Chapter 2861: Chapter 2861: Old Grudges and New Enmities

Especially Lei Dongtian and Xia Zhanpeng, who knew Yang Luo, were so moved that tears welled up in their eyes, their bodies trembling!

Lei Dongtian choked and said, "Little Luo is back... Little Luo is really back!"

"I never expected that Little Luo would bring so many allies back... How wonderful!"

Xia Zhanpeng also cried tears of joy.

They never imagined, at their moment of helpless despair!

Yang Luo would return riding a dragon, bringing a large group of people with him!

Lei Xiaohan looked at Yang Luo atop the Ancestor Dragon's head and marvelled, "Third Brother, is this boy the peerless Heavenly Pride you've often mentioned, Yang Luo?"

"Yes!"

Lei Dongtian nodded emphatically, "He's Yang Luo, destined to become a famed Heavenly Pride throughout the Jiuzhou Immortal Domain!"

Lei Wanshan sighed, "This boy is truly extraordinary, instantly killing four Daluo Golden Immortals with divine bow and arrow!"

Moreover, at such a young age, he's already stepped into Daluo Golden Immortal!"

Lei Xiaohan squinted and said, "The divine bow and arrows in this boy's hands are not Mortal, they must be the legendary Sunset Divine Bow and Sun-shooting Divine Arrow!"

Hearing this, many elders turned pale with shock!

The legend of the Sunset Divine Bow and Sun-shooting Divine Arrow is known to them all!

They are the divine weapons of the ancient mighty Da Yi!

Lei Dongtian exclaimed, "Just months ago news came that Little Luo assisted the Da Yi Immortal Country in repelling the Southern Barbarian Demon Country!"

"That's right!"

Chi Yanzhou also nodded, "It's said Little Luo slew many demons with the Sunset Divine Bow and Sun-shooting Divine Arrow!"

At this moment!

The people of Yu Lei Immortal Sect and Da Xia Immortal Country are filled with shock and joy!

In contrast, the people of the Five Elements Immortal Sect and other Five Great Forces are filled only with intense fear besides shock!

"What the hell is going on... why have the Da Yi Immortal Country of Xuanzhou and major forces of the Donghua Divine Continent suddenly appeared in Huangzhou?!"

"Could it be... these forces... are here to help Yu Lei Immortal Sect?!"

"It's insane... this is absolutely insane!"

The people of the Five Great Forces trembled as they spoke, unable to believe what their eyes were seeing.

They had clearly been overwhelming Yu Lei Immortal Sect and Da Xia Immortal Country, hoping to completely annihilate them.

But unexpectedly, chaos erupted.

Yang Luo, who had once created a huge commotion in Huangzhou, had returned with a large group of allies.

Especially Li Weizhao and others of the Five Elements Immortal Sect, every one of them gritted their teeth, looking at Yang Luo with fierce eyes.

They never anticipated that Yang Luo would actually return.

Returning would have been tolerable, but he brought so many people.

The key point is, this little beast actually stepped into Daluo Golden Immortal, and upon arrival immediately shot dead Feng Xiaotian and three other Daluo Golden Immortals.

This is truly incomprehensible!

At this moment, the entire field was silent.

Yang Luo glanced around, surveying the mountainside covered with corpses and blood, his eyes ablaze with killing intent!

He apologized to Lei Dongtian, "Elder Dongtian, we were dealing with the Divine Fire Hall and other Five Great Forces at the Divine Dragon Clan, so we arrived a bit late, I'm sorry!"

"Little Luo, we're already very grateful that you came to help!"

Lei Dongtian replied, then asked, "What's the situation with the Divine Dragon Clan now?"

Yang Luo replied, "The crisis of the Divine Dragon Clan has been resolved, and it won't be long before the Divine Fire Hall and other Five Great Forces are completely annihilated!"

Upon hearing this!

The entire field gasped!

Clearly, everyone did not expect that Yang Luo and others actually hurried over from the Divine Dragon Clan and at such speed!

"Could it be that the Divine Fire Hall and other five great forces are going to be annihilated this quickly?!"

"The Divine Fire Hall and other Five Great Forces have tens of thousands, multiple Taiyi Xuanxian and Daluo Golden Immortals, how could they be annihilated?!"

"Impossible, absolutely impossible!"

The people from the Five Elements Immortal Sect and other Five Great Forces shook their heads vigorously, unwilling to believe Yang Luo's words.

Yang Luo naturally paid no heed to these individuals, but looked towards Xia Zhanpeng and said, "Uncle Xia, long time no see!"

"Little Luo, it's good to have you back!"

Xia Zhanpeng smiled warmly, marveling, "I never expected after just a few months, you would have already stepped into Daluo Golden Immortal, truly remarkable!"

"Father, I've also stepped into Golden Immortal!"

Summer Ziyang smiled sweetly at Xia Zhanpeng.

Summer Chaoyang also looked at Xia Zhanpeng, his eyes slightly red.

If it weren't for Yang Luo and their timely arrival, his father might truly have been in danger.

Xia Zhanpeng nodded and said, "Good, you're all exceptional!"

Yang Luo said loudly, "Everyone, let's talk after this battle is over!"

"Okay!"

Xia Zhanpeng and Lei Dongtian and others nodded together.

Yang Luo raised his eyes, staring at Li Weizhao in the distance, and said coldly, "Old man, when you hunted me and my brothers to desperation, did you ever think you would see this day!"

Li Weizhao's face was malicious, wishing he could tear Yang Luo to pieces.

But seeing those with Yang Luo such as Ancestor Wangjiang, Yun Jincheng, Ning Jin Yu, Lin Haochang, and Yi Jiuxiao, he clenched his fists and held back.

Yang Luo continued, "Your Five Elements Immortal Sect has committed countless evil deeds, and even sought to join forces with other forces to annihilate the Divine Dragon Clan and Yu Lei Immortal Sect!

Old feuds and new grudges, this time we will repay you once and for all!"

Li Weizhao's gaze turned exceedingly grim, yet still he dared not act rashly.

There's no way around it, Yang Luo brought too many people.

Moreover, aside from those from the Da Yi Immortal Country, all others came from major forces of the Donghua Divine Continent.

Critically, their Taiyi Xuanxian and Daluo Golden Immortal numbers nearly double theirs.

Even if they were arrogant and wild, they'd have to consider whether or not to engage in battle.

At this time.

Jiang Songnian stepped forward, frowned and said, "Gentlemen, this is our Huangzhou affair, your intervention from Xuanzhou and Donghua Divine Continent may not be appropriate."

"The great continents have always not interfered in each other's affairs, you are overstepping!"

Shen Zhiyi also stepped forward.

"Elder Shen is right, the great continents should not interfere in each other's affairs, you're overstepping!"

"Get out of our Huangzhou, don't think of wreaking havoc here!"

"This is our Huangzhou affair, we don't need your involvement!"

"Hurry up and get out!"

The other elders of the Five Great Forces also stood on the moral high ground, beginning to drive them away.

Seeing the shameless faces of these people, Yang Luo's eyes burned even hotter with killing intent.

He laughed coldly, "You people are just one notch short of writing despicable and shameless on your faces!"

You can join forces to oppress the Divine Dragon Clan and Yu Lei Immortal Sect!

When we come to help it's overstepping, it's wreaking havoc, is it?"

"Everyone shut up!"

Zu Qianqiu stepped forward, his voice thunderous, "I don't care about Huangzhou, Xuanzhou, or Donghua Divine Continent!"

Your Five Elements Immortal Sect banded together with nine forces to provoke this war, and even intend to annihilate the Divine Dragon Clan, unforgivable!"

Zu Tiangang also stepped forward, said coldly, "You lot of ambitious wolves, not to be spared!"

"Are you really going to start a war?"

Jiang Songnian asked in a deep voice.

Yun Jincheng said coldly, "It was you who provoked this war first, now asking us if we want to start it, are you joking?"

“

Chapter 2862: Chapter 2862: Fight to the Death!

Bujie couldn't hold it any longer and shouted loudly, "Seniors, there's no need to waste words with them!

Just eliminate these despicable scoundrels!!"

Ning Jianfeng also roared, "Especially this Five Elements Immortal Sect, we must completely annihilate them!"

"Kill, kill, kill!..."

Everyone raised their arms and shouted, the sound of killing shaking the heavens.

"Damn it!"

Li Weizhao was furious and shouted angrily, "Everyone, there's no point in saying meaningless words!

Even if we negotiate with them, they won't listen!

In that case, let's fight them!"

"What about Xuanzhou or Donghua Divine Continent, do we fear you!"

"It's not that easy to destroy us!"

"If a fight breaks out, you'll also pay a heavy price!"

The people from the Five Elements Immortal Sect and the other four great forces all roared.

The anger in Yang Luo's heart completely erupted, and he roared loudly!

"Leave no one alive, kill without mercy!"

With a single command!

"Kill!"

"Destroy them!"

“Take them down!”

Over two hundred thousand people shouted as they charged forward!

“Roar, roar, roar!”

The Azure Dragon, White Tiger, Qilin, Soaring Snake, and other Divine Beasts, tens of thousands of divine dragons, tens of thousands of Ancestor Dragons all roared out!

“Roar!—”

“Roar!—”

Big White and Yuanfei both let out a sky-shattering roar, leaping from an ancient boat and charging forward!

“Kill them!”

“Fight them to the death!”

The people from the five great forces also roared and charged forward!

Lei Dongtian said loudly, “Everyone, our reinforcements have arrived, now is the time for our counterattack!”

“We will join hands with all you heroes, and eliminate these guys!”

Xia Zhanpeng also roared loudly.

Subsequently, under the leadership of Lei Dongtian and Xia Zhanpeng, the people from the Yu Lei Immortal Sect and Da Xia Immortal Country charged towards the people from the five great forces!

An earth-shattering battle erupted just like that!

“Die, all of you!”

Yang Luo let out an angry roar, like a berserk wild dragon, and charged forward!

While charging forward!

He kept mobilizing the energy within his body, activating the Primordial Physique, and other physique secret techniques!

His body shimmered with golden light, covered with Long Wen and runes, flames burning, a huge golden sword towering, unparalleled imposing!

Even the Nine Holy Dragons Phenomenon soared into the sky, roaring out!

Boom, boom, boom!

Huge war chariots charged from a distance, all shattered by his body, crushed by the nine Holy Dragons!

The disciples charging from the five great forces were smashed to pieces by him, torn to shreds by the Nine Holy Dragons Phenomenon!

Chunks of flesh and blood splattered in the air, shocking to the core!

While using his body to collide!

Yang Luo also kept drawing his bow and shooting arrows, shooting to death those charging from all directions!

Bodies flew across the air, screams echoed incessantly!

At this moment, Yang Luo was like a Demon God returning from the Nine Nether Purgatory, wanting to slaughter all living beings!

Especially towards the people of the Five Elements Immortal Sect, he hated to the extreme!

Therefore, the majority he slaughtered were from the Five Elements Immortal Sect!

In a short time, he had slain more than thousands of enemies!

“Everyone, join hands to form a formation, trap and kill this brat!”

“Don’t let this brat keep killing, quickly kill him!”

Many Law Enforcers of the Five Elements Immortal Sect shouted out.

“Yes!”

The disciples of the Five Elements Immortal Sect responded loudly.

Immediately, the Law Enforcers and disciples of the Five Elements Immortal Sect all mobilized the energy within their bodies, beginning to form a joint formation!

“Heaven and Earth, Five Elements Formation!”

In an instant!

A massive array formation condensed, trapping Yang Luo inside!

This formation was immense, sparkling with five-colored immortal light, containing the power of the Heaven and Earth Five Elements!

Five-colored array patterns and runes flowed, radiating light, mysterious beyond compare!

“Formation, activate!!!”

All the Law Enforcers and disciples shouted in unison, triggering the great formation.

Rumble, rumble, rumble!

The great formation activated directly, unleashing terrifying destructive, and devastating power!

Streams of five-colored immortal rainbows shot out, blasting towards Yang Luo at the center of the formation!

Gold mountains rose up, pressing down heavily!

Huge green wood pillars condensed, crashing down!

Massive waves rose hundreds, thousands of feet high, crashing down!

Flames roiled, turning into a raging Fire Sea, about to incinerate the heavens and the earth!

Huge stones condensed, like Heaven and Earth Shattering, smashing down!

Facing the assaults of this great formation!

Yang Luo spread his arms, letting out a breathtaking roar!

“You think this damn formation can trap me, dream on!!!”

Saying so, he quivered!

Torrents of unparalleled energy erupted from his body, like a flood breaking a dam, like a volcanic eruption, sweeping through all directions!

Crash, crash, crash!

Just with this fierce and wild strike!

The offensive unleashed by the great formation was all shattered, exploding in rays of light and energy!

Even the great formation was filled with countless cracks, as if it could crumble and explode at any moment!

“What?!”

“Why is this brat so terrifying?!”

“We teamed up to form a formation, not only couldn’t kill him, he even broke our formation!”

“This brat is too much of a threat, hurry up and stabilize the formation, kill him, we must kill him!”

The Law Enforcers and disciples of the Five Elements Immortal Sect roared, continuing to channel energy into the formation.

The formation started to reinforce itself, its power continuing to surge!

Yang Luo stood unafraid, quivering, the power of his blood essence bursting forth!

“Explode for me!!!”

“Roar, roar, roar!”

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared in unison, crashing out in all directions!

Rumble, rumble, rumble!

The entire great formation completely shattered and exploded!

The energy from the explosion was fiercely powerful, turning into waves, sweeping in all directions!

“Ahhhh...”

Those Law Enforcers and disciples forming the formation cried out in pain, all blasted away.

Many were directly blown to death!

Yang Luo once again drew his bow and shot arrows, blasting towards the eight Law Enforcers!

Whoosh, whoosh, whoosh, whoosh!

The Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, and Chasing Wind Arrow all blasted out simultaneously!

The eight Law Enforcers hadn't reacted yet, their bodies were all pierced through!

Each divine arrow pierced through two Law Enforcers!

"Ahhh..."

The eight Law Enforcers let out cries of pain, their bodies and Essence Souls simultaneously exploded in mid-air!

After killing these eight Law Enforcers!

He quickly recalled the four Sun-shooting Divine Arrows and continued to slaughter the other people from the five great forces!

At this time!

"Brat, die for me!"

"Take down this brat!"

"Tear him to pieces!"

The Sect Master of the Five Elements Immortal Sect, Guan Shanyue, Sect Master of Lingbao Treasure Sect, Lu Yan, and the Holy Master of Taiyin Holy Land, Leng Jingyun, all charged at Yang Luo!

All three were at the Middle Stage of Daluo Golden Immortal cultivation, incomparably strong!

"The ones who deserve to die are you!"

Yang Luo roared, immediately drawing his bow and shooting four Sun-shooting Divine Arrows at the three!

Whoosh, whoosh, whoosh, whoosh!

The four Sun-shooting Divine Arrows turned into four golden streams of light, tearing through the sky, blasting towards the three!

"Everyone be careful!"

Guan Shanyue shouted in alarm, wielding the halberd in hand, slashing out heavily!

“Five Elements Treasure Seal!”

As he slashed the halberd, he also condensed the Five Elements Great Seal, crashing out!

Chapter 2863: Chapter 2863: Inspiring!

"Eight Desolate Mountain Suppressing Palm!"

"Taiyin Cold Moon Saber!"

Lu Yan and Leng Jingyun both struck with a palm and swung a saber!

An eight-colored giant palm pressed down on Heaven and Earth, crushing forward!

A huge black saber carried a biting cold air, slashing heavily!

They were clearly aware of the terror of the Sunset Divine Bow and Sun-shooting Divine Arrows, so they promptly launched a counterattack!

Clang clang clang!

Boom boom boom!

A series of earth-shattering impacts and explosions resounded!

Blazing lights and mighty energy burst in the sky, sweeping in all directions!

Under this astounding collision!

All four Sun-shooting Divine Arrows were knocked back!

Guan Shanyue, Lu Yan, and Leng Jingyun were also thrown flying!

Yang Luo raised his right hand, caught the four Sun-shooting Divine Arrows, and drew the bow again, shooting them explosively!

Shoo shoo shoo shoo!

The four Sun-shooting Divine Arrows shot out again, breaking through the vast energy lights, tearing the void apart with countless cracks!

"You little beast, you wish!"

Lu Yan shouted furiously, sweeping his long sleeves!

Five High-level Immortal Magical Artifacts flew out from his sleeves, continuously expanding and erupting with attacks, meeting them head-on!

He was the sect master of Lingbao Treasure Sect, which was famous for refining weapons, so he had many Dharma artifacts!

Guan Shanyue and Leng Jingyun also simultaneously summoned their own artifacts!

A total of four artifacts flew out, expanding in the wind, unleashing terrifying attacks!

But, the four Sun-shooting Divine Arrows were fiercely unstoppable, forcibly breaking all attacks erupting from the nine artifacts!

The nine artifacts attempted to stop them but were destroyed by the four Sun-shooting Divine Arrows, breaking five of them!

The remaining four artifacts were all knocked away!

After shattering five artifacts!

The four Sun-shooting Divine Arrows continued to shoot towards Guan Shanyue and the others!

"Watch out!"

"Move quickly!"

"Hurry!"

Guan Shanyue and the others screamed in fear, quickly dodging.

Though quick in response, they still had an arm shot off by the four Sun-shooting Divine Arrows!

"Ahhhh..."

The three screamed in agony, staggering back, their left arm exploded into a mess, spraying out flesh, blood, and bone fragments!

Yang Luo's eyes were furious, and he shot the four Sun-shooting Divine Arrows for the third time!

Shoo shoo shoo shoo!

The sharp sound of breaking through the sky echoed loudly and piercingly!

The four Sun-shooting Divine Arrows whistled out, with energy even more terrifying and formidable!

"Dodge!"

"Quickly!"

Guan Shanyue and Leng Jingyun screamed in shock, unable to counterattack in time, retreating with all their might!

But Lu Yan was a step late!

Watching as the four Sun-shooting Divine Arrows shot towards him!

His pupils dilated, eyes filled with extreme terror!

He panicked and summoned the remaining three artifacts to fend off the assault of the four Sun-shooting Divine Arrows!

But in just an instant!

The three artifacts were shattered, exploding into fragments!

In the next moment!

Puff puff puff puff!

The four Sun-shooting Divine Arrows pierced through his forehead, chest, and abdomen!

Blood flowed unstoppably, a glaring red cascade!

"You little beast... you... ah!!!"

Lu Yan hadn't finished his words, letting out a piercing scream, his physical body and Essence Soul utterly shattered!

"Whew..."

Yang Luo exhaled a breath of turbid air, putting away the Sunset Divine Bow and the Sun-shooting Divine Arrows, and summoned the Dragon Emperor Sword!

Using the Sunset Divine Bow and Sun-shooting Divine Arrows multiple times had depleted his qi!

He had to conserve energy to eliminate more enemies!

Especially Li Weizhao, whom he had to kill personally!

At this moment.

Standing in the distant sky, Guan Shanyue and Leng Jingyun both were stunned, a bit confused.

They had been cautious, always guarding against this brat with the Sunset Divine Bow and Sun-shooting Divine Arrows.

Yet they hadn't expected Lu Yan to still die at this brat's hands.

Cursed!

Extremely cursed!

The people battling intensely in the distance also noticed the situation here, in utter shock!

"Sect Leader Lu was killed by this kid too, how is that possible?!"

"This kid is simply a demon, he shot and killed Valley Master Feng and Master Cao, and two Daluo Golden Immortal elders with the Sunset Divine Bow and Sun-shooting Divine Arrows!"

"And now, it hasn't been long, this kid killed Sect Leader Lu too, this kid is truly damned!"

Members of the Five Great Forces roared, filled with shock, anger, and fear towards Yang Luo.

"Little Luo, well done!"

"Little Luo, good kill!"

"Mr. Yang forever!"

The people of Yu Lei Immortal Sect and Da Xia Immortal Country raised their arms in cheers, feeling exhilarated.

Just not too long ago, they were despaired, ready to go down with the people of the Five Great Forces.

But now, with Yang Luo and so many allies arriving, they saw the hope of victory.

"You little beast! You deserve death, you deserve death!!!"

Guan Shanyue unleashed a roar of extreme anger towards Yang Luo.

"You little beast, it seems using the Sunset Divine Bow and Sun-shooting Divine Arrows drains you quite a bit!"

Leng Jingyun squinted at Yang Luo, speaking ominously, "Now that you're not using the Sunset Divine Bow and Sun-shooting Divine Arrows, you're surely dead!"

"Oh? Try and kill my Brother Yang!"

"Brother Yang, we'll lend you a hand!"

"Brothers united, overcoming all foes!"

Voices resounded from the distance.

Yun Longxiang, Wu Qiansheng, Lu Yunqi, Xia Chaoyang, Ji Longyue, Baili Wushuang, Ning Jianfeng, Lin Wenxuan, Bujie, and Xu Ying flew over, standing beside Yang Luo.

Guan Shanyue glanced at Yun Longxiang and the others, sneering, "With you little guys, can you kill us?"

"Heh heh, a bunch of brats dare to boast before us, overestimating yourselves!"

Leng Jingyun also scoffed.

"Damn it!"

Bujie shouted loudly, "Laugh my ass off, Lord Buddha will kill you!"

Just as Yang Luo and the others prepared to charge!

Suddenly!

Resounding voices came from afar, shaking the skies!

"Everyone have no worries, the Great Desolate Immortal Country is here to assist!"

"The Da Mang Immortal Country is here to assist!"

"The Heavenly Netherworld Immortal Sect is here to assist!"

Upon hearing these voices.

Everyone present looked over.

Only to see ancient boats and war chariots flying from afar.

The ancient boats and war chariots were full of people, numbering over 100,000.

Flags fluttered in the wind, their aura vast and mighty.

"What's happening, why are the people from the Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect here?!"

"Are they here to help us or that brat Yang Luo?!"

The people of Five Elements Immortal Sect exclaimed in shock.

However, Yang Luo, Wu Qiansheng, and the others darkened their expressions.

Soon, this group of over 100,000 arrived in the sky.

Leading them were the rulers Huang Tianye of Great Desolate Immortal Country, Mang Chongshan of Da Mang Immortal Country, and Sect Master Nangong Yan of Heavenly Netherworld Immortal Sect.

Jiang Songnian looked at the three, cupping his hands and asking, "May I ask, Emperor Beihuang, Emperor of Great Mang, Sect Master Nangong, what brings you here?"

Huang Tianye replied in a deep voice, "Naturally, it's to help you, against them!"

"Oh?"

Jiang Songnian's eyes brightened, "Emperor Beihuang, what do you mean by that?"

Chapter 2864: Chapter 2864: The Battle Escalates!

Huang Tianye glanced around the audience, staring fiercely at Yang Luo and the others.

He said venomously, "Months ago, these little brats killed my son Huang Yuchen!

If I don't avenge my son's death, I don't deserve to be the Emperor of the Great Desolate Immortal Country!"

"My son Mang Tianci also died at the hands of these little brats!"

"And my son Nangong Yao was killed by them as well!"

Mang Chongshan and Nangong Yan both stared intensely at Yang Luo and Wu Qiansheng, their eyes full of endless killing intent.

During this time, they had thoroughly investigated and confirmed that it was Yang Luo and the others who killed their sons.

Originally, they had been continuously sending people to find Yang Luo and the others, yet had found nothing.

But unexpectedly, this group of little brats came to Huangzhou and clashed with the forces of the Five Elements Immortal Sect and the others.

So they decided to join forces with the Five Elements Immortal Sect and other forces to kill these little brats.

Just as well, they could seize this opportunity to foster good relations with the Five Elements Immortal Sect and other forces.

After Huang Tianye, Mang Chongshan, and Nangong Yan finished speaking,

the people from the Five Great Forces, led by the Five Elements Immortal Sect, were immediately overjoyed!

“So these three major forces are here to help us? Great, truly wonderful!”

“With the support of these three forces with more than a hundred thousand people, we have hope to destroy them!”

“Joining forces with all major powers in Huangzhou, we also fear nothing from those in Xuanzhou and Donghua Divine Continent!”

The people from the Five Great Forces were all extremely excited, discussing nonstop.

Li Weizhao sneered aloud, “Little brats, you really can’t avoid trouble no matter where you go!

You actually handed us three allies for free!”

“Hahaha...”

Jiang Songnian laughed loudly, clasping his hands, “Emperor Beihuang, Emperor of Great Mang, Sect Master Nangong, if that’s the case, let’s join forces to exterminate these guys!”

“Great!”

Huang Tianye, Mang Chongshan, and Nangong Yan nodded in agreement.

“Little Luo, what’s going on?”

At this moment, Yun Jincheng turned to Yang Luo and asked.

Yang Luo honestly explained the previous conflicts with Huang Yuchen, Mang Tianci, and Nangong Yao to everyone.

After listening to Yang Luo’s account, the people of Yun Jincheng finally understood what was happening.

Yang Luo raised his eyes to look at Huang Tianye and said solemnly, “Your son repeatedly sought trouble with me and even wanted to kill me and my brothers!

He was courting death himself; can anyone else be blamed?”

“Shut up!”

Huang Tianye’s eyes were vicious, “I don’t care about the grievances between you and my son. You killed him, so you must pay with your life!”

As he spoke, he looked towards Wu Qiansheng, Lu Yunqi, and Xia Chaoyang, and said, “And you, accomplices in murdering my son, all must die today!”

No sooner said than done!

From afar, voices full of power resounded again!

“Huang Tianye, if you want to kill my son, you can try!”

“Do you really think your Great Desolate Immortal Country is the strongest power in Huangzhou?”

Everyone present was momentarily stunned and turned their heads to look.

They saw hundreds of ancient boats and thousands of war chariots flying in from afar.

The ancient boats and war chariots were all filled with people, numbering nearly sixty thousand.

When the arrivals were seen, everyone present was suddenly shocked.

“Da Wu Immortal Country and Taixuan Sacred Land have come as well?!”

“Oh my heavens, tonight, aside from Da Yi Immortal Country in Xuanzhou and the various forces of Donghua Divine Continent, all major powers of Huangzhou have appeared!”

“The battle has escalated again!”

All the people present exclaimed in shock, dumbfounded.

Thus, the arrivals were the people of Da Wu Immortal Country and Taixuan Sacred Land, who soon reached this sky.

The leaders were the Emperor of Da Wu Immortal Country, Wu Kaiyuan, and the Holy Master of Taixuan Sacred Land, Lu Tianming.

“Father!”

“Father, why are you here?!”

Wu Qiansheng and Lu Yunqi both looked at Wu Kaiyuan and Lu Tianming with great excitement.

Wu Kaiyuan smiled gently, saying, “We have been watching this battle, and upon learning of your participation, we rushed over!”

Lu Tianming raised his eyes to Yang Luo and smiled subtly, saying, “You’re the Yang Luo that Yunqi keeps mentioning?”

Yang Luo nodded, “Yes, Holy Master Lu!”

“Kid, I didn’t expect you to reach Daluo Golden Immortal at such a young age, well done!”

Yunqi has made great progress in just a few months training with you; he really is fortunate!”

Lu Tianming’s eyes showed full admiration, and he continued, “Kid, since you and Yunqi are brothers, don’t be so formal; you can call me Uncle!”

“Kid, Qiansheng has grown much with you; I’ll be more at ease with him by your side!”

Wu Kaiyuan also laughed heartily, “You can call me Uncle too in the future; we’re all family here!”

Yang Luo clasped his hands, “Junior Yang Luo greets Uncle Lu and Uncle Wu!”

“Great, great, great!”

“After the battle, we’ll feast and celebrate!”

Wu Kaiyuan and Lu Tianming nodded and smiled.

At this time.

People from the Five Elements Immortal Sect and the Five Great Forces looked extremely gloomy.

Originally with the addition of the Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect, they were almost on par in numbers and strength with Yang Luo’s side.

Unexpectedly, at the critical moment, people from Da Wu Immortal Country and Taixuan Sacred Land also arrived.

They were very annoyed.

What is this kid’s deal?

Why can he connect with so many forces?

His network is downright frightening!

“Huang Tianye, Mang Chongshan, Nangong Yan, if you want to kill my son, you can try!”

“Your sons were ruthless and wanted to kill my son, and being not strong enough, they were counter-killed, deserving their fate!”

Wu Kaiyuan and Lu Tianming both glared at Huang Tianye’s group of three, shouting in anger.

“Enough talk, these little brats must pay with blood!”

Huang Tianye erupted in anger, moved his figure, and charged towards Yang Luo and the others!

Mang Chongshan and Nangong Yan also stepped forward, attacking!

“Damn it!”

“Dare make a move, you’re dead!”

With a sound, Wu Kaiyuan and Lu Tianming directly charged towards Huang Tianye’s group of three, engaging in a fierce battle in the sky!

Jiang Songnian shouted, "Everyone, follow me to attack, eliminate them!"

The order was given!

The Five Great Forces, along with the Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect, charged forward!

Yang Luo also raised his sword, pointed it forward, and roared loudly!

"Brothers, seniors, destroy them!"

The order was given!

All the forces standing with Yang Luo also moved forward, launching a fierce attack!

An unprecedented grand battle erupted immediately!

The sky above Yu Lei Immortal Sect was filled with a sea of people, fighting intensely!

This battle, no matter which side wins, will surely shock all of Huangzhou!

"Oh my gosh!"

Bujie's mouth twitched, "This battle is larger in scale than the Ancestor Dragon Sacred land battle!"

Ning Jianfeng gulped and said, "Sure enough, wherever there are people, there's a pugilistic world and fighting!"

"You little brats, prepare to die!"

"It's time for me to send you on your way!"

Guan Shanyue and Leng Jingyun shouted fiercely, rushing towards Yang Luo and Yun Longxiang!

"Brothers, fight!"

Yang Luo roared loudly, leading Yun Longxiang and the others into the fray!

Chapter 2865: Chapter 2865: Destroying the Taiyin Saint Master!

Although only Yang Luo and Yun Longxiang are Daluo Golden Immortals, while Bujie and the others are merely Golden Immortals!

However, Bujie and the others still have no fear!

They have fought tough battles before, daring to fight even when the enemy is stronger!

In an instant!

Yang Luo and his companions closed in on Guan Shanyue and Leng Jingyun high in the sky!

“Burning Sky Immortal Slaying Halberd!”

“Taiyin Cold Moon Saber!”

Guan Shanyue and Leng Jingyun simultaneously swung their weapons, slashing towards Yang Luo and his team!

Rumble! Rumble! Rumble!

The heavens and earth shook, the eight directions trembled, and ten directions were in upheaval!

A crimson giant halberd, carrying endless flames, crushed a corner of the firmament, terrifying beyond measure!

A huge black saber cleaved through a sea of clouds, with black cold energy wildly raging, freezing heaven and earth, ferocious and daunting!

Faced with the fierce assault from Guan Shanyue and Leng Jingyun!

Yang Luo showed no fear at all, swinging his Dragon Emperor Sword, cutting out heavily!

“Dragon Emperor Sword Technique!”

Swish!

A golden giant sword tore apart the sky, slashing heaven and splitting earth, the sword might vast, the sword intent reaching the heavens!

“Roar! Roar! Roar!”

Tens of thousands of Holy Dragon illusions roared out, shaking the heavens!

“Heavenly Emperor Chaotic Sky Halberd!”

Yun Longxiang swung his halberd heavily!

A golden giant halberd pressed horizontally, the Emperor's Aura surged out, defying the heavens!

"Azure Dragon Battle Technique!"

Ji Longyue shouted, unleashing the nine styles of the "Azure Dragon Battle Technique"!

Dragon claws, dragon fists, dragon palms, and dragon fingers continuously attacked and killed!

There were even illusionary Azure Dragons dancing, dominating the world!

"White Tiger Dominating Fist!"

Baili Wushuang clenched his fists tightly, nine-colored Thunder Light flashing on him, one punch after another, blasting out!

Nine-colored Thunder Fists exploded the heavens and earth, like countless meteoric strikes raining down!

"Soaring Serpent Immortal Slaying Sword!"

Ning Jianfeng swung his Soaring Serpent Sword, angrily slashing forward!

Swish!

A black gigantic sword severed the sky, slashing forward!

A massive black Soaring Serpent flew through the clouds, charging out to kill!

"Ancient Qilin Breaks Ten Thousand Techniques!"

Lin Wenxuan's hair flew, letting out a roaring shout!

Eight Qilins rose towering above him, opening their mouths to spew out beams of immortal rainbows!

"Nine Yang Dominator Fist!"

"Bright Moon and Star Palm!"

"Great Xia True Dragon Spear!"

"Purple Thunder Chaotic Sky Saber!"

"Ten Thousand Buddha Demon Slaying Stick!"

Wu Qiansheng, Lu Yunqi, Xia Chaoyang, Xu Ying, and Bujie all launched a fierce assault!

Nine giant fists, like nine massive meteoric stars, pummeled down!

A gigantic palm surrounded by the bright moon and stars slapped down heavily!

A platinum giant spear, with an imperial dragon coiling around, swept out!

A purple lightning bolt cleaved the heavens and earth, shooting out blasts of purple wild thunder!

A golden giant staff erupted with ten-thousand-foot Buddhist light, sweeping up!

In an instant!

Clang! Clang! Clang!

Boom! Boom! Boom!

The offensive launched by Yang Luo and his companions collided fiercely with Guan Shanyue and Leng Jingyun, erupting in earth-shattering explosions!

In this confrontation!

Both Guan Shanyue and Leng Jingyun were blown back, their bodies bursting open with bloody wounds, spraying large patches of fresh blood!

Yang Luo and Yun Longxiang and their companions were also blown away, their bodies bursting open with bloody wounds!

“Brothers, keep going, kill!”

Yang Luo roared, raising his sword and charging up again!

“Kill!!!”

Yun Longxiang and Bujie and the others also shouted loudly, charging up!

In the midst of charging up!

Yang Luo and Yun Longxiang and the others all activated their Dharma Idols, shaking heaven and earth!

“I refuse to believe we can’t kill these little beasts!”

“We must kill these little beasts, kill them!”

Guan Shanyue and Leng Jingyun, with disheveled hair and bloodstained, also activated their Dharma Idols, killing fiercely!

Yang Luo and Yun Longxiang and their companions also led their Dharma Idols, charging up!

Clang, clang, clang!...

Boom, boom, boom!...

Both sides engaged in a heaven-shaking battle, fighting to the point where heaven and earth shattered, and the sun and moon lost their light!

Although during the battle, Ji Longyue and the others were repeatedly pushed back, they gritted their teeth and charged up again and again!

After hundreds of intense rounds!

“Nine Emperor Dragon Seal!”

“Beast Blood Boiling!”

“Flame Emperor’s World Burning Art!”

“Chaos Slaughter Array Map!”

Yang Luo unleashed a series of deadly moves, frantically attacking Guan Shanyue and Leng Jingyun!

Of course, while unleashing these deadly moves!

Yang Luo also summoned the Immortal Suppression Pagoda, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal, six Dharma artifacts, to suppress and kill!

Just Yang Luo alone was enough to force Guan Shanyue and Leng Jingyun constantly back, frenziedly and mightily!

“Nine Emperors Ascending!”

Yun Longxiang also let out a roaring shout, leading nine emperor illusions, leading his physique phenomena, charging up!

The nine emperor illusions were dominating, wielding giant weapons, slashing towards Guan Shanyue and Leng Jingyun!

The Emperor Seal continuously expanded and pressed down!

True Dragon, Immortal Phoenix, Divine Elephant, and Nine-headed Lion also roared up!

Wu Qiansheng and Lu Yunqi and others also charged up, unleashing all their killing moves!

Under the joint fierce assault from Yang Luo and his companions!

Guan Shanyue and Leng Jingyun were forced to retreat continuously, their bodies sprayed with blood, extremely miserable!

They were angry and unwilling in their hearts!

If they were in their peak states, they naturally wouldn't be so embarrassed by these young lads!

But the key point is, not long ago, Yang Luo seriously injured them with the Sunset Divine Bow and the Sun-shooting Divine Arrow, causing their combat power to decline!

As the two flew backward!

Yang Luo had no more reservations, his whole body trembling, momentum exploding, combat power erupting!

“Twelve Shaman Primal Heavenly Art!”

“Twelve Ancestor Witches·Fusion!”

In an instant!

Twelve Ancestral Witches rose towering again, fusing into a ten-thousand-foot-tall phantom of the Pangu Emperor!

The Pangu Emperor wielded a golden giant axe, directly unleashing the first three styles of the “Heaven Creation Splitting Nine Axes,” cutting heavily!

Swish, swish, swish!

Three massive golden axe shadows split the sky, severing the void, terrifying beyond compare!

“Careful!”

Guan Shanyue's expression changed greatly, quickly retreating backward!

Although he managed to retreat, Leng Jingyun failed to get away!

Leng Jingyun panicked, his whole body trembled immediately, condensing a layer of solid and thick black ice barrier!

This black ice barrier contained powerful power of Taiyin, with extremely strong defense!

He was confident he could block the three axes from the Pangu Emperor!

But in the next second, a terrifying scene occurred!

The three axes hacked heavily onto his condensed black ice barrier!

Alongside the earth-shattering sound of "Boom! Boom! Boom!"!

Crack, crack, crack!

The black ice barrier he condensed continually cracked, unable to block at all!

"How is that possible?!"

He exclaimed, his eyes filled with disbelief.

In the next second!

"Ah..."

Amidst a piercing scream!

His body was directly smashed to pieces!

Even the sky above where he stood was cleaved into three pitch-black abyssal gorges, a shocking sight!

However, although his physical body was shattered, his Essence Soul rushed out, trying to flee!

"Die!"

Yang Luo, already anticipating this, directly threw the Dragon Emperor Sword!

Puff!

His Essence Soul had barely gotten a kilometer away before being pierced by the Dragon Emperor Sword, turning into a rain of light, dissipating in the sky!

“Taiyin Saint Master” Leng Jingyun, thus perished!

Chapter 2866: Chapter 2866: This Boy Must Not Be Allowed to Live!

All those engaged in fierce battle from afar were also informed of Leng Jingyun’s death, and all were stunned!

“Dead... the Taiyin Saint Master is also dead!”

“The Taiyin Saint Master actually died at the hands of that little brute!”

“Is there no one who can kill that little brute?!”

“This little brute is a devil; he must be killed, killed!”

People from various major forces, led by the Five Elements Immortal Sect, exclaimed in terror, shouting in anger.

Guan Shanyue was long stupefied, cold sweat pouring down, his entire body trembling!

He was the Sect Master of the Five Elements Immortal Sect, having faced many storms yet never frightened like this!

But tonight, he was truly scared by Yang Luo, his eyes full of dread!

Just half a year ago, Yang Luo, this little brute, was merely a Golden Immortal, driven by them to nowhere to escape!

Unexpectedly, today, half a year later, this boy not only became a Daluo Golden Immortal but also gained such formidable power!

So many Golden Immortals and Daluo Golden Immortals, all died at this boy’s hands!

Fear!

Boundless fear surged in his heart!

Yang Luo raised his eyes to look at Guan Shanyue and said coldly, “Guan Shanyue, it’s your turn!”

Guan Shanyue shivered all over with fear, shouting loudly, “Someone, come, quickly!”

“Quick, help Sect Master Guan!”

“Quickly, hurry!”

Law Enforcers and disciples of various major forces, led by the Five Elements Immortal Sect, swarmed over!

“Dare to come help, seeking death!”

“Annihilate them!”

Yun Longxiang, Bujie, and others coldly shouted, charging towards those Law Enforcers and disciples!

Meanwhile, Yang Luo, with a thought, urged the Dragon Emperor Sword, Immortal Suppression Pagoda, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal, charging at Guan Shanyue!

He himself also fiercely rushed up, attacking Guan Shanyue!

Guan Shanyue continuously wielded his halberd, urging his three Dharma artifacts to fend off the fierce attacks from Yang Luo’s weapons and artifacts!

Clang, clang, clang!...

Crisp collision sounds echoed incessantly, bursting into massive firelight and energy, rippling through the air!

Seeing Yang Luo charge in like a Slaughter God!

Guan Shanyue’s mind was terrified, unleashing a series of deadly moves to stop Yang Luo!

The Five Elements Seal condensed and rose, suppressing down!

The Five Elements Immortal Map kept expanding, overshadowing down!

Plus, various illusions evolved from the power of the Five Elements surged to kill Yang Luo!

“Explode! All explode for me!”

Yang Luo, extremely domineering and filled with killing intent, clenched his fists and repeatedly punched forward!

Golden fists blasted out one by one, with overwhelming force and surging intent, seemingly to explode everything!

Boom, boom, boom!

Whether it was the Five Elements Seal, the Five Elements Immortal Map, or various illusions evolved from the power of the Five Elements, all were blasted apart in the air by Yang Luo’s fists!

Seeing Yang Luo getting closer and closer!

Guan Shanyue’s hair fluttered wildly, his clothes rustling, mobilizing his internal energy continuously!

Then, he stomped down fiercely in mid-air, letting out a mighty roar!

“Five Elements Immortal Technique, Burying Ten Thousand Immortals Forever!”

In an instant!

Rumble!

The sky above suddenly exploded!

Five massive beams of light pierced through the sky, emitting five-colored immortal light, rushing down like five heavenly rivers, charging towards Yang Luo!

This strike was extremely terrifying, as if it would recreate this heaven and earth!

Facing the onslaught of these five beams of light!

Yang Luo trembled all over, mobilizing all kinds of energy within, exploding instantly!

Boom!

A massive beam of golden light shot upwards from his body, containing all kinds of energy, rushing towards the five beams coming down from above!

This golden beam contained not only all kinds of energy!

But also a golden sword slicing upwards!

With the Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts soaring to the sky!

With the Five Directions Dragon Seal crashing upwards!

With formations images opening up the world, overshadowing the sky!

In a flash!

Rumble!

Boom!

A series of earth-shattering collision and explosion sounds echoed endlessly!

Radiance blazed through the sky, energy surged, washing towards all directions!

If it weren't for the protection of the mountain-protecting array, one would not know what level of destruction would ensue!

Yang Luo forcefully withstood the strike from Guan Shanyue, then stepped forward in mid-air!

He spoke coldly, "Guan Shanyue, even without borrowing the Sunset Divine Bow and Sun-shooting Divine Arrow, killing you is not hard!"

Guan Shanyue said sternly, "Little brute, you are alone now, and my cultivation is one realm higher than yours, you can't kill me!"

"Is that so?"

Golden light burst from Yang Luo's eyes, he shouted vigorously, "I said, killing you is not hard!"

Saying so, he flashed and sped up again, charging towards Guan Shanyue!

But, just at this moment!

"Little brute, come face your death!"

"Little brute, you killed the Eldest Prince of our Great Desolate Immortal Country, you must pay in blood!"

"The Prince of our Da Mang Immortal Country cannot be killed as you wish!"

“You killed the Divine Son of our Heavenly Netherworld Immortal Sect, it cannot be forgiven!”

“No matter how many helpers you bring, today you must die!”

Only to see five elders hastily flying from afar, furiously attacking Yang Luo!

These five elders were from the Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect!

Two Daluo Golden Immortal Middle Stage, three Daluo Golden Immortal Early Stage!

They came here with only one goal!

That’s to kill Yang Luo and Wu Qiansheng and others!

Helping the Five Elements Immortal Sect and other five great forces was not their real aim, just lending a hand!

“Hahaha...”

Guan Shanyue laughed heartily towards the sky, shouting, “Thank you elders for coming to assist, let’s kill this little brute together!”

“Alright!”

The six elders nodded in agreement.

“If you wish to kill me, you can try!”

Yang Luo stood proud in mid-air, issuing a domineering roar.

“Kill!!!!”

Guan Shanyue and the five elders simultaneously uttered a killing sound, launching a fierce attack on Yang Luo together!

Series of attacks launched altogether, with terrifying lethality, destructiveness, and devastation!

Yang Luo was filled with a shock, unleashing all his momentum and battle power!

Immediately, nine Holy Dragon phenomena roared out!

With the Origin Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roaring out!

Rumble!

Boom!

Earth-shattering collision and explosion sounds resounded unceasingly!

The sky seemed on the verge of exploding, all things appeared withering!

Yang Luo forcefully withstood the fierce attacks from Guan Shanyue and the six others, yet his body was repeatedly shaken back, spilling large amounts of blood!

“This boy is indeed extraordinary, if given some more time to grow, who knows how strong he’ll become!”

“If this boy progresses smoothly, he might grow to rival ancient mighty figures!”

“Precisely because of this, he must be annihilated before his wings fully develop!”

The five elders exclaimed in horror, yet murderously increased!

This boy must not be left alive!

Leaving him will bring them a great disaster!

Guan Shanyue shouted loudly, “Elders, don’t hold back, quickly kill this little brute!”

“Alright!”

The five elders responded vigorously.

Immediately, Guan Shanyue and the five elders unleashed all their power and activated their Dharma Idols, charging towards Yang Luo!

Chapter 2867: Chapter 2867: Blown Away with a Single Punch!

When the Six Venerable Dharma Forms attacked!

Guan Shanyue and the other five continued their ferocious assault, aiming to kill Yang Luo!

“Want to kill Brother Yang, have you asked Tower Master?”

The Immortal Suppression Pagoda flew over from afar, its tower body enlarged, shooting out beams of immortal light and striking forward!

The Dragon Emperor Sword sliced through heaven and earth, roaring out!

The Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal also continuously expanded, smashing forward!

Illusions of holy dragons roared out!

Dragon talismans surged to suppress and kill all around!

Boom rumble!

Bang rumble!

A world-shaking collision and explosion echoed forth, shaking the heavens and earth, causing disorder across the lands!

Yet, Guan Shanyue and the others' assault were extremely fierce, forcibly sending the Dragon Emperor Sword, Immortal Suppression Pagoda, and other weapons and Dharma artifacts flying!

Moreover, Guan Shanyue and the others also wielded Dharma artifacts, aiming to annihilate Yang Luo!

Hum rumble!

The Dragon Emperor Sword, Immortal Suppression Pagoda, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal emitted a tremor, clashing with Guan Shanyue and the others' Dharma artifacts!

“Continue, battle!”

Yang Luo thrust his foot down from mid-air, letting out a long howl to the sky, further swelling his momentum and combat power!

His Dharma Idols also stood tall, head touching the heavens, feet treading the void, charging forth!

The Twelve Ancestral Witches also rose one after another, swiftly merging, transforming once again into Pangu Emperor, wielding three axes!

Guan Shanyue and the others' faces changed greatly, trembling inside, launching another fierce attack!

“Five Elements Battle Immortals!”

Guan Shanyue trembled all over!

Five giants formed from the power of the Five Elements stood tall, like five battle immortals soaring dust, each holding Immortal Armament, attacking Yang Luo!

“Great Desolate Divine Mill!”

An elder from the Great Desolate Immortal Country waved his hand!

A gigantic gray-black millstone condensed, slowly rotating, emitting rays of immortal rainbows, crushing forth!

“Desolate Divine Generals!”

Another elder from the Great Desolate Immortal Country let out a roar!

Six giants wearing Divine Gold Battle Armor stood up, each wielding six types of weapons, charging forward!

“Ten Thousand Mang Mountain!”

“Mangtian Giant Beast!”

Two elders from the Great Desolate Immortal Country simultaneously unleashed deadly moves!

One after another, gray-brown mountains stood up, as if a whole mountain range had been moved here, pressing down!

One after another, black giant beasts stood up, like ferocious beasts from the prehistoric manifesting, charging forth!

“Heavenly Netherworld Immortal Transformation Technique!”

An elder from the Heavenly Netherworld Immortal Sect raised both hands, gathering terrifying energy, and blasted out!

A massive cyan-black energy beam shot out, seeming to destroy everything!

In an instant!

Boom rumble!

Bang rumble!

Intense collisions and explosions erupted in the sky with loud momentum!

Interwoven lights and energy surged upward to the nine-layered heaven, downward to the Nine Abyss!

“Ugh...”

In this terrifying confrontation, Yang Luo was blown away, his body once again bursting open with blood, spilling down!

Guan Shanyue and the other five were also blown away, with blood spilling, but their injuries were much lighter than Yang Luo's!

After all, three of them are Daluo Golden Immortal Middle Stage and three are Daluo Golden Immortal Early Stage!

“Continue the attack, kill him!”

Guan Shanyue shouted loudly, launching another assault on Yang Luo!

The other five elders also had fierce expressions, unleashing their strongest assault!

Seeing the deadly moves of Guan Shanyue and the others attacking again!

Yang Luo forcibly stabilized his body, raising both arms, traced ancient Great Dao trajectories in the sky!

As his arms moved, he continuously mobilized the energy within his body!

“Chaos Destruction Skill!”

Accompanied by a roar!

A golden Tai Chi Diagram transformed between his hands!

And behind him, condensed a gigantic golden character “Dao”!

At this moment, Yang Luo seemed to have transformed, mysterious and profound!

As the golden Tai Chi Diagram evolved, energy flowed from his body into it!

Then, he thrust both palms forward!

“Kill!”

The golden Tai Chi Diagram flew out, continuously expanding!

Golden light illuminated the blue sky, the power of the Great Dao shook Qiankun!

The Holy Dragons, Four Great Divine Beasts, and Four Great Fierce Beasts stood and flew into the golden Tai Chi Diagram!

The golden Tai Chi Diagram continued to expand, crashing forward!

Boom rumble!

Bang rumble!

Another wave of world-shattering explosions sounded in the sky!

As if to collapse the sky and earth, destroying the sun, the moon, and the stars!

“Ahhhh...”

Guan Shanyue and the others could barely withstand, blown away, spilling masses of blood along the way!

Yang Luo was also blown away, covered in blood and wounds!

But he, brimming with power, stabilized his body, stepping through the air like Nine Heavens Divine Dragons soaring through the sky!

In the blink of an eye!

He caught up with an early-stage Daluo Golden Immortal elder from the Great Desolate Immortal Country!

“Die!!!”

Accompanied by a thunderous roar!

Yang Luo turned a fist, inundating it with all his internal energy, furiously striking down upon the early-stage Daluo Golden Immortal elder!

A golden fist like Divine Gold Immortal Iron hammered down, dragon patterns embellishing, Tao patterns swirling, with various energies surging within!

Like the Ancient Immortal Emperor launching an Emperor Fist, aiming to shatter mountains and rivers, obliterate heaven and earth!

“You wretched brat, you dare!”

The elder roared, also turning a fist, confronting it!

A black giant fist carried the power of desolation, fierce fist intent, the vast power of Heaven and Earth Great Dao, and threads of Law, terrifying beyond compare!

In a flash!

Dong!

The two fists collided heavily in the air, shaking momentum throughout the nine heavens!

The elder initially thought he could withstand Yang Luo’s punch!

But the next second!

To his horror!

He could not withstand it!

Simply couldn’t withstand it!

“Ah...”

The elder let out a shrill cry of agony as his fist, along with his arm, was smashed by Yang Luo’s punch, bursting into a mass of flesh and shattered bone!

However, Yang Luo’s punch, after shattering the elder’s arm, did not lose its power but continued to strike toward the elder’s body!

The elder employed every means possible, gathering layers of defenses, yet unable to withstand!

All defenses were blown apart by Yang Luo’s punch!

Instantaneously!

Bang!

The elder’s physical body was directly shattered in the sky by a single punch!

Even his Essence Soul was obliterated!

In the distant sky, Guan Shanyue and the other four elders had already stabilized their bodies.

They initially intended to assist but Yang Luo was too fast, leaving them unable to help, only to watch as the elder was blown apart in the sky.

“Hehe... Hahaha...”

Yang Luo, covered in blood, laughed madly like a demon, raising his eyes to stare at Guan Shanyue and the other five.

“Weren’t you aiming to kill me? Come on!

Watch how I annihilate each of you!”

“Arrogant!”

“Courting death!”

“This brat has already sustained significant injuries, he won’t hold out much longer!”

“Don’t allow him time to breathe, swiftly kill him!”

“Kill this demon!”

Guan Shanyue and the other five roared angrily, charging furiously at Yang Luo.

Chapter 2868: Chapter 2868: Unrivaled With Me Here!

“Kill!”

Yang Luo shouted with murderous intent, unleashing multiple physique secret techniques, charging forward!

In an instant!

Yang Luo and Guan Shanyue, along with the other four, engaged in close combat, exchanging blows!

Thud thud thud!

Bam bam bam!

The sound of heavy collisions echoed continuously!

Yang Luo and Guan Shanyue, along with the other four, exchanged punches to the flesh, palms to the bone, trading injury for injury, blood for blood!

A vast expanse of light and energy waves radiated out, while a large amount of blood splattered into the air!

After hundreds of rounds of combat!

Accompanied by the “rumble” of explosions!

“Pfft...”

Yang Luo spat out a mouthful of blood, flying backward, his injuries worsening!

Guan Shanyue and the other four also flew backward, with their bodies lacerated all over, their injuries worsening!

“Roar!—”

Yang Luo let out a long howl, stabilizing his body again, then took out a pill and swallowed it, healing and replenishing his Qi!

“Sunset Divine Bow!”

“Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, Chasing Wind Arrow!”

Accompanied by Yang Luo’s loud roar!

The Sunset Divine Bow and the four Sun-shooting Divine Arrows were once again summoned by him!

He held the Sunset Divine Bow in his left hand, and the four Sun-shooting Divine Arrows in his right, nocking the bowstring once more, channeling energy from within, shooting explosively towards Guan Shanyue and the other four!

Swish swish swish swish!

The four Sun-shooting Divine Arrows shot out again, like lightning and light, cutting through the night sky, tearing through the void!

These four Sun-shooting Divine Arrows contained the will of the Artifact Spirit, as well as Yang Luo’s indomitable dominance and determination!

Seeing the four Sun-shooting Divine Arrows shooting towards them!

Guan Shanyue shouted in surprise, “Four elders, quickly dodge!”

He had witnessed the power of the Sunset Divine Bow and the Sun-shooting Divine Arrows before!

Even a Daluo Golden Immortal, if slightly careless, would be in peril!

Thus, he dared not confront them directly, dodging to the distance!

Two of the elders followed him to the distance!

However, the other two elders, having never seen the power of the Sunset Divine Bow and the Sun-shooting Divine Arrows, were completely unafraid and dismissive!

Instead, they charged towards the four Sun-shooting Divine Arrows!

After all, these four Sun-shooting Divine Arrows looked too damaged for them to feel threatened!

“With just four broken arrows, you think you can kill us? You’re dreaming!”

“Watch how I destroy these broken arrows and cut you down!”

The two elders sneered, launching a fierce attack on the four Sun-shooting Divine Arrows!

Wave upon wave of attacks were unleashed, seemingly transforming into a sea of energy light, instantly engulfing the four Sun-shooting Divine Arrows!

“Hahaha... Is this all the power these broken arrows have?”

“Do you really think these four broken arrows are Emperor-grade Weapons?”

The two elders sneered repeatedly, preparing to launch another fierce attack on Yang Luo.

But just as they were about to make their move!

The four Sun-shooting Divine Arrows broke through the sea of energy and shot explosively towards them!

In the next second!

Pfft pfft pfft pfft!

The four Sun-shooting Divine Arrows instantly penetrated their bodies!

Each of the two elders had two Sun-shooting Divine Arrows in them, one in the forehead, one in the chest!

“This... how is it possible...”

“Why would... this happen...”

The two elders' eyes widened in shock, blood flowing uncontrollably from their foreheads and chests, as well as from their seven orifices.

They never imagined the power of these four broken arrows to be so great, shattering their offensive moves and even piercing their Essence Souls!

“Ah ah ah ah...”

“Help me... save me...”

They felt endless pain.

Their Essence Souls tried to escape their physical bodies but couldn't, pinned down and enduring excruciating pain.

In less than a few minutes!

Bang, bang!

Their bodies and Essence Souls exploded in the sky!

A vast amount of flesh and bone fragments scattered in the air, forming a blood-stained image that was shocking to the core!

“Another two Daluo Golden Immortal elders were slaughtered by this little beast!”

“This kid is practically a devil; how many Daluo Golden Immortals have perished by his hands?!”

Disciples from various major forces led by the Five Elements Immortal Sect shouted in surprise, utterly bewildered by Yang Luo's formidable combat power.

Whether in solo battles or alliances, they couldn't kill this kid!

Instead, this kid repeatedly found the opportunity to counter-kill them!

This kid's strength is too great, his combat experience too extensive, as if he was born for battle!

“Great, absolutely fantastic!”

“Mr. Yang is truly invincible!”

People from Da Xia Immortal Country and Yu Lei Immortal Sect raised their arms in cheers, extremely excited.

Even those from the Ancestor Dragon Clan, Nan Zhan Immortal Country, Da Yi Immortal Country, and various Ancient Divine Beast Families, already aware of Yang Luo’s great power, were amazed.

They didn’t anticipate that after advancing to Daluo Golden Immortal, Yang Luo’s strength would become so formidable.

Everyone was deeply inspired by Yang Luo’s overwhelming battle power, their blood boiling.

At this point.

Across from Yang Luo in the sky,

Guan Shanyue stared venomously at Yang Luo, trembling with anger.

The other two elders were dumbfounded, staring blankly.

No wonder Guan Shanyue had warned them to quickly dodge earlier.

Turns out, this kid’s bow and arrows were so deadly.

“Could it be that this kid is wielding the legendary Sunset Divine Bow and Sun-shooting Divine Arrows?!”

One of the elders asked through gritted teeth.

“Yes.”

Guan Shanyue nodded.

The other elder couldn’t believe it, saying, “The Sunset Divine Bow and Sun-shooting Divine Arrows are so damaged, yet they can still unleash such powerful force?!”

Guan Shanyue took a deep breath, saying, “So, we must be cautious of this kid’s Sunset Divine Bow and Sun-shooting Divine Arrows!”

The two elders nodded, raising their vigilance.

Yang Luo stared coldly at Guan Shanyue and the other three across the sky, shouting, "Come on, weren't you going to kill me, continue then!"

Speaking, he once again raised the Sunset Divine Bow and Sun-shooting Divine Arrows in his hands, preparing to shoot again!

But just at that moment!

Yang Luo suddenly felt a killing intent descending from above!

Immediately after!

Ferocious shouts came from above!

"Little beast, give me your life!"

"Little beast, don't be arrogant!"

"We shall send you on your way now!"

Amidst the thunderous shouts.

He saw the attacks coming fiercely from above!

The ones who struck were Li Weizhao, Chen Yingnan, Huang Shiyu, Song Cixiu, and Wang Yanqing!

For Li Weizhao, Yang Luo harbored extreme hatred!

For Chen Yingnan and the others, Yang Luo also had deep enmity!

Because it was they who had once driven him into a corner!

Seeing the five attacks converging towards him!

Yang Luo, seeing the situation, had no time to make adjustments, and could only rapidly shoot out the four Sun-shooting Divine Arrows!

Swish swish swish swish!

The four Sun-shooting Divine Arrows shot forth together, like lightning, streaking across the sky, breaking through the void, colliding violently with the five assaults, erupting in a world-shaking clash and explosive sound!

Chapter 2869: Chapter 2869: The Final Counterattack!

However, the strength of Li Weizhao and the five of them is still quite formidable!

Li Weizhao has Daluo Golden Immortal Late Stage Cultivation!

Chen Yingnan and Huang Shiyu have Daluo Golden Immortal Middle Stage Cultivation!

Song Cixiu and Wang Yanqing both have Daluo Golden Immortal Early Stage Cultivation!

Therefore, although Yang Luo shot four Sun-shooting Divine Arrows, which broke through two attacks, the remaining three attacks could not be broken!

Buzz buzz buzz buzz!

The four Sun-shooting Divine Arrows refused to yield, resonating fiercely in resistance!

Li Weizhao angrily shouted, "Little rascal, do you really think that relying on the Sunset Divine Bow and Sun-shooting Divine Arrows makes you invincible?"

"Didn't you kill very happily just now? Well, now I'll take your life!"

Thus, when he saw Yang Luo continuously kill so many elders just now, he was infuriated beyond measure!

Therefore, he signaled to Chen Yingnan and the other four, broke away from the battlefield, and charged over here, preparing to deliver a fatal blow to Yang Luo!

"Kill!!!"

Li Weizhao and the five of them roared once more, launching waves of attacks!

The four Sun-shooting Divine Arrows could no longer withstand and were all knocked away!

Yang Luo quickly retrieved the Sunset Divine Bow and Sun-shooting Divine Arrows!

"You old dogs want to kill me, but it won't be that easy!"

He let out a wild roar, raised his hands, and once again unleashed the "Chaos Destruction Skill"!

The phenomena evolved, and the Great Dao trembled!

The Golden Tai Chi Diagram absorbed various energies, including the Holy Dragon, the Four Great Divine Beasts, and the Four Great Fierce Beasts, and expanded continuously, accelerating forward!

Clang and clatter!

Bang and rumble!

The attacks launched by Li Weizhao and the five of them collided fiercely with the Golden Tai Chi Diagram, and the terrifying sound of explosions thundered endlessly!

But, it only held for less than a few minutes!

The Golden Tai Chi Diagram could no longer withstand and began to crack incessantly!

"Take action!"

From the distant sky, Guan Shanyue also shouted, launching a fierce attack on Yang Luo!

The other two elders did not hesitate and continuously mobilized the energy within them, fiercely attacking Yang Luo!

They also realized that now was the best opportunity to eliminate Yang Luo!

"Brother Yang, be careful!"

"Quickly help!"

"That damned bunch, so many of them besieging Brother Yang!"

Yun Longxiang, Wu Qiansheng, and Bujie roared in anger, wanting to charge over, but were intercepted by the forces led by the Five Elements Immortal Sect!

The family head and elders from afar also learned about Yang Luo's dangerous situation, wanting to help but were desperately blocked by the opposing elders!

"Roar!——"

Yang Luo let out an earth-shaking bellow, his black hair standing up like dragon spikes, unleashing even greater power and combat strength!

He stepped down from the sky, unleashing his ultimate moves!

Nine Holy Dragon phenomena soared into the sky, crashing towards all directions!

The Four Great Divine Beasts and Four Great Fierce Beasts also let out earth-shattering roars, charging out!

The Five Directions Dragon Seal expanded enormously, towering like great mountains, launched for suppression and killing!

The twelve Ancestral Witches stood tall, wielding giant weapons, charging upwards!

Thump, thump, thump!...

Bang, bang, bang!...

Frightening sounds of collision and explosions reverberated in waves!

Huge balls of energy burst in the sky, terrifyingly stunning!

Yang Luo's power was formidable, and his moves exceptionally fierce, but he could not withstand the siege of seven Daluo Golden Immortals!

The attacks he launched were repeatedly destroyed, and his body shattered with blood flying, very tragic!

"Hahaha..."

Li Weizhao laughed loudly, viciously saying, "Little rascal, you are finally going to die!"

The revenge for my son is finally within reach!"

Saying this, he launched an even more ferocious attack once more!

Guan Shanyue and the other elders were also extremely vicious, continuing their fierce assaults!

But just at this critical moment!

Boom boom boom!

From the distant sky came the sound of rumbling thunder!

The next second!

Whoosh whoosh whoosh!

Beams of energy streaked across the sky like rainbows, roaring from afar, striking at the imposing attacks launched by Li Weizhao and the seven!

In the blink of an eye!

Bang bang bang!

The attacks launched by Li Weizhao and the seven were completely destroyed!

The intertwined energy and light like waves rushed towards all directions!

"Ugh ah ah ah..."

Li Weizhao and the seven of them were also all blasted away, shedding large amounts of blood!

Yang Luo's crisis immediately lifted, and he gasped heavily!

"What is happening, who exactly is helping this little rascal?!"

"Do they have reinforcements?!"

The disciples from the major forces led by the Five Elements Immortal Sect all exclaimed in shock.

Everyone present turned their heads towards the distance.

In their sight, thousands more ancient boats and tens of thousands of war chariots flew over from afar.

People filled the ancient boats and war chariots, numbering in the tens of thousands.

Moreover, tens of thousands of divine dragons flew over together.

Quickly, tens of thousands arrived at the battlefield with tens of thousands of divine dragons.

Leading them were Ao Zhengrong and Ao Yuchuan and others.

"What's going on?! Why aren't these evil dragons dead, and they brought so many people?!"

"What's happening with the Divine Fire Hall, Slaughter Immortal Sect, Nine Star Immortal Sect, Chi Xiao Sacred Land, Hu Yan Family, why haven't they annihilated the Divine Dragon Clan?!"

Those from the major forces led by the Five Elements Immortal Sect were in shock, all stunned.

Even those from the Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect who came to aid them were dumbfounded.

Originally, the gap in numbers between both parties was not large, the number of strong warriors was also similar.

But the sudden arrival of so many from the Divine Dragon Clan widened the disparity once again.

"Esteemed seniors, you have finally come!"

Yang Luo exhaled a turbid breath and asked, "How is the situation with the Divine Dragon Clan?"

Ao Zhengrong replied, "Young Master Yang, rest assured, the crisis of our Divine Dragon Clan has been resolved!"

The ten thousands of people from the five great forces, Divine Fire Hall, Slaughter Immortal Sect, Nine Star Immortal Sect, Chi Xiao Sacred Land, and Hu Yan Family, have all been eliminated by us!"

Upon hearing this!

Everyone from the major forces led by the Five Elements Immortal Sect were all shocked!

"What?! The people from the five great forces like Divine Fire Hall have all been annihilated?!"

"How is this possible, how could tens of thousands be annihilated just like that?!"

"Damn it, are we going to lose this battle?!"

Those from the major forces led by the Five Elements Immortal Sect were in a state of shock and anger, unable to believe what Ao Zhengrong said.

But now that Ao Zhengrong and others were still alive, it forced them to believe it.

Yang Luo shouted, "Esteemed seniors, since everyone is here, let's launch the final counterattack and completely obliterate these bastards!"

"We heed Young Master Yang's command!"

Ao Zhengrong and others responded in unison.

Yang Luo then called forth the Dragon Emperor Sword, raised the sword in his hand, and declared, "Brothers, esteemed seniors, obliterate them!"

"Kill, kill, kill!"

"Eliminate them!"

The people from Yu Lei Immortal Sect, Da Xia Immortal Country, Da Yi Immortal Country, Divine Dragon Clan, Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and various Ancient Divine Beast Families were all full of momentum, their blood pumping, launching the final assault!

The final great battle fully erupted!

"Damn it!"

Li Weizhao's face twisted with rage, he screamed angrily, "Little rascal, we will fight to the death tonight, even if it means shattering you into pieces!"

Saying this, Li Weizhao and the seven were madly charging towards Yang Luo again!

Chapter 2870: Chapter 2870: Bringing It to an End!

Just as Li Weizhao and the other seven charged forward!

"Don't even think about hurting Young Master Yang!"

"Trying to kill Young Master Yang is courting death!"

Elders Ao Tianqiong and Ao Haibo of the Divine Dragon Clan rushed over, appearing beside Yang Luo.

Ao Tianqiong's cultivation was at the Daluo Golden Immortal Perfected Stage, while Ao Haibo was at the Daluo Golden Immortal Late Stage cultivation.

In contrast, the strongest among Li Weizhao and the other seven was Li Weizhao, who was at the Daluo Golden Immortal Late Stage.

Yang Luo, blood boiling, shouted loudly: "Elders, let's take them down together and kill these seven fellows!"

"Alright!!"

Ao Tianqiong and Ao Haibo responded in unison.

Then, the three of them, Yang Luo, Ao Tianqiong, and Ao Haibo, stepped forward and charged at Li Weizhao and his group of eight!

“Brother Li, these two evil dragons have high cultivation and are very powerful, I fear we cannot defeat them!”

“Brother Li, what should we do now?!”

Chen Yingnan and Huang Shiyu asked anxiously.

“Even if we can’t win, we have to fight, no one can help us now!”

Li Weizhao said harshly, then added, “Even if we die in battle, we must kill this little beast Yang Luo!”

“Alright!”

“Let’s give it everything!”

Chen Yingnan, Huang Shiyu, and the others shouted loudly.

Subsequently, the eight, led by Li Weizhao, also moved and charged towards Yang Luo and the others!

On their way to the battle!

The eight of Li Weizhao exploded with their strongest combat power, activating their Dharma Idols, charging up!

Yang Luo, Ao Tianqiong, and Ao Haibo also unleashed their strongest combat power, activating their Dharma Idols, meeting them head-on!

Boom! Boom! Boom!

Boom! Boom! Boom!

One after another, the Dharma Idols engaged fiercely in mid-air, with sounds of clashes and explosions echoing through the heavens and earth, reverberating in all directions!

Yang Luo and his trio clashed fiercely with Li Weizhao and his group of eight!

The battle surged fiercely, with a powerful momentum and blood flying!

With the help of Ao Tianqiong and Ao Haibo, Li Weizhao’s eight were continuously defeated!

After several tens of rounds of fierce fighting!

Yang Luo found an opportunity and, with all his strength, slashed a sword at Wang Yanqing!

“You old bastard, die for me!”

Swish!

A golden sword slashed through the cloud sea, tearing through the sky, stirring the wind and clouds, overwhelmingly fierce!

This sword contained all energies, and endless anger from Yang Luo’s heart, making it terrifying to the extreme!

“No... I don’t want to die... No!!!”

Wang Yanqing let out a frantic scream, launching furious attacks at Yang Luo, trying to block this sword!

But no matter how fierce his offensive was, he couldn’t stop this sword!

Accompanied by the rumbling sounds of explosions!

Yang Luo’s sword sliced through all of Wang Yanqing’s attacks and split open his physical body!

Wang Yanqing’s Essence Soul screamed, trying to escape!

But Yang Luo raised his right hand, condensing a golden hand, instantly grabbing it, and then squeezed it hard, crushing it!

“Nine Heavens Dragon Fist!”

“Great Dao Dragon Claw!”

Ao Tianqiong and Ao Haibo also seized an opportunity, striking a Dragon Fist and swinging a Dragon Claw at the two elders of the Great Desolate Immortal Country and Da Mang Immortal Country!

The two elders couldn’t resist at all, directly blown apart in mid-air by the punch, and torn to pieces by the claw!

Even their Essence Souls couldn’t escape, annihilated completely!

“And you!”

Ao Tianqiong roared, raising his right hand, his palm shooting out a blazing energy beam towards Song Cixiu!

Song Cixiu's face changed drastically, frantically counterattacking, launching heavy offenses!

But no matter how fierce his attacks were, they were all destroyed by this energy beam!

In an instant!

Puff!

This energy beam pierced through his body, causing blood and flesh to fly everywhere!

“Ah...”

Accompanied by the last scream of agony.

Bang!

Song Cixiu's body and Essence Soul simultaneously shattered and exploded, turning into a pool of blood and mud, splattering mid-air!

After Wang Yanqing, Song Cixiu, and the others were exterminated!

Only Li Weizhao, Chen Yingnan, Huang Shiyu, and Guan Shanyue remained!

The four of them stared blankly at Yang Luo, Ao Tianqiong, and Ao Haibo, so terrified that they trembled all over!

Yang Luo, covered in blood, raised his eyes towards Li Weizhao and the others, and said coldly: “It's your turn!”

Ao Tianqiong also stared coldly at the four and said: “Your Five Elements Immortal Sect harbored ulterior motives, daring to conspire with various forces to annihilate our Divine Dragon Clan!

If not for Young Master Yang bringing help, our Divine Dragon Clan would probably have been exterminated!

You heinous criminals, even dying a thousand times, ten thousand times, would not be enough!”

Ao Haibo also angrily shouted: “Today is the day of the Five Elements Immortal Sect's destruction!”

“Fight them to the death!!!”

Li Weizhao’s face twisted with rage as he let out a roar, starting to burn his blood essence!

“Take them down with us!!!”

Chen Yingnan, Huang Shiyu, and Guan Shanyue also shouted frantically, starting to burn their blood essence!

With the burning of their blood essence, their long hair danced wildly, clothes fluttering, as dazzling beams of light soared from their bodies!

Their hair began to turn white, and wrinkles covered their faces, clearly planning to fight to the death!

Rumble rumble!

The world around them trembled violently, as if triggering a super-strong earthquake!

Ao Tianqiong spoke dominantly: “Even if you fight with all your might, it won’t change your fate of death!”

“Heaven’s sins may be forgiven, but self-inflicted sins cannot be survived!

This is all your own doing!”

Ao Haibo also roared loudly.

The two of them stamped down fiercely from mid-air, continuing to surge their momentum and combat power, with a massive beam of light soaring from their bodies!

“All grievances should end here too!”

Yang Luo roared angrily, his momentum and combat power exploded once more, with an even more magnificent and dazzling golden beam rising from his body!

“Kill!!!”

Li Weizhao and the four roared in unison, raising their hands, gathering all their energy, as well as the Heavenly Earth Dao Power and power of the Five Elements!

“Heaven and Earth Five Elements, chaos in the Nine Heavens!”

“Five Elements Great Dao, Destroying Heaven and Earth!”

“Yin and Yang, Four Symbols, burying immortals with the Five Elements!”

The energy between their hands surged to its peak, all emitting dazzling five-colored lights!

“Annihilate!!!”

Accompanied by earth-shattering roars!

The four of them simultaneously pushed out the energy between their hands!

Boom, boom, boom, boom!

Four energy beams flashing with five-colored lights cut through the night sky, blasting out!

These four energy beams were extremely vast, resembling four broad immortal rivers, rushing towards Yang Luo and the others, aiming to obliterate them!

Moreover, as the four beams blasted out, various phenomena manifested, possessing immense power, as though everything would be destroyed!

The four, being Daluo Golden Immortals, naturally saw their combat power skyrocketing after burning their blood essence!

Seeing the oncoming offensive of Li Weizhao and the others!

Ao Tianqiong and Ao Haibo did not hesitate, counterattacking towards Li Weizhao and the others!

“The Dragon soars into the nine heavens, Fist Breaks Ten Thousand Dao!”

“Bloodthirsty Dragon Claw, Tearing Heavens, Splitting Earth!”

Ao Tianqiong and Ao Haibo once again delivered a punch, swinging a claw!

Their fists and claws emitted dazzling light, unleashing supreme dragon might and dragon qi, crushing forth!
