Chapter 301: The Mastermind Behind The Scene!

“Brother Jin, you’re here!”

Grondor smiled before turning to look at Yang Luo.

When he saw Yang Luo, Grondor was stunned for a moment and said in surprise, “Brother Jin, did this little brother really cure me?”

Jin Yumin said, “With so many witnesses, could it be fake?”

Donbamu, Gesang, Kloss, and the others nodded repeatedly.

They had witnessed Yang Luo treating Grondor with their own eyes just now, so they naturally would not lie.

Grondor got off the bed and strode towards Yang Luo.

He bowed deeply and said gratefully, “Thank you, Divine Doctor, for saving my life!”

Seeing that Grondor could walk, Donbamu, Gesang, and the others were stunned.

This was because Grondor had been bedridden for the past few days. He could not even sit up, let alone walk.

But now, Grondor had just been cured and could already get out of bed and walk. This shocked everyone present.

Yang Luo raised his hand and helped Grondor up. He smiled and said, “Since you’re Mr. Jin’s friend, you’re also my friend. There’s no need to thank me.”

Grondor was filled with admiration and respect when he heard that.

He turned to Donbamu, Gesang, and the others and said, “What are you waiting for? Hurry up and thank this Divine Doctor!”

“Thank you, Divine Doctor!”

Donbamu, Gesang, and the others bowed and thanked him sincerely.

At this moment, they only had endless respect for Yang Luo.

Donbamu said, “Mr. Yang, give me an account number. I’ll get someone to transfer the remuneration to your account!”

Yang Luo said, “Forget about the remuneration. I’m here to ask Mr. Grondor for a favor.”

Grondor chuckled and said, “Mr. Yang, you’re my savior. I have to give you this reward. As for your favor, I’ll definitely help you as well!”

Jin Yumin also smiled and said, “Mr. Yang, you don’t have to be polite with him. He’s the Stone King for Country Noodle, so he’s definitely very rich.”

Grondor nodded and said, "Brother Jin is right. You don't have to stand on ceremony with me."

Yang Luo nodded helplessly and said, "Alright then."

Then, he reported an account to Donbamu.

Donbamu immediately called someone to transfer 500 million USD to Yang Luo.

Meanwhile, Che Zaixian looked at Yang Luo, green with envy.

Grondor looked at Che Zaixian and Kloss again and said, "Donbamu, it's not easy for these two doctors to come all the way here. You should pay them some compensation as well."

"Yes!"

Donbamu nodded. He immediately got someone to transfer five million USD to both Che Zaixian and Kloss.

"Thank you, Mr. Grondor!"

Kloss thanked him, before looking at Yang Luo, "Mr. Yang, you've really broadened my horizons today.

"If you have time to come to Country Stars & Stripes in the future, please contact me. I'll treat you well."

As he spoke, Kloss handed Yang Luo a business card.

Yang Luo took the business card and nodded, "Alright, I'll definitely go to Country Stars & Stripes if I have the chance."

After that, Kloss left with his team.

Che Zaixian stared coldly at Yang Luo and said, "Brat, you will be participating in the ninth Medical Dao Competition organized by China, right?"

"Yes, I will."

Yang Luo nodded in reply.

Che Zaixian said, "When the time comes, our Oriental Medicine Sect will let you see what true medical skills are and what a true Divine Doctor is!"

Yang Luo narrowed his eyes and smiled, "Alright, I'll wait and see."

Che Zaixian snorted and left with the disciples of the Oriental Medicine Sect.

After Che Zaixian, Kloss, and the others left...

Grondor got the others to leave, leaving only Yang Luo, Jin Yumin, Donbamu, and Gesang.

After closing the door, he looked at Yang Luo and asked, "Mr. Yang, I heard that not only was I poisoned this time, but I was also cursed?"

Yang Luo nodded and said, "That's right."

He asked again, "Mr. Yang, may I ask what poison I was inflicted with?"

Yang Luo said, “Mr. Grondor, I’m guessing that you’re poisoned by the Five Grains Poison.

“This poison is a chronic type. It mainly inflicts poison through the grains we eat every day.”

Grondor looked puzzled, “But the food I eat every day is specially made by a chef. Moreover, I’ll send someone to test every dish. How can I be poisoned?”

Jin Yumin and the others also looked at Yang Luo in confusion.

Yang Luo said, “Actually, the food we consume everyday contains a trace amount of natural poison.

It’s just that some foods have less toxins. Even if they are absorbed into the body, they will quickly disintegrate and not cause any harm to us.

However, if the food you eat every day contains some toxins that can’t be disintegrated by your body quick enough...

This way, the poison will accumulate over time and gather together. Once it erupts, it will be highly toxic and will kill.”

“I see.”

After hearing Yang Luo’s explanation, Grondor finally understood what was going on.

He asked again, “Mr. Yang, you just said that not only was I poisoned, but I was also cursed. What’s going on?”

Yang Luo said, “Mr. Grondor, in my opinion, the person who poisoned and cursed you should be the same.

This poison and this curse complemented each other and was supposed to quietly take your life.

“At that time, even a forensic doctor won’t be able to find anything.”

“D*mn it!”

Grondor’s expression was cold as he clenched his fists tightly and said angrily, “Who exactly wants to harm me!”

Jin Yumin said in a deep voice, “Brother, you have to find the mastermind as soon as possible.

This time, with Mr. Yang around, you managed to hold onto your life.

If that person harms you again, it will be dangerous.”

“Of course!”

Grondor nodded and said to Donbamu and Gesang, “The two of you, investigate immediately. No matter what method you use, you must find out who the mastermind is!”

“Yes!”

Donbamu and Gesang nodded and left in a hurry.

“Old Kang, help me to investigate too.”

Jin Yumin also instructed Kang Haifeng.

“Yes!”

Kang Haifeng nodded and left in a hurry.

After Donbamu and the other two left, Yang Luo pondered and said, “Mr. Grondor, do you think it’s possible that the people around you want to harm you?”

“Someone close to me?”

Grondor frowned slightly and shook his head, “That shouldn’t be possible. The people around me are loyal to me. They won’t harm me.”

Yang Luo said, “This is just a guess of mine. Don’t take it to heart.”

“It’s fine.”

Grondor waved his hand and asked, “Mr. Yang, didn’t you say that you wanted me to help you just now?”

No matter what it is, just tell me. I’ll definitely help.”

Yang Luo put his left hand into his pocket and secretly took out the spirit stone from his storage ring. He then handed it to Grondor and said, “Mr. Grondor, I heard from Mr. Jin that you gave this jade to him.”

Grondor took the spirit stone and looked at it carefully, “That’s right. I did give this jade to Brother Jin.”

Yang Luo asked, “May I ask where you mined this jade?”

“This jade was mined from one of my mines.”

Grondor asked curiously, “Is there a problem?”

Chapter 302: Monster in Getault Mountain!

Yang Luo said excitedly, “Mr. Grondor, this kind of jade is very useful to me.

“How many more of these jade stones do you have now? I want them all. You can name a price.”

Grondor said helplessly, “Mr. Yang, you saved my life. If I still have this jade, I can give you as much as I want.

But the key was that I didn’t have such jade on hand now.

“Furthermore, I’ve sealed off Getault Mountain, which can mine such jade.”

Yang Luo looked puzzled, “Why did you seal the mountain? Did something happen?”

A look of fear appeared on Grondor's face, "A few months ago, when my miners went to the Getault Mountain to mine raw stones, they were attacked by monsters.

Dozens of miners had went in, but only a few survived.

It was precisely because of this that I sealed Getault Mountain.

However, I was initially still unwilling to give up. After all, there are a lot of jade resources in Getault Mountain. I didn't want to give up just like that.

Therefore, during this period of time, I invited many experts into Getault Mountain to subdue that monster, but they all failed.

"Just a few days ago, I hired another batch of experts to subdue the monster, but there's still no news until now. I'm afraid they're doomed."

Jin Yumin exclaimed, "Oh my god, Brother, why didn't I know that there were monsters on Getault Mountain?"

Grondor replied, "I've sealed the news, so only a few people know."

Yang Luo asked, "Mr. Grondor, are you sure there are monsters in Getault Mountain?"

"Quite sure!"

Grondor nodded heavily and said, "Everyone who came out alive said that they saw a monster.

"However, I'm not sure what monster it is now."

Yang Luo naturally did not doubt Grondor's words.

Since there were spirit stones in Getault Mountain, it would probably attract some mutated beasts.

Perhaps there were demon beasts in Getault Mountain.

If those monsters really existed, he would be able to obtain the demon beast's inner core and step into the Shedding Mortality Stage in one go.

Thinking of this, Yang Luo said, "Mr. Grondor, come to Getault Mountain with me. I'll help you subdue that monster."

"All?"

Grondor looked at Yang Luo in surprise, "Mr. Yang, the mutated beasts in Getault Mountain are too ferocious. If you go in, you'll die!

"Once the monsters in the mountains are subdued, I'll get someone to send this jade to you when I mine it!"

Jin Yumin also advised, "That's right, Mr. Yang, let's not take the risk."

Yang Luo shook his head and said, "I urgently need this jade now. I don't have time to wait.

Therefore, please bring me there, Mr. Grondor.

I guarantee that I can help you subdue that monster. Even if I can't, I can still survive and escape."

“This...!”

Grondor sighed and said, “Alright, I’ll bring you there tomorrow morning.”

Yang Luo nodded and said, “Alright, tomorrow then.”

Grondor smiled and said, “Mr. Yang, since it’s already late in the afternoon, just stay here for dinner.

After dinner, Brother Jin and I will take you out for a walk.”

“Alright.”

Yang Luo nodded in agreement.

After dinner, the sky had already darkened.

Yang Luo, Grondor, and Jin Yumin got into an extended Rolls-Royce and left the manor.

In order to protect Grondor, several black Mercedes-Benz cars followed behind.

After driving away from the manor, Yang Luo and the other two arrived at the center of the inner city.

After driving for less than ten minutes, the car stopped at the entrance of a clubhouse in the city center.

This clubhouse was called “Heaven Clubhouse”. It occupied a large area and was luxuriously decorated. There were a total of nine floors.

The people who entered and left the clubhouse were all well-dressed and had outstanding temperaments. They were either rich or noble.

The attendants in the clubhouse were all beautiful women and handsome men.

After getting out of the car, Yang Luo and the others walked into the clubhouse.

Jin Yumin said to Yang Luo, “Mr. Yang, this clubhouse has many leisure and entertainment projects.

The first, second, and third floors are solely restaurants. The fourth, fifth, and sixth floors can be used for accommodation, baths, and saunas. The seventh, eighth, and ninth floors are the raw stones exhibition area. You can trade for stones there.

Other than the nine floors above, the first basement holds a bar, and the second basement floor is the underground arena.

In short, there’s everything you can find to keep yourself entertained.”

Yang Luo sighed, “No wonder this place is called Paradise Clubhouse. This is indeed paradise.”

Jin Yumin laughed and said, “That’s right, this is indeed paradise. It makes one forget about returning to reality.”

Yang Luo asked, “Then what floor are we going to now?”

“To the eighth floor, of course.”

Grondor took over the conversation and said with a smile, "If you don't go to the raw stone exhibition area in Country Noodle to take a look, you'll have come for nothing."

Soon, Yang Luo and the others took the elevator to the eighth floor.

After walking out of the elevator and passing through a long corridor, they arrived at the lobby.

There were many raw gemstones displayed in the hall, and many people had gathered.

Most people were choosing and cutting raw stones. Exclamations rose and fell, and it was very lively.

Grondor said, "Mr. Yang, if you have a stone you fancy, you can choose it and cut at this event location.

The money for buying the raw stones can be put on my account. If there's jade, it's all yours."

"Let me take a look first."

Yang Luo nodded and followed Grondor and Jin Yumin around.

However, after walking around, Yang Luo did not pick a single raw stone.

Grondor asked, "Mr. Yang, is there anything you like?"

Yang Luo shrugged and said, "These raw stones are too ordinary. There's no need to buy them."

Grondor asked curiously, "Do you know a lot about raw stones?"

"Brother, you don't know about this, right?"

"Mr. Yang is simply a god. Back then, he chose a total of 36 raw stones and obtained 12 top-grade jade stones and 24 high-grade jade stones..."

Jin Yumin told Grondor about Yang Luo choosing raw stones at his factory not long ago.

After hearing Jin Yumin's words, Grondor was stunned.

He asked in surprise, "Mr. Yang, do you have X-ray vision?"

Yang Luo shook his head with a smile and said, "That's not it. I'm just more sensitive to jade."

At this moment.

"Yo, Brother Grondor, you're here too!"

Suddenly, a snide voice sounded.

Yang Luo and the others turned around and saw a group of people walking over.

At the front was a middle-aged man with dark skin and a fat figure. He wore several gemstone inlaid rings on his hand and a jade Guanyin the size of a pigeon egg on his chest. He was dressed like a nouveau riche.

Behind this middle-aged man was a one-eyed old man and a group of bodyguards.

Jin Yumin whispered to Yang Luo, "This guy's name is Zachary. He's also a jade tycoon in the country. He owns seven jade mines.

His influence in Country Noodle is only slightly weaker than Grondor's.

This Zachary has always wanted to become the country's Stone King, so he has always been fighting with Brother Grondor openly and secretly."

"Oh..."

Yang Luo nodded in reply.

Grondor looked at Zachary and frowned, "You're really persistent. I can see you everywhere."

"That proves that we're fated!"

Zachary laughed and said, "Brother, weren't you bedridden? How did you recover so quickly?

I was planning to visit you in a few days!"

Chapter 303: Going All Out?

Grondor said coldly, "Zachary, you're still so kind as to visit me?

I'm afraid you can't wait for me to die."

Zachary waved his hand, "Hey, Brother, you can't say that.

We might be competing, but we're still friends."

Grondor spat, "I don't treat you as my friend."

However, Zachary still remained smiling, "Brother, you don't treat me as a friend, but I've always treated you as a friend!"

Grondor said, "Alright, don't say such hypocritical words.

What exactly do you want?"

Zachary narrowed his eyes and smiled, "Brother, it's so lively here today. Why don't we play a little?"

Grondor frowned and asked, "How so?"

Zachary said loudly, "Let's each choose a raw stone in the hall on the third floor and cut it in front of everyone!

Let's see who gets the better jade to determine the winner!"

Grondor sneered and said, "You want to gamble stones with me?"

"That's right."

Zachary nodded.

Grondor asked in a deep voice, "What do you want to bet?"

“A jade mine!”

Zachary replied in a loud voice, then said, “If you win, I’ll give you a jade mine! “Otherwise, you have to give me a jade mine!”

As soon as these words were spoken...

The crowd went into an uproar.

“Oh my god, he’s betting on a jade mine. Is he playing at such high stakes?”

“As expected of an existence comparable to the Stone King. He’s so bold!” “Now, let’s see if the Stone King dares to agree!”

Everyone present surrounded him and discussed.

Zachary looked at Grondor provocatively, “Brother, do you dare to play?”

Jin Yumin whispered, “Brother, this guy came prepared. Don’t agree to it.”

Grondor said, “If I don’t agree, the Country Noodle jade industry will think that I’m afraid of him.

This guy has always wanted to move me. I won’t let him have his way.”

Jin Yumin advised, “Don’t act on impulse!”

“I’m not acting on impulse. It represents my dignity!”

Grondor replied, then met Zachary’s gaze and said loudly, “Since you’re so interested, I’ll play with you!”

“Good, as expected of the Stone King. You’re indeed bold!”

Zachary laughed and took a contract from a bodyguard. “I’ve already prepared the jade mine transfer contract!

Regardless of whether we win or lose later, we just need to sign and fingerprint it to take effect!”

Jin Yumin’s expression changed, “This guy really came prepared!”

Grondor said in a steely voice, “Even if he came prepared, I’m not afraid of him!”

A look of admiration appeared in Yang Luo’s eyes.

As expected of the Stone King of Country Noodle, he was indeed domineering.

Seeing that Grondor had agreed, the event location burst into chatter once again.

One had to know that they often gambled stones and often saw people gamble, but they had never seen anyone gamble so much!

How much was a jade mine worth!

Zachary pointed at the one-eyed old man beside him and said, “This old gentleman is a new appraiser I hired. He’s a famous appraiser, Chen Lifang. His nickname is ‘Ghost Eye King’.

“Old Master Chen will help me choose the raw stones tonight.”

Chen Lifang looked up at Grondor and said with a sinister smile, “Mr. Stone King, I’m very interested in this ‘Golden Eye King’ that follows you.

“Let him compete with me tonight. Let’s see who’s better at appraising.”

“Mr. Jin, who is this ‘Golden Eye King’?”

Yang Luo asked curiously.

Jin Yumin said, “The ‘Golden Eye King’ he mentioned is called Qi Zhuoyu. He’s the number one appraiser beside Brother Grondor and also the number one appraiser in Country Noodle.

In the past, Mr. Qi had opened three pieces of Imperial Jade Glass for Grondor in three days, and his name resounded throughout Country Noodle.

As long as it was a raw stone that Old Master Qi liked, it would definitely produce jade. There had never been a time when he was wrong.

It was precisely because of this that outsiders felt that Old Master Qi had X-ray vision, so they called him the Golden Eye King.

“I see.”

Yang Luo nodded in realization.

There were countless extraordinary people in this world, so naturally there were people who had X-ray vision.

Therefore, he did not find it strange at all.

Grondor said to Chen Lifang, “Old Master Qi has gone overseas to do something these few days. He can’t make it back now.

I’ll choose another appraiser to compete with you.”

Chen Lifang smiled sinisterly and said, “Mr. Stone King, if Old Master Qi doesn’t come personally, you will likely lose tonight.”

Jin Yumin whispered, “Brother, this old fellow is probably not simple. If he casually chooses an appraiser, he might really lose!”

Grondor frowned and said, “But the key is that Mr. Qi isn’t here now.”

Yang Luo said, “Mr. Grondor, let me compete with this old fellow!”

Jin Yumin’s eyes lit up and he said, “Yes, yes, yes. Brother, let Mr. Yang take action!

Mr. Yang’s appraisal ability is probably not inferior to Old Master Qi’s!

With Mr. Yang around, we will definitely win!”

“This...!”

Grondor was still a little hesitant.

Although he acknowledged Yang Luo’s medical skills, he only learned about Yang Luo’s appraisal ability from Jin Yumin. He had yet to witness him in action.

Yang Luo said, “Mr. Grondor, don’t worry.

I’ll definitely beat this old fellow.”

Grondor took a deep breath and said, “Mr. Yang, if you can defeat this old man,

I’ll transfer the jade mine I win to you!”

“Forget about the jade mine.”

Yang Luo shook his head and said, “As long as you bring me to Getault

Mountain tomorrow, that will be fine.”

Grondor said, “Mr. Yang, there’s no reason to take back what I said.

Moreover, I only need to maintain my reputation. I want to dampen Zachary’s spirit.”

“Alright then.”

Yang Luo nodded in agreement.

“Brother, have you thought about which appraiser will compete with Old Master Chen?”

Zachary lit a cigar and asked.

Yang Luo took a step forward and said loudly, “Let me go against this Old

Master Chen!”

“You?”

Zachary sized up Yang Luo and immediately burst out laughing. “You’re a kid who hasn’t even grown your hair fully, yet you claim to know how to appraise treasures?”

Yang Luo said indifferently, “Why? Does the appraisal industry also depend on age?”

Zachary looked at Grondor and said, “Brother, if you send this brat out, even if

I defeat you, there’s no pride in that.

If you really can’t choose anyone, I’ll lend you someone?”

“Hahaha...”

Everyone present burst into laughter.

Obviously, no one thought highly of Yang Luo.

After all, they knew all the top appraisers in Country Noodle’s jade industry.

But they had never seen Yang Luo before.

Chen Lifang said coldly, “Kid, don’t cause trouble here. Move aside.

Even if I, Chen Lifang, defeat you, it won’t be glorious.”

Grondor also felt his face heat up, but he still braced himself and said, “This Mr. Yang is my friend. He has very powerful appraisal skills. He’s even better than Mr. Qi!

Therefore, I completely believe in Mr. Yang!”

“No way. How can this kid compare to Old Master Qi?”

“Do you believe it? Anyway, I don’t believe it.”

Everyone present discussed spiritedly, not believing in his words at all..

Chapter 304:I Won’t Let You Down!

Zachary’s smile became even brighter.

He shook his head and said, “Brother, since you want to lose so much, I’ll fulfill your wish.

I’ll thank you for giving me a jade mine first.”

Jin Yumin said unhappily, “Zachary, the results aren’t out yet. Don’t be smug too early, lest you get slapped in the face.”

Zachary sneered and said, “I’m looking forward to this kid slapping my face.”

Grondor said, “Alright, let’s cut the crap and start!

Who’s going to choose the raw stones first?”

“Brother, you’re the Stone King. Naturally, you have to give in to me.”

Zachary smiled slyly and said to Chen Lifang, “Old Mr. Chen, go and choose first.”

Although he was very confident in Chen Lifang, in order to ensure that nothing went wrong, he naturally wanted Chen Lifang to choose the raw stones first.

As long as he won this round, he would have eight jade mines and step on Grondor to become the new Stone King of Country Noodle.

“Yes!”

Chen Lifang responded and went to choose the raw stones.

Everyone present despised Zachary’s actions.

However, at the thought that Grondor and Zachary were betting on a jade mine, they could understand.

As long as he could win, it was worth it no matter what methods he used.

Grondor didn’t say anything else and could only place his hopes on Yang Luo.

If he really lost, he could only admit defeat.

At this moment, when Chen Lifang was choosing the raw stones, Yang Luo specially observed them.

He realized that this old fellow’s remaining eye was indeed a little extraordinary. His eyes were suffused with a faint red light.

Perhaps this old fellow's single eye really had the ability to see through things.

Not long after...

Chen Lifang walked around the seventh floor but did not pick any raw gemstones.

Soon, he went upstairs to choose.

Time continued to flow.

After more than half an hour, Chen Lifang came down.

Behind him were two clubhouse staff carrying a stone the size of a millstone.

"He's coming down, he's coming down. Old Master Chen has already finished choosing!"

"Tsk ts, just by looking at the surface of this raw stone, it's very extraordinary!"

"Perhaps the raw stone Old Master Chen chose can produce top-grade jade!"

Everyone present discussed in shock.

Yang Luo activated his Heavenly Eye and glanced at the raw stone Chen Lifang had chosen. He sensed it and was immediately shocked.

Good lord, the spiritual qi fluctuation in this raw stone was very strong. He would definitely be able to obtain top-grade jade!

"Brother, this old man is very extraordinary!"

Jin Yumin said to Grondor.

Grondor also frowned and turned to look at Yang Luo, "Mr. Yang, are you really confident?"

Yang Luo gave Grondor an affirmative look and said, "Don't worry, I'll definitely help you win!"

Grondor laughed loudly and said, "Alright, Mr. Yang, go ahead and choose!"

Even if you really lose, I won't blame you!

Compared to your life-saving grace, a jade mine is nothing!"

Yang Luo smiled faintly. "I won't disappoint you."

At this moment, Chen Lifang walked over with the two staff members and placed the raw stone in front of Zachary.

Chen Lifang placed his hands behind his back and said, "Mr. Zachary, I'm 100% sure that this raw stone is the best of the 529 raw stones on this three-story building!"

Zachary laughed, "Since Old Mr. Chen says so, I'm relieved!"

Chen Lifang turned to look at Yang Luo with disdain in his eyes, "Kid, it's your turn to choose now!"

Yang Luo didn't say anything else and started strolling around the seventh floor.

However, what puzzled everyone was that Yang Luo shopped very quickly. He only took a glance at each raw stone.

In less than a few minutes, Yang Luo went upstairs.

“Does this kid know how to pick raw stones? Does he just need to take a look at each stone?”

“Sigh, it's really not a wise decision for Mr. Stone King to send such a silly kid to pick raw stones.”

Everyone whispered, obviously looking down on Yang Luo.

Grondor sighed and remained silent.

In just ten minutes, Yang Luo arrived at the third floor.

He held a raw stone the size of a basketball in his hand and frowned slightly.

It was really as Chen Lifang had said. The raw stone that the old man had chosen was the best among all the raw stones.

The raw stone in his hand was the best among the remaining raw stones, but it was much inferior to that old man's raw stone.

If he carried this raw stone down, he would definitely lose.

Thinking of this, Yang Luo chose a few more stones containing high-grade jade and absorbed all the jade spiritual energy inside before injecting it into the stone in his hand.

After doing all this, Yang Luo went downstairs.

When they saw Yang Luo coming down with a raw stone the size of a basketball, everyone present looked over.

“Look, this kid has also chosen!”

“Looks like this kid is quite capable. Although the raw stone he chose can't compare to the raw stone Old Master Chen chose, it's not bad!”

“Even if it's not bad, he'll definitely lose!”

Everyone felt that Yang Luo indeed had a very strong appraisal ability, but he would still lose this round.

“Mr. Grondor, I've chosen!”

Yang Luo walked over.

“Mr. Yang, you're indeed not an ordinary person. Not only do you know medicine, but you also know jade.”

Grondor praised and sighed, "However, in terms of the quality of the raw stones, it's obvious that the old man chose the better ones."

Jin Yumin said helplessly, "Mr. Yang, I'm afraid we're going to lose this round."

Yang Luo smiled confidently and said, "Don't jump to conclusions until the end."

Grondor thought that Yang Luo was comforting him.

He didn't say anything else. Instead, he looked at Zachary and asked, "Who's going to open it first?"

"Well go first!"

Zachary glanced at everyone present and said, "Everyone, please watch carefully. Watch how I win against the Stone King!"

Then, two staff members moved the raw stones chosen by Chen Lifang to the Understanding Stone Machine.

The stonecutter asked Chen Lifang, "Old Master Chen, how do we cut this?"

Chen Lifang pointed at one of the parts of the raw stone and said, "Cut it directly!"

"Alright."

The stonecutter nodded, then began to cut the stone.

The others present surrounded him.

Soon, the stone cutter cut off a part of the stone.

"It's green! There's green!"

"It's Imperial Jade Glass, and it's even the glass-type Imperial Jade Glass!"

"Oh my god, Old Master Chen is too amazing. The raw stone he chose actually produced glass-type Imperial Jade Glass!"

Exclamations rose and fell.

Chen Lifang, on the other hand, had a calm expression.

The stonecutter's hands trembled as he asked, "Old Master Chen, how do we continue to cut next?"

Chen Lifang picked up a pen and drew six lines on the raw stone, "Cut them directly in the six places I drew and polish the stone!"

"Yes, yes, yes!"

The stonecutter nodded repeatedly. Then, he cut the raw stone six times according to Chen Lifang's request and began to rub the stone.

After a while.

A complete glass-type Imperial Jade Glass appeared in front of everyone!

The jade was rich in color and crystal clear.. Although there were some impurities, it could be considered a top-grade jade!

Chapter 305: Winning a Jade Mine!

The entire venue immediately erupted.

“It’s indeed a glass-type Imperial Jade Glass, and it’s a high-grade one.

Moreover, it’s the size of two adults’ fists. This Old Master Chen is too amazing!”

“I’m afraid that after tonight, Old Master Chen’s name will resound throughout Country Noodle’s jade industry!”

“I don’t think there’s a need to compete. That kid will definitely lose!”

Exclamations and exclamations resounded continuously.

Seeing this, Grondor could not help but clench his fists.

He was almost certain that he would lose to Zachary tonight.

To someone at his level, losing a jade mine was nothing.

The crucial point was that he would lose face.

In the future, outsiders would think that Zachary was stronger than him and that Zachary was the true Stone King of this country.

Even Jin Yumin became nervous.

He swallowed and asked, “Mr. Yang, can we really win?”

Yang Luo said calmly, “If I say 1 can, 1 definitely can.”

At this moment, Zachary smiled brightly. He looked at Grondor and said sarcastically, “Brother, it’s your turn next.

Why don’t you just admit defeat so that you won’t embarrass yourself later?” “Admit defeat?”

Grondor’s expression darkened as he said in a loud voice, “There’s no such thing as ‘admit defeat’ in my dictionary!”

“Well said!”

Yang Luo nodded and said loudly, “Mr. Zachary, it’s still unknown who will win until the end!”

“Is that so?”

Zachary sneered, “Kid, then let everyone see what kind of jade you can get!”

Yang Luo did not say anything else. Instead, he placed the raw stone in his hand on the stone machine and said, “There’s no need to cut it. Just polish it!” As soon as he finished speaking.

The crowd went into an uproar.

“Wipe it directly? Does this kid think that the raw stones he chose are filled with green?”

Someone asked in surprise.

“Nothing is certain. Perhaps this kid can really get a fully green rock!”

Someone teased.

The stonecutter did not ask further. Instead, he began to polish the stones according to Yang Luo’s request.

After more than ten minutes...

The stonecutter grinded out an opening.

A dark green color appeared in front of everyone.

“Oh my god, it actually is the glass-type Imperial Jade Glass too?”

A cry of surprise sounded from the crowd.

The others present were also dumbfounded and very shocked.

Grondor and Jin Yumin were shocked.

Jin Yumin said excitedly, “There’s hope, there’s hope of winning!”

Grondor also suppressed the excitement in his heart and looked forward to a miracle.

Zachary narrowed his eyes and said, “Looks like this kid has some ability.”

Although Chen Lifang was surprised, his expression did not change much. He said indifferently, “Even if this kid has also obtained a glass-type Imperial Jade Glass, the quality and head he obtained will definitely not be comparable to mine.”

Zachary nodded, feeling that what he said made sense.

In the following time, the stonecutter continued to carefully scrape the stone.

Half an hour later.

A basketball-sized glass-type Imperial Jade Glass appeared in front of everyone!

The color was full and crystal clear. There were almost no impurities!

It was several times better than the Imperial Jade Glass Chen Lifang chose!

The entire place fell silent!

A few seconds later...

The crowd exploded!

“Full green, it really is a rock filled with green!”

“Not only is it full of green, but it’s also top-grade glass-type Imperial Jade Glass!”

“This is the first time someone in Country Noodle’s jade industry has been able to obtain such a huge piece of top-grade glass-type Imperial Jade Glass. It’s a miracle!”

Exclamations resounded throughout the hall.

Everyone looked at Yang Luo as if they were looking at a god.

Jin Yumin was so excited that his face turned red, “Mr. Yang, you’re too awesome. I, Jin Yumin, am completely convinced!”

Grondor also looked at Yang Luo in admiration, “Mr. Yang, in terms of appraisal ability, even Mr. Qi is inferior to you!”

“How could this be?! How is this possible?!”

Chen Lifang looked at Yang Luo in shock as if he had gone crazy, “How could 1 have misjudged?!”

“Among all the raw gemstones present, I’m sure 1 chose the best one. How can you choose something even better?!”

Yang Luo narrowed his eyes and said with a smile, “Everyone makes mistakes sometimes, let alone a one-eyed person like you. It’s even more likely that you made a mistake.”

“You...”

Chen Lifang was so angry that his entire body was trembling. He almost vomited blood at the insult.

Zachary’s expression darkened as he looked at Yang Luo with a cold gaze.

He did not expect to be slapped in the face!

Not only was he slapped in the face, but he also had to lose a jade mine!

Grondor looked at Zachary and said with a smile, “Zachary, looks like 1 won this round. Can we sign the jade mine transfer contract now?”

Zachary gritted his teeth, not saying a word.

Yang Luo shouted, “Hey, stop glaring. There are so many people watching. Are you trying to go back on your word?”

Zachary took a deep breath and pretended to be carefree, “I’m also considered a famous figure in Country Noodle. How can 1 go back on my word!

It’s just a jade mine. I’ll give it to you!”

As he spoke, Zachary threw the contract to Grondor.

Grondor took the contract and browsed through it. After confirming that there was no problem, he handed it to Yang Luo, “Mr. Yang, I just said that as long as you can win, I’ll transfer this jade mine to you!

“Mr. Yang, as long as you sign your name and press your thumbprint, the contract will take effect!”

Jin Yumin chuckled and said, “Mr. Yang, sign it. This is a jade mine!”

Yang Luo also knew that he couldn’t refuse, so he signed the contract and pressed his fingerprint.

He didn’t know whether to laugh or cry.

He had only come to Country Noodle to collect spirit stones, but he did not expect to win a jade mine for no reason.

Grondor was in a good mood at the moment, “Mr. Yang, let’s go somewhere else to play.”

“Alright.”

Yang Luo nodded in reply.

“Wait!”

Zachary suddenly called out to Grondor.

Grondor frowned and said, “Why? Do you really want to renege on your debts now?”

Zachary chuckled and said, “Brother, a loss is a loss. How can I not admit it?”

“However, I feel that it’s really not enjoyable for us to compete in just one round.

Why don’t we continue playing?”

Grondor asked in confusion, “You still want to gamble with me?”

“Of course not.”

Zachary shook his head and said, “The basement second floor of the clubhouse is the underground arena. Why don’t we go there to play?”

Grondor said, “Tell me, how do you want to play?”

Zachary said, “Brother, you and I have raised a group of boxers in this underground boxing arena.

Now, let us go to the underground arena and each choose three boxers to fight.

Regardless of life or death, as long as one’s boxer can still stand in the arena in the end, they will be considered the winning party. How about that?”

“So what do you want to bet?”

Grondor asked.

Zachary extended a finger, “Let’s bet on another jade mine!”

“D*mn, another jade mine?! Is Mr. Zachary crazy?!”

“I believe Mr. Zachary is unwilling to lose a jade mine just like that, so he wants to win it back!”

“But what if he loses again?”

“Then Mr. Zachary will be in great pain tonight!”

Everyone present started discussing again.. They did not expect there to be another show to watch tonight!

Chapter 306: Underground Fist Arena!

Zachary smiled sinisterly at Grondor and asked, “How is it, Brother? Do you dare to play?”

All of a sudden, everyone looked at Grondor.

Everyone knew that Zachary and Grondor were completely at loggerheads with each other tonight.

Grondor said calmly, “Since you dare to play, why wouldn’t I?”

“Alright!”

Zachary nodded and said, “Then let’s go to the underground arena now!”

With that, Zachary led his men towards the elevator.

Everyone present followed and prepared to continue watching the commotion.

Jin Yumin frowned and said, “Brother, are we really going to play?”

This Zachary clearly wants to win back the jade mine he lost.”

Grondor smiled and said, “I naturally know what Zachary is planning.

However, the boxers I raise are stronger than the boxers Zachary raises.

Since Zachary still wants to give me another jade mine, why won’t I accept it?”

Jin Yumin said, “I’m worried that Zachary will play tricks.”

Grondor said, “Punching is a competition of real strength. Even if Zachary wants to play tricks, there’s nothing he can do.”

Yang Luo said, “Mr. Grondor, why don’t you include me in the list of three people?”

Grondor shook his head and said, “Mr. Yang, this underground boxing is very dangerous. If you’re not careful, you’ll die.

Therefore, Mr. Yang, it’s better if you don’t get involved.”

Jin Yumin also said, “That’s right, Mr. Yang. I know you’re quite skilled.

However, there were no rules to speak of in underground boxing.

“I think you should pass.”

Seeing that Grondor and Jin Yumin did not believe him, Yang Luo could not say anything else.

Then, Yang Luo and the others left the seventh floor and took the elevator to the second floor.

After passing through a long corridor, two steel doors greeted everyone.

A few burly men guarded the door.

Seeing Grondor arrive, a few burly men greeted him respectfully and pushed open the door.

The moment one stepped through the door!

A series of chaotic and noisy sounds immediately assaulted their faces!

“Beat him up! Beat him to death!”

“Mocas, I bet 10 million on you. You can’t lose!”

“Grete, if you win this round, I’ll accompany you for the night!”

“Mocas, kill Gretel for me. Kill him!”

Shouts, roars, and roars resounded in the underground arena.

The entire underground arena was overcrowded with men and women, old and young. All of them were raising their arms and shouting.

Moreover, most of the people who came here were either rich or noble.

During the day, these people were well-dressed. At night, when they arrived here, they removed their disguises and vented the darkness in their hearts.

Everyone seemed to have returned to their primal selves. They craved excitement, blood, and slaughter.

The entire underground arena occupied a huge area. In the middle was a huge arena, surrounded by layers of seats.

On the top floor were private rooms that overlooked the entire underground arena at a glance.

Those who could sit in the private room were naturally rich and powerful figures.

To be honest, Yang Luo had never seen such a scene before and was really shocked.

Perhaps this was also a part of the Dark World.

In the future, when he stepped into the Dark World, he would definitely see even more exaggerated, ridiculous, and unbelievable scenes.

Clearly, Grondor and Jin Yumin often came here, so they were very calm and were not surprised.

“Mr. Yang, this should be your first time coming to such an occasion, right?”

Grondor asked with a smile.

“It’s indeed my first time.”

Yang Luo nodded in reply.

Grondor spread his hands and said, “Mr. Yang, there are no restrictions here. You can do whatever you want.

I believe Mr. Yang will like this place too.”

Yang Luo nodded and did not say anything else.

Actually, he did not like this sort of venue very much.

“Brother, I thought you wouldn’t dare to come.”

At this moment, Zachary walked over with a cigar in his mouth and a group of people.

Grondor said, “Since I agreed to play with you, why wouldn’t I dare to come?”

“That’s good.”

Zachary nodded and got someone to call the person in charge of the underground arena.

A few moments passed.

A dark-faced man walked over. It was the person in charge of the underground arena, Gurman.

“Mr. Grondor, Mr. Zachary, good evening!”

Gurman greeted them both with a smile.

Zachary blew out a mouthful of smoke and said, “Gurman, I plan to compete with Brother Grondor tonight.

“We will each choose three boxers to compete on the stage. Whoever remains standing on the stage in the end will win.

The bet is a jade mine. Go and arrange it now.”

“What?!”

Gurman was shocked, “You want to compete with Mr. Grondor?!

Moreover, you’re betting on a jade mine?!

Are you sure you want to take such a risk?”

“Isn’t it just a jade mine? Isn’t it very risky?”

Zachary smiled disdainfully and waved his hand, “Alright, hurry up and make the arrangements.”

“Yes!”

Gurman nodded and quickly left.

After Gurman left, Zachary smiled teasingly at Grondor and said, “Brother, I hope your good luck can continue!”

With that, Zachary led his men to private room No. 3 on the highest floor.

Yang Luo, Grondor, and the others went to private room 10.

The private room was very spacious. With nothing blocking the view in front of them, one could see the entire arena.

After arriving at the private room, Grondor got someone to call all his boxers over.

“Good evening, Mr. Grondor!”

The 12 boxers walked into the private room and stood in a row, bowing to greet Grondor.

Jin Yumin whispered to Yang Luo, “These 12 boxers are the boxers Grondor raised. They’ve earned a lot of money for him in the past few years.”

Yang Luo nodded in realization and swept his gaze across the twelve boxers.

He realized that the strength of these boxers was very ordinary.

The strongest was an old Chinese man in a black cloth shirt. He was at the intermediate Grandmaster Realm.

However, it made sense. If these boxers were all top-notch experts, why would they earn money from underground boxing here?

Grondor glanced at the twelve of them and said, “I’m prepared to compete with Zachary tonight!

“Thomas, Titan, Wu Donglin, the three of you go!”

Three boxers walked out.

Thomas was a strong man, wearing a waistcoat and shorts, with white bandages at his elbows and knees.

The Titan had dark skin and was nearly two meters tall. It was tall and burly like a small mountain.

Wu Donglin was an old man in black cloth clothes. He was about 1.75 meters tall, thin, and had graying hair.

“Mr. Grondor, there’s no need to let Thomas and Titan go on stage. I can defeat Zachary’s three boxers alone.”

Wu Donglin stood with his hands behind his back and said indifferently.

Grondor said, “Mr. Wu, you’re the strongest boxer under me. I naturally don’t doubt your strength.

However, Zachary and I are betting on a jade mine this time, so we can’t be careless.”

After a pause, Grondor continued, “As long as you can help me win this round, everyone will be rewarded with 10 million USD!”

“Yes!”

Wu Donglin, Thomas, and Titan replied in unison.

Grondor raised his hand and said, “Go.”

Wu Donglin and the other two nodded and left the private room..

Chapter 307: Strengthening Potion!

At the same moment...

In private room number three opposite them.

There were ten boxers standing in front of Zachary.

He glanced at the ten boxers and said in a low voice, "Did you hear what I said just now?"

"Loud and clear!"

The ten boxers responded in unison.

"Very good!"

Zachary nodded and looked at three of the boxers, "Barrett, Austin, Nelson, you'll fight this match!"

"Yes!"

A huge white man and two huge black men took a step forward and responded with a loud voice.

These three huge men were more than 1.9 meters tall. Their muscles bulged like three iron towers.

These three huge men were the three strongest boxers under Zachary.

At this moment, Barrett frowned and said, "Mr. Zachary, Grondor will definitely send Wu Donglin, Titan, and Thomas out for this match.

"It will probably be difficult for the three of us to defeat the three of them alone."

Austin and Nelson both nodded.

After all, they had fought Wu Donglin, Thomas, and Titan several times over the years, but they had lost more than won.

That was why they were worried that they would not be able to defeat Wu Donglin and the other two.

Zachary narrowed his eyes and smiled, "Don't worry, I've already considered this point.

Therefore, I've prepared something good for you."

As he spoke, he got his subordinate to bring over a pin code briefcase.

After opening the password box, everyone saw three bottles of red potion the length of a thumb.

He took out the three bottles of red potions and handed them to Barrett and the other two. "These are the first-generation strengthening potions I bought from Country Stars & Stripes.

As long as you drink this potion, your speed, strength, sensitivity, and so on will instantly increase by ten times."

"Increase ten times?!"

"Is this true?! Isn't this too exaggerated?!"

"If it can really be strengthened by ten times, it won't be a problem for us to sweep through the entire underground arena!"

Barrett and the other two looked at the strengthening potion in their hands in a daze and exclaimed.

The other boxers were also shocked.

Zachary blew out a mouthful of smoke and said, “This potion has been tested many times. You don’t have to worry about its effects at all.

However, the effect of this strengthening potion only lasts for ten minutes.

After the medicine wears off, your bodies will become very weak and you will need to rest for a few days to recover.

“Therefore, the moment you feel that you’re no match for them, drink the potion immediately and end the battle as soon as possible.”

Austin laughed out loud and said, “Mr. Zachary, with the strengthening potion, it’s difficult for us not to win this competition.”

Zachary said coldly, “I hope that not only do you guys have to win this competition, but you also have to take this opportunity to kill the three of them!

Even if you cannot not kill them, you have to cripple them completely so that they can never step onto the arena again!

“As long as you can win this competition, I’ll reward each of you with five million USD!”

“Yes!”

Barrett and the other two responded with evil smiles.

Zachary waved his hand and said, “Alright, go and prepare!”

Barrett and the other two nodded and left the private room.

Zachary looked at Grondor in the private room opposite and sneered, “Grondor, not only do I want to win back my jade mine in this competition, but I also want to kill the strongest boxer under you and trample on your face!”

Not long after...

After the current competition in the arena ended, an emcee ran to the arena with a microphone.

The emcee said passionately, “Ladies and gentlemen, just now, I received exciting news!

The next match will be fought by the six boxers sent by Mr. Grondor and Mr. Zachary!

There were no rules in the competition. If one is killed on the stage, unable to stand for ten seconds, or is knocked off the stage, they will lose!

In the end, the final victory will go to whoever still has their boxers standing on stage!

Moreover, the bet between the two gentlemen is a jade mine. Whoever won will obtain a jade mine from the other party!

In short, the following competition will be a visual feast. Please scream and shout!”

Right after he finished his sentence!

The crowd went wild.

“Oh my god, Mr. Grondor and Mr. Zachary are actually playing such a big game tonight. They’re betting on a jade mine!”

“Haha, the following competition will definitely be very exciting!”

“Hurry up and start. I can’t wait anymore!”

“Bet, bet. i bet five million on Mr. Grondor winning!”

“I’ll bet three million on Mr. Zachary winning!”

Everyone present cheered and shouted. Many people even began to bet.

The emcee didn’t say anything else. Instead, he loudly announced, “The competition begins next. Will the boxers of the two sides come on stage!”

Soon, two boxers walked onto the arena. They were Titan and Barrett!

Titan was more than two meters tall, and Barrett was more than 1.9 meters tall. They were considered two heavyweight boxers!

“Go Titan, beat Barrett up!”

“Barrett, come on! Kill the Titan for me!”

“Titan, if you win this competition, I’ll reward you with a million dollars!”

“Barrett, if you win, I’ll reward you with three million!”

The people below the stage raised their arms and shouted excitedly.

DONG!

As the gong sounded, the competition officially began!

“Roar...”

Titan and Barrett let out a roar at the same time. They crashed into each other like two trucks!

The two of them rushed forward rapidly, and the entire arena trembled!

And in that instant!

Bam!

The two of them collided heavily, causing the entire arena to tremble even more violently!

The moment the match started, an explosive force erupted, directly igniting the atmosphere of the event location!

Screams, cheers, and shouts rose and fell!

Under this terrifying collision, Titan and Barrett were both knocked back at the same time!

But soon, the two of them stabilized themselves and rushed towards each other again. They kept punching and attacking each other!

Bang! Bang! Bang!

The sounds of collisions resounded non-stop like muffled thunder, making everyone's hearts skip a beat!

At this moment, in private room 10.

Jin Yumin asked Yang Luo, "Mr. Yang, who do you think will win this competition?"

Yang Luo looked at the battle situation in the arena and replied, "Although both sides are heavyweight players, there's still a difference in strength.

The Titan's strength and speed is stronger than Barret's.

"Therefore, if nothing goes wrong, Titan will naturally win."

Grondor said in surprise, "Mr. Yang, it seems that you really know how to fight."

Jin Yumin said, "Brother, I'm not bragging, but Mr. Yang's skills are really not bad.

Previously, I saw more than ten well-trained bodyguards being beaten down by Mr. Yang in a few moves."

Grondor said in admiration, "Mr. Yang, not only do you know medicine, know how to identify jade, and you're also quite skilled in fighting. You're an all-rounder!"

Yang Luo smiled and said, "I'm not all-rounded. I just learned a little more."

While Yang Luo and the other two were chatting...

With a loud bang, the Titan threw Barrett outwards!

Chapter 308: Hurry Up and Admit Defeat!

Barrett fell heavily to the edge of the arena. His body was covered in injuries, and he was in a sorry state.

Titan said in a rough voice, "Barrett, get lost. You're not my match!"

"Titan, the competition isn't over yet. It's still uncertain who will win!"

Barret roared and scrambled to his feet.

Then, he took out the strengthening potion from his pocket and drank it.

"What are you drinking?"

Titan asked in confusion.

"Do you want to know?"

Barrett smiled sinisterly, "Ask God in Heaven when you meet him!"

Before his voice could fade...

“Roar...”

Barrette raised his head and let out a roar. The veins on his body bulged, and his muscles swelled. His eyes were bloodshot.

Sensing Barrett’s sudden increase in aura, Titan was shocked. He felt that something was wrong!

The audience below the stage also felt that something was wrong, but they did not know what was going on.

Right at this moment!

“Kill!”

Barrett let out a roar and charged towards Titan like a wild beast!

“Fight!”

Titan also let out a roar and charged forward!

The next instant...

The two of them closed the distance and threw a punch at each other at the same time!

DONG!

The two fists collided and an explosion sounded!

Titan originally thought that this punch would be able to repel Barrett.

However, to his horror, Barrett’s strength seemed to have increased greatly compared to before, making him unable to resist!

“Ugh!”

The titan let out a muffled groan and was knocked back.

He felt his right arm was numb and hurting. It had almost been broken.

However, before Titan could stabilize his body, Barrett rushed over again and suddenly punched Titan’s face!

Thud!

This punch landed heavily on the Titan’s face!

Crack!

The Titan’s nose bridge was broken by a punch, and blood splattered!

“Alih!!”

Titan let out a miserable cry as his huge body was sent flying.

He fell ten meters away and landed at the edge of the arena.

“Hahaha, Titan, didn’t you say that I’m not your match? What about now?”

I’ll kill you tonight!”

Barrett smiled cruelly and shot forward, charging towards the Titan again.

As soon as the Titan got up, Barret lifted him up and smashed him down onto the arena floor.

“Pfft...”

Titan spat out a mouthful of blood. He felt as if all the bones in his body were about to fall apart.

At this moment, in private room 10.

“Mr. Grondor, something’s wrong. Hurry up and let Titan admit defeat!”

Yang Luo reminded loudly.

Grondor also realized that something was wrong. He stood up and shouted, “Titan, admit defeat!”

Hearing the boss’s order, although Titan was unwilling, he could only do as he was told.

He endured the pain and hissed, “I admit defeat!”

“Admit defeat?”

Barrett laughed sinisterly and said, “Who the f*ck let you admit defeat?

I’m not playing with you, I’m going to kill you!”

As he spoke, Barrett twisted his fist and smashed it towards Titan on the ground!

Terror finally appeared in the Titan’s eyes. He did not try to go against it but suddenly rolled to the side!

Bam!

Barrett’s punch directly smashed a hole in the arena!

Without waiting for Barrett to attack again, Titan shouted, “I admit defeat!”

Then, he jumped off the arena.

“D*mn it!”

Seeing Titan jump off the stage, Barrett could not help but curse.

After all, as long as he left the arena, he could not continue attacking.

“F*ck, Titan actually lost to Barrett. What kind of joke is this?!”

“Didn’t you notice that Barrett is clearly a little strange tonight? He’s more than twice as strong as before!”

“There’s indeed something wrong. The Barrett now is like a ferocious beast in the forest. It’s making people afraid!”

Everyone started discussing in shock.

Barrett roared, “Who’s next!”

“I’ll do it!”

Wu Donglin shouted and jumped onto the arena.

Barrett laughed viciously and said, “Mr. Wu, you’ve always been the strongest boxer in this underground arena. I’m very unhappy about it!

“Tonight, I’ll trample you under my feet and kill you!”

Wu Donglin sneered and said, “If you want to kill me, it depends on whether you have the ability!”

“Kill!”

Barrett let out a roar and charged towards Wu Donglin!

Wu Donglin’s figure flashed and he went up to fight!

The next instant...

Wu Donglin and Barrett approached each other and threw a punch at the same time!

DONG!

The two fists collided heavily, emitting a thunderous sound!

Under this violent collision, the two of them retreated at the same time!

Wu Donglin quickly stabilized his body.

He felt a numbness in his arm as he looked at Barrett in surprise. Frowning, he asked, “How did you increase your strength so much in such a short time? What did you do?”

“Why do you care what I did? As long as I can kill you, that’s fine!”

Barrett roared angrily and charged at Wu Donglin again!

“Hmph!”

Wu Donglin snorted coldly. With a flash, he faced Barrett head on!

The two of them quickly engaged in an intense battle!

In private room 10.

Jin Yumin asked in puzzlement, “What’s going on?

Mr. Wu is the strongest boxer under my brother, far stronger than Barrett!

But why does Barrett seem to have become a different person tonight? He can actually compete on par with Mr. Wu?”

Grondor nodded and said in a deep voice, “It’s indeed strange.”

Yang Luo said, “Didn’t you see? This Barrett seemed to have drunk something just now.

After drinking that thing, his strength suddenly soared.

“I’m certain that that thing can definitely raise a person’s combat strength in a short period of time.”

“Yes, yes, yes. I noticed it just now. This Barrett did drink something!”

Jin Yumin nodded repeatedly and continued, “Brother, Zachary has indeed come prepared!

If Zachary’s other two boxers also drank this, wouldn’t we lose this competition?”

Grondor’s expression turned cold.

He didn’t expect Zachary to be so despicable as to use such a method.

However, this was an underground fight. There was no rule that said that such methods could not be used.

Therefore, no matter how unhappy he was, there was nothing he could do.

Yang Luo looked at Grondor and said calmly, “Mr. Grondor, if Mr. Wu loses, let me participate in the next competition.

I will definitely help you win this competition.”

Grondor shook his head and said, “No, this is too dangerous!”

Jin Yumin also said, “That’s right. If you can’t even defeat Mr. Wu, it’s useless even if you go up!”

Therefore, he only knew that Yang Luo had some skills, but he did not know how strong Yang Luo was.

For the sake of safety, he did not want Yang Luo to go on stage.

But at this moment...

In the arena.

Barrett’s two hands grabbed Wu Donglin’s arms tightly and lifted him into the air!

“Get lost!”

Wu Donglin roared angrily and kept kicking Barrett’s chest, emitting loud bangs like drums!

Chapter 309: You’re Already a Dead Man!

However, Barrett seemed to not know pain and continued to hold Wu Donglin’s arm tightly. Moreover, he kept exerting strength in his hands, causing Wu Donglin to scream in pain!

Although Barrett was covered in bruises and wounds, it was as if he could not feel any pain.

He grinned hideously and said, “Old man, your death has arrived!”

As he spoke, he suddenly exerted strength in his hands, preparing to break Wu Donglin’s arms!

“Get lost!”

Wu Donglin shouted and the True Qi in his body erupted. He suddenly kicked Barrett's chin!

With a crisp crack, Barrett's chin was shattered by Wu Donglin's kick!

The terrifying recoil also sent Wu Donglin and Barrett flying from both directions at the same time!

After flying more than ten meters away, Wu Donglin flipped in the air. When he stabilized his body, he realized that he had already landed outside the arena! On the other hand, just as Barrett was about to fall out of the arena, he hurriedly stretched out his hands and grabbed the edge of the arena tightly!

Then, his hands suddenly exerted strength and grabbed the stones at the edge of the arena. His body flipped back into the arena!

At this moment, Barrett's jaw was dislocated, and blood was flowing from his mouth and nose. His body was covered in injuries, and blood was flowing non-stop, causing the audience present to be terrified!

“Roar...”

Barrett threw back his head and let out a roar.

He pounded his chest with both hands and laughed proudly, “Wu Donglin, you're only so-so! Who's next!”

Hearing Barrett's arrogant and domineering words, the entire audience exploded again!

“Oh my god, is Barrett going to defy the heavens today? He actually knocked the top boxer, Mr. Wu, out of the arena?!”

“There's only one person left on Mr. Grondor's side. I'm afraid Mr. Grondor is going to lose this competition!”

“This isn't as simple as losing a match. I'm afraid from now on, Mr. Zachary will have the final say in this underground arena. Mr. Grondor's era is about to end!”

All the audience were exclaiming in excitement.

Especially the people who had bet on Zachary winning, they were dancing excitedly.

Wu Donglin stared fixedly at Barrett in the arena, wanting to go on stage and beat him up.

Unfortunately, he had already been knocked out of the arena and could not go on stage again.

He felt too aggrieved!

In private room number three.

“Good, good job!”

Zachary shouted excitedly.

He looked at Grondor, who was in private room 10, and stuck out his pinky.

In private room 10.

Grondor could no longer remain calm. He slammed the table and gritted his teeth, “How did this happen?!”

Mr. Wu was actually knocked off the stage by Barrett?!

“What did Barrett drink? How did he suddenly become so powerful?!”

Jin Yumin said with a bitter expression, “Brother, even Mr. Wu lost. Even if Thomas goes on stage next, he won’t be able to win.

There are still two others on Zachary’s side...”

At this moment, in the arena.

Barrett realized that the medicine only had three minutes of efficacy left, so he got anxious.

He planned to defeat the three boxers by himself and obtain all the bonuses. Hence, he shouted at private room 10, “Mr. Grondor, what’s wrong? Do you not dare to send anyone on stage?

“If you don’t dare, quickly admit defeat!”

Grondor’s face darkened, but he didn’t know what to do.

Just as Thomas was about to go on stage!

“I’ll do it!”

Yang Luo shouted and stood up. He rushed forward and stomped on the ground!

And in that instant!

Like a divine dragon from the nine heavens, Yang Luo leaped out of the private room and drew a high parabola in the air. Then, with a bang, he landed steadily on the arena!

In an instant...

The entire underground boxing arena fell silent.

Everyone looked at Yang Luo in a daze.

A minute later.

The crowd went into an uproar.

“F*ck, who is this kid? He actually jumped from the private room to the arena?!”

“The private room that Grondor is in is more than 30 meters tall and 100 meters away from the arena. This kid jumped over from such a high place as if nothing had happened?!”

“Is this kid also a boxer under Mr. Grondor? Why haven’t I seen him before?” The audience started discussing. They were very unfamiliar

with Yang Luo. Initially, Grondor did not want Yang Luo to go on stage, but after seeing this scene, he was really shocked.

He looked at Jin Yumin and said, "Brother Jin, is Mr. Yang really an expert?"

Jin Yumin shook his head and said, "I'm not too sure either. I think so."

At this moment, Thomas turned to look at Grondor in the private room, clearly puzzled.

Grondor just nodded at him, signaling that he gave permission.

Thomas understood and left the arena.

Once again, Grondor was prepared to place his hopes on Yang Luo.

At the same moment...

In the arena.

Barrett stared at Yang Luo and sneered, "Where did you come from? How dare you fight me? Do you have a death wish?"

Although Yang Luo's performance just now surprised him, this only proved that this Chinese kid in front of him had good movement techniques, but it did not mean that he was very strong.

Yang Luo stood with his hands behind his back and looked at Barrett. He said indifferently, "From the moment I went on stage, you were already a dead man."

"Barrett, you son of a bitch, kill this Chinese kid for me!"

At this moment, Zachary, who was in private room number three, roared.

Just now, Yang Luo had won a jade mine for Grondor. He had long hated Yang Luo.

Now that he saw Yang Luo go on stage, he felt that his chance to kill Yang Luo had come.

"Don't worry, Boss. This kid won't live!"

Barrett replied loudly. Then, he swung his legs and rushed towards Yang Luo like a small mountain!

Compared to Barrett who was more than 1.9 meters tall, Yang Luo who was only about 1.8 meters tall, gave people the feeling that Barrett was hitting a child.

And the moment they got close...

Barrett twisted his claypot-sized fist and punched Yang Luo's face!

"Oh my god, this kid's head is probably going to explode!"

Someone exclaimed.

The others had the same thought.

However, not only were they not afraid, but they also looked at the arena excitedly.

The next second!

DONG!

Accompanied by a dull collision sound!

The entire arena shook!

Everyone looked up and immediately saw an extremely unbelievable scene!

Yang Luo stood quietly on the spot with his left hand behind his back. He had only raised his right hand and blocked Barrett's heavy punch!

Whoosh!

“He blocked it? This kid actually blocked it?!”

Someone stood up excitedly.

Not far from the arena, Wu Donglin, Titan, and Thomas' pupils constricted, their eyes filled with shock!

This thin and short kid had actually easily blocked Barrett's fist. It was really shocking!

Barrett, who was in the ring, sneered and said, “Kid, no wonder you dare to come on stage. You're quite capable!

“However, I want to see how you can block the next one!”

Chapter 310: Three Punches!

Right as he finished his sentence...

Barrett clenched his fists and punched Yang Luo crazily. His punches were like a storm, wanting to turn Yang Luo into a meat patty!

However, no matter how Barrett punched, Yang Luo still easily blocked every punch!

Dong, dong, dong!

The sound of the collision resounded continuously, shocking everyone's hearts!

After more than a hundred punches, Barrett panted heavily!

He felt that the effect of the medicine was less than a minute away to finishing!

However, he still could not kill this kid in front of him!

More importantly, he had thrown more than a hundred punches in a row, but he could not repel this kid by half a step!

This made him shocked, angry, and anxious!

Yang Luo said indifferently, “It seems that even if you drink some kind of potion to strengthen your strength, your strength is limited to this.

Alright, I won't play with you anymore.”

As he spoke, Yang Luo's right hand turned into a fist and punched Barrett's chest!

This punch was simple and direct. It looked ordinary, but it contained an explosive power that could destroy everything!

Barrette's expression changed drastically. He wanted to counterattack and dodge, but it was too late!

And in that instant!

Thud!

Yang Luo's punch landed heavily on Barrett's chest!

"ARGH!"

Barrett let out a miserable scream. His huge body was sent flying more than 20 meters away like a cannonball, and he fell heavily outside the arena!

He lay on the ground with his chest completely collapsed and blood gushed out of his mouth. Soon, he stopped breathing.

The entire arena fell into a dead silence!

A few minutes later, the entire place blew up!

"He killed Barrett with one punch! This kid killed Barrett with one punch!"

"Oh my god, this can't be real, right? Who is this kid? He's too strong!"

"Handsome, good job. I'll accompany you tonight!"

The audience was extremely excited, cheering and shouting excitedly.

Many women even winked at Yang Luo.

In private room 10.

"Alright!"

Jin Yumin waved his fist fiercely.

Grondor was also extremely excited and gulped down a whole glass of wine in one go.

Meanwhile, in private room number three.

"Bastard, damn bastard!"

Zachary was so angry that his chest heaved up and down. He smashed the glass of wine in his hand on the ground.

He shouted at Austin and Nelson, who were at the other side of the arena, "You two dogs, don't hold back. Kill this kid!"

"If anyone can kill him, I'll reward them with 50 million!"

"Yes, boss!"

Austin and Nielsen responded with a resounding cry.

On the arena.

Yang Luo still stood in the middle of the arena with his hands behind his back.

He raised his eyes to Austin and Nelson and asked indifferently, "Next, who's up?"

"Kid, let me spar with you!"

Austin shouted coldly and took out the medicine to drink it. Then, he crushed the medicine bottle and jumped into the arena.

As the medicinal effects spread, Austin's eyes turned bloodshot, and his aura soared. The veins on his body bulged, and his muscles expanded!

In order to have the best chance to kill Yang Luo, he did not hold back and directly drank the strengthening potion!

Yang Luo smiled teasingly, "Oh, you decided to take the drug immediately?" "Kill!"

Austin ignored his provocation, letting out a roar as he charged at Yang Luo like an upright brown bear!

Dang, dang, dang!

Every step he took cracked the arena flooring. It was terrifying!

At the moment he approached!

Austin twisted his fist and punched Yang Luo's head!

However, just as Austin threw a punch, Yang Luo's figure suddenly disappeared!

His punch missed, while the air around his fist exploded with a sonic boom!

Just as Austin was in a daze!

"Die!"

A loud shout came from the sky!

Austin and everyone present looked up at the sky at the same time!

At some point in time, Yang Luo had actually leaped into the sky and was flying down towards Austin in the arena!

"Dream on!"

Austin roared angrily and twisted his fist. He mobilized all his strength to meet the attack!

In an instant!

DONG!

Yang Luo's punch that descended from the sky collided heavily with Austin's punch, erupting with a thunderous explosion!

Austin had thought that he could withstand Yang Luo's punch!

However, the moment the fists collided, he knew his mistake!

Crack! Crack!

Accompanied by crisp shattering sounds!

From his fist to his wrist and then his arm, his entire right arm was shattered by this punch and was badly mangled!

After shattering Austin's right arm, this punch landed heavily on the top of his head!

“All...!”

Austin let out a final scream and his head immediately cracked apart. Blood spewed from his mouth, and his huge body fell straight to the ground.

The moment he fell to the ground, Austin stopped breathing completely.

Yang Luo landed steadily on the arena and kicked Austin off the arena.

“Next!”

The entire arena fell silent again, leaving only Yang Luo's domineering voice echoing in the arena.

In less than a few seconds...

The entire venue cheered!

“Good, good job!”

“The first punch killed Barrett, and the second punch killed Austin. This kid is simply unbelievably strong!”

“Where did Mr. Grondor find this monster?!”

The audience stared intently at Yang Luo and cheered, their eyes filled with reverence and admiration.

In private room 10.

Grondor and Jin Yumin stood up excitedly, their faces red and their bodies trembling.

Jin Yumin said excitedly, “I didn't expect Mr. Yang to be so strong. We're definitely going to win this competition!”

“Yes!”

Grondor nodded heavily, his eyes shining.

Meanwhile, in private room number three.

“How could this be... How could this be... Why couldn't Barrett and Austin kill this kid even after drinking the strengthening potion?!”

Zachary was about to go crazy from anger.

His subordinates stood at the side, trembling, but they did not dare to say anything else.

At the same moment...

Yang Luo stood in the arena and looked at Nelson, “Why? You don't dare to come on stage?”

“If you don’t dare, admit defeat. This might save your life.”

“Kid, don’t be too smug. I’ll definitely kill you!”

Nielsen roared angrily. After drinking the strengthening potion, he ran towards the arena!

The moment he approached the arena!

He stomped on the ground and prepared to jump onto the arena!

“You’re too weak. It’s better not to go on stage. You’re not qualified.”

Yang Luo said indifferently. Then, his figure flashed and he arrived at the edge of the arena. He threw a punch at Nelson!

“You...”

Nielsen’s pupils constricted, stunned.

What was this kid trying to do?

Could it be that he was not even going to be given a chance to go on stage?

By the time he came back to his senses, Yang Luo’s punch had already reached him!

He did not dare to hesitate and raised his arms in the air to block!

The next instant...

DONG!

Yang Luo’s punch landed heavily on his arms!

Crack!

This punch was too terrifying. It directly broke his arms and landed heavily on his chest!

“Alih!!”

Nielsen let out an extremely miserable scream. His huge body was sent flying more than 50 meters away like a sandbag. With a bang, he hit a wall in the arena!

By the time he fell to the ground, his body was already twisted and deformed, completely dead.

Three punches!

In just three punches, Yang Luo killed Barrett, Austin, and Nelson!
