Super Insane Doctor of the Goddess Chapter 2871: 2871: The Tide Has Turned!

Chapter 2871: Chapter 2871: The Tide Has Turned!

“Roar, roar, roar!”

Hundreds of thousands of Divine Dragon Illusions unleashed an earth-shattering dragon roar, shattering the firmament, breaking the void, crashing forth!

“Slash!!!”

Yang Luo gripped the Dragon Emperor Sword tightly with both hands, slashing forward with a heavy strike!

Swish!

The golden sword emitted an eternal golden sword light, exploding with resplendent sword might and Indestructible Sword Intent, tearing apart the sky, severing the void, slashing towards the front!

In an instant!

Boom! Boom!

Bang! Bang!

Explosions and impacts echoing through the Nine Heavens and Ten Earths sounded continuously!

Although Li Weizhao and the four’s offense was incredibly violent, they still couldn’t withstand the counterattack from Yang Luo and the three!

Just under a few minutes!

The desperate offensive from Li Weizhao and the four was completely destroyed!

Four streams of energy light rivers shattered completely, transforming into energy light rain sprinkling in all directions!

“Ahhh...!”

Li Weizhao and the four screamed in pain, flying backwards, blood spurting from their mouths, flesh splattering from their bodies, extremely tragic!

Especially Chen Yingnan, Huang Shiyu, and Guan Shanyue, whose half bodies were blasted apart, clinging to half a life!

Li Weizhao's body was also covered in wounds, with skin split and flesh blurred everywhere!

"Continue, kill!"

Yang Luo roared, brandishing his sword towards Guan Shanyue!

Ao Tianqiong and Ao Haidong also took a step, pursuing Li Weizhao, Chen Yingnan, and Huang Shiyu!

"Guan Shanyue, die for me!!!"

Yang Luo let out an angry roar, gripping the Dragon Emperor Sword tightly with both hands, slashing madly at Guan Shanyue!

Guan Shanyue couldn't react, his already broken body being cleaved in half!

"Ugh..."

His Essence Soul roared and howled, burning with Primordial Spirit Fire, bursting from the physical body, attacking Yang Luo!

Yang Luo merely raised his left hand, gathering a golden-red fireball and a nine-colored thunderball on his palm, then hurled them at Guan Shanyue's Essence Soul!

Both the golden-red fireball and nine-colored thunderball flew out, continuously expanding, colliding with Guan Shanyue!

"Explode!!!"

With Yang Luo's thunderous shout!

Boom!

Both the golden-red fireball and nine-colored thunderball exploded simultaneously in the sky, directly obliterating Guan Shanyue's Essence Soul!

"Ugh..."

"Ah..."

From above in the distance, two shrill screams echoed!

Ao Tianqiong and Ao Haidong had killed Chen Yingnan and Huang Shiyu!

Now, only Li Weizhao remained!

Covered in blood, Li Weizhao shouted loudly, "Someone, come quickly!"

He called for rescue loudly, but no one came to help!

After all, on Yang Luo's side, both in numbers and in the quantity of experts, they had completely gained the upper hand, crushing the major forces led by the Five Elements Immortal Sect!

Yang Luo coldly stared at Li Weizhao, killing intent surging in his eyes, "At this point, do you really think anyone will come to help you?"

"Ahhhhhh!!!"

Li Weizhao let out a deafening roar, burning all his blood essence, appearing frantically, charging at Yang Luo!

His body flickered with even brighter immortal light, the emaciated body began to swell, his face twisted like a malevolent ghost!

"Trying to self-detonate your physical body and Essence Soul to kill me?"

How could I let you succeed!"

Yang Luo spoke fiercely, instantly wielding his sword!

"Dragon Rebel Sword Formation!"

"Nine Revolutions Thunder Annihilation Formation!"

"Primordial Dragon Prison Array!"

"Three Thousand Star Domain Formation!"

"Primordial Sacred Dragon Formation!"

In a flash!

Five-layered Array gathered, directly trapping the charging Li Weizhao!

"Formation, activate!"

Yang Luo wielded his sword again, activating the Five-layered Array!

“Break for me!!!”

Li Weizhao was hysterical, unleashing heavy strikes, fiercely attacking the Five-layered Array!

Bang, bang, bang!...

Boom, boom, boom!...

Under Li Weizhao’s fierce assault, the Five-layered Array shook violently, cracking open!

Li Weizhao, after all, was a Daluo Golden Immortal Late Stage expert; even heavily injured, he could still unleash powerful combat strength!

Ao Tianqiong and Ao Haidong’s eyes turned cold, they immediately waved their big hands!

“Nine Heavens Divine Dragon Array!”

“Heaven and Earth Dragon Soul Formation!”

In the blink of an eye!

Another two-layered array gathered again, trapping Li Weizhao once more!

The two-layered array, once gathered, instantly activated, unleashing a destructive offense, attacking Li Weizhao!

“Ahhhhh...”

Li Weizhao howled miserably, his body exploding, flesh and bone fragments flying everywhere!

“Even if I become a ghost, I won’t spare you... ah!!!”

With Li Weizhao’s final shrill scream.

Boom!

All arrays shattered simultaneously, exploding, shaking heaven and earth violently, causing eight directions to tremble!

The energy from the explosion was also terrifying, continuously surging in all directions!

Ao Tianqiong and Ao Haidong both waved their hands, gathering twin energy barriers, covering themselves and Yang Luo, blocking the surging energy!

Until the light and energy completely dissipated.

Only a puddle of blood and bone debris remained in the sky.

Li Weizhao was completely annihilated.

“Phew...”

Yang Luo let out a long sigh of relief, raising his sword, shouting, “Brothers, Li Weizhao, that old dog is dead!”

“Brother Yang is mighty!”

“Brother Yang is bold!”

“Well done!”

In the distance, Bujie, Ning Jianfeng, Ji Longyue, Lin Wenxuan, and Mo Qingkuang, who were engaged in a fierce battle, raised their arms and cheered, blood boiling!

Finally, the old dog who had once hunted them down was dead!

Yang Luo exuberantly shouted, “Elder Tianqiong, Elder Haidong, let’s go help others and wipe out those remaining!”

“Okay!”

Ao Tianqiong and Ao Haidong responded loudly.

Immediately, the three flashed towards the battlefield where the family heads and elders were!

The great battle had reached its final stage!

The major forces led by the Five Elements Immortal Sect retreated one after another, leaving countless dead and injured!

“They have overwhelming numbers and power, we can’t possibly fight them!”

“The situation is hopeless, there’s no need to fight anymore, let’s go!”

“No need to die with the Five Elements Immortal Sect; we’ll find an opportunity for revenge another day!”

The monarch of the Great Desolate Immortal Country Huang Tianye, the monarch of the Da Mang Immortal Country Mang Chongshan, and the sect master of the Heavenly Netherworld Immortal Sect Nangong Yan shouted coldly, preparing to retreat!

“They’re trying to escape!”

“Don’t let them escape!”

“Stop them!”

The monarch of the Da Wu Immortal Country Wu Kaiyuan, the Holy Master of Taixuan Sacred Land Lu Tianming, and the monarch of Nan Zhan Immortal Country Yun Jincheng shouted, preparing to intercept the three!

“Protect His Majesty!”

“Sect Master, go quickly!”

Tens of thousands of armored soldiers and disciples from the Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect charged at Wu Kaiyuan and the others, trying to buy time for Huang Tianye and the others to escape!

“Get out of my way!”

Wu Kaiyuan, Lu Tianming, and Yun Jincheng swung their weapons, continually cutting down the approaching armored soldiers and disciples!

But due to the massive crowd and chaos on site, they couldn’t break through at once!

As for Huang Tianye, Mang Chongshan, and Nangong Yan, the three had already retreated to the sky far away.

Three thousand armored soldiers and disciples surrounded them.

Ten or so elders covered in blood from the Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect also retreated to this part of the sky.

Chapter 2872: Chapter 2872: A Desperate Struggle

Huang Tianye looked at the distant battlefield and said harshly, "In this battle, we sent out tens of thousands, but only over thirty thousand survived!"

Mang Chongshan clenched his fist tightly and said angrily, "And we lost dozens of elders here, the losses are too severe!"

Nangong Yan took a deep breath and said, "We can't keep fighting. If we continue, everyone might end up buried here!"

"Yang Luo, that little beast, clearly came prepared this time, there's no need to linger in battle!"

"We'll find a chance another day to avenge this blood feud!"

"Withdraw!"

Dozens of elders roared out loud.

Subsequently, several Taiyi Xuanxian Elders marshaled the energy within them, setting up layers of teleportation arrays!

Soon, multiple teleportation arrays were activated directly!

Boom, boom, boom!

Beams of massive energy shot into the sky, breaking through the firmament, penetrating the Void, enveloping Huang Tianye and over thirty thousand others entirely!

The boundless space twisted and deformed violently, with cracks appearing one after another!

It was just a few minutes!

With dazzling lights flashing, Huang Tianye and over thirty thousand others disappeared from above this space!

Wu Kaiyuan, Lu Tianming, and Yun Jincheng arrived at this moment but were still a step too late!

"Damn it, they still managed to escape!"

Wu Kaiyuan expressed frustration.

Lu Tianming raised his hand and said, "Brother Wu, it's okay, this time the Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect suffered heavy losses of over eighty thousand people, including dozens of elders. The losses are severe!

They are now powerless to contend with us; we will settle accounts with them later!"

"Brother Lu is absolutely right!"

Yun Jincheng nodded and said, "We should assist the other family heads and elders in eradicating the Five Elements Immortal Sect and the other Five Great Forces!"

"Alright!"

Wu Kaiyuan nodded heavily.

Immediately, the three figures flashed, heading towards the distant battlefield.

Soon, the news of Huang Tianye and over thirty thousand others' escape spread across the battlefield.

"The people from Great Desolate Immortal Country, Da Mang Immortal Country, and Heavenly Netherworld Immortal Sect have escaped!"

"These guys indeed can't be trusted!"

"What should we do?!"

"What else? Hurry up and flee!"

Disciples from the Five Elements Immortal Sect, leading the Five Great Forces, shouted, wanting to escape.

Yang Luo roared in his deep voice, "Brothers, elders, don't let these guys escape!"

"Still want to run? Dream on!"

"Keep them here!"

"Destroy them!"

Yang Luo's side shouted loud, charging towards the Five Great Forces' members.

The people from the Five Great Forces desperately wanted to flee but couldn't escape at all!

Not long after.

The Five Great Forces had only over sixty thousand left and were surrounded by Yang Luo and everyone else.

With a body full of scars, Jiang Songnian shouted loudly, "Everyone, quickly activate the teleportation array and leave this place!"

"Yes!!!"

Seven or eight remaining Taiyi Xuanxian Elders responded with a scream.

Just when Jiang Songnian and other Taiyi Xuanxian were preparing to set up the teleportation array!

Zu Qianqiu coldly said, "Want to escape? Delusion!"

As he spoke, he swung his sleeve, releasing a powerful force of Space Law!

Yi Pingsheng, Yi Tianhong, Lei Xiaohan, and Lei Wanshan and other Taiyi Xuanxian Elders also swung their sleeves, releasing layers of Space Law power!

The space of this Heaven and Earth was completely sealed!

Jiang Songnian and others couldn't set up the teleportation array and couldn't withdraw!

"Damn it, they've sealed this space, we can't form the array!"

"What should we do now?!"

"Are we really going to die here in bitterness today?!"

"I am not willing, I am not willing!"

The elders of the Five Great Forces screamed, their eyes filled with endless despair, helplessness, and unwillingness.

Jiang Songnian, blood streaming from his mouth, looked up at Zu Qianqiu, Lei Xiaohan, and others, and said miserably, "In this battle, our ten forces lost tens of thousands of people, you should be satisfied now!"

As long as you're willing to spare us, we promise never to invade Yu Lei Immortal Sect and Divine Dragon Clan again!"

"Please give us a chance to survive, we dare not again!"

"If you are willing to let us go, you can demand any condition!"

"We are willing to compensate for all your losses!"

Other elders of the Five Great Forces also pleaded.

They were now utterly defeated; if the battle continued, they would undoubtedly be wiped out.

Furthermore, they had struggled to achieve their current cultivation and did not want to die here.

As for revenge, that would be considered only if they survived.

Lei Xiaohan's eyes flashed with lightning bolts, he said deeply, "Tonight when you attacked our Yu Lei Immortal Sect, did you consider sparing us!

Now you're begging, isn't it too late?"

Lei Wanshan clenched his fists and said angrily, "If it wasn't for the heroes of Xuanzhou and Donghua Divine Continent coming to aid our Yu Lei Immortal Sect!

Our Yu Lei Immortal Sect would have been annihilated by you!"

Ao Zhengrong also roared, "My Divine Dragon Clan only wants to develop peacefully, without provoking you!

But you, driven by greed, gathered so many people to destroy my Divine Dragon Clan!

Now you're asking us to forgive you, do you think it's possible?"

Jiang Songnian gritted his teeth hard and said ruthlessly, "Are you really unwilling to spare us?"

"You old thing, shut up!"

Bujie yelled with disdain, "Before, weren't you arrogant, wanting to destroy Divine Dragon Clan and Yu Lei Immortal Sect!

Now you are losing and begging for mercy, dreaming for spring and autumn!"

Yun Longxiang also coldly said, "We must remove the roots from the grass, these guys must be completely destroyed!"

"You lost many people, did we not lose anyone?"

"This war was initiated by yourselves, you must face the consequences!"

"If we spare you, how would the deceased disciples and dragons from Yu Lei Immortal Sect and Divine Dragon Clan rest in peace!"

"Absolutely do not let them go, they must be completely eradicated!"

Ning Jianfeng, Chu Fenghuo, and Wu Qiansheng shouted loudly as well.

"Good, very good, perfect!"

Jiang Songnian looked frenzied and shouted, "Fight them, even if we die, drag them down!"

"Fight!"

"Perish together!"

The others from the Five Great Forces also screamed, ready to fight desperately.

Every one of them summoned all the energy within them!

Boom, boom, boom!

Massive energy beams shot from their bodies, burst through the firmament, illuminating this Heaven and Earth!

Roar, roar, roar!

A surging, vast pressure and aura erupted from within them, causing this Heaven and Earth to tremble and sway!

Yang Luo's hair flew wildly, his blood-drenched robe flapping, he shouted loudly, "Brothers, elders, leave no mercy, wipe them out completely!"

"Yes!!!"

Everyone from Yu Lei Immortal Sect, Divine Dragon Clan, Da Yi Immortal Country, Nan Zhan Immortal Country, Ancestor Dragon Sacred Land, and all Ancient Divine Beast Families responded in unison.

"Fight!!!"

Yang Luo let out a wild roar, mobilized his energy to the peak, then stamped down heavily in the Void!

Bang!

Heaven and Earth shook violently, mountains quaked, and ten directions turned turbulent!

Chapter 2873: Chapter 2873: Survival of the Strongest!

Boom!

A massive golden beam shot into the sky from Yang Luo, piercing through the nine-layered heaven!

Countless others, as well as all the Divine Beasts, divine dragons, and Ancestor Dragons, also pushed their internal energy to the extreme!

Boom boom boom!

Brilliant beams of light shot up from each of them, tearing open the firmament, thrusting into the endless Void!

Rumble rumble rumble!

Waves of even more fearsome and violent pressure and aura erupted from their bodies, spreading outwards, enveloping the entire territory of the Yu Lei Immortal Sect!

To prevent the Yu Lei Immortal Sect from being destroyed, Zu Qianqiu, Yi Pingsheng, and the others had set up layers of mountain-protecting arrays to protect the Yu Lei Immortal Sect!

"Kill!!!!"

Jiang Songnian let out an earth-shattering roar, unleashing a series of deadly moves, ferociously attacking!

"Heaven and Earth Five Elements, eternally burying the Ten Thousand Immortals!"

"Five Elements Immortal Map, annihilate all living beings!"

"Five Elements Immortal Seal, Chaotic Heaven and Earth!"

In an instant!

Five colossal beams of energy, shimmering with various colors, blasted outward!

An Immortal Map gathered in the sky, inscribed with numerous runes, manifesting Five Elements phenomena, pressing down!

The Five Directions Dragon Seal, like five great Five Elements mountains, shattered the firmament, broke the Void, and suppressed upwards!

"Five Elements Immortal Saber, cleaving sky and earth!"

"Great Dao Immortal Tomb, Reincarnation Buries Immortals!"

Zhong Mingche wielded an Immortal Saber, delivering a heavy slash!

Whoosh!

As he slashed out, the power of the five elements transformed into five huge blades, emitting endless saber rays, slashing fiercely!

Five Immortal Tombs gathered in the sky, flashing with blinding immortal light, like five towering mountains, suppressing down!

"Five Elements Immortal Sword, extinction of Ten Thousand Immortals!"

"Five Elements Great Dao, Heaven and Earth Annihilation!"

Shen Zhiyi wielded an Immortal Sword, swinging it fiercely!

Whoosh!

As a sword was swung, the power of the five elements transformed into five giant swords, carrying mighty sword intent and the power of the Five Elements Law, slashing heavily!

Countless five-colored flying swords streaked across the sky like meteors, shooting out explosively!

Moreover, five massive energy beams tore through the firmament, like five Immortal Waterfalls, cascading down to obliterate everything!

"Jiu Ling Sky-breaking Spear!"

"Black Wind Chaotic Sky Axe!"

"Seven Absolute Life and Death Sword!"

"Taiyin Xuanming Technique!"

...

Just as Jiang Songnian, Zhong Mingche, and Shen Zhiyi launched their fierce attacks,

the rest of the members of the Five Great Forces also commenced their strongest assaults!

Over sixty thousand attacks were launched simultaneously, attacking in all directions, seemingly to destroy everything!

"Counterattack!"

Yang Luo roared wildly, gripping the Dragon Emperor Sword tightly, and slashed forward angrily!

Whoosh!

A golden sword ripped through the firmament, severing the Void, unleashing Supreme Sword Power and Indestructible Sword Intent!

Of course, while wielding the sword, Yang Luo also unleashed other killing moves!

"Roar roar roar!"

The Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared out!

The Five Directions Dragon Seal gathered together, like five majestic mountains, carrying vast dragon qi and dragon might, suppressing upwards!

A golden Slaughter Array Map gathered together, along with a golden Tai Chi Diagram, pressing down!

Twelve Ancestor Magi stood up, merging in the sky, transforming into the Pangu Emperor, swinging a huge axe, slashing fiercely!

"Ten Thousand Dragon Soul Sword!"

"Nine Heavens Ancestor Dragon Saber!"

"Ji Mie Heavenly Dragon Spear!"

"Domineering Ancestor Dragon Fist!"

As Yang Luo launched a fierce assault, the elders of the Ancestor Dragon Sacred Land, including Zu Qianqiu, invoked the Ancestral Dragon Divine Power for a powerful attack!

"Emperor's Handprint!"

"Soaring Serpent Extinguishing Immortal Palm!"

"Emperor Yi's Dominating Sky Fist!"

"Ancient Qilin Heavenly Slash Blade!"

Everyone, including Yun Jincheng, Ning Jin Yu, Yi Jiuxiao, and Lin Haochang, launched fierce and domineering attacks!

"Roar roar roar!"

The Divine Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts roared as they unleashed waves of energy beams, chaotic and relentless, from their bodies!

Even though the Five Elements Immortal Sect and other Five Great Forces unleashed over sixty thousand attacks, reaching the pinnacle of destructive power!

Yet, Yang Luo and others responded with hundreds of thousands of attacks, even more ferocious and violent, completely overwhelming!

Boom boom boom!

Crash crash crash!

Explosions and crashes reverberated through the air, echoing for miles around!

Various energies and weapons interwove in the sky, transforming into seas of energy light, surging in all directions!

The scene before them was utterly terrifying, an apocalyptic destruction!

The wails of agony continued as the over sixty thousand from the Five Great Forces were mercilessly cut down by Yang Luo and tens of thousands of people attacking ferociously!

Blood sprayed from Jiang Songnian's mouth as he cried out hoarsely in anger, "Continue the attack, continue!!!"

"Even if we die, we must take them down with us!"

Zhong Mingche and the others screamed relentlessly, as they burned their blood essence to increase their combat power, launching relentless attacks!

Even with over sixty thousand attacks from the Five Elements Immortal Sect and the other Great Forces, reaching the limits of their destructive power!

But the tens of thousands of attacks from Yang Luo and others were even more ferocious, almost crushing!

Rumble rumble!

Crash crash!

Thundering crashes and explosions resounded incessantly, echoing far and wide!

Various energies and lights intertwined in the sky, turning into seas of energy light, rushing in all directions!

The heaven and earth of the Yu Lei Immortal Sect's domain seemed like a hellish inferno, exceedingly fierce!

The remaining thirty thousand people of the Five Great Forces were again halved, leaving only ten thousand, desperately trying to hold on!

Yang Luo and tens of thousands of others hesitated not for a moment, continuing to channel their energy, launching fierce assaults!

Crash boom!

Boom crash!

The sounds of collisions and explosions continued to echo without end, resounding for miles beyond!

The scene before them was terrifying to the extreme, an utter devastation, a great annihilation!

"Arghhhhh..."

Under the fierce assault of tens of thousands led by Yang Luo, the over sixty thousand of the Five Great Forces roared in misery!

Jiang Songnian spat blood, shouting in a hoarse voice, "Keep attacking, keep going!!!"

As he said this, he directly ignited his blood essence, drastically increasing his combat power, launching a fierce attack!

"Let's take them down with us even if we die!"

Zhong Mingche, as well as many others, sustained injuries and were violently thrown back, with many even losing their lives!

Chapter 2874: Chapter 2874: Born to Be a King

After all, the people of these Five Great Forces have given it their all, and their offensive is naturally terrifying!

For those whose cultivation and strength are inadequate, it's normal to be injured or killed!

Such is the great battle of the Immortal World, where human life is as fragile as grass!

Yang Luo after shooting the bow and arrow ten times!

His black hair danced wildly as he roared loudly, “Brothers and elders, the final strike, destroy them completely!”

“Yes!!!”

Everyone shouted in unison, delivering the final strike!

Yang Luo directly unleashed the “Ten Thousand Tribulations Refining Technique,” preparing to mobilize the Power of Ten Thousand Thunders of Yu Lei Immortal Sect!

Of course, this time he’s mobilizing the Power of Ten Thousand Thunders not to strike himself, but to slay the enemies!

Suddenly!

Rumble rumble rumble!

The entire land, mountains, forests, rivers, and lakes of Yu Lei Immortal Sect began to tremble!

Everyone present was momentarily stunned, unable to react!

Why did the Yu Lei Immortal Sect’s territory suddenly shake violently!

Just as everyone was in shock!

“Harness the Power of Ten Thousand Thunders, to annihilate ten thousand enemies!!!”

Accompanied by Yang Luo’s earth-shattering roar!

Boom boom boom!

Bolts of lightning surged skyward from the ground, mountains, forests, rivers, and lakes of Yu Lei Immortal Sect!

The number of lightning bolts surging skyward rapidly increased!

A thousand bolts, ten thousand bolts, a hundred thousand bolts, a million bolts, ten million bolts!

Thundering bolts soared to the sky, their dazzling brightness was blinding!

Countless lightning bolts surged from all directions, converging over the heads of all remaining members of the Five Great Forces like a gathering of lightning tribulations!

“Oh my heavens, Mr. Yang has once again mobilized the Power of Ten Thousand Thunders of Yu Lei Immortal Sect!”

“However, this time Mr. Yang is not using it for body tempering, but to annihilate the enemies!”

“Mr. Yang is too powerful, too terrifying, simply defying the heavens!”

The people of Yu Lei Immortal Sect exclaimed in shock, their gazes towards Yang Luo filled with awe and admiration!

As for Ao Zhengrong and others from the Divine Dragon Clan, Da Yi Immortal Country, Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and various Ancient Divine Beast Families, they were utterly dumbfounded!

Obviously, they never imagined that Yang Luo could use the power of lightning from beneath Yu Lei Immortal Sect to deal with the enemies!

As the power of lightning gathered to an extreme!

Yang Luo stamped downward forcefully in mid-air!

“Annihilate!!!”

Accompanied by an earth-shattering roar!

Countless lightning bolts transformed into an enormous lightning pillar, smashing towards all remaining members of the Five Great Forces!

This lightning pillar is so enormous, it can rival the power of a mighty lightning tribulation, set to destroy everything!

“Defend, quickly defend!!!”

The barely breathing Jiang Songnian shouted hoarsely, mobilizing the last of his energy to quickly condense multiple layers of defensive shields, laying down heavy defense formations!

Everyone else also mobilized all the energy within them, condensing defensive shields and defense formations!

In an instant!

Thud thud thud!

This enormous lightning pillar, thick as a mountain, smashed heavily into the layers of defensive shields and defense formations!

Boom boom boom!

The defensive shields and defense formations laid down by Jiang Songnian and others were utterly inadequate, instantly being entirely destroyed!

“Ahhhh...”

Accompanied by piercing screams of terror.

Jiang Songnian and all remaining members couldn't withstand it, all turned to ashes and vanished!

Until this massive lightning pillar disintegrated, transforming back into wisps of lightning energy flowing into the earth!

The whole Yu Lei Immortal Sect's territory finally returned to silence!

However, the skies and void where the fierce battle took place were already devastated, full of holes, and full of cracks, resembling a piece of tattered cloth!

It's unknown how long it took!

Before the holes and cracks in the air and void finally healed!

When everyone raised their eyes to the sky!

They saw the night had dispersed, and dawn was arriving!

The sun slowly rose to the sky, illuminating the world with splendid rays!

There was silence for quite a while.

“We won... We won!”

A disciple of Yu Lei Immortal Sect couldn't suppress the excitement in their heart, shouting aloud.

“We won, we really won!”

“We held on till the end, we won this battle!”

“We're not dead, we're still alive!”

“Thanks to Mr. Yang leading so many heroes to help us, otherwise, Yu Lei Immortal Sect might have been long eradicated!”

The disciples of Yu Lei Immortal Sect cried tears of joy, cheering excitedly.

Ao Zhengrong from the Divine Dragon Clan, as well as the black flood dragon and divine dragons, also had tears in their eyes.

Lei Xiaohan turned to look at Yang Luo and all others, his eyes reddened, deeply bowed!

“Thank you all for your assistance, this gratitude as high as the sky and deep as the sea, Yu Lei Immortal Sect will always remember!”

Lei Wanshan, Lei Dongtian, and all members of Yu Lei Immortal Sect deeply bowed towards Yang Luo and the others.

“Many thanks for your righteous assistance, our Divine Dragon Clan will never forget your great kindness!”

Ao Zhengrong from the Divine Dragon Clan, and all black flood dragons and divine dragons also deeply bowed, lowering their heads.

Everyone from Yu Lei Immortal Sect and the Divine Dragon Clan had endless gratitude towards Yang Luo and the others.

They knew, if it weren't for Yang Luo bringing people to arrive in time, Yu Lei Immortal Sect and the Divine Dragon Clan couldn't have held out till the end, and might have been eradicated long ago.

Yang Luo exhaled a turbid breath, smiled faintly, and said, “Elders, we are all family, no need to say thank you anymore!”

Yun Jincheng laughed and said, “Little Luo is exactly right, since everyone is Little Luo's friends, then you are our friends too, it's only natural to lend a helping hand!”

The people of Yu Lei Immortal Sect and the Divine Dragon Clan also looked at Yang Luo, feeling deeply grateful.

They clearly understood, if not for Yang Luo, Da Xia Immortal Country, Da Yi Immortal Country, Nan Zhan Immortal Country, and various Ancient Divine Beast Families would not have come to help.

And because of Yang Luo, not only did Da Xia Immortal Country from Huangzhou and Da Yi Immortal Country from Xuanzhou come to assist, but even various forces from Donghua Divine Continent came to help.

This young man, though not yet of age, with cultivation not extremely high, demonstrated the ability to lead.

He seems like a born emperor, capable of gathering heroes from all over the world.

They felt both grateful and respectful towards Yang Luo.

Yang Luo jokingly said, "Elders, let's not be coy, hurry and heal, drink tonight!"

"Exactly, exactly!"

Bujie jumped out, laughing heartily, "Hurry and clean up, drink three hundred cups tonight!"

"Good!"

"Tonight we won't return until we're drunk!"

Lei Xiaohan, Ao Zhengrong, and others laughed heartily, feeling extremely cheerful.

Afterward, Lei Xiaohan and other elders arranged people to clean the battlefield, then led Yang Luo and others to fly towards the grand hall.

Since everyone was quite injured in this battle.

So Yang Luo, together with the doctors of Yu Lei Immortal Sect, spent a whole day to help everyone's injuries recover somewhat.

By evening.

Yu Lei Immortal Sect held a grand feast.

In a spacious and bright grand hall, over a dozen large tables were set.

The tables were piled high with fine wine and delicious food.

Everyone gathered at one place, drinking and mingling, the entire grand hall was lively and bustling.

Many family heads and elders walked among the tables, toasting, and laughing heartily.

Chapter 2875: Chapter 2875: United as One!

Lei Dongtian toasted Yang Luo with a glass of wine, then curiously said, "Little Luo, we know about your alliances with the Da Xia Immortal Country and the Da Yi Immortal Country.

But why is it that you can associate with so many heroes and warriors of the Donghua Divine Continent?"

The leaders and elders of the Yu Lei Immortal Sect, Divine Dragon Clan, Da Xia Immortal Country, Da Yi Immortal Country, Da Wu Immortal Country, and Taixuan Sacred Land all looked at Yang Luo.

Yang Luo took a sip of wine and said, "Not to hide from everyone, since my brothers and I went to the Donghua Divine Continent, quite a few things have happened..."

In the time that followed.

Yang Luo recounted the experiences he and his brothers had in the Donghua Divine Continent to everyone.

Upon hearing Yang Luo's stories from the Donghua Divine Continent, Lei Dongtian and others listened, hearts pounding as if they were experiencing it for themselves.

Lei Dongtian exclaimed, "It seems this Nanyang King is also a hero, a pity he bore such a son."

Lei Ming looked at Big White and Yuanfei, saying, "No wonder Big White and Yuanfei have such strong powers, naturally gifted with divine strength, originating from the Primordial Demon Ape Clan!"

Everyone also looked at Big White and Yuanfei, their eyes filled with expressions of admiration.

These two monkeys usually seem harmless, but once in battle, they are fiercely powerful.

Xia Zhanpeng lifted his glass towards Yun Jincheng, saying, "Brother Yun, Long Xiang was courageous and fearless in this great battle, stepping into the realm of Daluo Golden Immortal while still young, his future is limitless!"

Yun Jincheng raised his glass and clinked it with Xia Zhanpeng, saying, "Brother Xia, this little rascal is not as good as you say.

Since he was crippled, he's been completely down on his luck.

If it weren't for Little Luo's help, this little rascal would have remained this way for his entire life."

Saying this, he looked at Xia Chaoyang and Xia Ziyang, saying, "Chaoyang and Ziyang siblings are also doing well, with limitless potential!"

Xia Zhanpeng shook his head, saying, "They can't compare to Long Xiang."

Yun Longxiang chuckled and said, "These youngsters will follow Little Luo in the future. With Little Luo's guidance and teachings, they will undoubtedly grow!"

"Hahaha, that's true!"

Xia Zhanpeng laughed heartily, "With them following Little Luo, I am completely at ease!"

Yang Luo shook his head wryly.

It seems Uncle Yun and Uncle Xia are determined to have these guys follow him.

Yi Jiuxiao frowned and said, "This Golden Crow Sacred Land is really restless. Previously, they sent people to assist the Southern Barbarian Demon Country in attacking our Da Yi Immortal Country.

Who would have thought, they even sent people to attack Ancestor Dragon Sacred Land.

This Golden Crow Sacred Land keeps stirring trouble everywhere, what exactly are they trying to do?"

"Humph!"

Yun Jincheng snorted coldly and said, "This Golden Crow Sacred Land is now stirring trouble everywhere, it is very likely they want to dominate the entire Jiuzhou Immortal Domain!"

"What?! Dominate the entire Jiuzhou Immortal Domain?!"

Yi Jiuxiao was immediately shocked, "The Jiuzhou Immortal Domain is so vast, with many factions; do they dare to have such a thought?!"

Everyone present was also astonished.

Yang Luo squinted his eyes subtly.

Actually, he also had such thoughts.

If the Golden Crow Sacred Land doesn't aim to dominate the entire Jiuzhou Immortal Domain, then why do they keep stirring trouble, causing conflicts?

Xia Zhanpeng said, "Although the Golden Crow Sacred Land is a top force in the Jiuzhou Immortal Domain, it's not the only prominent one.

There are many forces that can compete with them, such as Xumi Sacred Land, Ancient Demon Sacred Land, Yaochi Holy Land, Yuhua Immortal Country, Purple Mountain Divine Dynasty, Wandao Immortal Sect, Jiuli Demon Palace, and so on."

Upon hearing Xia Zhanpeng's words.

Yang Luo glanced at Bujie and Zhixin.

After all, Bujie's lineage is linked to Xumi Sacred Land and Ancient Demon Sacred Land.

The Fifth Senior Sister's lineage is connected to Yaochi Holy Land.

If he can win over Xumi Sacred Land, Ancient Demon Sacred Land, and Yaochi Holy Land, then naturally he won't fear Golden Crow Sacred Land.

However, people always say that Xumi Sacred Land and Ancient Demon Sacred Land constantly have disputes and have fought countless years.

Also wondered, what would happen if Bujie was brought to Xumi Sacred Land and Ancient Demon Sacred Land.

For Bujie, having connections with both Sacred Lands simultaneously, it's uncertain whether it is a blessing or a curse.

As for the Fifth Senior Sister, why she has connections with Yaochi Holy Land is also a mystery, only going to Yaochi Holy Land can unravel it.

Of course, aside from these three Sacred Lands.

Regarding the forces Xia Zhanpeng mentioned like Yuhua Immortal Country, Purple Mountain Divine Dynasty, Wandao Immortal Sect, Jiuli Demon Palace, he is also very interested.

In time, as his perspective broadens and he gains deeper understanding of the Jiuzhou Immortal Domain, he is bound to interact with these forces.

It remains unknown whether he will become friends or enemies with these forces.

But, thinking too much about it now bears no significance, one can only slowly experience it.

Yun Jincheng said solemnly, "Everyone, regarding Golden Crow Sacred Land's true intentions, even I am not too sure, it's just a guess.

However, we still need to be highly vigilant; Golden Crow Sacred Land has suffered two major losses in our Da Yi Immortal Country and Ancestor Dragon Sacred Land, they certainly won't let it go easily.

The Golden Crow Clan's ambitions run deep, aiming to rule all races since ancient times.

If it weren't for Senior Da Yi stepping in to suppress them later, I'm afraid the Golden Crow Clan would have succeeded."

Yi Jiuxiao coldly said, "Golden Crow Sacred Land will definitely seek revenge against us, it's only a matter of time.

Especially our Da Yi Immortal Country and the Golden Crow Clan have an ancient grudge, they definitely won't spare us."

Zu Wangjiang coldly said, "This Golden Crow Sacred Land has established branches across various parts of the Jiuzhou Immortal Domain, and many forces have attached themselves to them.

If Golden Crow Sacred Land were indeed to stir turmoil, I'm afraid numerous forces would follow."

Yang Luo looked at everyone and said, "Dear seniors, since Golden Crow Sacred Land is so strong, we should unite even more!

Only by working together, helping each other, can we overcome all difficulties!"

"Little Luo is right, we should unite, to jointly resist strong enemies!"

"We are all friends; in the future, if anyone encounters danger, no matter where in the world, we must rush to help!"

"That's a must; we are all born-to-die friends, naturally we should help each other!"

The family heads and elders present all expressed their support.

Having experienced this battle, everyone further understood the importance of unity.

No matter how strong one person is, it's difficult to counter multiple enemies.

Unless you are a peak expert of the Jiuzhou Immortal Domain, easily fighting off thousands of enemies.

But, those who reach peak expert level in the Jiuzhou Immortal Domain are few and far between.

Yang Luo smiled and raised his glass, saying, "Brothers, seniors, shall we share this cup together?"

"Good!"

"Cheers!"

Everyone laughed heartily, raised their glasses, and drank the wine in their cups.

After finishing a glass of wine.

Lei Dongtian asked Yang Luo, "Little Luo, where do you plan to go next?"

Wu Kaiyuan chuckled, saying, "Little Luo, if you have nothing to do, why not visit our Da Wu Immortal Country?"

"Brother Wu, even if he wants to go, he should first come to our Taixuan Sacred Land!"

Lu Tianming also laughed and added.

Yang Luo sighed and said, "Uncle Wu, Uncle Lu, although I want to visit you.

But, my brothers and I have many things to do next, I'm afraid we can't make it."

Chapter 2876: Chapter 2876: A Major Trump Card!

"Oh?"

Wu Kaiyuan looked puzzled, "Little Luo, what are you going to do?"

Yang Luo pulled Bujie, who was drinking and eating meat, over and said, "First, I need to help this guy fix his problem."

Bujie, his mouth full of oil, said, "Brother Yang, if you want to talk, just talk. Why drag me over?"

"Shut up and eat!"

Yang Luo glared at him.

He couldn't believe this guy.

This guy's problem still isn't solved, and he could deviate at any time, but he keeps eating happily without a care in the world.

"Little Luo, what's wrong with Little Friend Bujie?"

Lu Tianming asked.

The others present also looked toward Yang Luo.

"Ladies and gentlemen, you might have noticed, Bujie is Buddha and Demon in One Body, with both Buddha energy and demonic qi inside him..."

Yang Luo explained Bujie's condition to everyone and also mentioned the time they entered the territory of Wutian Demon Venerable.

Lei Xiaohan suddenly understood: "During the battle last night, I found it strange that Little Friend Bujie had both Buddha energy and demonic qi inside, which is very unusual."

Lei Wanshan said, "Moreover, I can feel that the demonic qi inside Little Friend Bujie is too strong, and it has already suppressed the Buddha energy, which is indeed dangerous."

Yang Luo sighed and said, "So I have to find a way, look around, to see if there are any ancient relics left by a Buddhist Great Power.

If we can't find one, then I'll have to take Bujie to the West Desert Lingzhou."

Lei Xiaohan said, "If that's the case, then we'll also help see if there's any sign of ancient relics left by a Buddhist Great Power!"

"Alright!"

Everyone nodded and planned to send people to gather information.

Yang Luo continued, "Once we solve Bujie's problem.

I'm planning to take my brothers on a trip to Central Earth Immortal State, Nanli Huo State, and North Han Ming State to help them find their origins."

Wu Kaiyuan said helplessly, "Little Luo, since you have so many things to do, I'll have to invite you to visit later when you're free."

Lu Tianming laughed and said, "Little Luo, Yun Qi is in your hands. It's his fortune to be able to train with you.

If he doesn't listen to you in the future, feel free to beat him up."

Lu Yunqi was speechless immediately, "Come on, Dad, in our little group, Brother Yang is the absolute backbone. How dare I not listen?"

"Brother Lu is right!"

Ning Jianfeng echoed, "Brother Yang is our leader. If he tells us to go east, we absolutely won't go west.

If he tells us to catch dogs, we definitely won't catch chickens.

If he tells us to... ow!"

Before he finished his sentence.

Yang Luo slapped the back of his head and said irritably, "Eating still can't shut your mouth!"

Ning Jianfeng said with a grievance, "Brother Yang, seriously, we wouldn't dare not to listen to you!

Who would dare not listen, they'll get beaten up, and we can't beat you!"

"Hahaha..."

Seeing Ning Jianfeng's aggrieved look, everyone present burst into laughter.

Yang Luo rubbed his forehead, really defeated by this group of jokers.

Lei Xiaohan laughed and said, "Everyone, this battle is over, and we're all injured.

So, you all should stay at our Yu Lei Immortal Sect for a while longer.

It wouldn't be too late to leave after your injuries have healed."

"Alright!"

"Thank you for your hospitality!"

Everyone nodded in agreement.

At this time.

Yi Jiuxiao suddenly remembered something, looked at Yang Luo, and said, "By the way, Little Luo, during this time, we've been searching everywhere.

We finally found three rare materials for repairing the Sunset Divine Bow and the Sun-shooting Divine Arrows.

Check to see if these three materials are useful to you."

With that, he took out a storage bag and handed it to Yang Luo.

Yang Luo took the storage bag, glanced inside, and said in surprise, "These three materials are useful. While they can't repair the other Sun-shooting Divine Arrows!

But they can continue to repair the Sunset Divine Bow, as well as enhance the power of the Sky Splitting Arrow, Broken Cloud Arrow, Red Spirit Arrow, and Chasing Wind Arrow that have been repaired!"

Previously, Senior Jiu'er told him that the main materials needed to repair the Sunset Divine Bow and the ten Sun-shooting Divine Arrows were thirty-nine types!

But there are other rare materials that do not conflict with the Sunset Divine Bow and Sun-shooting Divine Arrows, which can enhance the power of the Sunset Divine Bow and Sun-shooting Divine Arrows!

Overall, to fully repair the Sunset Divine Bow and Sun-shooting Divine Arrows, restoring them to peak state as truly advanced Half-step Emperor-level Divine Weapons, a lot of rare materials are needed!

So, he's not hoping to restore the Sunset Divine Bow and Sun-shooting Divine Arrows to peak state right now, just to strengthen their power!

After all, this Sunset Divine Bow and Sun-shooting Divine Arrows is a major killer he currently has!

"Is that so?"

Yi Jiuxiao laughed heartily, saying, "As long as they're useful!"

Wu Kaiyuan asked, "Little Luo, are you looking for materials to repair the Sunset Divine Bow and Sun-shooting Divine Arrows?"

"Yes, Uncle Wu."

Yang Luo nodded.

Wu Kaiyuan said, "Then tell us what materials you need, and we'll help you find them in this period too."

Lu Tianming also said, "That's right, more people means more power. Maybe we can also help you find some materials."

Yang Luo bowed and said, "Thank you, seniors, for your help!"

Wu Kaiyuan laughed and said, "Little Luo, this little help is nothing, no need to thank us."

Lu Tianming also laughed and said, "We're all on the same side; thanking us would be too formal."

Yang Luo nodded and then told Wu Kaiyuan and Lu Tianming the materials he needed.

Wu Kaiyuan, Lu Tianming, Lei Ming, and Xia Zhanpeng immediately sent people to help search.

Ao Zhengrong sent a black flood dragon and a divine dragon to search.

Bujie chuckled and said, "Brother Yang, having lots of friends is great!

If the Sunset Divine Bow and Sun-shooting Divine Arrows can have their power further enhanced, or if a few more Sun-shooting Divine Arrows can be repaired, that would be awesome!"

Yang Luo also showed a look of expectation in his eyes, hoping that this time the power of the Sunset Divine Bow and Sun-shooting Divine Arrows could be further enhanced, and hopefully, a few more Sun-shooting Divine Arrows could be repaired.

Yun Longxiang curiously asked, "Brother Yang, if the Sunset Divine Bow and Sun-shooting Divine Arrows could be fully repaired, how powerful would they be?"

Wu Qiansheng and the others also looked at Yang Luo with curiosity.

After all, it was Yang Luo who used the Sunset Divine Bow and Sun-shooting Divine Arrows the most, so of course, Yang Luo had the say.

Yang Luo thought for a moment and said, "To be honest, I don't know how powerful the Sunset Divine Bow and Sun-shooting Divine Arrows would be after full restoration.

But just with the current power the Sunset Divine Bow and Sun-shooting Divine Arrows demonstrate, it's already unbelievable.

I'm currently just at the Daluo Golden Immortal Early Stage, yet I can use the Sunset Divine Bow and Sun-shooting Divine Arrows to kill enemies one to two realms higher.

If they were fully restored, the power might be terrifying."

Yun Longxiang shrugged, "Then we'll have to wait until they're fully restored to find out the answer."

During the rest of the time, Yang Luo also mentioned asking everyone to help look for the whereabouts of Gu Tianshang and Linghu Wuxie and others.

Chapter 2877: Chapter 2877: The Situation in Huangzhou

Time passes swiftly.

In the blink of an eye, a month has passed.

For the first half of the month, Yang Luo and others stayed at the Yu Lei Immortal Sect to recuperate and recover.

After their injuries healed.

Yang Luo teamed up with the Yu Lei Immortal Sect, Divine Dragon Clan, Da Xia Immortal Country, and Nan Zhan Immortal Country, among others, spending a week to clear out remnants of the Five Elements Immortal Sect and nine other forces.

Moreover, the wealth accumulated by these ten forces over the years also fell into the hands of the Yu Lei Immortal Sect, Divine Dragon Clan, and Da Xia Immortal Country.

Although the Yu Lei Immortal Sect, Divine Dragon Clan, and Da Xia Immortal Country suffered great losses due to the battle, they also achieved rapid development and strengthened considerably because of it.

Originally, the Yu Lei Immortal Sect, Divine Dragon Clan, and Da Xia Immortal Country only held some influence in Huangzhou.

Now, however, they've gradually become top forces in Huangzhou, gaining rising fame.

Of course, during this month, the battle between the Divine Dragon Clan and Yu Lei Immortal Sect has spread throughout Huangzhou, Xuanzhou, and even Heavenly State and Earth State.

After all, the influence of this battle was too significant, making it hard for forces across the four small states to remain unaware.

During this half month, an overwhelming earthquake shook the four small states, with people everywhere discussing the battle.

"Friends, have you heard about the battle between the Yu Lei Immortal Sect and Divine Dragon Clan a month ago?"

"Of course I've heard about it! The Five Elements Immortal Sect united nine forces to launch an all-out attack on the Yu Lei Immortal Sect and Divine Dragon Clan, aiming to obliterate them, but ended in failure instead!"

“Who would have thought that the Da Xia Immortal Country in Huangzhou, Da Yi Immortal Country in Xuanzhou, even Ancestor Dragon Sacred Land in Donghua Divine Continent, Nan Zhan Immortal Country, and various ancient divine beast families would come to help!”

“It’s said that these forces only helped because of Yang Luo. Those forces chose to assist due to giving Yang Luo face!”

“My gosh, what kind of person is Yang Luo, to have such strong connections?”

“The key is not only that his connections are strong, his own power is also tremendously formidable. He killed quite a number of Daluo Golden Immortal experts in that battle!”

“It seems that an exceptional Heavenly Pride is rising in the Jiuzhou Immortal Domain, destined to make future waves comparable throughout the Jiuzhou Immortal Domain!”

“Though the battle is over now, Huangzhou is undergoing a major reshuffle, with Yu Lei Immortal Sect, Divine Dragon Clan, and Da Xia Immortal Country truly rising!”

The major forces and independent cultivators across Huangzhou discussed the battle endlessly, filled with amazement.

Yang Luo’s reputation also resounded through Huangzhou, Xuanzhou, and Heavenly State as well as Earth State.

“It’s a pity we missed such a chance! Had we known so many forces would help Yu Lei Immortal Sect and Divine Dragon Clan, we should have helped too!”

“Yes, had we helped, we could have forged good relations with Da Xia Immortal Country, Da Yi Immortal Country, Ancestor Dragon Sacred Land, and Nan Zhan Immortal Country!”

“Now that Yu Lei Immortal Sect and Divine Dragon Clan have truly risen, it’ll be harder to curry favor!”

Those who once enjoyed good relations with Yu Lei Immortal Sect but watched the battle coldly regretted it deeply, lamenting bitterly.

...

A month later on an early morning.

Yu Lei Immortal Sect territory.

Clang, clang, clang!...

Boom, boom, boom!...

Sound of metal clashing and booming noises came from the direction of the rear mountain!

In a valley at the rear mountain, Yang Luo was repairing the Netherflame Arrow and Mixed Element Arrow, two of the ten Sun-shooting Divine Arrows!

Yang Luo sat cross-legged at the center of the valley, deploying a Nine-layered Refining Array around him!

The Nine-layered Refining Array shimmered with dazzling light, with formation patterns flowing and runes flickering, absorbing spiritual qi of heaven and earth!

Above the sky, the Sea of Rolling Clouds surged, and the spiritual qi seemed to transform into a waterfall, continuously pouring down, flowing into the huge balls of energy above Yang Luo!

Immortal Suppression Pagoda, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal hovered around the balls of energy, continuously transferring energy!

The strengthened Sunset Divine Bow, Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, and Chasing Wind Arrow also floated around, continuously transferring energy!

Yang Luo maintained absolute concentration, repairing the Netherflame Arrow and Mixed Element Arrow!

Thus, after annihilating remnants of ten forces including the Five Elements Immortal Sect, Wu Kaiyuan, Lu Tianming, and Xia Zhanpeng found nine rare materials for him!

Along with three rare materials given by Da Yi Immortal Country, the number of rare materials reached twelve!

Therefore, Yang Luo used six of the rare materials to further strengthen the Sunset Divine Bow and the four already repaired Sun-shooting Divine Arrows!

The remaining six rare materials were used to repair the Netherflame Arrow and Mixed Element Arrow!

And now, the moment has arrived for the outcome to be decided!

Yang Luo's gaze was resolute!

The Netherflame Arrow and Mixed Element Arrow must be repaired!

If equipped with two more Sun-shooting Divine Arrows, in future encounters with powerful enemies, he'll have greater power to protect himself and his brothers!

As for Yun Longxiang, Bujie, and other juniors, as well as Lei Dongtian, Xia Zhanpeng, and other elders were standing on a mountain observing Yang Luo repair the Netherflame Arrow and Mixed Element Arrow!

“Brother Yang, go for it!”

“Brother Yang, you must succeed!”

Yun Longxiang and others cheered and encouraged Yang Luo.

Lei Dongtian sighed, “I didn't expect Little Luo to not only know medicine extraordinarily well, but his refining skills are also exceptional!”

“Indeed, no wonder Little Luo won first place in the weapon refining competition!”

“With such skill in refining, he can rival the top artificers in the Jiuzhou Immortal Domain!”

“Perhaps Little Luo can really repair the Netherflame Arrow and Mixed Element Arrow this time!”

Xia Zhanpeng, Wu Kaiyuan, and Lu Tianming, who had never seen Yang Luo refine weapons before, were deeply impressed, their admiration for Yang Luo growing stronger.

In their view, Yang Luo was simply versatile, seeming to have no area he wasn't proficient in.

At this moment.

Yi Jiuxiao spoke, “Everyone, a month ago in that battle, Great Desolate Immortal Country, Da Wu Immortal Country, and Heavenly Netherworld Immortal Sect also intervened.

However, they escaped in the final moment, and we couldn't keep them there.

These three forces suffered greatly in the battle, and I fear they might return to seek revenge.”

Wu Kaiyuan said coldly, “If the Great Desolate Immortal Country, Da Wu Immortal Country, and Heavenly Netherworld Immortal Sect dare to retaliate, we might as well annihilate them completely!”

Lu Tianming frowned, "However, many forces are dependent on the Great Desolate Immortal Country, Da Wu Immortal Country, and Heavenly Netherworld Immortal Sect.

If a war were to break out, it might be another major battle.

We've just been through a battle and suffered considerable losses, we need to recuperate.

If we can avoid war, it's naturally better not to start one."

Wu Kaiyuan squinted, "It depends on their choice; if they rest peacefully, then let it be!

If they dare to stir trouble, even if it costs us everything, we should utterly destroy them!"

Zu Wangjiang nodded in agreement, "Brother Wu is right, we must not show any mercy to enemies!

If these three forces really dare to retaliate, then we should wipe them out completely!"

"Mm!"

The others nodded emphatically.

As the conversation continued!

Suddenly!

Rumble!

The entire valley began to shake violently...

Chapter 2878: Chapter 2878: Mission Accomplished!

"What's going on?!"

"Could Brother Yang be succeeding?!"

"Judging by the commotion, he definitely is!"

Yun Longxiang, Bujie, and the others all looked towards the valley.

Yi Jiuxiao said excitedly, "If Little Luo can indeed repair the Netherflame Arrow and Mixed Element Arrow,

then only four of the ten Sun-shooting Divine Arrows left by our ancestors will remain unrepaired!"

Yi Pingsheng, Yi Tianhong, and others were also very excited, hoping that Yang Luo could repair the Netherflame Arrow and Mixed Element Arrow.

Yun Jincheng, Ning Jin Yu, and others also looked towards the valley.

Rumble, rumble, rumble!

The entire valley shook even more violently!

The spiritual qi of heaven and earth poured down like a vast ocean, rushing into the huge balls of energy suspended in the sky!

Various Dharma artifacts like the Immortal Suppression Pagoda surrounded and continued channeling energy to assist Yang Luo in repairing the Netherflame Arrow and Mixed Element Arrow!

Yang Luo also channeled the energy in his body into the huge balls of energy above, maintaining absolute concentration!

Clang, clang, clang!...

Boom, boom, boom!...

The crisp sounds of collisions, forging, and rumblings echoed deafeningly throughout and beyond the valley!

Waves of energy spread out, surging in all directions!

Fortunately, Lei Xiaohan, Lei Wanshan, and others had set up a teleportation array in advance in the valley, withstanding the energy's impact!

An entire incense stick of time passed!

Yang Luo's eyes snapped open, quickly forming layers of defensive shields, and he stepped back swiftly!

In an instant!

Boom!

The entire huge ball of energy exploded!

Waves of majestic and vast energy surged in all directions like a boiling tide!

Furthermore, an energy beam shot up, piercing the firmament, dispersing the Cloud Sea and the gathered spiritual qi of heaven and earth above!

The entire valley was enveloped in various energies and lights, making it impossible to see the scene inside!

The crowd on the mountain stared intently at the valley, their eyes filled with shock!

After quite a while.

Until the light and energy completely dissipated.

The crowd on the mountain all looked up.

They saw two Golden Divine Arrows floating in the air, emitting dazzling divine light.

These were the repaired Netherflame Arrow and Mixed Element Arrow.

Even though the Netherflame Arrow and Mixed Element Arrow were still incomplete and not fully repaired, they still exuded unmatched divine might and dominance.

"It's done!"

Yi Jiuxiao was so excited that his face turned red, "The Netherflame Arrow and Mixed Element Arrow are truly repaired!"

"Haha, great, absolutely great!"

"Little Luo's weapon refining skills are simply Unparalleled in the World!"

"Little Luo not only repaired the Sunset Divine Bow, Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, and Chasing Wind Arrow, now he even repaired the Netherflame Arrow and Mixed Element Arrow!"

Yi Pingsheng, Yi Tianhong, and other elders of the Da Yi Immortal Country cheered enthusiastically.

Other family heads and elders were also filled with emotion, already admiring Yang Luo to the fullest.

At this moment.

Buzz, buzz, buzz!

The Netherflame Arrow and Mixed Element Arrow trembled lightly in the air, seeming quite excited!

Yang Luo let out a breath of turbid air!

The repair was finally successful!

"Kid, you truly didn't let us down; you actually repaired us!"

"Kid, thank you!"

The Netherflame Arrow and Mixed Element Arrow spoke with human speech, expressing gratitude to Yang Luo.

Yi Jiuxiao laughed heartily, "Good, good, good, Little Luo not only repaired the Netherflame Arrow and Mixed Element Arrow, but even awakened their Artifact Spirits!"

Yi Pingsheng and others were even happier, their faces full of smiles.

Yang Luo looked at the Netherflame Arrow and Mixed Element Arrow and said with a smile, "I promised to repair you once, so of course, I'd fulfill it!"

"Very good, very good, we brothers can fight side by side again!"

"It's a pity that Senior Da Yi is no longer here, otherwise, we wouldn't have slept for so long!"

"This kid is worthy; let's lend him a hand from now on!"

The Sunset Divine Bow, Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, and Chasing Wind Arrow also flew into the air, conversing with the Netherflame Arrow and Mixed Element Arrow.

The Immortal Suppression Pagoda flew to Yang Luo and grumbled, "Brother Yang, you don't know, these fellows are arrogant!"

Before when there was no battle, I sparred with them in the storage ring but couldn't beat them at all!

Every time the fight started, they would join forces, so unfair!"

Yang Luo chuckled and said, "Immortal Suppression Pagoda, when your level improves, you'll definitely not be weaker than them!"

The Immortal Suppression Pagoda shook its structure, pompously saying, "That's for sure!"

However, at this moment!

Buzz!

A furnace flew out directly from Yang Luo's storage ring!

It was the Golden Crow Divine Furnace that Yang Luo had snatched from Fen Tian Valley!

The entire Golden Crow Divine Furnace was burning with brilliant golden-red flames, and after flying out of the storage ring, it intended to escape!

"This guy still wants to escape!"

"Behave yourself!"

"Get back into the storage ring!"

The Sunset Divine Bow and six Sun-shooting Divine Arrows charged forward at once, surrounding the Golden Crow Divine Furnace.

"Damn it, this guy isn't behaving, always trying to run away!"

The Immortal Suppression Pagoda also rushed up.

"You despicable guys, let me go!"

The Golden Crow Divine Furnace was extremely angry, spreading fierce flames towards the Sunset Divine Bow, the six Sun-shooting Divine Arrows, and the Immortal Suppression Pagoda!

Moreover, multiple Flame Golden Crow illusions flew out from the furnace, colliding against them!

"Beat it up!"

The Immortal Suppression Pagoda shouted, directly shooting beams of light!

The Sunset Divine Bow and the six Sun-shooting Divine Arrows charged up together, vigorously assaulting the Golden Crow Divine Furnace!

Clang, clang, clang!...

Boom, boom, boom!...

The sounds of clashes and booms echoed loudly.

Yang Luo stared at the Golden Crow Divine Furnace.

The Golden Crow Divine Furnace was truly a Half-step Emperor-level Magical Artifact, as it fought fiercely.

If it weren't for the Protective Array in the valley, it would have been destroyed by now.

Thinking of this.

Yang Luo spoke to the Golden Crow Divine Furnace, "If I tame you, will you not regret it?"

The Golden Crow Divine Furnace was silent for a long time before it said, "I surrender!"

The entire valley was filled with cheers, and the expressions of the assembled Great Elder, the Elders, and the others became even more respectful.

""

Chapter 2879: Chapter 2879: Heading to the Heavenly State!

Yang Luo immediately commanded, "Immortal Suppression Pagoda, quickly subdue this guy. If it doesn't obey, give it a good beating!"

"Yes!"

Immortal Suppression Pagoda responded and also flew into the storage ring.

Afterwards, Yang Luo also put Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal into the storage ring.

No idea how long it will take to subdue the Golden Crow Divine Furnace.

However, with Immortal Suppression Pagoda, Sunset Divine Bow, and six Sun-shooting Divine Arrows assisting, this thing should not take long to submit to me.

Yang Luo shook his head, then soared into the sky, flying to the mountain where Bujie and the others were.

"Brother Yang, congratulations on repairing the Netherflame Arrow and Mixed Element Arrow!"

"Little Luo, congratulations!"

Yun Longxiang and others all expressed their congratulations.

Yang Luo sighed and said, "Now I've only managed to repair the Sunset Divine Bow and six Sun-shooting Divine Arrows; it's unknown when the remaining four will be fixed."

Yi Jiuxiao smiled slightly and said, "Little Luo, you've done very well to repair the Sunset Divine Bow and six Sun-shooting Divine Arrows in such a short time.

As for the remaining four, take your time."

Yi Pingsheng also smiled and said, "Little Luo, as long as we find the other materials, I believe with your weapon refining skills, repairing the remaining four Sun-shooting Divine Arrows is just a matter of time."

"Hmm!"

Yang Luo nodded heavily and said, "I will definitely repair the remaining four Sun-shooting Divine Arrows as soon as possible!"

Zu Wangjiang turned to Lei Ming and Lei Xiaohan and others and said, "Brother Lei, elders, now that we've recovered from our injuries, it's time to leave."

Lei Ming was taken aback and said, "Are you leaving so soon?"

Yun Jincheng said, "Brother Lei, we've been here for a month.

Additionally, everyone has their own matters to attend to, and it's inconvenient to disturb you further."

Ning Jin Yu smiled and said, "Brother Lei, you're welcome to visit us at Donghua Divine Continent in the future."

"Alright then."

Lei Ming nodded and said, "Since you all have things to do, we won't hold you up more.

We'll gather again when there's time."

Zu Wangjiang said, "If anything comes up later, you can always send someone to contact us.

Little Luo also said, we're all friends, and we must unite, help each other."

"Good!"

Lei Ming laughed heartily, "Thanks to everyone then!"

Then he turned to Yang Luo and said, "Little Luo, are you staying here longer, or leaving now?"

Just as Yang Luo was about to speak.

A voice came from afar.

"Sect Master, I have a report!"

A disciple of Yu Lei Immortal Sect was seen riding a flying immortal treasure and approached from afar.

Quickly, the disciple landed on the mountaintop.

"What's the matter?"

Lei Ming asked aloud.

The disciple replied, "Sect Master, we have gathered information these days.

It is said that someone discovered an ancient relic of a Buddhist Great Power in Heavenly State."

Once the words were spoken!

Everyone present was astonished!

"Is it true?!"

Yang Luo asked excitedly.

Bujie also stared at the disciple with glowing eyes.

The disciple respectfully replied, "Mr. Yang, it seems to be true.

Many are talking about it, and numerous people from Huangzhou, Xuanzhou, and Earth State are heading to Heavenly State."

"Haha, great, just great!"

Yang Luo was very pleased.

Throughout this past month, everyone had failed to gather any news about the ancient relic of a Buddhist ultimate technique.

Originally, he planned to take Bujie to West Desert Lingzhou.

Unexpectedly, news came today.

He quickly asked, "Do you know when this ancient relic of a Buddhist Great Power will open?"

The disciple replied, "Mr. Yang, it's currently unclear; perhaps we'll know once we reach Heavenly State."

"Oh..."

Yang Luo nodded and then said to Bujie and the others, "Brothers, let's depart now and head to Heavenly State."

If we truly can enter the ancient relic of a Buddhist Great Power, we might resolve Bujie's issues."

"Good!"

Bujie and Yun Longxiang and others nodded in agreement.

Lei Dongtian asked, "Little Luo, would you like us to accompany you?"

Zu Wangjiang also said, "If necessary, we can accompany you."

If anything occurs, we can lend a hand."

Yang Luo shook his head and said, "Distinguished seniors, you all have matters to attend, so no need to accompany us."

Some things we must experience ourselves; if constantly under your protection, we can't grow."

After a pause.

He continued, "Moreover, we have friends in Heavenly State too."

If anything happens, we can seek help from them."

"Ah, I remembered!"

Yi Jiuxiao smiled and said, "Reincarnation Sacred Land is in Heavenly State; if you encounter any unresolved issues, you can seek help there!"

"Hmm!"

Yang Luo nodded and then said, "Brothers, without delay, let's set off now!"

"What are we waiting for, let's go!"

"I can't wait to see what that ancient relic of a Buddhist Great Power looks like!"

Bujie and others were very excited, eager to head to Heavenly State.

Yang Luo cupped his hands towards Lei Dongtian and others and said, "Distinguished seniors, we shall leave now!"

"Travel safely!"

"Young ones, always prioritize your safety, and don't act recklessly if there's a problem you can't solve!"

Lei Dongtian and others cupped their hands toward Yang Luo, advising him and his team.

"Understood!"

Yang Luo nodded.

After the farewell, Yang Luo and Yun Longxiang and others soared into the sky, leaving Yu Lei Immortal Sect.

Until they watched as Yang Luo and his group departed.

Only then did everyone retract their gaze.

Yi Jiuxiao sighed emotionally, "This child Little Luo is truly excellent, probably even the top Heavenly Pride on the Immortal Vault List in Jiuzhou Immortal Domain cannot compare!"

Yun Jincheng said, "Though Little Luo's cultivation isn't high enough now!

But given some time, he will surely reach a higher realm and become more powerful!"

Lei Xiaohan, with folded hands, sighed, "Under Little Luo's leadership, these young ones will surely grow into peak powerhouses in the future, shaking the entire Jiuzhou Immortal Domain!"

Afterwards, Zu Wangjiang and Yun Jincheng and others bid farewell to Lei Ming and others and gradually left.

After Yang Luo and his group flew away from Yu Lei Immortal Sect, they headed towards Heavenly State.

During the journey.

Yang Luo asked Yun Jincheng, "Brother Yun, how far is Heavenly State from Huangzhou?"

Although he had the Jiuzhou Immortal Domain map, he couldn't accurately estimate the distance.

After all, this Jiuzhou Immortal Domain is vast.

Yun Jincheng said, "At our speed, it will probably take a month to reach Heavenly State."

"A month?"

Yang Luo nodded and said, "Hopefully, we can make it in time!

Brothers, let's speed up, and hurry to Heavenly State!"

"Alright!"

Everyone responded in unison.

Subsequently, Yang Luo and his group accelerated, rapidly heading toward Heavenly State.

Chapter 2880: Chapter 2880: The Wrath of the Golden Crow Saint Master

At the same time.

Nanli Huo State.

As one of the Five Great States of the Jiuzhou Immortal Domain.

The climate here is hot, the territory vast, and boundless.

The various Immortal Sects, Immortal Clans, Immortal Countries, and Holy Lands are numerous and prosperous.

And in the extreme south of Nanli Huo State, there is a Holy Land.

The Holy Land spans thousands of miles, with mountains rising and falling, peaks upon peaks, flames burning, majestic and magnificent.

Numerous golden Immortal Palaces and Immortal Halls stand tall atop the mountains, grand in stature.

Various flame spirit beasts soar in the sky, running through the mountain forests.

There are also three-legged fire birds with their bodies ablaze in golden-red flames, soaring high.

These three-legged fire birds are, surprisingly, the legendary Golden Crows.

This is the territory of one of the top forces in the Jiuzhou Immortal Domain, the Golden Crow Sacred Land.

At this moment.

The main hall, "Golden Crow Sacred Hall," is filled with people.

Sitting at the head position is a middle-aged man in a golden robe, his black hair tied behind him, with rugged features, and upright stature.

This middle-aged man is none other than Holy Master Fen Tianya of the Golden Crow Sacred Land.

Beside him sit numerous elders and Law Enforcers.

"Report to the Holy Master, the plan to destroy Da Yi Immortal Country and seize the Sunset Divine Bow and Sun-shooting Divine Arrow has failed!"

"Report to the Holy Master, the plan to destroy Ancestor Dragon Sacred Land and seize the Emperor Dragon Sword, Taixu Dragon Tower, and Primordial Dragon Seal has failed!"

"The Seventh Prince, Eighth Prince, and Ninth Prince, who went out for training, have all perished in battle!"

At this time, Fen Tianya is listening to the reports from the elders and Law Enforcers about recent events.

After hearing the reports.

Fen Tianya immediately flew into a rage, his eyes burning with intense golden-red flames!

He fiercely glanced at everyone present, and said in a trembling voice, "What on earth happened, why did all the plans fail?!"

Why did my sons Yan Zhan, Shaokun, and Tianyang all perish in battle?!"

The entire hall fell silent, not a sound could be heard.

It's known that Fen Tianya is the current Holy Master of the Golden Crow Sacred Land, his cultivation and strength were exceedingly powerful, even stronger than many of the elders.

Seeing that no one spoke.

Fen Tianya took a deep breath and looked at Elder Fen Wangchen, "Elder Wangchen, tell me, why did the Xuanzhou plan fail?"

Elder Fen Wangchen said in a deep voice, "Originally, our plan was proceeding smoothly, capturing the Da Yi Immortal Country Imperial City was just a matter of time!

But who knew, at the critical moment, a group of brats appeared, those brats' cultivation may not be that high, but their strength was formidable!

In particular, there's a brat named Yang Luo, he actually repaired the Sunset Divine Bow and Sun-shooting Divine Arrow, killed the Eighth Prince and Ninth Prince, and even slew several of our elders!

Later, the rescue from Da Yi Immortal Country arrived, causing our plan to fail!"

Elder Xiao Hechuan gritted his teeth and said, "The main issue is that the Southern Barbarian Demon Country is too weak, they're simply like mud that can't hold a wall!"

Fen Tianya's expression turned cold, then he turned to Elder Tian Gu and said, "Elder Tian Gu, tell me about the plan in Donghua Divine Continent!"

Elder Tian Gu nodded and then said, "The reason the plan in Donghua Divine Continent failed!

First, we underestimated the strength of Ancestor Dragon Sacred Land!

According to Brother Cang Sheng, the two old dragons in Ancestor Dragon Sacred Land had not died, and their strength became increasingly formidable!

Secondly, we did not expect Nan Zhan Immortal Country and various Ancient Divine Beast Families would risk offending our Golden Crow Sacred Land to help Ancestor Dragon Sacred Land!

Thirdly, in this great battle, that brat Yang Luo also participated, relying on the Sunset Divine Bow and Sun-shooting Divine Arrow to kill the Seventh Prince and even slew several of our elders!

They had more people and power, so we couldn't compete, causing the plan to fail!"

Bam!

Fen Tianya slammed his palm on the table, roaring, "How could it be this Yang Luo again?!"

Just what kind of deity is this Yang Luo?!

Why does he repeatedly disrupt our plans?!

Why did my three sons all die by his hands?!"

Elder Tian Gu said fiercely, "Holy Master, this brat named Yang Luo doesn't actually have that strong of a cultivation and strength, just relatively strong compared to his peers!

His combat power is entirely due to others' help, and relying on the Sunset Divine Bow and Sun-shooting Divine Arrow!

Moreover, this brat is extremely cunning, he even snatched the Golden Crow Divine Furnace before I left!"

"What?!"

Fen Tianya jumped in anger, "Even the Golden Crow Divine Furnace was snatched by this brat?!"

"Yes, Holy Master!"

Elder Tian Gu nodded.

"Damn it! This brat really deserves to die!!!"

Fen Tianya's fury was so intense, the flames in his eyes were about to burst forth and consume everything.

His eyes burned, he coldly said, "This brat repeatedly disrupts our plans, killed my three sons, and many elders, Law Enforcers, and disciples of our Golden Crow Sacred Land!

If this hatred is not avenged, what face does our Golden Crow Sacred Land have left?"

"He must be killed, this brat must be killed!"

"This brat dares to provoke our Golden Crow Sacred Land, he must die!"

"Holy Master, I volunteer to go and slay this brat!"

The elders and Law Enforcers present all roared out in anger.

The Golden Crow Sacred Land has stood in Jiuzhou Immortal Domain for many years, with ancient heritage and profound background, it is one of the top forces in Jiuzhou Immortal Domain.

For so many years, no one has dared to provoke them repeatedly.

Therefore, they were genuinely furious, boiling with rage.

Elder Tian Gu frowned and said, "Holy Master, killing this brat Yang Luo is not difficult.

However, this brat is on good terms with Ancestor Dragon Sacred Land, Nan Zhan Immortal Country, and various Ancient Divine Beast Families.

Once we act against him, other forces will certainly not sit idly by."

"That's correct."

Elder Fen Wangchen chimed in, "Moreover, this brat has deep ties with Da Yi Immortal Country.

If we kill this brat, Da Yi Immortal Country will definitely help."

"So what?"

Fen Tianya squinted his eyes, "Our Golden Crow Sacred Land is a top force in Jiuzhou Immortal Domain, have we ever feared anyone, any force?"

I want to kill this brat, Da Yi Immortal Country, Nan Zhan Immortal Country, Ancestor Dragon Sacred Land, and those damn Ancient Divine Beast Families, can they stop us?"

Elder Tian Gu frowned and said, "Holy Master, our Golden Crow Sacred Land certainly does not fear these forces.

But, if these forces join together, they will still cause us some trouble.

I think, even if we want to kill this brat, it must be done secretly.

After we kill this brat, we will then eliminate Da Yi Immortal Country and other forces one by one."

Fen Tianya pondered for a while, then said, "Elder Tian Gu, do you have any good suggestions?"

Elder Tian Gu said, "Holy Master, we can command the Thirty-Six Branches to investigate the news of this brat across the Jiuzhou Immortal Domain.

Of course, we can also command various forces attached to us to help gather information.

Once we find out, immediately secretly slay him.”

“This is a good idea, let’s do it.”

Fen Tianya nodded and said, “Elder Tian Gu, I’ll entrust you with delivering the message.

From now on, I no longer want to hear any news about this brat.”

“Yes, Holy Master!”

Elder Tian Gu nodded solemnly.
