Chapter 761: Liu Jingsheng, Kneel!

At this point...

Chen Jiali laughed out loud, feeling very happy.

Just a moment ago, she thought she was done for.

Unexpectedly, Zheng Zhaohai actually had held some cards back in his hand.

She looked at Zheng Zhaohai and smiled, "Darling, you're still the best."

"B*tch...B*tch!!!"

Ning Hansheng roared out angrily.

"Hahaha..."

Chen Jiali laughed even louder, "Ning Hansheng, oh Ning Hansheng, you deserve it!

If I didn't have any designs on you, with my looks back then, would I have taken a fancy to you?

Alright, stop shouting here. Hurry up and make a decision!"

However, at this moment...

A lazy voice sounded in the hall.

"Are you guys done?"

Everyone present turned around and looked at Yang Luo.

Yang Luo looked up at Zheng Zhaohai and asked indifferently, "You said that you know the president of the Hexing Chamber of Commerce, Liu Jingsheng, right?"

"Sowhat if I do?"

Zheng Zhaohai looked at Yang Luo arrogantly. "Who are you? Do you have the right to speak here?"

Chen Jiali said fiercely, "Zhaohai, everything that happened today was exposed by this kid. We can't let him off!"

"I see."

Zheng Zhaohai nodded in realization and looked at Yang Luo viciously. "Kid, if you dare to mess with me, I won't let you off easily!"

Yang Luo met Zheng Zhaohai's gaze and said, "I'm sorry, I don't intend to let you off either.

You and Chen Jiali colluded to murder Auntie Guan, which made me very angry.

You can't bear the consequences of my anger."

"Pfft..."

Zheng Zhaohai burst out laughing, “Come, come, come. Kid, tell me, what consequences can I have?”

On the other hand, you don’t even know that a disaster is about to befall you!

My sworn brother is Liu Jingsheng from the Hexing Chamber of Commerce!

As long as I make a call, I can make you sink to the bottom of the sea!”

“Is that so? Is he that powerful?”

Yang Luo narrowed his eyes and smiled, “Hurry up and call this Liu Jingsheng. Get him to bring people over.

I want to see if this Liu Jingsheng dares to sink me to the bottom of the sea.”

Xu Ying, Bujie, and Prajna also looked at Zheng Zhaohai with interest.

They had followed Yang Luo for so long and had seen many people threaten him.

However, anyone who threatened Yang Luo ended up in a terrible state.

More importantly, this guy actually used someone from the Southern Chamber of Commerce to threaten Yang Luo. Wasn’t this a joke?

“Mr. Yang, you can’t do anything rash!”

Ning Hansheng hurriedly walked over and said, “This Hexing Chamber of Commerce is the largest chamber of commerce in Xiangjiang. It has more than ten thousand subordinates. There’s nothing they don’t dare to do in the entire Xiangjiang!

More importantly, this Hexing Chamber of Commerce is working for the South Suppressing King. A big shot like the South Suppressing King is not someone we can provoke!”

Guan Zhiqing also tried to persuade him, “Little Luo, I’m very happy that you want to stand up for me.

However, we really can’t afford to provoke the Hexing Chamber of Commerce.”

Yang Luo smiled and said, “Mr. Ning, Auntie Guan, don’t worry. The Hexing Chamber of Commerce won’t dare to do anything to me.”

“Hey, why don’t you know how to be afraid?”

“Kid, we’re very grateful that you can cure Sister-in-law, but if you do this now, you’ll drag our Ning family down with you!”

“Kid, let’s end this matter here. Don’t continue causing trouble!”

The Ning family members also began to persuade him, their tone revealing blame.

“Alright, stop persuading this kid!”

Zheng Zhaohai sneered, “Since this kid has a death wish, I’ll fulfill his wish!”

Then, he looked at Ning Hansheng and said, “Ning Hansheng, when I deal with this kid later, you should consider whether you want to continue fighting with me!”

With that, he took out his phone and made a call.

After the call.

Zheng Zhaohai said teasingly, “My Brother Liu said that he would bring people over immediately. Just wait!”

Chen Jiali also looked at Yang Luo viciously and said, “Kid, when President Liu comes later, I’ll get President Liu to cripple your hands and feet first before killing you!”

If it wasn’t for this kid, Guan Zhiqing wouldn’t have woken up, and her many years of plans wouldn’t have been exposed!

She hated Yang Luo to the core!

She wished she could tear this kid in front of him into pieces!

Yang Luo looked at Chen Jiali indifferently and said, “The most vicious thing about a woman’s heart is indeed not just words.

You want to cripple my hands and feet, right?

Alright, then I’ll get someone to cripple your hands and feet later and make you unable to live in peace in prison.”

“Cripple my hands and feet?”

Chen Jiali sneered, “Alright, I’ll wait then!”

“Hansheng, what should we do now?”

Little Luo is my savior. We can’t let anything happen to him!”

Guan Zhiqing looked at Ning Hansheng in panic.

Ning Hansheng frowned and said, “When President Liu comes later, I’ll put in a good word for him and see if I can spend money to settle it.”

“That’s the only way left.”

Guan Zhiqing sighed and nodded.

Su Wanqiu said calmly, “Dad, Mom, you don’t have to worry.

With Little Luo around, all problems will no longer be a problem.”

Ning Hansheng said, “Wanqiu, I know that Mr. Yang is a Divine Doctor, but this identity is useless to those hooligans!”

Su Wanqiu did not explain further. Instead, she said, “Just wait and see.”

After waiting for about half an hour.

Vroom! Vroom! Vroom!

The roar of a car came from outside the door!

“Haha, my Brother Liu is here!”

Zheng Zhaohai laughed loudly and quickly walked towards the door.

“Brother Zheng, why are you so anxious to call me over?”

Accompanied by a hearty voice...

A group of burly men with dragons and tigers tattooed on their bodies strode in.

The leader was a burly middle-aged man in a black Tang suit. He had short hair and a scar on his forehead.

This middle-aged man was the president of the Hexing Chamber of Commerce, Liu Jingsheng.

Seeing Liu Jingsheng and the others arrive, the Ning family members trembled in fear and did not dare to say anything.

“Brother Liu, you’re finally here!”

Zheng Zhaohai quickly went up to him with a smile on his face, “Brother Liu, I called you over to ask you to help me settle someone.”

Liu Jingsheng said proudly, “Tell me, who do you want to mess with?”

Zheng Zhaohai pointed at Yang Luo, who was not far away, “It’s this kid!”

“Just this kid? I thought it was something big!”

Liu Jingsheng sneered and asked, “Tell me, what do you want to do?”

Chen Jiali rushed to reply, “Brother Liu, please cripple this kid’s limbs first and chop him up!”

Zheng Zhaohai said, “That’s right, Brother Liu. Let’s do this!

After this is done, I will definitely be filial to you!”

“Alright.”

Liu Jingsheng nodded and instructed, “Ah Hu, Ah Lang, I’ll leave it to you.”

Two burly men walked out.

Ning Hansheng walked over with a smile, “President Liu, this young man is my friend. Can you be magnanimous and let this young man off?”

Liu Jingsheng shook his head and said, “Mr. Ning, Brother Zheng is my sworn brother.

His business is my business, so don’t get involved.”

Ning Hansheng hurriedly said, “President Liu, as long as you’re willing to let this young man off, you can tell me any number.”

Liu Jingsheng’s expression turned cold. “Mr. Ning, I’ve already said that this is not a matter of money. This concerns brotherhood!

Hurry up and move aside!”

“This...!”

Ning Hansheng didn’t know what to do.

Liu Jingsheng frowned and said, “Why? Do you want me to get angry?”

Just as he finished speaking...

A thunderous shout was heard.

“Liu Jingsheng, kneel down!”

Chapter 762: You Can’t Touch Me!

Hearing this shout!

Everyone present turned to look at Yang Luo at the same time. They were all stunned!

What did they hear?

This kid actually made Liu Jingsheng kneel!

Who was Liu Jingsheng?

That was the president of the largest chamber of commerce in Xiangjiang City. He had more than ten thousand subordinates!

Even the major families in Xiangjiang City didn’t dare to provoke him!

They felt that Yang Luo was really crazy!

If he wasn’t crazy, why would he dare to say such a thing?

“Little Luo!”

“Mr. Yang!”

Guan Zhiqing and Ning Hansheng shouted in shock.

“It’s over, it’s over. This kid is finished!”

“Just this sentence is enough to sentence him to death!”

“It’s just a pity that he has such divine medical skills!”

The Ning family sighed and shook their heads, feeling that Yang Luo was dead meat.

Yuan Hengyun and Wu Huimin also shook their heads.

They felt that Yang Luo was simply courting death!

He even dared to provoke Liu Jingsheng. He was really courting death!

On the other hand, Yuan Shaojie looked at Yang Luo curiously and muttered, “This brother is quite interesting.”

At this moment.

Chen Jiali almost laughed out loud.

Originally, Liu Jingsheng only helped because of Zheng Zhaohai.

But now, even without Zheng Zhaohai, Liu Jingsheng would not let this kid off.

As expected...

After hearing Yang Luo's words...

Liu Jingsheng's expression completely darkened.

He said fiercely, "Kid, in this world, there are only a handful of people who can make me, Liu Jingsheng, kneel!

How dare you make me kneel down to you?

Looks like you're really tired of living!"

As he spoke, he waved his hand, "Everyone, listen up. Chop this kid up!"

"Yes!"

The dozens of people he brought responded in unison and drew a long saber from their backs.

"President Liu, please calm down!"

Ning Hansheng hurriedly begged, "President Liu, please let this young man off!"

Guan Zhiqing also pleaded, "President Liu, as long as you're willing to let Little Luo go, you can have anything you want!"

"Get the fuck out of my way!"

Liu Jingsheng roared angrily, "No one can protect this kid today!"

Chen Jiali shouted excitedly, "Kill him! Kill him!"

Just as the dozens of people were about to attack...

Yang Luo said in a trembling voice, "Since you don't listen to me, can this thing make you kneel?"

As he spoke, Yang Luo took out a token and threw it out!

Liu Jingsheng subconsciously reached out to catch the token, "What nonsense is this!"

As he spoke, he prepared to throw the token away!

However, after glancing at the token, he paused for a moment and picked up the token to take a closer look.

A few seconds later.

His expression changed drastically as he shouted at his lackeys in fear, "Stop!"

Chen Jiali put her hands on her hips and said with a smile, "Did you hear that? Brother Liu asked you to do it!"

"Get lost! I said stop!"

Liu Jingsheng slapped Chen Jiali away.

Then, he ran up and knelt on the ground with a plop!

“Greetings, South Suppressing King!”

In an instant...

The entire hall fell silent!

One could hear a pin drop!

Other than Xu Ying, Bujie, Prajna, and Su Wanqiu...

Everyone present looked at Liu Jingsheng with their mouths agape!

He knelt down!

Liu Jingsheng actually knelt down!

This was like a bolt from the blue, striking everyone present until they were charred on the outside and tender on the inside!

“Oh my god, President Liu really knelt down!”

“Who is this kid? Is he a big shot from somewhere?”

“No, Liu Jingsheng seemed to have called this kid the South Suppressing King just now. No way, could this kid be the South Suppressing King?!”

“Strange, it’s said that the South Suppressing King seems to be a woman. How did it become this kid?!”

The Ning family members discussed in shock and looked at Yang Luo with shock and confusion.

Especially Zheng Zhaohai and Chen Jiali, they were trembling and their faces turned pale!

They never expected this kid in front of them to have so much power to make Liu Jingsheng kneel!

“Mr. Yang, this...”

“Little Luo, you...”

Ning Hansheng and Guan Zhiqing were also stunned and speechless.

Yang Luo ignored everyone’s gazes and walked up to Liu Jingsheng step by step, “Liu Jingsheng, I’m not the South Suppressing King. My eldest senior sister is!”

Liu Jingsheng said respectfully, “Sir, since the South Suppressing King handed the South Suppressing King Token to you, it means that she has picked you to be the next South Suppressing King!”

Hearing Liu Jingsheng’s words...

Everyone at the event location was so frightened that they were trembling!

The next South Suppressing King!

This kid was actually the next South Suppressing King!

This identity was too terrifying!

Yang Luo continued, "Let's not talk about whether I'm the South Suppressing King first. Do you know why I want you to kneel?"

Liu Jingsheng said, "Seeing the South Suppressing King Token is like seeing the South Suppressing King. There's no need to give a reason to kneel!"

"No..."

Yang Luo waved his hand and said, "I have a reason for making you kneel.

It was because you treated a scumbag as your brother and did not distinguish right or wrong to kill for this scumbag.

It's good to have brotherhood, but as a president, it's not right for you to do this."

"Sir, what the hell is going on?"

Liu Jingsheng asked in confusion.

Yang Luo did not hide anything and simply told Liu Jingsheng about Zheng Zhaohai and Chen Jiali colluding to murder the Ning family.

After hearing Yang Luo's words...

Liu Jingsheng turned around and stared at Zheng Zhaohai, his eyes flickering with killing intent, "Scum! Such a scum! To think I thought you were my brother!"

As he spoke, Liu Jingsheng cupped his hands and said, "Sir, I request to kill this adulterous couple!"

"You can get up first."

Yang Luo raised his hand.

"Thankyou, sir!"

Only then did Liu Jingsheng dare to get up.

Yang Luo said, "Killing them is too easy. My plan is to cripple their limbs first, then send them to prison to repent."

"Understood. I'll cripple these two guys now!"

With that, Liu Jingsheng turned around and walked towards Zheng Zhaohai and Chen Jiali.

"Brother Liu, I'm your brother. You can't attack me!"

Zheng Zhaohai and Chen Jiali retreated in fear.

Liu Jingsheng said angrily, "I don't have a Peking brother like you!"

Zheng Zhaohai roared, "Liu Jingsheng, you can't touch me!"

"Alliance Master Zhou of the Xiangjiang Martial Alliance is my friend!"

Hearing this, Liu Jingsheng frowned and stopped.

He turned to look at Yang Luo and said, "Sir, this Zhou Chuanwu is not easy to deal with!"

Yang Luo said to Zheng Zhaohai, "Hurry up and call Zhou Chuanwu over. I want to see if he dares to protect you!"

"Kid, just you wait. I'll call Alliance Master Zhou over now!"

Zheng Zhaohai gritted his teeth and made another call.

After the call.

Zheng Zhaohai smiled proudly and said, "Master Zhou will be here soon. None of you can touch me today!"

Chen Jiali also sneered and said, "Kid, don't think that you're so great just because you're the South Suppressing King's junior brother!"

Alliance Master Zhou was the Alliance Master of the Xiangjiang Martial Alliance. He works for the Martial Alliance of Country Hua!

There are more than 300,000 Martial Alliance disciples in the entire Country Hua. Even the South Suppressing King doesn't dare to provoke them easily!"

Chapter 763: Sky-Reaching Authority!

Liu Jingsheng said, "Sir, this woman is right.

If Alliance Master Zhou appears, I'm afraid we really won't be able to touch them today."

Yang Luo said indifferently, "Don't worry. I said that no one can protect them today."

Liu Jingsheng nodded. Although he did not believe it, he did not say anything else.

They waited for another half an hour.

The sound of a car engine came from outside again.

Soon, footsteps could be heard.

Everyone looked up and saw a group of men in black martial arts clothes walking in.

At the front was a middle-aged man in light gray cloth clothes. He had a strong figure, a square face, and gray hair at the temples.

This middle-aged man was the Alliance Master of the Xiangjiang Martial Alliance, Zhou Chuanwu!

Zheng Zhaohai hurriedly went up to him, "Alliance Master Zhou, you must save me today!"

"Don't worry. With me around, no one will dare to touch you today!"

Zhou Chuanwu said loudly. Then, he walked up to Liu Jingsheng with his hands behind his back.

He said indifferently, "President Liu, Mr. Zheng is my friend. Give me some face and let Mr. Zheng go."

“Noway!”

Before Liu Jingsheng could speak, Yang Luo spat out two words.

Zhou Chuanwu frowned, “Who are you? How dare you speak to me like this?”

Liu Jingsheng introduced, “Alliance Master Zhou, this is the heir to the next South Suppressing King!”

Hearing the introduction, Zhou Chuanwu’s pupils constricted slightly, and his expression became more respectful.

He cupped his hands at Yang Luo and said, “Sir, please give me some face and let Mr. Zheng off!”

Yang Luo met Zhou Chuanwu’s gaze and said, “I can give you face, but can you bear the consequences?”

If not for Brother Xiang, I would have crippled you long ago just because you stood up for this scum!”

Zhou Chuanwu’s expression turned cold, “Brother Xiang? Who is the Brother Xiang you’re talking about?”

Yang Luo said loudly, “The Chief of Country Hua’s Martial Alliance – Xiang Kunlun!”

“What?!”

Zhou Chuanwu’s expression changed drastically, “You... you know our Chief?!”

The others present also looked at Yang Luo in shock!

None of them dared to believe it!

After all, Yang Luo’s identity as the next South Suppressing King was enough to shock them!

However, they did not expect Yang Luo to even know the Chief of Country Hua’s Martial Alliance!

Who exactly was this kid?!

Yang Luo looked at Zhou Chuanwu and asked, “You don’t believe me?” Zhou Chuanwu said coldly, “Our President someone who’s as high as the heavens. How can he know you?”

Yang Luo said, “Since you don’t believe me, I’ll call Brother Xiang now and let him tell you.”

As he spoke, he took out his phone and called Xiang Kunlun.

Coincidentally, he also planned to tell Xiang Kunlun about the attack on the Myriad Swords Gate.

After all, Xiang Kunlun had said that he wanted to attack the Myriad Swords Gate with him.

The phone rang for a while before it was picked up.

Yang Luo turned on the speakerphone.

“Hahaha, Brother Yang, you finally thought of calling me. I was about to call you!”

A hearty laugh sounded.

Hearing this voice...

At the side, Zhou Chuanwu's entire body trembled. He felt his legs go weak and he almost knelt down!

How could he not recognize the Chief's voice!

Moreover, the Chief actually called the kid in front of him brother!

Seeing Zhou Chuanwu's expression, everyone present understood that the person on the other end of the phone was probably the famous Chief of Country Hua's Martial Alliance!

This kid really knew the chief of Country Hua's Martial Alliance!

Especially Zheng Zhaohai and Chen Jiali, their faces were pale from fear and their bodies were trembling!

“By the way, Brother Yang, why are you calling me?”

Xiang Kunlun asked.

Yang Luo said, “Brother Xiang, I'm working in Xiangjiang now and encountered something.

I want to punish this adulterous couple, but the Alliance Master of the Xiangjiang Martial Alliance insists on protecting those two fellows.

I wanted to make a move at first, but considering that he's your man, I thought of calling you.”

“I thought it was something big. Just such a small matter?”

Who's the Alliance Master of the Xiangjiang Martial Alliance?”

Xiangjiang Martial Alliance's Alliance Master, Zhou Chuanwu, greets the Chief!”

Zhou Chuanwu hurriedly bowed and said.

Even if Xiang Kunlun himself were not in front of him, he did not dare to disrespect him!

“Oh, Old Zhou! Old Zhou, let me tell you this!

Yang Luo is my brother, a life-and-death brother!

When I'm not around, he can exercise the power of life and death over the entire Martial Alliance of Country Hua on my behalf. Do you understand what I mean?”

Xiang Kunlun's voice sounded.

Hearing this...

Zhou Chuanwu was so frightened that he knelt on the ground.

He gulped and hurriedly replied, “I understand, I understand!”

Yang Luo turned off the speakerphone and walked to the side.

He said angrily, “Brother Xiang, aren't you indirectly asking me to manage Country Hua's Martial Alliance for you? How can you cheat your brother like this!”

Xiang Kunlun laughed out loud and said, “Brother Yang, the capable do more work!

You're my brother, so who are we to be so calculate with each other!?"

"Let's not talk about this for now."

Yang Luo replied, then lowered his voice and said, "Brother Xiang, after the matter in Xiangjiang is settled, I'll prepare to attack the Myriad Swords Gate." Xiang Kunlun said in surprise, "So fast?"

Yang Luo sighed and said, "I have to be fast. The Myriad Swords Gate has already issued a Martial World Killing Order.

As long as the Myriad Swords Gate is not destroyed, the Martial World Killing Order will not stop.

There will always be Martial Warriors coming to find trouble with me."

Xiang Kunlun said in a low voice, "I didn't expect the Myriad Swords Gate to actually issue a Martial World Killing Order.

During this period of time, I had been cultivating at Kunlun Mountain and did not know about this.

It seems that the Myriad Swords Gate has to be destroyed."

There was a pause.

Then Xiang Kunlun continued, "Brother Yang, why don't we do this?

After you're done with Xiangjiang, come to Kunlun Mountain to cultivate with me.

Kunlun Mountain is the birthplace of Country Hua's dragon vein. The dragon qi and spiritual qi is very abundant, and it was extremely suitable for cultivation.

We'll start taking action after we've all made a breakthrough. How about that?"

Hearing this...

Yang Luo's heart stirred!

That's right!

How could he have forgotten to use the dragon vein to cultivate!

After all, dragon qi was very helpful to his cultivation!

As for the dragon vein, it was a place where dragon qi gathered. It was more suitable for his cultivation!

"No problem. I'll come over after I'm done!"

Yang Luo agreed immediately.

"Alright, I'll wait for you."

With that, Xiang Kunlun hung up.

After the call ended...

Yang Luo turned around and walked towards Zhou Chuanwu.

At this moment, everyone present looked at Yang Luo with reverence.

Only now did they understand!

This kid in front of them was a big shot!

The next South Suppressing King!

The brother of Country Hua's Martial Alliance's Chief!

Such a terrifying figure had actually appeared here, and the main point of that was that he was so low-key!

Yang Luo asked Zhou Chuanwu, "Alliance Master Zhou, do you still want to protect Zheng Zhaohai?"

Zhou Chuanwu was still kneeling on the ground. He wiped his cold sweat and said with a smile, "Mr. Yang, you must be joking. I don't know this person at all."

Chapter 764: Acknowledging a God as Big Brother!

Yang Luo nodded and said, "In that case, get up."

"Yes... Yes!"

Zhou Chuanwu nodded and finally dared to get up.

Yang Luo pointed at Zheng Zhaohai and Chen Jiali and said in a trembling voice, "Alliance Master Zhou, President Liu, cripple the limbs of this adulterous couple!"

"Alright!"

Zhou Chuanwu and Liu Jingsheng responded and rushed towards Zheng Zhaohai and Chen Jiali.

The two of them were completely enraged.

If not for these two fellows, they would not have almost gotten into big trouble today.

If they really touched a hair on Yang Luo's head, they might die on the streets today!

Therefore, they hated this adulterous couple to the core.

Seeing Zhou Chuanwu and Liu Jingsheng walking over...

Zheng Zhaohai and Chen Jiali were so frightened that they knelt on the ground and begged Zhou Chuanwu and Liu Jingsheng for mercy with snot and tears.

"Alliance Master Zhou, President Liu, please don't hit us. We know our mistake!"

However, their expressions did not change at all. They could not be bothered to listen at all.

Seeing that they could not plead with Zhou Chuanwu and Liu Jingsheng, the two of them turned around and begged Yang Luo for mercy.

"Mr. Yang, we shouldn't have gone against you. We really know our mistake. Please let us off!"

"Mr. Yang, we won't dare again. We won't dare again!"

Yang Luo just turned to look at Ning Hansheng and said, “Mr. Ning, you decide.”

After all, this was Ning Hansheng’s family matter, so he had to listen to his opinion.

Ning Hansheng said respectfully, “Mr. Yang, we’ll do as you say.”

Although this kid in front of him was very young, he was too powerful. Any one of his titles could crush their Ning family.

He did not dare to put on any airs in front of Yang Luo now.

Yang Luo turned to look at Zhou Chuanwu and Liu Jingsheng, “Did you hear that? Why aren’t you moving?”

Zhou Chuanwu and Liu Jingsheng nodded and attacked.

Crack-

Accompanied by the sound of bones cracking...

“Uhhh...”

“Ah...!”

Zheng Zhaohai and Chen Jiali also let out miserable screams.

Zheng Zhaohai and Chen Jiali were beaten black and blue. Moreover, their hands and feet were broken, and they were completely crippled on the ground.

When everyone in the Ning family saw the miserable state of the two of them, they felt very relieved.

This adulterous couple had done all kinds of bad things. Just now, they had been clamoring to kill all of them. Now, they deserved this outcome.

After crippling Zheng Zhaohai and Chen Jiali...

Zhou Chuanwu and Liu Jingsheng stood respectfully beside Yang Luo like two lackeys.

Yang Luo turned to Ning Hansheng and said, “Mr. Ning, I’ll leave the rest to you.”

“Yes!”

Ning Hansheng nodded and took out his phone to make a few calls.

Not long after...

A group of men and women in uniforms arrived from the Xiangjiang General Administration.

Ning Hansheng explained the whole story to the Officers from the General Administration.

Soon, the people from the General Administration handcuffed Zheng Zhaohai and Chen Jiali and brought them away.

For the next half of their lives, this adulterous couple could only spend it in prison.

After Zheng Zhaohai and Chen Jiali were taken away, only their two sons, Ning Tianhao and Ning Tianyou, were left.

Ning Hansheng looked up at the two of them with a complicated expression.

No one present said anything. They wanted to see how Ning Hansheng would deal with these two sons who were not his biological sons.

This kind of thing was really difficult to deal with.

Although Ning Tianhao and Ning Tianyou were not his biological children, he had raised them.

Ning Hansheng just looked at the two of them quietly and fell into a long silence.

There was a long silence between the both of them.

Ning Hansheng then said, "Tianhao, Tianyou, although you're not my biological children, I raised you all single-handedly.

It would be a lie to say that I have no feelings for you at all.

"However, you're not my sons after all. You're not a member of the Ning family. I naturally can't keep you in the Ning family.

"Therefore, you can leave..."

"Dad, please, don't chase us away. No!"

"Dad, we didn't know about this at all. Please let us stay!"

Ning Tianhao and Ning Tianyou cried bitterly and pleaded.

Ning Hansheng let out a long sigh and said, "All these years, I've also given you a large sum of money one after another.

"Even if you leave the Ning family, as long as you don't spend money extravagantly and do something well, you can live well in the future."

"Dad!"

The two of them knelt on the ground and kowtowed hard, wanting Ning Hansheng to keep them.

"Get lost!!!"

Ning Hansheng let out a roar as tears streamed down his face.

Ning Tianhao and Ning Tianyou kowtowed to Ning Hansheng twice before getting up and leaving the Ning family.

After Ning Tianhao and Ning Tianyou left, Ning Hansheng seemed to have aged ten years and was on the verge of collapse.

Guan Zhiqing and Su Wanqiu walked forward and supported Ning Hansheng.

Seeing that the matter had been completely resolved...

Zhou Chuanwu smiled and said, "Mr. Yang, I want to invite you to my place as a guest. What do you think?"

Liu Jingsheng hurriedly said, "Mr. Yang, even if you wish to visit the area, you should come to my place. My place is much more fun than Alliance Master Zhou's place. From soup to nuts!"

Yang Luo cupped his hands and said, "I appreciate your kindness, but let's do it next time.

"If there's a chance next time, I'll go to your place."

Zhou Chuanwu nodded and said, "Alright, next time then!"

Liu Jingsheng smiled and said, "Mr. Yang, we'll be waiting for you at any time!"

After chatting for a while, the two of them left with their people.

After the two left...

Yang Luo turned to look at Li Shanhe and said, "Director Li, I think you just said that you want me to join your hospital as a doctor, right?"

Li Shanhe waved his hands repeatedly and said, "No, no, no, how could that be!

I meant to be friends with you, Mr. Yang!"

The young man in front of them had such terrifying prestige. How could he be subservient to their small hospital?

Therefore, he did not dare to mention this matter again. He only thought that it was enough to be friends with Yang Luo.

Yang Luo nodded and said, "Of course we can be friends. I've troubled you to take care of Auntie Guan all these years."

"That's what I should do!"

Li Shanhe's face was full of smiles as he quickly handed over a business card, "Mr. Yang, we won't disturb you anymore!"

With that, Li Shanhe left with a few attending physicians.

At this moment, Yuan Hengyun, Wu Huimin, and Yuan Shaojie walked over.

Yuan Hengyun looked at Ning Hansheng and sighed, "Brother Ning, let it go. Let this matter pass."

Ning Hansheng nodded and said hoarsely, "Brother Yuan, please forgive me for not entertaining you well today."

"It's fine, it's fine. Let's meet again next time!"

Yuan Hengyun waved his hand.

Then, he turned to look at Yang Luo and said respectfully, "Mr. Yang, I'm the head of the Yuan family in Ao City, Yuan Hengyun. I want to be friends with you. What do you think?"

He could tell from what had happened today.

The prestige and authority of this young man in front of him was really too terrifying.

If they could make friends with such a person, it would be beneficial to their Yuan family.

“Brother Yang, you’re too awesome. Can you take me in as your underling?”

Yuan Shaojie ran over eagerly and looked at Yang Luo expectantly.

Yang Luo’s performance just now was simply too handsome!

A token directly made Liu Jingsheng, the president of the First Chamber of Commerce in Xiangjiang, kneel down!

A phone call made the Alliance Master of the Xiangjiang Martial Alliance, Zhou Chuanwu, kneel down!

If he could acknowledge such a God as his big brother, it would definitely be a huge gain!

Hearing his son’s words...

Yuan Hengyun’s eyes lit up. He smiled and said, “Mr. Yang, my son likes to make friends. Why don’t you let my son be friends with you?”

Chapter 765: Seize the Opportunity!

Yuan Shaojie looked at Yang Luo eagerly, “Brother Yang, just take me in as your little brother. I really admire you too much!”

“This...!”

Yang Luo was a little hesitant.

He would not casually take someone in as his underling.

At this moment, Su Wanqiu said, “Little Luo, Second Young Master Yuan is a straightforward person. He doesn’t care about trifles and doesn’t have the bad habits of those rich young masters.

It’s not impossible for you to be friends with him.”

Bujie also smacked his lips and said, “Brother Yang, I think this kid should be our kindred spirit. It’s fine to take him in as a little brother.”

Yang Luo nodded and said, “Alright, since Sister Wanqiu and Bujie have said so, let’s be friends.”

Yuan Hengyun laughed and said, “Thank you for thinking highly of our Yuan family, Mr. Yang. If you come to Ao City in the future, we will definitely treat you well!”

Yuan Shaojie also said excitedly, “Brother Yang, when you and your friend come to Ao City later, I’ll definitely bring you around the entire Ao City!”

After that, Yuan Hengyun and Yuan Shaojie left their contact details with Yang Luo and left in satisfaction.

After Yuan Hengyun’s family left...

The other members of the Ning family also walked over with smiles.

“Mr. Yang is really a talented young elite. We admire you endlessly!”

“That’s right. If not for Mr. Yang today, our Ning family would really be finished!”

“Mr. Yang, you have to come to our Ning family more often in the future!”

Everyone from the Ning family flattered Yang Luo in all sorts of ways.

However, Yang Luo only replied indifferently, “Mm.”

He did not have a good impression of these guys from the Ning family.

These guys were a bunch of fence sitters.

Previously, when they saw that Chen Jiali could bring them benefits, they tried to curry favor with her.

After being threatened by Chen Jiali, they became a bunch of cowards.

Yang Luo hated such people the most, so he couldn’t be bothered with them at all.

Seeing that Yang Luo was ignoring them, the Ning family tactfully greeted Ning Hansheng and left.

After the Ning family left...

Only Yang Luo and the others were left in the hall.

Ning Hansheng looked up at Yang Luo and said, “Mr. Yang, can you chat with me?”

“Of course.”

Yang Luo nodded in agreement.

He also knew that Ning Hansheng urgently needed someone to talk to.

Moreover, this man was very likely to become his father-in-law in the future. It was only right for him to enlighten him.

Guan Zhiqing said, “Wanqiu, Xiao Xu, Master Bujie, Prajna, let’s go upstairs.”

Then, Su Wanqiu, Xu Ying, Bujie, and Prajna followed Guan Zhiqing upstairs, leaving only Yang Luo and Ning Hansheng.

“Mr. Yang, please sit down!”

Ning Hansheng raised his hand.

After Yang Luo sat down...

Ning Hansheng took out a cigarette and handed it over.

Yang Luo shook his head and said, “Mr. Ning, I don’t smoke. You can smoke by yourself.”

“Good,good!”

Ning Hansheng nodded and lit one himself.

He took a deep breath and exhaled a long puff of smoke. His voice was hoarse as he said, “Mr. Yang, do you know...

All these years, I had single-handedly established Hansheng Corporation. Although there were lows, I still made a comeback in the end.

My first wife is gentle and virtuous, my second wife is beautiful and generous, and I have two sons. I originally thought that I was especially successful and glorious, making countless people envious. However, it was only today that I realized that all of this was a dream.

Now that I had woken up from my dream, I have been beaten back to my original state.

It turned out that the second wife I had always loved was someone else's woman all along. She was only with me to obtain my assets.

It turned out that the two sons I had spent so much effort to nurture were not my biological sons.

In the end, I have nothing left.

I'm really a failure..."

Yang Luo sighed and said, "Mr. Ning, how can you say that you have nothing?"

"Your Hansheng Corporation is still around, and Auntie Guan has already woken up. Moreover, you've also found your biological daughter, Sister Wanqiu.

Perhaps Auntie Guan is no longer as elegant as before, but she was still someone who accompanied you through difficult times.

Perhaps Sister Wanqiu isn't a man, but she is much more capable than some men.

In the future, Sister Wanqiu will become your best heir. Under Sister Wanqiu's lead, Hansheng Corporation will also rise to a higher level.

I will inform Alliance Master Zhou and President Liu and ask them to assist Sister Wanqiu.

"With Alliance Master Zhou and President Liu taking care of her, who do you think dares to touch Hansheng Corporation and your Ning family in Xiangjiang?"

Hearing Yang Luo's words, Ning Hansheng was stunned.

Yang Luo continued, "So, although you seem to have nothing left, you already have everything.

You're already happier than countless people. What else are you not satisfied with?"

Ning Hansheng looked at Yang Luo in a daze, and his turbid eyes gradually lit up.

Tears were already streaming down his face. He choked and said, "That's right. Zhiqing has returned to my side, and my biological daughter has also returned to my side. What else can I not be satisfied with?"

Mr. Yang, I don't know how to thank you. If you hadn't treated her, Zhiqing would probably never have woken up.

If you hadn't exposed the adulterous couple's scheme, I would have been kept in the dark for the rest of my life.

If not for you, I wouldn't have been able to punish that adulterous couple at all.

Mr. Yang, my Ning family will never be able to repay your kindness..."

Yang Luo waved his hand and said, "Mr. Ning, what favor? Everything I did was for Sister Wanqiu.

As long as Sister Wanqiu is happy, I'm happy."

Ning Hansheng gave Yang Luo a look that all men understood and said with a smile, "You like Wanqiu, right?"

"Uh... well..."

Yang Luo smiled awkwardly, unable to deny it.

Now that he had confirmed his feelings, he was just short of breaking through the last layer of window paper.

Ning Hansheng said, "You like Wanqiu, and Wanqiu likes you too. It would be best if the two of you could be together. I unconditionally agree to the two of you being together.

However, you have to quickly seize the opportunity and put this matter into action.

Ever since Wanqiu came to Xiangjiang, the children of wealthy families in Xiangjiang has had their eyes on Wanqiu.

The love letters and flowers she received recently could fill the entire trash can.

So, if you really like Wanqiu, tell her quickly. You can't let a woman confess to you, right?"

"Yes, that makes sense..."

Yang Luo nodded in reply.

It seemed like he had to hurry.

In the following period of time...

Yang Luo and Ning Hansheng continued to chat.

At first, Ning Hansheng was still in low spirits, but towards the end, he was full of energy.

Therefore, the two of them lost track of time.

Ning Hansheng was no longer restrained towards Yang Luo and addressed him much more casually.

Evening soon came.

Guan Zhiqing, Su Wanqiu, Xu Ying, Bujie, and Prajna came down from upstairs.

Seeing Yang Luo and Ning Hansheng chatting happily, Guan Zhiqing and Su Wanqiu smiled.

Guan Zhiqing shouted, "Old Ning, how can you talk to Little Luo for half a day?

"Let's go, let's go. It's getting late. Let's quickly find a place to eat."

Ning Hansheng looked at the time and said in surprise, "It's already so late? Let's go eat!"

As he spoke, Ning Hansheng said to Yang Luo, "Little Luo, let's have a good drink tonight!"

"No problem!"

Yang Luo smiled and agreed.

Then, Yang Luo and the rest got into the car and left the Ning family's manor. They came to a high-end restaurant in Xiangjiang for dinner.

Chapter 766: Finally Waited For You!

During dinner.

Yang Luo, Xu Ying and Bujie accompanied Ning Hansheng to drink one glass after another.

Meanwhile, Guan Zhiqing, Su Wanqiu, and Prajna chatted. The atmosphere was very pleasant.

By the time dinner was over, it was already past eight in the evening.

Ning Hansheng was completely drunk.

Guan Zhiqing supported Ning Hansheng and said to Su Wanqiu, "Wanqiu, I'll send your father home then."

Su Wanqiu nodded and said, "Mom, be careful on the road with Dad."

"I don't worry, we'll be fine."

Guan Zhiqing responded and gave Su Wanqiu a look, "Wanqiu, take your chance!"

"Mom..."

Su Wanqiu naturally knew what her mother meant and instantly blushed. However, Yang Luo, Xu Ying, Bujie, and Prajna were baffled.

After Guan Zhiqing and Ning Hansheng left...

Su Wanqiu said, "Xu Ying, Bujie, Prajna, I want to walk alone with Yang Luo. You guys..."

Bujie grinned, "Sister Wanqiu, it's fine. You don't have to worry about us. We'll find our own fun."

With that, Bujie, Xu Ying, and Prajna left in a hurry.

Su Wanqiu said gently, "Little Luo, can you accompany me for a walk?"

"Alright!"

Yang Luo agreed immediately.

Then, the two of them hailed a taxi and left the restaurant.

After driving for more than 20 minutes, the car stopped at a bustling pedestrian street.

Yang Luo and Su Wanqiu got out of the car and walked into the pedestrian street.

Although it was already night time, for the people of Xiangjiang City, the nightlife had just begun.

Therefore, the streets were filled with fashionable young men and women shopping.

However, Su Wanqiu's arrival immediately attracted the attention of many people.

It could not be helped. Su Wanqiu was top-notch in terms of looks, figure, and temperament.

Those who didn't know better would think that a big star had come out for shopping.

Su Wanqiu seemed to be very happy. Her footsteps were very brisk.

"Little Luo, thank you."

Su Wanqiu suddenly thanked him.

Yang Luo waved his hand and said, "Sister Wanqiu, with our relationship, is there a need to thank me?"

Su Wanqiu looked at Yang Luo with sparkling eyes and asked, "Then what kind of relationship do you think we have?"

"Well..."

Yang Luo wanted to express his feelings, but he didn't know how to say it. Su Wanqiu burst into laughter, "Big fool, let's go. Follow me to that jewelry shop!"

As she spoke, Su Wanqiu held Yang Luo's hand and walked into an accessory shop at the side.

After entering the jewelry store, Su Wanqiu's eyes were shining. She looked left and right and was very happy.

Yang Luo, on the other hand, acted as a lackey and followed behind.

After looking around for a while...

Su Wanqiu picked up a hairpin shaped like a cherry blossom and handed it to

Yang Luo, "Here, help me put it on!"

Yang Luo held the hair clip and asked in a daze, "Sister Wanqiu, are you sure you want to wear such a cute hair clip?"

Su Wanqiu chided, "Aiya, I'm just giving it a try!"

"Alright!"

Yang Luo nodded. Then, he faced the mirror and carefully helped the woman put on the hair clip.

At this moment.

There was an inexplicable feeling circulating in their hearts.

When his fingers passed through the woman's hair, Yang Luo was in a daze for a moment.

Su Wanqiu's charming face was also dyed red.

After putting on the hair clip...

Su Wanqiu looked at herself in the mirror and said shyly, "Little Luo, am I acting too young?"

Yang Luo shook his head and said, "How can that be? Sister Wanqiu, how can you call it pretending to be young? You're very young to begin with, okay?"

Su Wanqiu said helplessly, "I'm no longer young. I'm already over 30.

Such a cute hair clip is indeed not suitable for me."

As she spoke, the woman prepared to take off the hair clip.

Yang Luo said seriously, "Sister Wanqiu, this hair clip suits you quite well.

Don't take it off. It's good to wear it like this!"

Usually, women would dress up very maturely and intellectually, but occasionally, they would wear cute little accessories. Not only did they not look pretentious, but it would also cover up the brilliance of these women.

Su Wanqiu stuck out her tongue and said, "Alright, I'll pretend to be young tonight!"

After that, the two of them walked around the trinket shop for a while before leaving.

The two of them continued walking down the street, chatting about some relaxed topics. They felt very relaxed.

After walking for a while, he saw a singer busking on the street in front of them.

Many people were gathered around.

"Let's go and take a look!"

Su Wanqiu ran over excitedly.

Yang Luo followed.

As they approached, the two of them stood in the crowd and listened to a love song.

At this moment, Su Wanqiu suddenly pointed at a milk tea shop not far away, "Little Luo, I want to drink milk tea. Can you buy it for me?"

"Sure."

Yang Luo nodded and asked, "Which one do you want to drink?"

Su Wanqiu said, "Just get their best-selling milk tea."

"No problem."

Yang Luo responded and ran over to line up.

As the business of that milk tea shop was very good, Yang Luo waited for a long time before managing to buy two cups of milk tea.

Just as Yang Luo came out of the milk tea shop...

A pleasant singing voice suddenly came from not far away.

"When you reach a certain age, you'll know that life is really difficult alone.

Gradually, you'll start to taste what loneliness is... "O

Yang Luo felt that this voice was very familiar and suddenly turned his head to look.

He caught sight of a beautiful figure singing in the crowd. It was Su Wanqiu.

The woman's voice was very gentle, and her singing was melodious.

Coupled with the woman's peerless appearance, she attracted the attention of everyone on the street.

Yang Luo was very puzzled. He did not expect this woman to suddenly run over and sing.

Moreover, this was the first time he had heard her sing.

He also walked over and pushed through the crowd to stand in front of them.

“You want to spend the rest of your life with someone who loves you. How many people can accompany me for a while? There are even fewer who are willing to spend the rest of their lives with me...”

The woman's singing continued.

The onlookers were all immersed in the woman's singing.

Su Wanqiu had long noticed Yang Luo coming over.

She looked at Yang Luo tenderly, her eyes filled with charm and gentleness.

Yang Luo also looked at Su Wanqiu.

At this moment...

The two of them seemed to be the only ones left on the entire street.

Both of them only had eyes for each other.

“I've finally waited for you. Fortunately, I didn't give up. Happiness is hard to come by, so people cherish it even more...”

As she sang, tears fell from the corners of the woman's eyes, but the woman's lips curled up slightly.

These were tears of happiness.

Listening to the woman's singing, Yang Luo recalled everything he had experienced with her during this period of time.

Those scenes flashed through his mind like a movie scene.

Although he had never experienced anything too unforgettable with her...

However, those small matters also seemed precious.

Unknowingly, the song ended.

The event location instantly fell silent.

Less than a minute later.

Everyone present started to shout out.

‘Beauty, this song ‘Finally Waited for You’ is too good. Please sing another song!’

“This song directly enters one’s heart and reminds me of my love!”

“Encore! Encore!”

However, Su Wanqiu did not continue singing and looked at Yang Luo instead.

She held the microphone and said gently, “Little Luo, this song is for you and for myself.

I originally thought that a woman my age would never be able to obtain love again and could only spend the rest of her life alone.

However, I didn’t expect the heavens to let me meet you.

Thank you for meeting me, thank you for accompanying me, thank you for being with me all the way.

I’ve finally waited for you. Fortunately, I haven’t given up.

Little Luo... I love you!!!”

Chapter 767: Going to Kunlun Mountain!

The last sentence was shouted out by the woman, shocking the onlookers.

After being stunned for a long time, everyone finally reacted.

It turned out that this beautiful woman was singing this song for this young man.

It turned out that this was a confession.

The event location immediately burst into commotion.

“Bro, the beauty has already confessed to you. Why are you still in a daze?

“Brother, you’re too lucky. Such a beauty actually took the initiative to confess to you!”

“My heart is broken to have a goddess taken!”

“Be together! Be together! Be together!”

Everyone present began to chant again.

Yang Luo finally regained his senses.

He took a deep breath and said loudly, “Sister Wanqiu, I love you!”

After shouting this, Yang Luo threw away the milk tea in his hand and rushed forward, hugging the woman tightly in his arms.

Su Wanqiu also hugged Yang Luo tightly. The tears in her eyes could not stop flowing.

Only she understood how difficult it was for her to be with Yang Luo.

After all, she was previously a member of the Su family and Su Qingmei's Auntie.

No matter how much she liked Yang Luo, she could only suppress this feeling in her heart.

Unexpectedly, the heavens had played such a big joke on her.

She turned out to not a real member of the Su family, but an adopted daughter of the Su family.

It was precisely because of this that she no longer had any worries and started to face her feelings seriously.

“Kiss! Kiss! Kiss!”

Everyone present began to chant again.

Yang Luo kissed the woman's plump red lips.

Tears streamed down Su Wanqiu's face as she responded to the man's affectionate kiss.

At this moment...

The onlookers began to cheer.

The song on the street sang a love song while strumming the guitar.

The entire street seemed to have turned into a sea of happiness and romance.

It was past eleven at night.

Yang Luo and Su Wanqiu took the car to villa 10 in Shallow Water Bay. Shallow Water Bay Villa District was one of the top ten villa districts in Xiangjiang. Each villa could be sold for more than 100 million yuan. This villa was also a property that Ning Hansheng had specially bought for Su Wanqiu.

After arriving at the entrance of Villa 10, the two of them walked into the villa.

As soon as they closed the door...

Su Wanqiu turned around and kissed Yang Luo.

Yang Luo also responded to the woman's passionate kiss.

At this moment, the two of them were like dry wood meeting a raging fire. They kissed from the door to the living room and fell onto the sofa.

Su Wanqiu looked at the man who was so close to her. Her face was red as she panted softly, “Little Luo, can we go to the room upstairs?”

“Alright!”

Yang Luo nodded and carried the woman.

Su Wanqiu looked at the man coquettishly and said shyly, "Little Luo, from today onwards, you are my man..."

Yang Luo also looked at the woman tenderly, "Sister Wanqiu, from today onwards, you're my woman..."

As he spoke, Yang Luo carried the woman upstairs, entered a room, and closed the door...

The next morning.

Sunlight shone through the window into the room.

Yang Luo slowly opened his eyes.

He subconsciously looked to his side and realized that Su Wanqiu was not there.

"Sister Wanqiu!"

Yang Luo quickly got off the bed and rushed out of the room.

He saw Su Wanqiu, who was dressed in casual clothes and had her long, silky hair tied up. She was wearing an apron and was carrying plates to the dining hall.

Looking at the woman busying herself, Yang Luo's lips curled up slightly and he felt a sense of warmth.

Yang Luo grinned and said, "Good morning, Sister Wanqiu!"

Su Wanqiu turned to look upstairs, "You're awake. Quickly wash up and come down for breakfast."

"Alright!"

Yang Luo acknowledged and entered the room.

After washing up...

Yang Luo went downstairs and had breakfast with Su Wanqiu.

"By the way, Sister Wanqiu, I plan to leave Xiangjiang today."

Yang Luo suddenly said.

"Alih?"

Su Wanqiu was stunned, "Do you have to be in such a hurry? Can't you stay for a few more days?"

Yang Luo said helplessly, "Sister Wanqiu, I also want to stay for a few more days, but I have something urgent to do now."

Su Wanqiu asked in confusion, "What urgent matter?"

Yang Luo said, "I have an appointment with Brother Xiang to go to Kunlun Mountain to cultivate."

As for attacking the Myriad Swords Gate, he naturally did not say anything.

If he said it, he would only make her more worried.

“Alright.”

Su Wanqiu sighed and nodded. Her mood seemed to have been dampened somewhat.

Yang Luo smiled and said, “Alright, Sister Wanqiu, don’t be unhappy. When I have time, I’ll come to Xiangjiang to look for you again.

Of course, if you have time, you can look for me in Jiang City.

If you return to Jiang City, Old Master Su and Qingmei will definitely be very happy.”

Su Wanqiu nodded and said, “Alright. After I stay in Xiangjiang for a period of time, I will bring my parents to Jiang City to visit Qingmei and the rest.”

“Alright.”

Yang Luo responded.

After breakfast...

Su Wanqiu stood up and walked to Yang Luo. She sat on Yang Luo’s lap. She said charmingly, “Anyway, you might be leaving Xiangjiang today, but you’re not in a hurry, right?”

“I’m in no hurry.”

Yang Luo nodded in reply.

Su Wanqiu said, “Since there’s no hurry, let’s go upstairs.”

“Hmm?”

Yang Luo was a little stunned, “Why are we going upstairs?” Su Wanqiu smiled seductively, “Little baddie, what do you think?” Only then did Yang Luo react.

He coughed twice and said, “I’m indeed not in a hurry. Yes, there’s no hurry.”

As he spoke, Yang Luo picked up the woman and rushed upstairs...

At around past ten in the morning.

Xiangjiang International Airport.

In the hall.

Ning Hansheng, Guan Zhiqing, Xu Ying, Bujie, and Prajna were waiting for Yang Luo and Su Wanqiu.

Ning Hansheng looked at his watch and said, “That’s strange. Why aren’t Little Luo and Wanqiu here yet?”

Guan Zhiqing reached out and hit Ning Hansheng. “Old Ning, Little Luo is leaving today. What’s wrong with letting Little Luo and Wanqiu stay a little longer?”

“Oh oh oh!”

Ning Hansheng nodded, “Yes, yes, yes. It’s good to let these two children stay for a while!”

Bujie, on the other hand, shook his head and said, “No wonder the ancient kings did not attend court early. It’s really because the land of beauties is too haunting...”

“Bujie, what nonsense are you talking about again?”

At this moment, an angry voice sounded.

Everyone turned around and saw Yang Luo and Su Wanqiu walking over. Bujie chuckled and said, “Brother Yang, you’re finally here. I thought you didn’t want to leave!”

Yang Luo rolled his eyes and looked at Ning Hansheng and Guan Zhiqing. “Uncle Ning, Auntie Guan, sorry to keep you waiting.”

Guan Zhiqing smiled and waved her hand, “It’s fine, it’s fine. It’s good for the two of you to stay for a while longer.”

At this moment...

The airport broadcast sounded. The plane from Xiangjiang to Jade City in the northern border was about to set off.

After all, the Jade City in the northern border was relatively close to Kunlun Mountain.

Yang Luo said, “Uncle Ning, Aunt Guan, Sister Wanqiu, we’ll be leaving then!” Ning Hansheng nodded and said, “Little Luo, come to Xiangjiang to visit us often when you have time.”

Guan Zhiqing looked at Yang Luo gently as well, “Yes, you guys didn’t stay here for long this time. You have to stay a few more days next time.”

Yang Luo smiled and said, “No problem.”

Su Wanqiu gave Yang Luo a hug, “Little Luo, take care. Contact me anytime if there’s anything.”

Yang Luo nodded, “Sister Wanqiu, you too.”

After saying their goodbyes...

Yang Luo led Xu Ying, Bujie, and Prajna into the security checkpoint...

Chapter 768: Follow to the Death!

It was not until Yang Luo and the others disappeared from their sight that Ning Hansheng, Guan Zhiqing, and Su Wanqiu looked away.

Guan Zhiqing looked at Su Wanqiu and said with a smile, “Wanqiu, you and Little Luo should be together now, right?”

Ning Hansheng asked in confusion, “Zhiqing, how did you know that they were together?”

Guan Zhiqing said, “Didn’t you hear Little Luo call you Uncle Ning just now?”

Ning Hansheng was stunned for a moment before he reacted, “That’s right. I didn’t expect Little Luo to change the way he addressed me!”

As he spoke, he looked at Su Wanqiu excitedly, “Wanqiu, are you really dating Xiao Luo?”

“Hmm.”

Su Wanqiu blushed and nodded.

“Did you spend the night together?”

Guan Zhiqing pressed on.

“Hmm.”

Su Wanqiu nodded again and her face turned even redder.

“Hahaha, good, good!”

Ning Hansheng laughed loudly and said excitedly, “Wanqiu, it’s time for your marriage with Little Luo to be put on the agenda!”

“Dad!”

Su Wanqiu said helplessly, “Little Luo is very busy now and has no intention of getting married.

Moreover, I also want to strive for a career. This way, I can help Little Luo in the future.”

Ning Hansheng waved his hand and said, “It doesn’t matter if you don’t get married for the time being. You guys have children first and give birth to a few fat boys!”

“Yes, yes, yes. At least two!”

Guan Zhiqing also answered in a hurry.

“Dad, Mom, what are you doing?!”

Su Wanqiu’s face turned red. She was too ashamed to face anyone.

Guan Zhiqing said, “What do you mean? We’re talking about serious matters!”

“That’s right, that’s right. Giving birth is a big deal!”

Ning Hansheng added.

“I’m not talking to you two anymore!”

Su Wanqiu chided and turned to walk out.

“Wanqiu! Wanqiu!”

“Wait, we’re not done talking about serious matters!

Ning Hansheng and Guan Zhiqing hurriedly chased after her.

At this moment.

The plane had yet to take off.

On the plane.

Bujie asked excitedly, “Brother Yang, are we going to attack the Myriad Swords

Gate after our cultivation in the Kunlun Mountains this time?

“That’s right. I’ve already made an appointment with Brother Xiang!”

Yang Luo nodded in reply.

Bujie suddenly clapped his hands, “Good, good, I can finally settle the score with the Myriad Swords Gate!”

Xu Ying and Prajna were also filled with excitement.

They still remembered the scene of the three of them being beaten half to death by the elders of the Myriad Swords Gate and the Witch God Sect not long ago.

Now that they could finally settle the score, they were naturally excited.

Yang Luo said, “Don’t be in a hurry to be happy. This Myriad Swords Gate is a large sect after all. It’s probably not that easy to destroy it.

We have to be fully prepared.”

“Yep!”

Xu Ying, Bujie, and Prajna nodded heavily.

Yang Luo thought for a moment and said, “It’s not enough for us to cultivate alone. I plan to call Old Qi and the others to cultivate at Kunlun Mountain!”

“This is good too!”

Bujie nodded repeatedly and said, “If everyone cultivates together, we can also exchange martial arts pointers with each other!”

Then, Yang Luo took out his phone and called Qi Yutang, Li Wushuang, and

Wang Mufeng. He explained the matter of going to Kunlun Mountain to cultivate and asked them to meet up in Jade City in the northern border.

Of course, he also called the members of the Hidden Dragon Pavilion in Jiang City, as well as Jiang Tianlong, Hong Yunzhi, and the others, and asked them to secretly protect Su Qingmei and Qin Yimo.

After that, Yang Luo called Chen Ying from the Overflowing Moon Sect, Zhao Longteng from the Divine Dragon Sect, Luo Qianchuan from the Hunyuan Sect, Wang Pingsheng from the Giant Sword Sect, Zhang Long from the Dragon Conqueror Pavilion, Li Yanhui from the Burning Flame Sect, and Ma Xiaofeng from the Wind Thunder Sect.

These seven sect masters were all his friends and were also the main force in attacking the Myriad Swords Gate this time. Naturally, he could not leave them behind.

just his cultivation and strength alone were not enough. He had to bring everyone around him to improve.

After the call, the plane finally took off.

As Xiangjiang was quite far from Jade City in the northern border...

Therefore, when Yang Luo and the others arrived at the Jade City Airport, it was already past four in the afternoon.

Qi Yutang, Li Wushuang, Wang Mufeng, and the others were already waiting in the airport lobby.

As Qi Yutang and the others were dressed in retro attire, they attracted the attention of many tourists.

“What are these people doing? Why are they all dressed so differently?”

“I think these people are either cosplaying or filming!

“Yes, that makes sense!”

The passengers discussed in low voices and pointed.

Li Wushuang looked at the time and said, “Strange, why isn’t Brother Yang here yet?”

Wang Mufeng said, “Counting the time, Brother Yang should be here soon.” Qi Yutang chuckled and said, “It’s good to follow Mr. Yang. He’ll bring us along when he goes to good places to cultivate!”

Chen Ying said, “Mr. Yang is a righteous person and a forthright person. He doesn’t beat around the bush.

As long as we follow Mr. Yang sincerely, Mr. Yang will naturally treat us sincerely.”

Qi Yutang said, “Everyone, you have to do your best to attack the Myriad Swords Gate this time. If anyone dares to escape at the last minute, I, Old Qi, will be the first to not let them off!”

” Don’t worry, Daoist Master Qi. We will definitely be loyal to Mr. Yang and follow him to the death!”

“That’s right. Moreover, attacking the Myriad Swords Gate this time is also an opportunity for us!

As long as we can destroy the Myriad Swords Gate, our reputation will rise and our various sects will also become famous in one go!”

“Whether our sects can stand out in the ancient martial arts world depends on this battle!”

Chen Ying and the others spoke up one after another. Clearly, they were already prepared.

“Brother Yang is here!”

At this moment, Li Wushuang suddenly shouted out.

Everyone looked up and saw Yang Luo, Xu Ying, Bujie, and Prajna walking out of the exit.

“Brother Yang!”

“Mr. Yang!”

Everyone quickly went forward to welcome him.

Yang Luo smiled and said, "Everyone is here. I'm sorry to have kept you waiting."

Qi Yutang smiled and waved his hand, "Hey, we didn't wait long."

Yang Luo nodded and said, "Let's go. We'll go to the city for a meal first before heading to Kunlun Mountain."

"Alright!"

Everyone nodded in agreement.

Then, Yang Luo and the others got into a few commercial cars and left the airport.

On the way to the city...

Yang Luo called Xiang Kunlun and said that he had already arrived at Jade City and would meet him soon.

Xiang Kunlun then sent a location to Yang Luo.

"Brother Yang, who are you talking to? Could it be that other than us, there's someone else going to Kunlun Mountain to cultivate?"

Li Wushuang asked in confusion.

Yang Luo smiled mysteriously and said, "You'll know later.

He did not mention Xiang Kunlun to everyone on the phone previously because he wanted to give everyone a surprise.

After arriving in the city, everyone found a simple restaurant for a meal.

After dinner, everyone took a car to Mount Kunlun.

After driving for more than an hour, the car left the city and went straight to Kunlun Mountain.

After driving for another two hours, they finally arrived at the periphery of Kunlun Mountain.

As it would be inconvenient for the vehicles to drive through the deep mountains, everyone got out of the car and prepared to walk into the mountains.

Yang Luo took the chance to look around.

High mountains rose and fell continuously. The top of the mountains was covered in snow all year round. Clouds and fog lingered, and snow covered the ground. It was majestic and magnificent.

Yang Luo couldn't help but sigh, "Moving the Big Dipper past the Southern Hour, two hands holding the wheels of the Sun and Moon.

I flew up Mount Kunlun and turned into a cloud in a flash."

Qi Yutang said, "This poem by Bai Yuchan still can't fully express the charm of the immortal realm of Kunlun Mountain!"

Yang Luo nodded and waved his hand, "Let's go!

Then, Yang Luo and the others rushed towards the depths of Kunlun Mountain...

Chapter 769: Five Masteries!

After running for more than an hour...

Yang Luo and the others finally stepped into the deep mountains.

Just as Yang Luo and the others arrived at a canyon!

Rumble rumble rumble!

The surrounding mountains suddenly shook violently!

The ice and snow on the mountain fluttered, and huge rocks rolled down!

A pressure and aura that was like a landslide and tsunami surged over and enveloped the entire canyon!

“Who is it?!”

“Enemy attack?!”

“Everyone, be careful!”

Qi Yutang and the others immediately turned pale with fright. They looked around and became more vigilant.

The next second!

A figure burning with black and golden flames leaped down from a tall mountain and threw a punch at Yang Luo!

With this punch, the black-golden flames instantly expanded. There was also an incomparably huge black-golden-flame Kun Peng that charged towards Yang Luo!

“Mr. Yang, be careful!”

“Brother Yang, be careful!”

“Hurry up and help!”

Qi Yutang and the others shouted in shock. They wanted to help, but it was too late.

It could not be helped. The speed of this figure was too fast, and the combat strength that erupted was too ferocious!

Seeing this punch coming!

Without any hesitation, Yang Luo’s body shook and his aura was fully released. His combat strength erupted as he twisted his fist and faced the attack!

“ROAR...”

With a punch, a dragon’s roar sounded as well!

A huge golden fist collided with the huge black and golden flame fist!

A golden dragon phantom roared and charged towards the Kun Peng wreathed in black and gold flames!

And in that instant!

Boom! Boom!

A series of earth-shattering collision sounds resounded and spread far away!

A few seconds later!

Rumble!

An earth-shattering explosion sounded!

Waves of True Qi that surged like rivers and seas spread crazily in all directions from the explosion!

The snow that fell from the mountain instantly turned into water droplets!

The rolling boulder instantly shattered into pieces!

The surrounding mountains were also riddled with holes!

As the true qi that erupted was too terrifying, it directly shook Qi Yutang and the others until they retreated repeatedly!

It was not until the light, True Qi, and sand and rocks dissipated that everything finally returned to calm.

Everyone saw a figure standing in front of Yang Luo, akin to a Divine Monument.

This person was wearing a black shirt. He had sharp eyebrows, deep eyes, a high nose bridge, a cold body, and a broad chest that was extraordinarily domineering!

The moment they saw that figure!

Qi Yutang and the others were shocked!

“It’s actually Country Hua’s Martial Alliance’s Chief, Xiang Kunlun?!”

“Oh my god, why is Alliance Master Xiang here?!”

Everyone roared out.

“Hahaha...”

Xiang Kunlun threw his head back and laughed. He took a few steps forward and hugged Yang Luo heavily.

“Brother Yang, I haven’t seen you for a while. I didn’t expect your strength to have improved a lot!”

Yang Luo smiled and said, “Brother Xiang, your strength has also improved a lot!”

“Qi Yutang greets Chief Xiang!”

“Li Wushuang greets Alliance Chief!”

“Wang Mufeng greets Alliance Chief!”

“The Overflowing Moon Sect’s Sect Master, Chen Ying, greets Chief Xiang!”

Qi Yutang and the others bowed respectfully.

As a member of the martial arts world, everyone knew Xiang Kunlun’s name.

Xiang Kunlun was the chief of Country Hua’s Martial Alliance, a true top expert!

If not for Xiang Kunlun, the martial artists of the secular world would have been in chaos!

There was no end to the legends of Xiang Kunlun!

Therefore, they were filled with reverence and admiration for Xiang Kunlun!

Especially when they saw how close Xiang Kunlun and Yang Luo were, everyone was even more shocked!

As expected of Mr. Yang. He even knew Xiang Kunlun and even called him brother!

Xiang Kunlun turned to look at Qi Yutang and the others and asked in confusion, “Brother Yang, why did you bring them here?”

Yang Luo said, “Brother Xiang, they’re all my friends.

They will also help in attacking the Myriad Swords Gate this time.”

“Oh...”

Xiang Kunlun nodded in realization and said, “Since you’re Brother Yang’s friends, you’re also my friends!”

“I wouldn’t dare!”

“You’re too polite, Alliance Chief Xiang!”

Qi Yutang and the others cupped their hands and were overwhelmed by the favor.

Xiang Kunlun said, “Alright, let’s cut to the chase. Let’s go up the mountain!

I found an area where the spiritual energy and dragon qi is very abundant!

As long as everyone cultivates diligently, your cultivation will definitely improve!”

“Alright!”

Yang Luo and the others nodded.

Then, Yang Luo and the others followed Xiang Kunlun into the depths of the mountain and began to climb the mountain.

Fortunately, everyone was a Martial Warrior. Their stamina was not bad and their speed was very fast.

Therefore, it did not take long for everyone to reach the peak of a mountain that was thousands of meters tall.

Yang Luo sensed his surroundings and said in satisfaction, "The spiritual qi and dragon qi here are indeed abundant. Not bad, not bad!"

Qi Yutang stroked his beard and said, "This is a cultivation treasure land. Why didn't I discover it before?"

Li Wushuang teased, "Old Qi, do you think you can compare to Alliance Master Xiang?"

Qi Yutang trembled and waved his hands, "Of course not."

"Hahaha..."

Everyone laughed out loud.

Xiang Kunlun smiled and said, "Alright, everyone, choose a mountain and prepare to start cultivating!"

"Wait!"

Yang Luo hurriedly stopped everyone.

"Brother Yang, is there anything else?"

Xiang Kunlun asked.

Yang Luo said, "We happen to have 15 people, so I plan to set up a Spirit

Gathering Array around the 15 mountains with this mountain as the center to make the Spirit Qi and Dragon Qi here more abundant!"

"Oh?"

Xiang Kunlun's eyes lit up. "Brother Yang, you know how to set up a Spirit Gathering Array?"

"It's a piece of cake!"

Yang Luo replied with a smile and waved his hand!

At that very moment...

Spirit stones flew out of his storage ring and flew towards the mountains around the fifteen mountains!

"It's actually spirit stones?!"

Qi Yutang perked up and could not help but exclaim.

Everyone was also very surprised. Clearly, they did not expect Yang Luo to even have spirit stones.

After all, spirit stones were usually only available in deep mountains and forests with extremely abundant spiritual qi.

There were also some large sects that had spirit stones.

However, he did not expect Yang Luo to be able to take out so many spirit stones at once.

These spirit stones landed steadily on the top of the mountains and were placed together in a regular manner!

Looking down from the sky, one could see that a mysterious array formation had been set up here!

After the spirit stones landed on the peaks of the mountains...

Yang Luo stomped down and shouted, "Activate the array!"

In the next instant...

The Spirit Gathering Array was activated, and a huge golden light barrier enveloped the fifteen mountains!

The spiritual qi of the world and the dragon qi of Kunlun Mountain gathered from all directions and surged into the light barrier!

"Hiss..."

Li Wushuang gasped and said in surprise, "It's really a Spirit Gathering Array. I feel that the spiritual qi here is even more abundant than before!"

Qi Yutang was emotional, "My Mr. Yang is indeed an immortal master. He's proficient in martial arts, medicine, alchemy, spells, and array formations!"

Chapter 770: Two Monsters!

Li Wushuang and the others were also shocked and could not help but admire

Yang Luo even more.

They were very curious about how many secrets Yang Luo had that they did not know.

The more they understood this man, the more unfathomable they felt he was.

Xu Ying, Bujie, and Prajna's faces were filled with pride.

Xiang Kunlun teased, "Oh my god, if I had known that Brother Yang still had such cards up your sleeve, I would have called you over earlier!"

Yang Luo smiled and said, "It's not too late now!"

Xiang Kunlun asked, "Then can we start now?"

Yang Luo said, "Wait a little longer."

"Hmm?"

Xiang Kunlun looked curious, "Don't tell me you still have more surprises for us?"

Qi Yutang and the others also looked at Yang Luo.

Yang Luo replied, "I plan to refine some Spirit Gathering Pills, Essence

Enhancing Pills, Qi Replenishment Pills, and other pills first to help everyone cultivate.

Also, when we attack the Myriad Swords Gate later, these pills will definitely be useful."

He had already consumed all his medicinal pills in Country Sakura and urgently needed to refine another batch.

“Good,good, good!”

Xiang Kunlun nodded repeatedly, “Brother Yang, let’s start quickly!”

Yang Luo nodded and did not hesitate anymore. He took out the King Medicine

Cauldron and some herbs and began to refine pills.

Xiang Kunlun and the others waited quietly for Yang Luo at the side.

In the blink of an eye, another few hours passed.

Yang Luo wiped his sweat and pointed at the small porcelain bottles on the

ground, “These pills should be enough!”

As he spoke, Yang Luo distributed a few bottles to everyone and kept quite a few for himself.

“Brother Yang, thank you!”

Xiang Kunlun took a few bottles of pills and thanked him.

“Thank you, Mr. Yang!”

“Thankyou, Brother Yang!”

“It’s good to follow Mr. Yang, haha!”

Everyone thanked him one after another, feeling very happy.

After Yang Luo packed up, he suddenly thought of something and said,

“Brother Xiang, I have something good for you. Do you want it?”

“What good stuff?”

Xiang Kunlun asked.

Qi Yutang and the others also looked at Yang Luo.

Yang Luo took out three sandalwood boxes from his storage ring.

Opening the box, he saw three demon beast cores flickering with different lights.

These three demon beast cores were given to him by Mo Qingkuang previously.

Now, he wanted to give a demon beast core to Xiang Kunlun to help him break through.

After all, he did not know how powerful the enemies he would encounter when attacking the Myriad Swords Gate this time.

He naturally hoped that the higher the cultivation and strength of Xiang Kunlun, the better.

“A demonic beast’s inner core?!”

Xiang Kunlun took a look and his eyes began to light up.

“Oh my god, it’s really a demonic beast’s inner core. There are actually three of them!

Mr. Yang, don't you have too many treasures on you?

Qi Yutang was stunned.

Li Wushuang and the others were also dumbfounded.

Yang Luo nodded and said, "These three are indeed demon beast inner cores.

One is 300 years old, one is 500 years old, and one is 700 years old.

"Right now, only Big Brother Xiang and I can consume this demon beast's inner core, so I'm sorry, everyone."

Qi Yutang waved his hand and said, "Mr. Yang, although this demon beast's inner core is good, it's not suitable for us now. We'll just have the Spirit Gathering Pill."

Li Wushuang and the others nodded.

Yang Luo took out a 700-year-old demon beast core and handed it to Xiang Kunlun, "Brother Xiang, the Spirit Gathering Pill is not too helpful to you now. "However, this 700-year-old demon beast core will definitely increase your cultivation."

The corners of Xiang Kunlun's mouth twitched, "Brother Yang, aren't you thinking too highly of me?

If I take this 700-year-old demon beast core, my body will definitely explode and I'll die!"

"That's true."

Yang Luo smiled and took out a 500-year-old demon beast inner core. He handed it to Xiang Kunlun, "This 500-year-old demon beast inner core should be fine, right?"

Xiang Kunlun took the demon beast core and said, "I should be able to withstand this."

"Alright!"

Yang Luo nodded and said loudly, "Alright, everyone, choose a huge mountain and start cultivating!"

"Yes!"

Everyone responded loudly. Then, everyone found a huge mountain and sat cross-legged, preparing to start cultivating.

Xiang Kunlun chose the mountain in the middle while Yang Luo chose the one beside it.

After landing steadily at the top of the mountain, Yang Luo sat down cross-legged.

Then, Yang Luo directly consumed a 300-year-old demon beast core and began to cultivate.

The moment he consumed the 300-year-old demon beast's inner core!

Rumble...

A surging and vast spiritual energy immediately spread out and began to wash

Yang Luo's internal organs, eight extraordinary meridians, and limbs!

“Uhhh...”

Yang Luo couldn't help but cry out in pain.

Although his current physique was already very strong, swallowing the demonic beast's inner core was still not that easy.

It was also because of this that it was very difficult for ordinary Martial Warriors to cultivate with the help of the demon beast's inner core. Yang Luo's skin instantly turned red, as if it had been boiled! His muscles bulged and his meridians bulged, giving him a terrifying look! Xiang Kunlun and the others were terrified when they saw this!

Bang! Bang! Bang!

Waves of terrifying and majestic aura continuously spread out from his body, causing the surrounding mountains to tremble gently!

Xiang Kunlun grinned, “This kid is indeed abnormal. He didn't even hesitate and directly swallowed the demon beast's inner core!

Bujie curled his lips and said, “Brother Xiang, it's only your first day knowing that Brother Yang is a pervert?

Brother Yang has already swallowed a few demon beast cores.”

“He has already swallowed a few?!

F*ck, this guy is simply a monster!”

Xiang Kunlun exclaimed and sighed, “No wonder this kid's strength improved so quickly. With his self-harm cultivation method, it's impossible not to be fast!”

Bujie and the others also nodded repeatedly, agreeing with what Xiang Kunlun said.

After waiting for a while...

Yang Luo finally stabilized.

Seeing this, everyone heaved a sigh of relief.

They were really worried that something would happen to Yang Luo.

“Then I'm going to start too!”

Xiang Kunlun exhaled softly and stared at the demon beast core in his hand for a long time. After hesitating for a while, he finally swallowed it!

The moment the demon beast's inner core was swallowed!

Rumble...

Waves of even more violent spiritual qi erupted and surged towards Xiang Kunlun's internal organs, eight extraordinary meridians, and limbs!

“Ah...!”

Xiang Kunlun let out a low roar of pain.

His eyes and body instantly turned red.

The muscles and meridians on his body also swelled.

An even more terrifying aura spread out from his body, causing the surrounding mountains to tremble even more violently.

Bujie clicked his tongue and said, “Brother Xiang just said that Brother Yang is a monster. But I think he’s also a monster, okay?”

Qi Yutang sighed in admiration, “With these two monsters together, the Myriad Swords Gate is probably really finished!”

Li Wushuang and the others were also looking forward to whether Yang Luo and Xiang Kunlun would have a breakthrough this time.

At that time, when they attacked the Myriad Swords Gate, how terrifying would their combat strength be?

As Xiang Kunlun had swallowed a 500-year-old demon beast inner core, it took him more time to finally adapt and his body gradually stabilized.

Li Wushuang said loudly, “Brothers, let’s start cultivating too!”

“Alright!”

Everyone chorused loudly.

Then, everyone took a Spirit Gathering Pill and began to cultivate...
