Chapter 731: You Can't Escape!

At this moment, Nobuo Ikegami was holding a long sword and killing someone!

Seeing Yang Luo's punch, he was shocked and hurriedly raised the sword in his hand to block!

Boom! Boom!

Accompanied by a series of shocking explosions!

Violent True Qi surged in all directions!

Many people who were fighting in the surroundings were sent flying!

The people who were fighting did not dare to approach and jumped onto other battleships!

Only Yang Luo and Nobuo Ikegami were left on this battleship!

Although Nobuo Ikegami had blocked Yang Luo's punch, the steel deck under his feet kept cracking and collapsing!

There was a loud bang!

Nobuo Ikegami fell into the cabin below!

In less than a few seconds...

There was another loud bang!

Nobuo Ikegami broke through the deck and jumped up from below!

He looked at Yang Luo viciously and said coldly, "Young brat, I know that you're very strong, but in your current state, you can't kill me!" "Can't kill you?"

Yang Luo's expression was crazed as he replied, "Then come and try. Let's see if I can kill you or not!" "1

As he spoke, Yang Luo continued to rush forward and charge at Nobuo Ikegami! "Watch me kill you with one strike!"

Nobuo Ikegami roared as well and charged towards Yang Luo with his sword in hand!

And the moment they got close...

Nobuo Ikegami gripped his sword tightly with both hands and slashed at Yang Luo!

"Divine Martial Heaven Destroying Slash!"

Swoosh!

With a slash, a black-green sword beam tore through the sky, and terrifying sword qi wreaked havoc in all directions!

Everything around him was destroyed!

The corpses on the deck also exploded into pools of blood mist!

This sword strike was probably extremely powerful!

However, Yang Luo did not dodge or retreat. He charged forward resolutely and punched again!

With a punch, the might of the punch was vast and the momentum of the punch was monstrous. The golden dragon roared and was peerless!

At that moment...

Boom! Boom!

The fist and sword collided again, producing a deafening collision!

An even more ferocious and violent True Qi swept out in all directions from the point of collision, sweeping away everything in the surroundings!

In this confrontation!

Yang Luo and Nobuo Ikegami did not take half a step back and maintained their confrontation posture!

However, the steel deck under their feet kept cracking and collapsing!

Nobuo Ikegami's beard and hair fluttered in the wind. With a deranged expression, he roared ferociously, "You won't be able to kill me!"

"Old thing, shut up!"

Yang Luo roared and mobilized all the remaining true qi in his body, as well as his physical strength!

Nobuo Ikegami also circulated the True Qi in his body crazily and injected it into his sword to resist Yang Luo!

Vroom! Vroom! Vroom!

As the two of them fought, shocking explosions sounded continuously!

The entire battleship was already in pieces and was about to fall apart!

"Get lost!!!"

Accompanied by an explosive roar!

Yang Luo met his head-on with a punch. All his strength gathered in his fist and instantly erupted!

Boom!

A loud bang exploded on the surface of the sea!

"ARGH!"

Nobuo Ikegami let out a tragic cry and was sent flying!

As he was sent flying, he spat out a mouthful of blood and the sword in his hand shattered completely!

Rumble...

He fell heavily onto the deck dozens of meters away, his face filled with pain!

He did not expect Yang Luo to still be able to erupt with such combat strength under such circumstances!

Terrifying!

He was really too terrifying!

After sending Nobuo Ikegami flying with a punch!

Yang Luo did not stop at all. His figure moved and he chased after them!

The moment he got close!

He stomped hard, causing a large portion of the deck to collapse, and his body soared into the sky!

After charging into the sky!

He clenched his fists and punched Nobuo Ikegami like a torrential downpour!

Nobuo Ikegami was shocked. It was already too late to retreat. He could only condense a True Qi barrier to block!

Dong, dong, dong!

The fists that filled the sky bombarded down and smashed heavily on the True Qi barrier that he had condensed!

This True Qi barrier lasted for less than a minute before it exploded with a bang!

Bang! Bang! Bang!

Without the protection of the True Qi barrier, Yang Luo's fists landed on Nobuo Ikegami's body!

“Ahhhh...”

Nobuo Ikegami screamed in pain and blood spewed out of his mouth continuously!

“Die!”

A loud roar resounded through the sky!

Yang Luo also threw his last punch!

Boom!

Nobuo Ikegami's body exploded!

The entire battleship was also blown up, turning into piles of scrap metal that scattered in all directions!

After defeating Nobuo Ikegami!

Yang Luo twisted his waist and abdomen and landed on another battleship. He continued to attack!

“Elder Chi Shang is dead! Elder Chi Shang is dead!”

“It’s over, we’re finished!”

The people from the various sects shouted in shock. They were all scared out of their wits.

Just as Yang Luo killed Nobuo Ikegami!

Rumble!

A battleship not far away was also destroyed by Mo Qingkuang!

A battleship not far away was also destroyed by Mo Qingkuang!

At this point!

This time, all the elders who intercepted Yang Luo and the others at sea were killed!

After killing these two elders!

Mo Qingkuang did not hesitate at all. He landed steadily on another battleship and launched his final fierce attack on the remaining people!

The battle lasted for about half an hour!

The more than 10,000 people who intercepted Yang Luo and the others at sea were all killed!

Corpses piled up on the battleships, and they were also dyed red by blood!

This sea area was also dyed red with blood. Corpses floated everywhere. It was shocking and terrifying to the extreme!

However, at this moment...

Another battleship was coming from the direction of Matsuda Port!

There were even helicopters flying over!

“Everyone, listen up. You can’t escape. Hurry up and surrender!”

“If you don’t surrender, I’ll definitely bury you in the sea!”

Someone on the battleship and the plane shouted through a loudspeaker.

Yang Luo waved his hand and said in a loud voice, “Don’t tangle with them. Let’s go!”

No matter what, this was Country Sakura’s territory. There would be endless reinforcements!

However, they did not have the same advantage. They had to retreat as soon as possible!

“Let’s go!”

Mo Qingkuang also roared.

Very quickly...

Forty-six warships activated at the same time and headed towards the open sea.

The battleships and helicopters behind them caught up.

As they chased, they shouted, “Don’t even think about escaping. You can’t escape!”

They drove for another half an hour.

The 46 battleships that Yang Luo and the others were on finally arrived at the open sea.

The battleships and helicopters behind them also caught up.

Luo Jingchen frowned and said, "Pavilion Master Mo, Deputy Pavilion Master

Yang, those guys are still chasing after us. What should we do?"

Evil Butcher said ruthlessly, "In that case, we can just kill all of them!"

"Let's fight them to the death!"

The leaders of the other organizations also roared.

Yang Luo shook his head and said, "We can't keep killing. Everyone's stamina will eventually be exhausted!"

"Brother Yang is right!"

Mo Qingkuang also nodded and said, "They will always have reinforcements, and our numbers are limited. We can't fight head-on anymore!"

"Brat, what do you think we should do?"

Xiao Ziyun asked Yang Luo.

Yang Luo turned to look at Mo Qingkuang and said, "Brother Mo, teach them a lesson. Make them not dare to chase after us anymore!"

"Alright, let's teach them a lesson!"

Mo Qingkuang also understood what Yang Luo meant and nodded in agreement.

Chapter 732: Complete Victory!

Everyone was very puzzled, not knowing what Yang Luo and Mo Qingkuang wanted to do.

Under everyone's puzzled gazes...

Yang Luo and Mo Qingkuang looked up at the battleships and helicopters chasing after them.

The two of them trembled and released the last of their true qi!

Boom boom!

Accompanied by two explosions!

A golden and purple beam of light shot out from the two of them!

These two beams of light were incomparably terrifying, directly scattering the clouds in the sky!

Then, Yang Luo's right index and middle fingers closed together, turning into a sword finger that was raised high!

The moment he raised his sword finger!

A dazzling golden light flickered on his fingertip, as if it had transformed into an extremely sharp golden sword!

“Chop...”

He let out an explosive roar and slashed fiercely at the distant sky, like a huge golden sword!

Swoosh!

Sword light flickered and sword qi soared into the sky. The sword power was peerless and terrifying to the extreme!

Under everyone’s watchful eyes!

Yang Luo’s sword slashed heavily at the five helicopters flying over!

And in that instant!

Boom! Boom! Boom!

A series of earth-shattering explosions exploded in the sky!

The five helicopters that were flying over were all cut in half!

These five helicopters exploded one after another!

Flames soared into the sky and thick smoke billowed, shocking everyone’s hearts!

However, an even more shocking scene happened!

After Yang Luo’s sword slashed through the five helicopters, it continued to slash at a steel battleship below!

Boom!

Another shocking explosion sounded!

The warship that was closest to him was directly cut in half!

Many people on the battleship were killed on the spot, while others jumped into the sea in fear!

Rumble-

After this sword cut through the battleship, it struck the sea heavily!

A gully that was hundreds of meters long was directly split open in the sea, as if the sea had been split into two, and huge waves surged into the sky!

Just as Yang Luo cut down five helicopters and a battleship...

Mo Qingkuang’s hair and clothes fluttered in the wind as he slapped out!

“Annihilate!”

A huge purple palm carrying four major seals pressed down on the six helicopters in the sky like purple mountains!

Rumble!

The six helicopters were instantly crushed and turned into balls of flames and smoke!

The six helicopters were instantly crushed and turned into balls of flames and smoke!

Boom!

The entire battleship was crushed, and an abyss vortex was formed on the sea.

It was terrifying!

This scene not only shocked Xiao Ziyun, Evil Butcher, and the others, but it also deeply shocked the people of Country Sakura!

Bujie gulped and said with a trembling voice, “Holy sh*t, Brother Yang, Brother Mo, you can actually erupt with such terrifying combat strength?!”

“Are you really immortals?!”

Lan Xiaomeng exclaimed, “My god, the two of you destroyed eleven of their helicopters and two battleships. You’re not human at all!”

The others looked at the two of them with deep reverence and admiration!

Fortunately, these two were their friends. If they were enemies, it would be a nightmare for them!

Yang Luo looked ahead with a sharp gaze and let out a roar like a dragon, “If you dare to chase after us again, we’ll destroy you all!”

Mo Qingkuang also said in a loud voice, “If you’re not afraid of death, continue chasing. Come on!”

After hearing their words,

They saw that the battleships and helicopters in the distance had stopped and did not dare to chase after them anymore.

It couldn’t be helped. The scene just now was too terrifying.

The people from Country Sakura were completely frightened and did not dare to chase after them anymore.

However, Yang Luo, Mo Qingkuang, and the others still did not let down their guard. Instead, they stared intently into the distance.

Everyone heaved a sigh of relief when their battleships and helicopters disappeared from sight.

“Oh my god, we’ve finally escaped!”

Bujie took a deep breath.

“Did we really... escape?”

Lan Xiaomeng was still a little stunned. She couldn’t believe it.

“We really escaped!”

Feng Lengyue nodded.

Tian Zhen waved his fist and said, “We won, we won!”

“We won!”

“Hahaha, good, that’s great!”

“We’ve finally escaped. We’ve escaped alive!”

“A complete victory! It’s our complete victory!”

Everyone on the deck raised their arms and cheered.

In particular, the team members who participated in the mission to destroy the Eighth Hong Tower hugged each other and cried tears of joy.

This mission was too difficult. There was no chance of survival!

At this moment...

Yang Luo and Mo Qingkuang could no longer hold on and collapsed to the ground.

Just now, the two of them had relied on their faith and perseverance to hold on and not fall.

If those guys continued to catch up, they would definitely not be able to stop them.

Fortunately, their threat worked. Those guys didn’t dare to chase after them again.

“Brat!”

“Brother Yang!”

“Pavilion Master Mo!”

Everyone shouted in shock and rushed over.

“Kid, what’s wrong? Are you alright?”

Xiao Ziyun hurriedly squatted down and asked anxiously.

The corners of Yang Luo’s mouth twitched as he said, “Third Senior Sister, don’t worry. I’m fine. I’m just exhausted. I’ll be fine after resting for a while.” “Pavilion Master Mo, are you alright?”

Tian Zhen asked Mo Qingkuang.

Mo Qingkuang said, “I’m just exhausted. I’ll be fine after resting for a while.”

Hearing this, everyone heaved a sigh of relief.

Yang Luo said, “Everyone, quickly rest and recuperate. When my strength recovers, I’ll treat everyone.”

Xiao Ziyun said with a pained expression, “You rascal, you should take care of yourself first.”

Prajna also wiped her tears and said, “Brother Yang, you’re too tired. Rest well. We can heal ourselves.”

Yang Luo nodded and did not say anything else. Instead, he began to circulate his energy to recuperate.

Mo Qingkuang did not say anything else and quickly began to heal his injuries.

Xu Ying, Bujie and the rest also seized the time to recuperate.

Xiao Ziyun, Evil Butcher, and the others were guarding everyone, paying attention to the surrounding movements at all times.

Seconds ticked by.

Two hours passed.

Everyone recovered their strength one after another, and their injuries recovered a lot.

Another half an hour passed just like that.

Yang Luo and Mo Qingkuang had also recovered a lot of their strength and injuries.

After that, Yang Luo treated everyone's injuries.

After the treatment ended...

The battleships headed towards Country Hua.

Yang Luo and the others stood on the deck and chatted.

Since the danger was completely resolved, everyone felt much more relieved.

Everyone introduced themselves and became familiar with each other.

Mo Qingkuang cupped his hands and said, "Thank you for coming to help this time. We can't thank you enough!"

Evil Butcher chuckled and waved his hand. "Pavilion Master Mo, since you are Brother Yang's brother, you are also our brother. When a brother is in trouble, we naturally have to help!"

"That's right."

The leaders of the other organizations also nodded.

Mo Qingkuang said, "If anyone needs help in the future, feel free to contact me!"

"Haha, Pavilion Master Mo is too polite!"

Evil Butcher laughed out loud.

Xiao Ziyun turned to look at Yang Luo. She narrowed her beautiful eyes and said, "Rascal, can you tell us now?"

"What exactly did you do in Country Sakura? Why did those people from Country Sakura want to kill you like crazy?"

"That's right. Why did those people chase after you like mad dogs and even mobilize their battleships?"

Evil Butcher also asked.

The leaders of the other organizations also looked at Yang Luo in confusion.

At this moment, Mo Qingkuang's phone rang.

He took out his phone and looked at the caller ID. It read “Dragon General”.

He said to Yang Luo, “Brother Yang, tell everyone that I’m going to take a call.” “Alright!”

Yang Luo nodded in agreement.

Then, he began to tell Xiao Ziyun, Evil Butcher, and the others what they had done in Country Sakura these few days.

Meanwhile, Mo Qingkuang walked to the side and answered the call.

Chapter 733: Fourth Senior Sister?

Mo Qingkuang held his phone and curled his lips. “General Long, your call is really timely.

We’ve just escaped death and you’re already calling. Is something the matter?” “Qingkuang, how’s your mission going? Is everyone alright?”

A powerful voice sounded.

The person who spoke was the Dragon General who led the various war zones, General Long.

Mo Qingkuang said, “The mission is completed, but a lot of things happened halfway. It’s hard to explain in a few words.

I’ll tell you when I have the chance in the future.

By the way, why did you call me?”

General Long replied, “Not long ago, ten of our top scientists were kidnapped by a group of mysterious people on the way back to the country.

I sent many people to rescue them, but they all failed.

“Therefore, I sent Longyuan and Qjanyi to rescue them...”

“Oh...”

Mo Qingkuang nodded in realization and said, “No wonder I couldn’t contact Old Chu previously. It turns out that he went on a mission with Sister Lin.

But General Long, with Old Chu and Sister Lin joining forces, they should have already saved them, right?”

General Long said in a low voice, “I don’t know if Long Yuan and Qjanyi have saved him or not.

Their signal has been cut off. I can’t contact them at all.

Mo Qingkuang frowned and said, “How did this happen? Can’t we contact any of them?”

“We can’t contact anyone who went to rescue them.

General Long replied and continued, “I’m worried that something has happened to them, so I want you to bring someone to see what’s going on.

If something really happens to them, I hope you can save them and bring them back to China.”

“This...!”

Mo Qjngkuang said helplessly, “My brothers and I have just experienced a few battles, and now you want me to save someone. Is this how you torture people?”

General Long sighed and said, “Qjngkuang, I originally planned to send someone else, but I’m still a little worried.

As such...”

“Alright, alright, you don’t need to say more.”

Mo Qjngkuang interrupted General Long and said, “Old Chu and Sister Lin are both my friends. Now that they are in danger, I naturally have to save them.

“Send me the name and precise location of that island. I’ll bring people for a rescue operation now.”

“Many thanks!”

General Long thanked him solemnly.

After hanging up the phone...

An encrypted message was sent to Mo Qjngkuang’s phone.

Mo Qjngkuang opened the message and looked at it. Then, he walked towards

Yang Luo and the others.

At this moment.

Yang Luo had already told Xiao Ziyun, Evil Butcher, and the others what they had done in Country Sakura these few days.

After hearing Yang Luo’s words, Xiao Ziyun, Evil Butcher, and the others were all dumbfounded. They looked at Yang Luo and the others as if they were looking at a monster.

Even though Yang Luo only gave a general description of the matter and did not explain what had happened, it still made everyone tremble in fear.

Xiao Ziyun took a deep breath and rubbed his forehead, “Oh my god, not only did you destroy the Eighth Hong Tower, but you also destroyed the top ten ninja clans. It’s a miracle that you survived!”

“This is no longer a miracle. It’s simply an act of God!”

Evil Butcher gulped and continued, “I finally understand why those guys chased after you guys like mad dogs!”

Bujie also said with a look of lingering fear, “Isn’t that so? I still haven’t recovered from my shock. We actually escaped alive...”

Leng Qjanqian said with admiration, “It’s rumored that Koga Chiryu, Ito Taikawa, Wind Demon Kamon, and Black Feather Ryukiba are extremely powerful!

Even the people of the Dark World had heard of their legendary deeds! However, I didn't expect Brother Yang to actually kill these four Divine Ninjas. You're too powerful!"

Evil Butcher chuckled and said, "Brother Yang, you guys caused a huge commotion in Country Sakura this time. I'm afraid those fellows from Sakura are already crazy with anger. Just thinking about it makes me quite happy!" "They deserve it. Since they dare to go against our Country Hua, they should bear our anger!"

At this moment, Mo Qjngkuang walked over.

After approaching, Mo Qjngkuang hesitated for a moment and said, "Brother Yang, I'm afraid you still have to do a mission with me now."

"What the hell?!"

The corners of Yang Luo's mouth twitched, "We still have to carry out a mission?!"

"That's right."

Mo Qjngkuang nodded and said, "The higher-ups called just now and asked our Hidden Dragon Pavilion to help save people."

Yang Luo said speechlessly, "Brother Mo, can't we slow down? We just escaped from Country Sakura!"

Bujie also shouted, "That's right. We're all humans, not really gods!"

Lan Xiaomeng also complained, "I'm almost exhausted!"

Mo Qjngkuang said helplessly, "Everyone, stop complaining.

There's no choice. This matter is very urgent. We have to leave immediately."

"Who are we trying to save?"

Yang Luo asked.

The others also looked at Mo Qjngkuang.

Mo Qjngkuang said, "Old Chu and Sister Lin."

"Alt?"

Yang Luo was shocked, "What happened to Brother Chu?!"

Mo Qjngkuang did not hide anything and told everyone about his conversation with General Long.

"Brother Chu is in danger now, so I naturally have to save him."

Yang Luo asked, "By the way, Brother Mo, who is the Sister Lin you're talking about?"

Mo Qjngkuang replied, "Sister Lin is the Vermillion Bird Battle God, Lin Qjanyi, who is guarding the south!"

"Lin Qjanyi?"

Yang Luo and Xiao Ziyun exclaimed at the same time and looked at Mo Qjngkuang in a daze.

“That’s right.”

Mo Qingkuang nodded, “Why are you guys reacting so strongly?”

Yang Luo looked at Mo Qingkuang excitedly and said, “Brother Mo, Lin Qjanyi is very likely to be my Fourth Senior Sister!”

Xiao Ziyun said, “It’s not very likely. It’s Fourth Sister.

“I’ve always been in contact with Fourth Sister. Fourth Sister is Country Hua’s Vermillion Bird Battle God.”

“Oh my god, the Vermillion Bird Battle God is Fourth Senior Sister?!”

Yang Luo was overjoyed, “In other words, I can finally see Fourth Senior Sister?!”

Xiao Ziyun nodded and said to Mo Qingkuang, “Pavilion Master Mo, since my fourth sister is in trouble, as her sister, I naturally have to help!

Therefore, I, Violet, am willing to go with you to save people!”

“We’re willing to go too!”

Evil Butcher, Leng Qjanqian, and the others also shouted in unison.

Everyone had long established a deep friendship, so they were naturally willing to help.

“Alright!”

Mo Qingkuang nodded heavily. “Thankyou, everyone!

As he spoke, Mo Qingkuang sent the address to the person driving the battleship and waved his hand!

“Let’s go to Missa Island!”

Very quickly...

The 46 warships changed direction and accelerated towards Missa.

Mo Qingkuang said, “Everyone, we’re still a distance away from Missa Island. Everyone, conserve your energy and rest well.”

“Yes!”

Everyone nodded in agreement.

However, Yang Luo could not calm down at all. He asked Xiao Ziyun, “Third Senior Sister, how is Fourth Senior Sister now?

Did she gain weight or lose weight?

Did she become prettier or uglier?

Also, has she been doing well all these years?”

Chapter 734: Encircled!

Xiao Ziyun said sourly, "Brat, you're so happy to see Fourth Sister?"

So you like Fourth Sister more?"

"Third Senior Sister, that's not what I meant."

Yang Luo shook his head repeatedly and said, "I just haven't seen Fourth Senior Sister in a long time. I miss her too much."

Xiao Ziyun pouted and said, "Yes, yes, yes. You miss Fourth Sister more. You don't miss me. To think that I came all the way here to save you."

"Third Senior Sister..."

Yang Luo was instantly helpless and did not know how to reply.

Xiao Ziyun chuckled and said, "Alright, alright. I was just teasing you."

As she spoke, she continued, "Although I often contact Fourth Sister, we haven't seen each other for a long time.

Therefore, I don't know how Fourth Sister is doing now."

"I see."

Yang Luo nodded in realization and continued, "It's fine. Anyway, I'll be able to see Fourth Senior Sister soon."

Bujie chuckled and asked Yang Luo, "Brother Yang, between Sister Ziyun and Sister Qianyi, who is more beautiful?"

Prajna also blinked her big eyes and looked at Yang Luo curiously.

Even Xu Ying was a little interested and looked over.

Without waiting for Yang Luo to answer, Xiao Ziyun said, "Of course I'm prettier!"

Bujie smacked his lips and said, "Nothing is certain. In the event that Sister Qianyi is prettier..."

"Bald monk, are you looking for a beating?"

Xiao Ziyun moved her wrist and looked at Bujie coldly.

Bujie immediately felt his hair stand on end. He shrunk his neck and said, "In my heart, Sister Ziyun, you are the most beautiful!"

"Hmph!"

Xiao Ziyun snorted, "That's more like it!"

Yang Luo looked up at the distant sea and clenched his fists, "I wonder how

Fourth Senior Sister is doing now and if she's safe..."

Xiao Ziyun said, "Brat, don't worry. Fourth Sister is also very strong now. She will definitely be able to protect herself."

"I hope so."

Yang Luo nodded. He was very anxious and wished he could fly to Missa Island now.

Xiao Ziyun patted Yang Luo's shoulder and said, "Brat, you have to quickly conserve your energy and recover from your injuries.

Only then will you have the ability to save Fourth Sister."

"Hmm!"

Yang Luo nodded in reply.

In a certain part of the Pacific Ocean.

There was a small island here called Missa Island.

The mountains and rivers on the island rose and fell, and the forest was dense. There were fortresses sitting there.

At this moment.

It was dusk.

The setting sun was like blood.

An intense battle was taking place on the beach.

The beach was littered with corpses. Blood stained the ground.

Chu Longyuan and Lin Qianyi were leading a group of warriors from the Azure Dragon Pavilion and Vermillion Bird Pavilion to fight a group of tall and burly foreign warriors.

These foreign soldiers came from Country Stars & Stripes's Black Eagle Team, Yellow Wasp Team, and Toxic Spike Team.

There were more than 10,000 people.

Chu Longyuan and Lin Qianyi had brought 5,000 people to save the scientists this time. However, they did not expect the other party to have even more people and directly surrounded them.

Not only did they not manage to save them, but they also trapped themselves here.

After a few hours of battle, the warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion had already been killed or injured. There were less than half of them left.

At this moment.

Lin Qianyi, who was covered in blood, held the Heaven Burning Fire Spear in her hand. Her tall and graceful figure shuttled through the crowd!

She kept waving the spear in her hand, killing all the warriors who rushed over!

"Kill this woman!"

“This woman is the Vermillion Bird Pavilion Master. If we kill her, we will have made a great contribution!”

At this moment, a group of Caucasian and black soldiers surrounded Lin Qianyi.

These warriors had all drunk second-generation strengthening potions, and more than half of their bodies had been mechanically modified.

Therefore, their combat strength naturally increased exponentially.

“You want to kill me? Dream on!”

Lin Qianyi shouted and suddenly stomped on the ground. Her body was like a light swallow as she jumped into the sky!

Then, she twisted her waist and swung the spear in her hand down!

Chi! Chi! Chi! Chi!

More than ten warriors’ throats were cut open on the spot, and blood splattered everywhere. They died on the spot!

Just as Lin Qianyi killed these dozen or so warriors...

Two mechanized warriors leaped into the sky, twisted their mechanical fists, and punched at Lin Qianyi!

“Die!”

Lin Qianyi let out a cold shout and directly dismantled the spear in her hand into two short spears, throwing them towards their chests!

Puff! Puff!

The two warriors fell heavily, their chests pierced!

Until their deaths, they could not understand how their chests could be pierced even though they were clearly made of steel.

Lin Qianyi landed steadily on the ground. She pulled out the two short spears and combined them together before charging towards the others!

At the same time when Lin Qianyi was killing everyone!

Chu Longyuan held the Azure Dragon Saber and was also fighting fiercely with those warriors!

“You’re the Master of the Azure Dragon Pavilion, right? You must die here today!”

“You think you can save him? What a joke!”

A group of mechanical soldiers raised their arms at the same time and fired bullets at Chu Longyuan!

Bang! Bang! Bang! Bang!

A dense rain of bullets shot towards Chu Longyuan, wanting to kill him!

On the other hand, Chu Longyuan's entire body shook. He condensed a layer of green light barrier and blocked all the bullets that shot over!

Ding, ding, ding!

The bullets hit the True Qi barrier, emitting a crisp collision sound and shooting out sparks!

“You want to kill me? Come on!”

Chu Longyuan roared and charged forward against the rain of bullets!

And the moment they got close...

He gripped the Azure Dragon Saber tightly with both hands and slashed at these mechanical soldiers!

Puff! Puff! Puff!

Blood pillars soared into the sky along with heads!

These mechanical warriors fell heavily to the ground, electric currents and sparks jumping around their necks!

After killing these mechanical warriors!

Chu Longyuan moved and continued to charge towards those strengthened and mechanical soldiers!

As the battle progressed, more people died!

The corpses on the ground were simply piled into small mounds!

There were only about 1,500 soldiers left from the Azure Dragon Pavilion and Vermillion Bird Pavilion!

“Huff... huff... huff...”

At this moment, Chu Longyuan and Lin Qianyi were back to back, panting heavily!

The warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion were also panting heavily. Their bodies were covered in injuries, and sweat and blood mixed together and dripped down!

“Longyuan, what should we do now?”

Lin Qianyi gritted her teeth and asked.

Chu Longyuan said, “These guys have cut off our signal. I can't call for help even if I want to. Other than fighting to the death, there's no other way!”

“Hehe...”

At this moment, the burly black man laughed sinisterly and said, “How long can you last with so few people?”

“Our follow-up support will be here soon. You have no chance of surviving!”

A Caucasian man sighed.

“Give up. You can’t beat us!”

Another bald black man sneered.

These three people were the captain of the third team of the Black Eagle Team, Renick!

The captain of the fourth team of the Yellow Wasps, Onardo!

As well as the leader of Toxic Spike’s fifth squad, Wybert!

Chu Longyuan shouted out, “Brothers, we might all die here in this battle. Are you afraid?”

“I’m not afraid!!!”

All the warriors responded in unison.

Chapter 735: Demon Envoy!

“Very good!”

Chu Longyuan raised the Azure Dragon Saber in his hand and said in a trembling voice, “Then continue fighting with me!

” Kill as many as you can until the last moment of the battle!

Lin Qianyi also said in a loud voice, “Even if we die, we have to drag these guys down with us!”

“Yes!!!”

All the warriors responded in unison again.

“Kill!”

Chu Longyuan suddenly waved the Azure Dragon Saber in his hand and let out a roar!

Then, Chu Longyuan and Lin Qianyi led more than a thousand warriors and charged forward again!

“Kill them!”

“Don’t leave a single one alive. Kill them all!”

“Don’t fight them alone. Let’s attack together!

Renick, Onardo, and Wybert gave the order at the same time.

With this order!

The remaining 6,000 members of the Black Eagle Team, Yellow Wasp Team, and Toxic Spike Team charged forward!

“Vermillion Bird Thirteen Spears!”

“Sweep the Army!”

Lin Qianyi roared. She held the spear tightly with both hands and kept sweeping it out!

Scarlet flames surged up, as if the spears had transformed into long rivers of flames!

“Alihhh...”

Accompanied by screams...

Anyone who approached was either killed by the spear or burned to death by the flames!

After killing a group of people!

Lin Qianyi's body was burning with scarlet flames. With but a thought, she

turned into a fiery light and continued to charge forward!

“Azure Dragon Saber!”

“Hidden Dragon in the Abyss!”

Chu Longyuan gripped the Azure Dragon Saber tightly with both hands and slashed forward!

Swoosh!

With a slash, the saber beam flickered and saber qi wreaked havoc!

An azure dragon phantom roared and charged forward!

Dozens of people were killed on the spot!

The battle was still ongoing!

As time passed.

The sun gradually set.

The sky gradually darkened.

But at this moment...

Another 15 warships sailed over from afar!

The deck was also filled with more than 30,000 people.

Three flags floated on the warship, depicting a silver shield, a black snake, and a tiger!

It was Country Stars & Stripes's Silver Shield, Venomous Snake, and Fierce

Tiger Teams!

“Hahaha...”

Rainier laughed out loud and said, “Do you see that? Our reinforcements have arrived!”

Onardo also smiled evilly and said, “We have more people than you now, and now we have more than 10,000 people joining. What can you use to fight us?”

Wybert said mockingly, “Give up. It's useless no matter how much you struggle!”

Seeing that so many people had come again...

Chu Longyuan and Lin Qianyi's hearts sank.

The remaining 500 warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion were also in despair.

Soon, the fifteen warships docked.

Leading them were two strong Caucasian men and a strong black man.

These three burly men were the captain of the third team of the Silver Shield Team, Gross!

The captain of the Venomous Snake Team's fifth team, Midron!

The captain of Team 7 of the Fierce Tiger Team, Rudolph!

"Gross, Midron, Rudolph, you're finally here!"

Renick greeted them with a smile.

Gross said, "Other than us, the Demon Envoys are also here!"

"Really?!"

"Really?!"

The crowd parted.

Thirty black-robed men with demon masks on their faces walked out.

However, three of the black-robed men were wearing red demon masks, while the other black-robed men were wearing black demon masks.

Seeing these black-robed people arrive...

Rainier, Onardo, and Wybert were extremely excited.

"Mr. Romon, Mr. Lamer, and Mr. Gaui, with the three of you around, we feel much more at ease!"

"With the three Demon Envoys around, Chu Longyuan and Lin Qianyi are dead meat!"

"Hahaha, thank you, Lord Demon Envoys, for coming to help!"

Rainier, Onardo, and Wybert laughed out loud.

The Romon, Lamer, and Gaui they were talking about were three black-robed men wearing blood-colored masks.

Romon nodded and said in a hoarse voice, "There's no need to thank us. Since your Commander-in-Chief Roman spent a lot of money to invite us here, we naturally have to help."

Lamer said coldly, "With us around, these people from Country Hua will definitely die!"

“Longchuan, do you know who these black-robed people are?”

Lin Qianyi asked.

“They’re wearing black robes and masks. How would I know who they are?”

Chu Longyuan shook his head and continued, “However, I can sense a powerful, dark, and evil power from these guys. They’re probably not ordinary people.”

“I feel it too.”

Lin Qianyi nodded and said, “Especially those three guys wearing bloodcolored demon masks. They’re probably even stronger.”

Chu Longyuan narrowed his eyes and said, “These black-robed people must have been invited by these guys to help. I just don’t know how strong they are.” At this moment...

Romon waved his hand gently and gave the order.

“Kill them!”

With this order!

27 black-robed men wearing black demon masks flashed and turned into black shadows that charged towards Chu Longyuan and Lin Qianyi!

“Don’t even think about hurting my Pavilion Master!”

“I’ll fight you!”

The two Azure Dragon Pavilion warriors and the two Vermillion Bird Pavilion warriors shouted and rushed forward!

However, the moment the four warriors approached!

The four black-robed men condensed a black sharp claw at the same time and swung it!

With a swipe of his claw, the power that erupted was incomparably terrifying. It even made Chu Longyuan and Lin Qianyi feel a hint of fear!

“Be careful!”

“Quickly dodge!”

Chu Longyuan and Lin Qianyi shouted in shock.

However, they were still a step too late!

Before the four warriors could react, their chests were torn open and they died instantly!

“F*ck, how dare you kill my brother? You have a death wish!”

Chu Longyuan roared and charged forward with the Azure Dragon Saber!

Lin Qianyi also held her spear and rushed forward!

The moment Chu Longyuan and Lin Qianyi approached!

The 27 black-robed men waved their hands at the same time!

Waves of black energy surged out and condensed into tens of thousands of black spears that shot towards the two of them!

“Dragon Battles Thousand Blades!”

“3,000 Fire Dances!”

Facing the overwhelming black spears, Chu Longyuan and Lin Qianyi waved the saber and spears in their hands at the same time!

And in that instant!

Thousands of azure sabers and thousands of scarlet flame spears condensed and met the attack!

Clang! Clang! Clang!

Boom! Boom! Boom!

A series of earth-shattering collisions and explosions immediately sounded!

The saber and spear phantoms exploded in the sky one after another, turning into energy that filled the sky and dissipated!

After blocking this move!

Chu Longyuan and Lin Qianyi charged towards the 27 black-robed men and swung their weapons with all their might!

The 27 black-robed men condensed black spears and faced the attack!

Clang! Clang!

Immediately, ten black-robed men were sent flying!

But the other 17 black-robed men flashed and surrounded them!

Some waved the black spears in their hands, while others condensed black sharp claws and attacked Chu Longyuan and Lin Qianyi together! As the 17 black-robed men attacked fiercely, the other 10 black-robed men charged forward again!

“Go to hell!”

Lin Qianyi’s figure flashed and broke through the layers of attacks, piercing through the chests of the two black-robed men!

“Chop...”

Chu Longyuan charged forward and slashed open the chests of the two black-robed men!

The two of them joined forces and killed six black-robed men in a few minutes! Just as the two of them were about to continue attacking the other black-robed men...

The figure of the black-robed man with the blood-colored demon mask called Gaui flashed and turned into a black-blue stream of light, charging towards Chu Longyuan and Lin Qianyi!

Chapter 736: A Life Worse Than Death!

This black- robed man was extremely fast!

In the blink of an eye, he arrived in front of Chu Longyuan and Lin Qianyi! He raised his right hand and condensed a black-blue ax that slashed at the two of them!

The two of them raised their weapons at the same time to block!

Clang! Clang!

Accompanied by the sound of crisp collisions!

The two of them were sent flying!

After sending two people flying!

Gaui's figure flashed again. He waved the black ax in his hand and slashed at the two of them!

Chu Longyuan, on the other hand, quickly stabilized his body. He waved his saber and faced the attack!

Clang!

The saber and axe collided, emitting a crisp explosion!

However, what shocked Chu Longyuan was...

This guy's strength was too ferocious. He was countless times stronger than those black-robed people wearing black demon masks!

“Ugh!”

He let out a muffled groan and was sent flying again!

Just as Gaui was about to continue chasing after Chu Longyuan...

Lin Qianyi soared into the sky and brandished the spear in her hand, stabbing it fiercely at Gaui!

Gaui reacted extremely quickly!

Just as Lin Qianyi's spear stabbed over!

He raised his left hand, and a ferocious black energy instantly erupted from his palm, as if he had sent out a shock wave!

Boom!

Accompanied by a loud explosion!

“Ugh!”

Lin Qianyi let out a cry of pain as she was sent flying with her spear! After flying for more than 30 meters, she fell heavily to the ground!

Gaui looked at the two of them disdainfully and said indifferently, “Are these the hall masters of the Azure Dragon Pavilion and the Vermillion Bird Pavilion? They’re too weak!”

“Lord Demon Envoy is mighty!”

“Lord Gaui alone is enough to kill these two guys!”

“As expected of the Demon Envoy, you’re indeed powerful!”

Rainier and the others raised their arms and cheered.

Chu Longyuan said in a deep voice, “This fellow is too strange. His cultivation and strength are definitely above ours!”

Lin Qianyi got up and frowned. She gritted her teeth and said, “Where did these black-robed people come from? Why are they so strong?”

Chu Longyuan said ruthlessly, “No matter who they are, we can only fight them now!”

“Alright!”

Lin Qianyi nodded and agreed.

Then, the two of them charged at Gaui!

“How dare you take the initiative to attack? You’re really courting death!”
Gaui sneered and took a step forward, charging at the two of them!

“Kill the other fellows from the Azure Dragon Pavilion and Vermillion Bird Pavilion!”

Rainier waved his hand and gave an order to the warriors of the various teams.

For a moment...

The warriors of the various teams on the beach charged towards the remaining warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion!

The soldiers on the battleship also jumped down and charged forward! “Brothers, let’s fight it out with them. Killing one is enough. Killing two will be profitable!”

The warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion charged forward fearlessly!

A bloody battle began again!

On a beach not far away.

Chu Longyuan and Lin Qianyi fought fiercely with Gaui!

The other 21 black-robed men also followed Gaui and surrounded Chu

Longyuan and Lin Qianyi!

At this moment.

Chu Longyuan and Lin Qianyi had to deal with Gai and guard against the attacks of the other 21 black-robed men at all times. It was getting more and more difficult!

They had only fought for less than ten minutes.

But the two of them were already covered in wounds and blood flowed nonstop!

At this moment.

Gai and the other 21 black-robed men surrounded Chu Longyuan and Lin Qianyi in the middle!

The two of them stood back to back with cold expressions and despair in their hearts!

“Attack together and kill them!”

Gai waved his hand and shouted.

21 black-robed men surrounded the two of them from all directions!

The moment the 21 black-robed men surrounded them...

“Soaring Dragon Nine Heavens!”

“Vermillion Bird Spreads Its Wings!”

Chu Longyuan and Lin Qianyi stomped on the ground and jumped into the sky! Then, Chu Longyuan and Lin Qianyi waved their saber and spears at the same time!

The moment the saber and spear were swung out!

True Qi erupted and light shot in all directions!

An illusory azure dragon roared down!

A flaming Vermillion Bird flapped its wings and charged down!

The 21 black-robed men below condensed black energy spears at the same time and stabbed into the sky!

Rumble!

Only a series of explosions was heard!

Five more black-robed men were killed on the spot!

The remaining 16 black-robed men were sent flying!

But right at this moment...

Gai's body trembled, and a dazzling and terrifying black-blue energy erupted! These energies seemed to have turned into chains that swept up and instantly wrapped around Chu Longyuan and Lin Qianyi!

The two of them were chained up in the sky!

“Damn it, let us go!”

The two of them roared and struggled with all their might, but they could not break free at all!

“Hehe...”

Gaui smiled sinisterly and said, “In the face of absolute strength, all your resistance is useless!

Now, I’ll let you have a taste of living a life worse than death!”

As he spoke, Gaui waved the energy ax in his hand and slashed at their chests!

“Uhhh...”

“All...!”

Accompanied by two screams...

Two deep gashes appeared on their chests.

Blood flowed down like a waterfall.

However, Gaui did not stop there. Instead, he continued to swing the energy ax in his hand at the two of them.

Chi! Chi! Chi! Chi!

Every time the axe slashed out, a large amount of blood splattered on the two of them.

Moreover, each of his axes avoided the vital parts of the two of them, as if he was taking pleasure in torturing them.

“Ahhhh...”

Chu Longyuan and Lin Qianyi let out miserable screams. There were already more than ten cuts on their bodies, and their clothes were dyed red with blood. “Hurry up and save the Pavilion Masters!”

“Hurry! Hurry!”

When the Azure Dragon Pavilion and Vermillion Bird Pavilion warriors who were fighting a bloody battle saw this scene, they roared angrily and wanted to help.

However, there were too many people on the other side. They could not break out of the encirclement at all and could not escape.

Moreover, there were less than 200 soldiers left from the Azure Dragon Pavilion and Vermillion Bird Pavilion.

Gaui looked up at Chu Longyuan and Lin Qianyi, who were hanging in the sky. He smiled evilly and said, “No one can save you now. You can only be tortured to death by me!

Come on, let’s continue!”

“Gaui, stop playing. Kill them quickly.”

At this moment, Romon, who was standing not far away, said calmly. “It wasn’t easy to find two prey, but we can’t continue playing. What a pity.” Gaui shook his head and looked up at Chu Longyuan and Lin Qianyi, “Alright, I’ll send you on your way.”

As he spoke, he waved the energy ax in his hand again and slashed at Chu Longyuan and Lin Qianyi!

This ax strike was now aimed at their necks!

“Pavilion Master!”

The Azure Dragon Pavilion and Vermillion Bird Pavilion warriors in the distance screamed and completely collapsed.

Finished!

Their Pavilion Masters were about to be killed!

Who could save them now!

Their Pavilion Masters could not die!

Chu Longyuan and Lin Qianyi were on the verge of death. Blood could not stop dripping from their bodies and mouths!

Although they were about to die, there was no fear in their eyes. There was only anger and unwillingness!

Chapter 737: Long Time No See!

Chu Longyuan said weakly, “Sister Lin, I originally wanted to introduce my brother to you, but it’s a pity...”

We’ve fought for so many years. It’s not bad to be able to accompany each other on the road to hell this time...”

“Shut up...”

Lin Qianyi gritted her teeth and growled.

As the Master of the Vermillion Bird Pavilion, she had long disregarded life and death. Naturally, she was not afraid of death.

She was just very angry that she could not take revenge.

She only felt that it was a pity that she would not be able to see her junior brother again, let alone fulfill the promise she had made back then.

What a pity, what a pity...

However, just as the huge energy axe was about to slash at the two of them!

Rumble rumble rumble!

A loud rumbling sound suddenly came from the sky!

“What’s that sound?!”

“Look up there, what’s that?!”

The people on the beach immediately cried out in surprise and looked up into the sky.

A golden palm imprint engraved with dragon patterns pressed down from the sky. It was as terrifying as Mount Tai!

“Gaii, dodge!”

Seeing this, Romon shouted in shock.

“What the hell is this? Watch me chop it down with my axe!”

Gaii shouted coldly and waved the energy axe in his hand, slashing at the golden palm in the sky!

And in that instant!

Rumble!

The huge energy axe collided heavily with the huge golden palm, emitting a series of world-shaking collision sounds!

The next second!

Rumble!

Accompanied by an explosion!

The energy axe in Gaii’s hand shattered and exploded!

“What?!”

Gaii’s expression changed drastically. He clearly did not expect his ax to be so fragile under this golden palm!

He immediately felt the fear of death!

However, it was too late to escape now!

He quickly condensed a black-blue barrier to block!

Rumble...

This golden handprint covered Gaii and pressed him heavily on the ground!

The ground shook violently, and sand and rocks soared into the sky. Huge waves also surged out of the sea!

A dazzling golden light illuminated the night sky!

Meanwhile, Chu Longyuan and Lin Qianyi fell from the sky!

When the light and sand dissipated...

A golden light flashed and the figure of a golden dragon coiled around his body was standing in front of Chu Longyuan and Lin Qianyi!

This figure stood there quietly like a god that had descended to the mortal world, shocking everyone present!

In front of the figure, there was a huge palm print!

In the middle of the palm print, Gai's body was twisted and deformed. His entire body was badly mangled as he lay there. His eyes were wide with fear, and he had long stopped breathing!

In an instant...

Everyone present was stunned as they looked at this figure in a daze!

It was quiet for less than a minute.

“Brother Yang!”

Chu Longyuan shouted in surprise.

This figure was precisely Yang Luo!

Yang Luo turned around and nodded at Chu Longyuan.

Then, he turned to look at Lin Qianyi and said gently, “Fourth Senior Sister, long time no see!”

Hearing Yang Luo's voice and seeing Yang Luo's familiar yet unfamiliar face...

Lin Qianyi's delicate body trembled.

She stared intently at Yang Luo, her eyes red. With a hoarse voice, she said in a trembling voice, “Little Luo... Are you really Little Luo?!”

Yang Luo's eyes turned red as well. He nodded and said, “Fourth Senior Sister, it's me. It's really me.”

“Little Luo!”

Lin Qianyi hissed and pounced forward, hugging Yang Luo tightly.

She could no longer hold back the tears in her eyes. They flowed down and she choked out, “Little Luo, I'm not dreaming, right? I actually saw you...”

“I miss you so much, I really miss you...”

Yang Luo hugged the woman tightly in his arms, and the tears in his eyes flowed down, “Fourth Senior Sister, I miss you too...”

Seeing the injuries on Fourth Senior Sister's body, his heart ached!

Fortunately, he arrived in time. Otherwise, something would have really happened to Fourth Senior Sister!

Other than heartache, he was also furious!

He would not let anyone who hurt his Fourth Senior Sister off!

Chu Longyuan was dumbfounded!

He had never seen Lin Qianyi act like a little girl before!

One had to know that Lin Qianyi was usually a decisive female Tyrannosaurus!

He asked in a daze, “You actually know each other?!”

Yang Luo said, “Brother Chu, she's my fourth senior sister.”

” Holy sh*t, Qianyi is your senior sister?!”

Chu Longyuan was dumbfounded.

At this moment.

Rainier and the others also came back to their senses from the shock.

“Where did this kid come from? He killed Lord Gaui with a single palm strike!”

” Damn it, this kid really deserves to die!”

“Kill this kid and avenge Lord Gaui!”

Rainier and the others roared.

Right at this moment...

A series of roars came from afar!

“Have you asked us if you want to kill my Brother Yang?”

“Old Chu, Sister Lin, we’re here!”

“Brothers, don’t be afraid. We’ll help you!”

Hearing these roars...

Everyone present looked up.

Forty-six battleships broke through the waves, the darkness, and drove over!

The battleship was filled with people. Great flags fluttered in the wind, captivating one’s soul!

“What’s going on? Who are these guys?!”

“Violet, God Slaying Temple, Red Sun, Hellfire... They’re actually from the various organizations of the Dark World!”

“Why are the people from these organizations here?!”

“F*ck! Can someone tell me what’s going on now?!”

Waves of exclamations and furious roars sounded non-stop.

It couldn’t be helped. There were more than 20,000 people, which really frightened them.

Soon, the battleships arrived at the shore.

More than 20,000 people jumped ashore and strode over.

The leaders were Mo Qingkuang, Xiao Ziyun, Evil Butcher, Xu Ying, Bujie, Prajna, and the others.

“Old Mo, why are you here too?!”

Chu Longyuan’s eyes were filled with excitement when he saw Mo Qingkuang.

“Third Sister...”

Lin Qianyi was stunned. She asked in confusion, “Little Luo, what’s going on?”

Originally, she was already in despair.

However, she did not expect her junior brother to appear at the critical moment and bring so many people.

Yang Luo smiled gently and said, “Fourth Senior Sister, let’s have a good chat after the battle.”

“Alright.”

Lin Qianyi nodded.

At this moment, Mo Qingkuang and the others had already approached.

The people from the various teams in Country Stars & Stripes retreated in fear.

There were too many people, and the pressure they felt was too great.

“Fourth Sister, why are you injured like this? Are you alright?”

Xiao Ziyun ran over and grabbed Lin Qianyi’s hand. Her heart ached.

Lin Qianyi shook her head and said, “Third Sister, I’m just a little injured. I’m fine. I won’t die.”

“You wretched girl, you’re still so strong-willed!”

Xiao Ziyun’s eyes were filled with tears as she hugged Lin Qianyi tightly.

“No, Old Mo, what’s going on? Why are you here?”

Also, why are you with Brother Yang?”

Chu Longyuan looked at Mo Qingkuang and asked repeatedly.

Chapter 738: Time to Counterattack!

Mo Qingkuang said, “What exactly is going on, I’ll tell you later.

“The most important thing now is to quickly destroy these guys.”

“Alright!”

Chu Longyuan nodded.

At this moment, Renick, Onardo, Wybert, Gross, Midron, and Rudolph walked over.

Demon Envoy Romon and Demon Envoy Lamer also walked over.

Renick glanced at Xiao Ziyun, Evil Butcher, and the others and frowned, “This is a matter of Country Stars & Stripes. You guys are crossing the line by getting involved!”

Evil Butcher said in a rough voice, “Renick, shut the f*ck up. We just want to get involved. What do you want?”

Renick was so angry that his chest heaved up and down. He said fiercely, “Are you sure you want to interfere in the matters of Country Stars & Stripes?”

Evil Butcher said in a loud voice, “Alright, stop talking nonsense. If you want to fight, let’s fight!”

“Kill them!”

Renick was furious. He immediately waved his hand and gave an order.

The warriors of the various battle teams moved one after another and charged over.

“Brothers, follow me to kill!”

Evil Butcher waved his hand and took the lead to charge out!

The people from the ten major organizations and the Hidden Dragon Pavilion also charged forward!

“Brothers, our rescue has arrived. It’s time to counterattack!”

“Avenge our dead brothers, kill!”

The remaining warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion roared and charged forward!

Evil Butcher rushed to the front and continuously swung his fists, killing everyone who approached!

“Evil Butcher, hand over your life!”

Renick roared and charged straight at Evil Butcher!

Evil Butcher laughed coldly and said, “I don’t even care about the Commander – in-Chief of your Black Eagle Squad. What’s the big deal about a division leader like you?”

As he spoke, Evil Butcher directly went up to fight!

And the moment they got close...

The two of them threw a punch at the same time!

DONG!

The two fists collided heavily and exploded with a thunderous sound!

The next second!

There was a crisp crack!

Renick’s right arm was broken by a punch!

“Ugh!”

He let out a tragic cry as his strong body was sent flying!

Evil Butcher did not hesitate and chased after him!

Renick quickly stabilized his body, drank a bottle of second-generation strengthening potion, and charged at Evil Butcher again!

After drinking the second-generation strengthening potion...

The muscles on Renick's body swelled, and his eyes turned bloodshot. His combat power increased by a terrifying 20 times!

However, Evil Butcher was not afraid at all and continued to charge forward!

As he ran, he shouted, "Do you think you can defeat me with medicine? You're too naive!"

In the next instant...

The distance between the two of them shortened again!

Renick raised his left arm and threw a punch!

Without any hesitation, Evil Butcher met the attack with a punch!

DONG!

The two fists collided again with a loud bang!

Renick thought that he could defeat Evil Butcher after drinking the strengthening potion!

However, the moment his fists collided, he realized his mistake!

Crack!

Another crisp sound rang out!

"Alih!!"

Renick screamed again and was sent flying.

His left arm was also broken this time!

"The last punch will take your life!"

Evil Butcher let out a loud roar and charged forward. He punched Renick's chest!

There was only a loud bang!

Evil Butcher's punch landed heavily on Renick's chest!

"Pfft..."

Renick spat out a mouthful of blood and flew more than ten meters away, landing heavily on the ground.

His chest had already collapsed. His entire body twitched a few times before he stopped breathing.

After killing Renick...

Without any hesitation, Evil Butcher continued to kill the warriors of the other teams!

Just as Evil Butcher killed Renick with three punches!

"Die!"

A roar came from not far away!

Xu Ying soared into the sky and slashed at Onardo with the Dragon Sparrow Saber in his hands!

“Don’t even think about killing me!!!”

Onardo clenched his fists and punched continuously!

However, Xu Ying’s saber easily cut through the shadow of his fists and slashed down!

Before Onardo could scream, his body was split into two and he fell heavily to the ground!

And at the same time Xu Ying killed Onardo!

Bujie’s staff sent Wybert flying into the sky!

Then, Bujie stomped on the ground and leaped up. He swung his staff with all his might at Wybert!

“Thousand Mass Suppression!”

Bang!

Only a loud sound was heard.

The staff smashed into Wybert’s chest, shattering all his bones and organs!

“Alt...!”

With the last scream, Wybert fell heavily to the ground. Blood gushed out of his mouth and he quickly stopped breathing!

Just as Bujie killed Wybert!

Prajna waved the Sun and Moon Divine Staff in her hand and froze Gross!

Then, she swung her left hand and threw out the Six Paths Shuriken!

Swoosh!

The shuriken whistled out and instantly cut Gross in half!

Meanwhile, Lan Xiaomeng, who had activated her second-stage battle form, lifted Midron high into the air and smashed him hard into the ground!

There was a loud bang!

A huge pit was smashed into the ground!

But before Midron could get up...

Lan Xiaomeng raised her leg and stomped down on Midron!

“Pfft...”

Midron spat out a mouthful of blood and died completely!

“Wind Queen Divine Palm!”

Feng Lengyue flashed forward and unleashed her True Qi, slapping at Rudolph one after another!

Rudolph kept punching and counterattacking, but he could not withstand it at all and was forced to retreat!

After ten consecutive palm strikes!

Feng Lengyue charged forward and struck out her eleventh palm!

“Arghhhh!”

Rudolph let out a miserable cry, and his strong body flew back ten meters.

When he landed, he was already dead.

“Captain Renick is dead... Captain Onardo is dead... Captain Wybert is dead... The captains are all dead!”

” How can these guys be so strong?!”

“What should we do? What should we do?!”

With the death of Renick and the other six, the warriors of the six teams screamed in fear and completely collapsed.

At this moment.

On the beach not far away.

Lin Qianyi looked at the scene in front of her in a daze and asked, “Little Luo, are they all your friends?”

“Yes, Fourth Senior Sister. They’re all my friends!”

Yang Luo nodded in agreement.

Xiao Ziyun smiled and said, “Fourth Sister, although this brat has not left the mountain for long, he has already made many like-minded friends.

Furthermore, this brat is also very powerful. He’s no longer that brat who can be bullied by us.”

Lin Qianyi raised her hand and touched Yang Luo’s head. She smiled and said,

“Looks like our Little Luo has finally grown up.”

Yang Luo grinned and said, “I can only protect you when I grow up.”

But at this moment...

Demon Envoy Romon and Demon Envoy Lamer led 16 black-robed people and charged towards Yang Luo and the others.

Chapter 739: Killing the Demon Envoy!

Lin Qianyi’s expression changed, “Little Luo, these black-robed people are very powerful. I’ll deal with them!”

As she spoke, Lin Qianyi was about to rush forward!

Yang Luo hurriedly pulled her back and said, "Fourth Senior Sister, don't worry. Although these guys from Hell Fiend Palace are very strong, they're nothing in my eyes."

"Hell Fiend Palace?!"

Lin Qianyi was shocked to hear that, "These guys are from Hell Fiend Palace?!"

Chu Longyuan also looked at Yang Luo in surprise.

"I think so."

Yang Luo nodded and said, "I've dealt with these black-robed people before. They're from Hell Fiend Palace."

Lin Qianyi said coldly, "I didn't expect these guys to actually invite people from Hell Fiend Palace to help!"

"No wonder these guys are so strong!"

Chu Longyuan's expression also turned cold.

"Fourth Senior Sister, rest well with Brother Chu. Leave the rest of the battle to us!"

Yang Luo said and took a step forward to fight!

Xiao Ziyun's figure also flashed and charged forward!

The moment they got close!

The 16 black-robed men waved their hands at the same time and condensed thousands of black energy spears that shot towards Yang Luo and Xiao Ziyun!

Yang Luo did not dodge or retreat. He continued to charge forward!

His eyes and body flickered with an even more dazzling golden light!

The golden dragon phantom circling his body also became more and more condensed and incomparably domineering!

Boom! Boom! Boom!

The black energy spears that shot over could not injure Yang Luo at all and were shattered!

Furthermore, those black-robed men could not stop Yang Luo at all and were sent flying!

Several black-robed men were even killed on the spot!

Those who did not die spat out blood and were severely injured!

Xiao Ziyun used the Knife Control Technique and shot out flying knives that filled the sky, shattering the energy spears!

"Third Senior Sister, I'll leave those black-robed men wearing black demon masks to you!"

I'll kill the other two black-robed men wearing blood-colored demon masks!"

Yang Luo said to Xiao Ziyun.

"Alright!"

Xiao Ziyun responded and then charged towards the black-robed men wearing black devil masks!

Yang Luo continued to charge towards the two black-robed men wearing blood-colored demon masks!

"Young brat, you have a death wish for daring to kill my demon envoy!"

Romon roared and condensed a black and red sword, slashing at Yang Luo!

Meanwhile, Lamer condensed a black-gray saber and slashed at Yang Luo!

Swish! Swish!

The energy sword and saber tore through the sky, emitting an ear-piercing sonic boom!

"What bullsh*t Demon Envoy? In my eyes, he's nothing!"

Yang Luo shouted and punched out!

With a punch, the golden dragon roared, resounding through the island and shaking the night sky!

At that very moment...

Boom! Boom!

Yang Luo's punch collided fiercely with the energy longsword and saber that the two of them slashed out, producing a thunderous bang!

In the next second...

Rumble!

The energy weapons that Romon and Lamer had condensed were shattered by a single punch!

"Ugh!"

"Alth!!"

The two of them let out a painful cry and were sent flying!

Yang Luo did not stop at all. With a flash, he chased after him!

On the beach in the distance...

Yang Luo sent Romon and Lamer flying with a punch.

Seeing this, Lin Qianyi and Chu Longyuan were stunned.

The corners of Chu Longyuan's mouth twitched, "Damn, why did Brother Yang become stronger again?!"

Lin Qianyi sighed and said, "After so many years, Little Luo has really grown up..."

At this moment.

On the distant battlefield.

When Romon and Lamer saw Yang Luo charging over once again, they were furious and kept mobilizing the energy in their bodies.

“Demon Shackles!”

Romon waved his right hand!

The black and red energy transformed into chains that swept towards Yang Luo!

“Demon Blade!”

Lamer also waved his hand!

Thousands of black and gray sabers condensed and shot towards Yang Luo!

Yang Luo was not afraid at all. He charged towards the chains and saber that swept over and threw another punch!

“Explode forme!”

Rumble!

The chains that swept over and the long saber that shot over were all shattered by a punch, turning into energy that filled the sky and splattered all around!

Seeing that Yang Luo had destroyed their attack with a single punch, Romon and Lamer were shocked, their eyes filled with fear!

Romon exclaimed, “How can this be? Who is this kid? How can he be so strong?!”

“Damn kid, I don’t believe I can’t kill him!”

Lamer shouted and released all the energy in his body!

A black-gray energy beam soared into the sky from his body. It was terrifying and spectacular!

Then, he raised his hand to the sky and chanted an incantation!

“Demon Summon: Cerberus!”

“Roar, roar, roar!”

Accompanied by roars...

A fiendish dog with three heads and a grayish-white glow all over its body condensed and pounced at Yang Luo!

“Demon Summoning: Hydra!”

Romon also raised his hand to the sky and chanted an incantation, letting out a roar!

“Roar, roar, roar!”

A series of roars sounded!

A huge snake with nine heads and a body that flickered with black and red light condensed and pounced at Yang Luo!

These two giant beasts were famous magical beasts in the legends of the West. Although they were only illusions, they were incomparably powerful!

“Your Hell Fiend Palace’s methods are quite interesting.

“Unfortunately, the two of you are still too weak...”

Yang Luo said calmly and took a step forward!

“Nine Heavens, Dragon’s Fury!”

“Roar, roar, roar!”

A series of loud dragon roars resounded through the world and spread in all directions!

Nine golden dragon phantoms roared out of his body and collided with the Three-Headed Hellhound and the Nine-Headed Snake!

In the blink of an eye!

Boom! Boom!

The nine golden dragon phantoms collided fiercely with the Three-Headed Hellhound and the Nine-Headed Hydra, emitting a heaven-shattering collision sound!

The entire beach shook violently, and even the mountains on the island shook!

In less than a few seconds!

Rumble!

The Three-Headed Hellhound and the Nine-Headed Hydra completely shattered and exploded, turning into waves of energy that spread in all directions!

“This...!”

“How is this possible?!”

Romon and Lamer were dumbfounded. Because they were too afraid, their bodies could not help but tremble.

“This kid’s strength is probably comparable to our Demon King!”

Lamer said in horror, “Romon, what should we do?!”

“Run, run quickly!”

Romon gritted his teeth and roared. He turned around and ran.

Lamer also turned around and fled.

Seeing that the two of them were about to run...

Yang Luo waved his right hand gently and said a word calmly.

“Annihilate...”

“Roar, roar, roar!”

The nine golden dragon phantoms roared and collided with Romon and Lamer.

Although the two of them were very fast, how could they compare to the speed of the nine golden dragon phantoms?

Soon, they were caught up.

The two of them knew that they could not escape. Their bodies shook decisively and they instantly condensed two energy shields to block.

At that moment...

Boom! Boom!

The nine golden dragon phantoms collided heavily with the energy shield condensed by the two of them!

Crack! Crack!

In just one collision, the energy shield that the two of them had condensed shattered!

A few seconds later!

Rumble!

The energy shield that the two of them had condensed completely exploded and shattered!

After shattering the energy shield!

The remaining of the nine golden dragon phantoms slammed into the two of them!

“Young brat, our Hell Fiend Palace won’t let you off!”

Romon let out his last shrill roar.

Rumble!

A world-shaking explosion resounded!

Dazzling light and vast and surging energy surged in all directions!

Romon and Lamer exploded into two pools of blood and died completely...

Chapter 740: Loyal Soul Is Indestructible!

The energy that swept in all directions was extremely terrifying, sending many people around flying!

Those who were closer died on the spot!

Those who were further away also spat out blood and were severely injured!

When the energy and light completely dissipated...

Lin Qianyi and Chu Longyuan looked up.

What greeted them was the sight of huge pit blown up on the beach.

There were only two pools of flesh left in the huge pit.

Chu Longyuan said in admiration, "Brother Yang's growth is too fast. I'm afraid I won't be able to catch up..."

Lin Qianyi smiled and said proudly, "As expected of my Little Junior Brother.

He's indeed powerful!"

Chu Longyuan pursed his lips and said, "Qianyi, you said that someone would marry you. Could the person who wants to marry you be Brother Yang?" "That's right."

Lin Qianyi admitted it generously.

The corners of Chu Longyuan's mouth twitched, "Oh my god, Brother Yang is really fierce. He even dares to marry you?"

Lin Qianyi's expression turned cold, "What do you mean? Do you want to fight again?"

Chu Longyuan said helplessly, "Qianyi, you're so cold to everyone else, but why are you so gentle to Brother Yang?"

Are all you women so fickle?"

The corners of Lin Qianyi's lips curled up, "I like it. I'm happy to do it. It's none of your business!"

Just as Yang Luo killed Romon and Larner-

Xiao Ziyun also killed the other black-robed men.

Without any hesitation, the two of them continued to kill the other members of the six teams.

Chu Longyuan raised the long saber in his hand and said loudly, "The threat has been removed. It's time for us to go on stage!"

"Yep!"

Lin Qianyi also raised the spear in her hand!

"Kill!"

The two of them roared in unison and charged towards the battlefield!

So many of their brothers and sisters from the Azure Dragon Pavilion and Vermillion Bird Pavilion had died, so they naturally had to avenge them!

At this moment...

The battle became more and more intense!

"Avenge the captain and the others!"

"Avenge the Demon Envoy and the others!"

The warriors of the six battle teams roared and charged at Yang Luo, Xiao Ziyun, Lin Qianyi, and Chu Longyuan crazily!

“You think you can take revenge? Dream on!”

Yang Luo roared and his entire body vibrated!

Waves of True Qi surged out of his body like a flood that had broken through a dam and washed in all directions!

The hundreds of people who surrounded him were sent flying on the spot!

Some died on the spot, while others were severely injured and lost their combat strength!

After sending hundreds of people flying...

After sending hundreds of people flying!

Xiao Ziyun, Lin Qianyi, and Chu Longyuan also erupted with powerful combat strength and killed everyone who rushed over!

Although these six teams had a lot of people...

However, because of the death of the captain of the six battle teams, Romon, Lamer, and the others, the warriors of the six battle teams lost their backbone!

Therefore, they could not withstand it at all and began to retreat step by step!

An hour later.

The battle had finally ended!

Everyone from the six teams had been killed. Not a single person was left alive!

Then, Chu Longyuan hurriedly instructed a few soldiers of the Azure Dragon Pavilion, “Hurry up and bring those ten academicians out. Then, quickly evacuate this place!”

Lin Qianyi also said, “This place is not far from Country Stars & Stripes. Once they find out about the situation here, they will definitely bring people over! Therefore, we have to evacuate this place quickly!”

“Yes!”

A few soldiers of the Azure Dragon Pavilion nodded and left in a hurry.

Not long after...

A few soldiers of the Azure Dragon Pavilion escorted ten men and women in white coats over.

Looking at the corpses on the beach and the injuries on Chu Longyuan, Lin Qianyi, and the others, the ten academicians’ eyes turned red.

An old academician with white hair choked and said, “Thank you everyone for coming to save us. Thank you!”

“Thankyou, everyone. We are eternally grateful!”

” Thank you, thank you!”

The other academicians also thanked him.

Chu Longyuan let out a long breath and said, “Everyone, there’s no need to thank us. We’re all working for our country.

“I hope you won’t let my brothers down.”

“Yep!”

The ten academicians nodded heavily.

Then, a few soldiers from the Azure Dragon Pavilion escorted the ten academicians onto the battleship.

Chu Longyuan glanced at the soldiers of the Azure Dragon Pavilion and Vermillion Bird Pavilion who had already died in battle. His eyes were red and hot tears flowed.

He raised the long saber in his hand and roared sorrowfully, “I hate my penchant for violence. Wherever the long saber goes, countless loyal brothers and sisters will be buried in foreign lands!

Why should hundreds die to repay their country? I cannot help but sigh and feel pity. But I’m even more speechless, and my eyes are filled with blood and tears! Bring the corpses of all our brothers home!”

“Go home!!!”

All the warriors of the Azure Dragon Pavilion and Vermillion Bird Pavilion were also crying and roaring.

Yang Luo, Mo Qingkuang, and the others were also moved. Their eyes turned red and tears flowed uncontrollably.

These sacrificed soldiers were all heroes!

Every one of them was worthy of their respect!

As long as one’s loyal soul was not destroyed, their noble aura would last forever!

Then, Yang Luo, Mo Qingkuang, and the others helped carry the corpses of all the soldiers who had sacrificed themselves to the battleship.

After cleaning up the battlefield...

Mo Qingkuang waved his hand at this moment!

“Let’s go home!”

With this order!

The 46 battleships that Yang Luo, Mo Qingkuang, and the others had driven over!

And the ten battleships that Chu Longyuan, Lin Qianyi, and the others had were driven over too!

A total of 56 battleships started moving at the same time and left Missa Island... Half an hour later.

Battleships sailed over from Country Stars & Stripes.

On the deck of the leading battleship stood six burly Caucasian giants and black giants.

These six giants were the Commander-in-Chiefs of Black Eagle Team, Yellow Wasp Team, Toxic Spike Team, Silver Shield Team, Venomous Snake Team, and Fierce Tiger Team!

They were Augustine, Bardlow, Bolton, Cruise, Cahill, Joyce!

A few moments passed.

The battleships stopped on the shore.

When they saw the scene on the beach...

Everyone on the battleship could not help but gasp and tremble.

Corpses were strewn all over the beach, and blood flowed like a river. It was a shocking sight.

Augustine instructed his subordinates with a gloomy expression, "All of you, quickly go and see if there are any survivors!"

"Yes!"

A few of his subordinates responded and jumped off the warship to investigate the situation.

Not long after...

A few of his men returned.

One of his subordinates shouted, "Reporting to Commander-in-Chief

Augustine, there are no survivors!"

"F*ck!"

Augustine was furious and said fiercely, "The Azure Dragon Pavilion and Vermillion Bird Pavilion only sent a few thousand people. How can they kill more than ten thousand of us?!"

Bardlow said in a deep voice, "Could it be that they have helpers?"

Bolton said ruthlessly, "They must have had helpers. Otherwise, they wouldn't have escaped alive, and our people wouldn't have all died!"

Cruise frowned and said, "Besides, they definitely have a lot of helpers, and there's no lack of experts among them!"

"Otherwise, the Demon Envoys wouldn't have been killed!"

"Damned it!"

Augustine roared angrily, "Investigate! Investigate! You must find out who did it!"

Once you investigate thoroughly, don't let any of them off!"

"Yes!!!"

Everyone responded loudly.
