

Super IDG 691

Chapter 691 Killing Out A Blood Path!

When the rocks and dust slowly dissipated...

The entire Mount Miaoyi collapsed dozens of meters!

The Eighth Hong Tower had also completely turned into ruins!

“Success, we’ve finally succeeded!”

Tian Zhen’s eyes turned red as he raised his arms and shouted.

Feng Lengyue also let out a long breath and muttered, “Yes, we’ve finally destroyed this evil tower...”

Lan Xiaomeng and the others also nodded, their eyes red.

No one knew how much pressure they were under.

Once the operation failed, it was very likely that they would all die here.

They were not afraid of death.

Since they had come here, they had already disregarded life and death.

What they were afraid of was if they all died, yet the mission was not completed.

Fortunately, they had finally destroyed this hundred-year-old evil tower.

Mo Qingkuang also let out a long sigh and said loudly, “Everyone, now is not the time to be happy. Hurry up and find the stones of Country Hua and leave this place!”

“Yes!”

Yang Luo and the others responded in shock. Then, they started to search for the Country Hua stones with Mo Qingkuang.

Not long after...

Yang Luo and the others found all the stones.

Mo Qingkuang put all these stones into his storage ring and prepared to send them back to Country Hua.

“Alright, don’t stay here any longer. Let’s go!”

Mo Qingkuang waved his hand and prepared to leave the mountain with everyone.

But right at this moment...

A series of angry roars sounded!

“You detestable fellows, you’ve destroyed our Eighth Hong Tower. You still want to leave alive?!”

“You damned bastards, all of you have to die!”

“Kill these guys. We can’t let them leave alive!”

Yang Luo and the others looked up and saw a large group of people rushing up from the foot of the mountain. There were more than a thousand of them.

“Damn it, their reinforcements have arrived!”

Luo Jingchen gritted his teeth and roared.

Bujie held the Dragon-Mark Buddhist Staff tightly and said coldly, “These dogs came quite quickly!”

Tian Zhen and the others also frowned.

They did not expect the reinforcements from the four Onmyoji factions to arrive so quickly.

However, this also proved that the Eighth Hong Tower was indeed very important to Country Sakura.

Otherwise, the higher-ups of Country Sakura would not have sent so many people to guard it.

Soon, this group of people arrived at the top of the mountain.

Leading them were four old men, who were also elders of the four Onmyoji factions!

Meiya Fujii, Nine Chrysanthemum Suntai, Miura Satoru and Hoshino Ozora!

Yang Luo also sensed that these four old fellows’ cultivation levels were actually all at the early-stage Martial King Realm!

At this moment.

After Meiya Fujii and the others reached the top of the mountain, they trembled when they saw the scene at the top of the mountain.

There were rocks everywhere, blood everywhere, and broken corpses in the ruins.

“Dead... Elder Nagano and the others are all dead?!”

“Could it be that Elder Nagano and the others were all... killed by these people from Country Hua?!”

“How is this possible... Even the weakest among Elder Nagano and the others was at the perfected Martial Highness Realm!”

“That’s right... Can these guys really kill Elder Nagano and the others?!”

The people from the four Onmyoji factions trembled as they could not believe what they were seeing.

Meiya Fujii’s eyes were bloodshot as he roared, “Kill them, kill them!”

With this order!

More than a thousand people from the four Onmyoji factions held all kinds of weapons and charged at Yang Luo, Mo Qingkuang, and the others!

Yang Luo shouted, “Brothers, kill your way out and rush down the mountain!”

“Kill!”

Xu Ying, Bujie, Prajna, Tian Zhen, and the others moved one after another and attacked the thousand-odd people!

Yang Luo, Mo Qingkuang, Luo Jingchen, and Feng Datong charged towards the four elders!

Because of the previous lesson!

Luo Jingchen and Feng Datong did not hold back and directly used their strongest strength!

Needless to say, Yang Luo and Mo Qingkuang both erupted with their strongest combat strength!

An intense battle began again!

“Get lost, all of you get lost!”

“Those who block the way, die!”

“Kill!”

Bujie, Xu Ying, and Prajna formed a team and charged forward angrily!

The Dragon-Mark Buddhist Staff shattered the sky and sent the charging fellows flying!

Some died on the spot, while others fell from the top of the mountain!

The Dragon Sparrow Saber streaked across the night sky and severed heads one after another!

The two kunais flashed with a dazzling cold light and slit the throats of the fellows who were charging over!

Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo formed a team and pushed forward!

Fist shadows tore through the air and overlapped with palm shadows, sending those fellows charging over flying and exploding into clouds of blood!

The members of the five teams also formed groups of ten and charged forward!

After all, everyone was injured now. If they formed teams, they could take care of each other and avoid more casualties!

Just as Xu Ying and the others were engaged in a fierce battle with the thousand-odd people!

Yang Luo and the other three also engaged in a shocking battle with the four elders!

“Lion Tiger Chaotic Sky Fist!”

Meiya Fujii clenched his fists and kept attacking Mo Qingkuang!

Giant black fists were thrown out one after another, and lions and tiger illusions pounced forward!

“Divine Movement Eight Desolates Palm!”

Mo Qingkuang, on the other hand, turned his hands into palms and struck out continuously!

Rumble!

Giant purple palms pushed forward and shattered the huge black fists that Meiya Fujii threw out, as well as the lions and tigers that pounced over!

After blasting away Meiya Fujii’s attack!

Mo Qingkuang slapped at Meiya Fujii’s chest heavily!

“Pfft...”

Meiya Fujii spat out a mouthful of blood and was sent flying!

After sending many people flying, Meiya Fujii fell heavily 30 meters away. He was in so much pain that he broke out in cold sweat and his expression was ferocious!

He stared at Mo Qingkuang with fear in his eyes!

He did not expect this Country Hua kid in front of him to be so powerful!

In just a few rounds, he was severely injured!

In order to destroy the Eighth Hong Tower, Country Hua actually sent such an expert?

“Old fellow, if you hadn’t come, you might not have died!”

But since you’re here, leave your life behind!”

Mo Qingkuang said in a loud voice. Then, he moved and charged towards Meiya Fujii once again!

“Young brat, I’ll fight you to the death!”

Meiya Fujii roared and mobilized the True Qi in his body to the limit. He too charged towards Mo Qingkuang angrily!

Not far away.

“Yin Yang Double Slash!”

Miura Satoru let out roars. He held a tachi in each hand and slashed at Yang Luo continuously!

Swoosh! Swoosh! Swoosh!

A black and white saber beam shone in the night sky. The saber beam soared into the sky and wreaked havoc in all directions!

Black and white saber shadows interweaved into a saber net that covered Yang Luo!

“Parlor tricks!”

Yang Luo snorted as he raised his right arm and slapped out!

Although it looked like a casual palm strike, it erupted with a shocking might!

A huge golden palm coiled around the phantom of a golden dragon and crushed forward!

Rumble!

The black and white saber net that covered the ground was instantly broken!

After breaking through the saber net, this palm continued to slap heavily against Miura Satoru's chest!

Miura Satoru was shocked and quickly raised his two sabers to block!

There was only a loud clang!

Miura Satoru was directly sent flying by this palm!

As he was sent flying, Miura Satoru spat out a mouthful of blood!

Chapter 692 Small Skills!

Miura Satoru flipped in the air and was about to land.

However, he suddenly realized that Yang Luo's figure had already approached at some point!

“You...”

Miura Satoru exclaimed in shock!

How could this kid be so fast? Could he be a ghost?

He had just been sent flying by him, but the latter had already caught up!

“Piss off!”

Yang Luo let out an explosive roar and slapped at Miura Satoru again!

It was already too late for Miura Satoru to set up his dual sabers to defend. He could only exert his Qi and condense a black and white True Qi barrier to block! Bam!

With a loud sound!

The black and white True Qi barrier condensed by Miura Satoru was directly shattered by the slap!

After shattering the True Qi barrier, Yang Luo slapped on Miura Satoru's chest heavily!

“Ah...!”

Miura Satoru let out another tragic cry and was sent flying.

As he was sent flying, his ribs broke one by one and he spat out another mouthful of blood.

However, Yang Luo did not stop there. Instead, he continued to pursue the other party!

Just as Yang Luo and Mo Qingkuang were fighting against Meiya Fujii and Miura Satoru!

Luo Jingchen and Feng Datong also engaged in an intense battle with Nine Chrysanthemum Suntai and Hoshino Ozora!

Although the two of them were seriously injured, if they joined forces and unleashed their strongest combat strength, they could also withstand the attacks of Nine Chrysanthemum Suntai and Hoshino Ozora!

It was even to the extent that the two of them could rely on their powerful martial techniques to gain the upper hand!

“Taiji Sword Technique!”

“Mountain Splitting Palm!”

Luo Jingchen and Feng Datong continued to launch fierce attacks. They swung their swords one after another and struck out palm after palm. They were incomparably powerful!

“Earth Explosive Flame Palm!”

“Sky Fiend Asura Hands!”

On the other hand, Nine Chrysanthemum Suntai and Hoshino Ozora kept striking out with their palms to block Luo Jingchen and Feng Datong’s attacks! Boom! Boom!

Rumble!

Earth-shattering collisions and explosions sounded endlessly!

Under the terrifying confrontation of the four of them, many people from the Onmyoji sects were sent flying!

At this moment, under the combined attacks of Luo Jingchen and Fene Datong...

Nine Chrysanthemum Suntai and Hoshino Ozora were retreating step by step! Right at this moment...

A roar came from afar!

“Yin Yang Saber Control Technique!”

Miura Satoru, who was covered in blood, threw out the two sabers in his hand! The two sabers tore through the air and instantly transformed into tens of thousands of long sabers that shot towards Yang Luo from all directions!

“Petty tricks!”

Yang Luo took one step after another and advanced forward!

“Roar, roar, roar!”

Golden dragon phantoms roared out of his body one after another, and a total of nine golden dragon phantoms collided in all directions!

Boom! Boom! Boom!

Accompanied by a series of shocking explosions!

The tens of thousands of black and white long sabers that shot towards Yang Luo were all destroyed, turning into energy that filled the sky and splashed in all directions!

After destroying the tens of thousands of black and white sabers formed by

True Qi...

Yang Luo stomped on the ground and leaped up. He stretched out his hands and grabbed the two long sabers in the sky!

In other words, what he was holding now was Miura Satoru's weapon, the Yin Yang Twin Blades!

After grabbing the Yin Yang Twin Blades!

Yang Luo suddenly exerted strength in his arms and threw out the Yin Yang

Twin Blades! &

Whoosh! Whoosh!

The Yin Yang Twin Blades tore through the void and shot towards Miura Satoru, covered in a dazzling golden light!

Miura Satoru was scared out of his wits when he saw this scene!

He did not expect this brat in front of him to be so unbelievably strong!

Even his killing move could not do anything to him!

He did not dare to fight anymore. He turned around and ran!

However, he had only taken a few steps!

Puff! Puff!

The Yin Yang Twin Blades pierced through his body and nailed him to the ground!

Right on his heels, Yang Luo landed steadily on the ground!

After landing, Yang Luo did not stop at all. With a flash, he charged towards the people from the four Onmyoji Sects!

Just as Yang Luo killed Miura Satoru!

A roar came from the sky in the distance!

“Four Beasts Immortal Seal!”

“Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise!”

Mo Qingkuang raised his right hand, and the four huge seals engraved with the four ancient divine beasts overlapped heavily. They descended from the sky and smashed towards Meiya Fujii below!

The four-sided seal pressed down!

Meanwhile, Meiya Fujii opened his arms and roared!

“Divine Light Protection!”

In the next instant...

A dazzling black light barrier enveloped his body. It was like an iron wall that was indestructible!

The next second!

Tang!

The first part of the seal pressed down heavily and smashed onto the black light barrier with a shocking bang!

The entire black barrier trembled and erupted with a dazzling light. However it did not explode!

Meiya Fujii was overjoyed and said smugly, “Kid, I know you’re very strong, but don’t even think about breaking through my defense!”

Mo Qingkuang smiled faintly and said, “Don’t be happy too early...”

Right after he finished his sentence...

Tang!

The second seal also smashed down heavily!

When the second seal smashed down!

Cracks appeared on the solidified black light barrier that enveloped Meiya

“Nani?!”

Meiya Fujii’s pupils constricted. He did not expect Mo Qingkuang’s second seal to shatter his protective barrier!

His forehead was covered in cold sweat. He did not dare to be smug anymore and continued to mobilize the True Qi in his body to strengthen his defense!

However, before his defense could be reinforced further!

The third and fourth seals also smashed down one after another!

Clang! Clang!

As the third and fourth seals smashed down!

With a bang, the protective barrier that Meiya Fujii had condensed shattered and exploded!

His expression changed drastically. He turned around and prepared to retreat, but he had lost the opportunity!

Rumble!

The four-sided seal completely covered him and he smashed heavily onto the ground!

The ground cracked and collapsed, raising a large number of rocks and dust!

When the rubble and dust dissipated...

A huge hole appeared in the ground!

Meiya Fujii, on the other hand, collapsed in the huge pit. His body was badly mangled and he died completely!

After killing Meiya Fujii, Mo Qingkuang quickly turned around and attacked the people from the four Onmyoji Sects!

As Miura Satoru and Meiya Fujii died!

The battle between Luo Jingchen, Feng Datong, Nine Chrysanthemum Suntai, and Hoshino Ozora was also coming to an end!

“Taiji Sword Formation!”

Luo Jingchen waved the longsword in his hand!

And in that instant!

A huge sword formation condensed and surrounded Nine Chrysanthemum Suntai and Hoshino Ozora!

After the sword formation condensed into form, Taiji Eight Trigrams diagrams condensed in all directions!

Longswords shot out from the Taiji Eight Trigrams and headed straight for Nine Chrysanthemum Suntai and Hoshino Ozora!

“Tiangang Limitless Formation!”

Feng Datong instantly circulated the True Qi in his body to the limit and waved his hand!

A huge array formation condensed and surrounded Nine Chrysanthemum Suntai and Hoshino Ozora!

Beams of light shot towards the two of them like long rivers, wanting to drown them completely!

“Charge out!”

Nine Chrysanthemum Suntai was shocked to see their attacks and kept attacking the dual array formation!

Hoshino Ozora also erupted with his strongest combat strength and attacked the dual array!

Chapter 693 Emergency Evacuation!

However, no matter how ferocious the attacks of Nine Chrysanthemum Suntai and Hoshino Ozora were, they were still unable to break through the array formation set up by Luo Jingchen and Feng Datong!

After all, Luo Jingchen and Feng Datong had set up one of the strongest array formations of the Wudang Sect and the Kunlun Sect!

These two array formations were specially developed and created by the elders and sect masters of the Wudang Sect and the Kunlun Sect!

Even if Luo Jingchen and Feng Datong were not the strongest in the two factions, the array formation they set up was not something ordinary people could break!

As time passed.

Nine Chrysanthemum Suntai and Hoshino Ozora gradually lost their strength!

Under the fierce attacks of the dual array formations, the injuries of the two people became more and more serious, and blood kept splashing out!

“Someone, someone come quickly!”

“Help, help us!”

Nine Chrysanthemum Suntai and Hoshino Ozora shouted for help.

“Hurry up and save Elder Chrysanthemum and Elder Hoshino!”

“Hurry! Hurry!”

The people from the four Onmyoji Sects shouted in hoarse voices, wanting to rush over to save them!

However, Yang Luo and Mo Qingkuang were incomparably domineering. They blocked everyone’s path and prevented them from approaching!

A few minutes later...

“Ahhh...”

Accompanied by two extremely painful screams!

Nine Chrysanthemum Suntai and Hoshino Ozora’s bodies were turned into sieves as they fell heavily to the ground!

Suntai and Hoshino Ozora were completely dead!

Luo Jingchen and Feng Datong finally heaved a sigh of relief. Their foreheads were covered in sweat, and they were almost exhausted!

If Yang Luo had not given them pills and recovered some of their injuries, they would not have been able to kill Nine Chrysanthemum Suntai and Hoshino Ozora!

“Dead... The four elders are all dead?!”

“How can this be... How can these guys be so strong?!”

“Avenge the elders... We must kill them!”

The remaining members of the four Onmyoji sects seemed to have gone crazy as they charged towards Yang Luo, Mo Qingkuang, and the others without caring about their lives!

“Retreat!”

“Don’t stay here. Retreat!”

Yang Luo and Mo Qingkuang roared at the same time and led everyone down the mountain!

Although they could kill the remaining people...

However, this would waste time!

The longer they stayed here, the more dangerous it would be!

After all, no one could guarantee that the four Onmyoji sects would not send reinforcements once again!

At this moment, under the lead of Yang Luo and Mo Qingkuang, they finally paved a bloody path!

Everyone ran up and down. Along the way, there were corpses everywhere. Blood dyed the road red. it was a shocking sight!

“Stop them. We can’t let them escape!”

“Chase, hurry up and chase!”

The remaining hundreds of people from the four Onmyoji sects chased after them!

Thus, Yang Luo, Mo Qingkuang, and the others kept increasing their speed as they ran down the mountain!

Gradually, Yang Luo, Mo Qingkuang, and the others completely left the people from the four Onmyojis Sects behind!

Not long after...

Yang Luo, Mo Qingkuang, and the others finally rushed down the mountain and ran towards the forest!

After passing through the forest, everyone finally arrived at the roadside!

“Get in the car and go to Saka City!”

Mo Qingkuang waved his hand and gave the order.

Everyone got into the car one after another and started the car, speeding into the distance!

It was not until the ten MPVs had driven far away that the remaining hundreds of people from the four Onmyoji sects rushed to the roadside!

But when they saw that Yang Luo, Mo Qingkuang, and the others had already fled...

These guys were so angry that they were practically screaming!

“Quick, inform the people of the sect. The Eighth Hong Tower has been destroyed. All twelve elders have died!”

“Hai!”

“The rest of you, hurry up and chase after them!”

“Hai!”

At this moment...

The ten MPVs sped away at top speed, completely leaving the area of Mount Miaoyi.

In the lead MPV.

“Hahaha...”

Bujie laughed heartily, “Great, tonight was too f*cking great!”

Lan Xiaomeng, who had already returned to her little loli form, waved her pink fists and shouted, “We killed more than a thousand bastards, killed twelve elders, and destroyed the Eighth Hong Tower. This is too awesome!”

“Team Leader Mo, we’ve successfully completed this mission, right?”

Tian Zhen asked with a smile.

Mo Qingkuang nodded and said, “It’s still relatively satisfactory until now. However, we can’t let our guard down until we return to Country Hua safely!”

“Yes!”

Everyone nodded heavily.

Mo Qingkuang patted Yang Luo’s shoulder and said, “Brother Yang, you’ve helped us a lot this time.

“If it weren’t for you, this operation probably wouldn’t have gone so smoothly.”

Luo Jingchen smiled and said, “Deputy Pavilion Master Yang had destroyed half of the array on the Eighth Hong Pagoda in advance and eliminated half of the Soul Control Divine Generals.

“If that wasn’t the case, I’m afraid it would have taken a lot of time for us to destroy the Eighth Hong Tower.”

Feng Datong also gave Yang Luo a thumbs up, “Deputy Pavilion Master Yang should take the credit for this operation!”

Yang Luo smiled faintly and said, “What credit? The success of this operation is all thanks to everyone’s joint efforts!”

Mo Qingkuang laughed and said, “Brother Yang, don’t be humble. The first credit for this operation is yours!

Also, Brother Yang, I have to ask you to treat everyone’s injuries later!

“Although we didn’t die in this operation, many of our brothers are seriously injured and need timely treatment!”

“No problem!”

Yang Luo agreed immediately.

The ten MPVs sped for more than an hour.

Just as they were about to reach Saka City...

Mo Qingkuang picked up the walkie-talkie and informed everyone in the cars to stop.

Soon, the cars stopped.

Everyone got out of the car.

Beside it was a large river.

Mo Qingkuang said, "Ding Ling, please quickly restore everyone's looks!

"Also, quickly change your clothes!"

"Yes!"

Everyone responded in unison.

Everyone began to recover their appearance and change their clothes in an orderly manner.

After everyone recovered their looks and changed their clothes...

Mo Qingkuang mobilized the True Qi in his body and waved his hand!

In an instant!

Five MPVs weighing more than a ton were sent flying into the sky above the river!

Yang Luo also mobilized the True Qi in his body and suddenly waved his hand!

The other five MPVs were also sent flying into the sky above the river!

Then, Yang Luo and Mo Qingkuang waved their hands again and released streams of True Qi!

Boom! Boom! Boom!

Ten MPVs exploded one after another!

Flames soared into the sky and molten metal splashed everywhere. It was shocking!

The ten MPVs instantly turned into scrap metal that filled the sky and fell into the river!

After destroying ten MPVs...

Mo Qingkuang said loudly, "Everyone, split up and head to Saka City. Enter the Royal Hotel in batches!"

"Yes!"

Everyone immediately chorused out.

Following that, the members of the five groups split up and ran towards Saka City from various paths!

Not long after, the 50 members disappeared into the night!

Yang Luo, Mo Qingkuang, and company also set off for Saka City-

Just as Yang Luo and company were heading to Saka City...

The entire capital was in an uproar!

The Divine Dao Faction, Nine Chrysanthemum Sect, Extreme Yuan Sect, and Heaven Star Sect, the four great Onmyoji sects were in complete chaos!

The death of more than a thousand elites and twelve elders had dealt an unprecedented blow to the four Onmyoji factions!

Therefore, the four Onmyoji sects had already issued a wanted order to gather all their disciples to capture Yang Luo and the others...

Chapter 694 How Can I Not Take Revenge for the Extermination of My Family?

Around three in the morning.

Saka City.

Royal Hotel.

Yang Luo and the others had already checked into this hotel in batches.

At this moment.

In one of the luxurious suites.

Yang Luo, Mo Qingkuang, and the others were sitting on the sofa.

It was not until they checked into the hotel that everyone heaved a sigh of relief.

Tian Zhen smiled and said, "The people from the four Onmyoji factions are probably looking for us like crazed madmen.

In this battle, we wiped out so many elites of the four Onmyoji sects and even killed twelve of their elders, completely injuring the forces.

I wonder how many years it will take for these four Onmyoji schools to recover their vitality."

"They deserve it!"

Lan Xiaomeng waved her fist and snorted, "Who asked these bastards to keep going against us!"

Bujie shouted, "We should completely destroy these four Onmyoji Sects!"

"Yes, yes, yes. We should destroy them!"

Lan Xiaomeng also started to jeer.

"Alright, alright. Our mission this time is to destroy the Eighth Hong Tower. Let's not complicate matters."

Mo Qingkuang waved his hand and looked at Yang Luo, "Brother Yang, I'll have to trouble you to treat everyone's injuries!

We'll return to Country Hua after we're done treating our injuries!"

"Alright!"

Yang Luo nodded and began to heal everyone.

In order to let everyone recover from their injuries as soon as possible, Yang Luo used all his medical skills.

After treating the injuries of Luo Jingchen, Feng Datong, and the others, Yang Luo went to the other rooms to treat the members of the five groups.

Seconds ticked by.

Around five in the morning....

Yang Luo treated everyone's injuries and returned to the room where Mo Qingkuang and the others were.

When they saw that Yang Luo's forehead was covered in sweat and his face was a little pale, Mo Qingkuang and the others immediately became nervous. "Brother Yang, are you alright?"

Mo Qingkuang hurriedly asked.

"Brother Yang..."

Prajna hurriedly supported Yang Luo, her eyes filled with heartache.

Yang Luo let out a long breath and shook his head, "I'm fine. I'm just a little exhausted. I'll be fine after resting for a while."

He had no choice. The battle tonight had already exhausted a lot of his strength.

After the battle ended, he healed everyone without stopping, consuming even more energy.

To be able to last until now was already unimaginable for ordinary people.

Prajna hurriedly helped Yang Luo sit down on the sofa.

Mo Qingkuang said with emotion, "Brother Yang, thank you for healing everyone.

"If not for you, I'm afraid many of us wouldn't have been able to last until we returned to Country Hua."

Luo Jingchen sighed in admiration, "Deputy Pavilion Master Yang, we are completely convinced of your righteousness!"

Feng Datong patted his chest and said, "Deputy Pavilion Master Yang, from now on, your matters are my matters!

As long as you give me a call, I won't hesitate to go through mountains of blades and seas of flames!"

Tian Zhen and the others also nodded heavily. They were both touched and endlessly respectful.

Brother Yang, thank you for everything you've done for the Hidden Dragon Pavilion. I'll bow to you!"

As he spoke, Mo Qingkuang bowed deeply to Yang Luo.

“Brother Mo, what are you doing? You don’t have to do this.”

Yang Luo helped Mo Qingkuang up and said, “I’m also a member of the Hidden Dragon Pavilion. This is what I should do.”

“Good brother!”

Mo Qingkuang patted Yang Luo’s shoulder heavily and said, “Everyone, let Brother Yang rest for a while!

“After Brother Yang recovers a little, we’ll immediately head to the airport and return to Country Hua!”

“Alright!”

Everyone immediately chorused out.

Yang Luo said, “Brother Mo, I still have something to deal with here. Bring our brothers back to Country Hua first.”

“Ah?”

Mo Qingkuang was stunned, “Brother Yang, you’re not going back to Country Hua with us?!”

Jin Yumin and the others also looked at Yang Luo in confusion.

Yang Luo nodded and said, “We’ll go back after we’re done.”

After all, he had promised to avenge Prajna, so he naturally could not go back on his word.

Mo Qingkuang frowned and said, “Brother Yang, what exactly are you doing? Is it very urgent?”

Luo Jingchen also said, “That’s right, Deputy Pavilion Master Yang. The people from the four Onmyoji sects are probably everywhere trying to capture us..

Moreover, it won’t be long before the higher-ups of Country Sakura are alarmed and send people to capture us as well.

It will probably be very dangerous for you to stay here.”

Yang Luo smiled and said, “Everyone, don’t worry. After we’re done, we’ll immediately return to Country Hua.

It won’t be easy for those guys to catch us.

Alright, you guys can go back first. Don’t worry about us.”

With that, Yang Luo left the room with Xu Ying, Bujie, and Prajna.

After leaving the room, Yang Luo and the others walked out of the hotel.

Xu Ying was a little worried, “Brother Yang, you’re not in a good state now.

Why don’t we return to Country Hua this time and avenge Prajna the next time?”

“Ok!”

Prajna nodded as well, “Brother Yang, there’s no need to be in such a hurry!”

Yang Luo waved his hand and said, “Don’t worry, I’m really fine. I just need to rest for a while.

Furthermore, we are not going to destroy those Ninja Dao Sects immediately.

Later, we’ll go to Minggu City and find a hotel to rest.

We’ll take action at night.”

There was a pause.

Yang Luo continued, “Moreover, we caused such a huge commotion in Country Sakura this time.

In the future, they will definitely increase their vigilance. Anyone from Country Hua who came to Sakura Country will be carefully interrogated and searched.

If we come again, it will definitely be more difficult than now.”

Prajna looked at Yang Luo with red eyes and pursed her lips, “Brother Yang, why don’t we not take revenge?

I only hope that we can live happily together. I don’t want to care about any hatred anymore.”

How can you not take revenge for the extermination of your clan?”

Yang Luo asked back before smiling gently, “Prajna, this is my promise to you. I have to fulfill it.

Alright, don’t worry. I’ll definitely avenge you.

Let’s go to the high-speed rail station and head to Nago City.”

Seeing that Yang Luo was determined to take action, Xu Ying, Bujie, and Prajna sighed deeply and did not persuade him anymore.

Then, Yang Luo and the others hailed a taxi and went straight to the high-speed rail station.

On the way to the high-speed rail station, Yang Luo and the other three booked tickets to Nago City.

After arriving at the high-speed rail station, the four of them waited for about twenty minutes before getting on the high-speed rail.

Yang Luo and Prajna sat together.

Xu Ying and Bujie sat together.

Yang Luo looked at the rapidly retreating scene outside the window and asked Prajna, “Prajna, are you sure that the six ninja sects, the Asuka Ninja Sect, the Gamou Ninja Sect, the Aoki Ninja Sect, the Tolerance Ninja Sect, the Takeda Ninja Sect, and the Yoshino Ninja Sect are in Nago City?”

“Quite sure!”

Prajna nodded heavily and said, “The six ninja sects are in the six ninja villages under Nago City!

These six ninja villages were all named after their sects. They are Asuka Village, Gamou Village, Aoki Village, Tolerance Village, Takeda Village, and Yoshino Village!

I’ve been paying attention to the news of these Ninja Dao Sects for so many years. I’m definitely not wrong!”

“That’s good.”

Yang Luo nodded and said, “Then let’s destroy these six ninja schools first. Then, we’ll rush to Kana City and destroy the four ninja schools, the Koga Ninja Sect, the Ito Ninja Sect, the Wind Demon Ninja Sect, and the Black Feather Ninja Sect!”

“Brother Yang, can we really succeed?”

Prajna was still very worried.

“We will definitely succeed. We have to succeed!”

Yang Luo replied firmly..

Chapter 695 Sword Pointed At Asuka Village

It was past nine in the morning.

Yang Luo and company arrived at Nago City’s high-speed rail station.

After leaving the high-speed rail station, Yang Luo and the others took a taxi and went straight to the city.

When they arrived in the city, Yang Luo and the others had breakfast and booked four luxurious suites at the Baiyuan Hotel in the city.

After entering the hotel, Yang Luo said, “Everyone, go back to your rooms to rest and conserve your energy. We’ll take action at night!”

“Alright!”

Xu Ying, Bujie, and Prajna nodded in agreement.

Then, everyone returned to their rooms.

Entering the room, Yang Luo looked around and realized that the room was quite spacious. There was everything that should be there, and there was even a huge bathtub.

Yang Luo specially filled a vat with hot water and took a hot bath to relieve his body’s fatigue.

After taking a bath, Yang Luo sat cross-legged on the bed and began to cultivate to recover his strength.

Since he was going to start his operation tonight, he had to make sure that his energy was at its peak.

He did not care about those bullsh*t special ninjas, upper ninjas, middle ninjas, and lower ninjas.

The only thing he valued was the Divine Ninja.

He did not know how strong these Divine Ninjas were.

It seemed like it would be revealed tonight.

Time passed quickly.

In the blink of an eye, it was eight in the evening.

Yang Luo and the other three left the hotel, hailed a taxi, and went straight to Asuka Village.

The Asuka Village was not too far from the city. They arrived only after driving for more than half an hour.

After getting out of the car...

As far as the eye could see, there were mountains rising and falling in the distance. There were also forests and a few rivers flowing in them.

Bujie asked curiously, "Sister Prajna, is this Asuka Village really here? Why can't I see anything?"

Prajna pointed at the distant mountain and said, "Brother Bujie, Asuka Village is in that mountain!"

Yang Luo nodded and said, "Prajna, lead the way!"

"Alright!"

Prajna nodded in agreement.

Then, Prajna led the way while Yang Luo, Xu Ying, and Bujie followed closely behind.

After passing through a few forests and crossing an arch bridge, Yang Luo and the other three entered the mountain.

The road on the mountain was winding like a maze.

If not for Prajna leading the way, it would not have been easy to enter Asuka Village.

Even so, it took Yang Luo and the other three nearly half an hour to finally arrive at the territory of Asuka Village.

The night was as dark as ink, and the crescent moon hung high in the sky, scattering cold light.

Yang Luo and the other three were standing on a hundred-meter-tall mountain.

Upon casting their sight further, they could see that Asuka Village was located in a basin.

Surrounded by towering mountains, it was like a natural barrier.

There were olden styled houses from the Edo era sitting on the high mountain.

In front of all the houses stood a stone tablet that was ten meters tall.

The words "Asuka Village" were carved on it.

Many ninjas in black, dark blue, and dark purple ninja uniforms were patrolling everywhere.

Yang Luo's eyes were cold as he said indifferently, "Is this the territory of the Asuka Ninja Sect?"

Very good, then I'll destroy this Asuka Ninja Sect first and then destroy the other five ninja sects!

Of course, it would be even better if we attract all the people from the five major Ninja Dao Sects!

"In that case, we can capture them all and kill them all here!"

Bujie said excitedly, "We can do something big again!"

Tonight, I want to let the Buddhist staff in my hand drink the blood of these dogs!"

“Let me start this battle!”

Yang Luo said in a steely voice. Then, he raised his right hand, put his index and middle fingers together, and continuously mobilized the True Qi in his body!

In an instant...

A dazzling golden light flickered between Yang Luo's fingers, as if it had transformed into a golden sword!

Xu Ying, Bujie, and Prajna were very puzzled, not knowing what Yang Luo wanted to do.

Just as Xu Ying and the other two were confused...

Yang Luo raised his sword finger high and slashed forward!

Swoosh!

The moment he waved his sword finger, it seemed to have transformed into a huge golden sword that slashed out!

The golden sword beam pierced through the night sky, tearing through the sky and illuminating the darkness!

“What is that?!”

“Could it be a shooting star?!”

The patrolling ninjas were also alarmed and looked up at the sky.

But just as they were in a daze!

The huge golden sword pressed down on them!

“What?! It's actually a sword?!”

“What's going on?!”

“What a terrifying sword power! Quick! Retreat!”

The ninjas immediately reacted and retreated.

However, even if they reacted, they could not retreat in time!

At that moment...

The huge golden sword slashed down heavily!

Rumble!

The stone tablet standing in front of Asuka Village was split into two with a bang and then shattered into pieces by the sword qi!

The houses in front of the stone tablet were also split into two!

As for the ninjas who had yet to retreat, they were directly killed by the sword!

Rocks soared into the sky and dust filled the air!

With just one strike, he destroyed the stone tablet, dozens of houses, and killed more than a hundred ninjas!

A hundred-meter-long ravine was split open in the ground!

“Enemy attack! Enemy attack!”

“Prepare for battle! Prepare for battle!”

“Hurry up and inform the sect master!”

The ninjas of Asuka Village shouted in surprise.

The entire Asuka Village was in chaos!

At this moment, on a mountain not far away.

Xu Ying, Bujie, and Prajna were stunned.

They did not expect Yang Luo to cause such a huge commotion the moment he arrived.

Yang Luo shook his head helplessly and said, “I still have to find a suitable sword. Otherwise, the power of that sword just now would be even greater.”

Xu Ying and the other two were speechless.

He shattered the stone tablet with a single slash, destroyed more than a dozen houses, and killed more than a hundred ninjas.

Wasn’t this strength considered powerful?

If Yang Luo really found a good sword, how terrifying would its power be?

It was simply unimaginable.

Prajna gulped and asked, “Brother Yang, do we have to be so high-profile?”

Yang Luo smiled and replied, “We’re here to take revenge and kill people this time. Naturally, we have to make a large commotion to provoke them!”

It’s best if we can alarm all the main forces of the Asuka Ninja Sect. Only then can we completely destroy them!”

“Brother Yang is right!”

Bujie nodded and said excitedly, “Brothers, prepare for battle!”

“Baka!”

“There’s the enemy!”

“Quick, go and kill them!”

At this moment, the ninjas of Flying Bird Village noticed Yang Luo and the other three on the mountain. All of them roared and rushed over.

“Kill!”

Yang Luo shouted and leaped down. He raised his right hand and his palm shone with a blazing golden light as he pressed down!

“True Dragon Palm!”

A huge golden palm print was like a huge golden mountain as it ruthlessly pressed down on the ninjas who were charging over!

The next second!

Peng, peng, peng!

The dozens of ninjas who were the first to charge over were directly crushed by the golden palm print and turned into pools of blood!

“Hahaha, your Lord Buddha is here!”

Bujie also laughed wildly and leaped down. He suddenly swung the Dragon-Mark Buddhist Staff in his hand!

The black Dragon-Mark Buddhist Staff emitted a golden light and seemed to have transformed into a huge golden staff that smashed down!

Boom! Boom! Boom!

Immediately, dozens of ninjas were hit by the staff and their bodies were smashed into a mess.. They were badly mangled and fell to the ground, dead...

Chapter 696 Only for Revenge!

Just as Bujie leaped down!

Xu Ying and Prajna also jumped down from the mountain!

“Die!”

Xu Ying roared and waved the Dragon Sparrow Saber in his hand, slashing forward!

Puff! Puff! Puff!

Immediately, dozens of ninjas were killed with a single slash!

“Kill!”

Prajna shouted coldly as she waved the kunai in her hand!

Chi! Chi! Chi! Chi!

Dozens of ninjas' throats were cut open and they fell heavily to the ground!

The ninjas who rushed up behind were all scared silly. They stopped and looked at Yang Luo and the others in horror!

“Damn it, who are these guys? Why are they so strong?!”

“These guys seem to be from Country Hua, but why did they come to our Asuka Village to kill us?!”

“That woman is holding a kunai in her hand. Could she be a ninja too?!”

These ninjas discussed in surprise, their eyes filled with confusion and anger.

“Who are you people? Why did you barge into our Asuka Ninja Sect?

What exactly is your motive?”

A team leader asked in broken Country Hua language.

“Our motive?”

Yang Luo smiled coldly and said, “Our goal is very simple. We only have one goal!

That is to completely destroy your Asuka Ninja Sect!”

As soon as these words were spoken!

All the ninjas’ expressions changed drastically as they roared!

“Arrogant Country Hua brat, you actually dare to say that you want to destroy our Asuka Ninja Sect!”

“You think the four of you can destroy our Asuka Ninja Sect? Dream on!”

“Our Asuka Ninja Sect is ranked in the top ten of all ninja sects in Country Sakura. Is it something you can destroy just because you want to?”

“Xu Ying, Bujie, Prajna, kill them all!”

Yang Luo could not be bothered to waste his breath on these guys. His figure moved and he charged out!

Xu Ying, Bujie, and Prajna also flashed and charged forward!

A bloody battle immediately erupted!

Although there were a lot of these ninjas, most of them were low-level ninjas and middle-level ninjas. Their strength was average!

They could not withstand the attacks of Yang Luo and the other three at all and were killed one after another!

Screams, roars, and roars resounded endlessly!

In less than ten minutes.

The ground was already littered with corpses and blood flowed like a river!

Yang Luo and the other three pushed forward and quickly arrived at the center of Asuka Village!

The ninjas in Asuka Village had long been alarmed. They rushed over from all directions and attacked Yang Luo and the other three!

Yang Luo suddenly stomped down and released the True Qi in his body!

The vast and majestic True Qi surged in all directions like a surging wave!

Boom! Boom! Boom!

Accompanied by a series of loud bangs!

Before the ninjas could get close, they were sent flying. They spat out blood and died on the spot!

The surrounding houses were also destroyed and collapsed!

“Kill!”

Xu Ying roared and swung the Dragon Sparrow Saber with all his might!

With a wave of his saber, thousands of sabers condensed and shot in all directions!

Puff! Puff! Puff!

The ninjas who surrounded him were pierced through and died tragically!

“Roar of the Lion!”

“ROAR...”

Bujie continuously mobilized the True Qi in his body and then let out an explosive roar!

Golden sound waves spread out, and the ninjas charging at him had their eardrums shattered, and their internal organs shattered. They died on the spot!

“Shadow Style, Shadow Doppelganger!”

Prajna’s figure flashed, transforming into dozens of clones that charged in all directions!

With the help of those clones, those ninjas were no threat to her and were all killed!

Although Xu Ying, Bujie, and Prajna had yet to step into the Martial Highness Realm...

However, the three of them had followed Yang Luo for so long and had fought all over the place. Their combat experience had become richer, and their combat strength was much stronger than cultivators of the same level!

“Halt!”

At this moment, a roar sounded.

Everyone present stopped and turned around.

A group of people walked over with gloomy expressions.

The person walking in front was a middle-aged man. He was the sect master of the Asuka Ninja Sect, Asuka Okawa.

Behind him were seven old men. They were the seven elders of the Asuka Ninja Sect!

Asuka Hoshi, Asuka Taiyoku, Asuka Yamakoe, Asuka Taro, Asuka Sosuke, Asuka Keiko and Asuka Misa!

When she saw this group of people walking over, Prajna clenched the kunai in her hand tightly, her eyes filled with hatred and anger!

Asuka Okawa stared coldly at Yang Luo and the others and asked in a steely voice, “Who exactly are you? Why did you barge into Asuka Village and kill people from my Asuka Ninja Sect?”

Yang Luo met Flying Okawa’s gaze and said loudly, “We’re here only for revenge!”

“Revenge?”

Asuka Ogawa frowned and said, “I have no enmity with you, so how can you take revenge?”

“Asuka Ogawa, do you still remember what happened twelve years ago?!”

Without waiting for Yang Luo to speak, Prajna roared, her beautiful eyes bloodshot.

“Twelve years ago?”

Asuka Ogawa got even more puzzled, “Miss, so many things happened twelve years ago. I don’t know which one you’re talking about.”

Prajna smiled bleakly and said, “Then do you still remember the Chiyuki family?”

Upon hearing this, Asuka and the seven elders were first stunned before their pupils constricted as they stared intently at Prajna!

Asuka Ogawa narrowed his eyes and said, “Are you from the Chiyuki family?”

Prajna hissed, “That’s right, I’m from the Chiyuki family!”

“Impossible!”

Asuka Okawa shook his head and said, “We’ve already wiped out all the members of the Chiyuki family. How can any of them survive?!”

Prajna enunciated each word clearly, “My father is Chiyuki Ryuhei, and my mother is Mayumi Sanada!”

“What?!”

Asuka looked at Prajna in shock, “You... you’re actually Chiyuki Ryuhei’s daughter?!”

“How is this possible?!”

Asuka Hoshi’s expression was cold, “Chiyuki Ryuhei’s children have clearly been killed by us. How can his daughter still be alive?”

The other elders also looked at Prajna in shock, their eyes filled with disbelief.

Prajna was so angry that her entire body was trembling. Her eyes were red as she roared, “If my father hadn’t sent me away during the battle, I would have died at the hands of you bastards long ago!”

“So that’s why.”

Asuka Okawa nodded in realization and said sinisterly, “I say, the little girl, if you hadn’t appeared, we might never have known of your existence.

You could also quietly live on.

However, since you’ve appeared, we naturally won’t let you off.

After we capture you, we ll play with you first before killing you.

Your looks and figure are really inferior to your mother’s though...”

“Hahaha, looks like this little girl is the last member of the Chiyuki family. As long as we kill her, the Chiyuki family will be completely wiped out!”

Asuka Hoshi also laughed loudly. He seemed to be in a good mood.

Asuka Taiyoku added viciously, “Little girl, I promise that you will die even more miserably than your father and mother...”

Chapter 697 Extermination in One Move!

Just as he finished speaking...

Yang Luo said calmly, “Did you ask me if you wanted to kill my woman?”

Hearing Yang Luo’s words...

Xu Ying and Bujie were stunned.

in the past two days, they had indeed felt that Prajna’s gaze at Yang Luo was different from before.

Unexpectedly, Prajna had already become Yang Luo’s woman.

Bujie said with a gossipy expression, “Brother Yang, what’s going on? When did you and Sister Prajna get together? Why didn’t we know?”

Xu Ying frowned, “Is this the time to talk about this?”

“Er... that’s true.”

Bujie grinned.

“Kid, are you this girl’s man?”

Asuka Okawa looked up at Yang Luo.

“That’s right.”

Yang Luo nodded in reply.

Asuka Okawa sneered, “Kid, do you think you can avenge this girl alone?” “Damn it, who said that Brother Yang was the only one? Are we not human?” Bujie was instantly displeased and stepped forward.

Xu Ying also took a step forward and looked coldly at Asuka Okawa and the others.

“Hehe...”

Asuka Okawa smiled coldly and said, “The two of you are only at the perfected

Martial Scholar Realm. You can’t even compare to me!

As for the seven elders of our Flying Bird Ninja Sect, their cultivation levels are all above mine!

What can you use to fight us? What can you use to take revenge?” The seven elders also looked at Yang Luo and the others mockingly.

-Aren’t you only at the early-stage Martial Highness Realm? What are you so proud of? Let me fight you!”

With a loud roar, Bujie held the Dragon-Mark Buddhist Staff and charged towards Asuka Okawa!

Seeing Bujie make a move, Yang Luo did not help.

With Bujie’s current strength, it was not a problem for him to deal with an early-stage Martial Highness Realm expert.

“Seeking death!”

Asuka Okawa also roared and charged towards Bujie with a tachi in his hand!

The seven elders had no intention of attacking either.

A Martial Scholar Realm expert was not worthy of them taking action.

In the next instant...

The distance between the two of them narrowed!

Bujie directly swung the Dragon-Mark Buddhist Staff in his hand and smashed it towards Asuka Okawa with all his might!

Meanwhile, Asuka Okawa waved the tachi in his hand and faced the attack!

Clang! Clang!

The Buddhist staff and the tachi collided heavily, emitting a crisp collision sound!

Flames shot in all directions and True Qi surged, shocking everyone! The surrounding ninjas retreated one after another, not daring to approach! Asuka Okawa thought that he could easily crush Bujie!

However, at the moment of the battle!

His expression changed drastically as he felt a power that was like a landslide and a tsunami surge over, making him unable to resist!

“Get lost!”

His expression changed drastically as he felt a power that was like a landslide and a tsunami surge over, making him unable to resist!

Although Bujie looked delicate and handsome, and his figure did not look strong, his strength was unbelievably ferocious!

Especially his explosive power, it was even more terrifying!

“Ugh!”

Asuka Okawa let out a muffled groan and was sent flying more than ten meters away before he could stabilize himself!

Although he had stabilized his body, he felt pain and numbness in his arm. The blood qi in his body was even a little restless!

“How is this possible?!”

Asuka Okawa stared intently at Bujie, “Your cultivation level is clearly lower than mine. Why is your combat strength above mine?!”

“Do you want to know the answer?”

Go to hell and ask the King of Hell!”

Bujie shouted and charged towards Asuka Okawa again!

The two of them immediately engaged in an intense battle!

However, Bujie relied on his rich combat experience, exquisite Buddhist martial techniques, and super powerful combat strength to forcefully suppress Asuka Okawa!

Therefore, within a few minutes of the battle, Asuka Okawa was already on the verge of losing!

Asuka Hoshi’s expression darkened as she said in a trembling voice, “I’m afraid Okawa is not this monk’s match. Meisha, Keiko, go and help!

“Hai!”

Asuka Misa and Asuka Keiko responded. One of them held a silver soft whip, and the other held a flying claw. They moved at the same time and attacked Bujie!

However, just as the two of them moved!

Xu Ying and Prajna’s figures flashed and blocked their path!

“Your opponent is us!”

Xu Ying said coldly.

“Today, I will definitely take revenge on my Chiyuki family!”

Prajna gritted her teeth and roared.

-A perfected Martial Scholar Realm expert and a middle-stage Martial Scholar Realm expert want to take revenge? They’re simply fantasizing!”

“Then well kill you first before killing that monk!”

Asuka Misa and Asuka Keiko shouted coldly and charged at Xu Ying and Prajna!

Xu Ying and Prajna were not afraid at all and charged forward!

They knew very well that if they wanted to become stronger, they had to fight experts stronger than them!

As long as you defeated an expert, you would be an expert!

Yang Luo hooked his finger at the remaining five people from Asuka Hoshi and said indifferently, "The five of you can attack together!"

He had also sensed just now that the strongest of these five old fellows was only at the middle-stage Martial King Realm. They were not a threat to him at all!

Currently, only perfected Martial King Realm experts or even experts above the Martial King Realm could pose a threat to him!

"There's no need for the five of us. I alone am enough!"

Asuka Taro shouted and charged at Yang Luo!

Yang Luo just stood quietly on the spot, not even wanting to move.

This guy was only at the mid-stage Martial Highness Realm. He was nothing to him.

"Go to hell!"

After approaching, Asuka Taro soared into the sky and raised his palm to slap Yang Luo!

But just as Asuka Taro's palm slapped over!

Yang Luo slapped out with a backhand!

And in that instant!

Boom!

The entire area shook!

The ground shattered and collapsed!

Rocks flew and dust rolled!

By the time the rocks and dust dissipated...

The scene in front of them instantly stunned Asuka Hoshi and the others, and their bodies could not help but tremble!

A huge pit had appeared on the ground in front of Yang Luo!

Asuka Taro lay in the huge pit, his entire body twitching. His body was badly mangled, and blood could not stop gushing out of his mouth!

In less than a minute, Asuka Taro stopped breathing!

"How is this possible... Fourth Elder died just like that?!"

"A slap... Fourth Elder was actually killed by this kid with a slap?!"

"Fourth Elder is so powerful... Why can't he even withstand one move?!"

The surrounding ninjas cried out in shock, their eyes filled with fear and disbelief.

In particular, First Elder Asuka Hoshi, Second Elder Asuka Taiyoku, Third Elder Asuka Yamakoe, and Fifth Elder Asuka Sosuke were extremely shocked and could not recover for a long time!

Yang Luo slowly retracted his hand and said indifferently, “I told you to attack together, but you didn’t listen and insisted on coming alone to die...” “Baka!”

“Let’s attack together and kill this kid!”

Asuka Hoshi and the other three were furious and did not dare to be careless.

They moved at the same time and charged at Yang Luo!

“Why didn’t you do this earlier?”

Yang Luo narrowed his eyes and said. Then, he took a step forward and faced the four of them!

“Fire Style, Fire Bird!”

Asuka Sosuke formed a seal with both hands and roared!

In the blink of an eye!

A huge flaming bird condensed into form. It spread its wings and flew high, pouncing at Yang Luo!

Wherever it passed, the stones on the ground were charred black. It was incomparably terrifying!

A mocking smile flashed across Yang Luo’s Ups as he threw a punch!

Boom!

The flaming bird exploded on the spot, turning into sparks that scattered everywhere...

Chapter 698 Requesting Reinforcements!

After blowing up this huge flaming bird!

The power of Yang Luo’s punch did not decrease at all as it continued to blast towards Asuka Sosuke!

Seeing Yang Luo’s punch approaching!

Asuka Sosuke was shocked and formed hand seals again!

“Earth Style, Earth Mountain Shield!”

A ten-meter-tall earth mountain immediately stood up and blocked in front of him!

Boom!

With a loud sound!

The mountain was also shattered by a single punch!

“Nani?!”

Asuka Sosuke exclaimed. Clearly, he did not expect his defense to be so weak in front of Yang Luo.

As Yang Luo’s punch continued unbidden!

Asuka Hoshi, Asuka Taiyoku, and Asuka Yamakoe also charged over and attacked Yang Luo!

Asuka Hoshi waved the scythe in her hand and slashed at Yang Luo!

The War Scythe was a combat-type scythe that ninjas often used!

The handle was long, the back was wide, and the blade was long. It was extremely sharp!

Asuka Taiyoku waved the ninja tanto in his hand and slashed at Yang Luo!

Asuka Yamakoe swung a huge hammer at Yang Luo!

However, just as the three of them attacked!

Yang Luo’s left hand turned into a palm and slapped out!

Boom! Boom!

With just a palm, Asuka Hoshi, Asuka Taiyoku, and Asuka Yamakoe were sent flying!

After sending Asuka Hoshi and the other two flying, Yang Luo punched Asuka Sosuke’s chest!

“Pfft...”

Asuka Sosuke spat out a mouthful of blood as his body was sent flying. He crashed into a few houses and fell into the ruins.

Soon, there was no more movement in the ruins!

Obviously, Asuka Sosuke had been killed by Yang Luo with a punch!

“Fifth Elder is dead... Fifth Elder died just like that?!”

“One move... This kid actually killed the Fifth Elder with just one move as well!”

“Who is this kid? Why is he so strong?!”

The surrounding ninjas were trembling as they looked at Yang Luo with extreme fear.

At this moment, Asuka Hoshi, Asuka Taiyoku, and Asuka Yamakoe were sent flying more than 20 meters away before they stabilized themselves!

Asuka Hoshi roared at Yang Luo, “Kid, you killed an elder of my Asuka Ninja Sect and so many of our disciples. Today, we will definitely cut you into pieces!” “Cut me into pieces?”

Yang Luo smiled mockingly and shook his head, “You guys aren’t worthy!”

Asuka Hoshi said viciously, “Even if we can’t kill you, what if someone helps?” “What do you mean?”

Yang Luo asked.

Asuka Hoshi did not answer Yang Luo's question. Instead, he formed a seal with one hand and struck into the sky!

At that very moment...

“Chirp!”

Accompanied by a sharp cry, a huge green bird immediately condensed and flew into the sky!

After this green bird flew into the sky, it directly split into five smaller green birds and flew towards five different directions!

This was a method used by the Asuka Ninja Sect to send signals!

Yang Luo looked at the sky and said with a smile, “Old fellow, are you asking for help?”

“That's right.”

Asuka Hoshi laughed sinisterly. “When the Gamou Ninja Sect, Aoki Ninja Sect, Tolerance Ninja Sect, Takeda Ninja Sect, and Yoshino Ninja Sect arrive...

No matter how strong you are, you will only die!”

“Is that so?”

Yang Luo chuckled and said, “Old fellow, do you know why I didn't interrupt your signal just now?”

Asuka Hoshi frowned, not knowing what Yang Luo meant.

Yang Luo continued, “This is because what I want is for you to ask for reinforcements.

“If you didn't ask for reinforcements, how would the five major Ninja Dao sects send people over?”

If they don't send someone over, I'll have to destroy them one by one. That'll be too troublesome.”

Asuka Hoshi sneered and said, “Kid, do you mean that you can destroy our six ninja schools?”

“Of course!”

Yang Luo nodded and said loudly, “In short, I won't let go of anyone who participated in the annihilation of the Chiyuki family!”

Asuka Hoshi was instantly amused, “Kid, you're really arrogant. You actually want to destroy all our ninja schools?

I want to see how confident you are to say such things!”

As he spoke, Asuka Hoshi's figure flashed and charged at Yang Luo!

Asuka Taiyoku and Asuka Yamakoe also moved and charged forward!

Asuka Hoshi's cultivation was at the mid-stage Martial King Realm, Asuka Taiyoku's cultivation was at the early-stage Martial King Realm, and Asuka Yamakoe's cultivation was at the perfected Martial Highness Realm!

At this moment, the three of them unleashed their full auras. The combat power they erupted with was terrifying and monstrous, causing the ninjas watching the battle to tremble in fear!

Yang Luo did not say a word and went up to fight as well!

In the blink of an eye!

The distance between Yang Luo and Asuka Hoshi shortened!

Asuka Hoshi and the other two mobilized the True Qi in their bodies continuously and swung their scythes, ninja tantos, and huge hammers at Yang Luo!

Facing the powerful attacks from the three!

Yang Luo's eyes were cold as he twisted his fist and punched out!

“Explode!”

A huge golden fist blasted out. It was incomparably domineering, as if it could destroy everything!

In the next instant...

Rumble!

Yang Luo's punch collided heavily with the weapons swung by the three of them, producing a shocking clanging sound!

Flames shot out as True Qi surged in all directions!

The next second!

Crack! Crack!

The scythe in Asuka Hoshi's hand, the ninja tanto in Asuka Taiyoku's hand, and the huge hammer in Asuka Yamakoe's hand shattered and exploded, turning into a pile of scrap metal that splattered in all directions!

Seeing the weapon in their hands shatter, Asuka Hoshi and the other two trembled and looked at Yang Luo as if they were looking at a monster!

How strong was this kid?!

Why couldn't the three of them suppress this kid even when they joined forces?!

Asuka Hoshi did not dare to stop at all and formed seals with both hands!

“Lightning Style, Asuka Thunder Slash!”

“Fire Style, Heaven Overflowing Fire!”

Rumble!

Whoosh! Whoosh!

The green lightning transformed into tens of thousands of lightning blades that shot towards Yang Luo with a destructive aura!

Meanwhile, tongues of red flames transformed into a huge wave that surged towards Yang Luo!

“Wind Style, Tyrannosaurus Tornado!”

“Earth Style, Earth Rock Collapse!”

Asuka Taiyoku also raised his hands and formed seals at the same time!

Hu! Hu! Hu! Hu!

Rumble rumble rumble!

Blue tornadoes swept through the world and crushed towards Yang Luo!

The gray soil and rocks that filled the sky condensed into form and descended from the sky, smashing towards Yang Luo!

“Water Style, Water Explosion Impact!”

“Wood Style, Thousand Wood Forest!”

Asuka Yamakoe also raised his hands and quickly formed seals!

Whoosh! Whoosh!

Boom! Boom! Boom!

Waves soared into the sky and surged towards Yang Luo like a surging river!

Giant trees broke out of the ground one after another, as if they had transformed into a huge tree array that surrounded Yang Luo!

Even while facing the heavy ninjutsu attacks of the three of them, Yang Luo’s expression was calm as he said indifferently, “The ninjutsu you used is quite interesting. Unfortunately, the power is not much.”

As he spoke, Yang Luo’s entire body shook. Waves of explosive true energy surged out of his body again and washed in all directions!

Rumble!

The ninjutsu cast by Asuka Hoshi and the other two were instantly destroyed, turning into energy that filled the sky and splattered in all directions...

Chapter 699 Killed with a Single Strike!

After this terrifying True Qi destroyed the ninjutsu used by Asuka Hoshi and the other two, it directly sent the three of them flying!

As for the surrounding ninjas who were watching the battle, they were also sent flying!

The weaker ninja spat out blood and died on the spot!

After sending the three of them flying!

Yang Luo took a step forward and transformed into a shadow that charged at the three of them!

“Don’t hold back. Continue attacking!”

Asuka Hoshi roared and formed seals with his left and right hands at the same time.

“Lightning Escape Technique, Heavenly Lightning Descent!

“Fire Escape Technique, Heavenly Fire Prairie Fire!

Green lightning bolts descended from the sky and struck Yang Luo!

Waves of red flames gathered in the sky and seemed to have transformed into a sea of fire that poured down on Yang Luo!

But facing the furious lightning and the sea of fire...

Yang Luo only raised his left hand and condensed a huge golden palm that he slapped into the sky!

Rumble!

The lightning that struck down and the flames that poured down were directly slapped away by this palm!

“Wind Style, Hurricane Sword!”

“Earth Style, Rock Spear!”

Asuka Taiyoku’s left and right hands also formed seals at the same time.

The blue wind swords and gray earthen spears that filled the sky condensed and shot towards Yang Luo like a storm!

“Water Style, Deep Sea Giant Python!”

“Wood Style, Giant Tree Divine Weapon!”

Asuka Yamakoe also quickly formed seals and attacked.

Blue pythons and green giants condensed and pounced at Yang Luo!

“Explode for me!”

Yang Luo also let out a roar. He twisted his fist again and punched out wildly!

“Dragon Emperor Fist!”

“ROAR...”

With a punch, a dragon’s roar sounded as well!

A huge golden fist surrounded by the phantom of a golden dragon blasted out!

Boom! Boom!

Rumble!

Earth-shattering collisions and explosions sounded continuously and spread far away!

No matter how strong Asuka Taiyoku and Asuka Yamakoe’s ninjutsu were, they could not withstand this punch and were blown up!

After destroying the attacks of the two of them!

Yang Luo's figure moved and instantly approached Asuka Yamakoe. Then, he raised his palm and slapped down!

Yamakoe! Be careful!"

Asuka Hoshi shouted in shock.

By the time Asuka Yamakoe reacted, it was too late to dodge and counterattack!

Boom!

The ground shook violently, and the ground cracked and collapsed!

Asuka Yamakoe's body was also smashed by this slap and he died!

After killing Asuka Yamakoe...

Yang Luo clapped his hands and looked up at Asuka Hoshi and Asuka Taiyoku,

"Come, let's continue."

"Someone, someone, quickly kill this kid!"

"What are you waiting for? Hurry up and attack together!"

Asuka Hoshi and Asuka Taiyoku were stunned and shouted at the ninjas watching the battle.

They only wanted to stall for time until reinforcements arrived.

"Kill!"

Although the ninjas watching the battle were afraid, they could only brace themselves and charge at Yang Luo!

Yang Luo ignored the ninjas and mocked, "You guys are really scum. You're afraid of death, so you let your disciples die tempting fate..."

Asuka Hoshi said ruthlessly, "As long as I can survive, the Asuka Ninja Sect will not be destroyed!"

If they protect me, that is protecting the Asuka Ninja Sect!

It's their honor to die for me!"

-I've never seen anyone make fear of death sound so refreshing and refined.

You're really shameless..."

As Yang Luo spoke, he walked towards Asuka Hoshi and Asuka Taiyoku.

As he walked towards the two of them step by step...

"Roar, roar, roar!"

A series of earth-shattering dragon roars sounded!

Golden dragon phantoms roared out of his body and collided in all directions!

"Ahhhh..."

Screams resounded continuously.

The ninjas who rushed over could not get close to Yang Luo at all and exploded into pools of flesh and blood!

A large number of houses were destroyed and turned into rums!

Seeing this scene...

Asuka Hoshi and Asuka Taiyoku were so frightened that they broke out in cold sweat and trembled!

This Country Hua kid in front of them was clearly only in his early twenties, but why was his strength so terrifying?

They had fought with martial artists from Country Hua in the past, but they had never seen a young Martial Warrior so powerful!

“Taiyoku, let’s attack together and fight this kid!”

Asuka Hoshi roared.

“Hai!”

Asuka Taiyoku replied with a trembling voice. Then, he erupted with his strongest combat strength and charged towards Yang Luo!

Asuka Hoshi also erupted with his strongest combat strength and charged at Yang Luo!

On the way to kill Yang Luo!

The two of them used ninjutsu repeatedly to attack!

Lightning, fire, wind, earth, and other energies intertwined and crazily washed towards Yang Luo!

Yang Luo only looked ahead indifferently. He placed his right index and middle fingers together and slowly raised them high in the sky!

The tip of his finger flickered with a dazzling golden light again and transformed into a golden sword!

“Chop...”

Yang Luo spat out a word indifferently and slashed out!

Swoosh!

He slashed out with his sword, and sword light illuminated the sky. Sword qi rushed into the nine heavens, and the sword power shook the world!

Rumble!

The ninjutsu arts that the two of them used were destroyed by a single slash! After destroying the heavy ninjutsu, this sword continued to slash down at the two of them!

“Be careful! Retreat!”

Asuka Hoshi shouted in shock and quickly retreated.

Asuka Taiyoku was also so frightened that his soul trembled as he retreated. Asuka Hoshi was a step faster and retreated from the killing range!

However, Asuka Taiyoku was not so lucky!

“No...”

Looking at the sword that was slashing at him, Asuka Taiyoku let out an extremely terrified roar!

He quickly mobilized the True Qi in his body to the limit and condensed a True Qi barrier to defend!

Moreover, he even used layers of defensive ninjutsu to strengthen his defense! However, these defenses could not withstand this sword at all and were destroyed in a split second!

The next second!

Rumble...

This sword slashed down heavily and directly cut his body into two!

The ground was cut open, and more than ten houses were destroyed!

Just as Asuka Taiyoku's two halves fell to the ground!

“Arghhhh!”

A painful scream came from behind.

Although Asuka Hoshi had dodged the fatal strike, one of his arms had been severed and blood sprayed out. It was a shocking sight!

Furthermore, this sword strike had also caused him to suffer serious internal injuries, and blood could not stop flowing out of his mouth!

“Old man, it's your turn...”

Yang Luo said coldly and prepared to destroy Asuka Hoshi.

But right at this moment...

“Ahhh...”

Screams came from not far away.

Yang Luo turned around.

He saw that Asuka Okawa, Asuka Misa, and Asuka Keiko were also killed by Xu Ying, Bujie, and Prajna.

Although the three of them were injured, their mental states were still very good.

After all, killing an expert with a higher cultivation level than them would increase their combat strength even more.

Yang Luo said loudly, “Xu Ying, Bujie, Prajna, well done!”

Chapter 700 Do You Want to Send Yourself To Death, Or Wait?

“Of course!”

Bujie replied smugly.

“Brother Yang, we still can’t compare to you.

You killed four elders alone.”

Xu Ying smiled.

Prajna’s eyes turned red as she nodded at Yang Luo.

If not for Yang Luo, she could not imagine that she would be able to take revenge personally one day and even kill an elder of the Asuka Ninja Sect.

All of this was because of the confidence Yang Luo gave her!

Yang Luo nodded at Prajna and gave the woman an encouraging look!

Then, he turned to look at Asuka Hoshi and said indifferently, “Old fellow, didn’t you say that the four of us can’t destroy your Asuka Ninja Sect?

“So, what about now?”

Asuka Hoshi stared fixedly at Yang Luo and the others, its eyes filled with anger and fear!

Dead... All of them were dead!

The sect master of the Sect was dead!

The other elders were also dead!

He was the only main force of the Asuka Ninja Sect left!

All the ninjas present were also terrified and uneasy. Their bodies were trembling!

“Didn’t you call for help? Why hasn’t your help arrived yet?”

Yang Luo asked again.

As soon as he finished speaking!

“Brother Hoshi, we’re here!”

“Who dares to barge into your Asuka Village?”

“Quick, go and help!”

Footsteps and roars came from afar.

Seeing that the rescue had arrived, Asuka Hoshi shouted in surprise, “Come and save me!”

However, Yang Luo’s figure flashed and he extended his clawed hand to grab Asuka Hoshi’s throat!

Asuka Hoshi was shocked and wanted to dodge, but it was too late!

Yang Luo grabbed his throat and suddenly exerted strength to break his neck!

“Baka!”

“Who are you? How dare you kill Brother Hoshi!”

At this moment, the people who rushed over shouted at Yang Luo.

Yang Luo turned around and threw Asuka Hoshi’s corpse away.

With a muffled bang, Asuka Hoshi’s corpse fell heavily in front of the group of people.

The group of people was shocked. They looked at Asuka Hoshi’s corpse in a daze and then looked up at Yang Luo.

When they saw that the person who killed Asuka Hoshi was such a young kid, their eyes were filled with shock.

There were more than a thousand people that came as reinforcements.

Their leaders were six old men.

Prajna said in a deep voice, “Brother Yang, these guys are from the Gamou Ninja Sect and the Aoki Ninja Sect!

Those six old fellows are the elders of the Gamou Ninja Sect and the Aoki Ninja Sect!

“Gamou Ichio, Gamou Takashi, Gamou Nara, Aoki Motosora, Aoki Minari, Aoki Hikokai!”

Yang Luo asked, “Are the main forces of the Gamou Ninja Sect and the Aoki Ninja Sect here?”

Prajna shook her head and said, “No, only half.”

“Oh...”

Yang Luo nodded and asked, “Then why haven’t the people from the Tolerance Ninja Sect, Takeda Ninja Sect, and Takino Ninja Sect arrived yet?”

Prajna replied, “These three ninjutsu sects are quite far from here. It will take some time for them to arrive here.”

At this moment.

Gamou Ichio asked a disciple of the Asuka Ninja Sect in a low voice, “Tell me, what exactly is going on?”

The disciple hurriedly told Gamou Ichio and the others what had just happened.

After hearing this disciple’s words...

Gamou Ichio and the others looked at Prajna in shock.

Obviously, the news that the Chiyuki family was still alive shocked them.

Gamou Ichio narrowed his eyes and said, “I really didn’t expect that there were still members of the Chiyuki family alive. It really shocked me.”

Gamou Takashi teased, "The entire Chiyuki family has been destroyed. Now, they're just a remnant of the Chiyuki family. What's there to worry about?"

Aoki Motosora said coldly, "There's no need to talk nonsense with them. Hurry up and kill this little girl and those three brats!"

Gamou Ichio nodded and said, "Alright, kill them then!"

Just as Gamou Ichio and Aoki Motosora were about to attack!

"Wait!"

Yang Luo raised his hand and stopped everyone.

"Kid, what do you want?"

Gamou Ichio asked coldly.

Yang Luo said indifferently, "Let's wait a little longer."

"Wait for what?"

Gamou Ichio asked in confusion.

Yang Luo said calmly, "I want to wait till the people from the Tolerance Ninja Sect, Takeda Ninja Sect, and Takino Ninja Sect are here. I'll send you on your last journey together!"

Hearing this...

Everyone present fell silent.

After a few seconds of silence.

Then Gamou Ichio and the others exploded in anger!

"Kid, you're too arrogant. You actually dare to say that you want to send all of us on our way? Who do you think you are!"

"Kid, don't think that you can kill us just because you can kill the elders of the Asuka Ninja Sect!"

"Kid, you've been fighting until now. I'm afraid your stamina has long run out!"

"Let's not talk about the alliance of our various Ninja Dao sects. Even if it's just the six of us, we're enough to kill you!"

Gamou Ichio, Aoki Motosora, and the others roared.

Yang Luo was clearly looking down on them and not taking them seriously!

Bujie said in amusement, "Brother Yang, I'm at a loss of words about your attitude."

Xu Ying was caught between laughter and tears.

However, when he thought of Yang Luo's personality, he felt that it was normal.

Prajna asked worriedly, “Brother Yang, is it really fine to do this?”

“Don’t worry, I’m fine.”

Yang Luo waved his hand and said, “In any case, these guys are going to be destroyed. Why don’t we just kill them together?”

“Fine...”

Prajna nodded. She could only choose to believe Yang Luo.

“Young brat, didn’t you say that you wanted to avenge this little girl?”

Alright, then I want to see what you’ll use to take revenge!”

“Young brat, watch me take your life!”

Gamou Nara and Aoki Hikokai roared angrily. One of them held a spear while the other held a saber. They charged towards Yang Luo at the same time!

These two people’s cultivation levels were both at the late-stage Martial Highness Realm. To ordinary Martial Warriors, they were already very powerful existences!

However, it was still not enough for Yang Luo!

In the blink of an eye!

The two of them approached Yang Luo and swung their spears and sabers at him at the same time!

Yang Luo’s eyes widened as golden light flashed in them. Then, he raised his hands and grabbed in the air, catching the spears and sabers that the two of them slashed down!

“Nani?!”

“How is this possible?!”

Gamou Nara and Aoki Hikokai’s expressions changed drastically as shock filled their eyes.

But before the two of them could react!

“Die!”

Yang Luo exerted strength in his arms and grabbed the spear and saber. With a sudden swing, he smashed the two of them onto the ground!

Boom boom boom!

The ground shook violently!

Two huge pits were formed on the ground!

Rocks flew and dust filled the air!

Puff! Puff!

The two of them lay in the huge pit and spat out blood. Their bones were broken and their internal organs were shattered. Their bodies twitched a few times before they stopped breathing!

At this moment, the entire event location fell into dead silence!

Everyone present looked at Yang Luo in a daze, their eyes filled with extreme fear!

Two late-stage Martial Highness Realm experts were actually smashed to death by this kid in front of them!

This was simply easier than killing chickens and dogs!

Yang Luo didn't even look at the two of them.. Instead, he looked at Gamou Ichio and the others and said indifferently, "Do you want to come up and die first, or wait a little longer?"
