middle Stage.

Seeing Yang Luo and Yun Longxiang slay Chen Tianhuo and the five leaders, they were immediately enraged.

So, they charged over from the distant battlefield, intending to first kill Yang Luo and Yun Longxiang.

Their speed was extremely fast, almost arriving in the blink of an eye!

"Aren't you heavenly prides?"

In my life, I've loved killing heavenly prides the most!

"I'll take your lives now!"

Wang Yanming spoke viciously, swinging the long sword in his hand at Yang Luo and Yun Longxiang!

"Divine Fire Nine Killings Sword!"

Swish!

With one swing, ten giant swords burning with five-colored flames, carrying mighty sword might, terrifying sword intent, slashed towards Yang Luo and Yun Longxiang!

"Nine Stars Chaotic Spear!"

Zhao Xingrui swung the purple-green spear in his hand, sweeping out horizontally!

With one sweep, spear intent soared to the heavens, chaos in Changkong!

Nine giant purple-green spears gathered, piercing through Changkong, shooting explosively towards Yang Luo and Yun Longxiang!

Yang Luo and Yun Longxiang simultaneously swung their long swords and spears, charging to meet the attack!

Clang!

Crash!

Shaking Heaven and Earth, disturbing the Eight Desolations!

Various colors of light and energy intertwined in the sky, like waves, surging in all directions!

During this confrontation!

Yang Luo and Yun Longxiang were both shaken and flew out!

Yun Longxiang was knocked back more than a thousand meters before stabilizing, his body erupting with bloody cuts!

Yang Luo was knocked back eight hundred meters before stabilizing!

Although Yang Luo also had a few wounds burst open on him, his injuries were much lighter than Yun Longxiang's!

"Brother Yun, are you alright?"

Yang Luo asked.

"Just some minor wounds, not life-threatening!"

Yun Longxiang waved his hand, then said inwardly: "Brother Yang, these two old guys have some strength, it might be difficult for us to kill them!"

How about you use the Sunset Divine Bow and Sun-shooting Divine Arrow to shoot them dead?"

A little over a month ago, during the Ancestor Dragon Sacred Land battle, he had witnessed the power of the Sunset Divine Bow and Sun-shooting Divine Arrow firsthand, naturally wanting to see it again.

Chapter 2852: Chapter 2852: The Biggest Joke in the World!

Yang Luo transmitted his voice: "It's not the right time yet. If we want to kill them instantly, we must do it unexpectedly!"

Later, we should find a way to trap them, and then I'll finish them off!

In that case, the success rate will be much higher!"

Although he was confident in defeating enemies of higher cultivation levels, he didn't have the time to waste on these old folks now.

If he could use the Sunset Divine Bow and the Sun-shooting Divine Arrow to kill these old folks, it would save a lot of time.

But the premise is finding the opportunity to strike.

Yun Longxiang laughed and transmitted his voice: “Brother Yang, I thought you wouldn’t use strategy!”

Yang Luo retorted irritably: “Do you think I’m like Bujie, that brute?”

“Hahaha…”

Upon hearing this, Yun Longxiang couldn’t help but burst into laughter.

“Dare to laugh? Do you really think we can’t kill you?”

“These two little beasts are not simple; we must use serious measures to exterminate them!”

Wang Yanming and Zhao Xingrui, seeing Yun Longxiang laughing, instantly flew into a rage and charged towards Yang Luo and Yun Longxiang!

On their way to attack!

Both of them shook violently, unleashing their full aura and combat strength!

Five-colored divine fire blazed on Wang Yanming’s body!

Blinding immortal light flickered on Zhao Xingrui’s body!

The aura and pressure they unleashed were terrifying!

“Divine Fire Burning Heaven Seal!”

“Nine Star Burial Immortal Map!”

Wang Yanming and Zhao Xingrui simultaneously waved their hands, launching their killer moves!

A huge seal burning with five-colored flames condensed and rose up, like a majestic volcano, pressing upwards!

An immortal map glowing with purple-blue light, engraved with nine-pointed star patterns and runes, condensed and expanded continuously, pressing down from above!

Yang Luo and Yun Longxiang neither dodged nor retreated, simultaneously wielding their long sword and halberd, striking heavily!

The huge sword cleaved the heavens, the huge halberd swept the skies, releasing explosive sword intent and halberd intent; supreme dragon qi and Emperor’s Aura surged, dominance unmatched!

Clang! Clang!

Boom! Boom!

The huge sword and halberd struck heavily against the Flame Seal and Immortal Map, exploding with rolling thunderous sounds and blast noises!

But the power of the Flame Seal and Immortal Map was extremely terrifying, pressing Yang Luo and Yun Longxiang's bodies down relentlessly!

Yang Luo and Yun Longxiang were incredibly resilient, constantly mobilizing the energy within, shouting violently!

“Holy Dragon Soaring Nine Heavens!”

“Emperor Seal Becoming All Phenomena!”

Blinding golden immortal light flickered on both of them!

Ancient dragon patterns and runes appeared on Yang Luo's body, like an Eternal Immortal Emperor!

Mysterious runes and emperor patterns appeared on Yun Longxiang's body, like a Heavenly Emperor descending!

Their physique phenomenon transformed instantly!

“Roar! Roar! Roar!”

Nine Holy Dragons soared into the sky, colliding with the Flame Seal and Immortal Map pressing down from above!

“Roar! Roar! Roar!”

True Dragon, Immortal Phoenix, Divine Elephant, and Nine-headed Lion charged upwards in succession, striking the sky!

The Emperor Seal expanded with vast Emperor’s Aura and also charged upwards!

Boom! Boom!

Under the fierce assault of Yang Luo and Yun Longxiang’s physique phenomenon!

The Flame Seal and Immortal Map exploded simultaneously in the sky!

“What?!”

Zhao Xingrui was shocked, “These two little beasts’ physiques are not simple, the phenomenon is so strong!”

“Hmph!”

Wang Yanming snorted coldly, “So what if these two little beasts have special physiques!”

If the two of us can't kill these two little beasts, it would be the biggest joke!"

As he spoke, he shook all over, his momentum and combat strength soaring again, five-colored flames burning on his body, illuminating the endless night!

"Divine Fire Burial Immortal Wheel!"

With a resonant shout.

A five-colored fire wheel that blocked the sky and covered the sun condensed and pressed downward!

As the five-colored fire wheel pressed downward!

Five fire waterfalls burst from the wheel, seemingly burning everything alive!

"Nine Stars Shining the Blue Sky!"

Zhao Xingrui shook all over too, his momentum and combat strength surged again, with blinding immortal light flashing!

Nine giant light clusters flashed with nine-colored brilliance, condensing above him, like gigantic stars, simultaneously crashing down!

These nine stars, while crashing down, shot out nine star rays, aiming to annihilate everything!

Yang Luo, fiercely powerful, feared nothing, rushed to the sky!

On his way rushing to the sky!

He swung his sword heavily one after another and unleashed various other killer moves!

Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared out!

Five Directions Dragon Seal condensed, like five dragon mountains, crashing upwards!

Slaughter Array Map also condensed, pressing upwards!

A sky-high Fire Sea burned through heaven and earth, rolling upwards!

Yun Longxiang also swung his long halberd furiously, slashing towards the sky!

Of course, he also unleashed various other killer moves, launching a fierce offense!

Golden Immortal Chains swooped out, carrying Emperor's Aura, rising skyward!

An Emperor Immortal Map condensed, pressing upwards!

Nine Directions Emperor Seal condensed rapidly, expanding, crashing upwards!

Bang! Boom!

Crash sounds and explosion sounds kept rising one after another!

Under the joint fierce assault of Yang Luo and Yun Longxiang, they once again resisted the killer moves of Wang Yanming and Zhao Xingrui!

“Damn it! I won’t believe we can’t kill you two little beasts!”

“Die, scoundrels!”

Wang Yanming and Zhao Xingrui roared, directly activating their Dharma Idols!

Their Dharma Idols wielded giant swords and spears, sweeping downward!

In addition to activating their Dharma Idols!

They unleashed various other killer moves, attacking down towards Yang Luo and Yun Longxiang!

Yang Luo and Yun Longxiang trembled all over, activating their Dharma Idols!

Two golden giants rose simultaneously, wielding golden swords and halberds, counterattacking upwards!

These two golden giants truly launched a fierce battle like Eternal Immortal Emperors against heaven and earth, vicious beyond compare!

Besides activating Dharma Idols, they unleashed various other killer moves, fiercely retaliating against Wang Yanming and Zhao Xingrui!

They clearly knew that only by battling enemies stronger than themselves could they quickly enhance their strength!

The sky had been fought into a boil!

Everywhere light flashed, energy surged!

Turning into a death zone!

Below Daluo Golden Immortal level, elders dared not approach!

Seeing Yang Luo and Yun Longxiang still holding up!

Wang Yanming grew increasingly exasperated!

He initially thought teaming up with Zhao Xingrui could quickly slay Yang Luo and Yun Longxiang!

But unexpectedly, these little beasts withstood their repeated assaults!

If these little beasts had the same cultivation as them, it would be understandable!

The key is, these little beasts are one realm lower!

It's utter humiliation!

It's outright disgrace!

At this moment.

Under the fierce attacks of Wang Yanming and Zhao Xingrui!

Blood splattered from Yang Luo and Yun Longxiang's bodies!

Even Wang Yanming and Zhao Xingrui's bodies exploded with wounds!

Burning with fury, Wang Yanming transmitted his voice: "Brother Zhao, quickly set up a killing array, trap and kill them!"

"Alright!"

Zhao Xingrui, increasingly enraged, responded.

Immediately, both activated the energy within and swiftly set up the array!

Chapter 2853: Chapter 2853: Da Yi Divine Weapon, Slaying Ten Thousand Foes!

“Divine Fire Burning Sky Array!”

“Nine Stars Destroying World Array!”

In an instant!

The two killing arrays simultaneously formed, directly trapping Yang Luo and Yun Longxiang!

These two killing arrays were extremely vast, enveloping this entire region!

Burning with blazing flames, and flickering with dazzling starlight!

After deploying the two major killing arrays!

Wang Yanming and Zhao Xingrui simultaneously waved their large sleeves!

“Formation, activate!”

Rumble, rumble!

Both major killing arrays activated simultaneously, unleashing a terrifying offensive, attacking Yang Luo and Yun Longxiang!

Five-colored flames surged wildly, transforming into a sea of fire, rushing out!

Tens of thousands of flaming giants and Fire Behemoths rose and charged up!

Five-colored fire wheels, five-colored fire seals, and five-colored immortal chains also attacked in unison!

Nine stars gathered and shot out beams of blinding starlight!

Nine Immortal Steles also ascended and suppressed together!

“Don’t stop, keep attacking!”

Wang Yanming shouted, waving the longsword in his hand, relentlessly slashing toward Yang Luo and Yun Longxiang in the dual array formations!

Zhao Xingrui also wielded his spear, launching a fierce assault!

Countless flame flying swords and starlight spears shot towards the array without pause!

The dual array formations had already descended into chaos, engulfed by various lights and energies!

Yang Luo and Yun Longxiang, situated within the arrays, launched a powerful counterattack against the dual array formations!

Clang, clang, clang...!

Boom, boom, boom...!

The sounds of clashing and explosions resounded incessantly!

Vast waves of light and energy rippled out from the array, sweeping in all directions!

But the array deployed by Wang Yanming and Zhao Xingrui was indeed formidable!

Yang Luo and Yun Longxiang found themselves unable to break free for a long time!

“This is bad, Brother Yang and Brother Long Xiang are in danger!”

“Hurry, help them!”

Chu Fenghuo and Lin Xingzhi shouted in alarm, charging over to assist!

“You want to save them? Dream on!”

“Do you all want to follow these two brats to the afterlife? I’ll oblige!”

Wang Yanming and Zhao Xingrui unleashed heavy killing moves, attacking Chu Fenghuo and the others.

After all, Chu Fenghuo and the others were not Daluo Golden Immortals, and one by one, they were sent flying.

But just as Wang Yanming and Zhao Xingrui attacked Chu Fenghuo and the others!

Suddenly!

Rumble!

The dual array formations they had set up exploded in the air!

The energy from the explosion was extremely terrifying, directly blasting Wang Yanming and Zhao Xingrui away!

The two spewed blood, with flesh and blood flying from their bodies!

In the sight of everyone!

They saw Yang Luo leading twelve Ancestral Magi, and Yun Longxiang on nine emperors, rushing out from a sea of energy light!

Despite the blood dripping from countless wounds on their bodies, both remained imposing, their fighting spirits high!

“Kill!!!”

The two simultaneously let out a mighty roar, wielding their longswords and halberds!

Twelve Ancestral Magi and nine emperors simultaneously charged at the retreating Wang Yanming and Zhao Xingrui!

Wang Yanming and Zhao Xingrui had no time to steady themselves, quickly retaliating!

Yang Luo immediately said, “Brother Yun, now is the time, form the array!”

“Alright!”

Yun Longxiang nodded in agreement.

Then, both Yang Luo and Yun Longxiang’s auras surged, their combat strength erupted as they began to form arrays!

“Heavenly Emperor Destruction Array!”

“Emperor Chaotic Sky Formation!”

Yun Longxiang simultaneously set up dual array formations, trapping Wang Yanming and Zhao Xingrui!

“Dragon Rebel Sword Formation!”

“Nine Revolutions Thunder Annihilation Formation!”

“Primordial Dragon Prison Array!”

“Three Thousand Star Domain Formation!”

Yang Luo, without hesitation, quickly set up a four-layered array formation, entrapping Wang Yanming and Zhao Xingrui!

“Activate the formation!!”

Yang Luo and Yun Longxiang shouted in unison, starting the arrays!

The six array formations simultaneously unleashed layer upon layer of killing moves, attacking Wang Yanming and Zhao Xingrui!

The overwhelming Emperor's Aura surged, transforming into a golden sea of light, rushing upward!

The Emperor Seal and Emperor Immortal Map suppressed and attacked!

Nine emperor illusions wielded divine weapons, charging forward!

Countless golden flying swords shot out, tens of thousands of giant dragons roared upward!

Additionally, lightning, Rushou, Dragon Stele, and the sun, moon, and stars transformed, attacking together!

The dual array formations Wang Yanming and Zhao Xingrui previously set up were incomparably powerful and terrifying!

But the six array formations that Yang Luo and Yun Longxiang deployed were equally formidable, shaking the heavens!

“Damn it!”

Wang Yanming was shocked, “These two brats intended to imitate us and trap us with arrays!

Quickly break through the formation and rush out!”

“Once outside, we must utterly destroy these two brats!”

Zhao Xingrui also let out a roar.

The two unleashed their full power, exerting all their combat strength, unleashing heavy killing moves!

They activated their Dharma Idols, conjured their Dharma artifacts, ceaselessly assaulting the six array formations!

They launched salvo after salvo, like a vast abyss or flood, exploding with ferocious and violent destructive power and destructiveness!

They were genuinely frightened by Yang Luo and Yun Longxiang, and if they didn't unleash their full strength now, they might perish here!

Clang, clang, clang!

Boom, boom, boom!

Their offensive was extremely fierce, shredding the multiple array formations!

Taking advantage of this opportunity, Yang Luo hurled the Dragon Emperor Sword into the sky!

“Sunset Divine Bow, Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, Chasing Wind Arrow!”

In the blink of an eye!

The Sunset Divine Bow and four Sun-shooting Divine Arrows flew out from Yang Luo's storage ring, radiating brilliant golden divine light!

Yang Luo grasped the Sunset Divine Bow with his left hand and held the four Sun-shooting Divine Arrows with his right!

Then, he staggered his feet, sunk his body, and continuously channeled energy from within into the Sunset Divine Bow and the four Sun-shooting Divine Arrows!

“Da Yi Divine Weapon, shoot and kill ten thousand enemies!”

“Go!”

With a mighty roar!

Yang Luo directly drew the bow and shot the arrows!

Vroom, vroom, vroom, vroom!

With four resonant thrum sounds!

Swoosh, swoosh, swoosh, swoosh!

The four Sun-shooting Divine Arrows shot out together, like four meteors, aiming for Wang Yanming and Zhao Xingrui!

Rumble!

Just as the four Sun-shooting Divine Arrows shot out, Wang Yanming and Zhao Xingrui destroyed all the arrays!

But before they could react!

Thunk, thunk, thunk, thunk!

The four Sun-shooting Divine Arrows pierced through their bodies!

The Broken Cloud Arrow and the Sky Splitting Arrow pierced through Wang Yanming's brow and chest!

The Red Spirit Arrow and the Chasing Wind Arrow pierced through Zhao Xingrui's brow and chest!

A torrent of blood flowed down from their brows and chests, a chilling sight!

"You brat... you..."

"Hateful... hateful..."

The two glared fiercely at Yang Luo, letting out cries of agony.

The divine power of the four Sun-shooting Divine Arrows was overwhelming, relentlessly ravaging their internal organs, eight extraordinary meridians, limbs, and Essence Souls, causing them unbearable pain!

Their bodies continued to crack, like eggshells breaking apart, a terrifying sight!

“Ahhhhh...”

With extremely piercing screams,

Bang!

Bang!

Wang Yanming and Zhao Xingrui’s physical bodies and Essence Souls exploded in the sky!

Chunks of flesh and bone fragments scattered in the air, leaving everyone present in shock!

Chapter 2854: Chapter 2854: Unparalleled and Invincible!

All the people present were stunned for a long time before finally coming to their senses!

"My God, Mr. Yang actually killed Wang Yanming and Zhao Xingrui with four arrows?!"

Someone couldn't help but exclaim.

"Wang Yanming and Zhao Xingrui are at the Middle Stage of Daluo Golden Immortal, and they were shot just like that?!"

Someone else was dumbfounded, thinking they were seeing things.

"Could it be that Young Master Yang is holding the legendary Sunset Divine Bow and Sun-shooting Divine Arrows?!"

"No mistake, it's said that months ago, when the Southern Barbarian Demon Country attacked the Da Yi Immortal Country, the Sunset Divine Bow and Sun-shooting Divine Arrows emerged!"

"At that time, Mr. Yang also used the Sunset Divine Bow and Sun-shooting Divine Arrows to kill many demons!"

"The Nantian Emperor's Son is not simple either; he could join forces with Mr. Yang to fiercely battle two Middle Stage Daluo Golden Immortals for so long!"

The members of the Divine Dragon Clan and people from Da Xia Immortal Country were shocked, looking at Yang Luo and Yun Longxiang with eyes full of fear and admiration.

"Hahaha..."

Yi Jiuxiao laughed heartily, "Little Luo, well done!"

Indeed, in your hands, the Sunset Divine Bow and Sun-shooting Divine Arrows can truly unleash unparalleled might!"

Yi Pingsheng sighed in admiration: "I didn't expect that after just a few months, Little Luo actually repaired the fourth Sun-shooting Divine Arrow!"

Moreover, the Sunset Divine Bow and the other three Sun-shooting Divine Arrows have also been enhanced!"

Yi Tianhong praised, "It seems that entrusting Little Luo with the Sunset Divine Bow and Sun-shooting Divine Arrows was a wise decision!"

"Well done, Mr. Yang!"

"Mr. Yang is invincible!"

The people of Da Yi Immortal Country also raised their arms and shouted.

After all, the Sunset Divine Bow and Sun-shooting Divine Arrows are their Da Yi Immortal Country's Ancestor Artifacts.

Now exhibiting divine might again, they also feel immensely proud and honored.

"Elder Wang and Elder Zhao were killed by this little beast!"

"Fight this little beast, we must kill him!"

"And that little beast too, he's an accomplice, he must be killed as well!"

The people from the Five Great Forces were frenzied, advancing one after another towards Yang Luo and Yun Longxiang!

"Come if you aren't afraid of death!"

Yun Longxiang roared angrily, brandishing the halberd in his hand, unleashing deadly moves, attacking those charging forward!

Yang Luo, holding the Sunset Divine Bow and Sun-shooting Divine Arrows, kept shooting fiercely!

Now that the Sunset Divine Bow and Sun-shooting Divine Arrows have been enhanced, with the Artifact Spirit awakened, their power is even greater!

Every time he released four arrows together, they could kill hundreds or thousands of people!

Meanwhile, as Yang Luo and Yun Longxiang attacked the disciples of the Five Great Forces!

In a distant part of the sky.

The battle grew even more intense.

The family heads and elders joined forces, strongly attacking the eighteen elders of the Five Great Forces.

The eighteen elders were being killed back step by step.

The great battle hadn't lasted long, yet the Five Great Forces already lost one Taiyi Xuanxian Elder and three Daluo Golden Immortal Elders.

The remaining fourteen elders were still desperately fighting back.

"I am the Holy Master of the Ancestor Dragon Sacred Land, your acts of harming my dragon clan, meet your doom!"

Zu Wangjiang, holding the Dragon Soul Sword, slashed heavily towards a Daluo Golden Immortal Elder!

"Ten Thousand Dragon Soul Sword!"

Swish!

A scarlet-gold sword tore through the Cloud Sea, shaking the heavens and earth, slashing down heavily!

"Roar roar roar!"

Moreover, a hundred thousand Ancestor Dragon phantoms roared out, charging forward!

"You won't kill me!"

This Daluo Golden Immortal Elder roared with anger, wielding his sabers, rising to meet the attack!

Clang clang clang!

Rumble!

Sounds of collisions and explosions echoed continuously!

In the heavens above, vast light and energy burst forth spectacularly!

But, Zu Wangjiang's power was overwhelming, this Daluo Golden Immortal Elder simply couldn't withstand it!

"Ugh..."

He let out a loud wail and was sent flying, shedding large trails of blood along the way!

"Die!"

Zu Wangjiang's expression was cold, he swung the Dragon Soul Sword once more, slashing fiercely!

Pfft!

The Daluo Golden Immortal Elder had no time to counterattack or defend, and was split into two halves by this sword!

His Essence Soul fled from his physical body, trying to escape from here!

But Zu Wangjiang gripped his left hand into a claw, swung a Dragon Claw, tearing his Essence Soul to shreds!

Zu Wangjiang was truly enraged!

If not for Yang Luo leading them to arrive just in time,
the Divine Dragon Clan might have been exterminated!

By then, he would have no way to account to Xinghe Ancestor and them!

Having slain this elder!

He leapt forward, continuing to kill the other elders of the Five Great Forces!

"I am Yun Jincheng, Lord of Nanzhan Immortal Country, wolves with malicious intent like you all deserve to die!"

Yun Jincheng took a step forward, raised his right hand, with the palm flashing with blinding golden light!

"Emperor's Handprint!"

A golden handprint condensed and rose, bursting with vast emperor's aura, pressed towards a Daluo Golden Immortal Elder!

In the sky above him, stood a Dharma Idol wearing a Dragon Robe, with its body radiating a world-shaking golden light!

The Dharma Idol also raised its right hand, gathering a large handprint, pressing down heavily!

Rumble!

The two golden handprints pressed down heavily, making the heavens tremble and the earth shake, terrifying beyond measure!

"Yun Jincheng, I will fight you to the death!"

This Daluo Golden Immortal Elder roared, clutching his fists, furiously thrusting punches towards Yun Jincheng!

"Eight Desolate Thunder Fist!"

His Dharma Idol also stood up, unleashing gigantic blue fists!

One after another, gigantic blue fists pounded out like a barrage of meteors raining down from the sky!

Fearsome lightning spread out, Thunder Light flashing, Tearing Heavens, Splitting Earth, as if to cleave everything to powder!

Dong dong dong!

Boom boom boom!

Thunderous explosive sounds and collision noises never ceased to resonate!

Enormous amounts of golden light and blue Thunder Light, along with waves of energy intertwined, surging like torrents, flooding in all directions!

Huge amounts of lightning were blown apart, turning into streaks of Thunder threads that sprayed out!

This Daluo Golden Immortal Elder, even while desperately resisting, still couldn't withstand Yun Jincheng's onslaught!

Rumble!

This Daluo Golden Immortal Elder was directly crushed in the air by the two overwhelming handprints!

Not only his physical body, but even his Essence Soul was pulverized!

"Soaring Serpent Extinguishing Immortal Palm!"

"Emperor Yi's Dominating Sky Fist!"

"Ancient Qilin Heavenly Slash Blade!"

The heads of the Gutengshe Family, Ning Jin Yu; Da Yi Immortal Country, Yi Jiuxiao; and Gu Qilin Family, Lin Haochang, all launched attacks towards two Daluo Golden Immortals!

A giant palm inscribed with ancient Soaring Serpent runes surged forward like a purple five-fingered mountain!

A golden giant fist carrying domineering fist intent and emperor patterns, blasted out!

A cyan huge sword tore through the skies, slashing Heaven and Earth, cleaving out!

"Counterattack! Quick, counterattack!"

"We must withstand it!"

The two Daluo Golden Immortal Elders roared, channeling their internal energy to the utmost, launching a joint strongest counterattack!

"Nine Stars Breaking the Sky!"

"Chi Xiao Sacred Bell!"

In the blink of an eye!

Nine stars condensed and continuously expanded, blasting out nine streaks of starlight!

These nine streaks of starlight were incredibly immense, like nine giant rivers of starlight surging out, imposing and powerful beyond measure!

Waves of celestial holy aura surged out, manifesting as a seven-colored great bell in the sky, striking upwards!

The great bell quivered, as if playing a dirge, deafening and soul-seizing!

A lot of people in the distance were clutching their heads, crying out in pain!

Chapter 2855: Chapter 2855: Departure!

But Ning Jin Yu, Yi Jiuxiao, and Lin Haochang were completely unaffected!

In an instant!

The offensive launched by Ning Jin Yu collided fiercely with the attack of the two Daluo Golden Immortal Elders!

Cha-lang-lang!

Boom-boom-boom!

The sound of collisions like great bells and drums and explosions that shook Jiutian echoed in the sky!

The momentum was earth-shattering, spreading thousands of miles away!

Although the two Daluo Golden Immortal Elders were powerful, they struggled to withstand the aggressive assault from Ning Jin Yu!

“Urghhh...”

The two Daluo Golden Immortal Elders screamed miserably, flying backward, their blood spilling in the air!

Ning Jin Yu shouted, “Brother Yi, Brother Lin, form the array!”

“Alright!”

Yi Jiuxiao and Lin Haochang responded in unison.

In the next second!

The trio mobilized their internal energy continuously and began forming the array!

“Soaring Serpent Destruction Formation!”

“Emperor Yi’s Heaven Creation Formation!”

“Ancient Qilin Chaotic Sky Formation!”

In an instant!

The three grand array formations were set up, directly trapping the two Daluo Golden Immortal Elders flying backward!

“Damn it! Break out quickly!”

“You won’t trap us for long!”

The two Daluo Golden Immortal Elders roared angrily, unleashing all their power to fight! They opened their Dharma Idols!

They led their Dharma Idols in launching the strongest offensive against the three grand array formations!

Of course, they also summoned several Dharma artifacts and fiercely attacked the three grand array formations!

Bang, bang, bang!...

Boom, boom, boom!...

The sounds of earth-shattering collisions and explosions resounded continuously, shaking the clouds and disturbing the Void!

Light and energy spread from the three grand array formations like a mountain collapse and tsunami, shocking people's hearts!

Lin Haochang said coldly, "Keep attacking, destroy them!"

"Alright!"

Ning Jin Yu and Yi Jiuxiao responded vociferously.

The trio continuously mobilized the energy within them, infusing it into the three grand array formations to enhance their power!

"Ahhhhh..."

The two Daluo Golden Immortal Elders screamed miserably, attempting to break the formation, but they couldn't do it!

Their bodies were severely injured, blood and flesh blurred, and their blood dyed their bodies red!

Yet, at this moment!

A thunderous roar came from above!

"All of you, die!"

Ning Jin Yu, Yi Jiuxiao, and Lin Haochang quickly looked upward.

They saw a Daluo Golden Immortal Elder burning his blood essence, pushing his energy to the extreme, and diving down madly!

His face contorted viciously, intending to explode his physical body and Essence Soul to take Ning Jin Yu with him!

Even if Ning Jin Yu could gather a defense to block this Daluo Golden Immortal Elder's self-destruction, he would likely sustain severe injuries!

"Not good!"

Ning Jin Yu's expression changed, "Retreat quickly!"

Yi Jiuxiao and Lin Haochang also reacted!

However, just as they were about to retreat!

Swoosh, swoosh, swoosh, swoosh!

Accompanied by piercing whistling sounds as they cut through the sky!

Four Sun-shooting Divine Arrows flew in from afar, heading directly towards the Daluo Golden Immortal Elder!

In the blink of an eye!

Puh-puh-puh-puh!

The Daluo Golden Immortal Elder's forehead, chest, and abdomen were pierced by four Sun-shooting Divine Arrows, spraying blood overhead!

"You brat... you..."

The Daluo Golden Immortal Elder cried out in pain, staring fiercely into the distant sky at Yang Luo.

He was filled with anger and resentment!

He had almost succeeded in taking Ning Jin Yu with him!

Unexpectedly, he was hit by four Sun-shooting Divine Arrows!

He felt his physical body, Essence Soul, organs, meridians, and limbs had been struck, causing him immense pain!

"Ahhhhh!"

He roared angrily, preparing to dive down again to severely damage Ning Jin Yu!

But just as he initiated!

Bang!

His physical body and Essence Soul exploded directly overhead!

Chunks of flesh and bone scattered all over the air, captivating the soul!

“Little Luo, well done!”

“Little Luo, thank you!”

“Haha, great job!”

Ning Jin Yu laughed heartily, finally releasing a wave of energy that infused into the three grand array formations!

In an instant!

Boom-boom-boom!

The three grand array formations exploded directly overhead, smashing the two trapped Daluo Golden Immortal Elders to pieces!

And at this moment!

From afar, a powerful roar was heard!

“Taihuang Immortal Slaying Sword!”

The Ancestor Dragon Clan’s Second and Third Elders, Zu Qianqiu, gripped the Emperor Dragon Sword tightly and sliced towards a Taiyi Xuanxian Elder ahead!

To assist Yang Luo, he brought along the Ancestor Artifact, the Emperor Dragon Sword!

The Dharma Idol towering overhead also unleashes a sword strike!

Swish, swish!

The two overlapping purple-gold swords magnified thousands of times, incredibly dominating!

The vast Cangqiong and endless Void were split open with a deep abyss chasm appearing!

“Roar, roar, roar!”

Scores of thousands of Ancestor Dragon illusions roared out, shaking the sky and earth!

“Divine Fire Explosive Fist!”

An Elder from the Divine Fire Hall also shouted, fiercely punching out!

The Dharma Idol standing overhead also fiercely punched out!

Boom-lung!

Two giant fists of nine-colored flames blew up the Void, crushing the Cangqiong, fiercely rising as if to blow everything apart!

In an instant!

Bang-bang-bang!

Boom-boom-boom!

An earth-shattering clash and a shocking explosion blasted in the sky!

This Taiyi Xuanxian Elder, despite his might and overwhelming mana, was still unable to withstand the sword wielded by Zu Qianqiu!

The nine-colored flame giant fists launched by him and his Dharma Idol simultaneously were destroyed!

“Ah...”

With the final tragic scream echoing!

This Taiyi Xuanxian Elder, along with his Dharma Idol, was sliced in half with a single sword!

“I’ll fight to the end!!!”

His Essence Soul rushed out of his body, transforming into a dazzling nine-colored flame light cluster, crashing towards Zu Qianqiu!

Yet Zu Qianqiu was fearlessly mighty, his whole body quaking!

“Roar!”

His Essence Soul transformed into an Ancestor Dragon, roaring from the top of his head, like an unrivaled Dragon Soul, crashing towards the nine-colored flame light cluster!

In the blink of an eye!

Boom-boom-boom!

The earth-shattering explosion resounded through Heaven and Earth, spreading in every direction!

A massive nine-colored flame light cluster exploded overhead, turning into fierce lava waves, washing towards all directions!

The vast Cangqiong and Void were blasted with a black hole, and countless cracks appeared in the Heaven and Earth!

Even the ancient boats anchored in the distant sky were damaged, blasting into large scraps of metal!

At this time.

Not far away, Ao Zhengrong, engaged in fierce battle, shouted: "Everyone, now that Yu Lei Immortal Sect seems to be in a tough fight!

You must go to help immediately, and after we deal with the enemies here, we will join you in Yu Lei Immortal Sect!"

"Alright!"

Yang Luo nodded, saying, "Elder Zhengrong, please be careful!"

"Hahaha..."

Ao Zhengrong laughed loudly, saying, "With your assistance, our crisis is resolved, wiping out these guys is just a matter of time!"

"Thank you all for your help!"

Ao Yuchuan and others cupped their hands, eyes full of gratitude.

Yang Luo looked at Zu Qianqiu and others, saying, "Dear elders, dear brothers, we must go now!"

Chapter 2856: Chapter 2856: Never Surrender!

The crisis here has already been resolved!

As long as we leave half the people to assist the Divine Dragon Clan,

we can completely obliterate these five great forces!

But now, the situation at Yu Lei Immortal Sect is dire, we must hurry to help!

"Alright, let's set off then!"

"Yu Lei Immortal Sect is tens of thousands of miles away from here, we

need to teleport at least three times!”

“Don’t waste time, hurry up and move out!”

Zu Qianqiu and others from Yun Jincheng spoke up one after another.

“Okay!”

Yang Luo nodded heavily and quickly moved away from the battlefield with Zu Qianqiu and others, descending onto several ancient boats.

Yun Longxiang and Bujie, along with many Divine Beasts, divine dragons, and Ancestor Dragons also flew over.

They left tens of thousands of people behind, preparing to take hundreds of thousands to go help Yu Lei Immortal Sect.

Zu Qianqiu asked loudly, “Are you all ready?”

“Ready!”

Yang Luo and others responded in unison.

“Good!”

Zu Qianqiu nodded, and said to the other Taiyi Xuanxian Elders,

“Everyone, quickly set up the teleportation array and let’s head to Yu Lei Immortal Sect!”

“Yes!”

The other Taiyi Xuanxian Elders responded loudly.

Then, under Zu Qianqiu’s leadership, all the Taiyi Xuanxian Elders simultaneously mobilized their internal energy to set up multiple teleportation arrays!

The teleportation arrays were activated immediately after being set up!

Boom! Boom! Boom!

Massive beams of light shot up from the array, breaking through the Cloud Sea, and piercing into the endless void!

The immense void violently fluctuated and twisted!

A few minutes later!

Yang Luo and over hundreds of thousands disappeared into the sky!

Upon seeing Yang Luo and others leave!

Ao Zhengrong shouted loudly, "Everyone, quickly wipe out these guys, then proceed to help Yu Lei Immortal Sect!"

"Alright!"

The crowd responded with vigor, charging madly at the people of the five great forces!

...

On the other side.

The territory of Yu Lei Immortal Sect.

A thunderous battle has already erupted here!

The Five Elements Immortal Sect, Lingbao Treasure Sect, Black Wind Valley, Ba Jian Manor, and Taiyin Holy Land, the five great forces have gathered hundreds of thousands to attack Yu Lei Immortal Sect!

Yu Lei Immortal Sect led over thirty thousand disciples to confront the formidable enemies!

The battle has lasted for several hours, and Yu Lei Immortal Sect suffered heavy losses!

If Brother Xia Zhanpeng had not led over ten thousand from Da Xia Immortal Country to assist, Yu Lei Immortal Sect wouldn't have held out until now!

But, the over ten thousand from Da Xia Immortal Country is barely a drop in the bucket, still unable to withstand the Five Elements Immortal Sect and the other five great forces!

At this moment!

The sky was filled with a tide of people, the cries of battle shook the heavens!

The sound of weapons clashing, spells colliding, and energies crashing echoed relentlessly!

Various lights and energies intertwined in the sky, spreading like a flood, scattering in all directions!

The ground, the mountains and forests, the rivers were filled with corpses everywhere!

Blood stained the earth, the mountains, rivers, and lakes red!

Just then.

“Uh...”

“Ah...”

Two screams came from afar in the sky.

The Sect Master of Yu Lei Immortal Sect, Lei Ming, and the Emperor of Da Xia Immortal Country, Xia Zhanpeng, were blasted away!

Blood flowed from their mouths, their hair in disarray, and their

bodies were covered in scars, skin torn, flesh blurred!

Both of them flew back a thousand meters, staggering to stabilize themselves!

Opposite them in the sky stood five middle-aged men!

They were the Sect Master of Five Elements Immortal Sect, Guan Shanyue, the Sect Master of Lingbao Treasure Sect, Lu Yan, the Valley Master of Black Wind Valley, Feng Xiaotian, the Master of Ba Jian Manor, Cao Jianshang, and the Holy Master of Taiyin Holy Land, Leng Jingyun!

Among them, Guan Shanyue, Lu Yan, and Leng Jingyun all have Middle Stage of Daluo Golden Immortal cultivation!

Feng Xiaotian and Cao Jianshang have Daluo Golden Immortal Early Stage cultivation!

Although Lei Ming and Xia Zhanpeng both possess Middle Stage of Daluo Golden Immortal cultivation, they still struggle to fight against the five Daluo Golden Immortals!

Guan Shanyue held a halberd, arrogantly staring at Xia Zhanpeng, and said, "Xia Zhanpeng, I can give you a chance!

As long as you lead Da Xia Immortal Country to surrender to us, we can spare your life!"

Lu Yan sneered, "Xia Zhanpeng, you see it too, the demise of Yu Lei Immortal Sect is inevitable!

Do you really want to take your Da Xia Immortal Country with Yu Lei Immortal Sect to die together?"

Feng Xiaotian said sinisterly, "Xia Zhanpeng, this is your last chance, make sure you grasp it!"

"If you remain obstinate, after destroying Yu Lei Immortal Sect, the next will be your Da Xia Immortal Country!"

"Can your Da Xia Immortal Country withstand the attacks of our ten great forces?"

Cao Jianshang and Leng Jingyun both spoke viciously.

Lei Ming gasped and said, "Brother Xia, thank you for coming to help in our time of need at Yu Lei Immortal Sect!

No matter what choice you make, I will not blame you!

It's just a pity I can't repay Brother Xia's great favor in this life!"

Tonight, the Five Elements Immortal Sect united with four other forces to attack their Yu Lei Immortal Sect, while those forces that once had friendly relations chose to watch coldly!

Only Xia Zhanpeng and Da Xia Immortal Country came to assist Yu Lei Immortal Sect!

For Xia Zhanpeng, for Da Xia Immortal Country, he has endless gratitude!

"Brother Lei, there's no need to say more!"

Xia Zhanpeng raised his hand and said, "From the moment I chose to come to help you, I never planned on returning alive!

I promised Little Luo that I would aid you in times of trouble, so I must follow through!

Even if we truly die in battle tonight, Little Luo will surely avenge us!"

He looked up at Guan Shanyue and the five, shouting loudly,

“You want my Da Xia Immortal Country to surrender to you?

You can forget it!

People of Da Xia Immortal Country would rather die in battle than

kneel and endure a miserable existence!”

“Fight! Fight! Fight!!”

The people of Da Xia Immortal Country raised their arms and shouted

in unison, their voices echoing across the skies!

Guan Shanyue’s face turned extremely dark,

“Xia Zhanpeng, do you really refuse to surrender?”

“Absolutely not!”

Xia Zhanpeng shouted loudly.

“Good, very well!”

Guan Shanyue’s face twisted with anger, and he shouted,

“Brothers, no need to waste words with them, destroy them directly!”

“Alright!”

Lu Yan, Feng Xiaotian, Cao Jianshang, and Leng Jingyun responded loudly.

Then, Guan Shanyue and the others moved, charging towards Lei Ming and

Xia Zhanpeng!

On the way to attack the two!

Guan Shanyue and the others unleashed their powerful momentum and

combat strength, initiating their Dharma Idols!

The five led five Dharma Idols, charging forcefully,

their momentum sky-high and fearsome beyond compare!

Xia Zhanpeng roared loudly, "Brother Lei, let's go, fight them to the end!"

"Let's do it!"

Lei Ming shouted.

Boom! Boom!

Both unleashed their full momentum and combat strength,

two dazzling beams of light burst from them, dispersing the clouds in the sky!

Two Dharma Idols also rose imposingly above them, fiercely dominant!

"Fight!!"

The two shouted simultaneously, directly charging to engage!

In an instant!

Bam! Bam! Bam!

The seven Dharma Idols clashed violently in the sky, causing

the Heaven and Earth to tremble violently, shaking in all directions!

Lei Ming and Xia Zhanpeng's Dharma Idols were

knocked away in this collision!

But soon, their Dharma Idols stabilized, and charged forward again,

engaging in a fierce battle with the Dharma Idols of Guan Shanyue and

the five!

During the Dharma Idol battle!

Lei Ming and Xia Zhanpeng engaged Guan Shanyue and the five in an

earthshaking battle!

Chapter 2857: Chapter 2857: Bloody Battle in Cangqiong!

"Burning Sky Immortal Slaying Halberd!"

Guan Shanyue forcefully swung the halberd in his hand, slashing fiercely toward Lei Ming and Xia Zhanpeng!

Rumble!

A huge halberd ablaze with crimson flames split the Cloud Sea, pressing down on the two of them!

"Eight Desolate Mountain Suppressing Palm!"

Lu Yan raised his right hand, unleashing a heavy palm strike!

An enormous eight-colored palm shattered a part of the Cangqiong, dazzling with blindingly brilliant eight-colored Immortal Light, bearing down on Lei Ming and Xia Zhanpeng!

"Black Wind Breaking Killing Fist!"

Feng Xiaotian twisted his fist and lashed out fiercely!

A gigantic black-gray fist crushed the Void, carrying a vast and overwhelming Fist Power and fist intent, smashing out!

"Ten Directions Sky-cutting Sword!"

Cao Jianshang wielded a Green Giant Sword and slashed down heavily forward!

Swish!

With one slash, ten Green Giant Swords gathered and swept across the sky, tearing through the heavens, slashing toward Lei Ming and Xia Zhanpeng!

"Taiyin Cold Moon Saber!"

Leng Jingyun raised a black scimitar in his hand, slashing down heavily towards Lei Ming and Xia Zhanpeng!

Swish!

With one slash, the world was shaken, mountains and rivers trembled, like a black crescent moon slashing out!

The bone-chilling Power of Taiyin spread out, freezing the Heaven and Earth!

Facing the fierce attack of the five of them led by Guan Shanyue!

Lei Ming and Xia Zhanpeng neither retreated nor evaded, simultaneously wielding their saber and sword to meet the strike head-on!

"Nine Revolutions Thunder Blade!"

"Connate Chaos Sword!"

Swish swish!

Nine purple Thunder Slash Sabers split open the Cloud Sea, tore through the sky, sweeping with raging lightning bolts, slashing heavily out!

A platinum long sword carried a radiant and magnificent sword might and sword intent, cutting out in rage!

Bang! Boom!

Deafening collision sounds and explosive noises echoed through the Cangqiong, shaking the eight directions!

Blazing light soared to the Nine Heavens, and surged down to the earth!

Vast energy spread out like waves!

Yet, even though Lei Ming and Xia Zhanpeng unleashed their strongest combat power, they still couldn't withstand the fierce attack from Guan Shanyue and the five of them!

"Ugh...ah..."

The two let out a painful cry, simultaneously blown back, shedding a large trail of blood along the way!

"Hahaha..."

Guan Shanyue laughed towards the sky, "Did you think that by joining forces you could fight against the five of us?"

"What a ridiculous thought!"

As he spoke, he stepped forward, constantly channeling the fire attribute power within him, then heavily stamped down from the sky!

"Refining Fire Burning Sky!"

Crimson flames surged outward from his body!

This fierce flame transformed into a sea of red fire, rolling up thousand-zhang waves of fire, surging towards Lei Ming and Xia Zhanpeng!

As the Fire Sea surged upwards!

He again called upon the metal attribute power within him, waving his hand energetically!

"Ten Thousand Miles of Golden Mountains!"

Majestic golden mountains rose up, towering and grand, pressing down on Lei Ming and Xia Zhanpeng!

Just as Guan Shanyue launched his fierce attack!

Lu Yan and the other four also launched a fierce attack!

"Spiritual Treasure Extinguishing Immortal Seal!"

"Black Wind Extinguishing Immortal Map!"

"Heaven and Earth Life and Death Sword!"

"Taiyin Xuanbing Pillar!"

An eight-colored huge seal gathered, like a large eight-colored mountain, pressing down heavily!

A black-gray Immortal Map gathered, rolling up tornadoes, suppressing and killing!

Countless green flying swords seemed to transform into a sea of swords, shooting explosively toward Lei Ming and Xia Zhanpeng from all directions!

The Taiyin Cold Ice Pillars pierced through the sky, pressing down on Lei Ming and Xia Zhanpeng to suppress and kill them!

"Counterattack!"

Lei Ming roared hoarsely, hair flying wildly, frantically swinging the Thunder Slash Saber in his hand, slashing fiercely!

"Fight, fight, fight!"

Xia Zhanpeng also let out a series of roars, swinging the long sword in his hand, slashing furiously!

Besides wielding the saber and sword in their hands!

Lei Ming and Xia Zhanpeng also unleashed other killing moves, facing the onslaught!

Bang, bang, bang!...

Boom, boom, boom!...

The deafening collision sounds and explosive noises continued to echo relentlessly!

Light and energy continually exploded in the sky above!

"Still dare to resist, truly overestimating yourself!"

Guan Shanyue's eyes were cold as he spoke fiercely, "Brothers, keep attacking, annihilate them!"

"Alright!"

The four of them including Lu Yan responded in unison.

Guan Shanyue and his group of five continued to unleash heavy killing moves, attacking Lei Ming and Xia Zhanpeng!

"Ahhhh..."

Lei Ming and Xia Zhanpeng let out painful screams, their bodies exploding, blood and flesh splattering, extremely tragic!

"Hurry and help Sect Leader Lei and the Emperor of Da Xia!"

"Sect Leader Lei and the Emperor of Da Xia can't hold on much longer, hurry!"

The people of Yu Lei Immortal Sect and Da Xia Immortal Country shouted out, rushing in from all directions.

"You ants also want to save people?"

Truly whimsical!"

Guan Shanyue's gaze was disdainful, his body shaking violently!

Waves of fire and golden rainbows whizzed out!

Some of the rushing disciples and armored soldiers were burned alive, others had their bodies pierced, blood splattering in the air!

The four of them, including Lu Yan, also launched waves of attacks, utterly annihilating the approaching disciples and armored soldiers!

"Ahhhh..."

Heartbreaking screams echoed across the sky.

Those waves of disciples and armored soldiers rushing to save them died tragically in the sky, bodies falling down in pieces.

"Hahaha..."

"Ants should have the awareness of being ants, don't attempt to contend against Golden Immortals of Daluo!"

"It's utterly ridiculous that you think you can save people with such useless trash!"

"No matter how many come, I'll kill them all, let's see how many you have for me to kill!"

"The destruction of Yu Lei Immortal Sect is already a foregone conclusion, don't think about resisting, it's futile!"

Guan Shanyue and his group of five laughed with great pride and cruelty.

They continued to unleash waves of attacks, annihilating the approaching disciples and armored soldiers.

"We must save Sect Leader Lei and the Emperor of Da Xia!"

"Even if we die, we must secure a chance for Sect Leader Lei and the Emperor of Da Xia!"

The disciples of Yu Lei Immortal Sect and armored soldiers of Da Xia Immortal Country appeared frenzied, eyes filled with determination, charging forward in unflinching succession.

As those in the front fell, others followed suit.

Blood tears streamed from Lei Ming's eyes as he hoarsely shouted, "Don't come, run, flee quickly!"

"Even if just one escapes, that would be good!"

Xia Zhanpeng's mouth flowed with blood, his eyes filled with tears, and he shouted passionately.

"None of you will escape!"

Guan Shanyue shouted viciously, his expression maniacal, continuing to unleash attacks.

"You cannot escape!"

"All of you, die at my hand!"

Lu Yan and the other four also unleashed waves of attacks, annihilating the rescuing disciples and armored soldiers.

The battle here was extremely tragic!

And the battle in the distant sky was even more tragic!

The elders of Yu Lei Immortal Sect and Da Xia Immortal Country were joining forces to resist the elders of the Five Great Forces!

However, the Five Great Forces had as many as seventeen Taiyi Xuanxians, and even thirty-eight Daluo Golden Immortals!

This time, to annihilate Yu Lei Immortal Sect, the Five Great Forces had gone all out!

Thus, in terms of both the number of elders and overall strength, they completely crushed Yu Lei Immortal Sect and Da Xia Immortal Country!

Boom!

Amid a series of soaring explosive sounds!

A massive ball of energy exploded in the sky above!

The vast Cangqiong and Void were blasted with holes, and the Void was torn apart like fabric!

"Ugh...ah..."

The elders of Yu Lei Immortal Sect and Da Xia Immortal Country let out painful screams, blown backwards...

Chapter 2858: Chapter 2858: Bringing About Their Own Destruction!

As the elders of the Yu Lei Immortal Sect and Da Xia Immortal Country were sent flying backwards, a vast amount of fresh blood sprayed into the air, staining the firmament!

Only after flying backward over a thousand meters did the elders manage to steady themselves!

“Huff... huff...”

The elders gasped heavily, unable to stop the blood from flowing from their mouths and bodies.

“Hahaha...”

Elder Li Weizhao of the Five Elements Immortal Sect laughed maniacally, his grin sinister and cruel, “Lei Dongtian, you’re finished!

Even with Da Xia Immortal Country’s help, what does that matter?

Do you think you can contend with our Five Great Forces?”

The Second Elder of the Five Elements Immortal Sect, Shen Zhiyi, holding a long sword, raised his gaze towards the elders of Da Xia Immortal Country.

He coldly declared, “Xia Chengfeng, I’m giving you one last chance to submit to our Five Elements Immortal Sect, and I’ll spare your lives!”

“Your current cultivation wasn’t easy to achieve, so why sacrifice yourselves alongside the Yu Lei Immortal Sect?”

“You have one minute to consider, quickly make your decision!”

The Grand Elder Jiang Songnian and the Third Elder Zhong Mingche of the Five Elements Immortal Sect also spoke arrogantly.

Both are Taiyi Xuanxian, with cultivation at the late-stage and middle stage.

“The defeat of the Yu Lei Immortal Sect is already sealed, if you remain stubbornly ignorant, you’re seeking your own demise!”

“Make your decision quickly, our patience is limited!”

The other elders of the Five Great Forces also spoke coldly, their gazes proud.

Elder Xia Chengfeng of Da Xia Immortal Country replied in a deep voice, “To attack the Yu Lei Immortal Sect for your selfish gain, that is truly despicable and shameless!

My Da Xia Immortal Country will never associate with such vile characters!”

“Brother Xia, well said!”

Grand Elder Lei Xiaohan of Yu Lei Immortal Sect stepped forward, his voice resonating, “Though we are immortal cultivators, we must have principles and behave with a clear conscience!”

Second Elder Lei Wanshan of Yu Lei Immortal Sect also spoke loudly, “Do you truly think your strength is unparalleled?”

In the entire Jiuzhou Immortal Domain, compared to those great forces, you are nothing!

You will surely face retribution for tonight’s massacre!”

Third Elder Lei Dongtian of Yu Lei Immortal Sect cupped his hands towards Xia Chengfeng and others, “Brother Xia, thank you for coming to aid us tonight!

Alas, we are destined to die in battle tonight, unable to enjoy tea and discuss the Dao together!”

“What matters if we die in battle!”

Xia Chengfeng stared directly at Li Weizhao and others, “We’ve already put life and death aside, prepared to fight to the end!”

Jiang Songnian’s gaze turned extremely dark, “So, you plan to accompany the Yu Lei Immortal Sect into utter darkness?”

“Quit the nonsense; if it’s a battle you want, we’ll fight!”

Xia Chengfeng shouted forcefully, “Even if we die in battle, we’ll drag you down with us!”

Li Weizhao responded viciously, “Senior Brother, these guys refuse to see the truth; there’s no point wasting words, let’s annihilate them!”

“Agreed!”

Jiang Songnian nodded with a sneer, “Drag us down with you, huh?”

Let’s see you try!”

Pausing briefly.

He waved his hand, “Everyone, attack, kill them!”

“Kill!!”

All the elders of the Five Great Forces shouted aggressively, charging towards Lei Dongtian and everyone else!

“Fight!!”

Lei Dongtian and the others also roared fiercely, rushing to meet the challenge!

During the charge!

Elders from both sides activated their Dharma Idols!

Dozens of Dharma Idols filled the sky, engaging in fierce clashes above!

Bang, bang, bang!...

Each collision sent tremors through the heavens, shaking the earth and mountains, tearing the void apart!

Even the confrontation of Dharma Idols was terrifyingly intense, and no one else could approach!

“Great Dao Five Elements Palm!”

Jiang Songnian raised his right hand, his palm shimmering with brilliant five-colored immortal light!

His palm expanded incessantly, akin to the Nine-layered Heavenly Palace, pressing downward!

This Five-Colored Giant Palm contained boundless power of the Five Elements Law, ready to shatter this part of Heaven and Earth!

“Heaven and Earth Five Elements Fist!”

Zhong Mingche raised his right arm, clenched his fist tightly, and fiercely punched forward!

A Five-Colored Giant Fist blasted out, tearing the heavens, fracturing the void, a terrifying spectacle!

“Five Elements Heaven Splitting Sword!”

Shen Zhiyi raised his Immortal Sword, slashing through the firmament, severing heavily!

A Five-Colored Giant Sword cut through layers of void, seemingly ready to obliterate everything!

“Nine Heavens Netherworld Fire Sword Technique!”

Li Weizhao swiftly wielded his black Immortal Sword!

Whoosh!

A black sword aflame with turbulent black fire scorched the heavens, slashing fiercely!

“Seven Absolute Immortal-Slaying Saber!”

“Wind Extreme Handprint!”

“Domineering Immortal Sword!”

“Taiyin Xuanming Seal!”

...

Other elders of the Five Great Forces also unleashed deadly moves, launching attacks on Lei Xiaohan and Xia Chengfeng and others!

Dozens of assaults erupted simultaneously, with killing intent surging, dazzling light flashing, energy surging, veritably destroying everything!

Yet, the elders of the Yu Lei Immortal Sect and Da Xia Immortal Country fearlessly launched a counterattack!

“Qianyuan Nine Thunder Palm!”

Lei Xiaohan raised his right hand, forming a nine-colored Thunder Palm, launching it heavily!

A single palm released, the nine-colored Thunder Palm expanded rapidly, dazzlingly bright with the powerful force of thunder and lightning laws!

As if to crush everything, split everything!

“Eight Thunder Killing Fist!”

Lei Wanshan clenched his fists, punching ceaselessly with fury!

Eight-colored Lightning Giant Fists erupted madly, resembling eight-colored lightning star falls, bursting out furiously!

“Nine Tribulations Thunder Punishment Blade!”

Lei Dongtian gripped his saber tightly, slashing with fury in succession!

Whoosh, whoosh, whoosh!

Golden Lightning Giant Blades cleaved out heavily, erupting with dazzling golden lightning!

“Connate Dao Seal!”

Xia Chengfeng channeled his energy to the utmost, then waved his cloak!

The ancient characters “Lin, Bing, Dou, Zhe, Jie, Zhen, Lie, Qian, Xing” transformed into the Nine Directions Seal, expanding incessantly!

This Nine Characters Ancient Seal glimmering vividly with purple brilliance, suppressed mightily!

“Thunder Burial in Eight Wildernesses!”

“Hunyuan Immortal Map!”

“Connate Dao Sword!”

...

The remaining eight elders of the Yu Lei Immortal Sect and Da Xia Immortal Country also continuously mobilized their energy, unleashing deadly moves!

In an instant!

Bang, bang, bang!...

Boom, boom, boom!...

Assaults clashed intensely in the sky, triggering a series of earth-shattering explosions!

Huge balls of energy detonated in the sky, fearsome beyond measure!

The erupting energy interwove, forming a sea of energy light, surging in all directions!

The vast firmament collapsed progressively, and the boundless void burst into cavities!

Dense black cracks enveloped the heavens, spreading everywhere!

Despite Lei Xiaohan and others harnessing all their power, they couldn't withstand the assault from so many of Jiang Songnian and others!

"Ugh, ah, ah..."

They emitted anguished cries, being hurled backward successively!

Even their Dharma Idols were shattered in the sky, turning into energy light rain, splattering in all directions!

"Good, good, good, let's swiftly finish them off!"

Li Weizhao was elated beyond measure, his eyes flashing with killing intent, chasing forward with his black Immortal Sword!

His hatred for the Yu Lei Immortal Sect, Divine Dragon Clan, and Yang Luo was immeasurably deep!

Chapter 2859: Chapter 2859: Perish Together!

If it weren't for the protection of the Yu Lei Immortal Sect and the Divine Dragon Clan, that little bastard Yang Luo would have died long ago!

But it doesn't matter, tonight the Yu Lei Immortal Sect and the Divine Dragon Clan will both be destroyed!

After the Yu Lei Immortal Sect and the Divine Dragon Clan are wiped out, we'll send someone to find out the whereabouts of that little bastard Yang Luo and kill him!

Jiang Songnian, Zhong Mingche, and the other elders of the Five Great Forces all had cold looks in their eyes as they continued to attack Lei Xiaohan and Lei Dongtian's group!

In the blink of an eye!

Jiang Songnian and his group were already close to Lei Xiaohan and his group, launching a fierce attack!

Fists and palms flying, knife lights and sword shadows, huge seals crossing the sky, Immortal Maps pressing down the heavens!

Beams of light, rays of brilliance shot out, with boundless destructive power!

"Quick, defend!"

Lei Xiaohan roared, consolidating a nine-colored Lightning Protection Shield that enveloped everyone inside!

Lei Wanshan, Lei Dongtian, Xia Chengfeng, and others also formed layers of Defensive Shields to resist the fierce assault of Jiang Songnian and his group!

Bang, bang, bang!...

Boom, boom, boom!...

Wave after wave of attacks pounded fiercely on the Defensive Shield formed by Lei Xiaohan and others, booming with the sound of rolling thunder!

However, even though the defense formed by Lei Xiaohan and others was strong, it could not withstand the fierce attack from so many of Jiang Songnian's group!

Layer upon layer of Defensive Shields were shattered in succession, exploding into countless fragments of light!

"Ahhhh..."

Many elders from the Yu Lei Immortal Sect and Da Xia Immortal Country couldn't hold on anymore, spewing blood from their mouths, falling down from the sky, and crashing onto the mountains!

Only Lei Xiaohan, Lei Wanshan, Lei Dongtian, Xia Chengfeng, and Gu Xiuhai were still holding on!

"Heaven and Earth Thunder Tribulation!!!"

Lei Xiaohan, Lei Wanshan, and Lei Dongtian all shuddered, letting out a roar!

Rumble!

A huge hole burst open in the Cangqiong above, with massive lightning bolts flickering with various Thunder Lights, fiercely striking at Jiang Songnian and the others!

It truly seemed like a lightning tribulation had descended, terrifying beyond compare!

"Connate Chaos Yuan Map!!!"

Xia Chengfeng and Gu Xiuhai pushed their internal energy to the extreme, shouting together!

A golden Immortal Map formed in the sky, rapidly expanding!

Engraved on the Immortal Map were numerous runes and an ancient character!

The nine ancient characters “Lin, Bing, Dou, Zhe, Jie, Zhen, Lie, Qian, Xing” shone brightly!

The Immortal Map descended like a sheet of golden Cangqiong, shooting golden Immortal rainbows, releasing countless ancient characters and runes into the sky!

“Mere child’s play!”

“Overestimating yourselves!”

“No matter how hard you try, you cannot be our equal!”

“All your efforts now are just the death throes of the doomed!”

Jiang Songnian, Zhong Mingche, Shen Zhiyi, and Li Weizhao all taunted aloud, conjuring layers of Defensive Shields to resist!

Dong, dong, dong!

Boom, boom, boom!

The thousands of Divine Thunder strikes and the oppressive Immortal Map were all blocked, creating a tremendous scene, shaking the area!

Subsequently, Jiang Songnian and his group unleashed killing moves, attacking Lei Xiaohan and his companions!

“Ughhhhh...”

Lei Xiaohan and his group could no longer hold on, letting out cries of anguish, their bodies splattered with blood and flesh, plummeting from the sky onto the mountains!

“Continue!”

“Fight them to the end!”

Lei Xiaohan and his group, dragging their heavily injured bodies, soared into the sky again to fight Jiang Songnian and his group!

In the subsequent time!

Lei Xiaohan and his companions were knocked down again and again, only to rise once more into the sky to engage in battle with Jiang Songnian and the others!

The blood stained the surrounding Heaven and Earth, presenting an extremely tragic scene!

On the nearby battlefield.

Lei Ming and Xia Zhanpeng were also repeatedly knocked down, only to soar into the sky once more to fight Guan Shanyue and his five companions!

After half an hour of intense combat!

Lei Ming and Xia Zhanpeng lay in a jumble of rocks and rubble, their bodies torn up, blood flowing from their mouths, barely able to rise!

The elders led by Lei Xiaohan lay on the ground, which had been smashed into an abyss pit, and they all fell into it!

The elders were also severely injured, covered in blood, their clothes tattered, hair disheveled, barely able to rise!

In contrast, the leaders and elders of the Five Great Forces were also injured, but it wasn't serious!

Jiang Songnian looked coldly at the deep abyss pit below, and said loudly: "Give them the final blow, send them on their way!"

"Hahaha... these old guys are finally going to die!"

Li Weizhao laughed very arrogantly and wildly.

Zhong Mingche squinted and said: "These old guys are quite stubborn, lasted this long!"

Shen Zhiyi snorted coldly, "No matter how long they last, it won't change their fate of death!"

As they spoke, Jiang Songnian and the others mobilized their internal energy, preparing to deliver a fatal blow to Lei Xiaohan and the others in the abyss pit!

Guan Shanyue and his five companions also mobilized their internal energy, preparing to deliver a fatal blow to Lei Ming and Xia Zhanpeng in the rubble!

At that moment!

"Perish with them!"

"Drag them down to the grave with us!"

“If we die, we die together!”

Cry after cry came from the abyss pit.

Lei Xiaohan and company, covered in blood, charged out from the abyss pit!

They burned their blood essence, their bodies shining with a bright light, eyes full of determination!

They all intended to explode their Physical Bodies and Essence Souls, planning to die with Jiang Songnian and the others!

Lei Ming and Xia Zhanpeng also soared from the rubble, burning their blood essence, preparing to explode their Physical Bodies and Essence Souls!

Jiang Songnian’s expression changed drastically, exclaiming: “Thinking to explode yourselves, how laughable! Hurry, form a formation to trap them!”

“Damn it, these fellows actually want to die along with us!”

“They’re just a bunch of lunatics!”

“You think you can bring us down with you? Dream on!”

Zhong Mingche, Shen Zhiyi, and Li Weizhao all roared angrily, abandoning the attack, setting up layer after layer of Great Formations to trap Lei Xiaohan and his companions!

Guan Shanyue and his group of five also gave up their attack, setting up layer after layer of Great Formations to trap Lei Ming and Xia Zhanpeng!

They intended to trap and kill Lei Xiaohan and the others within the Great Formation!

With the Great Formation to resist, even if Lei Xiaohan and the others exploded their Physical Bodies and Essence Souls, it would be futile!

But, just as the layered Great Formation was set!

Rumble, rumble!

The entire mountains, land, forests, and rivers of the Yu Lei Immortal Sect began to tremble violently!

“Hmm?”

Li Weizhao looked puzzled, “Why is the territory of the Yu Lei Immortal Sect suddenly shaking?”

Shen Zhiyi frowned: "What are they up to now?"

Not only Li Weizhao's group, but everyone present also felt puzzled and confused.

Within just a few seconds!

Rumble!

Lightning bolts shot into the sky from the mountains, land, forests, and rivers of the Yu Lei Immortal Sect!

The number of lightning bolts increased, emitting various Thunder Lights, surging with energy that could destroy Heaven and Earth!

Jiang Songnian immediately realized!

His pupils contracted sharply, exclaiming: "They intend to trigger the myriad power of lightning from the Yu Lei Immortal Sect to completely destroy it, dragging us down with them!"

Chapter 2860: Chapter 2860: Dominant Return!

"What?! They're actually going to harness the power of lightning to destroy Yu Lei Immortal Sect?!"

"These guys are simply madmen!"

"Damn it, what now?"

"Even if we can escape, can our disciples escape?"

Zhong Mingche, Shen Zhiyi, and Li Weizhao exclaimed in horror.

Jiang Songnian roared, "Hurry and trap them in the great formation, stop them from triggering Yu Lei Immortal Sect's power of lightning!"

"Alright!"

Zhong Mingche and the others responded with shaking voices.

Immediately, Jiang Songnian and the others continuously mobilized the energy within them, directing it into the overwhelming great formation, preparing to first annihilate Lei Xiaohan and the others!

Guan Shanyue and the other five also continuously channeled their inner energy into the formation, eager to destroy Lei Ming and Xia Zhanpeng quickly!

At this very moment.

As the power of the overwhelming great formation increased, the offensive from the formation became more ferocious.

"Ahhhhh..."

Screams of pain and despair echoed from the formations one after another.

"Damn it! Let's fight them to the end!"

"At worst, we'll perish together!"

The disciples of Yu Lei Immortal Sect and the armored soldiers of Da Xia Immortal Country roared and charged from all directions toward Jiang Songnian, Guan Shanyue, and the others!

However, the disciples of the Five Great Forces were incredibly ruthless, intercepting and killing these disciples and armored soldiers in mid-air!

At this moment.

Within the overwhelming formations beneath Jiang Songnian and the others.

Lei Xiaohan and Lei Wanshan were splattered with blood, spewing blood from their mouths.

The two of them performed a secret method, intending to draw out all the power of lightning from Yu Lei Immortal Sect and blow it up, killing Jiang Songnian and the others!

Even though doing so would lead to their own deaths, they couldn't care less!

After all, they would die anyway, and bringing down the entire Five Great Forces with them would be a gain!

The place where Yu Lei Immortal Sect is located is a treasure land, rich in lightning power!

More than half a year ago, Yang Luo had gathered the Power of Ten Thousand Thunders to temper his body here!

Rumble!

The sound of thunder roared, as thunder and lightning flashed!

More lightning rose from various parts of Yu Lei Immortal Sect!

Seeing the gathering lightning increasing, while Lei Xiaohan and the others hadn't died yet!

Jiang Songnian shouted in anger, "Retreat quickly!"

"Everyone, retreat!"

"Hurry, retreat!"

Zhong Mingche, Shen Zhiyi, and Li Weizhao also shouted loudly.

Just as Jiang Songnian and others were preparing to lead everyone to retreat!

Suddenly!

Rumble!

A series of loud rumbling sounds came from the distant sky!

"What's that sound?!"

"What's happening?!"

Everyone present exclaimed in shock.

The next second!

Dozens of violent, fierce attacks roared in from the distance, blasting toward the overwhelming formation trapping Lei Xiaohan and Lei Ming!

These dozens of attacks contained terrifying destructive power, as if they were capable of destroying everything!

Jiang Songnian's pupils shrank sharply, exclaiming, "Get out of the way!"

Zhong Mingche and the others reacted quickly, following Jiang Songnian to swiftly retreat!

In an instant!

The string of attacks fiercely struck the overwhelming formation trapping Lei Xiaohan and Lei Ming!

Boom! Rumble!

Earth-shattering collisions and explosive sounds resounded, echoing throughout the entire domain of Yu Lei Immortal Sect!

The overwhelming formation successively shattered and exploded, bursting into vast expanses of light and energy, surging outwards like a raging sea of violent waves!

"Ahhhh..."

Even Jiang Songnian and the others, who had retreated halfway, were blasted away by the energy and light that surged out!

However, just as this sea of energy and light surged and roiled in mid-air!

Whoosh, whoosh, whoosh, whoosh!

Accompanied by piercing whistling sounds!

Four streams of golden light pierced through layers of light, shooting in!

"Such mighty power! What is that?!"

"Get out of the way! Quick!"

Everyone present exclaimed in terror.

In an instant!

P-p-p-p!

Blossoms of blood splattered into the air, dyeing the night sky red!

Everyone turned their heads in shock!

They saw that the chests of Feng Xiaotian, the Valley Master of Black Wind Valley, and Cao Jianshang, the Manor Lord of Ba Jian Manor, were pierced by two golden divine arrows!

Both of them were at the early stage of Daluo Golden Immortal cultivation!

Two elders from the Five Great Forces at the middle stage of Daluo Golden Immortal also had their chests pierced by the golden divine arrows!

"Who... who on earth..."

"How could this happen..."

"Come out..."

"Ahhhh..."

Feng Xiaotian, Cao Jianshang, and the two elders roared, their faces filled with endless reluctance, despair, and agony.

Their physical bodies and Essence Souls were being torn apart by death, and they felt their life force dwindling.

While everyone was in a daze.

A loud, thunderous voice came from afar.

"Five Elements Immortal Sect, I, Yang Luo, have returned!"

Upon hearing this voice.

Everyone present turned to look.

When they saw the scene in the distance, everyone was dumbfounded, their bodies trembling!

They saw, in the distant sky, colorful immortal light illuminating the night sky, stabbing their eyes painfully!

A large group of people was flying majestically from afar!

A large Ancestor Dragon, thousands of meters long, was flying in the forefront, with a figure standing proudly on its head!

This person's body was covered in blood, covered in dense wounds, yet it couldn't conceal his majestic, heroic appearance!

He was like the Eternal Immortal Emperor riding on a dragon, ruling the world, unmatched!

This man was Yang Luo!

Just behind him, Yun Longxiang and Ji Longyue stood on top of a giant dragon, Ning Jianfeng stood on a purple Soaring Snake, Baili Wushuang rode a White Tiger, and Lin Wenxuan sat atop a Qilin!

Further back, there were over a thousand ancient boats and more than ten thousand war chariots!

At this time.

Feng Xiaotian, Cao Jianshang, and the two elders who were Daluo Golden Immortals also widened their eyes, recognizing the newcomers.

But blood gushed from their mouths, and they opened their mouths wide, trying to speak.

But they could no longer utter a single word.

Bang!

Then it happened!

Four golden divine arrows shot out in four beams of light, returning to Yang Luo's hand!

As the four pools of blood and bone sprayed into the air, Yang Luo and his more than twenty thousand people slowly flew in!

Seeing the blood and bone spraying in the air, watching Yang Luo and the others of more than twenty thousand slowly fly toward them!

Feng Xiaotian, Cao Jianshang, and the others could not say a word in their final moments.

A moment later, all the people present showed expressions of surprise and astonishment.

Someone exclaimed, "Little Luo... Little Luo is back!"

"Little Luo back with so many people? Oh my god..."

"Da Yi Immortal Country, Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, Ancient Azure Dragon Family, Ancient White Tiger Family, Gu Qilin Family..."

The disciples of Yu Lei Immortal Sect and the armored soldiers of Da Xia Immortal Country were filled with joy and awe.
