### **#Chapter 2881: Strange Array Formation! - Read Super Insane Doctor of the Goddess Chapter 2881: Strange Array Formation!**

*Chapter 2881: Chapter 2881: Strange Array Formation!*

In the blink of an eye, another month had passed.

By noon a month later.

In Heavenly State, Lingxiao City.

Inside an inn.

Yang Luo and his group were drinking, listening to the discussions of others in the inn.

"Fellow cultivators, I heard that an ancient relic of a Buddhist great power was discovered on Jiu Ling Mountain. Do you know about this?"

"Of course we do. This news has already spread, and people from not only our Heavenly State but also Earth State, Xuanzhou, and Huangzhou know about it!"

"In more than a month, many people have already rushed to Heavenly State, presumably all heading for this ancient relic of a Buddhist great power!"

"However, it's said that this ancient relic of a Buddhist great power hasn't appeared, only with Buddhist light shimmering and the sound of ten thousand Buddhas chanting!"

"Yeah, if this ancient relic of a Buddhist great power doesn't appear, we can't enter either!"

"You know, the ancient relics of Buddhist great powers are extremely rare, appearing only once every many years!"

"That's right, and every time they appear, there are many Buddhist skills and Buddhist magical tools!"

"More importantly, ancient relics of Buddhist great powers have never been that dangerous and are easy to enter!"

"Whether or not this ancient relic of a Buddhist great power appears, we should make a trip, just in case we find something valuable!"

Hearing the cultivators' discussion in the inn,

Yang Luo and his group got a basic understanding.

"Turns out this ancient relic of a Buddhist great power is on Jiu Ling Mountain!"

Bujie, chewing on a pig's trotter, mumbled, "Where is this Jiu Ling Mountain?"

Yang Luo took out a map, spread it on the table, searched for a while, and finally found the location of Jiu Ling Mountain.

Ning Jianfeng said with a face full of surprise, "Turns out we'll pass through Reincarnation Sacred Land on the way to Jiu Ling Mountain!"

Xu Ying smiled and said, "We can take the opportunity to visit the Reincarnation Sacred Land and see the Emperor of the Dead and the others!"

Yang Luo nodded and said, "Then we will first visit the Reincarnation Sacred Land, meet the Emperor of the Dead and them, and then head to Jiu Ling Mountain!"

"Okay!"

Bujie, Ning Jianfeng, and the others all nodded in agreement.

Yun Longxiang asked puzzledly, "Brother Yang, do you also have connections with the Reincarnation Sacred Land?"

Chu Fenghuo was also surprised, "Reincarnation Sacred Land is one of the largest sacred lands in Heavenly State, with significant energy throughout Heavenly State!

I didn't expect you to actually have connections with the Reincarnation Sacred Land!"

"Of course!"

Bujie chuckled, "We have a few brothers who are disciples of the Reincarnation Sacred Land!"

Ning Jianfeng echoed, "Moreover, we have quite a good relationship with several elders of the Reincarnation Sacred Land, we've fought side by side!"

"Oh?"

Yun Longxiang became even more curious, "Tell me, how did you establish ties with the Reincarnation Sacred Land?"

And who are the brothers you mentioned?"

"Don't rush, don't rush, let Lord Buddha tell you slowly."

Bujie raised his hand, then recounted the events of several months ago on Cangxuan Sea to Yun Longxiang, Chu Fenghuo, Lin Xingzhi, Shen Tu Xiong, and Lu Xueqi.

After listening to Bujie's story.

The five finally understood what was going on.

Chu Fenghuo laughed and said, "Since the King of Creation, Sacred Prison King, Emperor of the Dead, Ice Empress, and Divine Light and Darkness can become your brothers,

they must be bold and generous people, we must meet them."

Yun Longxiang said to Yang Luo, "Brother Yang, you'll have to introduce those brothers to us then."

"No problem."

Yang Luo readily agreed.

After finishing their drinks,

Yang Luo and his group left the inn, flew away from Lingxiao City, heading straight to Reincarnation Sacred Land.

After leaving Lingxiao City,

Yang Luo and his group flew northward for several hours and reached a mountain range.

This mountain range covered a vast area, beyond what the eye could see.

The sun was gradually setting, casting the afterglow of sunset across the sky, creating a stunning view.

Yang Luo and his group chatted and laughed, so they didn't find it boring.

Yun Longxiang said, "Brother Yang, can you tell us about your hometown?"

"Yes, yes, you've mentioned your hometown before. It's called Earth, right?"

"Brother Yang, tell us, please!"

Chu Fenghuo and Shen Tu Xiong quickly chimed in.

Yang Luo smiled faintly and said, "Since you want to hear, I'll tell you."

In the following time, Yang Luo told Yun Longxiang and the others about Earth.

As he talked about Earth, a hint of nostalgia emerged in Yang Luo's eyes.

He wondered how Su Qingmei, Senior Sister, Celestial Master, and Master Xuanku were now.

What was the current situation on Earth?

After all, the threat of the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan was not eliminated.

No one knew when the ancestors of those three races would descend upon Earth and cause chaos.

He planned to deal with Bujie's matter first, and after the brothers recognized their heritage, he would find a way to return to Earth.

Although Yang Luo spoke simply, Yun Longxiang and the others listened with great curiosity.

As Yang Luo spoke about the secular world on Earth, Yun Longxiang and the others were very curious about human technology.

They were astonished that people could fly and travel without cultivating.

That people could communicate over thousands of miles without using spells.

When speaking about Kunlun Ruins and Penglai Immortal Island,

The expressions of Yun Longxiang and the others became strange.

According to Yang Luo, the gap between Kunlun Ruins, Penglai Immortal Island, and Jiuzhou Immortal Domain was huge.

The strongest elders there only had the cultivation of a Heavenly Immortal, which was simply unbelievable to them.

After all, in Jiuzhou Immortal Domain, reaching the level of a Heavenly Immortal was just the beginning of one's cultivation journey.

Moreover, what amazed them even more was that such a barren world for cultivation could give birth to heavenly prides like Yang Luo and his companions.

As they chatted and time slipped by, Yang Luo and his companions reached the center of the mountain range.

However, just as they stepped into the center!

Yang Luo suddenly felt a chill in his heart, shouting in alarm, "Brothers, retreat quickly!"

"Huh?!"

"Retreat from what?!"

"What's happened?!"

Bujie, Yun Longxiang, and the others were momentarily stunned, not reacting in time.

The next second!

Boom boom boom!

Suddenly, golden-red pillars of fire erupted from the surrounding mountains!

Pillars of golden-red fire stood like sky-supporting pillars, holding up heaven and mountains, the formation patterns intertwined, and the runes flickered, forming a gigantic array formation!

Yang Luo and his group wanted to rush out but it was too late!

The entire array formation enveloped this heaven and earth, burning fiercely with flames!

The Cloud Sea above the sky, the grasses and trees among the mountains were reduced to ashes, the land scorched black!

The temperature of the great formation was extremely high, as if turning into a massive furnace, to incinerate everything!

"Quickly defend!"

Yang Luo shouted sternly, rapidly channeling his internal energy, forming layers of defensive shields, enveloping himself and everyone!

Yun Longxiang and the others hesitated not at all, forming layers of defensive shields to resist the fire's assault!

"Damn it!"

Bujie cursed angrily, "What the hell is going on, why is there a great formation here?!"

*Chapter 2882: Chapter 2882: The Four Great Branch Altars!*

"Damn it!"

Bujie cursed angrily, "What the hell is going on, why is there a great formation here?!"

"Who set up this formation here?!"

"Could it be deliberately to deal with us?!"

"Then who exactly is it?!"

Yun Longxiang and Xu Ying and others all voiced their anger, clearly furious and perplexed.

Yang Luo glanced around, feeling this formation was very familiar.

Especially the flames burning in the great formation, making him feel even more familiar.

Just as Yang Luo was about to speak!

Laughter echoed from afar.

"Hahaha, I thought killing you little brats would be difficult, but it's so easy!"

"You truly are too young, not a bit vigilant, and we've trapped you just like that!"

"It seems that the credit for this belongs to our Heavenly State's four divisions!"

"The Holy Master will be very pleased to know we've killed these little brats!"

Upon hearing this.

Yang Luo and others simultaneously turned to look.

They saw a group of people flying over from afar.

Leading them were four middle-aged men.

Behind them were eight elders and over three thousand disciples.

Soon, this group arrived overhead, faces full of mockery.

Yang Luo stared hard at the group and asked in a deep voice, "Are you from the Golden Crow Sacred Land?"

Upon hearing this!

Yun Longxiang and others were instantly shocked!

Chu Fenghuo gritted his teeth and said, "No wonder I find the flames of this formation so familiar, turns out they're from the Golden Crow Sacred Land!"

Bujie said angrily, "Damn it, how did people from Golden Crow Sacred Land know we're here?!"

"And they even set up a formation here in advance?!"

Ning Jianfeng asked in confusion.

Yun Longxiang squinted and said, "I've heard Golden Crow Sacred Land has divisions all over the Jiuzhou Immortal Domain, and each division's strength can rival some mid-tier forces!

These guys must be from the division Golden Crow Sacred Land set up in the Heavenly State!"

One of the middle-aged men in black robes chuckled, "You're the eldest prince of Nan Zhan Immortal Country, who failed to compete for the Immortal Vault List and was defeated by our eldest prince, Yun Longxiang, right?"

Your strength isn't great, but you know quite a bit."

"You bastard, what did you say!"

Yun Longxiang roared furiously, his chest heaving with anger.

"Why so angry? I'm just stating the facts!"

The middle-aged man in black smiled and continued, "That's right, we are indeed from the Golden Crow division!"

I am the Branch Master of the twenty-first division in Heavenly State, Fen Li!"

"I am the Branch Master of the twenty-second division in Heavenly State, Fen Chen!"

"I am the Branch Master of the twenty-third division in Heavenly State, Fen Xiao!"

"I am the Branch Master of the twenty-fourth division in Heavenly State, Fen Yuan!"

The other three middle-aged men chuckled as they introduced themselves.

Thus, these four middle-aged men were the Branch Masters of the four major divisions under Golden Crow Sacred Land's rule in Heavenly State.

The eight elders following them were elders from the four major divisions.

They were from—

Fen Juehai, Wan Mingyou from the twenty-first division.

Fen Xiaoyuan, Qiao Feiyu from the twenty-second division.

Fen Zhen Nan, Chen Tuoyuan from the twenty-third division.

Fen Deqing, Cao Shifeng from the twenty-fourth division.

Yang Luo sensed for a moment and got a rough idea of Fen Li and the others' cultivation.

These guys all had Daluo Golden Immortal cultivation, ranging from Daluo Golden Immortal Early Stage to Perfected stage.

Although these individuals were only Daluo Golden Immortals.

They still had twelve Daluo Golden Immortals, and relying solely on themselves wasn't enough to be their match.

The key was to first find a way to get out of this formation.

Fen Li chuckled and said, "Actually, as early as a month ago, the Holy Master gave the order for divisions across the Jiuzhou Immortal Domain to search for your whereabouts!

Once your whereabouts are found, you're to be killed immediately!"

Fen Chen also laughed as he spoke, "We thought you wouldn't come to our Heavenly State, but didn't expect you to arrive.

Since you handed us the credit, who wouldn't take it?"

"I'm the eldest prince of Nan Zhan Immortal Country, if you kill us, aren't you afraid to bring trouble to Golden Crow Sacred Land?"

"I'm from Fire Cloud Sacred Land!"

"I'm from Donghuang Immortal Country!"

...

Chu Fenghuo and Lin Xingzhi and others all announced their affiliations.

Fen Xiao sneered, "Enough, you don't need to introduce yourselves. We've already thoroughly investigated your backgrounds.

Even if we obliterate you, can you really stand against our Golden Crow Sacred Land?"

Fen Yuan laughed coldly, "If we were truly afraid of your backgrounds, why would we bother with all this?"

Yang Luo's face turned cold.

He's afraid the moment they stepped into Heavenly State, they were already investigated by these four division people.

They knew precisely their location, so they set up the formation in advance.

Earlier, he was too careless, not immediately sensing the formation's presence.

Elder Fen Juehai said blandly, "No need to waste words with them, quickly activate the formation, kill them, then report to the Holy Master at Golden Crow Sacred Land!"

"Okay!"

Fen Li and the others immediately nodded in response.

Then, Fen Li and the four Branch Masters waved their sleeves!

"Golden Crow Burning World Array!"

"Activate!"

In an instant!

The entire formation was activated!

Rumble! Rumble! Rumble!

The heaven and earth trembled violently!

Above, the Cloud Sea shattered!

The mountains below collapsed continuously!

Within the formation!

The terrifying Golden Crow Divine Fire transformed into a Fire Sea, surging towards Yang Luo and others!

This was Golden Crow Divine Fire, capable of burning elders' physical bodies, Essence Souls, and souls!

Huge Flame Golden Crows soared high, diving towards Yang Luo and others!

Flame mountains emerged, pressing down!

Countless Flame Runes suppressed from above!

Also, Flame Law Immortal Chains whistled out!

The entire formation suddenly became chaotic, filled with killing intent!

"Brothers, rush out!"

Yang Luo roared, summoning the Dragon Emperor Sword.

Yun Longxiang and others also summoned their weapons.

Yang Luo swung his weapon towards the formation wildly!

Swish! Swish! Swish!

Massive golden sword shadows tore through the sky, striking the formation!

While swinging his sword, Yang Luo unleashed other deadly moves!

Nine Holy Dragon Phenomena manifested, Four Great Divine Beasts and Four Great Fierce Beasts condensed, charging in all directions!

Five Directions Dragon Seal gathered, expanding relentlessly, crashing forward like five great mountains!

Golden Slaughter Array Map condensed, also crashing forward madly!

"Break this damn formation!"

Bujie roared, brandishing the Heavenly Dragon Zen Staff, smashing towards the formation!

Moreover, he unleashed his Buddhist ultimate techniques!

Buddhist Light Illumination, blasted out!

Golden Buddha towered, striking with huge golden palms!

"Break it!"

Yun Longxiang wielded the Heavenly Emperor Spear, swinging furiously!

Golden huge halberds swept out, with immortal light everywhere!

He also activated his physique phenomenon, Emperor Seal enlarging, crashing forward!

"Roar! Roar! Roar!"

True Dragon, Immortal Phoenix, Divine Elephant, and nine-headed lion roared, charging the formation!

### **Chapter 2883: Chapter 2883: Breaking the Formation!**

Flame Emperor, Ji Longyue, Baili Wushuang and Tantai Puti, among others, launched a powerful fierce attack!

One attack after another launched simultaneously, extremely fierce, the power was terrifying!

Furthermore, the Divine Beast illusions of Lord Blue Luan, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Qilin, Soaring Snake Family, flaming phoenix, and Kun Peng towered up, charging fiercely at the Great Formation!

Bang, bang, bang!...

Boom, boom, boom!...

The shocking sounds of impacts and explosions continuously echoed, shaking Heaven and Earth, stirring the Eight Desolations!

Masses of flames and energy surged within, fiercely and violently!

The entire Great Formation was continuously trembling from the impacts, but could not be destroyed!

Fen Li sneered and said, "No point wasting your efforts anymore, this Great Formation was laid down together by us four Branch Masters and elders!

Do you really think you can break out?"

Fen Chen squinted and said, "However, I must admit, these youngsters can indeed be considered Heavenly Pride!

They not only reached the levels of Golden Immortal and Daluo Golden Immortal at a young age, their strength is also so formidable!

If not for us setting up the Great Formation together, we really couldn't trap them!"

"Humph!"

Fen Xiao snorted coldly, saying, "So what if they are Heavenly Pride, today they will die here!"

Fen Yuan fixed his gaze on Yang Luo within the Great Formation, saying, "Especially this little brat, he must die!"

Fen Juehai stood with hands clasped behind his back, his expression calm as he said, "Rest assured, they absolutely cannot escape, death is certain!"

At this moment.

The Great Formation continued to unleash wave after wave of fierce and aggressive attacks, intent on exterminating Yang Luo and the others!

Yang Luo shouted gravely, "Brothers, don't hold back, continue breaking the formation!"

"Yes!"

Yun Longxiang and others responded in unison.

Immediately, under Yang Luo's lead, everyone simultaneously activated their Dharma Idols, and launched a charge against the Great Formation!

"Nine Emperors Ascending!"

Yun Longxiang directly displayed a killer move!

Nine imperial illusions towered up, holding giant weapons, crashing towards the Great Formation!

"Twelve Shaman Primal Heavenly Art!"

"Twelve Ancestral Magi!"

Yang Luo also bellowed loudly, summoning the twelve Ancestral Witches, to strike the Great Formation!

Under the frantic fierce attack of Yang Luo and others!

The attacks launched by the Great Formation were completely destroyed, its tremors became even more intense!

Flames roiled, energy surged, brilliance radiated, lighting up Heaven and Earth, the destructive power was boundless!

Several surrounding mountains had already collapsed in a heap, turning to rubble and dust, sweeping skyward!

But still could not break open the formation!

Yang Luo bellowed once again!

“Twelve Ancestor Witches·Fusion!”

In the blink of an eye!

The twelve Ancestral Witches fused in mid-air, transforming into the Pangu Emperor, wielding a golden giant axe, striking at the Great Formation thrice in succession!

Bang, bang, bang!

After three axe strikes, the entire Great Formation unexpectedly began to fracture!

“Good chance!”

Yang Luo exclaimed, “Everyone, attack fiercely at the fracture locations!”

“Good!”

Yun Longxiang and others shouted in unison.

Everyone began continuously mobilizing their internal energy, aggressively attacking the fractured areas of the Great Formation!

Kaboom!

Boom-boom!

The sounds of impacts and explosions grew increasingly fierce and violent!

The fractures in the Great Formation multiplied more and more!

“What?!”

Fen Li's expression changed, exclaiming, "How can these little brats be so strong, they even managed to crack our 'Golden Crow Burning World Array'?!"

Fen Chen shouted angrily, "What are we waiting for, hurry and repair the formation, don't let them escape!"

Then, Fen Li, Fen Chen, Fen Xiao, and Fen Yuan rapidly mobilized the energy within their bodies, vibrating all over!

Boom-boom-boom-boom!

Four beams of golden-red flames shot skyward from their bodies, penetrating the skies!

The four waved their sleeves, casting strands of energy, channeling it into the Great Formation!

The cracks appearing on the Great Formation began repairing at a visible speed, its power grew again!

Yang Luo's expression turned fierce, shouting, "Brothers, keep attacking!"

Everyone nodded heavily, continuing their fierce onslaught, combating the Great Formation and Fen Li's group!

Yun Longxiang and Wu Qiansheng among others even consecutively summoned Dharma artifacts, striking at the Great Formation!

"Damn it, old man can't stand it anymore!"

Bujie let out a roar, his whole body vibrating, mobilizing the magic power within!

Originally, his body was faintly glowing with golden Buddhist light, but now, it radiated a dazzling and intense black devil light!

His pupils also turned pitch black, veins bulged on his face, a beam of black light shot from his body, as if some Ancient Demon had descended!

"Bujie!"

Yang Luo's face changed drastically, "Didn't I tell you not to use your magic power?!"

Bujie took a deep breath, saying, "Brother Yang, if we die here, whether I become a Buddha or a demon, it won't mean anything!"

With that, he continued to mobilize the magic power within, a towering Ancient Demon illusion formed above him, bearing two horns, looking mighty as a mountain!

“Slaughter Demon Fist!”

“Wutian Great Demon Seal!”

He raised his arms, right hand clenched into a fist, left hand transformed into a palm, and launched a most powerful attack against the Great Formation!

The Ancient Demon illusion above him threw punch after punch and palm after palm!

Bang-bang-bang!

Boom-boom-boom!

The Great Formation shook violently, continuing to crack!

Fen Li exclaimed in surprise, “What is going on with this little brat, isn’t he a monk, why did he suddenly turn demon?”

Fen Chen was also shocked, “Turns out this kid is Buddha and Demon in One Body, with both demonic qi and Buddha energy within him!

Just that, the demonic qi is more abundant!”

“Doesn’t matter if he’s Buddha or demon, just destroy him!”

Fen Yuan’s eyes flashed with killing intent, continuing to send energy from his body into the formation!

Fen Li, Fen Chen and Fen Xiao continued to mobilize the energy within their bodies, channeling it into the Great Formation!

The cracks in the Great Formation, once again healed, its power doubled anew!

“Break it!!!”

Bujie roared, charging his body towards the Great Formation!

Seeing Bujie fight so desperately!

Yang Luo deeply sighed!

This guy, although usually unreliable, knows how to prioritize when it matters!

Moreover, what he said is quite reasonable!

If we die here today, becoming a Buddha or demon means nothing at all!

With this thought!

Yang Luo directly threw out the Dragon Emperor Sword in his hand, and shouted!

“Immortal Suppression Pagoda, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, Dragon Soul Tao Seal!”

“Sunset Divine Bow, Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, Chasing Wind Arrow, Netherflame Arrow, Mixed Element Arrow!”

Buzz-buzz-buzz!

Accompanied by humming sounds!

One Dharma artifact after another flew out from the storage ring, radiating dazzling and intense light!

Immortal Suppression Pagoda enlarged its body, bellowing, “Break the furnace, come out quickly!”

“If you don’t come out, beware we keep hitting you!”

“Do you really want us to tear you apart?”

Sunset Divine Bow and six Sun-shooting Divine Arrows also shouted loudly.

In the next moment!

The Golden Crow Divine Furnace flew out of the storage ring, its body trembling!

Immortal Suppression Pagoda shouted, “Get to work!”

“From now on, this kid is your master, you must listen to his commands!”

“If you disobey, we’ll dismantle you!”

Sunset Divine Bow and six Sun-shooting Divine Arrows threatened as well.

*Chapter 2884: Chapter 2884: Golden Crow Divine Furnace’s Betrayal!*

"How did I, a proud half-step Emperor-level magical artifact, fall to this state?!"

The Golden Crow Divine Furnace let out a stifled wail, and then the furnace shook, constantly expanding!

If it were just other magical artifacts, the Golden Crow Divine Furnace would naturally not be afraid.

But the key is, its nemesis is the Sunset Divine Bow and Sun-shooting Divine Arrow, completely restraining it.

Ning Jianfeng curiously said, "Exactly how badly was this furnace beaten to make such a wailing sound?"

Yun Longxiang and the others also had strange expressions.

At this moment.

Outside the great formation, Fen Li and the others were overjoyed upon seeing the Golden Crow Divine Furnace.

"Isn't this... isn't this one of our Golden Crow Sacred Land's ancestral artifacts... the Golden Crow Divine Furnace?!"

"Strange, how did the Golden Crow Divine Furnace end up in this kid's hands?!"

"Golden Crow Divine Furnace, quickly help us kill these little bastards!"

Fen Li and the others excitedly exclaimed, wanting the Golden Crow Divine Furnace to help them eliminate Yang Luo and the others.

The Sunset Divine Bow thunderously said, "Try helping them if you dare!"

The Golden Crow Divine Furnace did not speak but continued to expand its furnace body, igniting intense Golden Crow Divine Fire!

"Good, good, good, just like that!"

"Hurry up and burn these little bastards to death!"

Fen Li and the others were extremely excited.

After all, the Golden Crow Divine Furnace is one of their Golden Crow Sacred Land's ancestral artifacts, basic half-step Emperor-grade, with unrivaled divine might!

As long as the Golden Crow Divine Furnace assists them, it will be easier to exterminate this group of little bastards!

But the next second!

Fen Li and the others were all dumbfounded!

Only to see that the Golden Crow Divine Furnace not only did not attack Yang Luo and the others but instead began to devour the Golden Crow Divine Fire within the great formation!

Whoosh!

The flames in the great formation were continuously devoured, and within less than a minute, one-third was devoured!

"Golden Crow Divine Furnace, what are you doing, why are you devouring the flames of the great formation?!"

"What the hell are you doing, weren't you supposed to help us kill these little bastards, why are you helping them?!"

"Stop immediately!"

Fen Li and the others yelled out angrily.

The Golden Crow Divine Furnace did not stop, continuing to devour the Golden Crow Divine Fire!

Yang Luo and the others suddenly felt a lot better!

"Hahaha..."

Bujie laughed heartily, "The furnace has rebelled!"

Ning Jianfeng also laughed cheerfully, "But this furnace is quite impressive, it can actually devour Golden Crow Divine Fire!"

Yun Longxiang said, "The Golden Crow Divine Furnace is one of the ancestral artifacts of the Golden Crow Sacred Land, a true half-step Emperor-level magical artifact!"

It can devour various divine fires, immortal fires, and different types of flames, and it can control most of the flames in this world!"

"Impressive!"

Bujie gave a thumbs up, shouting, "Devour, keep devouring!"

The Immortal Suppression Pagoda also excitedly shouted, "Broken furnace, well done, devour all the flames here clean!"

"Hurry up, no slacking!"

"If you dare to slack off, we'll keep kicking you!"

The Sunset Divine Bow and six Sun-shooting Divine Arrows also shouted out loud.

The Golden Crow Divine Furnace dared not slack off, continuing to devour energetically!

The flames in the great formation surged like waves, pouring into the Golden Crow Divine Furnace!

"Damn, the Golden Crow Divine Furnace actually rebelled!"

"You traitor!"

Fen Li and the others shouted angrily, not daring to pause, continuously channeling energy from their bodies into the great formation!

They had barely managed to trap these little bastards using the great formation!

Once these little bastards get out, it will definitely take much effort to kill them!

"Don't just stand there, get moving!"

Elder Fen Juehai also shouted loudly, channeling energy from his body into the great formation!

The other elders naturally did not dare to delay, constantly channeling energy from their bodies into it!

But the Golden Crow Divine Furnace did not stop, its furnace body like a bottomless pit, continuing to devour flames!

Yang Luo shouted loudly, "Brothers, continue to break the formation!"

"Break the formation!!!"

Yun Longxiang, Bujie, and others also shouted loudly, continuing to break the formation!

The Immortal Suppression Pagoda, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, and Dragon Soul Tao Seal kept expanding, crashing into the great formation!

Yang Luo grabbed the Sunset Divine Bow with his left hand and six Sun-shooting Divine Arrows with his right!

He slightly lowered his body, feet staggered, directly drawing the bow and shooting the arrows!

"Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, Chasing Wind Arrow, Netherflame Arrow, Mixed Element Arrow, go!"

Swish, swish, swish!

Six Sun-shooting Divine Arrows transformed into six streaks of lightning, shooting out forcibly!

In an instant!

Boom, boom, boom!

The entire "Golden Crow Burning World Array" could no longer hold, completely shattered and exploded!

The heaven and earth trembled, and a giant ball of energy exploded in the sky!

A dozen or so mountains around instantly exploded into pieces, turning into a mass of rubble and dust, rushing to the sky!

"Ahhh..."

Fen Li and others let out cries of pain, all being blasted away!

"Five Flames Flag!"

Elder Fen Juehai quickly steadied himself and immediately waved his oversized sleeve!

Swish, swish, swish!

Five flags burning with flames flew out from his sleeve and instantaneously spread out, falling in five positions around Yang Luo and the others!

These five flags are a set of intermediate spiritual artifacts!

They are the Golden Flame Banner, Red Flame Flag, Green Flame Flag, Black Flame Banner, Purple Flame Banner!

"Even if you can break the formation, so what, this old man can still trap you again!"

Fen Juehai coldly yelled, waving his sleeve again!

"Five Flames Divine Fire Formation!"

Five flags erupted with five colors of flames: gold, red, green, black, purple, and intertwined formation patterns in the sky!

A five-colored flame great formation instantaneously formed, once again trapping Yang Luo and the others!

The great formation started again, erupting with waves of five-colored fire, rushing towards Yang Luo and the others!

The Sunset Divine Bow shouted at the Golden Crow Divine Furnace, "What are you waiting for, break this great formation for me!"

"Break it for me!!!"

Golden Crow Divine Furnace let out a stifled roar of anguish, its furnace body violently shaking!

Boom!

Waves of Golden Crow Divine Fire erupted from the furnace instantly, like a landslide and tidal wave, sweeping in all directions!

Boom, boom, boom!

Amidst a series of booming explosions!

The entire great formation directly shattered and exploded!

The Five Flames Flags were also blasted away!

"Golden Crow Divine Furnace mighty!"

Bujie laughed, swinging his fists.

Yun Longxiang and the others were also amazed.

Truly worthy of a half-step Emperor-level magical artifact, its power is genuinely formidable.

The Immortal Suppression Pagoda excitedly shouted, "Burn these guys to death for me!"

"Ooh..."

The Golden Crow Divine Furnace let out a lamenting cry, continuing to unleash flames, rushing towards Fen Li and the others!

"Quickly defend!"

"Everyone be careful!"

"Retreat, quickly retreat!"

Fen Li and the others shouted in shock.

Although Fen Li and the others reacted quickly, swiftly forming a defensive barrier and retreating.

However, many disciples from the four sub-altars didn't manage to react in time, instantly being devoured by the Golden Crow Divine Fire.

"Ahhh..."

Shrill screams echoed continuously.

Those disciples barely escaped, being burned alive by the Golden Crow Divine Fire, and incinerated into ashes.

"Despicable!"

Fen Li hissed angrily, "Golden Crow Divine Furnace, do you really want to rebel, stop it immediately!"

"I don't want to! I don't want to!"

The Golden Crow Divine Furnace wailed while unleashing flames, burning those disciples into constant screams.

### **Chapter 2885: Chapter 2885: Far Too Naive!**

The scene before them was both shocking and somewhat comical.

The Golden Crow Divine Furnace, while lamenting "I didn't want this either," continued to unleash fire with formidable lethality.

In just a few minutes,

of the original three thousand people, at least half had been burned alive, reduced to ashes.

"Damn bastard!"

Fen Li roared, "The Golden Crow Divine Furnace has betrayed us!"

If this thing can't be used by us, then destroy it!"

With that, Fen Li summoned a crimson flaming saber and struck fiercely at the Golden Crow Divine Furnace!

The others held nothing back, launching a barrage of assaults, all targeting the Golden Crow Divine Furnace!

Each attack swept across the sky, unleashing terrifying destructive and annihilative power, aiming to obliterate the Golden Crow Divine Furnace completely!

The Golden Crow Divine Furnace stood unmoved, as if resigned to its fate!

But just as the furious attacks were about to land!

Yang Luo charged up, swinging his sword at the oncoming strikes!

Swish!

With one sword swing, he split the firmament and parted the Cloud Sea, dominantly!

In an instant!

Bang! Boom!

The deafening sounds of collisions and explosions resounded, filling the air with bursts of light and energy!

Despite the power of Yang Luo's strike, he could not withstand the onslaught of twelve Daluo Golden Immortals!

"Ugh..."

Yang Luo groaned, sent flying back, blood spewing from his mouth, staining his body with blood!

He was blasted a thousand meters away before he barely stabilized himself!

The Golden Crow Divine Furnace incredulously said, "Kid, I fought against you before, why would you help me now?"

Yang Luo exhaled a breath of turbid air and replied, "Perhaps we were enemies before, but now we are friends!"

"Friends?"

The Golden Crow Divine Furnace was even more puzzled, “Are we considered friends?”

“Of course!”

Yang Luo affirmed, “You helped us break two great formations just now, so naturally, you’re our friend!”

Saying that, Yang Luo moved, raising his sword towards Fen Li and the others!

The Immortal Suppression Pagoda said, “Old Furnace, follow Brother Yang, and you won’t be mistreated!”

“Old Furnace, as long as you recognize this kid as your master, we can get along peacefully in the future!”

“You’re a half-step Emperor-level Magical Artifact with good strength; it would be a pity to be destroyed just like that!”

“I see shadows of Da Yi in this kid; follow him and your future is limitless!”

The Sunset Divine Bow and the six Sun-shooting Divine Arrows joined in.

Then, the Immortal Suppression Pagoda, the Sunset Divine Bow, and the Sun-shooting Divine Arrows flew out, attacking Fen Li and the others.

“Old Furnace, think it over!”

“Follow Brother Yang, and you’ll definitely make your name known throughout the Jiuzhou Immortal Domain!”

Bujie and Ning Jianfeng also advised, then attacked Fen Li and the others.

The Golden Crow Divine Furnace stayed put, caught in a dilemma.

At this moment.

In the distant sky.

“Brat, even if you can break the formation, so what? Killing you isn’t difficult for us!”

“It just requires a bit more effort!”

Fen Juehai and the eight elders coldly snorted, attacking Yang Luo!

Fen Li, Fen Chen, Fen Xiao, and Fen Yuan attacked Yun Longxiang and Bujie!

The remaining thousand or so disciples also joined in the assault!

“Golden Crow Immortal Slaying Sword!”

“Golden Crow Fierce Sun Saber!”

“Fen Tianliekong Mace!”

“Refining Fire Sky-breaking Spear!”

Fen Juehai, Fen Xiaoyuan, Fen Zhen Nan, and Fen Deqing swung their weapons simultaneously, attacking Yang Luo!

The saber and sword split heaven and earth, the spear and mace shattered the world!

Golden-red flames burned the heavens, destroying everything, horrifyingly majestic!

Fen Juehai and Fen Xiaoyuan’s cultivation was at the Daluo Golden Immortal Perfected Stage!

Fen Zhen Nan and Fen Deqing’s cultivation was at the Daluo Golden Immortal Late Stage!

“Ten Thousand Fire Burning Fist!”

“Li Fire Mie Sheng Palm!”

“Great Dao Burning Wilderness Finger!”

“Nine Yang Heaven-tearing Claw!”

Wan Mingyou, Qiao Feiyu, Chen Tuoyuan, and Cao Shifeng also launched fierce attacks!

Fists and palms shattered the firmament, fingers and claws tore the void apart!

Flames in gold, green, black, and violet transformed into waves of fire, surging upwards!

Wan Mingyou, Qiao Feiyu, Chen Tuoyuan, and Cao Shifeng’s cultivation were all at the Daluo Golden Immortal Middle Stage!

The combined assault of eight people was terrifyingly overwhelming, even a Daluo Golden Immortal Perfected Stage couldn’t withstand it, and if not dead, would be heavily injured!

“Fight!!!”

Yang Luo let out a roar, unleashing all his momentum and fighting power, activating his Primordial Physique and other physique secret techniques!

Then, he once again swung his sword, slashing heavily forward!

The golden sword reached the heavens, cutting the void, overwhelmingly dominant!

As he swung the sword, he also unleashed other killing moves!

“Roar roar roar!”

Nine Holy Dragon phenomena, Four Great Divine Beasts, and Four Great Fierce Beasts let out earth-shaking roars, charging upwards!

The Five Directions Dragon Seal instantaneously condensed, expanding fiercely, suppressing upwards!

The golden Slaughter Array Map condensed, like a golden firmament, crushing down!

The Immortal Suppression Pagoda and Ten Thousand Dragon Cauldron and other magical artifacts also flew out, colliding fiercely!

In an instant!

Bang! Boom!

The earth-shattering collision and explosion noises echoed ceaselessly!

The vast and mighty energy intertwined in the sky, transforming into waves, sweeping in all directions!

Mountains and forests were completely destroyed!

The earth kept tearing and collapsing, lifting massive rocks and dust!

They only held on for less than a few minutes!

“Ah...”

Yang Luo let out a cry of pain, once again sent flying!

The layered physique secret techniques on his body were destroyed; his powerful physical body was also torn open with blood spilling mid-air!

“Hahaha...”

Fen Juehai laughed skyward, "Rumor has it that you're invincible in the same realm, capable of defeating enemies across realms, but it seems you're not so impressive!"

Fen Xiaoyuan and the others sneered coldly, eyes full of disdain.

Yang Luo steadied himself, coughed up blood, and said, "You eight ganging up on me alone, and you dare to boast here!

You are truly despicable and shameless!"

"Bastard!"

Fen Juehai roared, "Brat, we intend to gang up on you, to make you helpless and despairing, what can you do about it?"

Fen Xiaoyuan sneered, "Brat, you're too young and naive!

On the battlefield, does it matter what's despicable or not!

As long as the enemy is killed, one can go to any lengths!"

"Kill!!!"

Yang Luo roared again, holding the Dragon Emperor Sword, charging towards Fen Juehai and the eight!

Just as Yang Luo charged up!

"Uh ah ah..."

Yun Longxiang, Bujie, and others battling in the distant sky let out miserable screams, sent flying!

Yang Luo's heart sank!

This can't go on!

If this continues, he and his brothers might all end up here!

He must find a way to flee here and reach the Reincarnation Sacred Land!

Only at the Reincarnation Sacred Land will he and his brothers be safe!

**Chapter 2886: Chapter 2886: Breakthrough!**

But the key is, these guys are determined to kill us, leaving no chance for us to escape!

Just as Yang Luo was stunned!

“Little beast, come meet your death!”

Fen Juehai had already charged over, leaping up and swinging his long sword down at Yang Luo with force!

“Die!!!”

Accompanied by a thunderous roar!

A massive golden-red flame sword descended heavily, tearing the void open with fine slits!

Even before the sword fully descended, the ground below had already cracked open with fissures!

Yang Luo commanded the Immortal Suppression Pagoda and Ten Thousand Dragon Cauldron, “Quick, go help Long Xiang and Bujie!”

“Brother Yang, what about you?”

The Immortal Suppression Pagoda asked anxiously.

“I’m fine! Go quickly!”

Yang Luo replied.

The Immortal Suppression Pagoda and Ten Thousand Dragon Cauldron flew out towards the battlefield where Yun Longxiang and others were located!

Then, Yang Luo swiftly swung his sword to counterattack!

Swish!

A golden sword slashed toward the sky as if it were to cleave it in half!

Clang clang!

The swords clashed violently, emitting a crisp collision sound!

Large swathes of flames, light, and energy burst forth from the collision point, sweeping in all directions!

Though Yang Luo barely withstood the sword strike, he was still pushed downwards continuously!

Explosive bursts of blood spurted from his body!

Seeing Yang Luo block his sword and only sustain injuries!

Fen Juehai was utterly shocked!

This kid truly is extraordinary as the legends say!

In his understanding, a Daluo Golden Immortal Early Stage can't possibly withstand an attack from a Daluo Golden Immortal Perfected Stage!

Not even for a single strike!

Luckily, there are enough Daluo Golden Immortals on our side!

If it were a one-on-one duel, killing this kid wouldn't be easy!

"Take this saber of mine!"

Fen Xiaoyuan also charged over, swinging his saber heavily down at Yang Luo!

Swish!

The golden-red Flame Giant Blade severed the Cloud Sea, slicing through the sky, terrifying beyond compare!

Accompanied by the intense clanging of collisions!

Yang Luo could no longer withstand it and plummeted straight from the sky, with a loud "boom," crashing onto the ground!

The ground was smashed into a large pit, sending rocks and dust flying!

Fen Juehai said loudly, "This kid is not simple; to kill him, we must join forces!"

"Understood!"

Fen Xiaoyuan and the others responded loudly.

Immediately, Fen Juehai and eight others unleashed their killing techniques again!

"Hundred Thousand Burning Sky Swords!"

"Nine Yang Extinguishing Immortal Seal!"

"Divine Fire Refining Immortal Map!"

“Volcano Town Ten Thousand Immortals!”

...

A hundred thousand golden-red Flame Flying Swords gathered, like a rain of fiery swords, shooting down together!

Nine golden-red Flame Seals gathered, constantly increasing in size, crashing down to suppress!

A Flame Immortal Map also gathered and pressed down!

Towering volcanoes rose up, pressing down heavily!

Other killing moves also attacked en masse!

“Don’t you dare kill Brother Yang!”

The Immortal Suppression Pagoda flew over from afar, colliding with the attacks launched by Fen Juehai and others!

Rumble!

The assaults struck heavily on the Immortal Suppression Pagoda!

“Ah...”

The Immortal Suppression Pagoda let out a miserable scream, blown back directly!

Though the Immortal Suppression Pagoda helped Yang Luo destroy some attacks, the remaining ones continued towards Yang Luo!

Yang Luo stood on the ground, shook himself, and directly activated his Dharma Idols, striking upwards with a powerful sword along with his Dharma Idols!

Swish!

The two swords merged into an even larger golden sword, slashing upwards!

Boom! Boom!

Roar! Roar!

Earth-shattering explosions resounded once more!

Energy surged like waves, light swept like tides, scouring all around!

Distant mountains were again destroyed, turning into ruins!

“Fight! Fight!! Fight!!!”

Yang Luo roared hoarsely, clinging tightly to the Dragon Emperor Sword, maintaining his hacking stance, eyes determined, never yielding!

Rumble!

The ground beneath his feet collapsed, forming a massive pit, with his body pressed into it!

“Continue the attack, kill him!”

Fen Juehai shouted cruelly, waving his sword to initiate a more ferocious attack!

Fen Xiaoyuan and the others continued their assault, giving Yang Luo no time to breathe!

Yang Luo repeatedly activated his physique secret technique to form layer upon layer of Defensive Shields, while unleashing multiple killing moves to counter!

But, Fen Juehai and eight others were exceptionally ruthless, their assault relentless, intending to kill Yang Luo in one go!

Clang, clang, clang!...

Bang, bang, bang!...

Boom, boom, boom!...

The violent sounds of colliding and crashing resounded incessantly, shaking heaven and earth, affecting all directions!

The mutated beasts within the mountain range had long fled to the distance, watching in terror!

“Ahhhh...”

Yang Luo’s cries of agony rang out continuously, his skin and flesh torn, blood splattering everywhere!

The pit below continued to expand and deepen from the blasts!

“Hahaha...”

Fen Juehai laughed maniacally, his face twisted as he said, "Keep going, keep going!"

Led by Fen Juehai, the other seven elders continued their fierce assault, faces full of viciousness!

Slaying such a Heavenly Pride would bring them great satisfaction!

"Uhhhh..."

At this moment, Yun Longxiang and others were also struck down to the ground, letting out pained cries.

However, Yun Longxiang and others did not give up, continuing to resist Fen Li and others!

And then!

Boom!

A heaven-shattering loud explosion suddenly resounded!

From the abyss pit below, a dazzling golden light beam shot up!

This beam was terrifyingly powerful, destroying the attacks launched by Fen Juehai and the eight!

The eight had no time to react and were blasted away!

In the next instant!

Rumble!

The abyss pit below expanded by another fold!

A blood-drenched golden figure soared from the abyss pit!

It was Yang Luo!

Yang Luo's blood-stained hair danced, eyes fierce, he charged towards Fen Juehai and the eight!

At this moment, apart from his aura and presence, his cultivation was at the Daluo Golden Immortal Middle Stage!

Of course, besides his presence and aura, he also unleashed his physique secret technique, with the divine flames of the Dragon Emperor Hammer!

“Just die already!!!”

With a roar of rage!

Cao Shifeng quickly formed a massive purple flame claw, reaching for Yang Luo's sword!

Clang clang clang!

Loud clashing and collision sounds echoed endlessly!

“Ah...”

Cao Shifeng cried out in agony and was directly sent flying backward! He spat out blood, staining the ground red with it!

*Chapter 2887: Chapter 2887: Fighting Spirit Soaring*

But, the power of Yang Luo's sword did not weaken much, and it continued to slash towards Cao Shifeng!

Cao Shifeng endured the intense pain and quickly gathered a solid and thick purple flame shield!

Clang!

The golden sword heavily slashed towards the purple flame shield, causing a colossal explosion!

However, the purple flame shield that Cao Shifeng had gathered was incredibly strong, forcefully withstanding Yang Luo's sword, though it was carved with numerous cracks!

"Hahaha..."

Cao Shifeng laughed sinisterly, "Kid, you can't kill me!"

"Really can't kill, huh? Let's go again!"

Yang Luo let out an earth-shattering roar and activated the Dharma Idols again!

A golden giant rose up, like an Eternal Immortal Emperor coming into the world, slashing again at Cao Shifeng!

Whoosh!

The Void twisted violently, tearing open the skies!

An even larger golden sword pressed down heavily towards Cao Shifeng!

Clang!

Accompanied by a sound of collision that rang through Jiuxiao!

The defensive shield gathered by Cao Shifeng cracked extensively!

"What?!"

His face changed drastically, his pupils contracted sharply, and he was stunned with fright, quickly channeling energy within to try to repair the defensive shield!

But, he couldn't repair as fast as Yang Luo could destroy it!

"Hurry, save Brother Cao!"

"Quick, quick!"

"Kill that kid!"

Fen Juehai and six others steadied themselves and once again mobilized the energy within, launching a fierce attack at Yang Luo!

"Ahhhhh!"

The Immortal Suppression Pagoda roared and rushed over, shielding Yang Luo!

Bang!

The Immortal Suppression Pagoda couldn't withstand, was shaken out again, nearly reverted to its original form!

Seeing Fen Juehai and the seven's attack rushing over!

Yang Luo shook all over, instantly gathering layers of physique secret techniques, activating layer upon layer of defensive barriers!

Boom!

Bang!

Sounds of collision and explosions occurred one after another!

The layers of defensive shields and physique secret techniques gathered by Yang Luo were destroyed, and his flesh was blowing apart violently!

But he stood firm, determined to slay Cao Shifeng!

After all, killing one more person would mean less threat to him and his allies!

"Die!!"

Yang Luo let out an angry roar, his arms suddenly exerting force, slashing fiercely downwards!

Boom!

The defensive shield gathered by Cao Shifeng was completely shattered, his physical body along with his Essence Soul were split in half by Yang Luo's sword!

Just when Cao Shifeng was slain!

Yang Luo could no longer hold on, spat out a mouthful of blood, and was thrown backward!

He flew back eight hundred meters outside before barely stabilizing his body!

Although the Immortal Suppression Pagoda's light dimmed considerably, it still hovered above Yang Luo's head, ready to join Yang Luo in a desperate battle to the death against the opposing old dogs!

Yang Luo roared angrily, "Didn't you want to kill me? Come on, continue!!!"

"You bunch of dogs, come on!"

The Immortal Suppression Pagoda also gave out a shout.

Fen Juehai's face was extremely somber, "Didn't expect this little beast to break through his cultivation in battle!"

Fen Xiaoyuan also said viciously, "This little beast is really ruthless, he actually withstands our attack to kill Brother Cao!"

"This little beast deserves to die, deserves to die!"

"I don't believe, with us so many joining forces, we can't kill him!"

"This kid is already done for, he can't last much longer!"

Fen Zhen Nan and others also spoke fiercely, looking at Yang Luo with endless killing intent.

Their combined force, cultivation was superior to this little beast, but unexpectedly, this little beast found a gap and killed one of them!

This slapped their faces, trampling on their dignity!

Detestable!

Extremely detestable!

They were determined, even at any cost, to kill this little beast!

However, just when they were about to continue attacking!

"Roar roar roar!"

From the distant ground came a series of angry roars!

It was the Yun Longxiang and others making the roars!

In the next second!

Boom!

Beams of light soared from Yun Longxiang and others, piercing the clouds, seemingly reaching the stars and moon!

Torrential and vast pressure and aura rushed from their bodies, spreading in all directions!

"What?!"

Fen Juehai was greatly shocked, "These little guys have also broken through?!"

"How is this possible?!"

"Did these little beasts use us as sharpening stones to advance their cultivation realms?!"

"Damn! Not only couldn't kill them, but instead stimulated their potential, allowing them to break through!"

Fen Xiaoyuan and Fen Li and others also roared angrily, flushed with anger, their chests heaving.

Thus, Bujie, Tantai Puti, and Yi Yuheng stepped into the Golden Immortal Late Stage.

Flame Emperor, Zhixin, Wu Qiansheng, Lu Yunqi, Xia Chaoyang, Yuanfei reached the Golden Immortal Perfected Stage.

Xu Ying, Mo Qingkuang, Xiang Kunlun, Qin Zhanhuang, Big White, Hundred Cry Bird, Xia Ziyang stepped into the Golden Immortal Middle Stage.

Yun Longxiang was powerful and stepped into the Daluo Golden Immortal Middle Stage.

Even though everyone was already scarred and covered in blood, everyone's fighting spirit remained high!

"Hahaha..."

Yang Luo laughed heartily and said loudly, "Brothers, well done!"

He naturally hoped that while he continuously broke through his cultivation, making himself stronger.

His brothers could also continuously achieve self-surpassing and breakthroughs!

After all, the Jiuzhou Immortal Domain is full of strong ones, and their enemies are many!

If they remained stagnant, it would be difficult to survive in the Jiuzhou Immortal Domain!

So, they must become stronger, continuously stronger!

"Brothers, continue, fight!"

Yun Longxiang roared and soared into the sky, charging at Fen Li and others!

"Fight!!"

Bujie and Ning Jianfeng and others also roared out loud, soaring into the sky, fiercely charging up!

Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror, Dragon Soul Tao Seal, Sunset Divine Bow, and six Sun-shooting Divine Arrows assisted Yun Longxiang and others, charging up!

"Even if you broke through, so what, we can still kill you!"

"Including that little beast Yang Luo, you have only two Daluo Golden Immortals, you can't possibly be our match!"

"Don't hold back, hurry up and kill them!"

"Kill them early, lest another change occurs!"

Fen Li and four others roared, leading the remaining hundreds of disciples, attacking!

"Fight!!"

Yang Luo also let out a wild roar, wielding the Dragon Emperor Sword, with the Immortal Suppression Pagoda above him, attacking Fen Juehai and the seven!

"Seeking death!!"

Fen Juehai and the seven roared in unison, rushing to kill!

Also, also in the midst of charging!

"Roar!"

The Immortal Suppression Pagoda also let out a roar, directly breaking through from an Intermediate Spiritual Artifact to a High-level Spiritual Artifact!

"This... this broken tower actually also broke through?!"

"Detestable... these little beasts breaking through is one thing, but didn't expect an artifact also broke through!"

"Doesn't matter it broke through, after killing this little beast, the artifact will be ours!"

Fen Juehai and the seven viciously shouted, crazily attacking Yang Luo.

*Chapter 2888: Chapter 2888: Subduing the Golden Crow Divine Furnace!*

Furthermore, the seven from Fen Juehai also summoned their Dharma artifacts and charged towards the Immortal Suppression Pagoda!

In an instant!

The Immortal Suppression Pagoda clashed with the seven Dharma artifacts from Fen Juehai!

Yang Luo engaged in a fierce battle with the seven members of Fen Juehai!

The epic battle raged, shaking all directions!

Yang Luo and the seven from Fen Juehai maneuvered in the air!

At times appearing in the sky, at times within the forest, at times above rivers!

Clang! Clang! Clang!

Boom! Boom! Boom!

The sound of collisions and explosions echoed like rolling thunder, resounding continually, spreading for miles!

All kinds of light and energy intertwined, constantly washing out with overwhelming destructive power!

Mountains shattered into fragments, forests crumbled into debris, rivers surged with towering waves!

The earth continued to tear and collapse, terrifying to the extreme!

Night had fallen, and the stars and moon high above seemed to be shaken from the sky!

At this moment.

The Golden Crow Divine Furnace, floating high above in the distance, remained silent as it gazed at the two battlefields afar.

Its body lightly trembled, seeming to have made a firm decision.

After hundreds of rounds of fierce battle!

Rumble!

Another earth-shattering explosion sounded!

"Ugh..."

Yang Luo let out a miserable howl, thrown backward violently!

The Immortal Suppression Pagoda was also blown away, reverting to its original form, shrinking to the size of a palm with its glow further dimmed.

Although Yang Luo and the Immortal Suppression Pagoda had both achieved breakthroughs, they still found it difficult to resist the seven from Fen Juehai.

Moreover, due to past lessons, they were extremely cautious, not allowing anyone to be isolated.

"For the final strike, eliminate this little brat!"

Fen Juehai roared, channeling the energy within him to the limit, then waved his sleeve!

Whoosh!

A massive beam of golden-red flame swept out, resembling a long river of fire, aiming to annihilate Yang Luo!

Fen Xiaoyuan and the other six also simultaneously channeled the energy within them to the limit, delivering a destructive blow!

Whoosh! Whoosh! Whoosh!

Six more rivers of golden-red flame roared out, reaching the pinnacle of killing power, destruction, and devastation!

Seven rivers of flame swept across the sky, tearing the Void into dense fine cracks!

But, at this critical moment!

"Ah!!!"

The Golden Crow Divine Furnace let out a roar, its body expanding and burning with blazing fire, charging towards this side!

In an instant!

Rumble!

Bang!

An earth-shattering collision and explosion echoed!

A vast tide of flames exploded in the sky immediately!

But in the next moment!

The surging tide of flames was swiftly absorbed completely by the Golden Crow Divine Furnace!

Seeing the Golden Crow Divine Furnace suspended in front of Yang Luo, blocking their offensive!

The faces of the seven from Fen Juehai turned extremely grim!

"Golden Crow Divine Furnace, are you sure you want to betray the Golden Crow Sacred Land?"

"You must know what consequences this will bring!"

"Once the Holy Master knows of this, you will surely be torn to pieces!"

"Now, this is your last chance. Return to us, help us kill this little brat, and we may overlook past issues!"

The eyes of Fen Juehai and the others were vicious and threatening.

The Golden Crow Divine Furnace fixed its gaze upon the seven from Fen Juehai, speaking resolutely, "You have always treated me merely as an object!

When you need me, you use me; when you don't, you seek to destroy me!

But this young one dares to act bravely and fearlessly!

Even though I have fought against him before, he still considers me a friend!

Such a person is worthy of the lifelong allegiance of the Golden Crow Divine Furnace!"

During this period, though it had always been within the storage ring, it had kept observing Yang Luo.

Yang Luo's strength and character had long since won its heart.

And today's events only strengthened its resolve to follow this young one.

"Hahaha..."

The Immortal Suppression Pagoda laughed heartily, "You broken furnace, you've finally made up your mind!

Following Brother Yang will be your wisest decision!"

The Golden Crow Divine Furnace snorted softly and said, "You stupid Pagoda, you're too weak to protect Brother Yang!

Stay aside, and if you're destroyed, don't blame me for not warning you!"

"Damn it, are you looking down on me?!"

The Immortal Suppression Pagoda couldn't take it anymore, enlarging its body again, "There's no way I'll sit aside and watch!"

"Alright, alright, a wise man submits to circumstances!"

"Broken furnace, since you're being sensible, we won't beat you anymore in the future!"

"Of course, the premise is that you behave and don't betray this young one!"

The Sunset Divine Bow and Sun-shooting Divine Arrow chimed in.

The Golden Crow Divine Furnace declared loudly, "Choosing to follow this young one is a decision I've made after careful consideration!"

If I betray this young one in the future, I won't need you to act; I will self-destruct!"

Yang Luo smiled faintly and said, "Golden Crow Divine Furnace, since you want to follow me, we are now brothers!"

I will lead you to see the wonders of the world and fight alongside me!"

"Alright!"

The Golden Crow Divine Furnace responded loudly.

"Brother Yang is truly impressive, not only able to conquer people but also Dharma artifacts!"

"Brother Yang's art of persuasion is increasingly formidable!"

"With the help of Golden Crow Divine Furnace, Brother Yang has gained another trump card!"

Bujie, Ning Jianfeng, and Yun Longxiang all exclaimed.

Fen Juehai said violently, "The Golden Crow Divine Furnace has made up its mind to betray us, show no mercy, and completely destroy it!"

Also, that little brat must be chopped into pieces!

Together, destroy them!"

With that, Fen Juehai wielded his long sword, charging furiously!

Fen Xiaoyuan and the other six also charged in rage!

"Golden Crow Divine Furnace, Immortal Suppression Pagoda, battle!"

Yang Luo shouted, charging towards the fight!

The Golden Crow Divine Furnace and Immortal Suppression Pagoda also charged into battle together!

An earth-shattering battle erupted once again!

However, thanks to the assistance of the Golden Crow Divine Furnace, Yang Luo's threat was greatly reduced!

After all, whenever the seven from Fen Juehai used the Absolute Skills of the Golden Crow Clan, they would be countered by the Golden Crow Divine Furnace!

The flames they unleashed would be devoured by the Golden Crow Divine Furnace, returning fire upon the seven from Fen Juehai, inflicting extensive burns!

After several more rounds of fierce fighting!

Rumble!

Yang Luo, Golden Crow Divine Furnace, and Immortal Suppression Pagoda, along with the seven from Fen Juehai, were simultaneously blasted away!

It was at the moment of being blasted!

A thought moved in Yang Luo's heart!

It's now!

Immediately, he channeled the energy within him to the limit and let out a series of cries!

"Dragon Rebel Sword Formation!"

"Nine Revolutions Thunder Annihilation Formation!"

"Primordial Dragon Prison Array!"

"Three Thousand Star Domain Formation!"

"Primordial Sacred Dragon Formation!"

In an instant!

Five-layered Array simultaneously gathered, trapping the seven from Fen Juehai inside!

The Golden Crow Divine Furnace also roared!

"Golden Crow Burning World Array!"

In the blink of an eye!

Massive beams of golden-red flame shot up high around the seven from Fen Juehai!

Immediately!

Formation patterns intertwined, runes flickered, forming a giant Flame Array, once again trapping the seven from Fen Juehai!

Yang Luo was suddenly astonished, asking, "Golden Crow Divine Furnace, you also know 'Golden Crow Burning World Array'?"

### **Chapter 2889: Chapter 2889: Soul Hunt Across Ten Thousand Miles!**

"Of course!"

The Golden Crow Divine Furnace replied and continued, "I've stayed in the Golden Crow Sacred Land for so long, not only do I know the 'Golden Crow Burning World Array,' but I also know other cultivation techniques of the Golden Crow Clan!

If you want to learn, I can teach you!"

Upon hearing this.

The Immortal Suppression Pagoda laughed heartily, "Brother Yang, you've really gained a great deal by subduing this broken furnace!"

Yang Luo was momentarily stunned, clearly not expecting such a pleasant surprise from subduing the Golden Crow Divine Furnace.

Since the Golden Crow Clan has developed until today, standing strong, it is enough to prove the deep foundation of this race.

Moreover, one must admit, some cultivation techniques created by this race are indeed powerful.

If I can learn them, I will certainly have more trump cards.

Of course, the most important thing is that I can also know the advantages and weaknesses of these cultivation techniques created by the Golden Crow Clan.

When facing people from the Golden Crow Clan in the future, I will be more confident in defeating them.

The Golden Crow Divine Furnace retorted irritably, "You stupid tower, if you dare to call me a broken furnace again, believe me, I'll destroy you!"

"You wouldn't dare!"

The Immortal Suppression Pagoda shouted, "If you dare to bully me, I'll have Brother Gong and Brother Arrow beat you up!"

"You..."

The Golden Crow Divine Furnace was so enraged that its body trembled.

Yang Luo hurriedly said, "Alright, you two stop arguing, let's quickly leave this place!"

"Don't even think about leaving!"

"Hurry up and break the formation!"

"Damn it, this traitor Golden Crow Divine Furnace actually trapped us using the 'Golden Crow Burning World Array,' it's hateful!"

Fen Juehai and his seven companions roared and launched a fierce attack on the six array formations!

"Formation, activate!!"

Yang Luo and the Golden Crow Divine Furnace simultaneously activated the formation!

All six array formations activated simultaneously, launching a Destroying Heaven and Earth offensive towards Fen Juehai and his seven companions!

It was precisely when Yang Luo and the Golden Crow Divine Furnace trapped Fen Juehai and his seven companions!

Yun Longxiang and Bujie, among others, also found an opportunity and set up heavy formations, trapping Fen Li and others!

"Brothers, let's go!"

Yang Luo waved his big hand, leading Yun Longxiang and everyone swiftly to withdraw, speeding away into the distance!

To quickly leave this place, Yang Luo and the others all utilized Rapid!

In merely a few breaths!

Yang Luo and the others disappeared into the sky above!

Just ten minutes after Yang Luo and the others had left!

Rumble!

Rumble!

The heavy formations that trapped Fen Juehai and his seven companions, as well as those trapping Fen Li and others, completely shattered and exploded!

Everything within several miles radius was blasted to ashes!

Even though they broke through the formation, Fen Juehai and his seven companions, along with Fen Li and his companions, were injured by the explosion, their bodies covered with wounds, and blood flowed endlessly!

Moreover, the more than three thousand disciples they brought were all dead without a single one remaining!

Fen Li angrily shouted, "Damn, those little bastards managed to escape!"

Fen Chen also roared angrily, "Not only did we fail to kill them, but we suffered severe losses, it's incredibly hateful!"

"They want to escape? There's no way!"

With a cold glint in his eyes, Fen Juehai closed his eyes and directly used the secret technique of the Golden Crow Clan, the "Ten Thousand Miles Soul Searching Technique!"

In less than a few minutes!

Fen Juehai suddenly opened his eyes, looking towards the North, coldly saying, "They escaped in that direction!"

"What are we waiting for, let's hurry and chase them!"

"We must catch up to them and slay them!"

Fen Xiaoyuan and the others roared aloud.

"Pursue!"

Fen Juehai waved his big hand, taking Fen Xiaoyuan and the others, swiftly chasing after Yang Luo and the others.

At this time.

Several thousand miles away.

Yang Luo and the others transformed into streaks of light, flying towards the distance.

“Brother Yang, where are we heading now?”

Bujie asked.

“Those guys definitely won’t let us go!”

“Once they break the formation, they’ll surely catch up!”

Yun Longxiang and the others gritted their teeth and spoke.

Yang Luo said, “Stick to the original plan, go to the Reincarnation Sacred Land!

Once we reach the Reincarnation Sacred Land, those guys won’t be able to stir up trouble!”

“Alright, then let’s go to the Reincarnation Sacred Land!”

Bujie and the others nodded in agreement.

Then, Yang Luo and his group continued to accelerate, flying towards the Reincarnation Sacred Land.

Moreover, to shake off Fen Juehai and the others, Yang Luo and his group intentionally altered their route.

After flying several thousand more miles.

Suddenly!

A series of fierce voices came from behind.

“You bunch of little bastards, stop right there!”

“You can’t escape, just wait for your death obediently!”

Yang Luo and the others turned their heads, seeing Fen Juehai and eleven others closing in, getting closer and closer.

“Damn it!”

Bujie was taken aback, "What's going on, we've escaped so far, how did they catch up?!"

Ning Jianfeng was also surprised, "How can these guys find us so accurately?!"

The Golden Crow Divine Furnace said solemnly, "The Golden Crow Clan has a secret technique called the 'Ten Thousand Miles Soul Searching Technique,' which greatly enhances the senses of elders.

Many elders in the Golden Crow Sacred Land have cultivated this secret technique.

They likely caught up using this technique."

Bujie said speechlessly, "Damn, doesn't that mean we can't shake them off?!"

Yang Luo glanced around and said, "We're not far from the Reincarnation Sacred Land!

Right now, the urgent task is to quickly head to the Reincarnation Sacred Land!"

"Okay!"

Yun Longxiang and the others nodded in agreement.

Then, Yang Luo and his party continued to accelerate, heading rapidly towards the direction of the Reincarnation Sacred Land.

Fen Juehai and the eleven others accelerated, pursuing them.

However, because Yang Luo and his party were heavily injured, their speed couldn't be increased to the maximum.

Thus, Fen Juehai and the others were closing in on Yang Luo and his companions.

The Golden Crow Divine Furnace shook and said, "Watch me!"

Saying this, it vibrated its body fiercely!

Boom!

Even more terrifying Golden Crow Divine Fire erupted, transforming into a vast Fire Sea, surging towards Fen Juehai and the others!

The fiery red Fire Sea was incredibly fierce, burning everything in its path, the Cloud Sea was scorched, everything below was turned to ashes!

Even several small rivers and lakes had their water evaporated!

“My turn!”

The Immortal Suppression Pagoda also trembled its body fiercely!

Swoosh swoosh swoosh!

Nine enormous violet-gold beams shot out from the nine levels of the tower, like nine immortal rivers, washing upwards!

The Ten Thousand Dragon Cauldron and other Dharma artifacts vibrated violently, unleashing waves of offensives, attacking upwards!

Yun Longxiang, Bujie, and others also launched waves of offensives, aggressively attacking upwards!

Fen Juehai and the eleven others hurriedly retaliated, fending off the attacks of Yun Longxiang and the others!

Yang Luo seized the chance to put away the Dragon Emperor Sword, then raised both hands, quickly tracing a few profound trajectories in the sky!

A huge golden “Dao” character reformed behind him!

A golden Tai Chi Diagram suddenly formed, various energies flowing in, the Holy Dragon, Four Great Divine Beasts, and Four Great Fierce Beasts integrated into it!

“Destroy!”

Accompanied by a loud roar!

Yang Luo pushed the golden Tai Chi Diagram outward!

The golden Tai Chi Diagram flew out, constantly expanding, like a golden sky, pressing down on Fen Juehai and the eleven others!

*Chapter 2890: Chapter 2890: Shoot to Kill!*

The golden Tai Chi Diagram descended heavily, crushing a large swath of Cloud Sea and distorting the Void, seemingly ready to crack at any moment!

Thus, after Yang Luo’s cultivation breakthrough, the power of the "Chaos Destruction Skill" became even greater!

"What cultivation technique is this, why is it so terrifying?!"

"I noticed before, the cultivation techniques and immortal techniques this little bastard uses are unheard of and unseen!"

"This little bastard is too wicked, we can't track his origins, he seems to have appeared out of thin air!"

"Even if this little bastard knows more cultivation techniques and immortal techniques, he will surely die!"

Fen Juehai and the others, although shocked, were not afraid and continued launching fierce attacks!

Boom boom boom!

Bang bang bang!

One after another, their attacks collided heavily against the golden Tai Chi Diagram, producing a deafening sound!

A myriad of energy and light intertwined in the sky, transforming into gigantic waves, surging in all directions!

Of course, while executing this move!

Yang Luo also once again deployed the "Twelve Shaman Primal Heavenly Art", summoning twelve Ancestral Magi and merging them to summon Pangu Emperor!

Pangu Emperor stood towering in the sky, with the heavens above his head and mountains below his feet, continuously striking with three axes!

Suppress the mountains and rivers!

Transform Yin Yang!

Reverse Heaven and Earth!

Bang bang bang!

Another earth-shattering explosion resounded!

Fen Juehai and the eleven others were blasted away once again, blood splattering from their bodies!

Taking advantage of this opportunity, Yang Luo grabbed the Sunset Divine Bow with his left hand and the six Sun-shooting Divine Arrows with his right!

Immediately, he quickly nocked arrows to the bow and roared aloud!

"Broken Cloud Arrow, Sky Splitting Arrow, Red Spirit Arrow, Chasing Wind Arrow, Netherflame Arrow, Mixed Element Arrow, go!"

Swoosh swoosh swoosh!

The six Sun-shooting Divine Arrows transformed into six beams of golden light, like six streaks of lightning cutting through the sky, tearing the firmament, all shooting explosively towards Fen Juehai and the eleven others!

"Watch out!"

Fen Juehai immediately reacted, shouting in alarm, retreating quickly!

The six elders including Fen Zhen Nan, as well as branch master Fen Li and Fen Chen both reacted, swiftly withdrawing!

But Fen Xiao and Fen Yuan were a half step slow, not retreating quickly!

It was that half step that cost them their lives!

Instantly!

Bam bam bam!

The Broken Cloud Arrow, Sky Splitting Arrow, and Red Spirit Arrow pierced through Fen Xiao's forehead, chest, and abdomen!

The Chasing Wind Arrow, Netherflame Arrow, and Mixed Element Arrow pierced through Fen Yuan's forehead, chest, and abdomen!

Bloody flowers sprayed out, dyeing the night sky red!

Fen Xiao and Fen Yuan stared blankly at the Sun-shooting Divine Arrows in their bodies, their eyes filled with endless terror and despair!

You know, a month ago, when Elder Tian Gu issued them the task, he warned them to be careful of Yang Luo's Sunset Divine Bow and Sun-shooting Divine Arrows.

After all, the Sunset Divine Bow and Sun-shooting Divine Arrows are particularly effective against their Golden Crow Clan.

Indeed, they've been on guard against Yang Luo's Sunset Divine Bow and Sun-shooting Divine Arrows.

Unexpectedly, they'd still been shot by the arrows.

"Ahhh..."

Fen Xiao and Fen Yuan let out extremely tragic screams, spitting blood crazily, their bodies cracking.

In less than a minute!

Boom, boom!

Fen Xiao and Fen Yuan's physical bodies and Essence Souls completely shattered and exploded in the sky!

The six Sun-shooting Divine Arrows, after killing Fen Xiao, quickly turned into three streams of light and flew away!

"Fen Xiao!"

"Fen Yuan!"

Fen Juehai and the other nine shouted mournfully, rushing forward.

However, Fen Xiao and Fen Yuan's Essence Souls had already turned to ashes, making revival impossible.

Moreover, when they looked up, Yang Luo and his party had already disappeared without a trace.

"Ahhh!"

Fen Juehai shouted angrily, "Even if you little bastards flee to the ends of the earth, we will take your lives!

Continue, chase!!!"

As such, Fen Juehai and the other nine once again unleashed the "Ten Thousand Miles Soul Searching Technique", determined Yang Luo and his party's position, and pursued them.

...

At the same time.

Reincarnation Sacred Land.

As one of the four strongest sacred lands in Heavenly State.

Covering thousands of miles, it is abundant in spiritual energy, filled with immortal light, and brimming with benevolent auspices.

It's already night.

The night is as dark as ink, the entire Reincarnation Sacred Land peaceful and serene.

Many disciples guard the foot of the mountains, halfway up the mountain, and at the mountain peaks.

Many disciples meditate and cultivate in front of the pavilions.

Back mountain area.

Five figures are sitting cross-legged, cultivating in five valleys.

These five are the King of Creation, Sacred Prison King, Emperor of the Dead, Ice Empress, and Divine Light and Darkness.

The locations where the five are sitting are marked with a High-level Gathering Spirit Array, continuously absorbing Heaven and Earth's spiritual energy.

Spiritual energy from Heaven and Earth surged in from all directions, persistently flowing into the bodies of the five.

Their bodies flashed with dazzling and brilliant light, incomparably mysterious.

Ever since separating from Yang Luo and the others last time, they've been diligently cultivating.

After all, their talent and comprehension are slightly inferior to Yang Luo and the others, they naturally have to work harder.

At the peaks of the five mountains beside these five valleys, five immortal wind Dao body figures are sitting cross-legged.

These five are the five elders of Reincarnation Sacred Land: Xu Tingshen, Jiang Lanyue, Cao Yunhan, Cheng Qianfan, Fang Yizhou.

Xu Tingshen and the others are serving as guardians for the King of Creation and the others.

At this moment.

Rumble rumble!

The five valleys suddenly shook, causing the surrounding mountains to tremble as well!

Xu Tingshen and the others were startled awake, rising and looking towards the King of Creation and the others in the valleys!

Jiang Lanyue stroked his beard and smiled, saying, "Looks like these five little fellows are finally about to break through!"

Cao Yunhan smiled and said, "Ever since our last meeting with Little Friend Yang, these five little fellows have been increasingly diligent, essentially devoting their time to cultivation."

Cheng Qianfan said, "These five little fellows must have been inspired by Little Friend Yang, that's why they're working so hard."

Fang Yizhou sighed and said, "It's a pity that Little Friend Yang is unwilling to join our Reincarnation Sacred Land.

If he did, our Reincarnation Sacred Land would truly have successors."

"Yes, it's really a shame."

Xu Tingshen also shook his head and sighed.

While they were speaking.

Rumble rumble!

The vibrations of the five valleys intensified, causing hundreds of surrounding mountains to tremble!

"What's happening?!"

"Is Brother Ming going to break through again?!"

"Good heavens, if he breaks through again, he might reach the Golden Immortal Middle Stage!"

"Brother Ming's talent is truly frighteningly high, it has only been half a year and they've already crossed the Golden Immortal threshold!"

The disciples of Reincarnation Sacred Land were also stirred, all looking toward the back mountain.

At this moment!

Boom boom!

Five beams of light shot skyward from the King of Creation and the others, piercing into the clouds!

The clouds in the sky dispersed completely, revealing a blanket of stars!

Xu Tingshen smiled calmly and said, "Well well well, these five little fellows have officially stepped into the Golden Immortal Middle Stage!"

After a while.

The five beams of light gradually dissipated.

The King of Creation and the others opened their eyes, their gaze gleaming brightly.
