

Super IDG 551

Chapter 551: Battle of the Strong!

He sensed that the pressure and aura that erupted from Yang Luo had actually suppressed him!

A hint of surprise appeared in Evil Butcher's eyes!

However, he was not afraid at all. Instead, his eyes revealed dense battle intent!

“Fight!”

Evil Butcher let out a roar and charged towards Yang Luo like a truck!

Clang, clang, clang!

Evil Butcher's strength was terrifying to the extreme. Every step he took could crush a large number of stone slabs!

Furthermore, not only was Evil Butcher huge, his speed wasn't slow either!

“Fight!”

Yang Luo also let out a roar and transformed into a golden figure that charged forward!

And in that instant!

Yang Luo and Evil Butcher closed the distance punching out at the same time!

A huge golden fist and a huge platinum fist streaked across the sky, crushing the air and emitting crackling sounds!

DONG!

When the two fists collided, it was like a thunderclap had exploded on the ground!

True Qi and energy spread out from his fist like a landslide or a tsunami. It was extremely terrifying!

Rumble rumble rumble!

Boom! Boom! Boom!

The streets trembled, houses shook, and huge waves surged in the river. Ships were also shaken into the sky!

The people in the surrounding shops were stunned. They ran out of the shop and hurriedly evacuated!

The people on the street in the distance also looked over in a daze, their bodies trembling uncontrollably!

“Oh my god, what's going on? Are they filming a movie?!”

“It doesn’t look like a movie. All of this doesn’t look like special effects from a movie!”

“Since it’s not a movie, is it for real?!”

“Oh my god, these two are simply inhuman!”

The people on the street looked over. They were afraid and curious, and they discussed non-stop.

The next second!

Rumble!

The ground beneath their feet continued to shatter and collapse!

The huge waves that rushed into the sky burst into water droplets one after another!

The walls of the surrounding houses also cracked one after another and teetered on the verge of collapse!

Under this terrifying collision...

Yang Luo and Evil Butcher retreated at the same time!

Evil Butcher retreated more than ten meters before stabilizing his body!

Yang Luo retreated seven to eight meters before stabilizing his body!

Although it was just a probing strike from both parties...

However, Yang Luo also sensed Evil Butcher’s strength!

Evil Butcher’s strength was probably about the same as his Third Senior Sister’s!

“Hahaha...”

Evil Butcher’s eyes were filled with excitement as he said loudly, “As expected of a man who can defeat the Jade-Faced Killing God. His strength is indeed strong enough!

Come on, let’s continue!”

“Alright!”

Yang Luo replied loudly.

Right as he finished his sentence...

Yang Luo and Evil Butcher’s bodies flashed as they charged at each other again!

But this time!

The two of them were even faster, and the pressure and aura that erupted from their bodies were even more violent!

And in the next instant...

DONG!

The two of them threw a second punch and collided heavily with each other!

The second punch from the two of them was at least ten times stronger than the first punch!

After throwing out the second punch!

Neither of them retreated. Instead, they threw a third punch!

DONG!

The power of the third punch had increased by at least 30 times from the initial!

It was even more terrifying, ferocious, and frightening!

Rumble!

The surrounding houses and small buildings could no longer withstand it and completely collapsed, turning into ruins!

Rocks flew and dust rolled, sweeping in all directions!

The huge waves in the river also surged and exploded!

After the third punch!

Yang Luo retreated ten meters and stabilized his body.

On the other hand, Evil Butcher retreated more than twenty meters before he could stabilize his body!

Although he felt pain and numbness in his arm, Evil Butcher got even more excited. The hot blood in his body also boiled!

“Great, great, great!”

Evil Butcher laughed wildly and said in a booming voice, “Mr. Yang, stop probing. Let’s get serious!”

“I really want to know how strong you are!”

Yang Luo nodded and said, “In that case, let’s fight for real!”

“No problem!”

Evil Butcher nodded in agreement.

Before his voice could fade...

Rumble rumble rumble!

Evil Butcher’s body and eyes flickered with an even more dazzling platinum light!

Waves of even more ferocious energy spewed out of his body, filled with endless destructive power, killing strength, and annihilative energy!

Tang!

Yang Luo also suddenly stomped down, causing a portion of the ground to collapse. An even more violent True Qi also erupted from his body!

His body and eyes also flickered with an even more dazzling golden light. His pressure was peerless and incomparably domineering!

Of course, although Yang Luo was serious, he did not use his full strength!

After all, Evil Butcher was quite to his liking!

He was straightforward and domineering. It was worth befriending him!

Therefore, he only wanted to spar with him and had never thought of killing Evil Butcher!

“Continue, fight!”

Evil Butcher let out a thunderous roar and charged towards Yang Luo!

“Fight!”

Yang Luo also let out an explosive roar. In a flash, he turned into a stream of light and charged forward!

The moment they got close!

Evil Butcher first threw a punch!

Yang Luo punched forward and blocked it with a bang!

Immediately after, Evil Butcher raised his right leg and swept it towards Yang Luo’s chest like a platinum battle axe!

Without any hesitation, Yang Luo raised his right leg and swept it out like a golden hammer!

Tang!

Their legs collided, and the sound of an explosion resounded in the night sky!

Xu Ying and Bujie’s blood boiled when they saw this scene!

In the next ten minutes.

The two of them started an even more terrifying battle on the streets!

Moreover, the two of them became faster and fiercer as they fought!

Dong, dong, dong!

Boom! Boom! Boom!

Thunderous sounds of collisions and explosions rose and fell!

More than a dozen houses around them had been destroyed!

The people on the distant street were already scared silly. All of them were dumbfounded as they looked at the battlefield as if they were looking at a monster wrecking havoc!

Even Xu Ying, Bujie, and Prajna were shocked!

Bujie clicked his tongue and said, “Is this Evil Butcher’s strength?”

“He’s indeed powerful. If I were to fight him, I definitely wouldn’t be his match.”

Xu Ying also stated, "I can fight with him for more than ten rounds, but I will definitely lose in the end."

Prajna gulped and said, "Evil Butcher is an existence comparable to Sister Ziyun. He's also the Hall Master of the God Slaying Temple and a King of Assassins!

"If he's not strong enough, he can't control a top-notch assassin organization at all!"

Alinda said in a daze, "What are you guys talking about? Why do I feel like I don't understand?"

Prajna smiled and said, "Sister Alinda, let me explain to you..."

At this moment.

Xu Ying and the others were not the only ones who were shocked.

The assassins of the God Slaying Temple in the dark were also silently paying attention to this battle.

These assassins could tell that their Master had already gone all out, but he was still unable to defeat this Chinese kid.

Furthermore, they could even vaguely sense that their Temple Master was gradually losing!

This was really unbelievable!

Chapter 552: God Slaying Temple's Invitation!

As expected of the existence that had climbed from Class C to Class S at the fastest speed in the history of the Dark World!

He was indeed powerful and terrifying!

All the assassins in the dark had this thought.

Right at this moment...

Boom!

Accompanied by the sound of thunder exploding!

"Ugh!"

Evil Butcher was sent flying towards the Rhine River!

However, as he was sent flying, he flipped a few times in the air and landed steadily on the river!

On the other hand, Yang Luo leaped up and sprinted on the waves towards Evil Butcher!

Seeing Yang Luo charging over!

Without any hesitation, Evil Butcher charged to meet Yang Luo!

As the two of them rushed towards each other!

The huge waves in the river soared into the sky one after another, looking extremely spectacular!

At that very moment...

The two of them crossed dozens of meters and approached again!

Evil Butcher suddenly stomped down, and his strong body soared into the sky!

After jumping into the sky...

He suddenly kicked down and slashed heavily at Yang Luo who was charging over!

This kick was incomparably terrifying. It was like a platinum saber that slashed down, wanting to destroy everything!

On the other hand, Yang Luo did not dodge or retreat. Instead, he threw a punch to meet it head-on!

Boom!

The punches and kicks collided, and thunder rumbled with shocking momentum!

Dazzling light shone, True Qi surged, and energy rays shot all over the place!

The river water under Yang Luo's feet began to surge to both sides, and the surface of the river seemed to have turned into a vortex!

However, no matter how domineering Evil Butcher's punch was...

In the end, it was still blocked by Yang Luo!

Furthermore, the power that erupted from this punch caused Evil Butcher to soar into the sky!

Evil Butcher flipped in the air and cupped his fists. It was as if he had transformed into a platinum hammer as he smashed down heavily at Yang Luo!

Without any hesitation, Yang Luo twisted his fist again and released a powerful combat strength to meet the attack!

Boom! Boom!

This collision was like a meteorite colliding, shaking the heavens and earth!

The river under Yang Luo's feet stopped flowing towards him. Even the bottom of the river could be seen clearly!

Yang Luo once again blocked Evil Butcher's critical hit!

Then, his right arm continued to exert force and blasted out!

“Back!”

Accompanied by a shout!

With a loud bang, Evil Butcher was sent flying!

“ROAR...”

After being sent flying for more than ten meters, Evil Butcher did not stop at all. He let out a wild roar and charged towards Yang Luo crazily!

As he approached...

He mobilized the energy in his body to the limit and punched out!

Just as he threw a punch!

The huge waves in the water surged up, as if they had gathered into a huge shark that crashed into Yang Luo!

“ROAR...”

Yang Luo also let out a roar reminiscent of a dragon and continuously increased the True Qi in his body. He twisted his fist and punched forward!

With a punch, the huge waves in the river continuously surged and gathered into a huge dragon in the sky, crashing towards the huge shark!

At that moment...

DONG!

Boom!

Yang Luo and Evil Butcher's fists collided heavily!

The huge shark and dragon formed by the river water also collided crazily!

In the next second...

Rumble!

Accompanied by a shocking explosion!

The huge shark and dragon that collided in the sky exploded at the same time, turning into water droplets that filled the sky and poured down!

Yang Luo and Evil Butcher were forced back at the same time!

Evil Butcher slid on the river for more than thirty meters before he stabilized his body!

However, Yang Luo only slid for more than ten meters before stabilizing his body!

After stabilizing his body...

Evil Butcher swung his numb arm and said loudly, “Mr. Yang, you're really impressive!

Looks like you're much stronger than what's recorded on the Dark Web!”

Yang Luo laughed heartily and said, “Mr. Evil Butcher, you're not bad either!”

As he spoke, Yang Luo asked, “Do you still want to continue fighting?”

Evil Butcher waved his hand and said, “I'm not fighting anymore. If we continue fighting, I'll be asking for trouble.”

Yang Luo smiled and nodded, “Alright, then we won't fight anymore. Otherwise, we'll destroy this place.”

Then, the two of them went ashore.

Xu Ying, Bujie, Prajna, and Alinda rushed over.

Evil Butcher looked at Yang Luo with admiration and said, “Mr. Yang, in your old Chinese saying, we can be considered old friends at first sight.

Therefore, I want to treat Mr. Yang and your friends to a drink. What do you think, Mr. Yang?”

“Of course you can.”

Yang Luo nodded in agreement.

“Haha, good!”

Evil Butcher laughed and waved his hand.

An assassin hiding in the dark quickly walked over.

“Temple Master, what can I do for you?”

The killer asked respectfully.

Evil Butcher looked around and said, “Count how many houses have been destroyed. Remember to compensate.”

“Yes, Palace Master!”

The assassin nodded in response.

Yang Luo was about to speak, but was stopped.

Evil Butcher said, “Mr. Yang, I know what you want to say.

However, I was the one who started this battle, so I naturally have to compensate.

Moreover, this bit of money is nothing to our God Slaying Temple.”

“Alright.”

Yang Luo smiled and looked at Evil Butcher with admiration.

With Evil Butcher’s current status, even if he didn’t compensate, no one would dare to say anything.

On the other hand, it was already very rare for Evil Butcher to possess powerful strength and a supreme status without bullying the weak.

“Mr. Yang, let’s go!”

Evil Butcher laughed out loud. He wrapped his arm around Yang Luo’s shoulder and left with large strides.

Xu Ying, Bujie, Prajna, and Alinda quickly followed.

After leaving the Rhine River...

Yang Luo and the others got into a custom-made extended Maybach and arrived at a low-key and luxurious Chinese-styled bar.

Inside, a professional band was playing the piano and playing saxophones.

The music was melodious, and it was not as noisy as the pub. It was very suitable for small gatherings.

Under the lead of the attendant, Yang Luo and the others sat down in a corner booth.

Evil Butcher ordered two bottles of cold Corona beer and some snacks.

After the beer and snacks were served...

Evil Butcher poured a full glass of beer for everyone and said with a smile, "Mr.

Yang, we can be considered to have gotten to know each other. Aren't you going to introduce me to your friends?"

Only then did Yang Luo belatedly realize and speak out, "This beautiful lady is the president of the Western Medical Association, Alinda.

These two are my brothers, Xu Ying and Bujie.

As for this girl, she's also a member of your assassin world. Her name is Prajna."

Evil Butcher raised his wine cup and said, "It can be considered fate that we can meet here. Come, come, come, cheers!"

"Cheers!"

Yang Luo and the others also raised their glasses.

Everyone clinked glasses.

Evil Butcher drank the entire glass of beer in one gulp.

"Holy sh*t, he's so intense?"

The corner of Bujie's mouth twitched as he said, "But we can't admit defeat either. Let's do it!"

As he spoke, Bujie also picked up a large glass of beer and gulped it down.

Yang Luo and Xu Ying also finished a large glass of beer.

However, Prajna and Alinda were in trouble.

Evil Butcher wiped his mouth and laughed, "Beautiful ladies, feel free to do as you please. There's no obligation."

"Thank you."

Prajna and Alinda thanked him and took a sip before putting down their cups.

After downing his beer, Evil Butcher looked at Yang Luo and said, "Mr. Yang, actually, I came to see you this time not only to spar with you, but also for another purpose."

Yang Luo raised his hand and said, "Mr. Evil Butcher, if you have anything to say, just say it."

Evil Butcher said, "Mr. Yang, I want to invite you to join our God Slaying Temple.

As long as you're willing, I can let you be the Deputy Temple Master of our God Slaying Temple.."

Chapter 553: Two Women Competing!

“You want to invite me to join the God Slaying Temple?”

Yang Luo was stunned. Clearly, he did not expect the Evil Butcher to rope him in.

“That’s right.”

Evil Butcher nodded and said, “Although our God Slaying Temple is ranked the last among the four top assassin organizations...

However, our influence is not inferior to the other three.

Moreover, I believe that as long as Mr. Yang joins us, our God Slaying Temple will definitely continue to grow.

I hope you can consider it, Mr. Yang.”

Yang Luo sighed and said, “Mr. Evil Butcher, it’s my honor to be invited to join the God Slaying Temple.

However, I have no intention of joining any organization.

As such...”

Evil Butcher said helplessly, “So, you’re rejecting me?”

Yang Luo said, “Mr. Evil Butcher, actually, even if I don’t join the God Slaying Temple, we can still be friends.”

“Mr. Yang, are you really not going to reconsider?”

Evil Butcher still wanted to persuade Yang Luo.

He really admired Yang Luo.

Not only was Yang Luo powerful, but his personality was also to his liking.

It would be best if they could work together.

Yang Luo shook his head and said, “Mr. Evil Butcher, thank you for your invitation.

I think I’ll pass.”

“Sigh...”

Evil Butcher let out a long sigh and said, “If an ordinary person received my invitation, they would definitely be extremely excited and grateful.

Only you, Mr. Yang, could refuse so bluntly.

Mr. Yang, you’re indeed not an ordinary person.”

Yang Luo smiled and said, “Mr. Evil Butcher, I treat you as a friend, so I’m willing to tell you frankly.

I’ve never thought of joining the God Slaying Temple, I naturally have to say it directly.”

“Fine...”

Evil Butcher shrugged his shoulders and said, “Since we can’t work together, it’s not bad to be friends with you, Mr. Yang.

Mr. Yang, from now on, we will call each other brothers.

I’ll call you Brother Yang. You can call me Brother Butcher.”

“Alright!”

Yang Luo agreed immediately.

Evil Butcher then asked, “Brother Yang, have you finished your matters here?”

Yang Luo nodded and said, “It’s done. Why?”

Evil Butcher said, “I want to invite you and your friends to our God Slaying Temple as guests. What do you think, Brother Yang?”

“Okay, okay!”

Prajna clapped excitedly.

That was the headquarters of the God Slaying Temple, a place that countless assassins in the Dark World dreamed of.

Now that Evil Butcher had invited her, she naturally wanted to go.

Yang Luo asked curiously, “Brother Butcher, where is your God Slaying Temple?”

Evil Butcher replied, “On a small island in the Arctic Ocean.”

“The Arctic Ocean? The Extreme North?”

Yang Luo’s eyes lit up when he heard that.

During this period of time, he was considering looking for extremely cold places, extremely hot places, and lightning gathering places to cultivate.

The God Slaying Temple happened to be in a cold place in the extreme north, so he naturally had to make a trip.

It would be great if he could find an excellent cultivation place there.

“That’s right.”

Evil Butcher nodded.

Yang Luo smiled and said, “Alright, I’ll go to Brother Butcher’s place to take a look.”

Seeing that Yang Luo had agreed, Evil Butcher smiled, “Alright, we’ll set off tomorrow morning. How about that?”

“Of course, that’s fine.”

Yang Luo nodded in reply.

At this moment, Alinda said dejectedly, “Mr. Butcher, I wanted to go to your place to take a look too.

Unfortunately, I still have something to do here. I’m afraid I won’t be able to go-”

Evil Butcher smiled and said, “Miss Alinda, since you can’t go this time, it’s the same if you go next time.

Our God Slaying Temple welcomes you as a guest at any time.”

Alinda said helplessly, “Alright, I’ll go next time if I have the chance.”

Evil Butcher refilled everyone’s glasses, “Come, come, come. Let’s end our chat here. Let’s drink!”

They drank until past eleven in the evening.

Yang Luo and the rest sat in Evil Butcher’s car and arrived at the entrance of the Hilton hotel.

Evil Butcher said, “Brother Yang, I’ll pick you up tomorrow morning.”

“Alright.”

Yang Luo nodded in reply.

After bidding them farewell, Evil Butcher left.

Yang Luo and the others walked into the hotel and came to the front desk.

Yang Luo said, “Miss, please help us book five rooms.”

The front desk lady checked the system before replying, “I’m sorry, sir. There are only three rooms left in our hotel.”

Yang Luo said speechlessly, “There are only three rooms left?”

‘Yes, sir.’

The front desk lady nodded and said, “It’s the peak season for travel, so the rooms are booked very quickly.

If you’re not satisfied, you can go elsewhere to take a look.”

Bujie said, “Brother Yang, it’s already so late. Let’s not waste time.

I’ll just sleep in the same room as Brother Xu.

The three of you will divide the other two rooms.”

Prajna blushed and said shyly, “Brother Yang, I’ll sleep in the same room as you.”

Alinda said, “Sister Prajna, let me sleep in the same room as Mr. Yang.

I’ll let you sleep in the other room.”

Prajna shook her head adorably, “No, Sister Alinda. I’ll let you sleep in the other room.”

Alinda shook her head repeatedly as well, “No, no, no. I should give in to my little sister.”

The two women looked at each other with an indescribable look in their eyes.

Bujie curled his lips and said, “Miss Alinda, Sister Prajna, I think you don’t have to fight. Why don’t you all sleep in the same room as my Brother Yang?”

“Ah?”

Alinda and Prajna were dumbfounded.

Yang Luo said angrily, “Bujie, are you itching for a beating? Don’t make a fuss!”

“Brother Yang, you decide who to sleep with!”

Prajna turned to look at Yang Luo and asked with her hands on her hips.

“That’s right, you decide!”

Alinda also turned to look at Yang Luo.

Seeing that the two women were asking him to make a decision, Yang Luo immediately felt a headache.

On the other hand, Bujie snickered at the side and said softly, “Brother Yang has encountered an eternal problem. It’s not good to choose anyone...”

Xu Ying could not help but laugh.

If he had to choose, he would be in a difficult position.

Hence, he said seriously, “Women will only affect the speed at which I draw my saber.”

Bujie looked at Xu Ying as if he was looking at a fool and said, “Then you can go do it with your saber in the future.”

Yang Luo hesitated for a while before saying, “Alright, Prajna, Alinda, stop fighting!

I’ll sleep in one room, the two of you will sleep in the same room!

It’s decided then!”

As he spoke, Yang Luo said to the front desk lady, “Get the rooms!”

After getting the room card, Yang Luo and the others took the elevator upstairs.

After finding the room...

Without another word, Yang Luo opened the room and rushed in. Then, he closed the door with a bang.

Xu Ying and Bujie also hurried into a room.

In an instant...

Only Prajna and Alinda were left in the corridor.

Alinda said unhappily, “Why is this guy running so fast? It’s as if we really want to sleep with him!”

“That’s right, that’s right. How annoying!”

Prajna added.

As they spoke, the two women looked at each other and could not help but laugh out loud.

At this moment.

After Yang Luo entered the room, he heaved a sigh of relief.

Indeed, interacting with women was a headache.

He shook his head and went into the bathroom to take a shower.

After walking out of the bathroom, he called Su Qingmei and told her that he was safe. Then, he sat cross-legged on the bed.

He hoped that he, Xu Ying, and the others would be able to improve by leaps and bounds during this trip to the extreme North.

Thinking of this, Yang Luo began to cultivate.

Now, he had to seize every second to cultivate. He could not delay..

Chapter 554: The King Meets Him Personally!

At this moment.

In the room opposite Yang Luo.

Alinda was wearing a sleeping robe and leaning against the bed, scrolling through her cell phone.

Even though the nightgown was very loose, it could not hide the woman's tall and graceful figure.

Especially those long legs. They were fair, straight, and slender.

At this moment, Prajna, who had finished showering, walked out of the bathroom in a loose sleeping robe.

Alinda glanced at a certain spot in Prajna and said in jealousy, "Sister Prajna, I didn't expect you to be so young but so big in size."

Prajna raised her head and said, not to be outdone, "Sister Alinda, you're older than me, but you're smaller than me."

"You..."

Alinda was instantly speechless. She was so angry that her chest heaved.

However, it made sense. Although she was tall, she could not compare to this woman in front of her who looked soft and cute, but had a curvaceous figure. She shook her head and changed the topic. She asked, "Sister Prajna, you like

Mr. Yang, right?"

Prajna blushed and stammered, "I... Of course I like Brother Yang... He's my brother..."

Alinda rolled her eyes at Prajna and said, "Sister Prajna, there's no one else now. Can't you be more honest?"

Prajna took a deep breath and said, “Yes, I do like Brother Yang. Aren’t you the same?”

“That’s right.”

Alinda nodded and said, “I just like Mr. Yang, so I admitted it openly.”

Alinda asked curiously, “Isn’t there an old saying in your country called to enjoy the benefits of a favorable position?”

Why haven’t you taken down Mr. Yang yet?”

Prajna said helplessly, “I want to, but Brother Yang hasn’t given me a chance.

What can I do?”

Alinda laughed and said, “Then it seems that we’re the same. I’m in a much better mood now.”

Prajna snorted, “Don’t be smug. Just you wait. It won’t be long before I can take down Brother Yang!

Besides, let me tell you a secret. Sister Su has already accepted me!

So, as long as Brother Yang agrees to me now, I’ll be Brother Yang’s woman!” “Ah?”

Alinda looked surprised, “Miss Su accepted you?!”

“That’s right!”

Prajna chuckled, “Why? Are you envious?”

Alinda said frantically, “No, no, I have to work harder!”

“Hahaha...”

Prajna laughed in delight.

“Alright, how dare you laugh at me!”

Alinda flipped over and pressed Prajna under her, “Tell me, why are you so well endowed? How did you do it?”

“I’m not telling you!”

Prajna snorted and refused to say anything.

“You’re not going to say it, right? Then I’ll tickle you!”

Alinda reached out and began to tickle Prajna.

The two women immediately started fooling around on the bed...

The next morning.

In the cafeteria on the first floor of the hotel.

Yang Luo, Xu Ying, Bujie, Prajna, and Alinda were having breakfast together.

Seeing Prajna and Alinda chatting and laughing, Yang Luo was very puzzled. What was going on?

Why were the two women so close after sleeping for a night?

After breakfast...

Yang Luo and the others arrived at the entrance of the hotel.

He saw that the Evil Butcher was already waiting at the door.

“Haha, Brother Yang, good morning!”

Evil Butcher welcomed him with a bright smile.

“Good morning, Brother Butcher!”

Yang Luo and the others also greeted him.

Evil Butcher said, “There’s no time to lose. Shall we set off now?”

“Alright!”

Yang Luo nodded in agreement.

Alinda said helplessly, “Yang Luo, Smith called me just now and asked me to go to Maria Hospital, so I can’t send you guys off.”

“It’s alright.”

Yang Luo shook his head and asked curiously, “Why did you call me by my name directly? Didn’t you always call me Mr. Yang previously?”

Alinda smiled and said, “It feels strange to keep calling you Mr. Yang. It’s better to call you by your name directly.

Of course, if you don’t mind, I can call you darling.”

“Dar... Darling?”

Yang Luo laughed dryly and said, “Just call me by my name.”

Yang Luo continued, “Then you can contact me anytime if there’s anything else.”

“Hmm.”

Alinda nodded and hugged Yang Luo tightly. She said gently, “Take care. I’ll go to China to see you when I have time.”

“You take care of yourself too.”

Yang Luo also reached out to hug the woman.

Then, Yang Luo, Xu Ying, Bujie, and Prajna got into the car with Evil Butcher and left the hotel.

Alinda watched the car drive away.

She didn’t look away until the car had disappeared from view.

She sighed softly and was about to hail a taxi.

Only to see that a luxurious convoy was driving over from afar.

Very quickly, the convoy stopped at the entrance of the hotel.

The car doors opened.

Under the protection of a group of guards, an old man with an outstanding aura got out of the car.

This old man was the current King of the Country Windmill, Williams.

“Oh my god, why is the King here?!”

“Is the King going to meet someone?!”

“Even so, there’s no need for the King to personally meet him, right?!”

The people on the street and those entering and leaving the hotel exclaimed. After Williams got out of the car, he quickly walked over when he saw Alinda. “Greetings, Your Majesty!”

Alinda bowed.

Williams quickly asked, “President Alinda, isn’t Divine Doctor Yang from China with you? Where is he?”

Alinda asked curiously, “Your Majesty, why are you looking for Yang Luo?” Williams said, “Yesterday, I heard from the director of Maria Hospital that thanks to Divine Doctor Yang, we were able to resolve the infectious disease problem in Windmill Town.

Therefore, I wanted to personally meet Mr. Yang today and thank him in person.”

Hearing this...

The surrounding citizens were even more curious.

“Who exactly is the Divine Doctor Yang that the King is talking about? Isn’t this too honorable? He can actually let the King meet him personally?

Moreover, Mr. Yang is a Chinese?”

“Didn’t you hear that? The King said that Divine Doctor Yang solved the infectious disease problem in Windmill Town. Then, this Divine Doctor Yang is definitely not an ordinary person!”

Everyone whispered among themselves. They were very envious of Divine Doctor Yang from China.

It was a supreme honor to be personally received by the king.

Moreover, with the king as his backer, wouldn’t Mr. Yang be able to do whatever he wanted in Country Windmill in the future?

Alinda spread her hands and said, “Your Majesty, I’m really sorry that you’re a step too late.”

Williams looked puzzled, “Late? What do you mean?”

Alinda said, “Yang Luo and the others have already left.”

“Left?”

Williams sighed heavily, “We were still a step too late!

“We can only wait for the chance in the future to go to China to meet this Divine Doctor Yang!”

Alinda turned to look in the direction where the car had left and sighed.

This man had only been in Country Windmill for a day, but he had already caused quite a commotion and even alarmed the king.

In the future, this man would probably have a huge influence in the entire world.

She really had to hurry up and lock onto an outstanding man!

Chapter 555: Extreme North!

After Yang Luo and the rest arrived at the airport, they boarded Evil Butcher’s private plane.

Not long after, the plane took off and soared into the sky.

After the plane stabilized...

Evil Butcher brought over a few bottles of precious good wine and even asked the chef to prepare some snacks.

He opened a bottle of wine and said with a smile, “Brother Yang, Brother Xu, Brother Bujie, there’s still some time before we arrive at the headquarters of our God Slaying Temple. Come, come, come, let’s drink!”

Bujie was caught between laughter and tears as he said, “Brother Butcher, don’t you like to drink too much?”

Last night, they had already witnessed Evil Butcher’s alcohol tolerance. It was simply a vast amount.

If they weren’t cultivators, they probably wouldn’t be able to win against Evil Butcher.

Evil Butcher laughed and said, “Alcohol is a good medicine for men!”

Yang Luo smiled and said, “A friend told me before that men should get drunk and woo the most beautiful woman!”

“Well said!”

Evil Butcher slapped the table and laughed, “That’s what I meant!”

As he spoke, he looked at Prajna and said, “Sister Prajna, if you can’t drink, you can go to a spa. This plane is fully equipped with food, drinks, and fun.”

Prajna snorted, “Who said I can’t drink? I’ll drink it. Who’s afraid of who!”

“Hahaha...”

Seeing the girl say such fierce words in the softest and cutest tone, Yang Luo and the other men immediately laughed.

Although Country Windmill was quite far from the headquarters of the God Slaying Temple...

However, Yang Luo and the others were not bored as they drank and chatted.

The plane flew for more than five hours before finally arriving at the God Slaying Temple's domain.

Evil Butcher looked out the window and said with a smile, "We're almost there!"

"Really?!"

Prajna's eyes lit up as she hurriedly went to the window and looked out.

"Wow, what a beautiful island!"

She couldn't help but shout in surprise.

Yang Luo, Xu Ying and Bujie also looked out of the window.

Looked into the distance....

One could see a small island sitting on the distant sea like a pearl on top of the sea.

The entire island was covered in ice and snow, with mountains and rivers rising and falling. It was beautifully blanketed.

Moreover, there were even smaller islands around this main island, like stars surrounding the moon.

When the plane flew closer, Yang Luo and the others saw it more clearly.

There were many houses and fortresses on the island, and many people were training and patrolling.

In the center of the island stood a silver-white European-style palace. It was magnificent.

Yang Luo and the others also saw many steel battleships docked on the shore, like steel beasts lurking on the shore.

Half an hour later.

The plane landed at the island's airport.

When Yang Luo and the others got off the plane, they saw a group of assassins striding over.

"Greetings, Master!"

All the killers placed their right hands on their left chests and bowed with pious expressions.

Evil Butcher raised his hand and asked, "Did anything happen on the island in the past two days?"

"No!"

One of the leading assassins responded.

"Hmm."

Evil Butcher nodded and led Yang Luo and the others out of the airport.

After walking out of the airport....

Yang Luo and the others got into an extended Rolls-Royce and drove towards the palace in the center of the island.

Evil Butcher smiled and said, "Brother Yang, after dinner, I'll bring you guys around."

I believe that you will definitely be shocked by the beautiful scenery on the island. You want to come again after coming once."

Yang Luo said, "Brother Butcher, I'll listen to your arrangements."

After dinner.

Evil Butcher brought Yang Luo and the other three to play on the island for an entire day.

It had to be said that everything on the island made Yang Luo feel novel and shocked.

This made him even more curious about Third Senior Sister's Violet Headquarters and the Holy Imperial Court Headquarters.

He wondered how spectacular Violet and the Holy Imperial Court would be...

The next morning.

Evil Butcher accompanied Yang Luo and the others for breakfast.

Everyone was chatting and laughing, and the atmosphere was very happy.

Evil Butcher said, "Brother Yang, how about I bring you guys around the other islands today?"

Yang Luo said, "Brother Butcher, there's no need to trouble yourself. We played for the entire day yesterday. It's time to get down to business."

"Business?"

Evil Butcher was stunned, "What do you mean?"

Yang Luo said, "Actually, we came this time for a few purposes. The first was to take a look at Brother Butcher's place.

Secondly, I want to find a cultivation place in the extreme North to increase my cultivation."

Xu Ying, Bujie, and Prajna nodded as well.

Yang Luo had told them last night, and they agreed unanimously.

After all, the enemies they would encounter in the future would become stronger and stronger. They urgently needed to increase their cultivation and strength.

"I see. That's a pity. I was thinking of bringing you guys to play for a few more days."

Evil Butcher shook his head and asked, "Brother Yang, what are your requirements for cultivation?"

Yang Luo said, "I don't have any special requests. I just want it to be cold enough."

Evil Butcher smiled and said, "That's easy. I'll bring you to the center of the North Pole later.

The temperature there is the lowest, so it should meet your requirements."

“Then I’ll thank you in advance!”

Yang Luo thanked him.

After breakfast.

Evil Butcher led Yang Luo and the others onto a yacht and arrived at the Arctic Circle.

Although the climate here was extremely cold, fortunately, everyone was a cultivator and was not too affected.

After entering the Arctic Circle...

The yacht continued driving for more than half an hour before arriving at the center of the Arctic Circle.

As far as the eye could see, there were icebergs sitting in the sea, and there was a lot of ice and snow floating on the sea.

Perhaps it was because this place had suffered the least pollution, so the spiritual energy here was very abundant.

“Brother Yang, how is it here?”

Evil Butcher asked.

Yang Luo said in satisfaction, “This place is not bad!”

As he spoke, Yang Luo pointed at one of the larger ice mountains and said, “Xu Ying, Bujie, Prajna, we’ll cultivate on that ice mountain for the next few days!” “Alright!”

Xu Ying and the other two nodded.

Evil Butcher took out a special cell phone and handed it to Yang Luo, “Brother Yang, there’s basically no signal here. Ordinary cell phones can’t contact you at all.

However, this special cell phone can still be used for contacting purposes.

When your cultivation is over, contact me. I’ll come and pick you up.”

“Alright.”

Yang Luo took the cell phone and exerted strength in his legs. He jumped dozens of meters and landed steadily on the iceberg not far away.

Xu Ying, Bujie, and Prajna also jumped onto the ice mountain.

“Brother Yang, then cultivate well. I won’t disturb you!”

Evil Butcher waved his hand and left.

After Evil Butcher left...

Yang Luo asked Xu Ying and the other two, “Do you have any more Spirit Gathering Pills?”

“Of course.”

The three of them nodded.

“That’s good.”

Yang Luo nodded and said, “The spiritual energy here is abundant, and it’s very suitable for cultivation.

“I hope we can all achieve a breakthrough this time.”

“We definitely will!”

“Brother Yang, i can’t wait!”

“Brother Yang, i’ll definitely catch up to you!”

Xu Ying, Bujie, and Prajna were all filled with fighting spirit..

Chapter 556: Consecutive Breakthroughs!

Yang Luo smiled and said, “I’m relieved to see that you guys are so motivated.” As he spoke, Yang Luo took out spirit stones from his storage ring and began to place them around the area.

“Brother Yang, what are you doing?”

Prajna asked curiously.

Yang Luo replied, “I plan to set up a ‘Spirit Gathering Array’ here to assist our cultivation!”

“This will work.”

Bujie nodded and said, “The Spirit Qi here is already very abundant. With the help of the Spirit Gathering Array, perhaps we may even achieve consecutive breakthroughs.”

Xu Ying and Prajna nodded as well, their hearts filled with anticipation.

After setting up the Spirit Gathering Array...

Yang Luo stood in the center of the Spirit Gathering Array and stomped his right foot as he shouted..

“Activate the formation!”

And in that instant!

The Spirit Gathering Array was activated and emitted a dazzling golden light!

The spiritual qi in the world was like a surging river, gathering from all directions towards it!

Xu Ying, Bujie, and Prajna immediately felt refreshed. The pores on their bodies opened and they began to absorb the Spirit Qi in the world crazily!

After confirming that there was nothing wrong with the Spirit Gathering Array, Yang Luo said loudly, “Start cultivating!”

“Yes!”

Xu Ying and the other two replied in unison.

Then, Yang Luo sat cross-legged in the center of the array.

After sitting down, Yang Luo took out the demon beast core he had obtained from Tianjing Village and swallowed it.

At that very moment...

Dong....

A deep explosion sounded from Yang Luo's body!

The demon beast's inner core began to dissolve. Boundless spiritual qi surged out crazily and attacked Yang Luo's internal organs, eight extraordinary meridians, and limbs!

The skin on Yang Luo's body instantly turned red, and the veins on his body exploded!

Even in this extremely cold place, Yang Luo's body was covered in sweat!

Furthermore, Yang Luo's body flickered with a bedazzling golden light. One could even see the phantom of a golden dragon coiling around his body!

Bujie clicked his tongue and said, "Holy sh*t, Brother Yang actually swallowed the Inner Core without filtering it again. It's simply terrifying!"

Previously, when he was at Country Noodle's Getault Mountain, he had seen Yang Luo swallow a demon beast's inner core.

At that time, he was really scared silly. He was still worried that Yang Luo would explode and die.

Later on, he learned that Yang Luo was a powerful immortal cultivator. Only then did he understand why Yang Luo dared to swallow the inner core by itself.

After all, only martial artists above the Martial King Realm would dare to swallow the inner cores to cultivate.

If a martial artist below the Martial King Realm swallowed an Inner Core, their meridians would be severed and they would become a cripple. If it was serious, their bodies would explode and they would die.

Xu Ying and Prajna were also terrified when they saw this scene.

They were worried that something would happen to Yang Luo, so they guarded at the side and did not immediately start cultivating.

Only when they sensed that Yang Luo's body had stabilized did they heave a sigh of relief.

Then, Xu Ying and the other two found a spot around Yang Luo and sat down cross-legged. They all took a Spirit Gathering Pill.

Not long after, Xu Ying and the other two entered a meditative state.

As their cultivation techniques were circulated, Xu Ying and the other two shone with a dazzling light.

Due to the fact that it was the time of the Midnight Sun in the Arctic...

Therefore, it was still daytime here, and there was no night.

Time continued to flow.

Unknowingly, a day had passed.

Suddenly!

Dong....

A loud bang sounded from Yang Luo's dantian!

A blazing golden light instantly surged from his body, and his cultivation finally advanced from the mid-stage to the late-stage of the Shedding Mortality Realm!

However, after a breakthrough, Yang Luo did not stop cultivating. Instead, he chose to continue charging to the next realm!

After all, this was a great opportunity!

Firstly, this was an extremely cold place!

Secondly, the spiritual energy here was very abundant!

Thirdly, there was a Spirit Gathering Array that gathered spiritual qi!

Fourthly, he had the help of the demonic beast's inner core!

The opportunity to fulfill all four conditions at the same time was not always available!

Therefore, Yang Luo naturally wanted to seize this opportunity and strive to achieve continuous breakthroughs!

Not long after Yang Luo broke through...

Dong....

Xu Ying's dantian also let out a low rumble!

His cultivation level directly broke through from the early-stage Martial

Highness Realm to the middle-stage Martial Highness Realm!

Not long after Xu Ying broke through!

Bujie had also broken through!

His cultivation level had also broken through from the early-stage Martial Highness Realm to the middle-stage Martial Highness Realm!

Right on the heels of that, Prajna also broke through!

Her cultivation level had broken through to the perfected Grandmaster Realm!

However, after achieving a breakthrough, Xu Ying and the other two did not stop cultivating.

Instead, they took another Spirit Gathering Pill and continued to break through to the next realm!

Time continued to pass.

Unknowingly, three days had passed.

On the third day, Xu Ying, Bujie, and Prajna achieved their second breakthrough!

Xu Ying and Bujie had broken through from the middle-stage to the late-stage Martial Highness Realm!

Prajna had crossed the threshold of the Grandmaster Realm in one go and broken through to the early-stage Martial Highness Realm!

The three of them wanted to continue cultivating and break through to the next realm, but they could not do it no matter what.

A few hours later...

Xu Ying and the other two woke up one after another.

As soon as Bujie woke up, he laughed loudly and said, "Awesome, this is too awesome. I didn't expect that I would break through two realms in a row!"

Xu Ying said calmly, "It's as if you're the only one who broke through two realms in a row.

Prajna and I have also broken through two realms in a row, okay?"

Bujie sensed their cultivation levels and the corners of his mouth twitched. He said, "Are you all animals? Can't you let me pretend to be great once?"

Prajna chuckled and said, "Brother Bujie, we all follow Brother Yang. If we don't have this bit of talent and comprehension, it will be too embarrassing for Brother Yang."

"That's right."

Xu Ying nodded.

"Alright, I'm convinced."

Bujie shook his head helplessly and said, "Unfortunately, we can't continue to break through."

"There's nothing to pity. Brother Yang said that on the path of cultivation, you have to be steady, avoid haste less speed..."

Xu Ying said calmly and turned to look at Yang Luo, "I wonder if Brother Yang can achieve a consecutive breakthrough."

Bujie said firmly, "I believe Brother Yang can definitely do it!"

"Yes, yes. Brother Yang will definitely be able to do it!"

Prajna added.

Anticipation appeared in Xu Ying's eyes, "Then let's wait and see!"

At the same time...

In a certain part of the Atlantic Ocean..

There was a small island with beautiful scenery in this sea area. It was called Paramita Island.

Violet's headquarters, one of the four top assassin organizations in the Dark World, was here.

Due to the time difference, it was nighttime here.

At this moment.

In a room on the sixth floor of the palace in the center of the island.

Xiao Ziyun, who was wearing a black silk nightdress, was sitting cross-legged on the bed cultivating.

Now, her cultivation level was stuck at the perfected Martial Highness Realm. She could not break through to the Martial King Realm.

This made her very anxious, but the more anxious she was, the harder it was to break through.

Knock, knock, knock.

At this moment, there was an urgent knock on the door.

Xiao Ziyun was startled awake. She frowned and said, "Come in."

The door was pushed open and a female assassin rushed in.

"Leader, something bad has happened!"

"Phantasmal Shadow, what happened?"

Xiao Ziyun asked in confusion.

The female assassin with the code name "Phantasmal Shadow" hurriedly replied, "Team Leader, just now, we discovered that 36 battleships invaded our Violet Domain without our permission!"

"What?!"

Xiao Ziyun stood up and asked coldly, "Who invaded our Violet Domain?"

Chapter 557: Never Submit!

Phantasmal Shadow replied, "We're not sure yet. Our people are still investigating!"

"D*mn it!"

Xiao Ziyun clenched her fists and said angrily, "Someone actually dares to invade our Violet. How bold!"

Phantasmal Shadow also said coldly, "No matter who it is, they must pay the price for invading our Violet!"

At this moment...

A call was made to Phantasmal Shadow's phone.

Phantasmal Shadow quickly picked up the call.

After the call.

Phantasmal Shadow's expression changed drastically as she said, "Team Leader, we've already investigated!"

The ones who invaded our Violet Domain are the Tomahawk Mercenary Organization, Mad Python Bounty Hunter Organization, and the Seven Slayers Hall!

Other than these three organizations, there are also nine mercenary organizations, assassin organizations, and bounty hunter organizations involved!

In addition to the four top assassin organizations in the Dark World, there are also the four top mercenary organizations and the five top bounty hunter organizations!

Tomahawk and Mad Python are part of the four top mercenary organizations and the five top bounty hunter organizations respectively!

As for the Seven Slayers Hall, although they were slightly weaker than Tomahawk and Mad Python, they can still be ranked among the top assassin organizations!

Xiao Ziyun's expression turned cold as she said in a deep voice, "Battle Axe, Mad Python, Seven Slayers Hall... I didn't expect it to be these guys!"

Phantasmal Shadow frowned and said, "Team Leader, what are these organizations trying to do?"

A cold light flashed in Xiao Ziyun's eyes, "Can't you tell? These guys are coming aggressively. They must want to take over Violet!"

"What?! Take over our Violet?!"

Phantasmal Shadow was shocked, "Aren't they violating the 'Dark World Peace Ordinance' by doing this?!"

Aren't these organizations afraid of being judged?!"

Ever since the few top organizations in the world signed the Dark World Peace Ordinance ten years ago, the chaotic situation in the Dark World had ended.

Although there was constant friction between the various large organizations, there had never been a huge battle.

Xiao Ziyun sighed and said, "Now, the major organizations have already begun to stir. Even the top organizations that signed this peace agreement back then are the same.

The peace and stability of the Dark World is no longer present. In the future, there will probably be frequent wars in the Dark World.

However, what I didn't expect was that Tomahawk, Mad Python, and the Seven Slayers Hall are the ones who broke this rule."

"What is this?"

A worried expression appeared on Phantasmal Shadow's face, "Then won't the future of the Dark World be completely chaotic?!"

"Maybe."

Xiao Ziyun nodded.

“Team Leader, what should we do now?”

Phantasmal Shadow asked anxiously.

“Since they’ve come looking for us, we naturally have to make them unable to return!”

Xiao Ziyun’s pretty face turned cold as she said in a trembling voice, “I’ll give three orders now!

First, quickly gather all the members on the island and prepare for battle!

Secondly, inform the nearby organizations that are in alliance with us to come and help!

Third, send a request for help to the God Slaying Temple!

Execute it immediately!”

“Yes!”

Phantasmal Shadow replied loudly and began to make a call to issue orders.

Then, Xiao Ziyun immediately changed her clothes and left the room with Phantasmal Shadow.

It was midnight.

The night was as dark as ink.

The crescent moon hung high.

In a sea ten nautical miles away from Paramita Island...

Twenty steel battleships were parked there, lined up like steel fortresses. They were incomparably majestic.

On the battleship, flags depicting Violet Flowers fluttered in the wind.

The deck was filled with Violet’s killers. There were as many as ten thousand of them.

Everyone’s expressions were cold and their eyes flickered with killing intent.

Xiao Ziyun, on the other hand, stood on a metal battleship in the center and looked into the distance coldly.

After a short period of time...

Thirty-six steel battleships passed through the night and drove over from afar.

These 36 steel warships also raised large flags. On the flags were 12 patterns that symbolized the 12 major organizations.

The deck was also filled with more than 30,000 people.

Not long after...

The 36 battleships approached and stopped not far away.

On the deck of the leading battleship stood three foreign men.

Standing in the middle was a huge black man.

The huge black man was more than two meters tall. He was muscular, had a rough face, and looked fierce.

This huge black man was the leader of the Tomahawk Mercenary Organization, Moris, codenamed "Tomahawk."

On Morris's left was also a black man. He was about 1.85 meters tall, had a strong figure, and his eyes were as sharp as blades.

This black man was the leader of the Mad Python Bounty Hunter Organization, Appleton. His code name was Mad Python.

On Morris' right was a Caucasian man who was more than 1.8 meters tall.

This Caucasian man was the Hall Master of the Seven Slayers Hall, Robert. His code name was "Blood Massacre".

"Flahaha, Team Leader Xiao, long time no see. How have you been?"

Robert greeted her with a smile.

Xiao Ziyun said coldly, "Whether I'm good or not has nothing to do with you.

Stop trying to get close to me!"

Robert shook his head and sighed, "Team Leader Xiao, no matter what, we know each other. We still have to greet each other, right?"

Xiao Ziyun said in a deep voice, "Alright, there's no need to say any more nonsense!

Tell me, why did you barge into my Violet Domain this time?"

Morris lit a cigar and said with a smile, "Team Leader Xiao, we're here to tell you!

From today onwards, Violet will be under our control!

As long as Violet doesn't resist, we promise to keep you alive!

Of course, if you resist, don't blame us for being impolite!"

Xiao Ziyun said with a cold gaze, "You think you're worthy of taking over our Violet?"

Morris blew out a mouthful of smoke and narrowed his eyes, "Team Leader Xiao, I advise you to consider it again.

Tonight, twelve of our organizations are mobilizing at the same time. No matter how strong Violet is, she can't defeat us.

Moreover, wasn't there an old saying in your country that he who understands the times is a wise man?

As long as you submit to us, you can avoid a huge battle. Isn't that good?"

Xiao Ziyun shouted at her subordinates, "Brothers and sisters, these guys want us to submit to them. What do you think?"

"We won't submit. Kill, kill, kill!"

All the Violet assassins raised their arms and shouted.

Xiao Ziyun looked at Morris and said coldly, “Did you hear that? No one in Violet wants to submit to you!

Therefore, it was best for you to put away such thoughts!

If you want to fight, let’s fight. We, Violet, have nothing to fear!”

Morris heaved a long sigh and said, “In that case, there’s nothing else to say.”

As he spoke, killing intent exploded in Morris’ eyes, and he suddenly waved his hand!

“Kill!”

With this order!

The mercenaries, assassins, and bounty hunters on the 36 battleships moved at the same time and attacked Violet’s assassins!

“Kill!”

Xiao Ziyun also raised her jade-like hand and suddenly waved it, giving an order!

“Kill!”

Violet’s killers roared and charged forward!

A huge battle at sea immediately began!

Chapter 558: This Woman Is Not Simple!

Xiao Ziyun led the charge, valiant and domineering!

She gripped the Emei Thorn tightly with both hands and flashed through the enemies like a ghost under the night!

Swoosh! Swoosh! Swoosh!

Streaks of purple cold light flickered under the night sky like lightning!

“Ahhhh...”

Accompanied by a series of tragic cries, one figure after another clutched their throats and fell to the ground in pain. Blood flowed uncontrollably, dyeing the deck red.

Xiao Ziyun was cold and heartless. She was like a god of death as she charged forward!

Wherever she passed, corpses appeared!

After killing nearly a hundred enemies...

Xiao Ziyun had already arrived at the front of the deck!

She stomped her feet!

Her body was like a light swallow as she flew up!

At this moment.

Coincidentally, more than ten enemies jumped over from the opposite deck and pounced at Xiao Ziyun!

They did not believe that Xiao Ziyun could withstand the attacks of more than ten of them in the air!

“Die!”

Xiao Ziyun let out a cold shout and swung the Emei Thorn in her hand continuously!

Chi! Chi! Chi! Chi!

Blood spurted out!

The dozen or so enemies were instantly killed and fell into the sea!

After killing more than ten enemies in an instant...

Xiao Ziyun landed steadily on the deck of a battleship opposite her!

She looked up at the enemy in front of her and said in a firm voice, “Come, those who are not afraid of death, get over here!”

For a moment...

The mercenaries, assassins, and bounty hunters of the twelve major organizations were all trembling in fear.

“Is this the strength of the Jade-Faced Killing God? It’s too terrifying!”

“As expected of the King of Assassins. Such strength is not something ordinary people can resist!”

“I’m afraid only Team Leader and the others can deal with this woman!”

Everyone trembled as they looked at Xiao Ziyun with killing intent.

“What a bunch of trash!”

Morris threw away the cigar in his hand and took out a black battle axe from his waist. He said angrily, “Go deal with the others. Leave this woman to us!”

“Yes!”

These mercenaries, assassins, and bounty hunters nodded in agreement. They avoided Xiao Ziyun and attacked Violet’s assassins!

Morris stretched his neck and smiled sinisterly, “Team Leader Xiao, come on. Let me see how strong you are!”

“Kill!”

Xiao Ziyun spat out a word and turned into a purple stream of light that charged at Morris!

Morris also flashed and fought!

And in the next instant...

The two of them crossed more than ten meters and waved the Emei Thorn and black battle axe in their hands at the same time to attack each other!

Clang!

A crisp sound of collision immediately resounded!

Flames shot out in all directions as energy and True Qi surged out!

After this collision!

Xiao Ziyun and Morris retreated more than ten meters at the same time!

Although Xiao Ziyun was considered a King of Assassins!

But Morris was also likewise considered a King of Mercenaries!

The difference in strength between the two of them was not much!

Morris stabilized himself and said with a smile, "In the Dark World, it's really not simple for a woman to have such strength.

Team Leader Xiao, if you can submit to me and be my woman, I'll spare your life. How about that?"

Xiao Ziyun said coldly, "Who do you think you are to be my man?

Why don't you take a piss and look at himself. With your looks like a chimpanzee, you're simply ugly!

Also, how dare you say that you'll spare my life? Can you kill me?"

"Damn b*tch, I think you have a death wish!"

Morris roared and charged at Xiao Ziyun with his battle axe!

Clang, clang, clang!

He ran up madly, and the deck trembled under his feet!

The moment they got close!

Morris raised his right hand and swung the battle axe in his hand at Xiao Ziyun!

Xiao Ziyun raised her right hand and blocked this heavy strike with a resounding clang!

Seeing that Xiao Ziyun had blocked the attack, Morris clenched his left fist and punched at Xiao Ziyun!

Xiao Ziyun also quickly raised her left hand and waved the Emei Thorn to meet the attack!

Boom!

A muffled explosion immediately resounded!

After this terrifying collision!

Xiao Ziyun was pushed back!

Morris' left hand, on the other hand, had a bloody cut!

The burning pain immediately made Morris frown, and the killing intent in his eyes intensified!

“B*tch, since you're unwilling to submit, I'll cripple you first, then take you before I kill you!”

Morris roared and charged at Xiao Ziyun again!

Xiao Ziyun was not afraid at all and went up to fight!

For a moment...

The two of them started a fierce battle on the deck of the battleship!

Clang! Clang! Clang!

Boom! Boom! Boom!

Terrifying collisions and explosions resounded in the sea, deafening everyone present!

Although Xiao Ziyun was weaker than Morris in terms of strength...

But in terms of agility, Xiao Ziyun was far better than Morris!

Therefore, after only dozens of exchanges, Morris's body was cut open, and blood could not stop flowing!

At this moment, on the deck not far away.

Appleton narrowed his eyes and said, “This woman is indeed capable. I didn't expect Morris to be unable to defeat her alone.”

Robert said in a deep voice, “No matter what, this woman is a King of Assassins.

If she didn't have some ability, she wouldn't have been able to control such a huge organization like Violet.”

Appleton said, “Let's go. It's our turn!”

“Alright!”

Robert nodded.

Then, Appleton put on his steel brass knuckles, while Robert drew a scimitar.

The two of them moved and charged at Xiao Ziyun at the same time.

Tang!

At this moment, the sound of metal colliding sounded again on the deck not far away!

Xiao Ziyun's Emei Thorn and Morris' battle axe collided heavily once more!

The steel deck under their feet caved in and cracked!

Morris smiled fiercely and said, “Team Leader Xiao, although I can't kill you, don't even think about killing me!”

Xiao Ziyun did not stop at all. With a flip of his left hand, the Emei Thorn in his hand spun and stabbed at Morris's heart!

This attack came so quickly that Morris could not react!

However, at this moment!

Appleton and Robert had already rushed over and attacked Xiao Ziyun at the same time!

Xiao Ziyun's heart skipped a beat as she sensed their killing intent!

At that very moment...

Whoosh! Whoosh! Whoosh! Whoosh!

Flying daggers the length of an index finger whistled out of her belt, wrapped in purple True Qi, and shot towards Appleton and Robert!

The throwing knives shot over like lightning!

Appleton and Robert were shocked. They waved their fists and scimitars at the same time to meet the attack!

Ding, ding, ding!

A series of intense collisions sounded incessantly!

The flying daggers were sent flying by the two of them!

However, the two of them were also forced back by the power of the flying sabers!

However, Morris also took this opportunity to retreat!

“Thank you, brothers!”

Morris thanked the two of them.

“You're welcome!”

Appleton waved his hand and said, “This woman is very strong. I'm afraid she can't be beat alone. Let's join forces!”

“Alright!”

Morris nodded in agreement.

Xiao Ziyun stared at Morris and the other two and said in a loud voice, “Joining hands? You can try to kill me!”

Chapter 559: Fight to the Death!

“Kill!”

Morris, Appleton, and Robert roared at the same time and charged at Xiao Ziyun!

Among the three of them, Morris and Appleton were about the same level of strength, while Robert was slightly weaker!

However, now that the three of them were working together, their combat strength was naturally incomparably powerful!

However, there was no fear in Xiao Ziyun's eyes. In a flash, she charged forward!

On the way to kill the three of them!

Xiao Ziyun waved her hand!

Whoosh! Whoosh! Whoosh! Whoosh!

More than ten flying daggers that landed on the deck immediately soared into the sky and shot towards the three of them!

At the same time, more than ten flying daggers flew out of her sleeve and shot towards the three of them at the same time!

In an instant...

More than 30 flying daggers shot out at the same time like purple lightning bolts that tore through the sky with incomparable sharpness!

Morris, Appleton, and Robert quickly counterattacked and sent the flying daggers flying!

But just as these 30 flying daggers were sent flying!

Xiao Ziyun had already approached the three of them. At the same time, she waved the Emei Thorn in her hand and slashed at their throats!

Morris and the other two reacted quickly. One of them waved his battle axe, one waved his fist, and the other waved his scimitar to meet the attack!

Clang!

Although Xiao Ziyun's attack was ferocious, it was still blocked by the three of them!

After blocking Xiao Ziyun's attack!

The three of them shook their arms!

Waves of terrifying power instantly erupted and surged towards Xiao Ziyun!

“Ugh!”

Xiao Ziyun could not resist at all. She let out a muffled groan and was sent flying!

Furthermore, Xiao Ziyun's body was also cut open and blood flowed out. It was a shocking sight!

“Hahaha...”

Morris threw his head back and laughed. He said with a sinister smile, “Team Leader Xiao, now that the three of us are working together, you're no match for us at all. You'd better surrender quickly!”

Xiao Ziyun said mockingly, “The three of you are the leaders of the three major organizations after all. Now, you shamelessly joined forces to deal with a woman like me. How impressive!”

Morris said coldly, “This is the rule of the Dark World. The strong prey on the weak, and the strong survive!

As long as we can achieve our goal, we can use any method!

Don’t you understand this logic?”

“Is that so?”

Xiao Ziyun smiled coldly and said, “Then come. Even if I die, I will drag the three of you down with me!”

Morris said ruthlessly, “You’re not worthy of dragging the three of us down with you!”

Appleton said, “Stop talking nonsense with him. Hurry up and kill her!”

Robert smiled wretchedly and said, “This woman is so beautiful and has such a good figure. It would be a pity to kill her like this!

It’s not too late to cripple her first and have a good time before killing her!”

Morris said, “I agree with this suggestion!”

“Alright, let’s do that!”

Appleton nodded in agreement.

Then, the three of them charged towards Xiao Ziyun!

Xiao Ziyun said angrily, “If I don’t kill you, I’m not worthy of being the King of Assassins!”

As he spoke, Xiao Ziyun’s figure flashed and charged towards the three of them!

In the blink of an eye!

The distance between Xiao Ziyun and the three of them shortened again!

Morris suddenly waved the battle axe in his hand and slashed at Xiao Ziyun heavily!

Appleton clenched his fists and continuously mobilized the power in his body. Then, he punched out!

Robert waved the scimitar in his hand and slashed at Xiao Ziyun!

However, the moment they approached!

Tang!

Xiao Ziyun stomped on the ground and soared into the sky, flying more than ten meters into the air!

The attacks of the three of them missed, emitting sonic booms in the afterwake!

After flying into the sky!

Xiao Ziyun flipped in the air and flipped his hands. The Emei Thorn in her hand stabbed towards the three people below!

At this moment, the Emei Thorn stabbed down like two purple lightning bolts!

“Quickly dodge!”

Morris shouted and quickly dodged.

Without any hesitation, Appleton and Robert retreated.

The moment Morris and the other two retreated...

There was a loud bang!

The steel deck was cut open like tofu!

Seeing that this move had missed!

Xiao Ziyun stomped on the ground when she landed!

The more than 30 flying daggers that had fallen around her soared into the sky again and shot towards Morris and the other two!

“Counterattack!”

Morris shouted and kept slashing with the battle ax in his hand!

Appleton and Robert also kept punching and swinging their knives, sending the flying daggers flying!

Xiao Ziyun, on the other hand, took advantage of this gap to charge at Morris!

As long as she killed one first, when dealing with the remaining two, the pressure would be greatly reduced!

However, just as Xiao Ziyun charged at Morris!

Appleton and Robert were already charging at her!

An intense battle began again!

Although Xiao Ziyun was powerful, it was still difficult for her to deal with Morris and the other two at the same time!

Therefore, in this intense battle, Xiao Ziyun began to retreat step by step, and the injuries on her body became more and more serious!

However, even though the enemy was strong and she was weak, Xiao Ziyun did not retreat. She planned to fight to the death!

At the very least, she had to hold on until reinforcements arrived!

At the same time...

In the extreme north.

In the central area.

On an ice mountain that was nearly a hundred meters tall.

Yang Luo was still in a meditative state, trying to break through to the next realm.

Xu Ying, Bujie, and Prajna guarded nearby. As they continued cultivating, they protected Yang Luo.

At this moment...

Rumble rumble rumble!

The ice mountain where the four of them were suddenly trembled violently and shook!

Even the surrounding ice mountains trembled!

Whoosh! Whoosh!

The seawater also began to surge as if it was boiling!

Xu Ying, Bujie, and Prajna suddenly woke up!

“Holy shit!”

The corner of Bujie’s mouth twitched, “What’s going on? Why is this iceberg shaking?!”

“Could it be that Brother Yang is about to break through?!”

Prajna shouted and suddenly turned to look at Yang Luo, who was in the center of the ice mountain.

Xu Ying and Bujie also looked over.

The golden light flickering on Yang Luo’s body became more and more dazzling!

The golden dragon phantom circling his body also became more and more condensed!

The three of them even felt waves of pressure and aura surging out of Yang Luo’s body!

“Holy shit!”

Bujie’s eyes were filled with fear as he shouted, “Retreat, retreat quickly!”

After shouting, Bujie turned around and ran!

Xu Ying and Prajna hurriedly followed!

After the three of them ran to the edge of the ice mountain, they stomped their feet and jumped towards an iceberg a hundred meters away!

However, just as the three of them jumped into the air!

“ROAR...”

Yang Luo suddenly opened his eyes, and golden light shot out from his eyes. He raised his head and let out a roar, like a dragon’s roar from the nine heavens!

The next second!

A golden beam of light soared into the sky and dispersed the clouds in the sky!

Right on the heels of that...

Rumble!

The ice mountain that was nearly a hundred meters tall could no longer withstand it and directly collapsed and exploded!

A large number of hail flew in all directions!

Waves of air that were like landslides and tsunamis spread out!

Chapter 560: Third Senior Sister, Wait for Me!

Xu Ying, Bujie, and Prajna, who had jumped into the air, were sent flying to an iceberg not far away by the waves of air. They even rolled a few times on the iceberg before stopping.

“F*ck, Brother Yang, do you have to be so exaggerated?”

Bujie grimaced in pain and got up from the ground.

Xu Ying and Prajna also heaved a sigh of relief. After getting up, they looked at the collapsing iceberg.

At this moment.

At the place where the iceberg exploded, icicles flew everywhere and huge waves soared into the sky. The ice in the sea was also sent flying into the air!

The entire scene was extremely shocking. Xu Ying and the other two were dumbfounded!

It was not until the ice rocks dissipated and the huge wave turned into water droplets that everything finally returned to calm.

The three of them looked up and saw a thin and tall figure standing on a piece of ice. The sunlight shone down and shone brightly. It was Yang Luo.

“Brother Yang!”

“Brother Yang!”

Bujie, Xu Ying, and Prajna waved their hands and shouted.

Yang Luo smiled and was about to meet up with Bujie and the other two when he saw something shining on the sea at the side.

He waved his right hand.

The glowing object soared into the sky and landed in his hand.

It was a crystal clear flower that emitted bone-piercing coldness and contained dense spiritual qi.

“Could this be the Ice Spirit Flower?!”

Yang Luo was shocked.

After taking a closer look, Yang Luo confirmed that this was indeed the Ice Spirit Flower.

The Ice Spirit Flower was also one of the herbs he needed to refine the Soul Formation Pill.

Now, he already had the Seven Star Grass, Red Spirit Root, Dragon Scale Fruit, Earth Fire Lotus Seed, and Purple Gold Vine. Coupled with this Ice Spirit Flower, there were only two herbs left.

He really did not expect that not only had he broken through two small realms in a row and stepped into the perfected Shedding Mortality realm, but he had also obtained the Ice Spirit Flower.

This was a pleasant surprise.

Yang Luo held the Ice Spirit Flower and jumped a few times before arriving at the ice mountain where Xu Ying and the other two were.

The three of them quickly ran over.

“Brother Yang, has your cultivation broken through?”

Bujie hurriedly asked.

Yang Luo nodded and said, “Of course I broke through. And just like you guys, I broke through two realms in a row.”

“Brother Yang, as expected of you!”

Bujie gave Yang Luo a thumbs up.

Xu Ying and Prajna looked at Yang Luo with admiration.

Before his cultivation broke through, Yang Luo’s strength was already powerful enough.

Now that Yang Luo’s cultivation had broken through two realms in a row, his strength was probably even more terrifying.

“Brother Yang, what’s that in your hand? It’s so beautiful!”

Prajna looked at the Ice Spirit Flower in Yang Luo’s hand.

Yang Luo said, “Didn’t I tell you guys before? I plan to refine the Soul Formation Pill.

This Ice Spirit Flower is one of the herbs needed to refine the Soul Formation Pill.”

“I see.”

Bujie nodded in realization and asked curiously, “Brother Yang, where did you find this Ice Spirit Flower?”

Yang Luo said, “I believe this Ice Spirit Flower should be growing in the iceberg just now.

Fortunately, it exploded. Otherwise, we would really have missed this Ice Spirit Flower.”

Xu Ying said, “No matter what, we’ve gained a lot this time. We didn’t come in vain.”

“Hmm.”

Yang Luo nodded and placed the Ice Spirit Flower in his storage ring. Then, he said, “We’ve been here for three days. It’s time to go back.”

As he spoke, he took out his special cell phone and prepared to contact Evil Butcher.

But at this moment...

A yacht sped over from afar and approached the iceberg.

Evil Butcher asked in a daze, “Brother Yang, what happened just now? Why did I suddenly see an explosion here?”

The assassins on the yacht also looked at Yang Luo and the others in surprise.

They had seen the explosion from afar just now and had no idea what had happened.

“Oh, it’s just that there was some commotion when my cultivation broke through.”

Yang Luo smiled and continued, “Brother Butcher, you came at the right time. Our cultivation has just ended, and you’re already here.”

Evil Butcher said, “It’s not a coincidence. Brother Yang, not long ago, I received Violet’s distress signal.

I plan to bring people to the rescue, so I wanted to tell you before I set off.”

After hearing Evil Butcher’s words, Yang Luo’s expression suddenly changed drastically. He asked in shock, “What happened to Violet?!”

“Not long ago, twelve organizations attacked Violet and wanted to occupy her.

Violet was in danger, so she sent a signal to our God Slaying Temple.

After all, our God Slaying Temple has always been allies with Violet.”

Evil Butcher replied before asking curiously, “However, Brother Yang, why are you so agitated?”

Yang Luo’s expression was cold as he said, “Violet’s leader is my senior sister!”

“What?!”

Evil Butcher was shocked. “Brother Yang, you’re saying that Jade-Faced Killing God Xiao Ziyun is your senior sister?!”

“That’s right.”

Yang Luo nodded in reply.

Evil Butcher was stunned, “Oh my god, this is the first time I’ve heard this news. It’s really too shocking!”

Yang Luo said anxiously, “Brother Butcher, now is not the time to be surprised. Hurry up and bring me to Violet!

I’m going to save my senior sister!”

Bujie said angrily, “Damn it, someone actually dares to bully Sister Ziyun. They simply have a death wish!”

Xu Ying and Prajna’s eyes were also filled with anger.

Xiao Ziyun treated them very well, thus they had long treated Xiao Ziyun as their biological sister.

Now that they heard that someone was bullying Xiao Ziyun, they were naturally furious!

Evil Butcher said, "Alright, alright, alright. Hurry up and board the ship!"

Yang Luo and the other three hurriedly jumped onto the yacht.

Then, the yacht started and drove towards the Ice Island where the God Slaying Temple's headquarters was.

When they arrived at the Ice Island, they saw 18 warships docked on the shore.

There were more than five thousand assassins standing on the deck.

Half of the people were left on the island to guard it!

Great flags depicting blood-colored butcher knives fluttered in the wind. They were majestic and awe-inspiring!

Bujie sighed and said, "Damn, this is too awesome. So many battleships and so many people have gathered at once!"

Yang Luo, Xu Ying, and Prajna were also shocked by the scene in front of them.

Evil Butcher said, "With this scale, it's nothing compared to the top organizations in the underworld.

"Alright, let's not talk anymore. Hurry up and board the ship. Get ready to set off."

"Yes!"

Yang Luo and the other three nodded heavily and boarded the leading battleship with Evil Butcher.

"Let's go!"

Evil Butcher waved his hand and gave the order.

Eighteen battleships were activated at the same time. They cut through the waves and rushed to Violet's headquarters.

Yang Luo looked anxious. He took out his phone and called Xiao Ziyun several times, but he couldn't get through at all.

This was enough to prove that Violet's situation was definitely very critical.

Yang Luo asked worriedly, "Brother Butcher, can we make it in time?"

Evil Butcher said, "Violet's headquarters is quite far from our God Slaying Temple's headquarters actually.

However, there was a shortcut to reach Violet's headquarters as soon as possible.

Let's hope we can arrive in time."

Yang Luo nodded and could not help but clench his fists!

Third Senior Sister, wait for me!
